

A man with reddish-brown hair, wearing a white button-down shirt, is sitting at a desk and typing on a black laptop. He is looking towards the right. The desk is a light-colored marble top. Behind him is a brick wall. On the wall, there is a framed picture of a woman's torso. A thought bubble points from the picture to the man. To the left, there is a window with white frames. To the right, there is a small wooden table with a black object on it.

Sure, let's do
that.**

A 3D rendered woman with short brown hair, wearing a white long-sleeved button-down shirt, is sitting at a desk. She is looking at a laptop and has her hands on the keyboard. A gold smartphone is on the desk next to the laptop. The desk has a white marble top. In the background, there is a grey wall with a white textured pattern, a wooden cabinet, and a brick wall on the left. A framed picture of a person's back is on the brick wall. A thought bubble is positioned above her head, containing the text "Obviously, I want a cool female model."

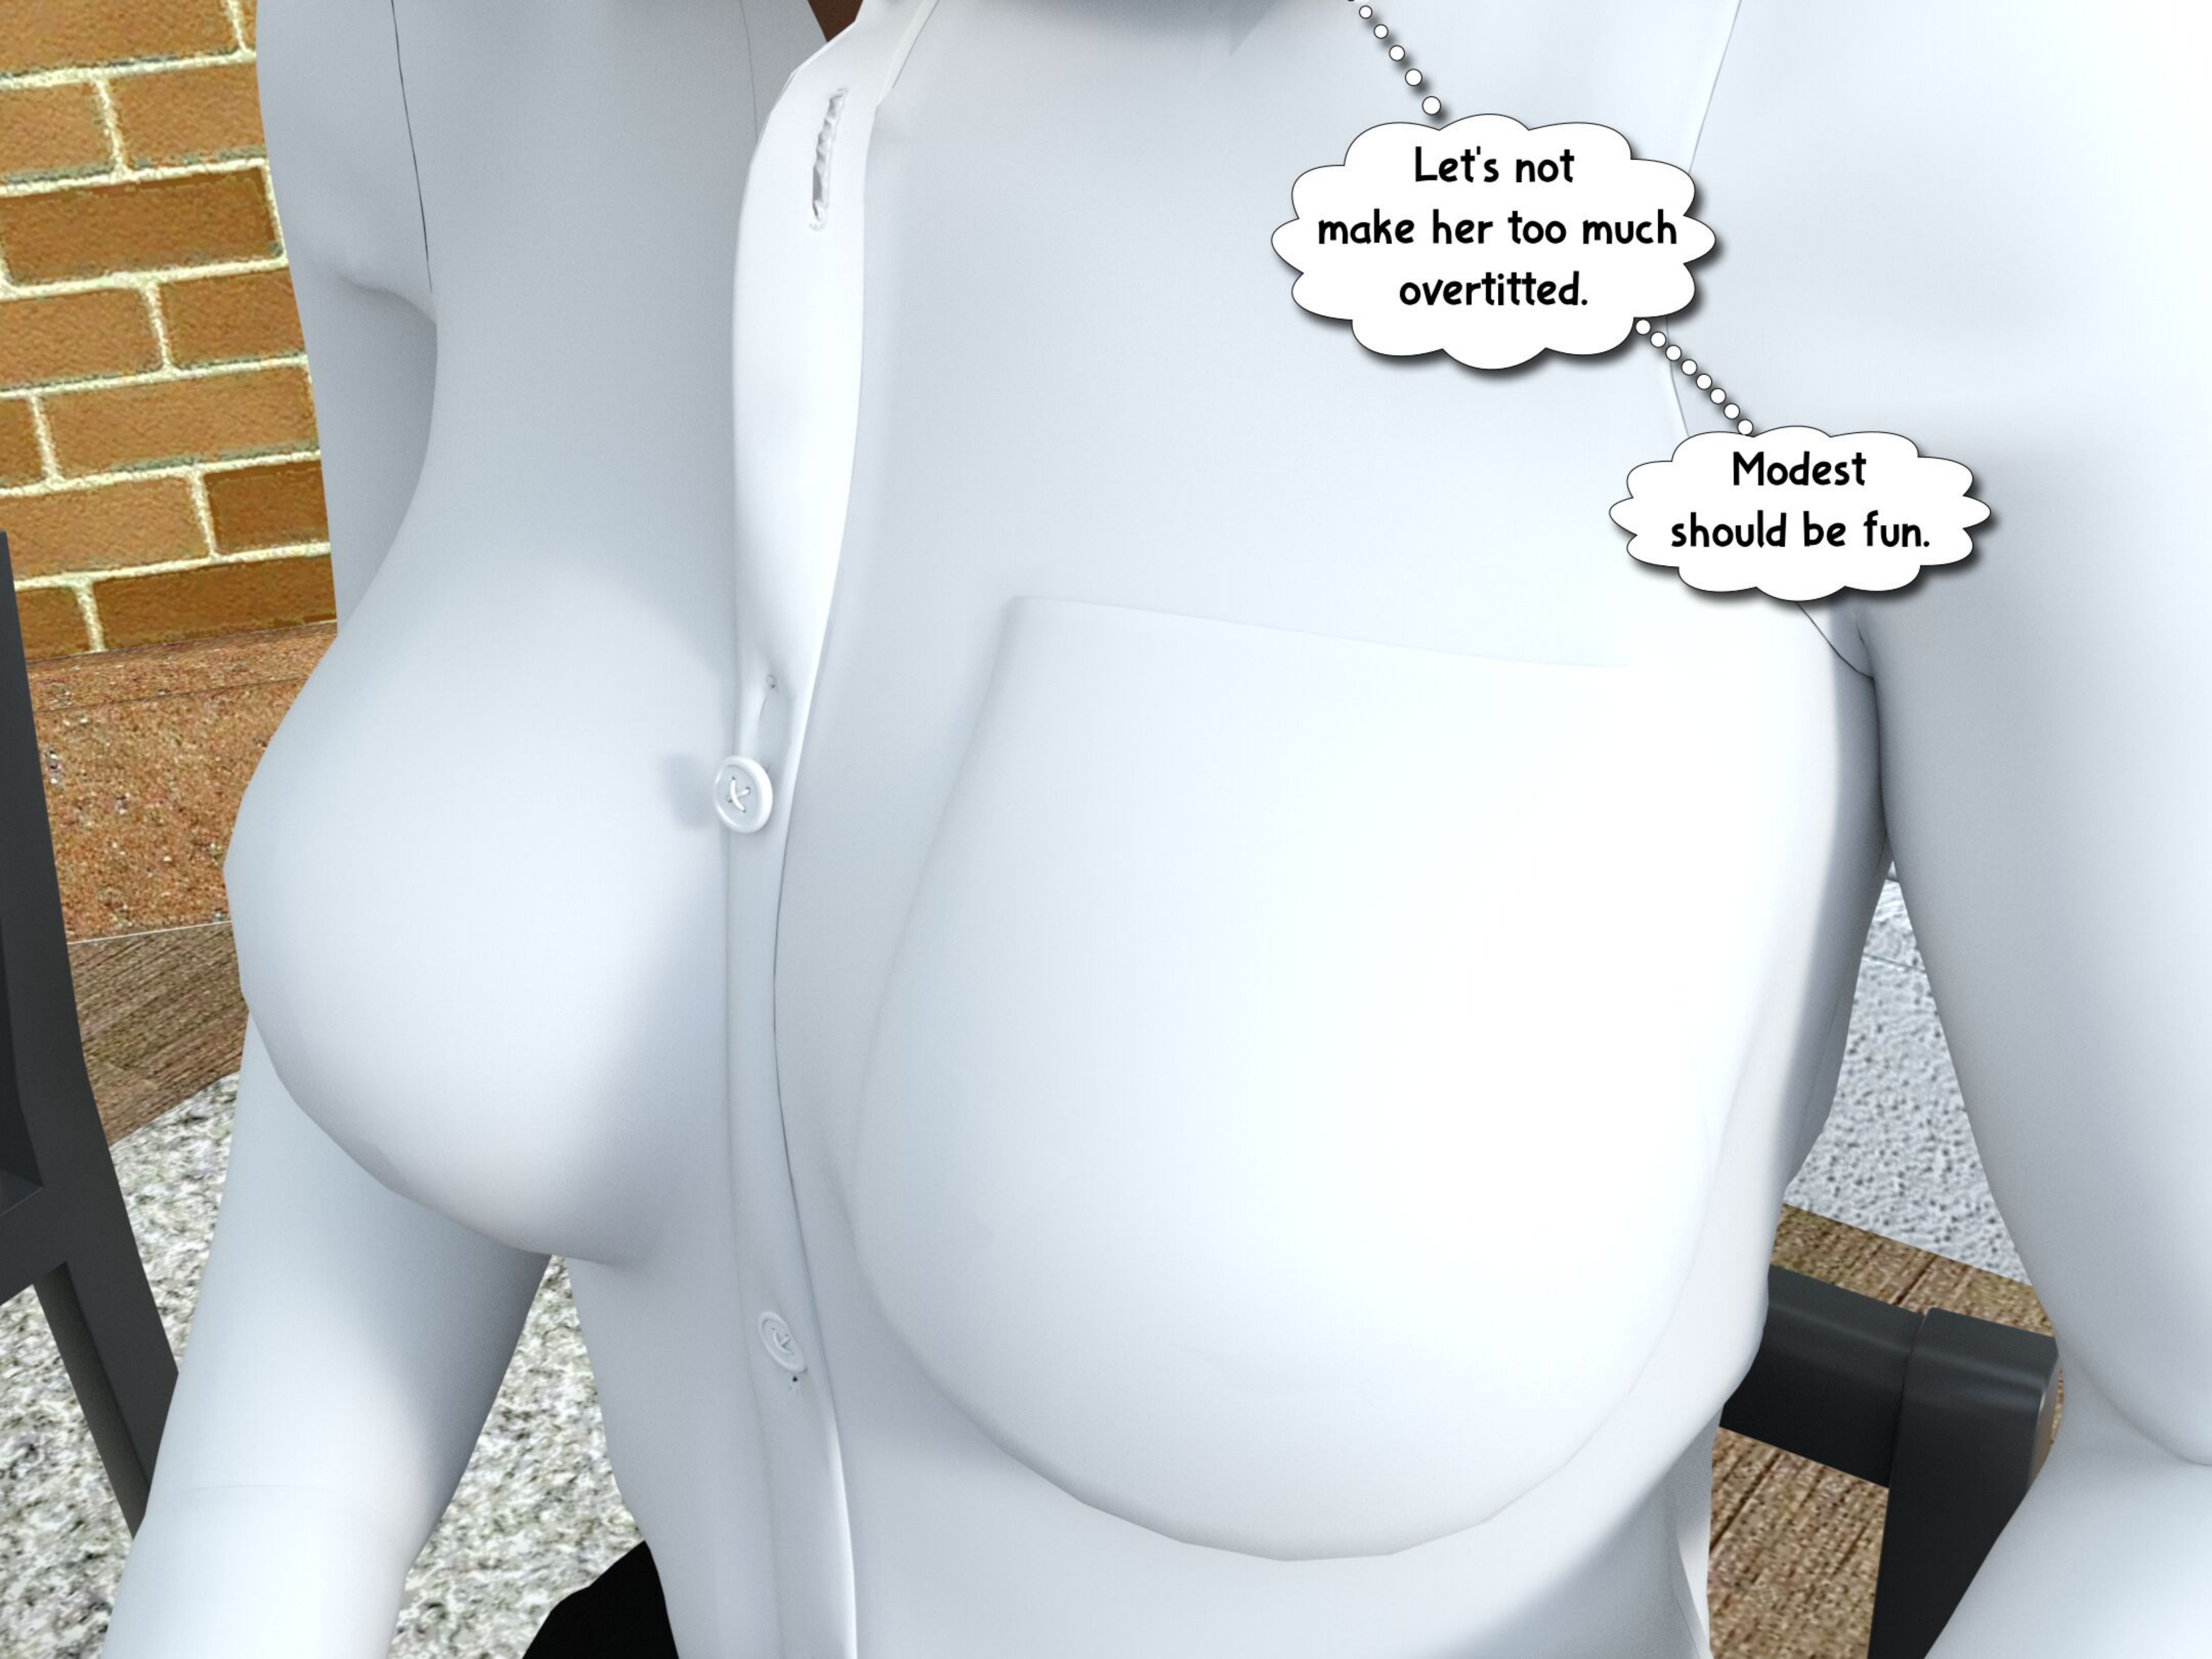

Obviously,
I want a cool
female model.

With some good skin.

Nice nails,
too. Very shiny.

Let's not
make her too much
overtitted.

Modest
should be fun.

Booty, though.
Heck yeah.

Also, some
nice panties to show
off that kister.

Cute face
with some nice
makeup.

Maybe a cool
nerd girl vibe with
some glasses?

Some fancy idol singer hair style.

I guess
I'll put something on
her nipples, so she
isn't too nsfw.

This is fun. What else can this do?
