You mean wearing Girl Clothes while we went to the Party?

Of course I am...but...

Oh James... with other words: You lost our bet as you came first and now you don't want to pay your debt?

Uh-hu... aren't you man enough?

Alright, the clothes lay on the table.

The skirt suits you darling. Your ass looks kinda hot in it. You should wear it more often.

Kendra...I just do that for you. Don't make jokes, kay?

I wished I had found a good looking wig for the amazing girl at my side ton8.

Oh James... that will be an fantastic evening. Thank you so much that you do me that favor.

I love you hun!

I love you too, Kendra.

# You blow, you grow

I have a bad feeling, Darling. This place is...scary somehow.

Seriously? I thought this is your buddy's house and you know it?

Funny... I thought it was from one of your friends... but...

...do not worry. It is just an party. And somehow the invitor knows us.

# You blow, you grow

But surprisingly the party was fantastic and a few hours later...

Darling, it was a nice evening. But we should leave soon. In a few hours the night is over.

Ups...I think I had too much shots Hun. I look for the rest room. Don't leave without me.

Never!

So, Kendra is her name...or should I say...Was?

Time for some real fun.

Have you drunk to much? Get out of my way...Name is Candy by the way...

You love to have fun, while sex is the best for you. Your gigantic juggs and simple mind will made it clear: An airhead Bimbo is here.

# You blow, you grow

# You blow, you grow

Like...Hi!

The process is  
still ongoing, but the future is  
now certain. My job is mostly

can't get long words  
any more...more for

# You blow, you grow

Ohhh...

huge dong hanging there.  
teehee Candy like tots  
like that.

I am wondering  
where Kendra is. She just wanted  
to go to the Restroom...now I  
wait already 15 minutes  
for her return.

It is time  
to leave. All other guests  
are already gone.

I wonder who the girl is  
who have this voice. It sounds a lot  
like Kendra, but much higher...more  
like an Airhed. So lustfull.

# You blow, you grow

What are you doing?  
Don't you both feel any shame  
for fucking in public?

Yeah...  
Candy like tots luv  
this hard thing between  
her bubbly butt!

James,

He did this to  
Candy!

What? Kendra?

It's like totally me,  
Candy, ur lovin' GF!  
The huge Dick changed  
Candy to become

# You blow, you grow

James, your instruction is not desired, but now you are here and see your girl in this new form - so I have no choice and use my strength one more time.

We see: Girly clothes you are wearing, so a GIRL YOU will be. As Girl you love to be SUBMISSIVE to any COCK who is in near, brings you to your KNEES and SUCK it wild! And while you BLOW, you GROW.

And while your body become hyper feminin and your lust is constantly high your mind on the other hand goes slow until you are a happy Bimbo.

Wait? What are you creep talking about? Who are...

# You blow, you grow

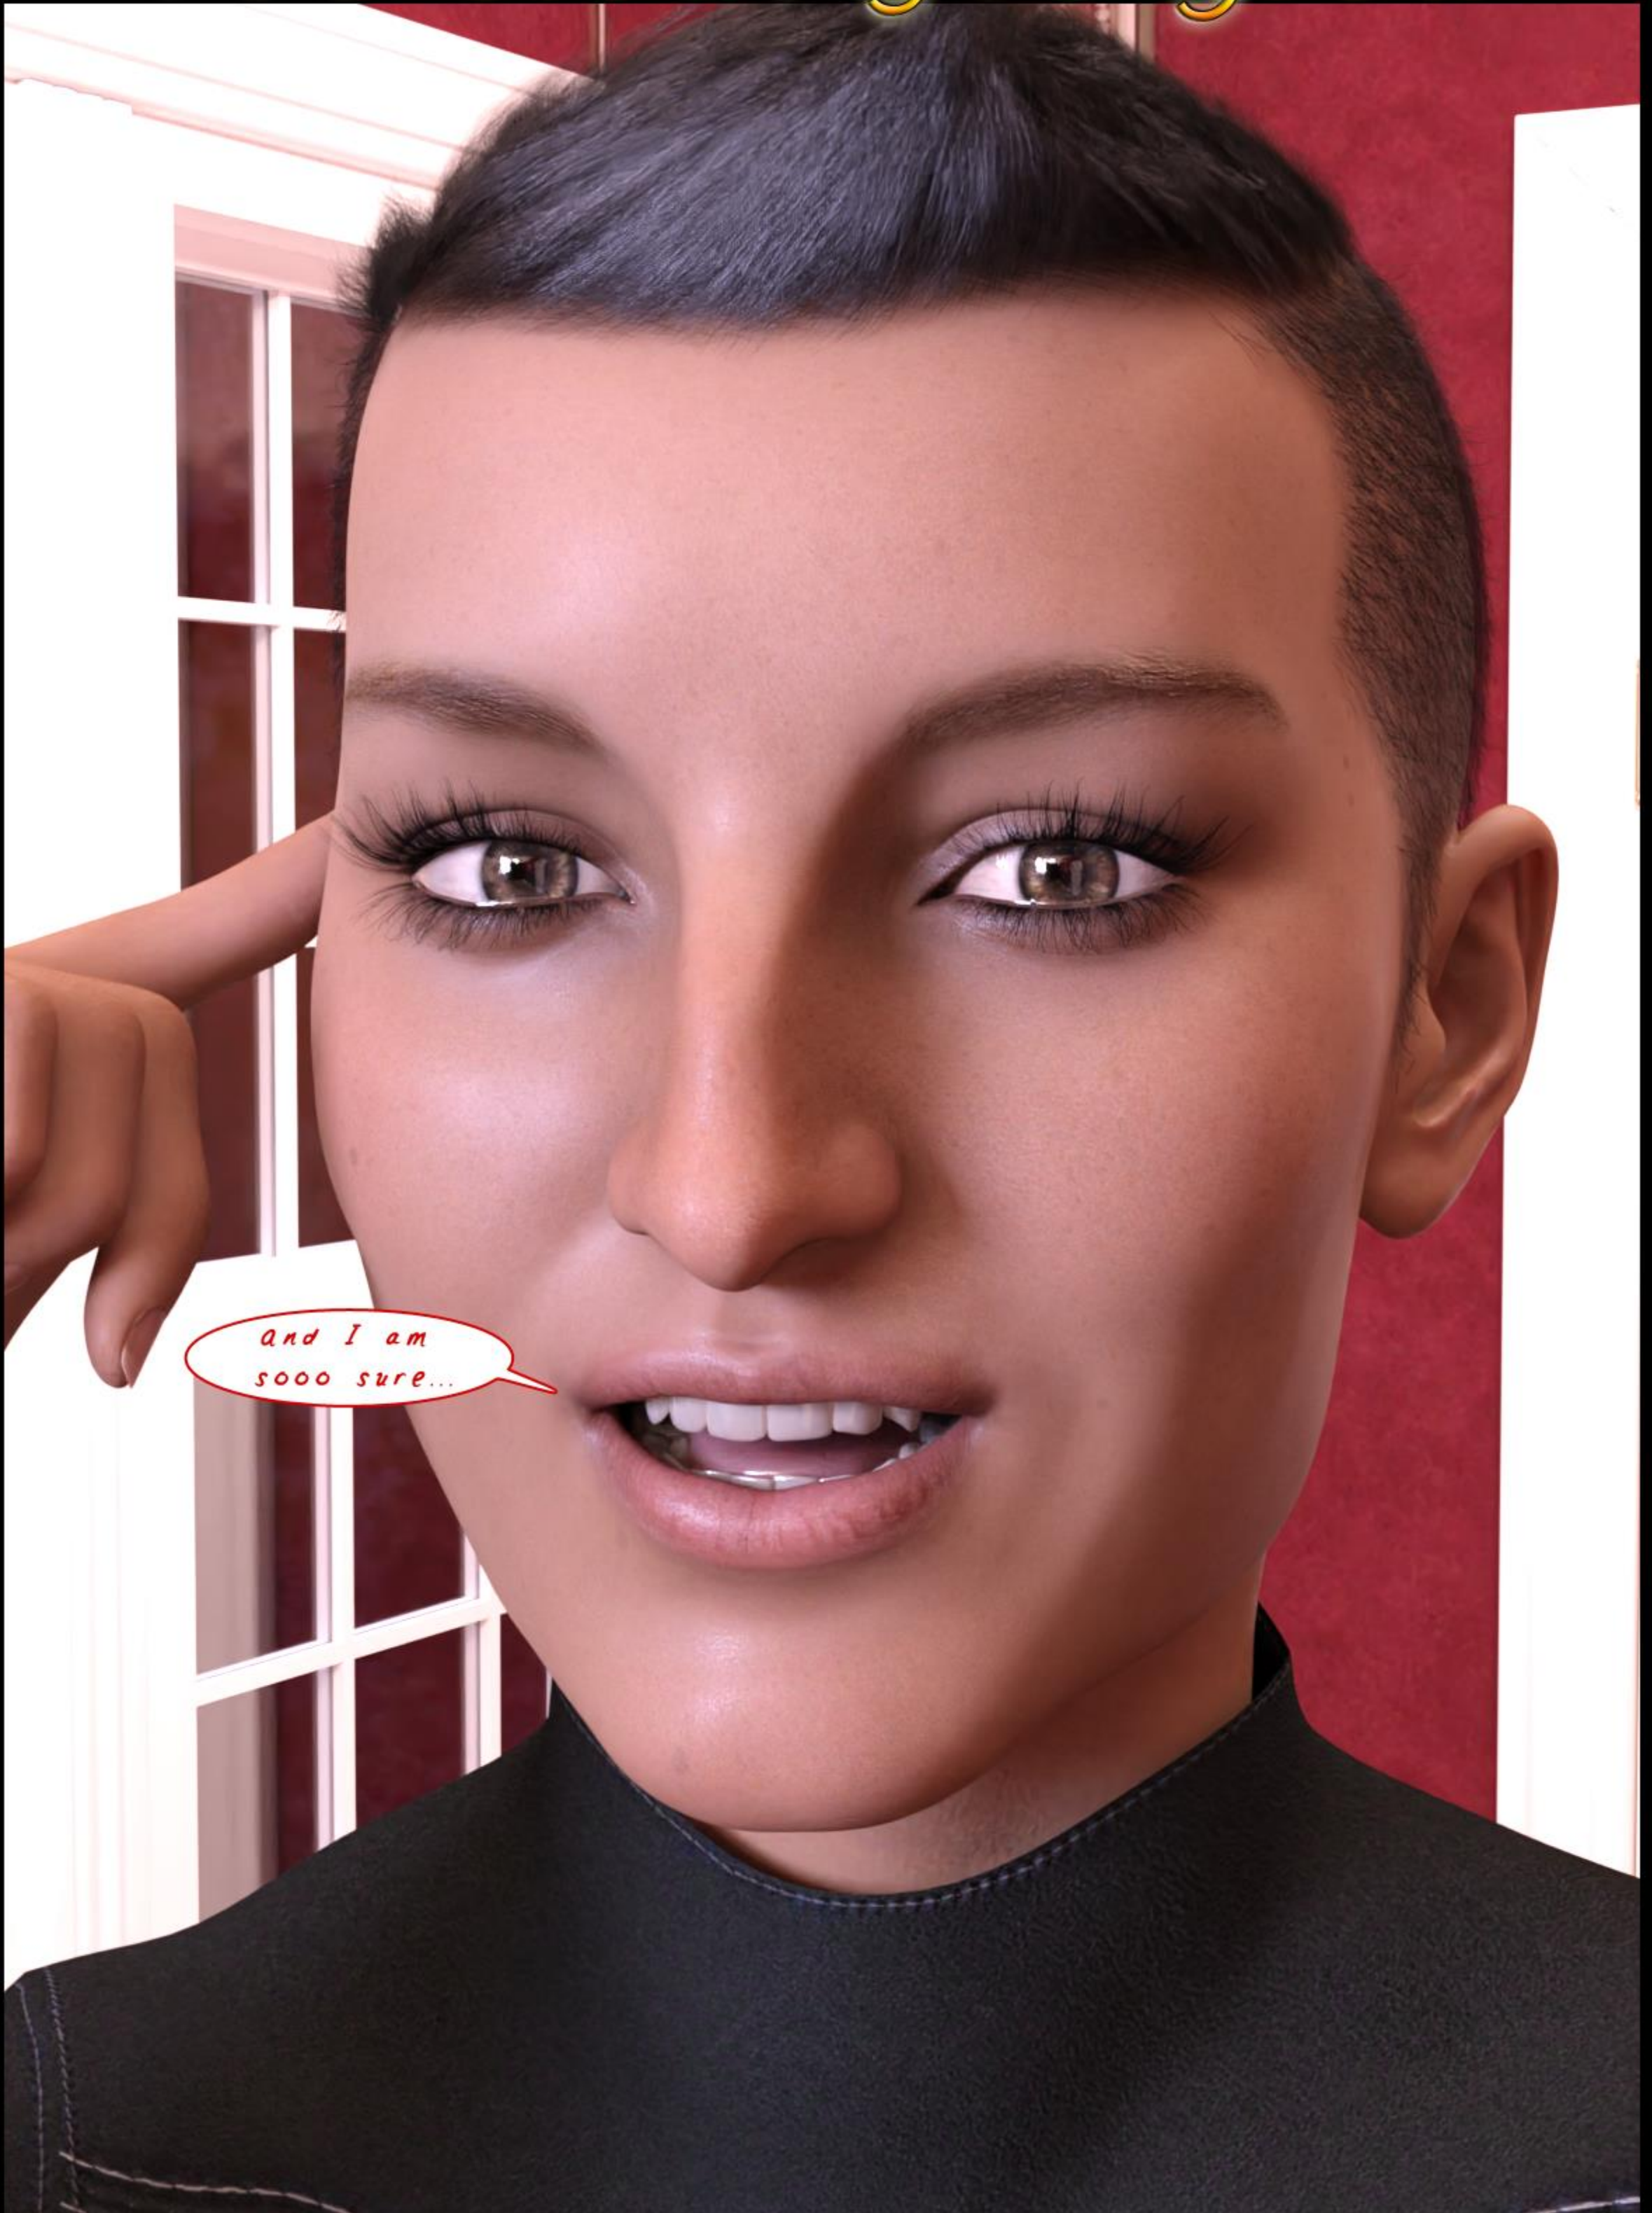

Ah, I see...  
you are not only a creep...

creep!

Oh myyy GOSHI!

# You blow, you grow

Now I get it...  
I am no GIRL! I...  
was a boy...no...a grown

A men you no

# You blow, you grow

And finally, for you just a few pages, for James a few seconds, the final and most important transformation takes place, which makes Him to a Her...

*\*shock\**

*\*slurp\**

...we welcome James to the women's club. The stranger have changed James destiny...and his mind have been changed...but his memory is still the same.

*\*STRETCH\**

# You blow, you grow

With this last rime the creepy stranger cast a last horrifying curse on James. Everytime James give a BlowJob her body will get curvier and her mind duller. This changes will continue until the day where James old persona is completely gone and a complete obident Bimbo at her place...

# You blow, you grow

...and screaming in a mixture of ecstasy and panic James starts to run away...leaving his Girl Kendra, now Candy to her unknown fate...something even the dull mind of Candy is aware off...

I am fuckin' out here! You are constantly changing me? NO WAY! Without me! I will come back with cawcks...um... Cops!

# You blow, you grow

And so when the early morning goes forward, the massive hornyness of James let her stop her very often to make a guy or many more at the same time happy...and so change her body in no matter of time...

Me like totally need help!

...and finally, as a clear moment in her hawt, horny thoughts could take a place she remember that her aunt, a Doctor, would be the only person who could help her to save Candy...or her own personal...problems. A Genderchange and Slutification does not take place any day...

# You blow, you grow

BWut

Kendra and I went on a like lols kewl costume parley! I lost a bet so I had to wear girly clothes. But there we..um...met this creep guy.

Oh my Gawd! He was like so ugly so me need to stop that um... hawl guy. He just looked in my big eyes and said:

Women clothes you are wearing, a WOMAN you will be. Every time you give a BLOW - your GIR CURVES will GROW. a AIRHEAD BIMBO is your DESTINY, riding all cocks for just a penny.

His hawl cawck was like sooo amazin' an I can't rememba the numba dumba any more how often I sucked him dry. Me then realized what was happenin' me ran away until br waitin' room...are here cawcks?

The blood samples are not wrong. This woman is actually my nephew James. But where is his fiancée Kendra and what about this mysterious Strangers on themselves?

# You blow, you grow

But the place where all that happend...

BWUL  
Aunty. I like totally  
knew that Candy and Me  
was like here last  
night!

This is an  
abandond place. It was  
always so spooky as I was  
a child and placed  
nearby.

I know that place.  
As I was a teenager back then here  
stood an old mansion. It's owner was known  
for to have many Girls living at his  
place...and they had party  
every night.

One day a fire  
burned the whole place, leaving  
no one behind...that was 30 years  
ago...it was in a halloween  
night.

Kendra...or Candy...was never seen again,nor the strange looking Creep. And while James body and mind become more of a lusty Bimbo every day his Aunt did what she had to do...and now James...or Jenny LeApril enjoy her life without any deep thoughts or worries...
