# HORNWEEED

# HORNWEED

Please, Marlon!  
Can I Come With you to the  
Magic Kingdom this time?  
I Promise that I'll Behave!

Shut up, Victor.  
You are not ready  
AT ALL!

And however,  
this is not a fun expedition.  
I'm just going to the Hobgoblin Fair to  
Purchase some herbs and spices for our  
Potions and spells.

I'll Be  
Back in a Couple of hours,  
Barring unforeseen  
Circumstances...

Remember  
the enchanted Catnip  
for me, Marlon!

CONJURATIO  
PORTALIA

WOOSH!

Now, go Practice your  
Divination skills and make sure to Be  
out of trouble, or I'll lock your magic  
wand and your Broom in the Bewitched  
casket again for two weeks.

mPh...all right!  
See you later...

WOOSH!

Oh my Dear  
FREEBOONIA!  
It's always so  
good to Be Back.  
My Born Place!  
Better to stay far  
away from the  
Castle though...

Let's recruit those two drunk brutes...the witch queen will love them.

I told you, they are Mountain Trolls...Father and Son. You can have them for 5 golden Toorani each.

I'll take them Both. The Witch Queen needs more sex slaves for her harem.

Follow me...we need more aconite for the next Full Moon.

It's full of Royal Guards...I need to be fast and discreet. Nobody will recognize me anyway, after all these years..

AFTER A WHILE...

Please, VozPop, what do you mean you don't have Hornweeds? I need a lot of it for my Potions!

I told you, sorcerer. I'm not going to the Hornwoods anymore. Those stinking half-goat devils are out of control!

There are herbs of them in that wicked forest. You can try to go and get some weed by yourself. But you'll need to pay a tribute to those monsters. And you know what that wildfolk yearn for...

I'll do it by myself, goblin! I mean, how hard can it be? I'm a Big, Powerful sorcerer...I'll be back in one hour full of what I need.

I'm a HOBGOBLIN!

Oh, those devils will love that Big sorcerer's ass...

AFTER A LONG RESEARCH IN THE FOREST...

Here it is! Finally!

MAGICAL HORNWEEP! It smells amazing. VOZDOB, STUPID GOBLIN. There is not even a "devil" guarding the shrubs.

I'm gonna fill my sacks full of these goodies and go Back to Reality...I wonder what kind of mess is Victor being right now. I can't leave that Pest alone for so long!

OH!

RUSTLE RUSTLE

Looking for something, Sir?

I'm Pix, and these are my Brothers satyrs...

Olweeth...

and ZixPill! This is our forest, and this is our HORNWEEP, Petty thief.

O my Gobs! I forgot how Big satyrs are...

you need to earn that if you really want it.

RUSTLE RUSTLE

RUSTLE RUSTLE

well, I guess I can have some fun. Victor will be ok!

After a while...

This slutty  
pab sucks so  
good!

And  
his hole tastes  
so good!

SLURP!  
MUNCH!  
MUNCH!

SUCK!

can we  
take him to the village  
and use him as our  
cumbump, Pix?

SLURP!

SLURP!

Gulp!

SUCK!

No,  
Brothers!

SQUIRT!  
SQUIRT!

My satyr intuition  
tells me that this sorcerer  
has an important mission  
for the Magic Kingdom.

HUMP!  
HUMP!  
HUMP!  
HUMP!

SQUIRT!

SQUIRT!

We must let him go.  
But now, let's fuck him  
for the whole night!

MOAN!

Look,  
he's morphing!

I told you, we must let him go. It's almost dawn!

I would marry him as my papwife at once!

SQUIRT!

SPURTH!

PLAP!  
PLAP!  
PLAP!

He would be perfect in our village with the other elders!

The Bestial screams and yells of the horry satyrs reverberate in the whole County, Marion was filled with satyr cum, that as you can see, has many magical Proprieties...

Suddenly, he woke up, out of the woods, completely hungover...

Wakey sorcerer! You had fun in the forest, I can see!

Dont worry, those will disappear in a few days. At least you earned two sacks full of weeb, are you satisfied?

My Big magical ass surely is, Goblin!

I'm a HOBGOBLIN!

What the hell it happened? OUCH...my head! Horns? Oh...now I remember!

The background is a repeating pattern of grey spider webs on a yellow field, with small red spiders scattered throughout. The text is centered and reads:

**RUN  
FAST  
MADNESS**

# RUN PAIR MADNESS

Victor Harris found a job at the Freeopolis Fun Fair's Horror House. You think that would be the perfect occupation for a young sorcerer apprentice, right? Well, it was boring as fuck. Also, he had to wear a stupid vampire costume to work there. He was a warlock, not a vampire!

The Fair was full of screaming children and gossiping teenagers. Sometimes they were accompanied by their sexy dads, but Victor wanted to behave to don't make angry his magic mentor Marlon again.

He managed to behave, until that day.

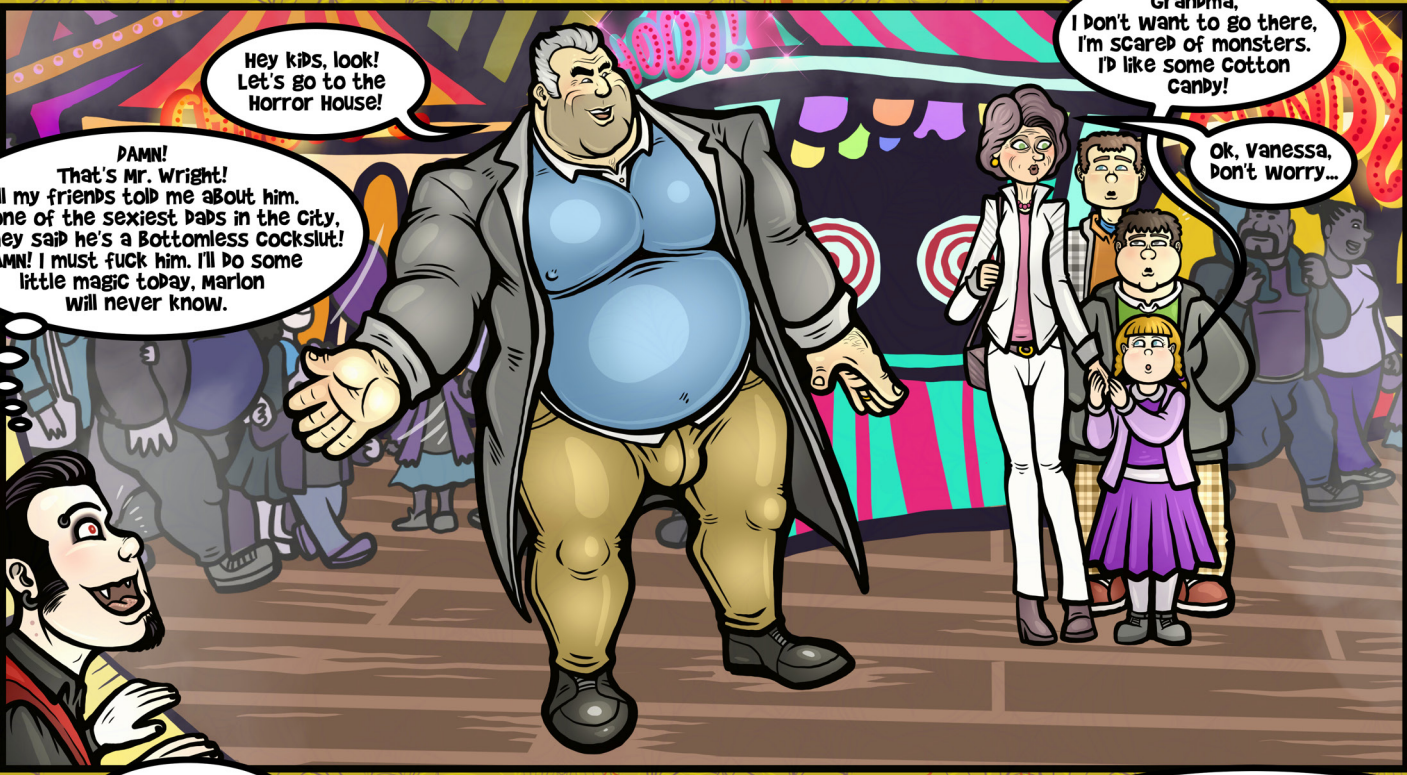

Hey kids, look! Let's go to the Horror House!

PAMN! That's Mr. Wright! All my friends told me about him. He's one of the sexiest dads in the city, and they said he's a Bottomless Cockslut! PAMN! I must fuck him. I'll do some little magic today, Marlon will never know.

Grandma, I don't want to go there, I'm scared of monsters. I'd like some Cotton Candy!

Ok, Vanessa, don't worry...

erm, actually I'd skip the Horror House too, grandpa...

Yeah, me too...I'm not afraid! But...I want Cotton Candy!

C'mon, Boys...what are you a couple of PUSSIES? Colin, you are almost a grown-up man now, and Tebby, you got enough candies, look at that soggy Belly!

Ok Grandpa, let's go...

yeah...I guess...

WHAT A JERK! HE NEEDS A LESSON. I'LL SHOW HIM WHO'S THE REAL PUSSY. PAMN...look at that huge ass!

These are your tickets for the ultimate fear experience, the HORROR HOUSE! Be ready to Be SCARED and...

YEAH, YEAH, WHATEVER KID. Just give me the tickets and shut the fuck up!

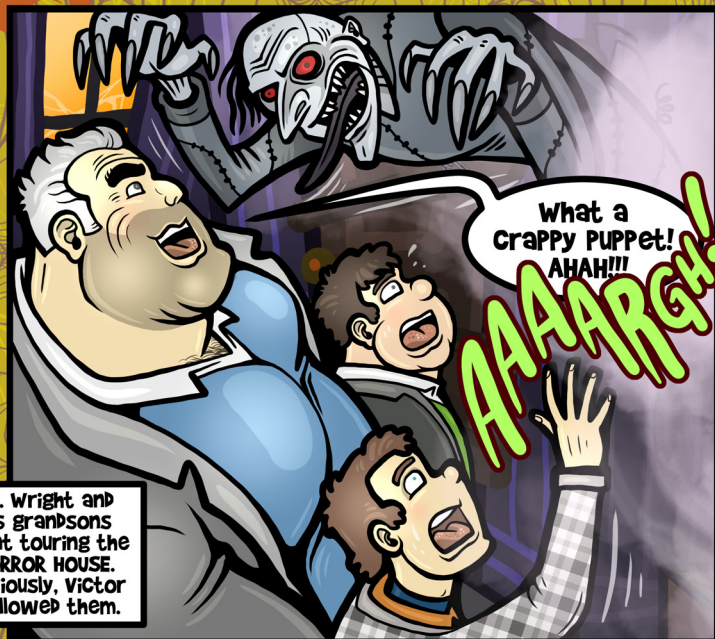

GUP!

What a Crappy Puppet! AHAH!!!

AAAARGH!

Mr. Wright and his grandsons went touring the HORROR HOUSE. Obviously, Victor followed them.

AAAAH!

Should I Be SCARED of a Bunch of Plastic Bones? AHAHAH!

When they arrived in Frankenstein's room, Mr. Wright was impressed, But not scared.

ROAR!

WOAH! This is a Big Boy...

C'MON, KIDS DON'T BE SCARED...

AAAAH!

Close your mouth, Buddy...you don't want to swallow a spider or something, eheh!

The two Boys ran away faster than they can.

# CHOMP!

Victor was surprised when he saw that that hot Dad wasn't scared at all. But didn't hesitate to swallow Frankie's huge dick at once.

Well, this is my occasion to have some fun, finally!

I'm sucking Frankenstein's dick while a young Pracula is eating my ass...! should visit this stupid Fun Fair more often!

Wow, his hungry hole tastes so good!

Victor fucked that pouchebag for quite a while...

...flooding that bottomless hairy hole.

Now was Frankie's turn, which was much bigger than Victor, But Mr. Wright's hole was used to take Big stuff, so wasn't difficult for the monster to nail that Big ass.

YEAH!

HUMP!  
HUMP!  
HUMP!  
HUMP!  
HUMP!  
HUMP!  
HUMP!

OH FUCK YES!  
SPLIT MY ASS!  
OH YEAH!!!

SHLORP!

Also, Victor's cum was the perfect lube.

PLAP!  
PLAP!  
PLAP!

Victor was enjoying the show Beneath Mr. Wright's Big ass, watching how that humongous cock went in and out of the old man's sloppy hole.

THIS IS SO HOT!

SPURT!

FUCK YEAH!  
BREEP THE BITCH!

PANT!  
PANT!  
PANT!

When Frankie Came, he flooded Mr. Wright's Bowels even more, and a waterfall of Cum oozed over the ass and on Vic's face too...it was hot and goeey.

That's it?  
I want more!  
Otherwise I'm gonna ask the \$5 of the ticket Back!

SHLORP!

FRANKIE IS GONNA GIVE YOU MORE

YEAH!

SQUAT!

SHORP!

Danny and the other DADFUCKERS were right about Mr. Wright, he's a Bottomless Cocksut! Now I have to find a way to turn Frankie Back to Paper mache Before Marlon finds out!

END
