

What does  
this pill do?

*If essentially, you will  
can't take off suit  
and you totally become  
a girl, for a while.*

*By completely I mean  
that you will even  
have girlish thoughts.*

*Since you are  
a newbie, this is need  
so you don't  
fail the disguise.*

Dude, how do you feel?

*I feel that everything  
inside me is spinning  
like a spinning top.*

There is such a strong pressure on my body, as if I were wearing clothes several sizes smaller.

I'm getting hot, how damn hot, ahh...

Fucking vulkan instead vagina.

*So the pill works.*

*Relax and  
take pleasure.*

My mind seems to be melting.

Brains are like boiling water.

Phew,  
it gets easier.

It was like  
that orgasm  
but multiply  
several times.

So nice.

Feeling like  
I was fucked  
on a merry-  
go-round.
