Bathtime with Inosuke || Inosuke x Listener

(CW: Dominant Inosuke, slight degradation, anal sex, oral sex, anal plug, spanking, semi-public, bath sex)

(The audio opens with heavy footsteps on a grass path, the sound of hotsprings)

Inosuke: (annoyed) Hey! Let me go! The camp is the OTHER way!

(slight struggling)

Huh? What do you mean 'bath'?! Ugh I already took a bath *two days ago*! Ponjiro is almost done cooking and I'm hungry from training today! Can't we at least do this AFTER we eat dinner?

Why do you even wanna take a bath WITH me anyways?!

(pause)

Huh? A surprise for me? **(slightly suspicious)** What kinda surprise ha?

You'll only give it to me if I take a bath? Mmn.. Fine! **(huff)** Using bribery against me, huh? mm... I guess I can take one if it means you'll stop being so stubborn! Hmph... Guess I wanna see what the "surprise" is too anyways so... Lead the way then.

Hmph... Well, we better make this quick. I'm seriously starving... Ugh, I can smell the food from here. I wanna hurry up and eat so... This surprise better be worth it!

(They reach the bath house, and it's empty and quiet)

Hm... Looks empty. Looks like everyone ELSE is eating dinner right now like normal people!
(Annoyed huff as he's tugged inside) Alright alright, you don't gotta tug on my arm like that I'm coming!

Uh- So. Are you serious about wanting to bathe *together*? Hmph.. Alright, whatever you say then. Let's get this over with- Come on. Come wash off.

(clothing shuffle)

Ah..?! So impatient...don't tug on my pants like th- **(grunt as the listener kisses him, passionate makeout for a bit with low growls)**

(low chuckle) Mm.. Now I get it. So *that's* what you're after huh? Couldn't wait until tonight? Heh, some surprise~ You're always so impatient, aren't you? **(another little kiss)** Mn..

Needy thing. Alright then, wash off first and I'll give you what you want. Hurry up and take off your yukata already. You need help or somethin'?

(chuckle) You're so needy. Fine, c'mere then.

Hold still, would you? Gotta get this thing out of the way **(Shuffling as he slowly takes their yukata off)** Mn... There. Kinda lewd not wearing anything under it like that.. Tch. You knew exactly what you were doing, didn't you?

(pause)

(low growl) Bending over like that to show off, you really have no shame huh? And what's that? Are you...wearing that plug thing you told me about?

Lemme guess, this was your surprise wasn't it? Awwww.. So predictable.~ I could smell it on you y'know? How needy you were..Not to mention the looks you were giving me all through training.

Now. Get cleaned up, if you don't do it quick enough, I'm goin' to go eat without you.

Heheh. That's what I *thought*.

(water splashing for a bit)

I'm totally not staring at you. Don't go being all full of yourself now~ **(snorts)** Okay fine! I was only looking a little bit. Kind of hard not to, especially when you're bein' a tease like that! Don't think I don't know what you're doing, wiggling your ass at me like that!

(Needy growl) You make me wanna mark you up good...**(playful bite)** Keep makin' sounds like those and I'll do just that. Just don't go complaining that you're sore tomorrow, cause I'm not gonna go easy on you. Especially if you keep looking at me like that.. Mmnf.

Alright.. I think you're clean enough! Lemme in... I wanna hurry up and get in the bath already.

(He steps into the shower) Mnn.. I can clean myself, y'know. You don't gotta go putin' your hands all over me~ You really are impatient. Mmmn... Fine, just- **(Sucks in a hissed breath through his teeth, bites his lip)** Mnnnfuck.. Hey.

Hold it, would you? Don't just go grabbing my dick out of nowhere like that. You're way too bold... Don't let it get to your head. Once we're in the bath, I'm gonna make sure you're put in your place.~ So touch me all you want right now... But you're gonna get fucked *up* once were in the water.

(snicker) I hope you're ready for it, you little tease. Now c'mere.

(grunt of effort as he picks them up)

Stop squirmin' or I'll drop you and I doubt you wanna hit the ground. Now wouldn't that be a mood killer? **(Tiny bit of that weird cackle he does)**

(sloshing sounds as he climbs into the hotspring)

Here...sit up on the edge. C'mere, on your back, gimme your thighs. You better leave 'em on my shoulders too. You pull away and you'll get a punishment~ **(snickers)** Look at you, you're already a mess. Mn..think I'll help myself to a little snack before dinner.

(slick noises as he eats them out for a while, low growls and huffs as he does so)

Heh, you're delicious, know that? Mn..yeah I don't care, pull my hair all you want. You know it doesn't hurt.

Mn. Love your thighs **(series of bites and suckles)** They mark up so pretty, it'll be funny watching you train with these tomorrow, think you'll be able to stay on top of your game?

(more bites and kisses before he goes back to eating them out, low growling and moans)

Might wanna mn...keep your voice down, Konpochiro might come stumbling in and interrupt us~

It's stealth training, if you get good enough, might not have to wait until we're alone for me to eat you out, so do your best huh? Gonna get this thing out of the way and slip my fingers in here to

to loosen you up a bit more...since you went through all the trouble, I'll fuck your ass good tonight. It's already nice and slick too...

(slick noises)

(mouth full) That's it..just like that...c'mon..you can do it. Remember to..mn..keep your voice down. C'mon..lemme see you cum.

(little cackle) That's it...perfect. You did pretty good. Now...on your stomach and put that ass up in the air.

(firm smack, little growl) Y'know I was a little pissed that you interrupted me getting food for a stupid bath, but now? I think it can wait just a little longer.

Mn. Love how your hips feel under my hands...makes me wanna leave my marks there too. Let everyone know..

(grunt as he pushes in)

Just who you really belong to~

(low pleased growls as he begins to thrust at a quick pace) Remember to keep it quiet. Don't want Monjiro to stumble in and see you like this. Or don't...I don't care either way.

(snickers)

(moans and growls throughout, thrusts are fast paced, every once in a while there's a smack punctuated by a growl)

(several bites) Mn..you tighten up nice when I bite you. Guess I'll just have to give you lots more cuz...**(bite, growl)** I love it when you squeeze my cock like that..

Push your hips back, c'mon. **(hiss)** That's it, grind your ass into me, mn..**(smack)**

Just like that. You've gotten stronger from all that training, you're actually pushing back against me with some power behind it haha!

Guess you..**(grunt)** really wanted it huh? What's wrong, goin' into heat or something?

Well..**(smack)** If you need me to fuck you, I don't mind...just don't **(grunt)** make a habit of messin' with meals or training got me?

That comes first.

Then me...THEN you...if we have time **(laugh)**

Aw, what? Don't like the sound of that? Hff..you're no fun...Fine fine..if you do...**(growl)** well in your training I might just...mn...reward you.

(laughs) Oh you like that idea huh? Alright, alright...guess I'll...**(groan)** make sure to give you want you want greedy thing.

Every inch, every drop, all of it...ha...**(bite)**

Mnn...that's it, I can feel you melting from your hips, like you want me to go even deeper. You're twitching so much, think you can handle it?

(growl) More? I can do that...here..I'll just reach around and...put my hand right there. Heh, now you can use it however you like.

Don't say that I never did anything nice for you eh?

(shiver) Mn..that was just what you needed huh? You're twitchin' and tightening up around me so much, just from me touching you haha..you really might be goin' into heat after all...so wound up like this..ha..

(thrusting increases)

Gettin' close huh? I can feel you shakin' and clenching on me...MNG! You want my cum so bad? Well I'll give it to you..

(eager growls and a loud moan as he orgasms, with a bite)

Mnn there you go...milk me just like that...ha...fuck that's so good...

(heavy panting and growls)

Ha...you managed to stay pretty quiet after all. Mnn...

(slick noise as he pulls out) Kinda like how you look all messy with cum like this..hm...**(snicker)** I got an idea. Hold still. I'm just gonna slip this plug thing right back in...

(small slick noise) There...you were so greedy for it, you can just keep it in all through dinner~

Look here. **(kiss)** Hm..now let's get cleaned up so we can go get some food. M'starving after that workout...and..heh, thanks for the surprise~

(water splashing, ambience fades out)
