

THE HOST EXPERIMENTS

*This is the only body I can get
and I'm dying so.. as long as I can stay alive
it doesn't matter if it's a girl's body.*

Are you sure this won't
kill you in the process ?

*I have my best student here
it will be alright !*

Ahhhhh

It works !

Wow.. Being a girl is better than I expected !!

A woman with long dark hair in a braid, wearing glasses and a blue lace bikini, is sitting on a wooden ledge. She is adjusting the top of her bikini with her right hand. A man with short brown hair, wearing a dark green button-down shirt and khaki pants, stands behind her, looking at her with a surprised expression. A speech bubble is positioned to the left of the woman.

I need to see this...

Hey, Can I request
something from you ?

What do you want ?

As a reward for helping me.
I want you to have sex with me
Can you do that huh ?

Well, if you want to do that..
I won't deny.

Wow! Your dick
hard already!

Come ! Stick that dick inside me..
I can't wait to try this out !

Yesss..

I'm cumming !!

Ahhh I can feel it..

It's dripping out!
ha ha..

A 3D rendered female character with long, straight, light brown hair and black-rimmed glasses. She is looking slightly upwards and to the right. Her body is rendered in a realistic style with soft lighting. She is positioned in the center of the frame, with her upper torso and arms visible. A large, white, oval-shaped thought bubble is positioned to her left, containing text. The background is dark and indistinct, suggesting an indoor setting with wooden flooring. The overall aesthetic is that of a high-quality 3D render from a video game or digital art software.

I'm glad I've got this girl's body..
This is better than having sex
as a man..

Goodbye old me..

THE END...
