

So what are you here for?

You has so much  
ship girls while  
I have none.

SUITE  
ROOM

A young man with black hair and a white naval officer's uniform is sitting on a brown sofa. He is wearing a white cap with a gold emblem and a white jacket with gold epaulettes and buttons. A silver beer can with a red and white logo is on the sofa next to him. The background shows a wooden interior with a staircase.

So I invented this.  
Can help you to  
have some "fun"  
with your girls.

Let me re-consider  
about this.

Admiral? Can I  
come in?

Washington?  
What is it?

I have some reports  
that need to ask.

SUITE  
ROOM

You came at  
the right time.

Hm? Is this a  
friend of yours?

Hey! I haven't  
agreed you to..

Washington?  
Mind you a bit.

Hi there, friend.

Surprised? This  
is the ability of  
the that drink.

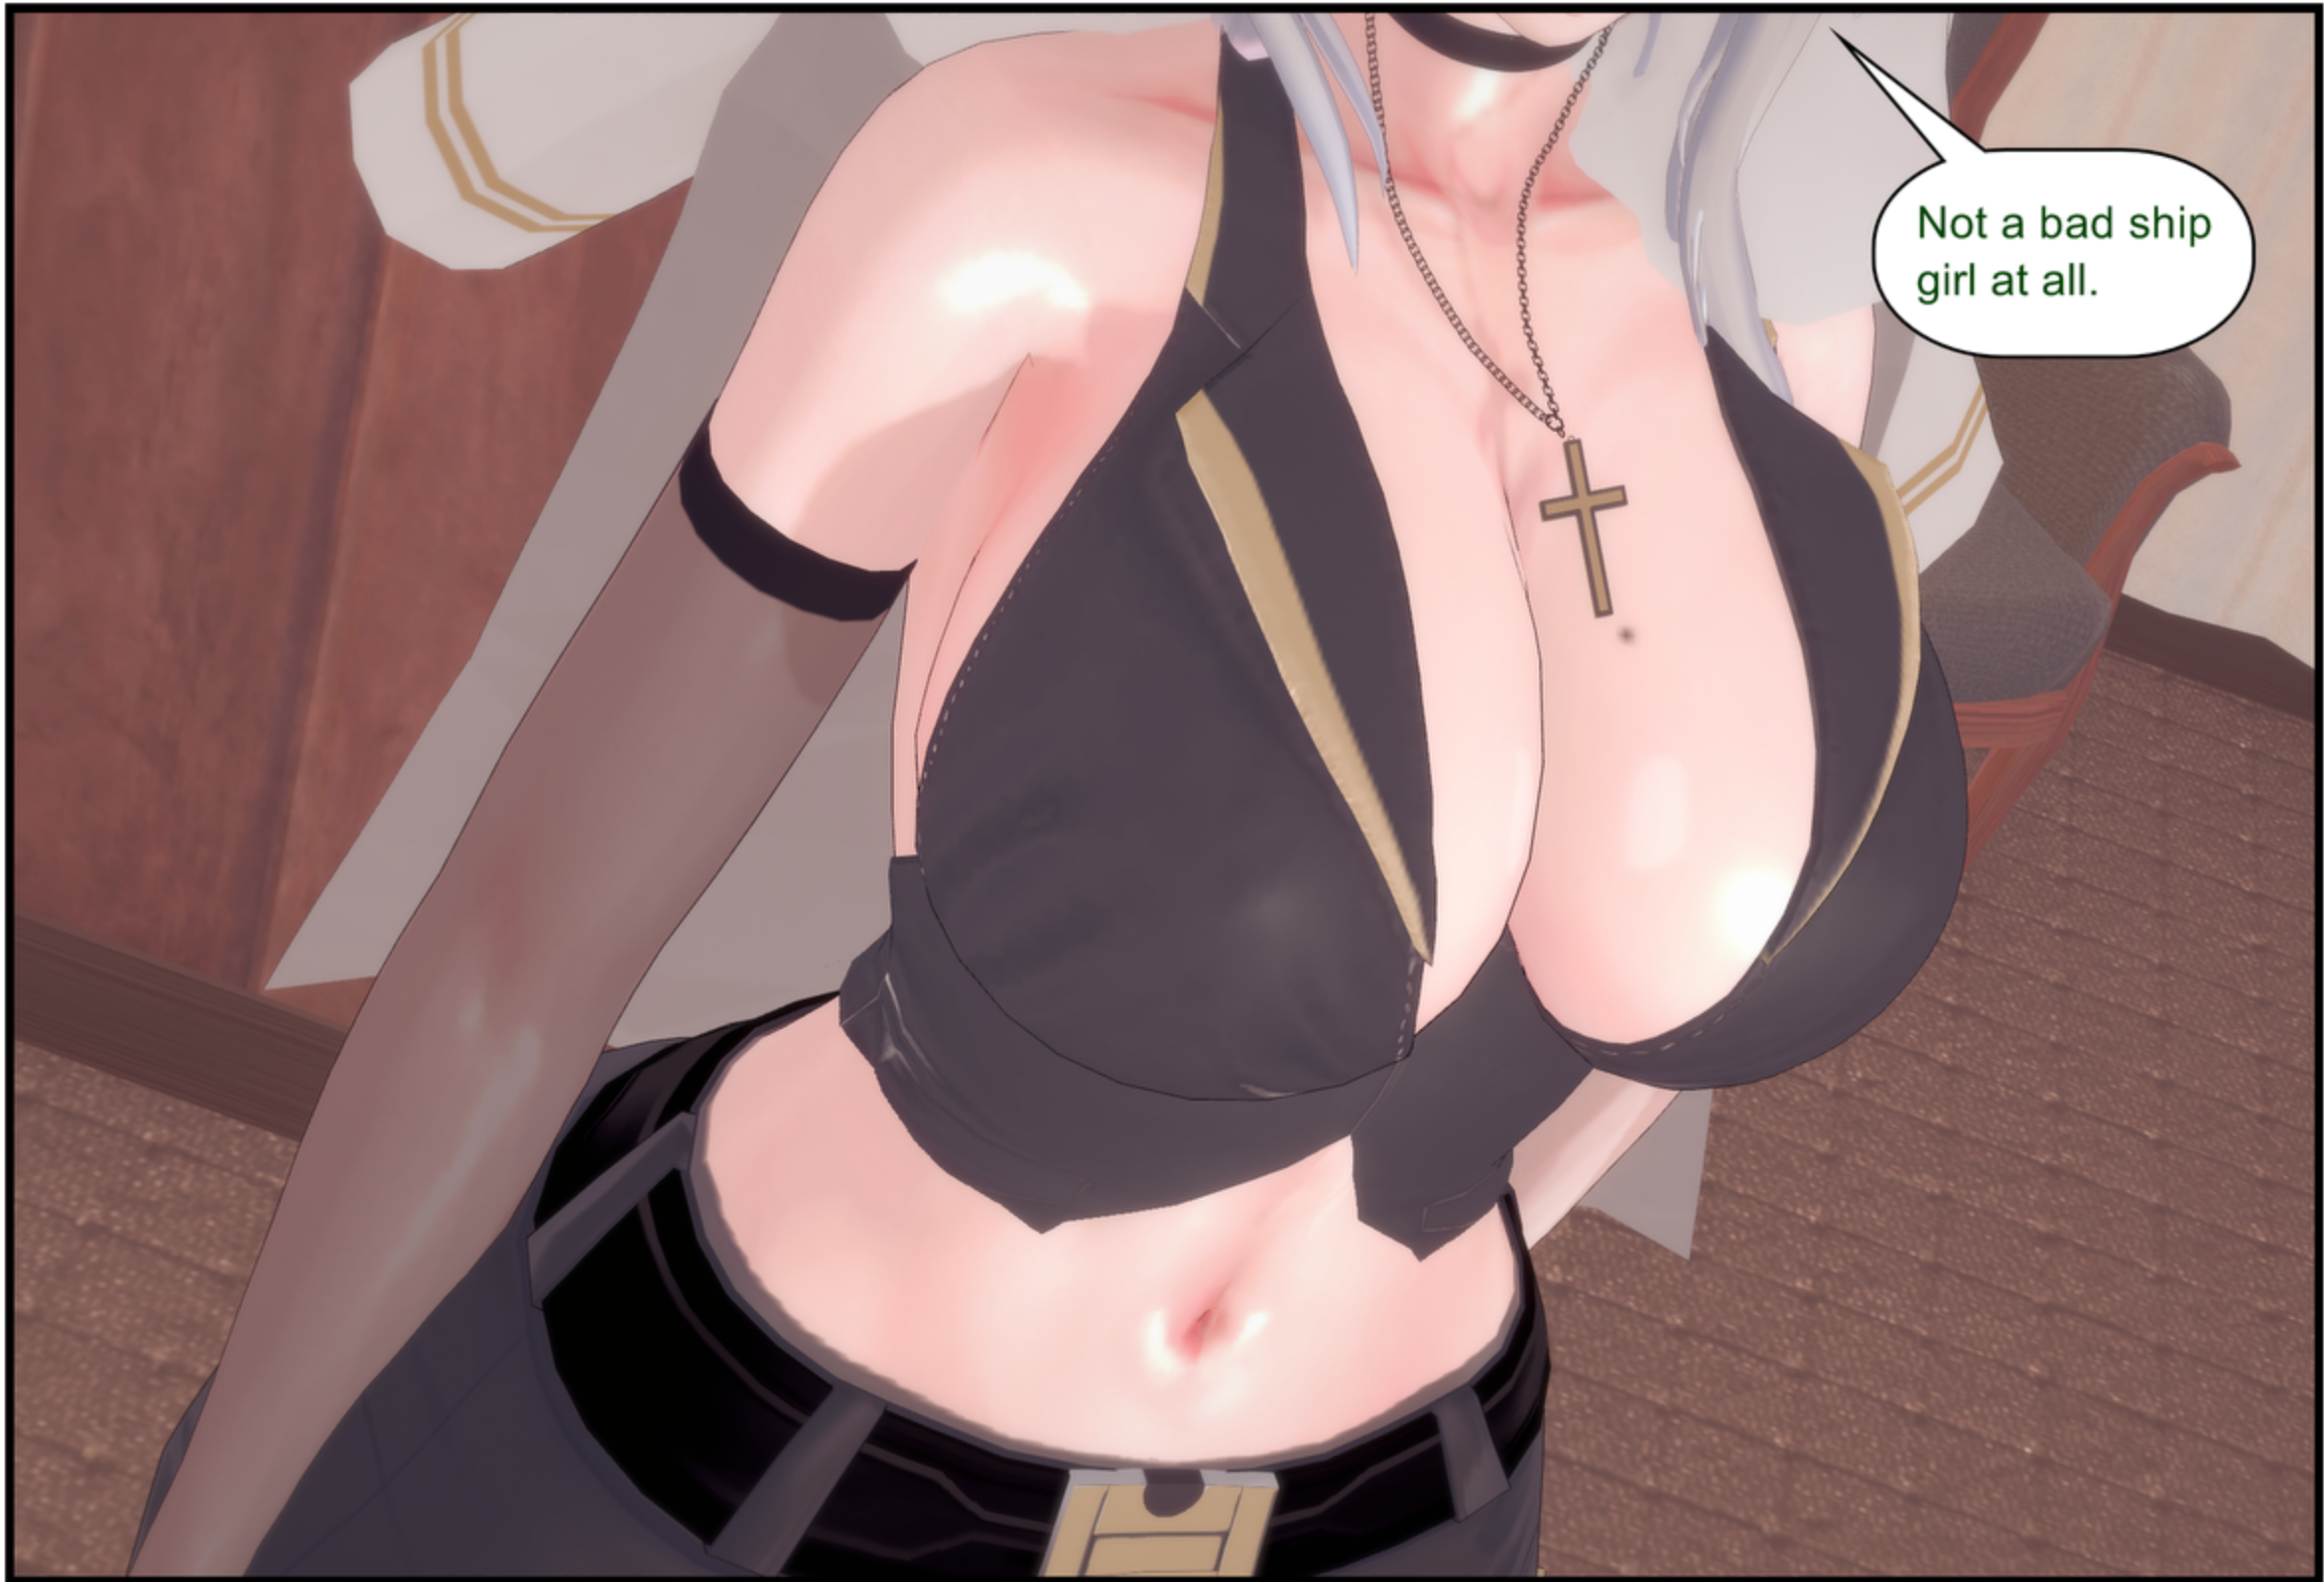

Extract your soul  
and freely to  
take another body.

And here I am,  
taken over  
Washington's  
body.

Not a bad ship girl at all.

Jeez, I will test her out a bit.

What are you doing!? Leave her alone!

I'm using her to rub my own d\*\*k.

Start to feel want  
to join yet?

Ah~ That's some good semen!

Grab that drink  
and join me.
