FEEL THE LOOOVEEE~

Their happiness is my happiness..

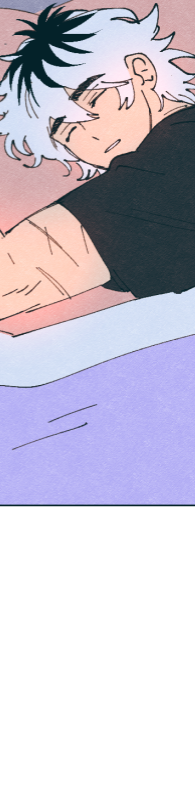

And my success is their success.

What's the point of having wealth

If you can't share it with people you love?

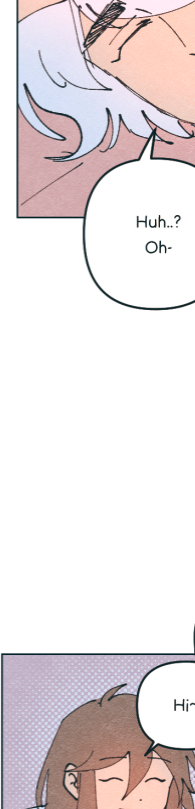

I'm home~

You didn't pick up when I called so I just ordered fried rice to go!

Everybody loves fried rice, right??

You were gone for so long.. I miss you.

It's only three hours, you big baby..

And stop manhandling me!

I can't help it!

You should work on gaining more weight.

I did gain weight, dummy.

You're just freakishly strong

Don't say that..

Then stop manhandling me!
