

She's totally right!  
The chain of  
command is very  
consequential!

A woman with long, wavy blonde hair is sitting in a modern, light-colored chair. She is wearing a grey, textured blazer over a white collared shirt. She has red lipstick and is looking slightly to the left. Her right hand is near her chin, and her left hand is resting on her lap. The background is a blurred office or modern interior with large windows.

Although you want to join us with your exceptional superpower, you're still a newcomer so you need to pass some tests.

The new guy needs to realize your status and serve seniors well!

The boss has a point.  
You're just a fucking  
snowflake who never  
went through the  
suffering we had!

We're going to teach  
you a lesson and  
show "fairness" in  
the world. Ha ha!

**Oh...Not only do I have to kneel down to these perverts but also be humiliated and abused by them.**

**They're the culprits who turned my sister into the skin suit. Just to be reminded of this, I can't help but to be furious!**

Um? Your eyes are full of resentment. Are you mad at us?

You can't even take some punches. I doubt why you want to join us? Do you have some secret agendas?

Shit. He's too young to keep his temper. He will drag me down.

Richard, don't worry. Allow me to show you guys my discipline result!

I use his sister's identity to discipline my good brother very well. He will follow my every command!

I can easily tread on him. Because I discipline so well, I can bring him to see you!

How about I  
show you guys!

Wait! What...What  
are you doing?!

My good brother,  
just like I taught you  
at home. Serve my  
stockings legs well  
and show them!

**Stuff!**

Hey! Wait. Oh  
oh! Ah ah ah!

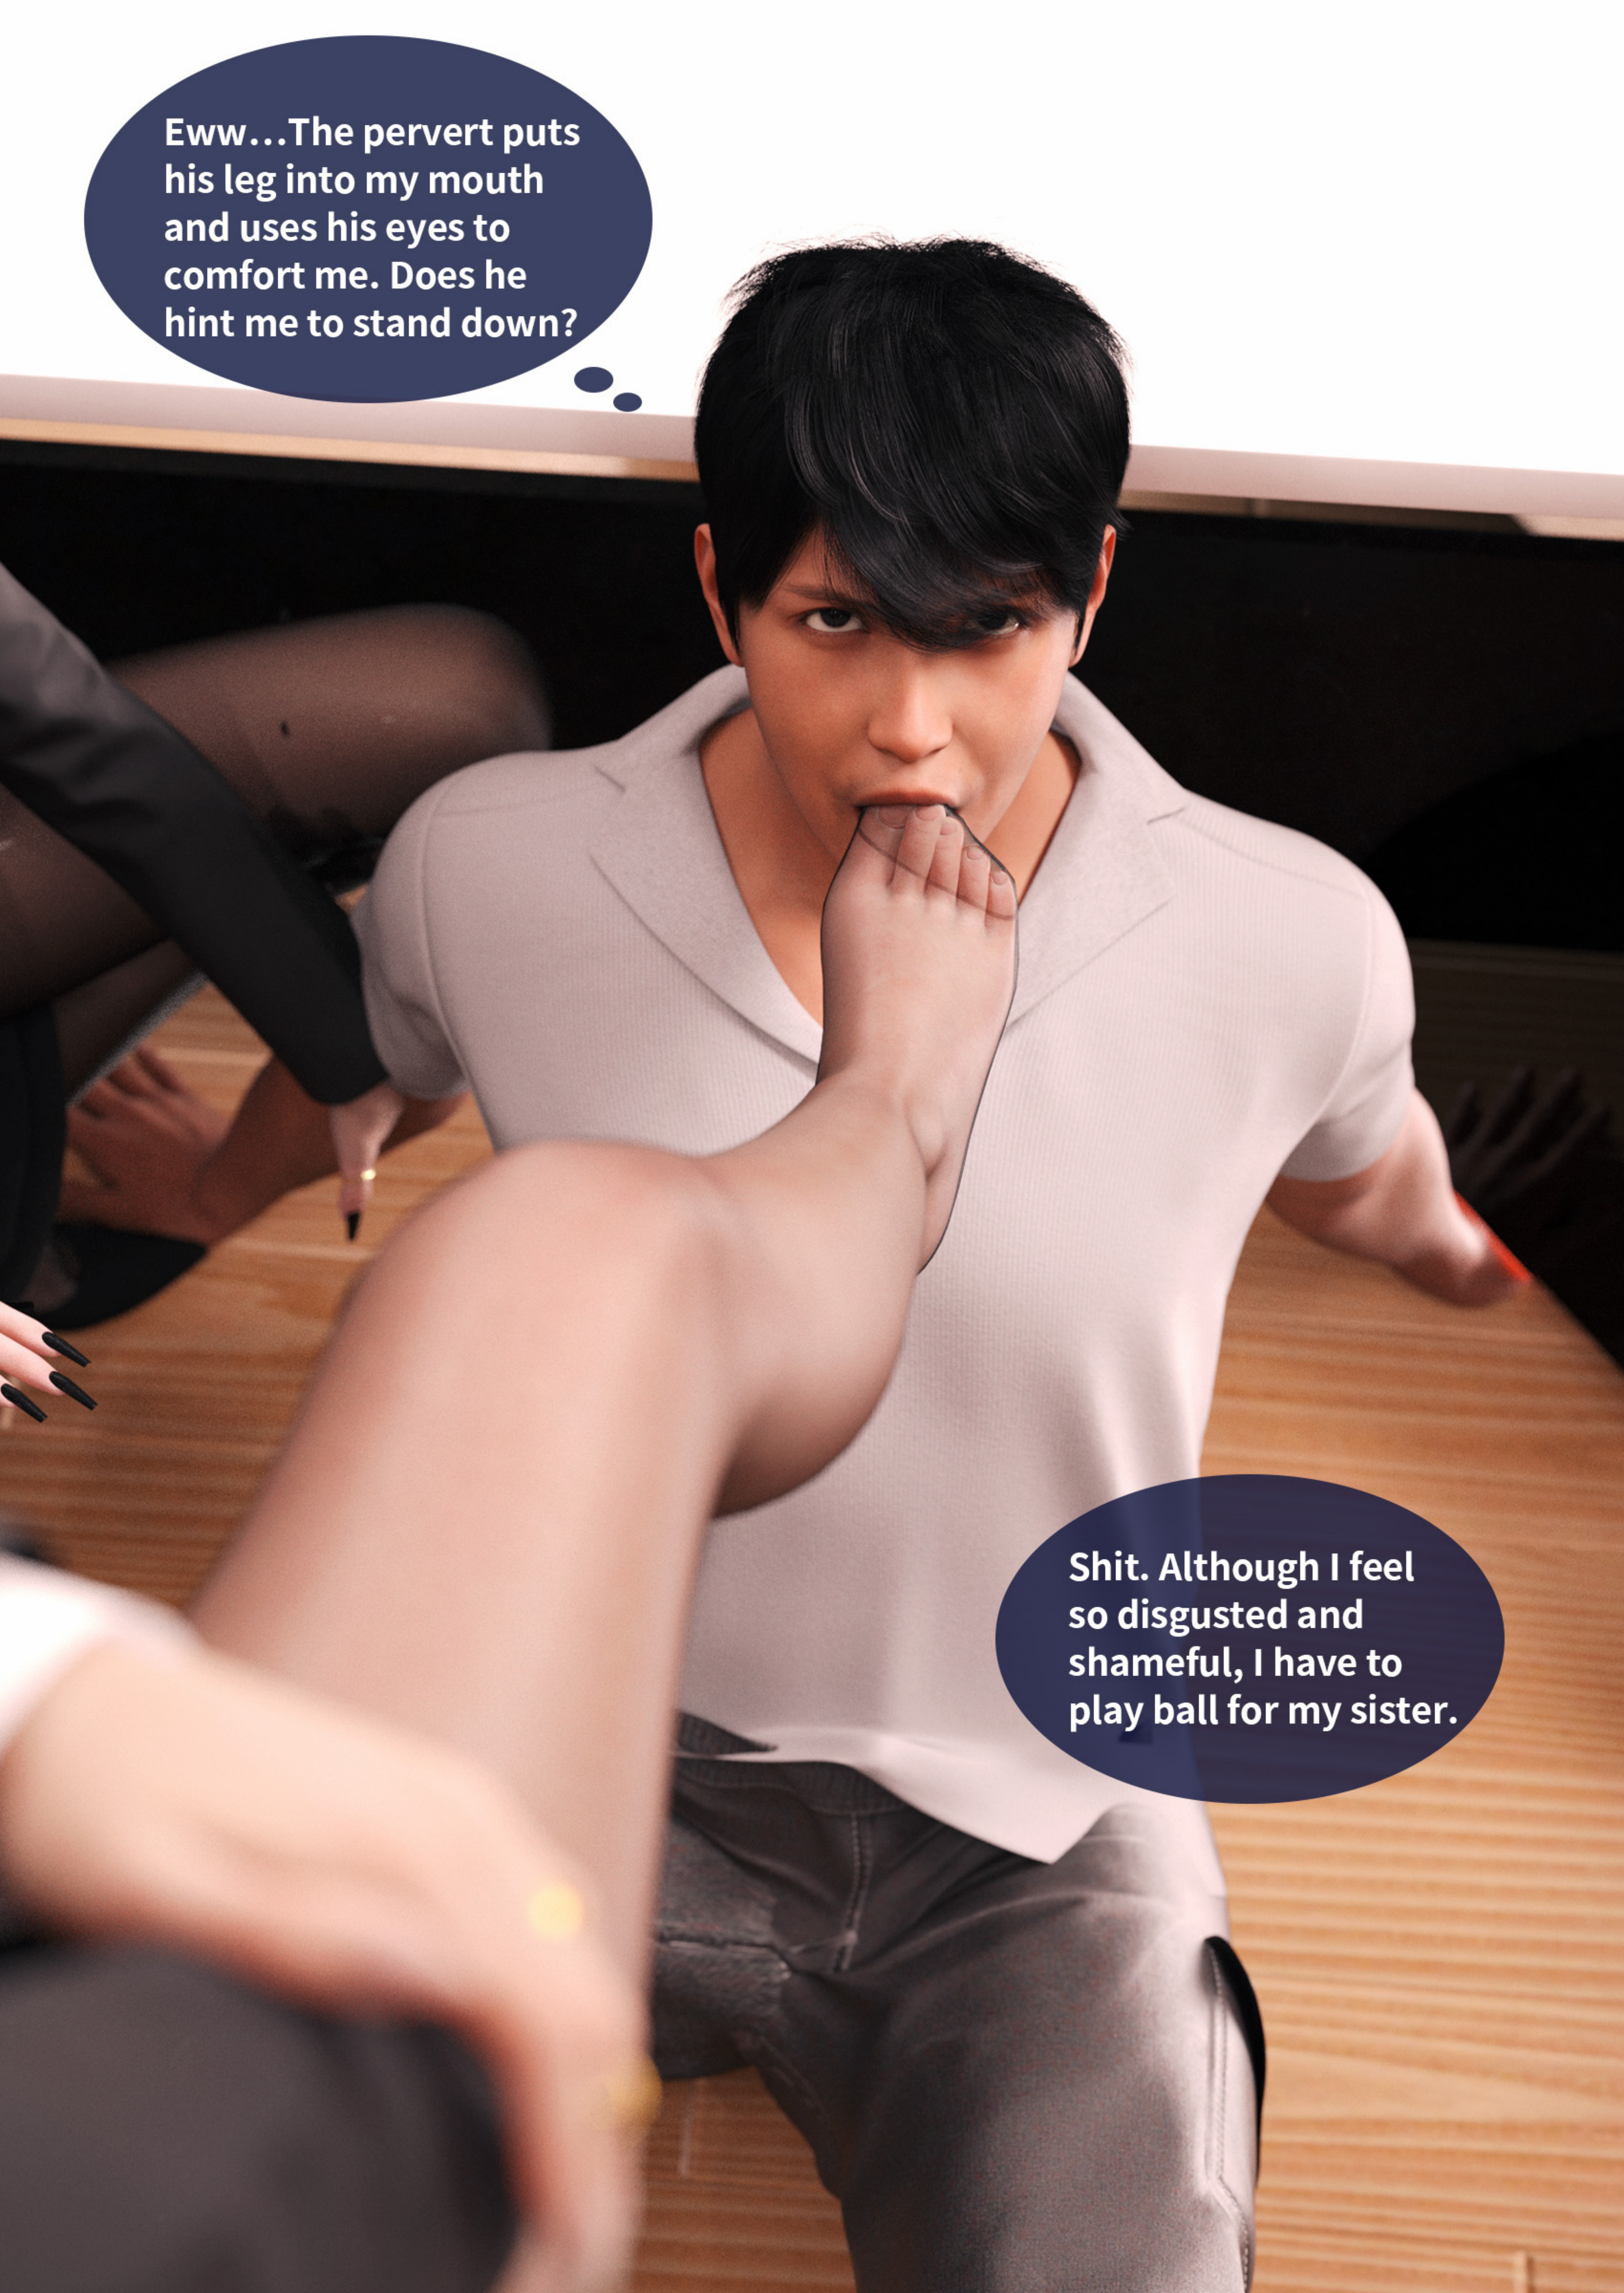

Come on. He is so dumb that he didn't notice my signs. Thank god that I shut him up!

Don't forget why you are here. You're here to save your sister. Can you just take the hit?

Eww...The pervert puts his leg into my mouth and uses his eyes to comfort me. Does he hint me to stand down?

Shit. Although I feel so disgusted and shameful, I have to play ball for my sister.

So, do I discipline him so well? Do you feel satisfied to taste my legs with stockings, my good brother?

Oh oh! Oh oh oh!

Nice, Lee. You're better than I expected!

The shithead acted out and stared at us and now he's all yours!

You know what they said  
said "carrot and stick"  
Since he's cooperating,  
I'm going to give him  
something sweet!

Um woo. Ahhh!

So? How do you feel?  
This move made my  
husband can't stop  
moaning!

**Rub**

You react so  
dramatically. Are  
you still a virgin?

Oh! Her legs  
with stockings  
keep stimulating  
my cock!

No. How...How  
can I? They're  
men's legs!

**But...But the feeling  
is so great and  
amazing!**

**Fondle**

**Her stockings legs  
keep stroking my  
cock. My sensitive  
parts get caressed.**

This brat seems to enjoy it. It so happened that I have not had sex for a long time!

Allow me, the NTR fetish to join you guys. I'm going to make him cum in front of his sister! He he.

Being played by so many beautiful women's legs with stockings, you're so lucky! Ha ha!

**Tread!**

**Woo! Um wooo  
woo!**

So many...So many stockings and legs. The painful, awesome and shameful feeling is too much!

Stop! Stop! If you keep doing this, I will lose my mind!

So. Aren't you so cocky? Didn't you stare at us? Why are you rolling your eyes because of pleasure?

You fool wants to join us? You're so much suitable to be our sex slave and lick our legs!

A woman with dark hair is lying on her back on a light-colored wooden floor. She is wearing a light-colored, possibly white, dress. A high-heeled shoe is pressed against her face, specifically near her mouth. She has a pained or distressed expression, with her mouth open as if shouting or crying. Her hands are clenched into fists on the floor. The scene is lit with soft, natural light.

Woo ah! Please!  
Please stop!  
Please stop!

Tread!

I really want to  
join you. Please  
stop!

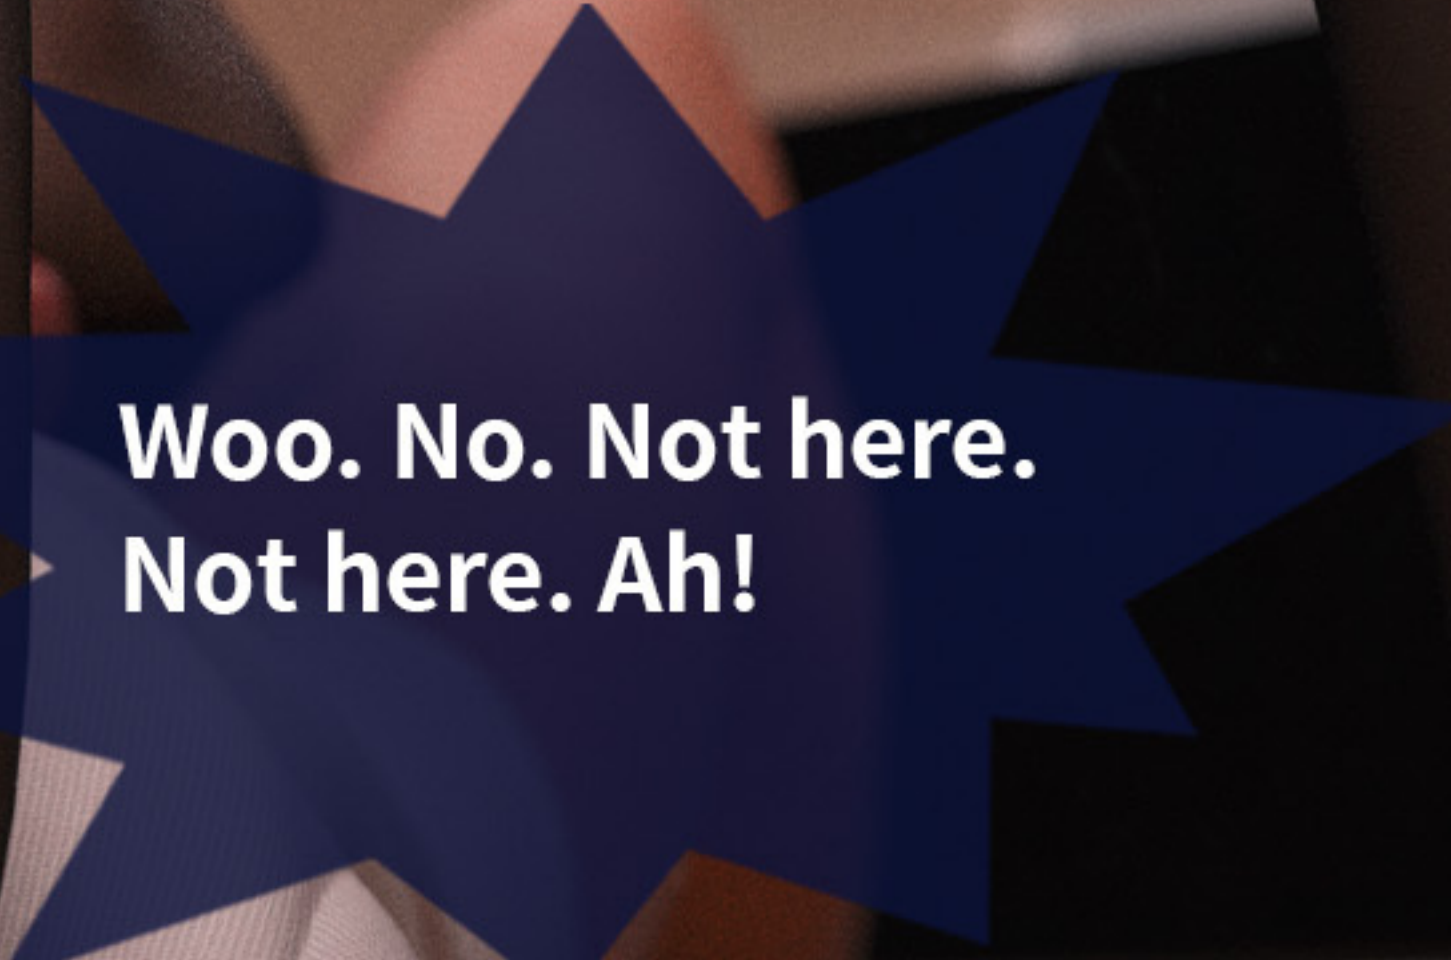

You say no but your rock-hard cock says yes. Lying is a very naughty habit, my little brother!

You make me so embarrassed in front of my homies. I'm going to punish you bad boy!

I'm going to see how long you can hold on to our legs with stockings! Huh huh!

Woo. No. Not here. Not here. Ah!

Ha ah. Is this punishment? But he feels so great, it's a reward to him!

You do realize that a bunch of dudes are giving you footjobs but you still have a hard-on. You're so fucking sick! Ha ha!

Yeah. Look at his  
cock. It's dripping  
cum! Jeez!

**Erection!**

You dirty other  
people's stockings and  
legs. You're a bad and  
disobedient dog!

Come on. Go easy on the young man! So many beauties surround him, it's perfectly normal that he has an erection!

However, if you join us, you can enjoy having sex with gorgeous ladies. What a wonderful employee benefit!

A woman with dark hair is lying on a light-colored wooden floor. Her mouth is being held open by a hand wearing a black high-heeled shoe. She has a pained or distressed expression. A speech bubble is positioned above her head, and another is below her head.

**You must enjoy the ultimate lust and it makes you want to join!**

**Psst. Bullshit. Who wants to join you twisted mind people? I only do this for my sister.**

But I can smell the fragrance of women's stockings. They keep stroking my penis and now my whole body is getting hotter!

I came here for my sister and now I'm enjoying sexual sensation. I hate myself for being a man!

**Richard, you're right.  
Before I replaced his sister,  
this guy had fantasized  
about her body!**

**Perverts with special  
lust and fetish are so  
easy to control!**

When we were home,  
he enjoyed his sister's  
flirtation. He could not  
wait to fuck me!

**Lift up**

So, even though he  
discovered my true  
identity, he still can  
love the fake sister!

Just thinking about how I abused his sister's identity and made him more and more corrupt, I'm so thrilled!

On her knees

Come and get it, my sweet little brother. It's your favorite, your sister's pussy!

**Wait! What...  
What are you  
doing? Oh oh!**

**Shit. What the hell did the  
pervert say? He tarnished  
the bond between me and  
my sister. Now he put her  
body all over me!**

Play ball, son! If I had not said shit like that, they would suspect our relationship. I did that to get you in!

You young men are so impulsive. It's much safer to just use your sister's body to silent you!

Lee's absolutely right.  
The moment this guy  
tastes his own sister's  
cunt, his cock cums!

Flowing

You're just as sick  
as us!

Well. Speaking of that,  
my young married  
woman's body has not  
had sex for too long.

It's a great  
opportunity for me  
to play the role of a  
slutty wife who  
cheats with a hunk!

Um ah! A young man's cock is sticking right in my pussy. The pleasure of it coming and going is so incredible.

I really...really want him to thrust... thrust his dick into my cunt!

**Rub**

My love juice  
makes my private  
parts all wet and  
slippery. The cock  
is so hot and hard!

Put...Put your  
cock in now!  
Fuck the horny  
wife hard!

Ahhhh! It's...It's  
in! The sick big  
dick is in my  
vagina!

Awesome! Your  
cock is so much  
better than my  
husband's!

**Thrust!**

If my husband knew  
that I would come to the  
office to have an affair  
and make love with my  
coworkers...

Um ah! Just the  
thought of it is  
so exciting and  
depraved!

Well. My brother can make love with a hot married woman, which is something I'm so envious of!

Being your nice sister, I'm going to use my legs and stockings to make you cum!

A young man with dark hair is lying on his back on a light-colored wooden floor. He is wearing white shorts and has a look of intense pleasure on his face, with his mouth open and eyes wide. A woman's legs, wearing black stockings and high heels, are positioned over him, with her feet resting on his chest and stomach. The background is a plain, light-colored wall.

**Woo ah ah!  
Please...Please  
stop! It's too  
much for me!**

**I...I came here to save  
my sister but now my  
mind is taken over by  
cock and beautiful  
legs' sensation!**

The body in front of me is my sister but her mind is a middle-aged male pervert. Both of them are not the person that I should have sexual fantasies about.

But...But look at her sexy and enchanting face, her leg's warmth and aroma, I just can't say no to her! Ah ah!

Nice! I want to participate and make our new member have a wonderful experience!

Count me in! When you have a chaotic relationship, you can't leave a NTR fetish guy out.

Ah ah! I can't! My mouth and nose are covered by their stocking legs. It's so perfumed and amazing!

Rub!

What...What should I do? I will catch some sick fetishes!

A 3D-rendered scene set in an office with a light-colored wooden floor. A man in a white shirt and black skirt is lying on his back on the floor. Four women in professional attire (black suits, white blouse, and grey suit) are sitting around him, using their high-heeled shoes to step on his groin area. The woman in the white blouse is looking towards the camera with a slight smile. The other women are looking down at the man or towards the camera. A desk with papers and a laptop is visible in the background.

Um ah! You treading on him makes his cock even harder!

You love our legs with stockings, don't you?

The more you enjoy our legs, the harder your cock fuck me!

**My penis is sucked so hard by her pussy. So many pretty women put their sexy legs with stockings on my face.**

**They talk so vulgarly like men. The stark contrast between their manly demeanor and captivating feminine figures. The sensation keeps building up.**

**I...I feel like I'm in a  
foot fetish's heaven.  
It's just so awesome!  
Awesome! Awesome!**

**I...really wish the  
time would freeze so  
I can keep enjoying  
the pleasure! Ahhhh!**

Um ah ah ah!  
He's cumming!  
He cum inside of  
me!

**Ejaculation!**

My pussy is  
carrying another's  
semen to see my  
husband!

Oh? He's still young, no wonder he cummed so much! Ha ha!

Our stockings and legs made you have an extraordinary orgasm!

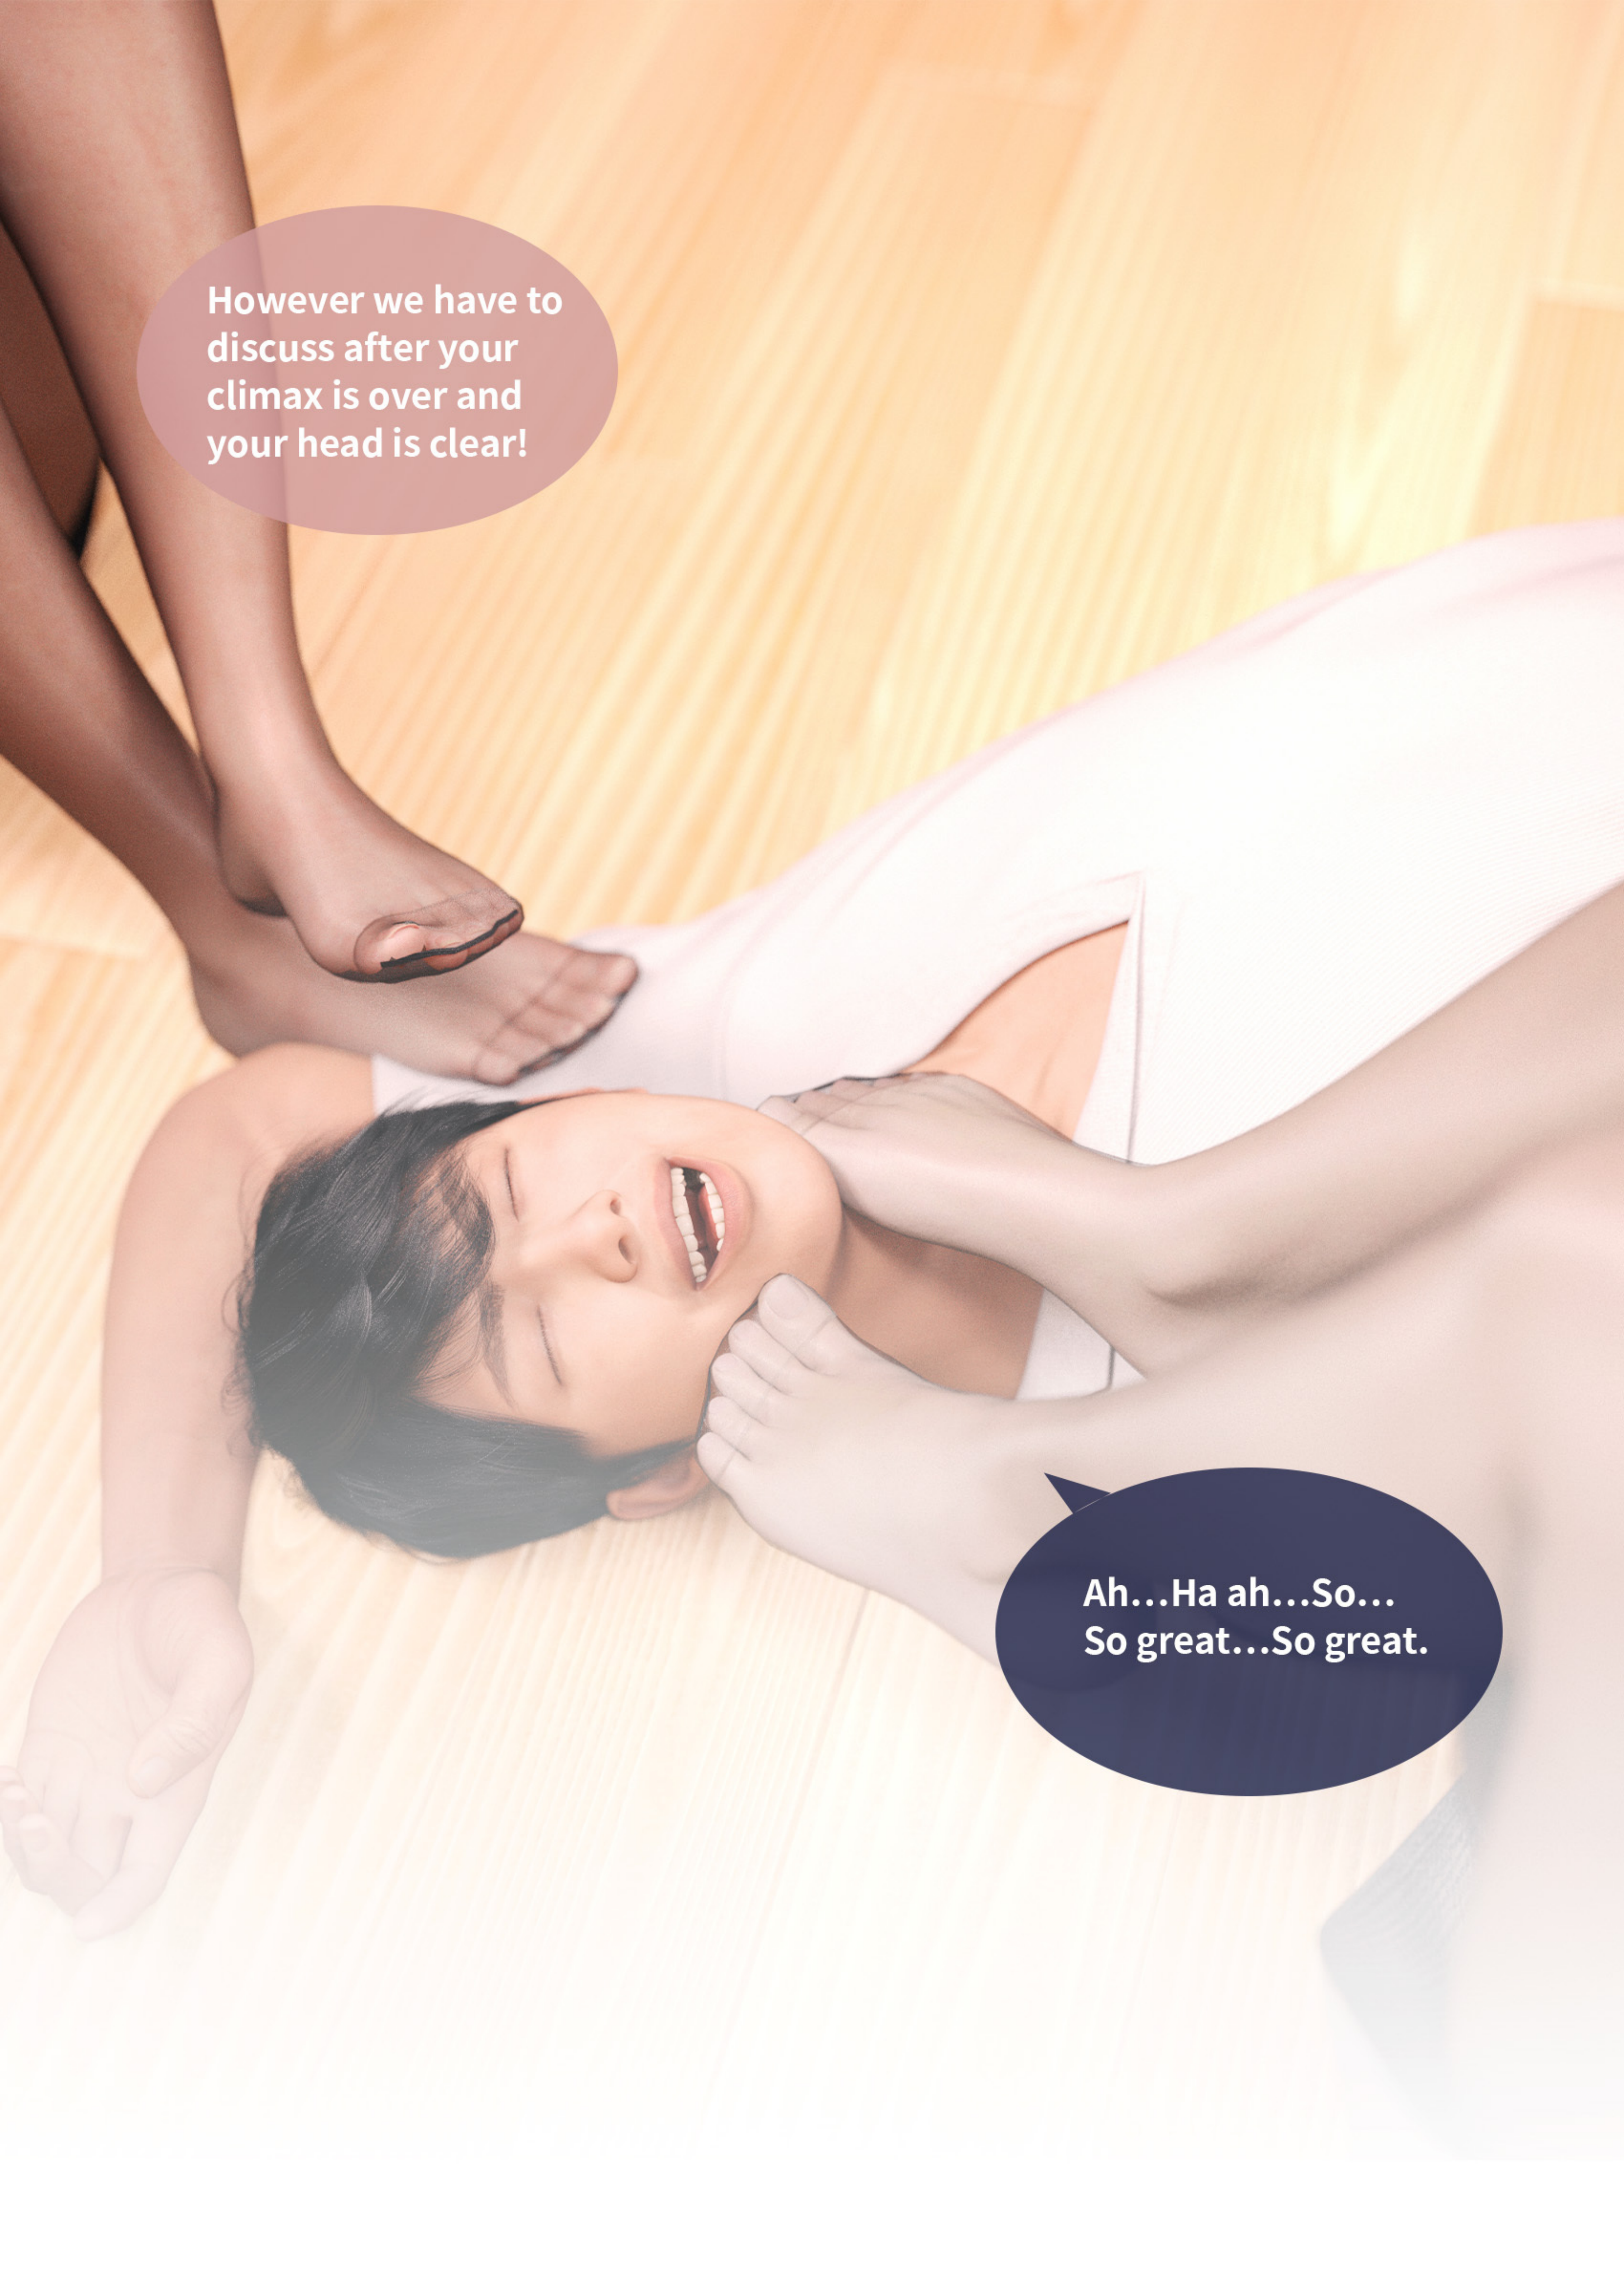

Men's cocks are so much more trustworthy than their mouths. You cummed a lot that shows you're truly a pervert!

**Flow**

I believe that your twisted desire and special power will shine through in our company!

However we have to discuss after your climax is over and your head is clear!

Ah...Ha ah...So...  
So great...So great.

Click click—

Come in. Find  
yourself a seat.

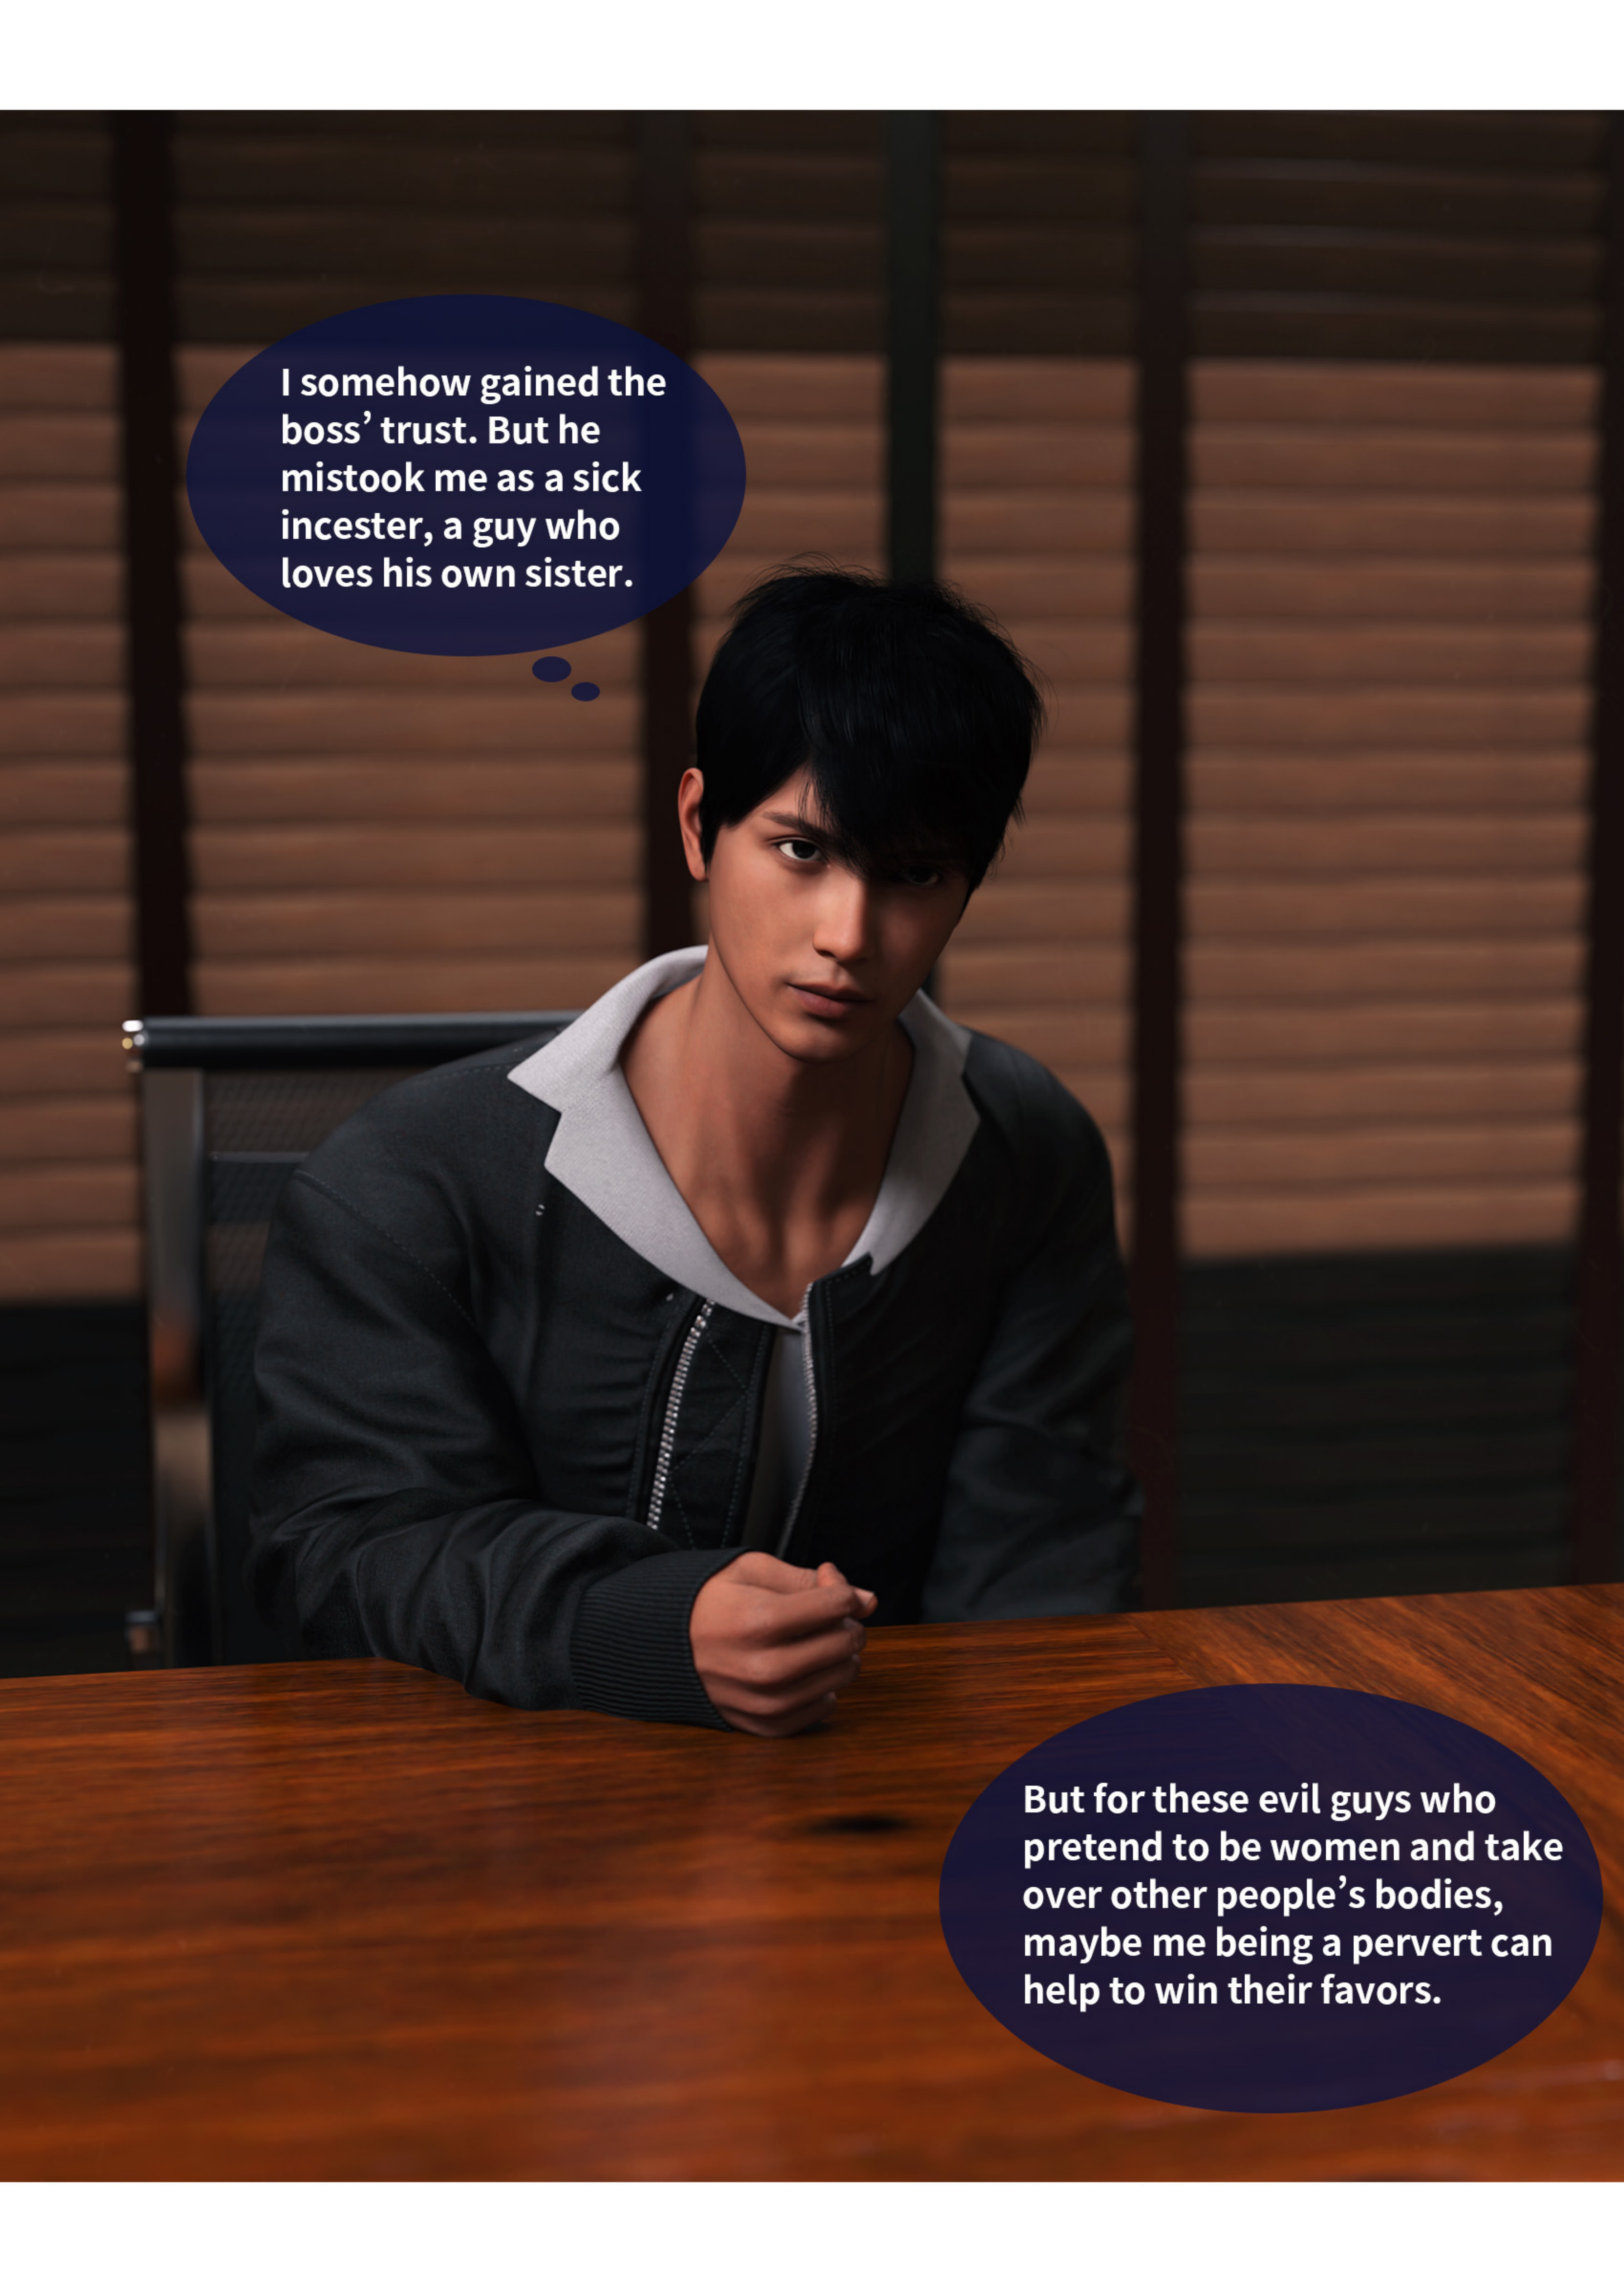

A woman in a black dress and high heels is sitting on a modern, metallic chair. The scene is dimly lit, with a spotlight effect on the woman's legs and the chair. A speech bubble is overlaid on the image, containing text.

You were so suspicious  
when Lee told us that  
you wanted to join.  
After all, we made your  
sister into a skin suit.

I watched your  
performance and I see.  
After all, I only have a  
shot if your sister  
turned into a skin suit.

I somehow gained the boss' trust. But he mistook me as a sick incester, a guy who loves his own sister.

But for these evil guys who pretend to be women and take over other people's bodies, maybe me being a pervert can help to win their favors.

We can take you in.  
After all, we do need  
some new blood to  
accomplish our  
master plan.

However you can't  
join us without  
paying the price. You  
must prove that  
you're worthy!

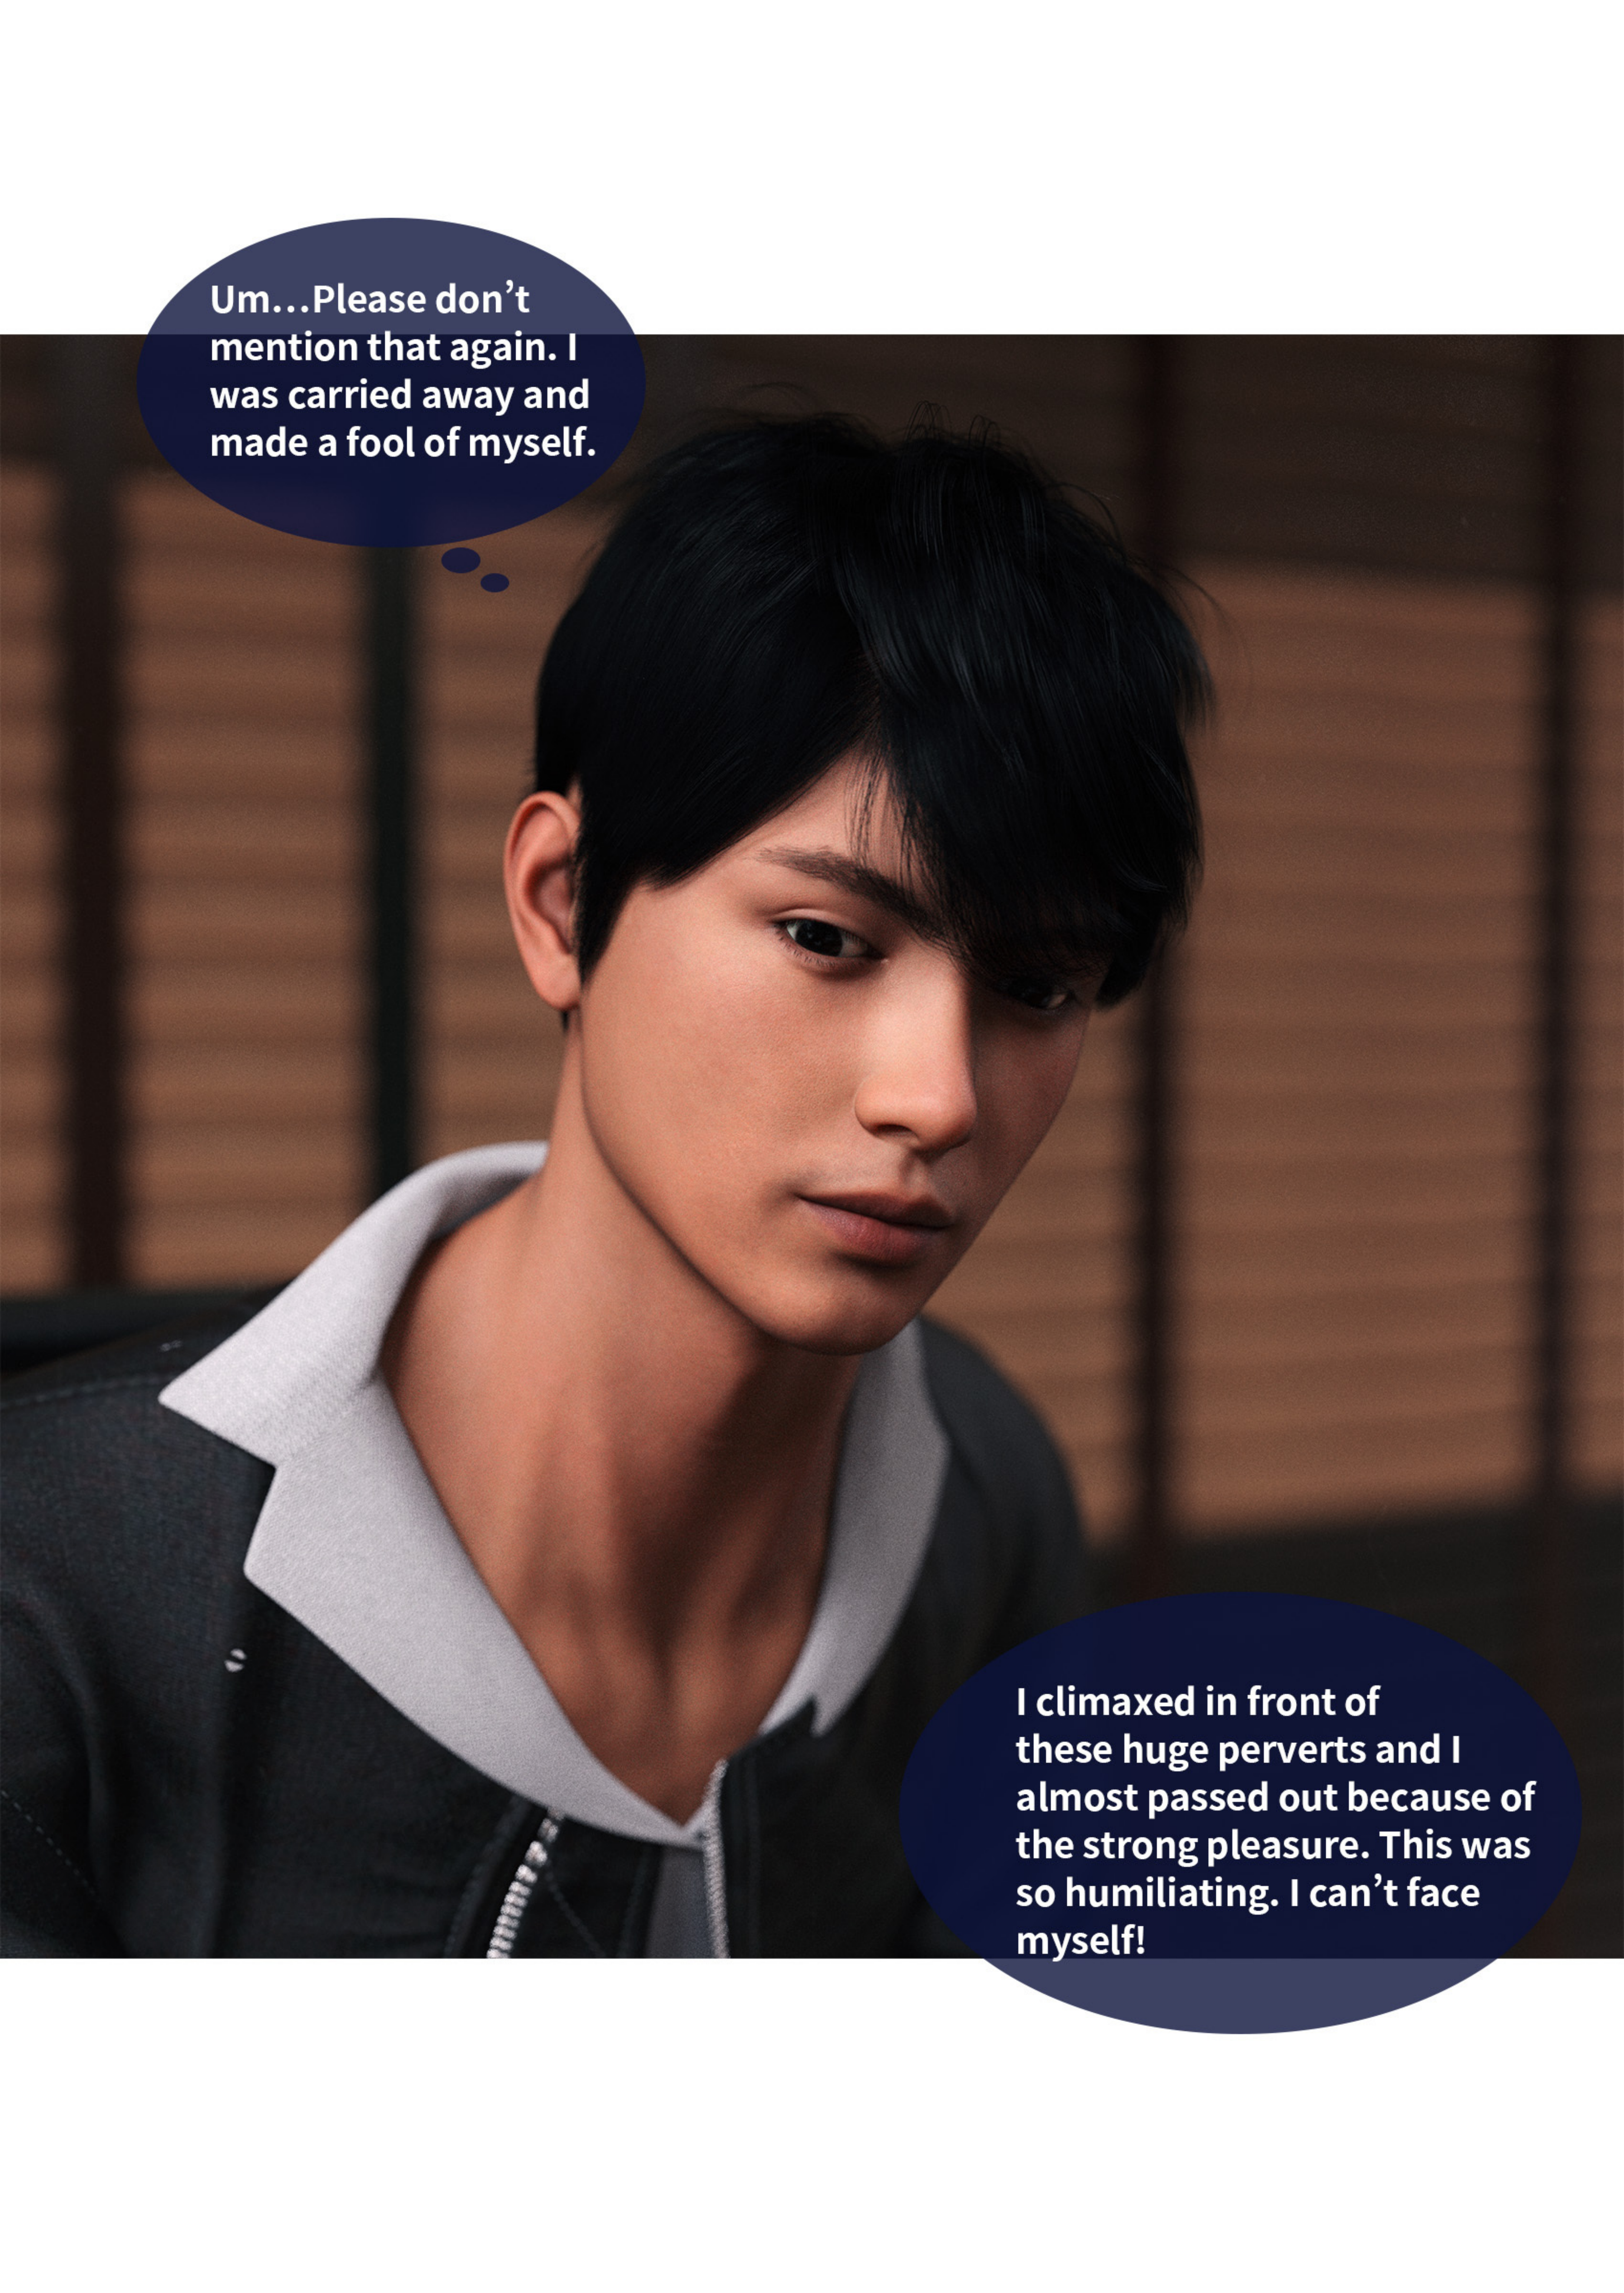

Of course, many benefits are waiting for you. For example, your lovely sister and the feast of sexy legs with stockings.

If you can contribute to our work, I guarantee you will enjoy orgasms stronger than you just had. It will blow your mind! Ha ha!

**Um...Please don't mention that again. I was carried away and made a fool of myself.**

**I climaxed in front of these huge perverts and I almost passed out because of the strong pleasure. This was so humiliating. I can't face myself!**

**I can't be fooled by their looks again. I must focus and properly use my superpower!**

**No matter how beautiful or sexy they are, they're still a bunch of perverts and middle-aged dudes!**

A woman with long, wavy blonde hair is seated at a wooden conference table. She is wearing a grey blazer over a white collared shirt. She has a serious expression and is looking towards the left. To her left, the arm and hand of another person in a black sleeve are visible. The background shows a modern office setting with recessed ceiling lights and a glass partition.

Let's get down to business. The mission for you is to use your special power to find the traitor!

Tra...Traitor?

A person wearing a grey suit jacket and a white shirt is sitting at a dark wooden table. Their hands are clasped together on the table. A speech bubble is positioned to the left of their hands. The background is blurred, showing another person with long blonde hair.

Yes! I hate to admit it but we do have a traitor!

**Bang!**

That fucking asshole! I was so good to him and then?

If only he didn't  
work for us but...

But before he  
ran away, he  
stole a skin knife  
from us!

A photograph of a man from the chest up, shirtless, holding a large, curved skin knife. He is smiling slightly. The knife has a dark handle and a long, curved blade with a decorative pattern. The background is dark and out of focus.

Now a skin knife is in his possession. That allows him to change his appearance and identity.

We have a difficult time tracking him down. Even when we have a clue, he can always change his skin suit and escape from us.

However, God is on my side. Using your superpower can easily find the traitor, right?

So finding out the hiding traitor is my first mission?

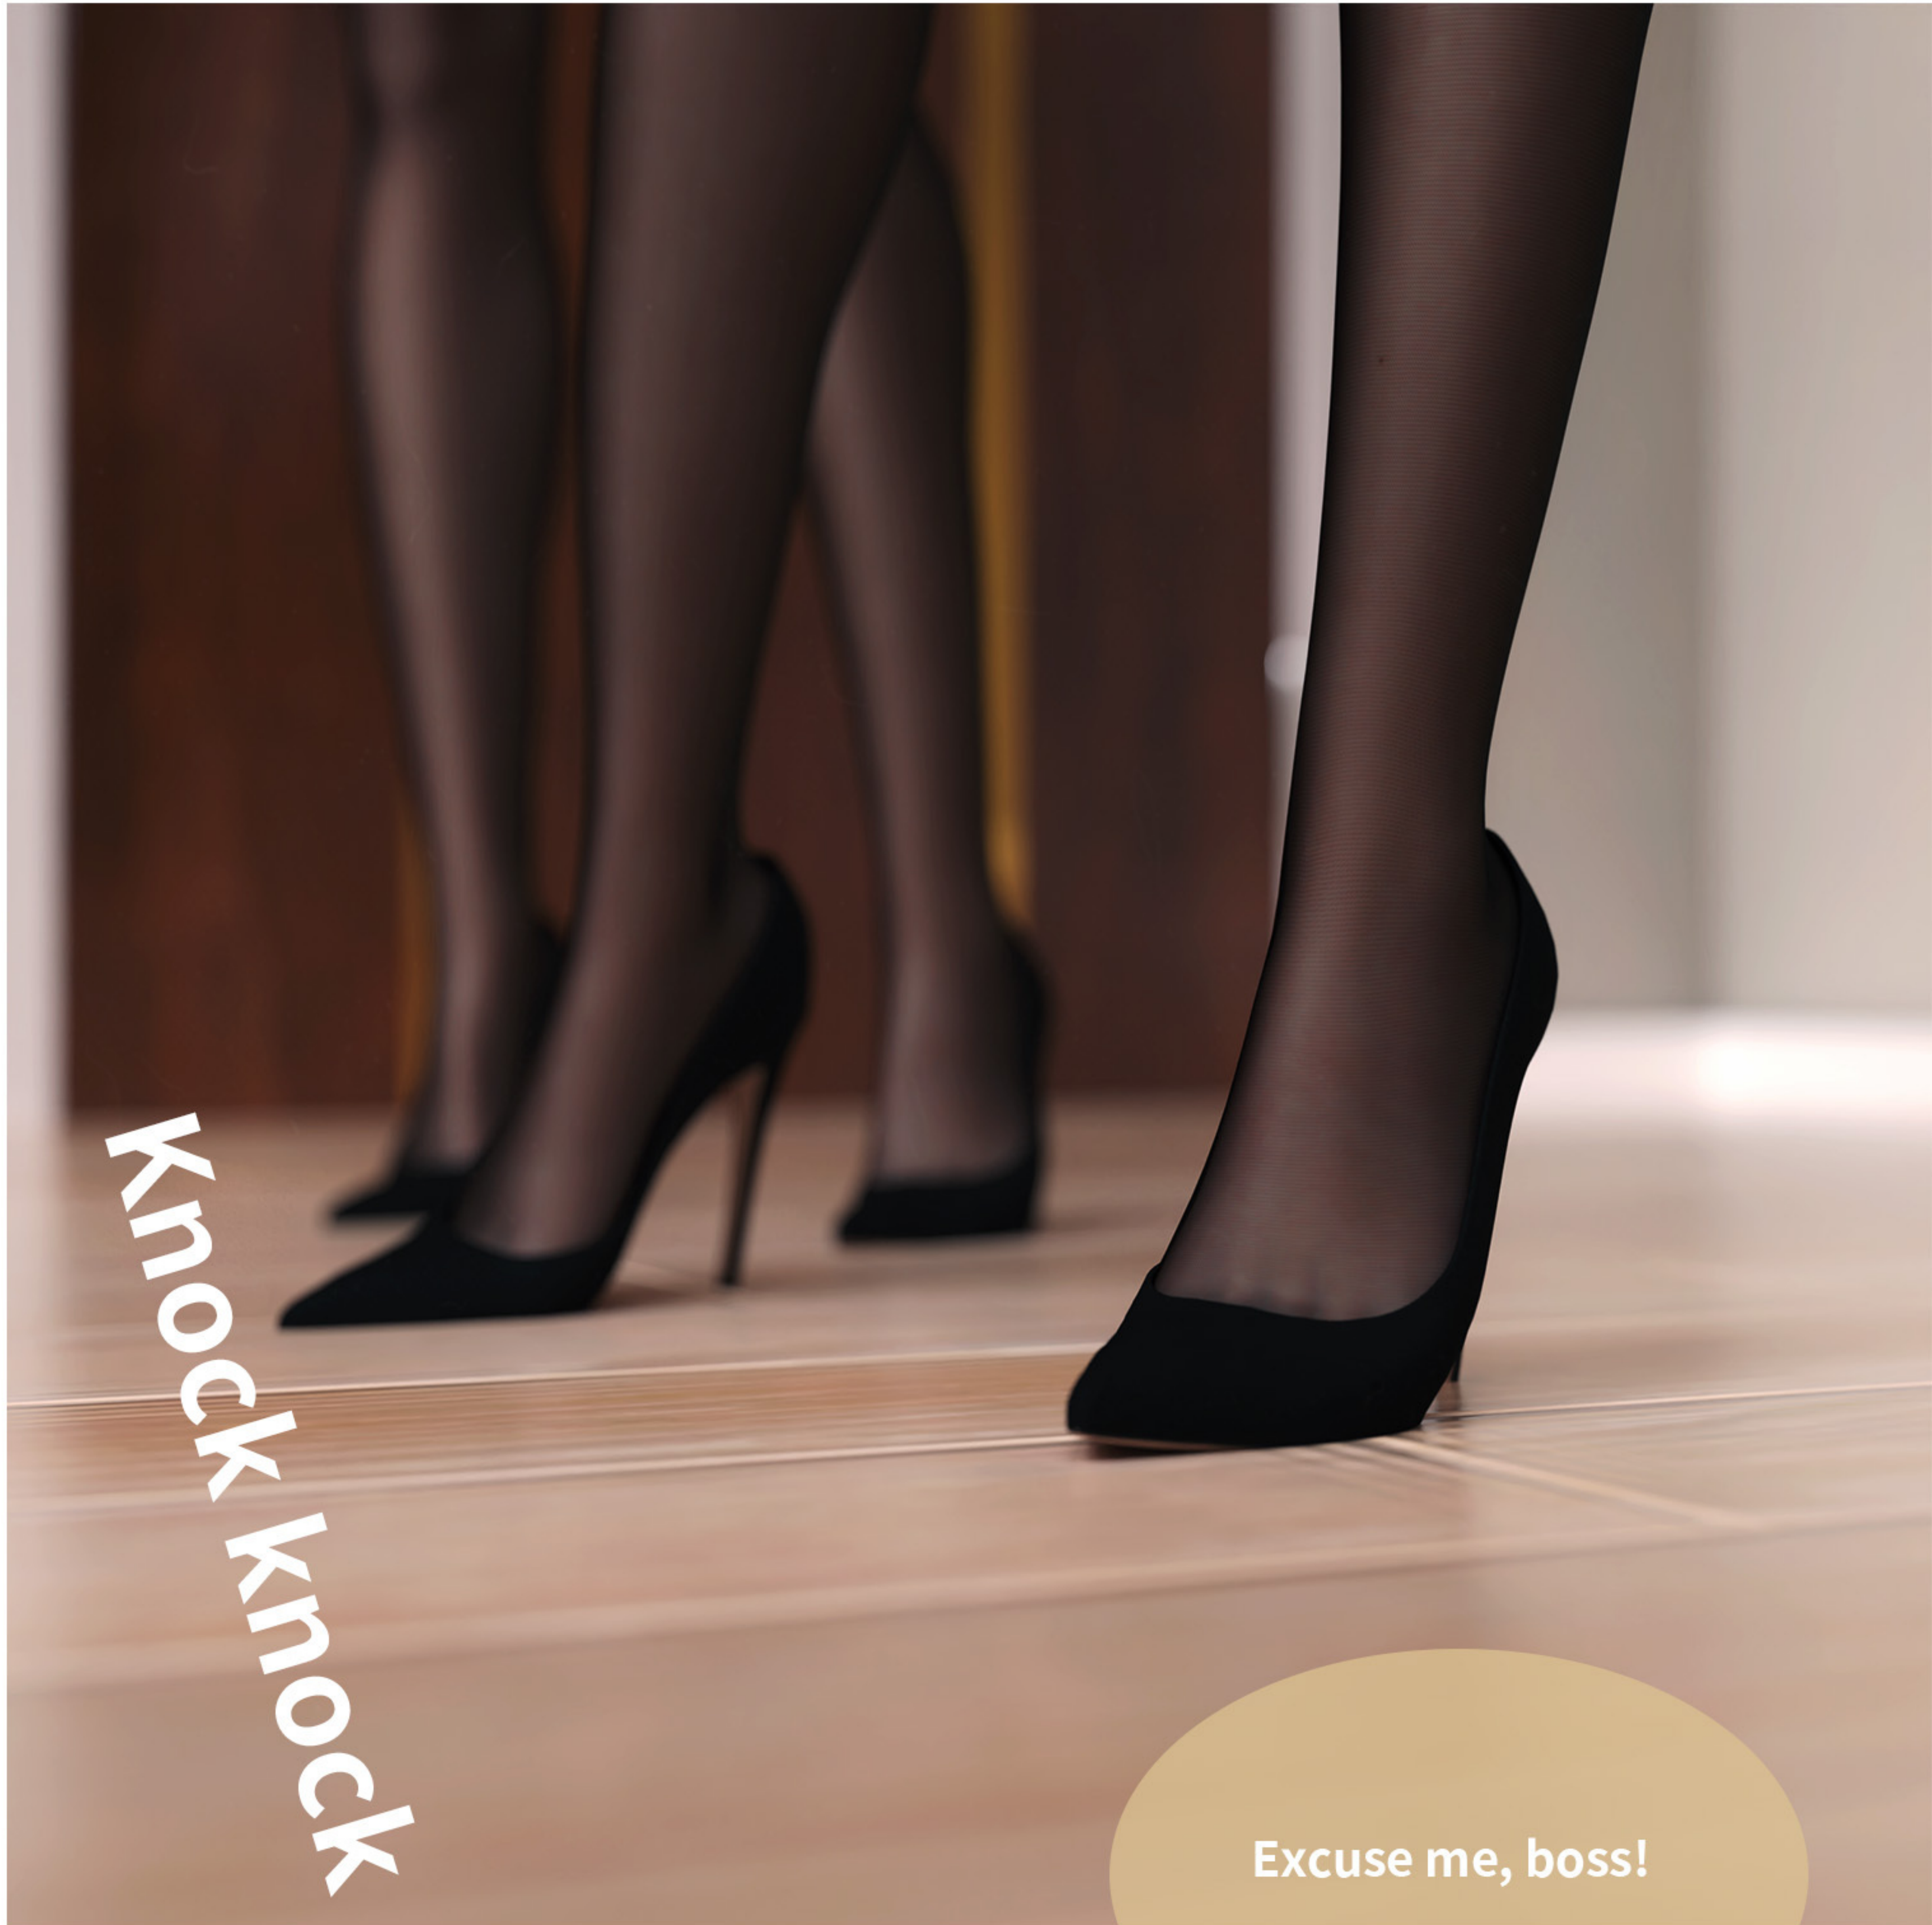

Exactly. But don't worry.  
We're still gathering  
intelligence about him. It's  
not finding a needle in a  
haystack for you!

To make you blend  
in, we will prepare a  
new identity for you.

Knock knock

Excuse me, boss!

A woman with dark hair, wearing a white button-down shirt and a gold necklace with a rose pendant, is holding a red toy car in her right hand. She has a surprised or excited expression on her face. The background is a plain, light-colored wall.

Come on! Get in here and knock it off!

Wei...Wei wants to be with my sister and play with toy cars together.

Sorry, Richard. You told us that you can't pull the skin suit by force or you will break it. So I didn't use force.

He's so fucking stupid. I tried carrot and stick but he is not willing to take off the skin suit. I can't take it anymore!

His mental age is still a child. Just using some candies and toys to lure him.

It was you being in a hurry so he's wearing Mia's skin suit. So it's your responsibility to take it off!

I...I know. I tried everything but they didn't work!

Car...Car. Sis...  
Sister play toy cays  
with me, ok?

You're so annoying! We're talking business. Shut the fuck up!

Take it away!

Ah! Wei's toy cay!

A close-up, blurred photograph of a hand dropping a red toy car. The car is in mid-air, tilted as it falls. The background is out of focus, showing the hand and part of the person's leg. The overall tone is dramatic and emphasizes the action of throwing the object.

Shit. You like to  
play? Not anymore!

Throw it

Ah!

A woman with black nail polish and a ring is holding a small red toy car. The background is blurred, showing other people in a public setting.

**Wei...Wei's toy  
cay! Wei's toy  
cay is broken!**

**Wah ah ah ah!  
Sister is so bad!  
Bad!**

Huh? Isn't she the mixed-race front desk receptionist?

I thought they're together. Why was she so mean to her? And they said you can't take off the skin suit by force, it has to be taken off by the wearer.

That girl over there,  
it's a boy inside of  
her. It sounds like he  
accidentally put on  
the skin suit.

Waah! No! No!  
Wei doesn't care.  
Wei wants his toy  
cars! Toy cars!

Ah! I have enough  
of you! You  
retard, take off  
the skin suit!

**Grab!**

Ah! What...What  
are you doing to  
Wei?!

Mia is so hot. You  
waste all her  
potential!

Take it off! Give  
me back Mia's  
skin! Now!

Ah ah ah! Ouch!  
Wei's hurted!

Ouch! Ouch! It's  
so painful! Help!

Wei wants his  
daddy and sister!  
Wah ah ah!

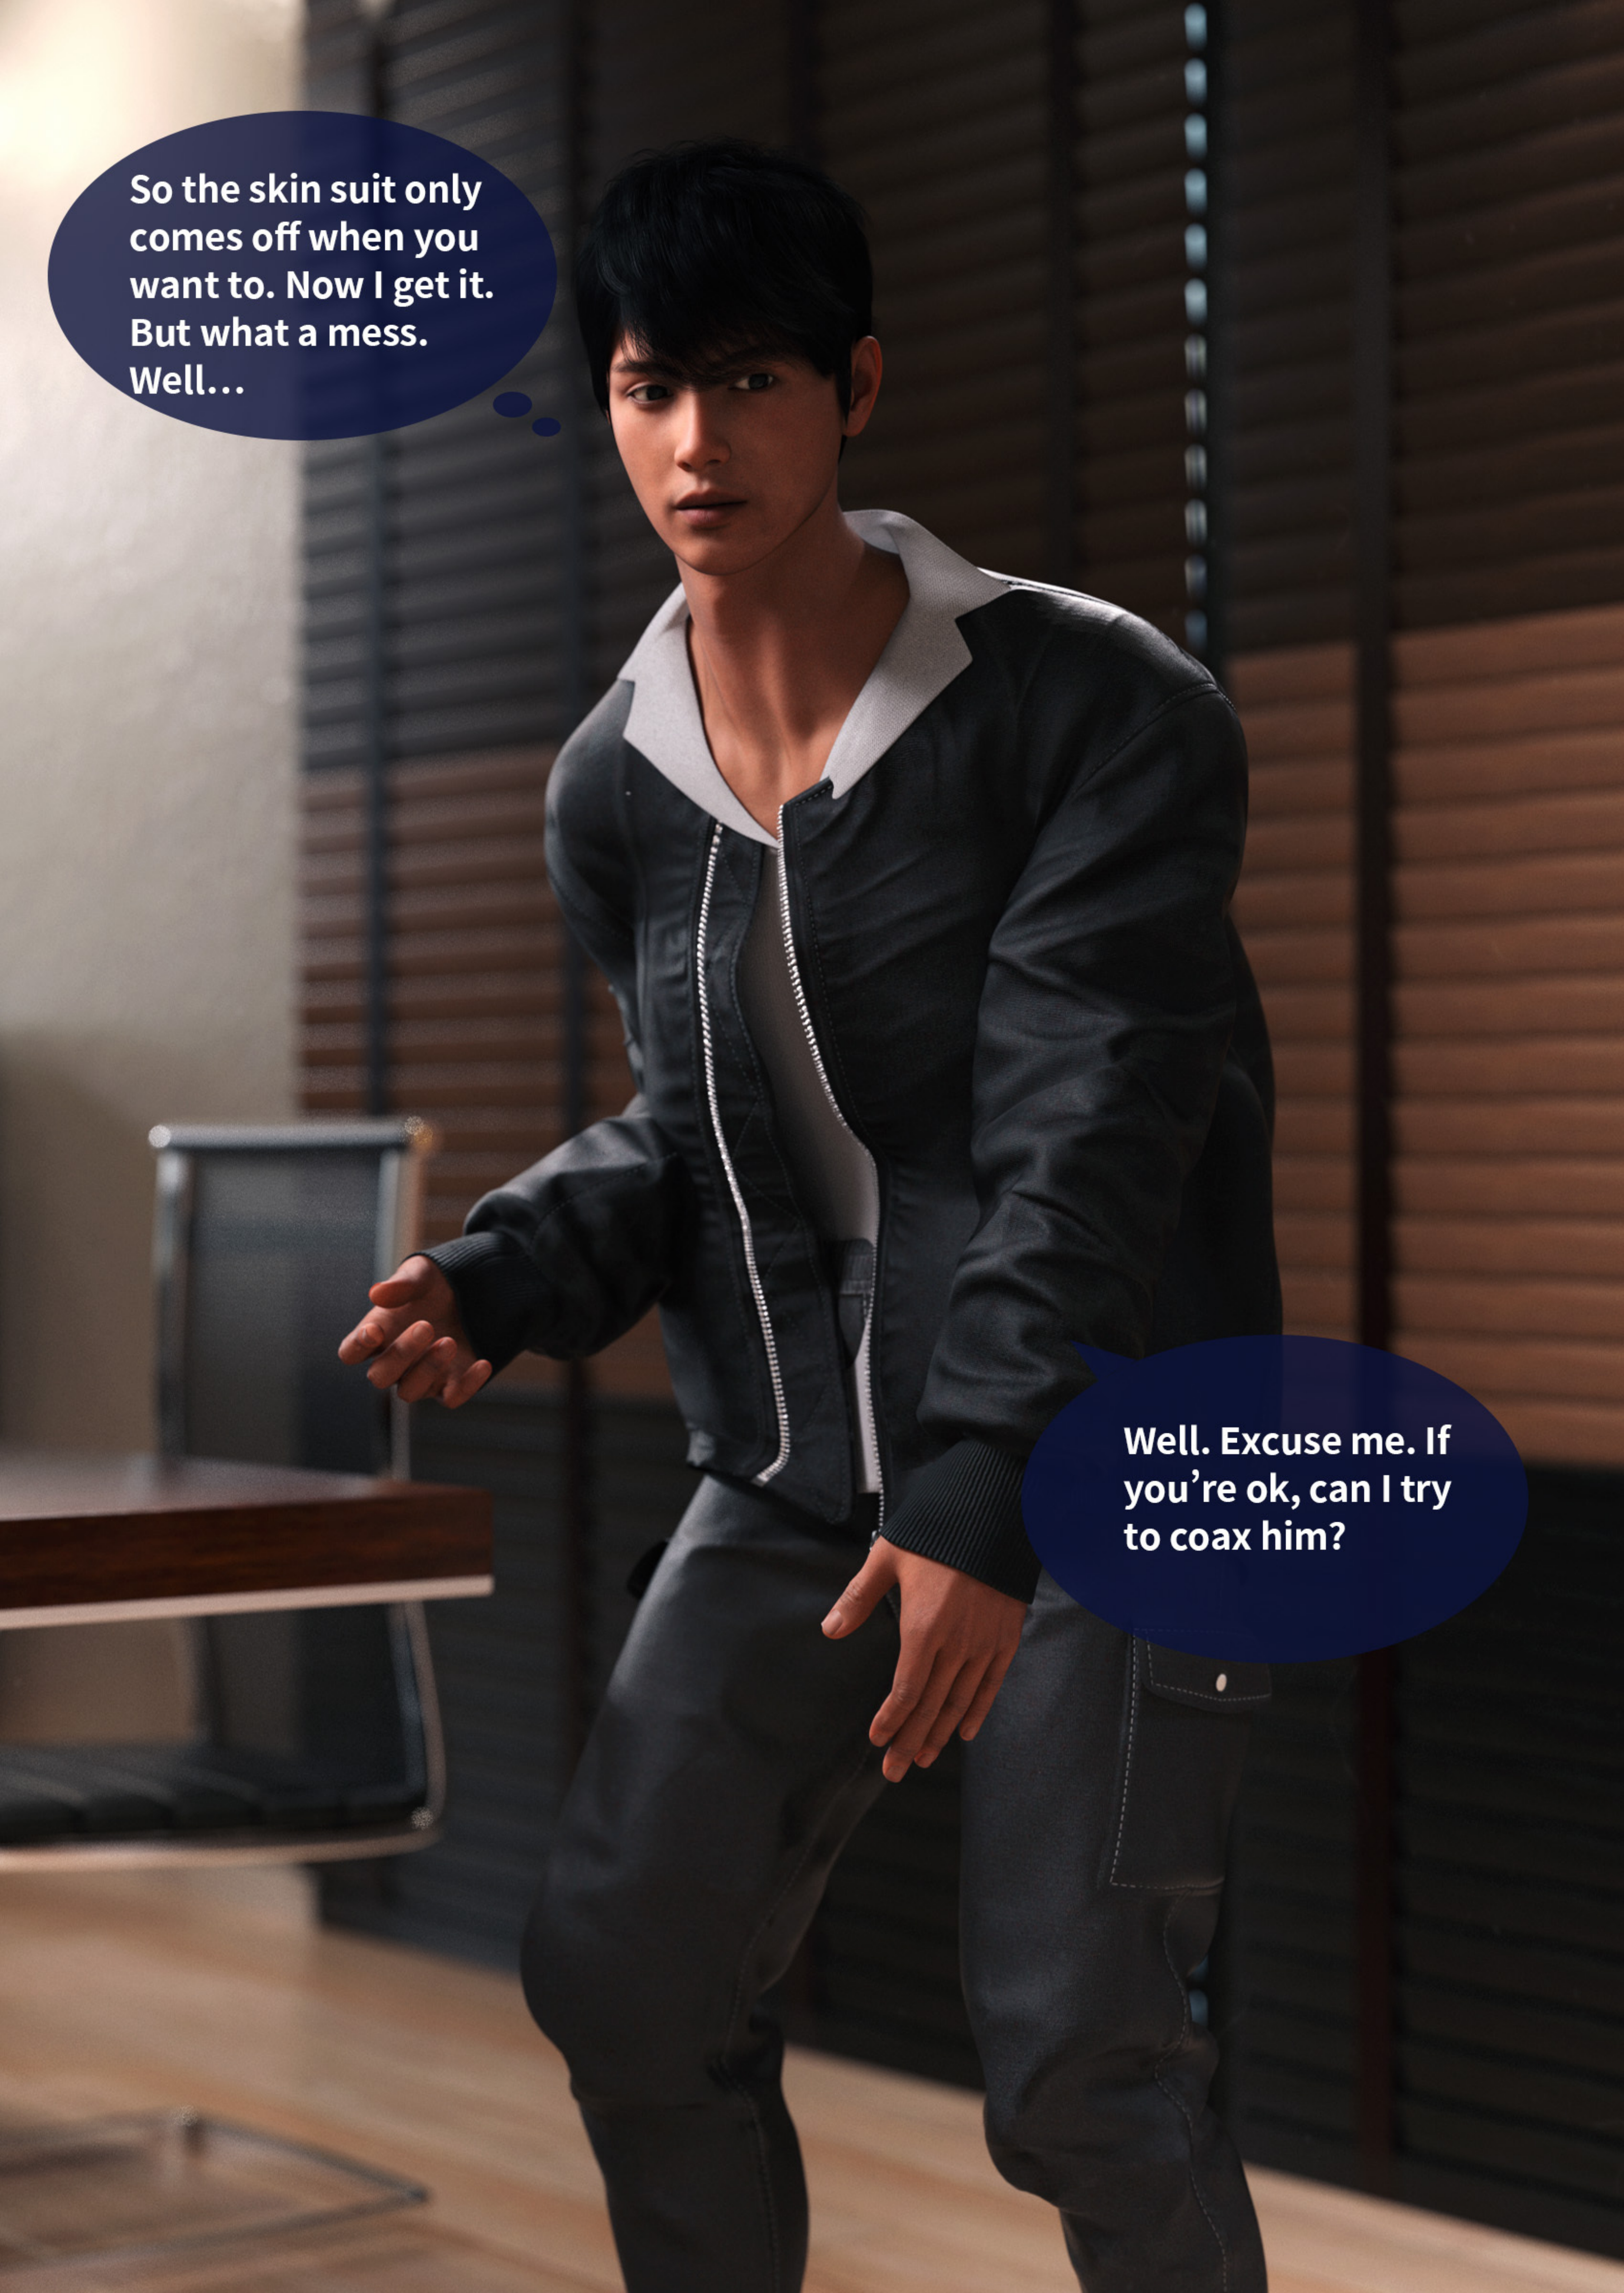

Hey man stop! Do you want to break the skin suit?

I told you that the skin suit only comes off when the wearer wants to. Pulling it not only brings a lot of pain but also you may break the skin suit!

So the skin suit only comes off when you want to. Now I get it. But what a mess. Well...

Well. Excuse me. If you're ok, can I try to coax him?

Um...Hello, kid. Do you like to play with toy cars?

I have a very cool car. How about we make a deal?

A woman with long, dark brown hair is sitting in a salon chair, looking slightly to the side with a surprised expression. Her hair is being styled by a hairdresser whose hands are visible on top of her head. She is wearing a white, button-down collared shirt and a gold necklace with a dark pendant. In the background, another person is partially visible, holding a red hairbrush. The scene is set in a brightly lit salon.

Waah waah. What kind of car? Is it better than Wei's car?

Let me show photos. It's the newest model car. Do you like it?

If you like it, how about you trade the sister's skin suit with me?

Wow ah! The toy car is so cool and awesome! Wei wants it!

Um. Wei likes sister but Wei wants toy cars more!

What the fuck?! A  
model car, really?

All my work is for  
fucking nothing!

Um. Time to say  
goodbye to my  
sister. Wei hopes to  
play with her again.

Take off

It's ok. Wei has new  
toy cars. When Wei  
waits for her, Wei can  
play toy cars

Um. Wei...Wei is taking off sister and Wei's voice is back!

Although Wei likes Mia very much, being Mia is not fun. Huh!

Come on, big brother.  
Here's Mia's skin. We have  
the deal. Remember to  
give toy cars to Wei!

Um~Excellent. Facing an unruly kid and you used patience and wisdom to persuade him and achieve your goals.

You're an exceptionally talented person. Comparing to him, you need to get your act together!

A man with dark hair, wearing a dark jacket with a grey collar, is holding a woman's face. The woman has dark hair styled in a bun and is wearing large gold hoop earrings. They are in an indoor setting with a blurred background.

Is...Is the feeling of a skin suit? I saw my sister's skin suit but watching it closely still shocks me!

Will...Will I put on the skin suit and pretend to be a gorgeous lady?

Wow um... Mia's body is fragrant and soft but it's so hard to take it off!

**Take off**

It's so tight and uncomfortable. Wei is not going to wear it again!

A woman with long dark hair is lying on her back on a light-colored wooden floor. She is wearing a white long-sleeved shirt and black tights. Her arms are raised, and her hands are resting on the floor. A young child with short dark hair is sitting on the floor next to her, looking down at the woman. The child is wearing a dark top and dark pants. In the background, the lower leg and a black high-heeled shoe of another person are visible. Two teal speech bubbles contain text.

I'm giving her skin to you. Please protect Mia!

Um...I wonder when Mia can play toy cars with Wei again?

You fucking moron.  
Now you took off the  
skin suit. I will beat  
the shit out of you!

Huh?!

A young boy is running away from a woman in a doorway. The boy is shirtless and is running towards the left. The woman is wearing a white shirt and a dark skirt, and she is reaching out towards the boy. The scene is set in a room with wooden blinds and a wooden door.

Ah ah ah! Help!  
An evil witch wants  
to grab Wei!

**Run away!**

Stop! Hold it right  
there! I'm going to  
"discipline" you  
very hard!

Now you have the company issue skin suits. We're parents!

We need to work together when we search for the traitor, my good brother.

Ah? Are we responsible for looking for the traitor?

Yes. After all, you're brother and sister so you know each other. Lee is the best guy because he understands the traitor and skin suits.

Lee is experienced and calm with your wisdom and superpower, I'm sure that we will find the traitor!

Young man, put on the  
skin suit and join us now.  
I have high hopes for  
you! Huh huh...
