

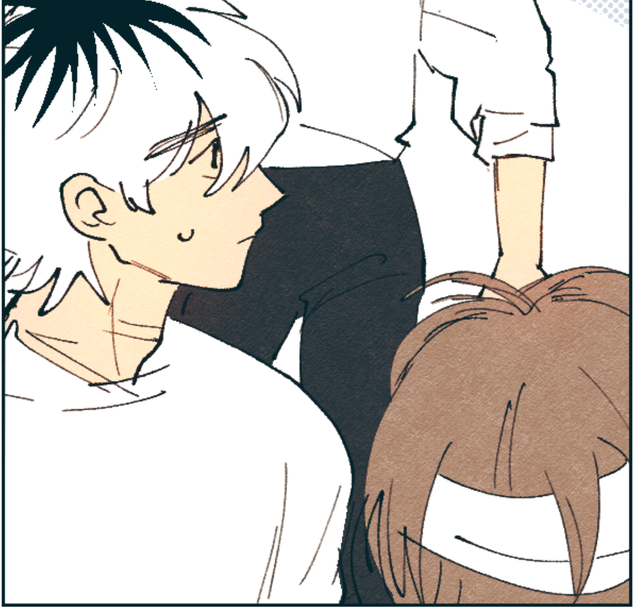
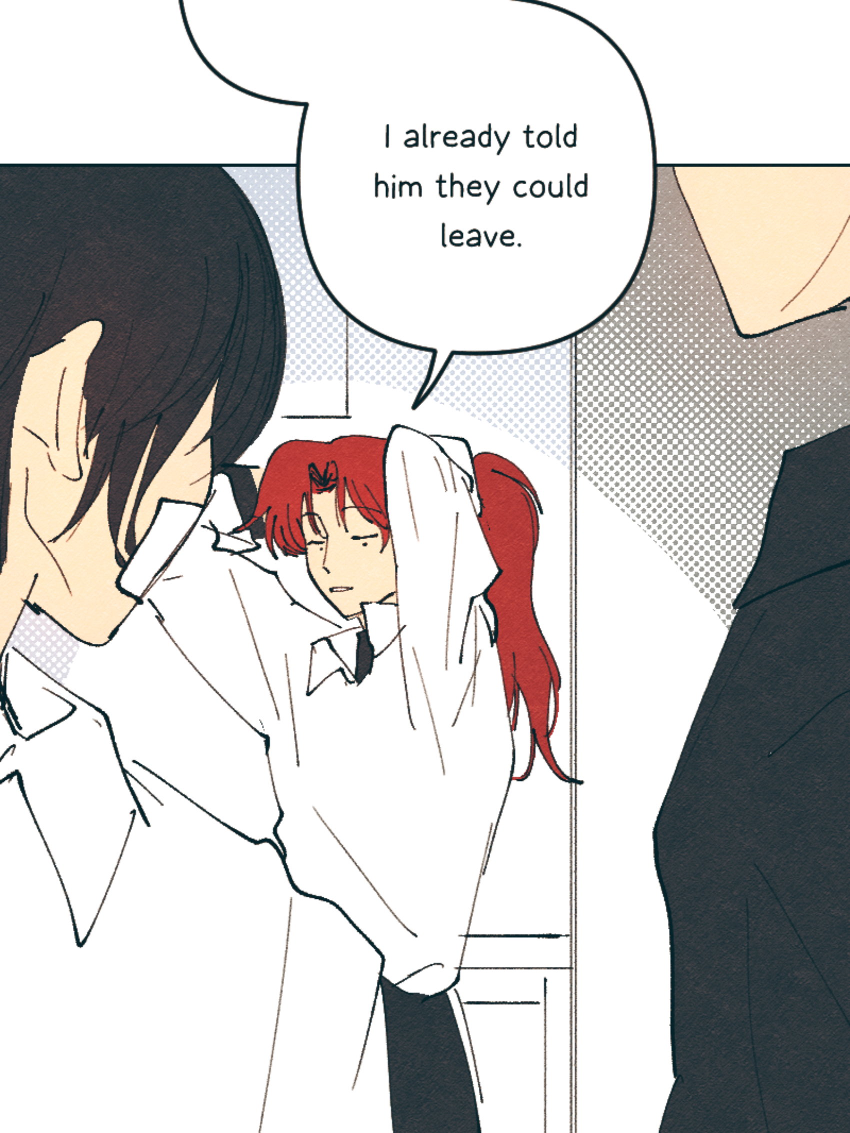
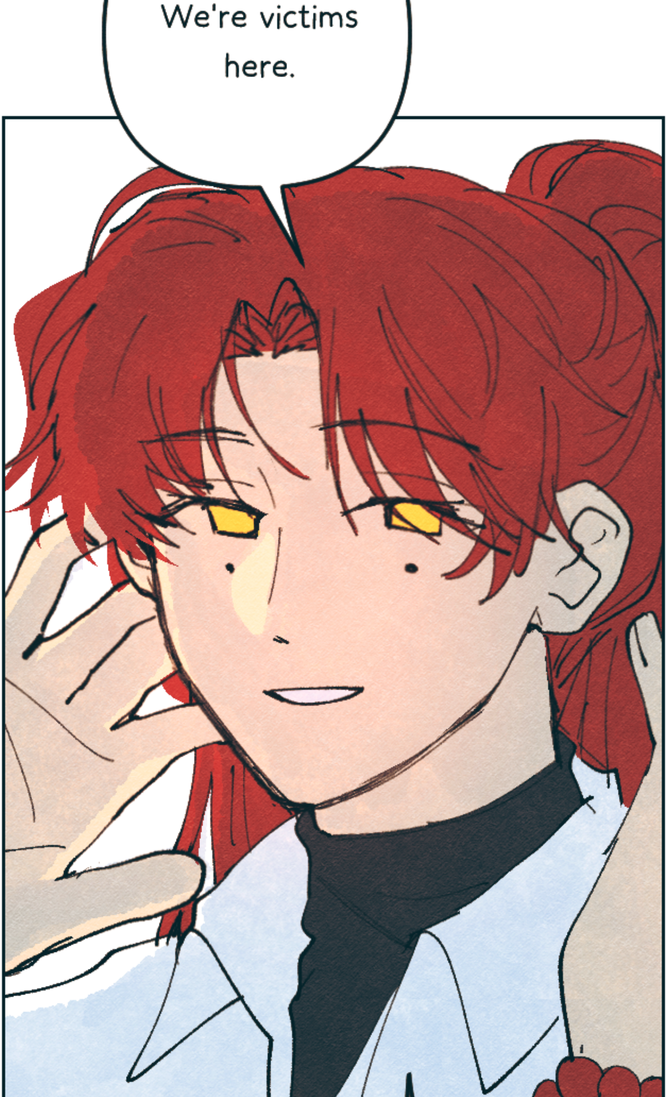
Home?
What about our testimonies?

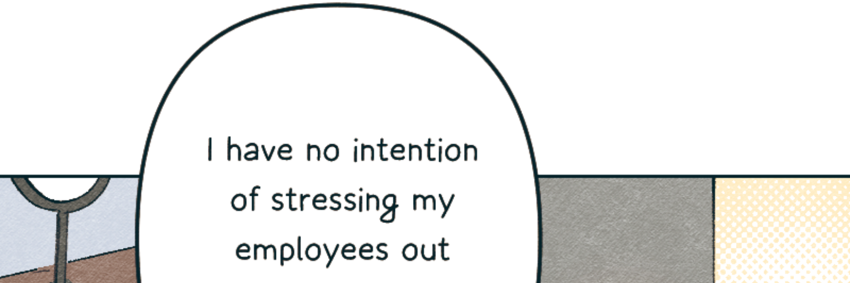




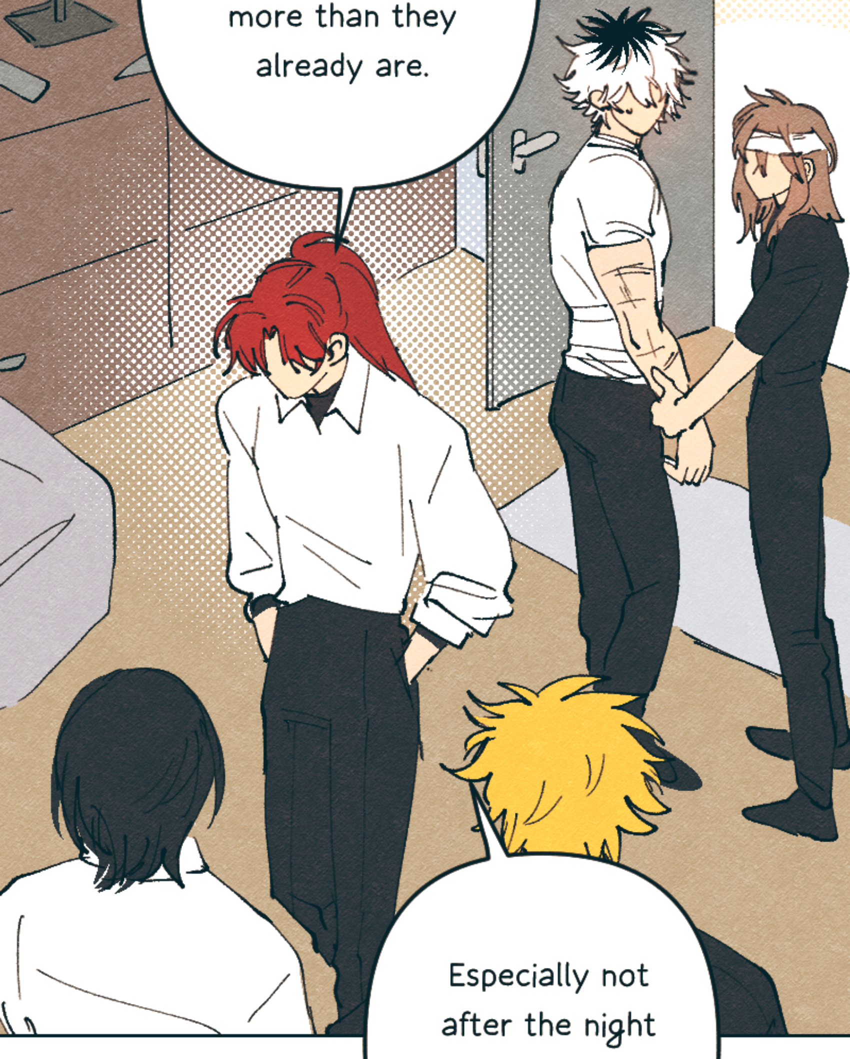
I already told him they could leave.



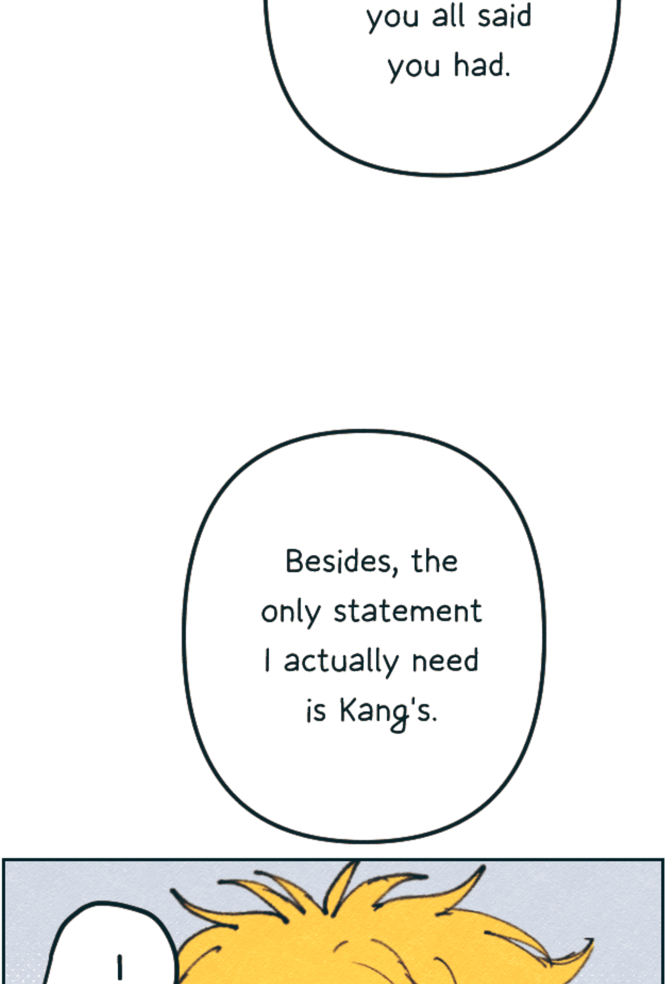
We're victims here.



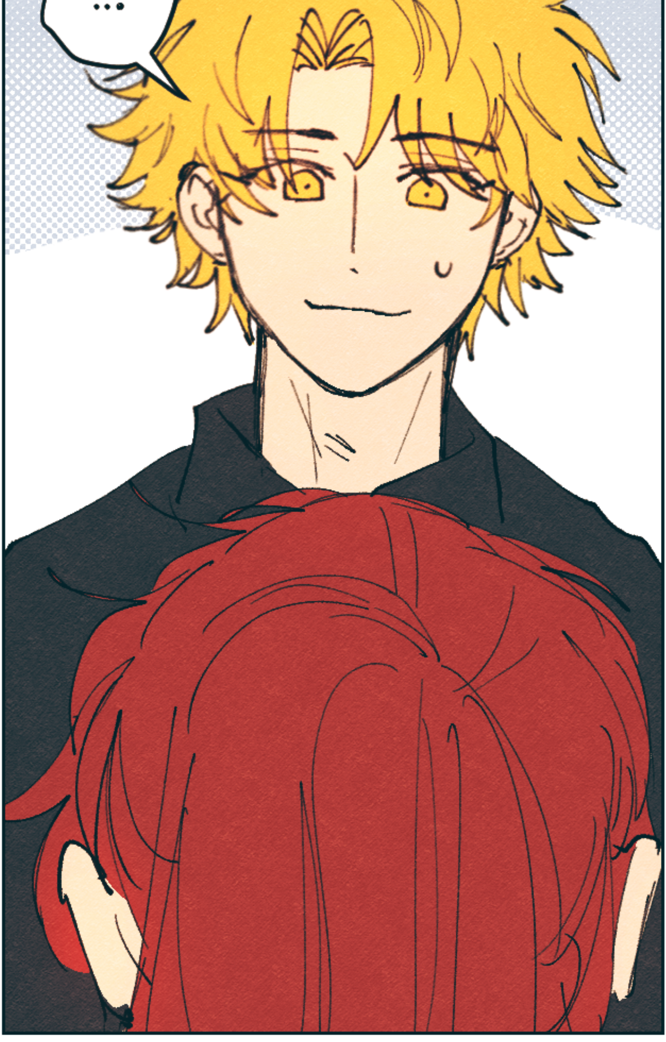
I have no intention of stressing my employees out

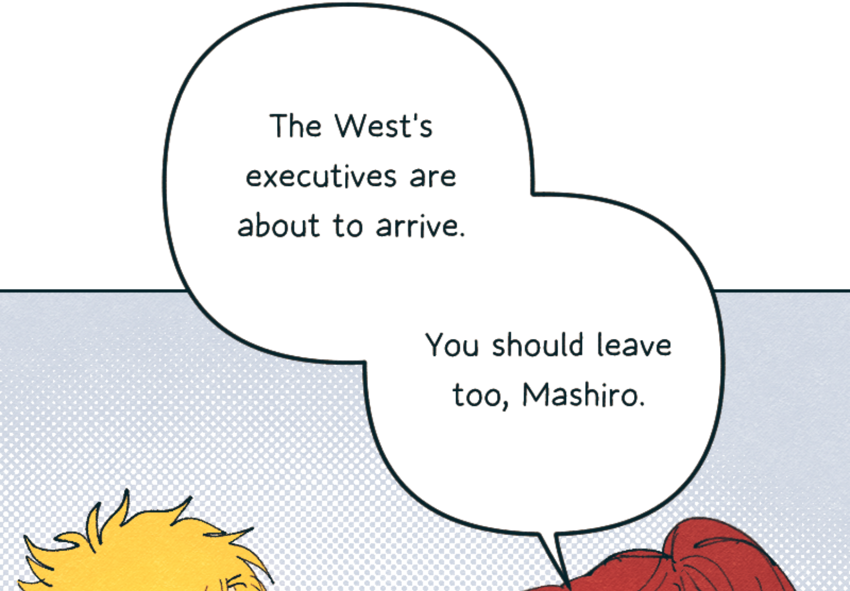


more than they already are.
Especially not after the night

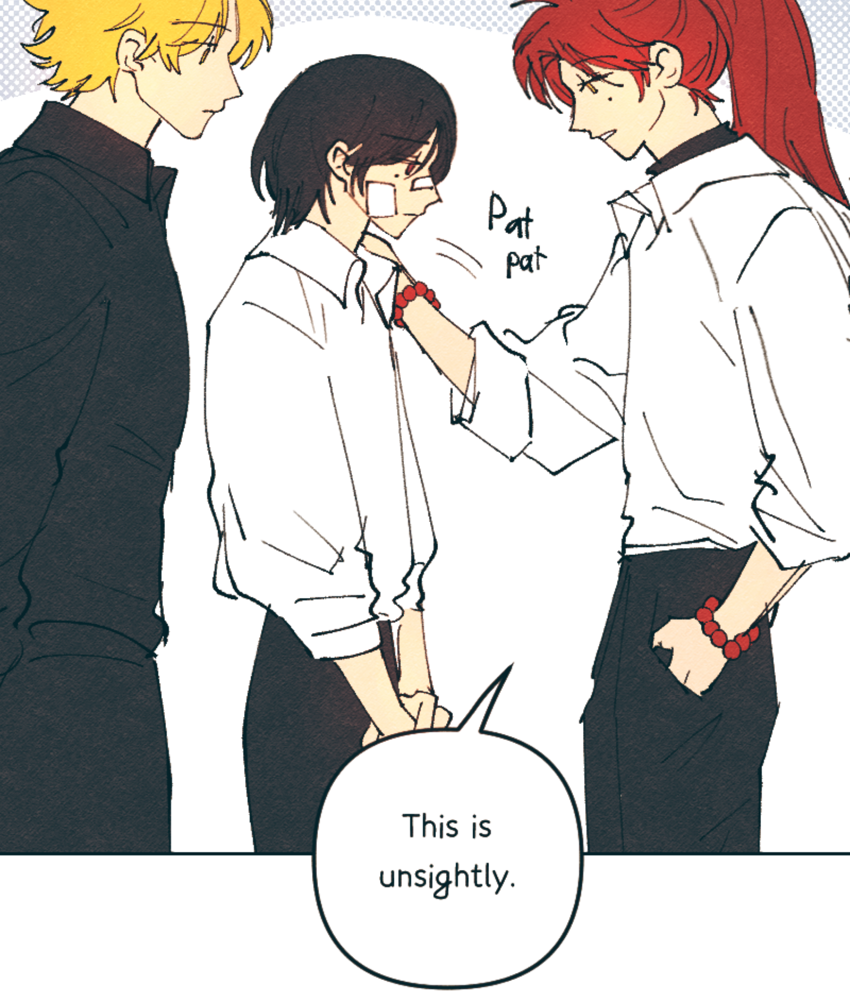


you all said
you had.
Besides, the
only statement
I actually need
is Kang's.
I

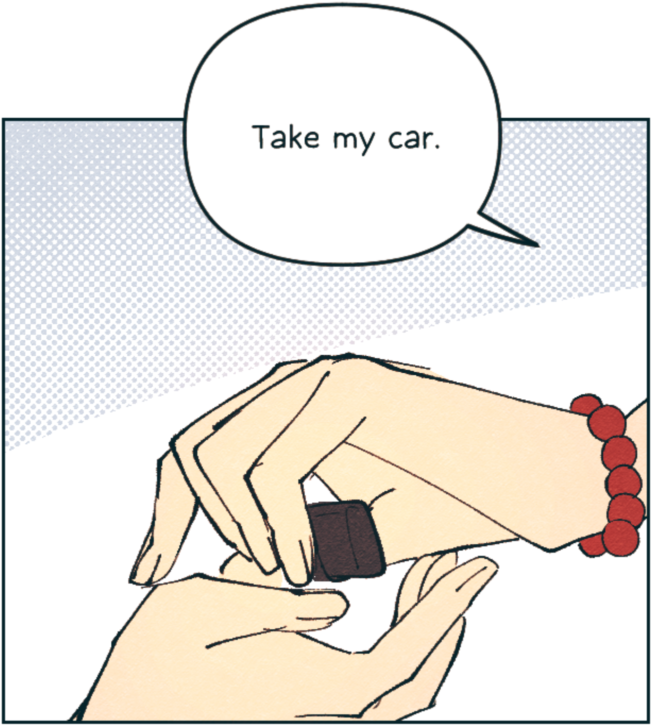


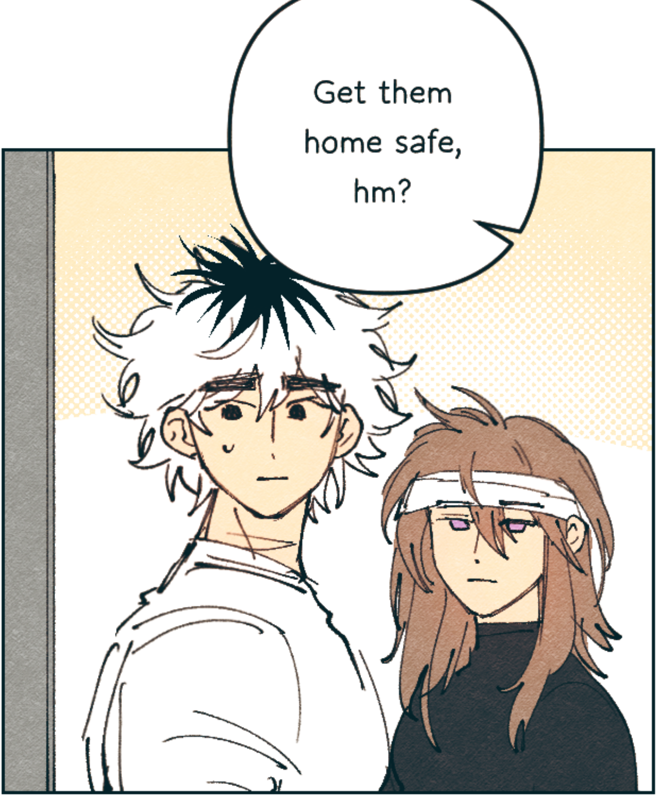


The West's executives are about to arrive.
You should leave too, Mashiro.

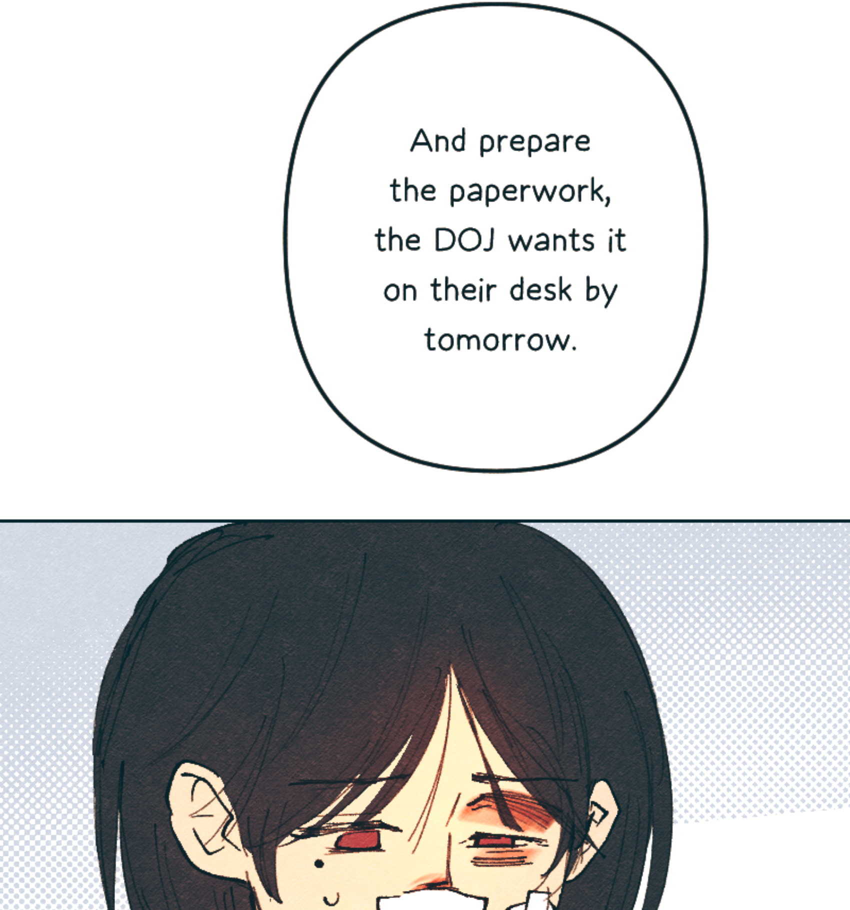


Pat
pat
This is unsightly.

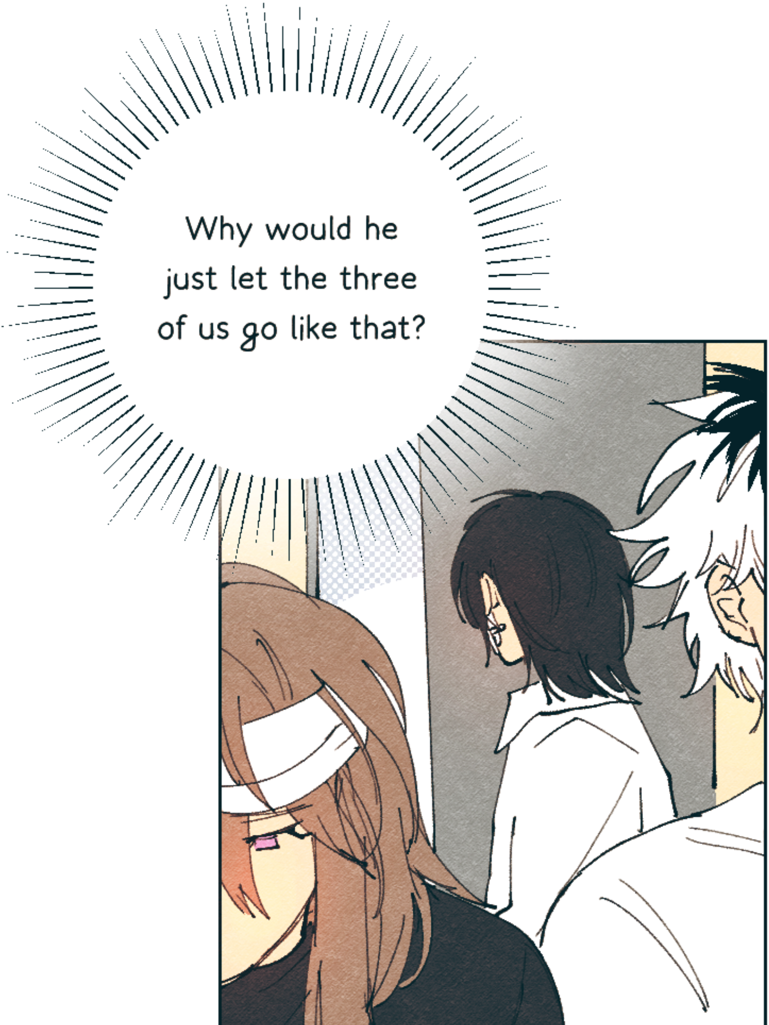




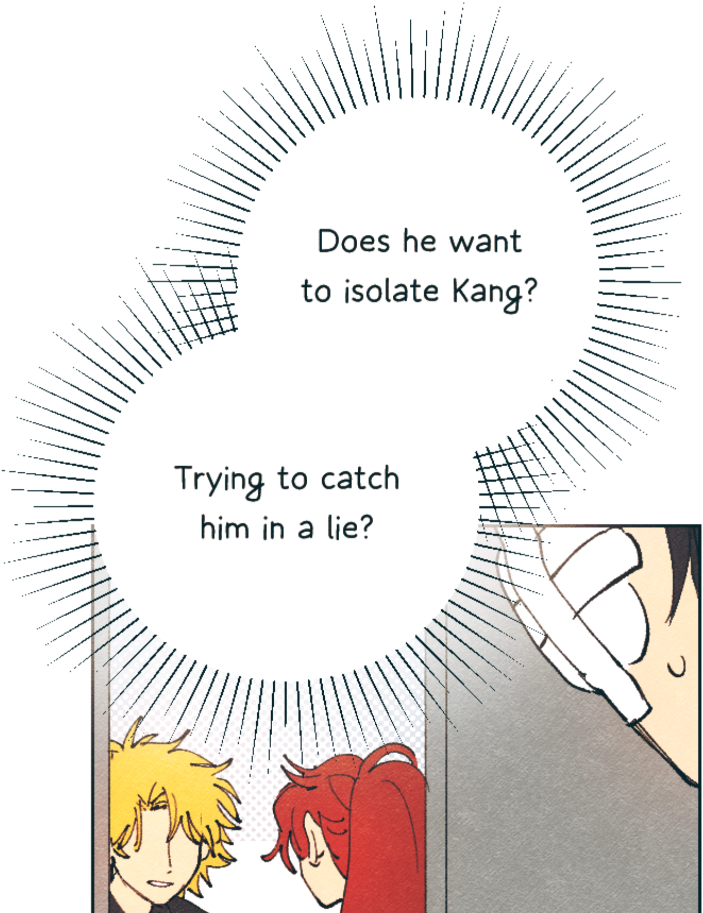
Get them home safe, hm?



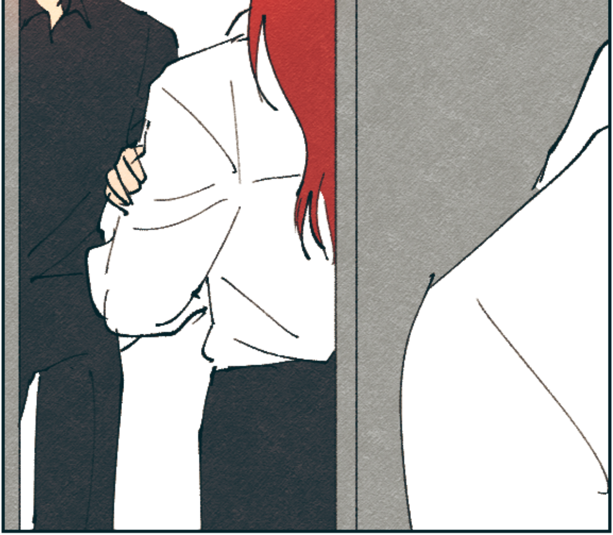
And prepare the paperwork, the DOJ wants it on their desk by tomorrow.

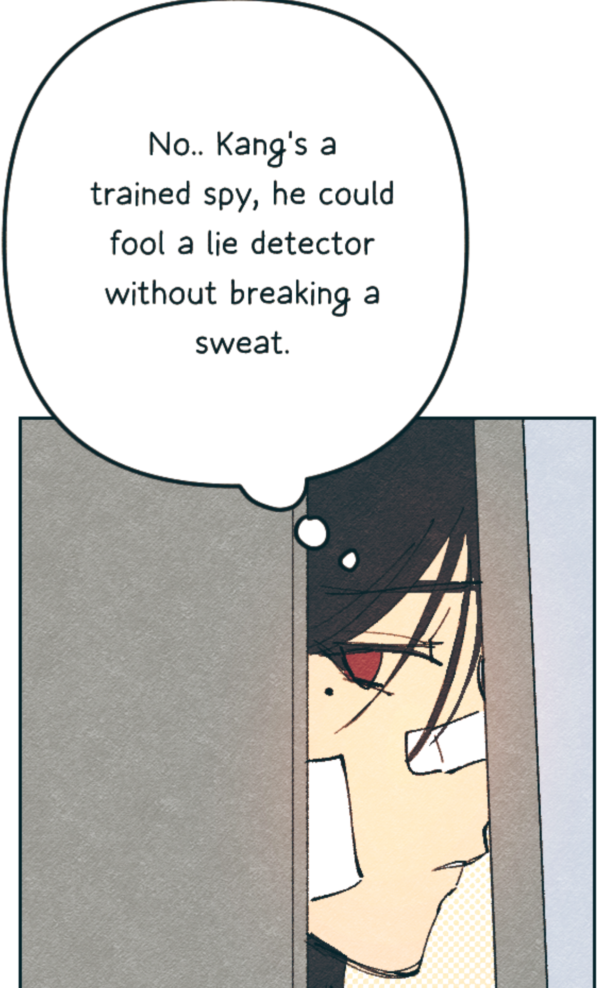


Why would he just let the three of us go like that?

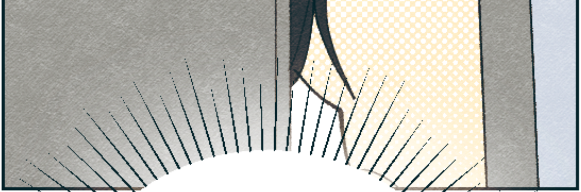


Does he want to isolate Kang?
Trying to catch him in a lie?



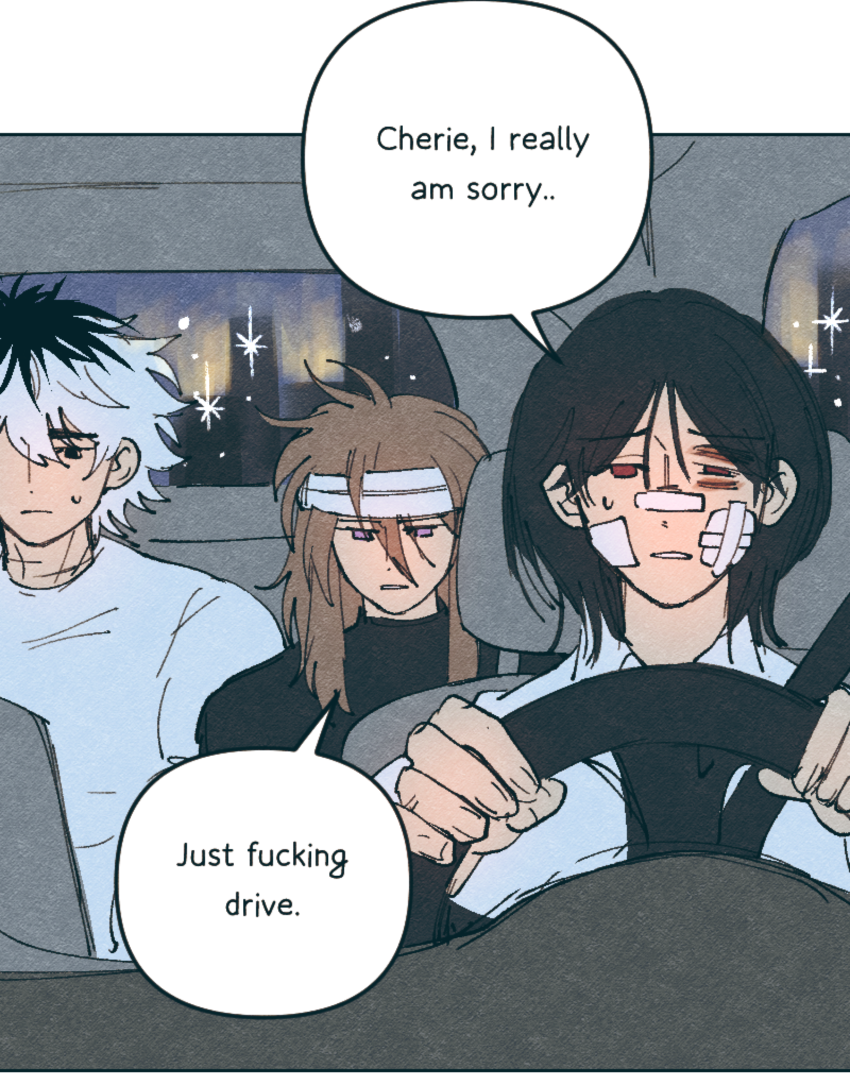


No.. Kang's a trained spy, he could fool a lie detector without breaking a sweat.



He's more than capable despite his.. quirks.

Still, I'd prefer to be in that interrogation room with Kang...



Cherie, I really am sorry..
Just fucking drive.

than with Cherie
in the car ride back to
his apartment.

I'll have all of your belongings on your desk tomorrow.
See you then.
