

Plot: Three office workers bully their female employee, little did they know she has a magical way to give them a punishment. Namely to use a voodoo doll to change their bodies into attractive hot girls getting pounded by men.

Characters

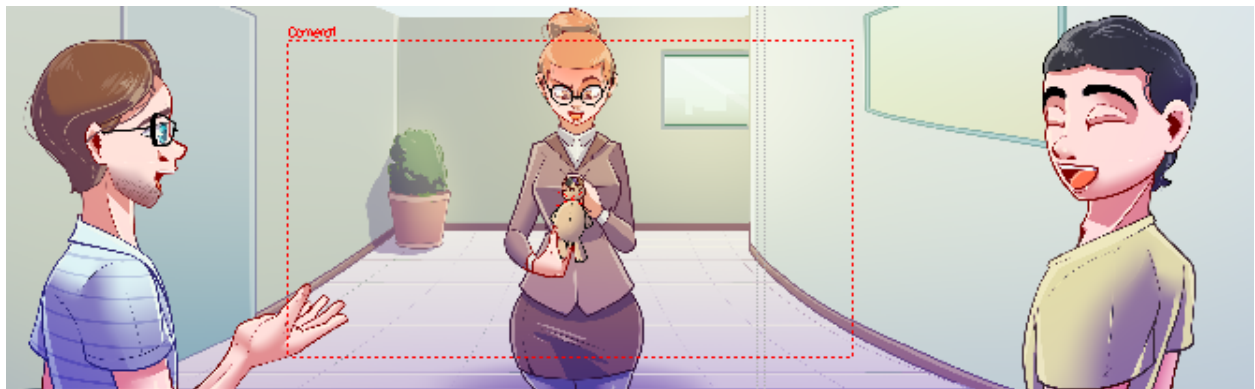

Eric: Glasses guy, a bit nerdy but still a bit of a douche

Ben: Main POV (point of view) guy, blue haired, has a cocky personality

Matthew: black guy with curly black hair, not too muscular

Chloe: nerdy girl who has made a weird voodoo doll of them to change their bodies.

Dialogue:

left = Eric, middle = Chloe, Right = Matthew

Ben scoffing looking at the voodoo doll and is really trying to hold back his laughter: Oh my god, is this real? (finally bursts out laughing) Hahaha!

Matthew is also laughing: Hahaha! I knew you were a crazy chick, but to make a voodoo doll of us?! Wow hahahaha!

Chloe takes back the voodoo doll fast and is frustrated: Hey, give it back! It's time to get my revenge for you always mistreating me!

Ben looking at Chloe is looking at her with disdain : Jeesh, we were just joking! Are you on your period or

something?

Chloe is now even more furious: That's it, with this doll I can change your bodies! Maybe then you'll understand my pain!

Eric is mocking her believing that she's nuts for believing that voodoo dolls actually are magical: What are you going to do? Stick needles in those dolls?

Chloe is now looking full of malice and is smiling: Oh, you'll get 'stuck' with something, alright., It'll just be a bit... (flips the body of the dolls where the backside displays a female side) *BIGGER than a needle.

Chloe utters the words as in a magical spell in latin: hos in bustos feminas. Apice sint liberi eorum vaginae ut impleantur semine

*Ben and his friends feel a lot of jolt of shock and fall to their knees on the ground

Ben screaming in agony : AAARGH!: W-WHAT DID YOU DO?! AH IT HUUUURTS!

Chloe: Have fun, girls...

Ben sees his arms contorted and changes with veins pumping and soon his/her vision becomes dark: "URGH... URGH... HMM..! AAH!" **(note: this line will be done by the male voice actor and female voice actress to convey the transformation from male to female)**

Author note: from this point the male lines stop and the female lines begin

Chloe disappears and the whole room changes, ben opens his/her eyes slowly

Ben is a bit dizzy and is suddenly in a different room. Shee sees her hand now has pink nails. (female voice): Urgh, what h-happened...? My hand... I have pink n-nails?

Matthew (female voice): Ben... ah... ah... *moan*

Ben looks to her side and sees Matthew getting pounded

Matthew (female voice): What *moan* h-happened to me *moan*?!

Ben is now shocked (female voice): Matthew is that YOU?! You're a... a chick!

Eric (female voice): It's not j-just *moan* him...

Ben looks at her other side and sees Eric also turned into a girl:

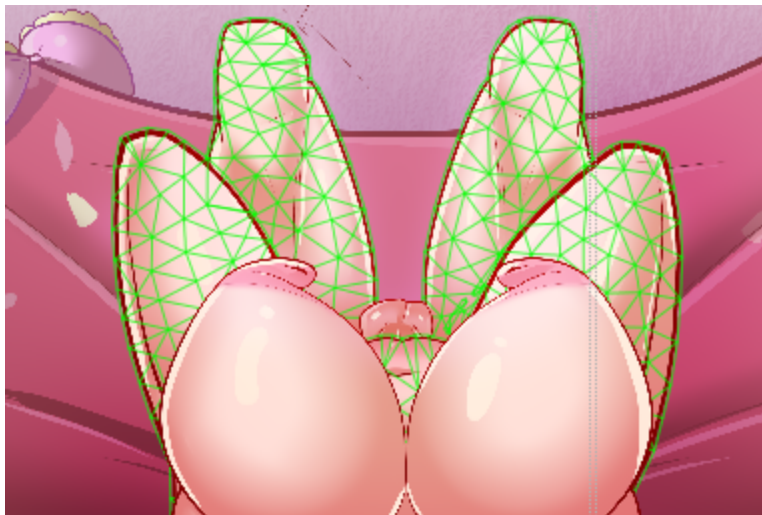

Ben says the following flabbergasted and shocked: Eric? You're a girl too?

Eric: You too, look down! *moan*

Ben (female voice): What do *moan* you... mean?

*Ben looks down and sees the following view:

Ben (female voice): I have b-boobs?! *moan* ah....

Ben looks forward and sees a mirror seeing herself and her friends getting pounded doggystyle

Ben (female voice) now fully aware of the situation looks up in the mirror: WHAT THE ACTUAL FUUU—

moan
