

The Mercenary
and the Elf King

佣兵与精灵王

BY:RB目肠

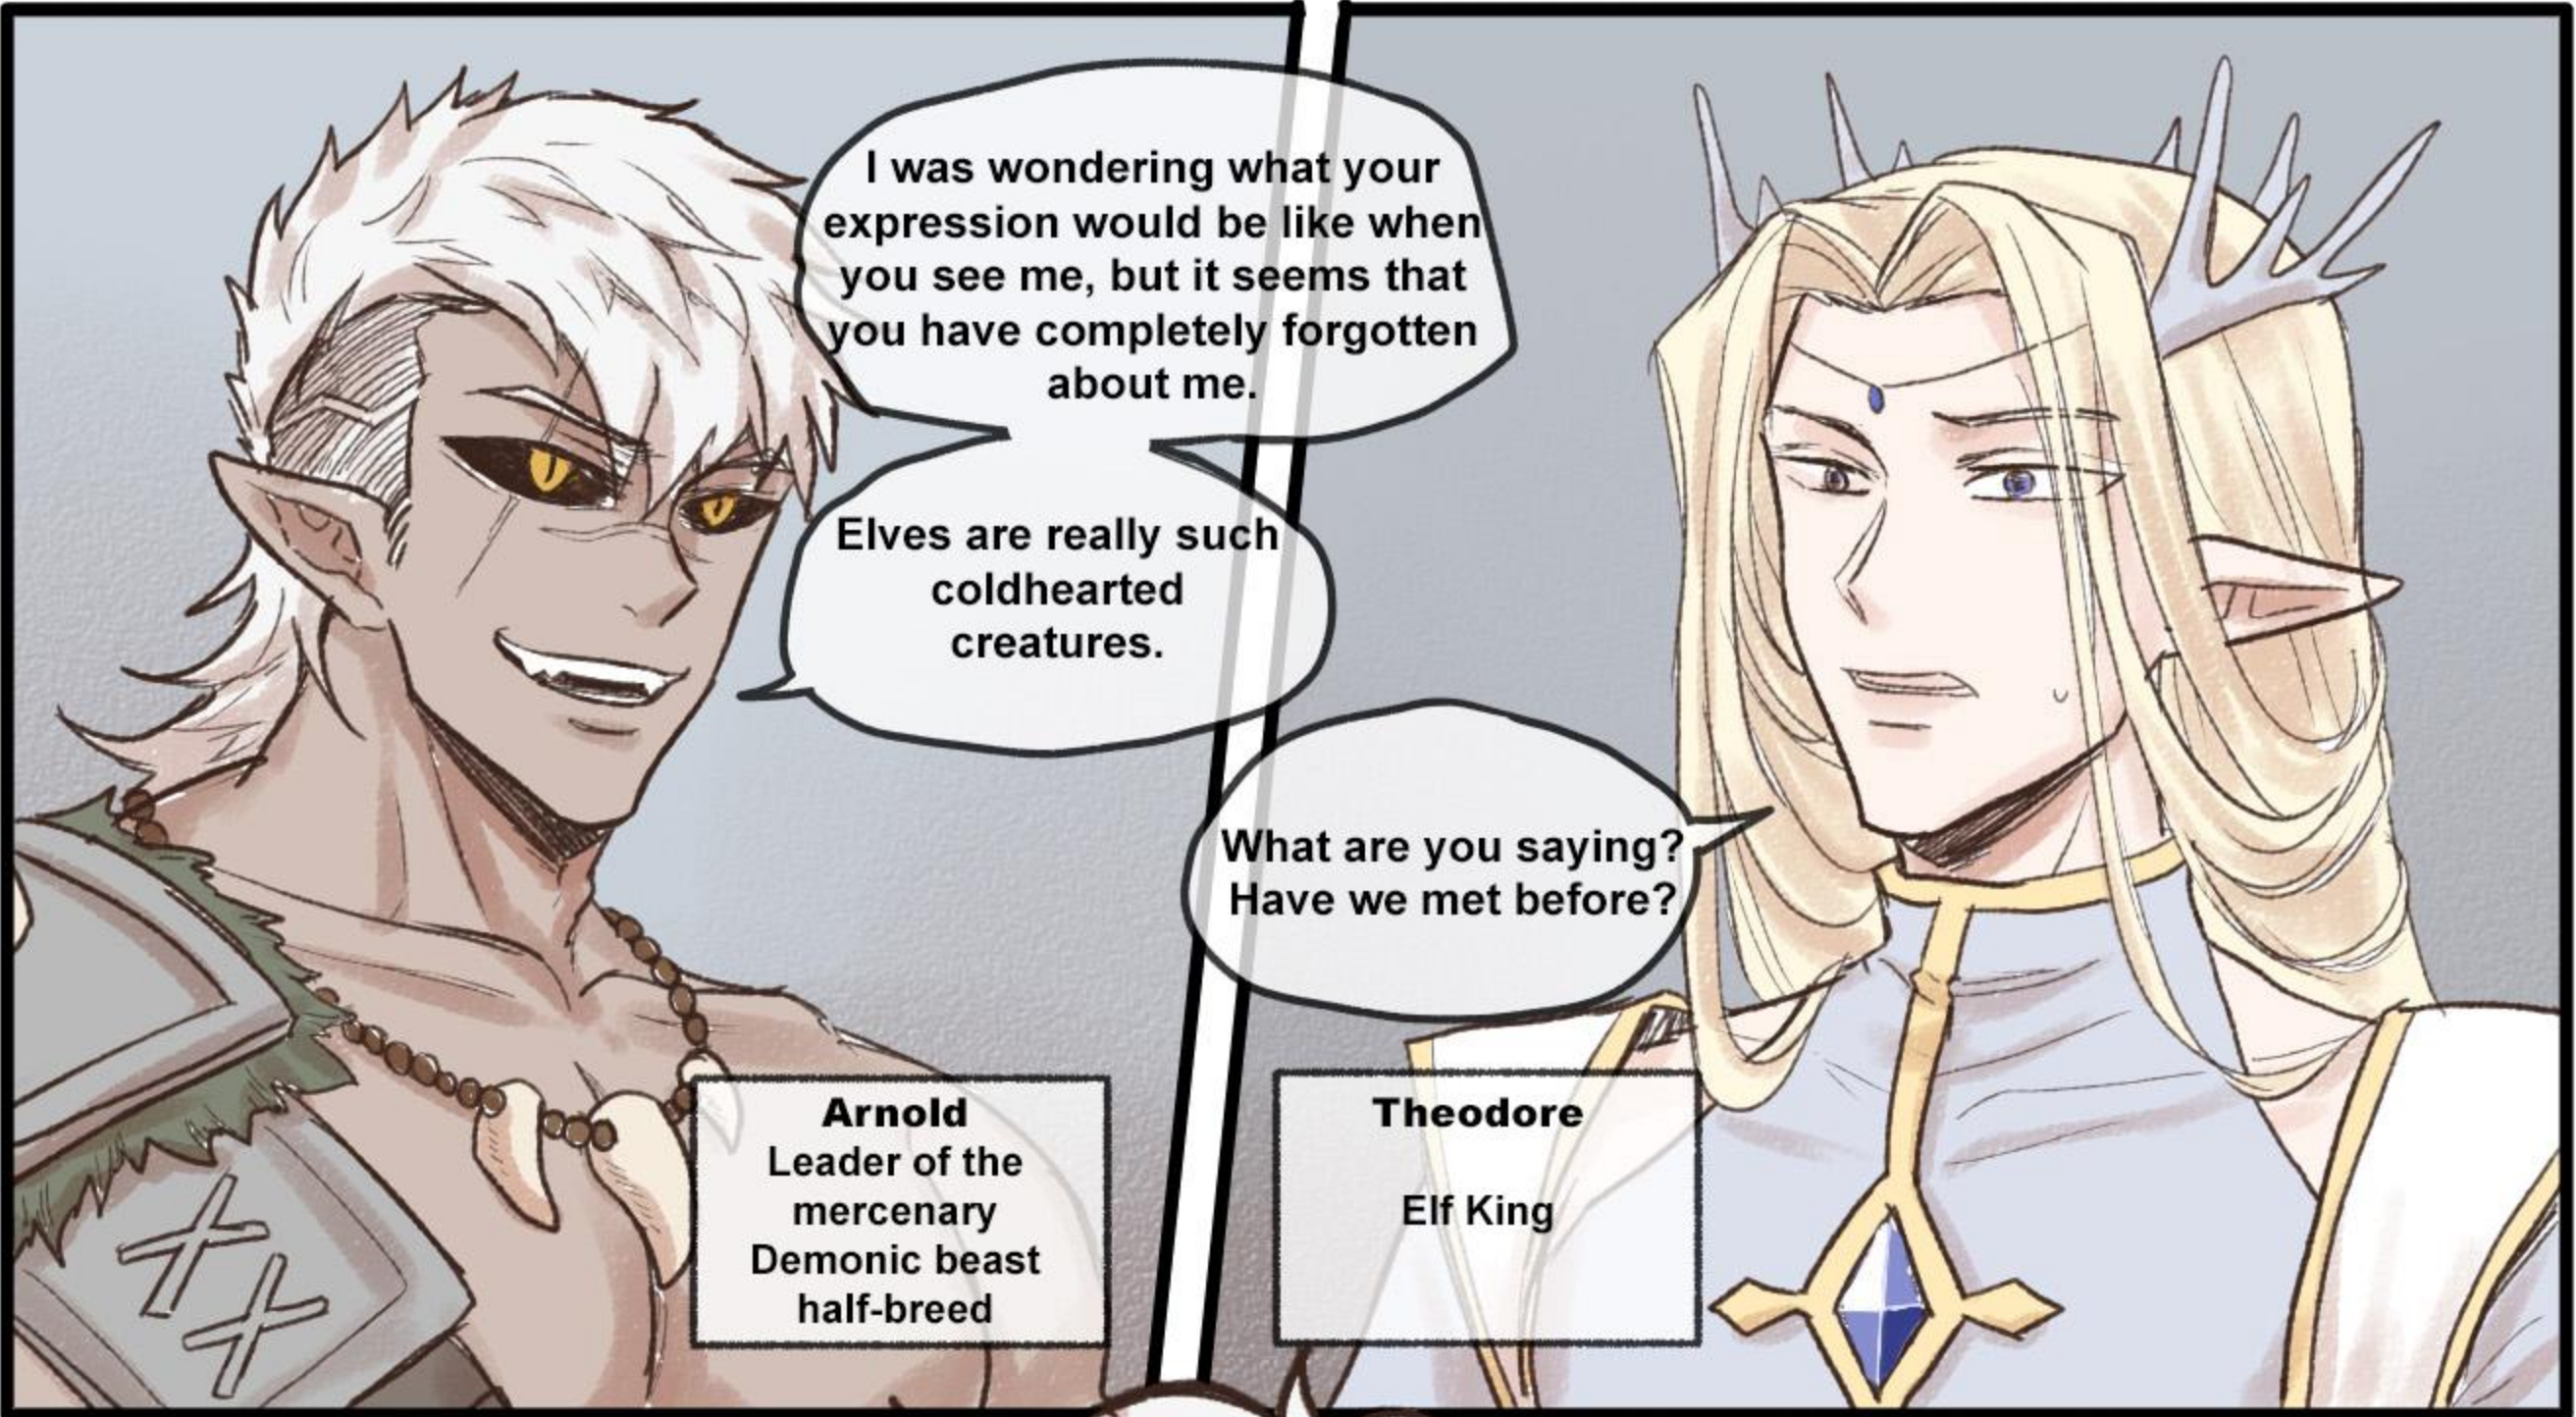

The prosperous Elven kingdom has always been coveted by the other races. Finally one day, an army of hired mercenaries led by Arnold stormed the capital.

You may state any requests as long as you promise to let my people go

The mercenaries battled their way into the palace, the Elf King Theodore had no choice but to surrender and call a truce.

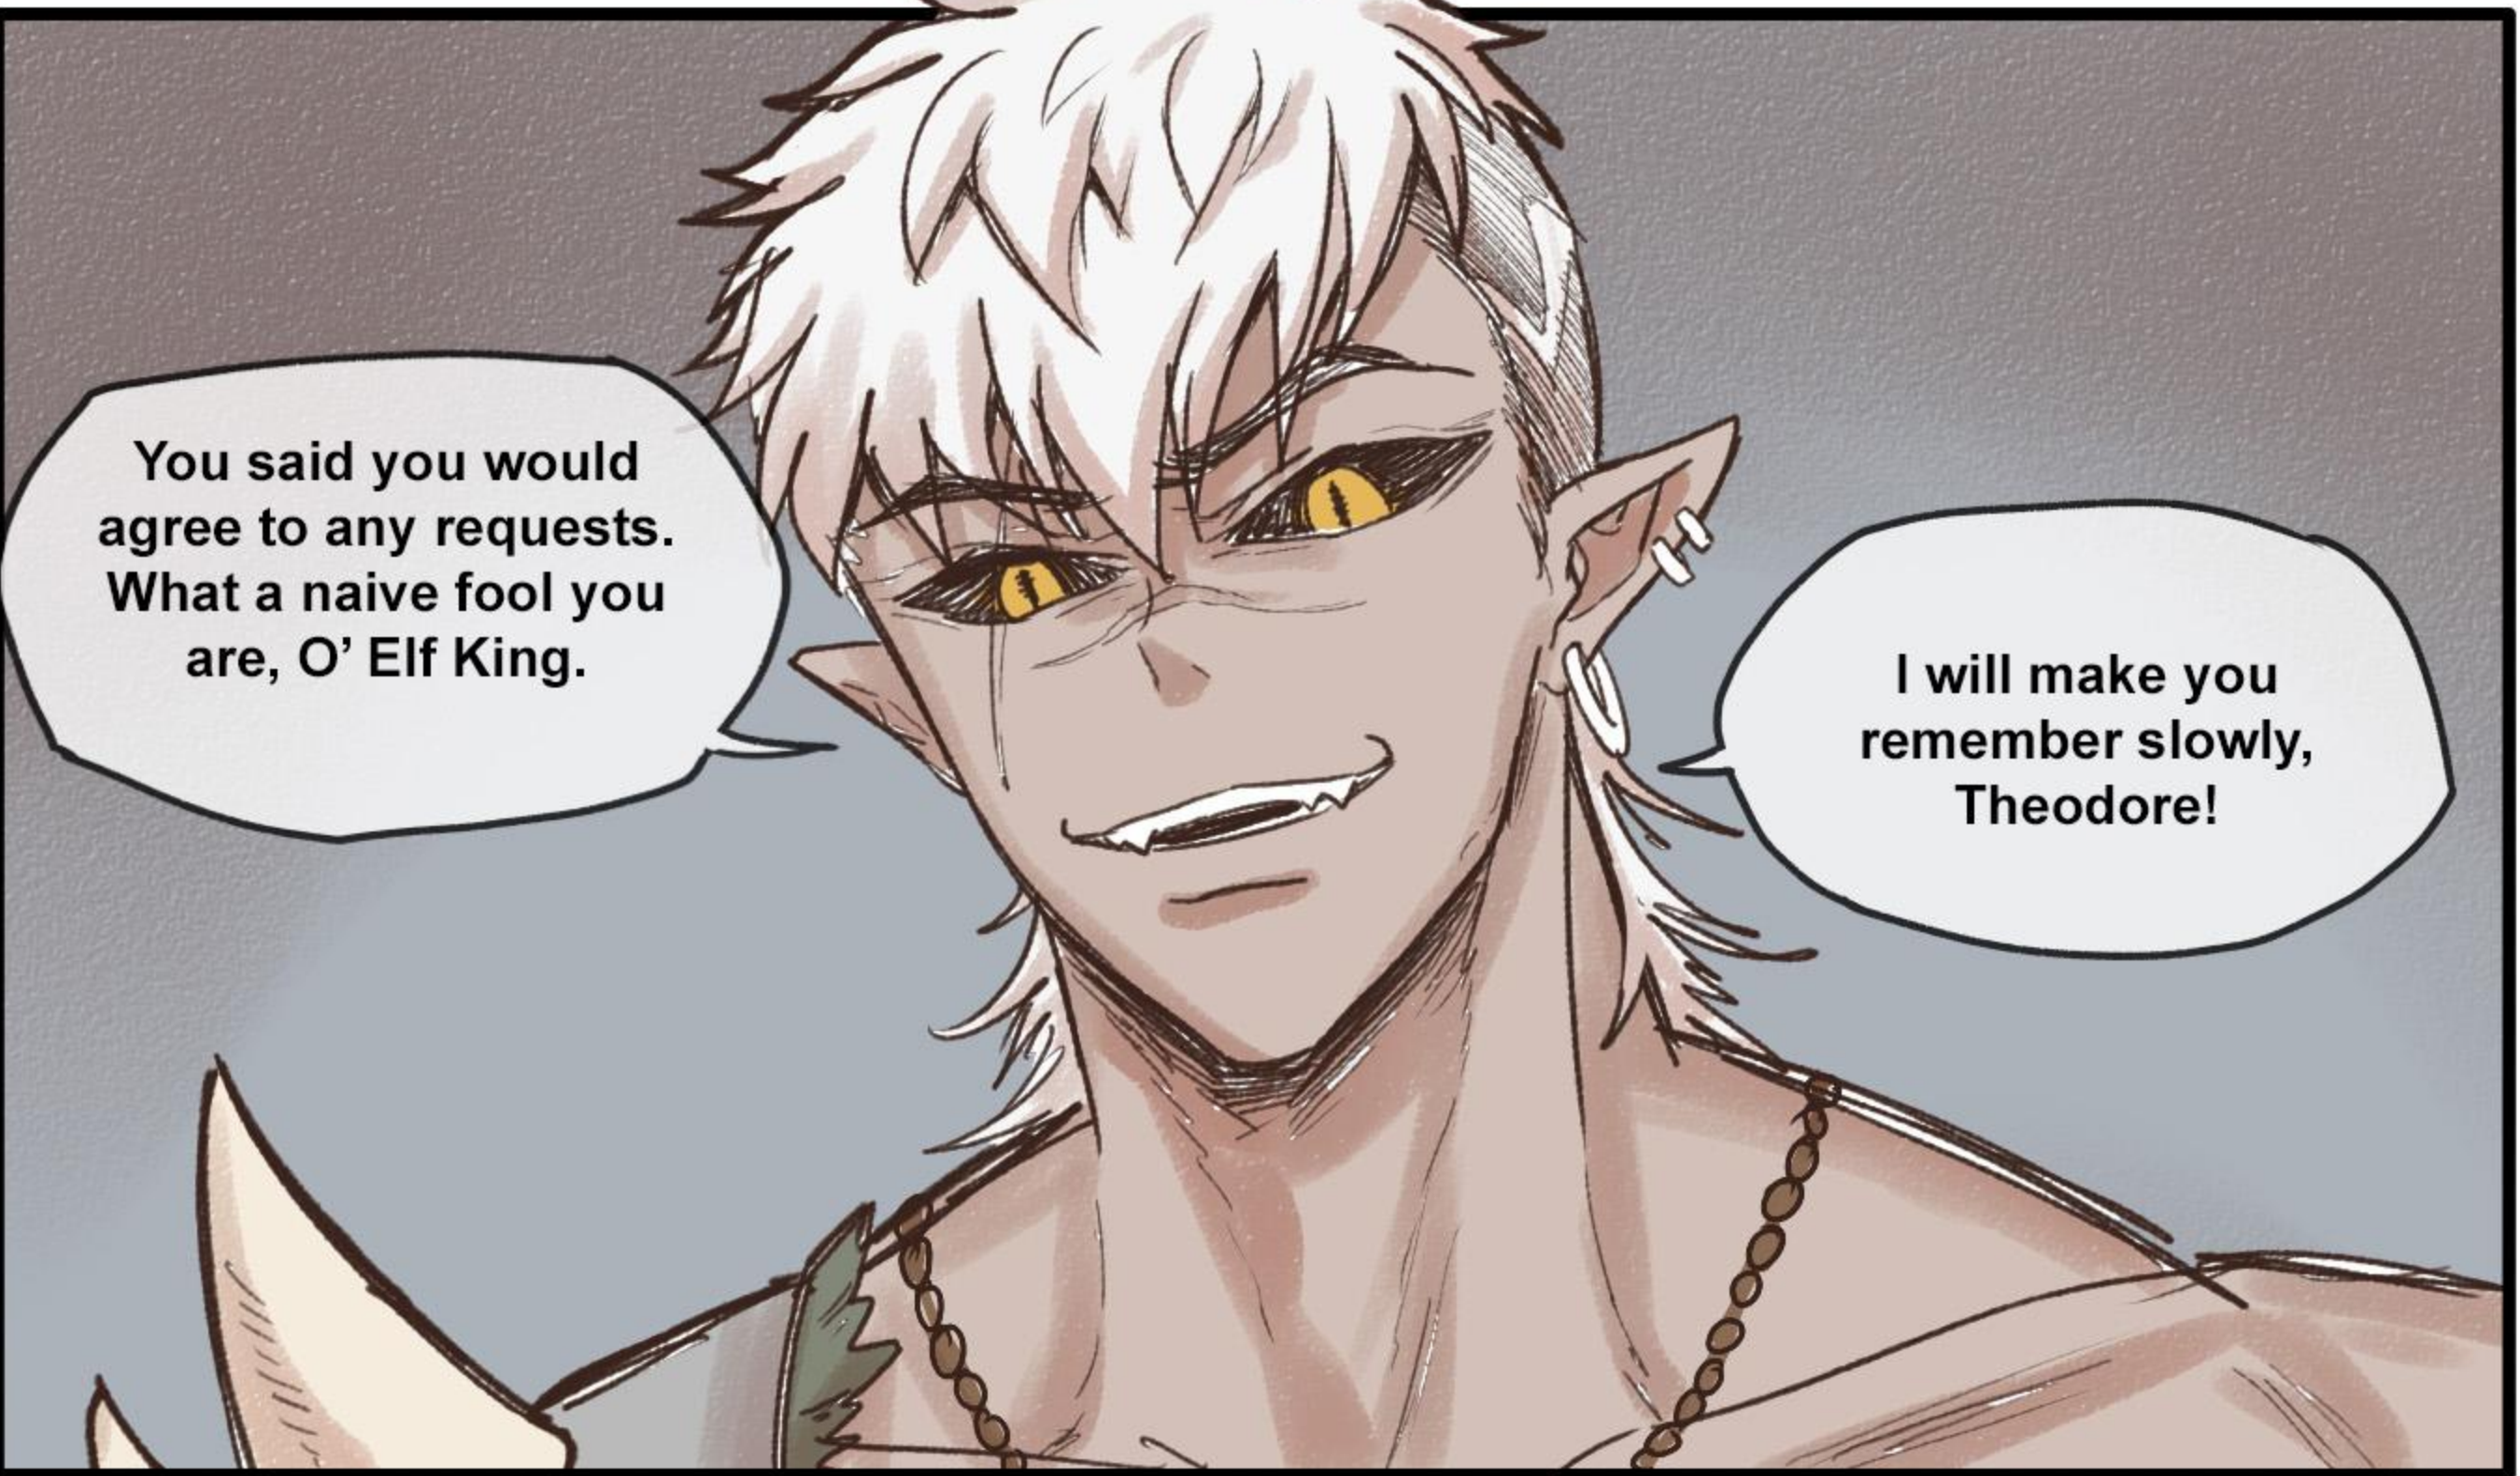

I was wondering what your expression would be like when you see me, but it seems that you have completely forgotten about me.

Elves are really such coldhearted creatures.

What are you saying? Have we met before?

Arnold
Leader of the mercenary
Demonic beast half-breed

Theodore
Elf King

You said you would agree to any requests. What a naive fool you are, O' Elf King.

I will make you remember slowly, Theodore!

You! How dare you!
You...wh-what are
you doing?!

Let go of
me!

I've heard that for elves,
even the males could
bear children, I wonder
if that's true?

N-no...no way!
Don't put it in!

I cannot let this
bloodline be
tainted by demonic
blood!

What am I doing?
You are the one who
said I could request for
anything I want!

As long as you
obediently spread
your legs, your people
would be spared,
isn't that a good deal?

Ngh...y-you!
You are despicable!

Ngh...no...

As expected of the
elf king, such
delicate skin
you have.

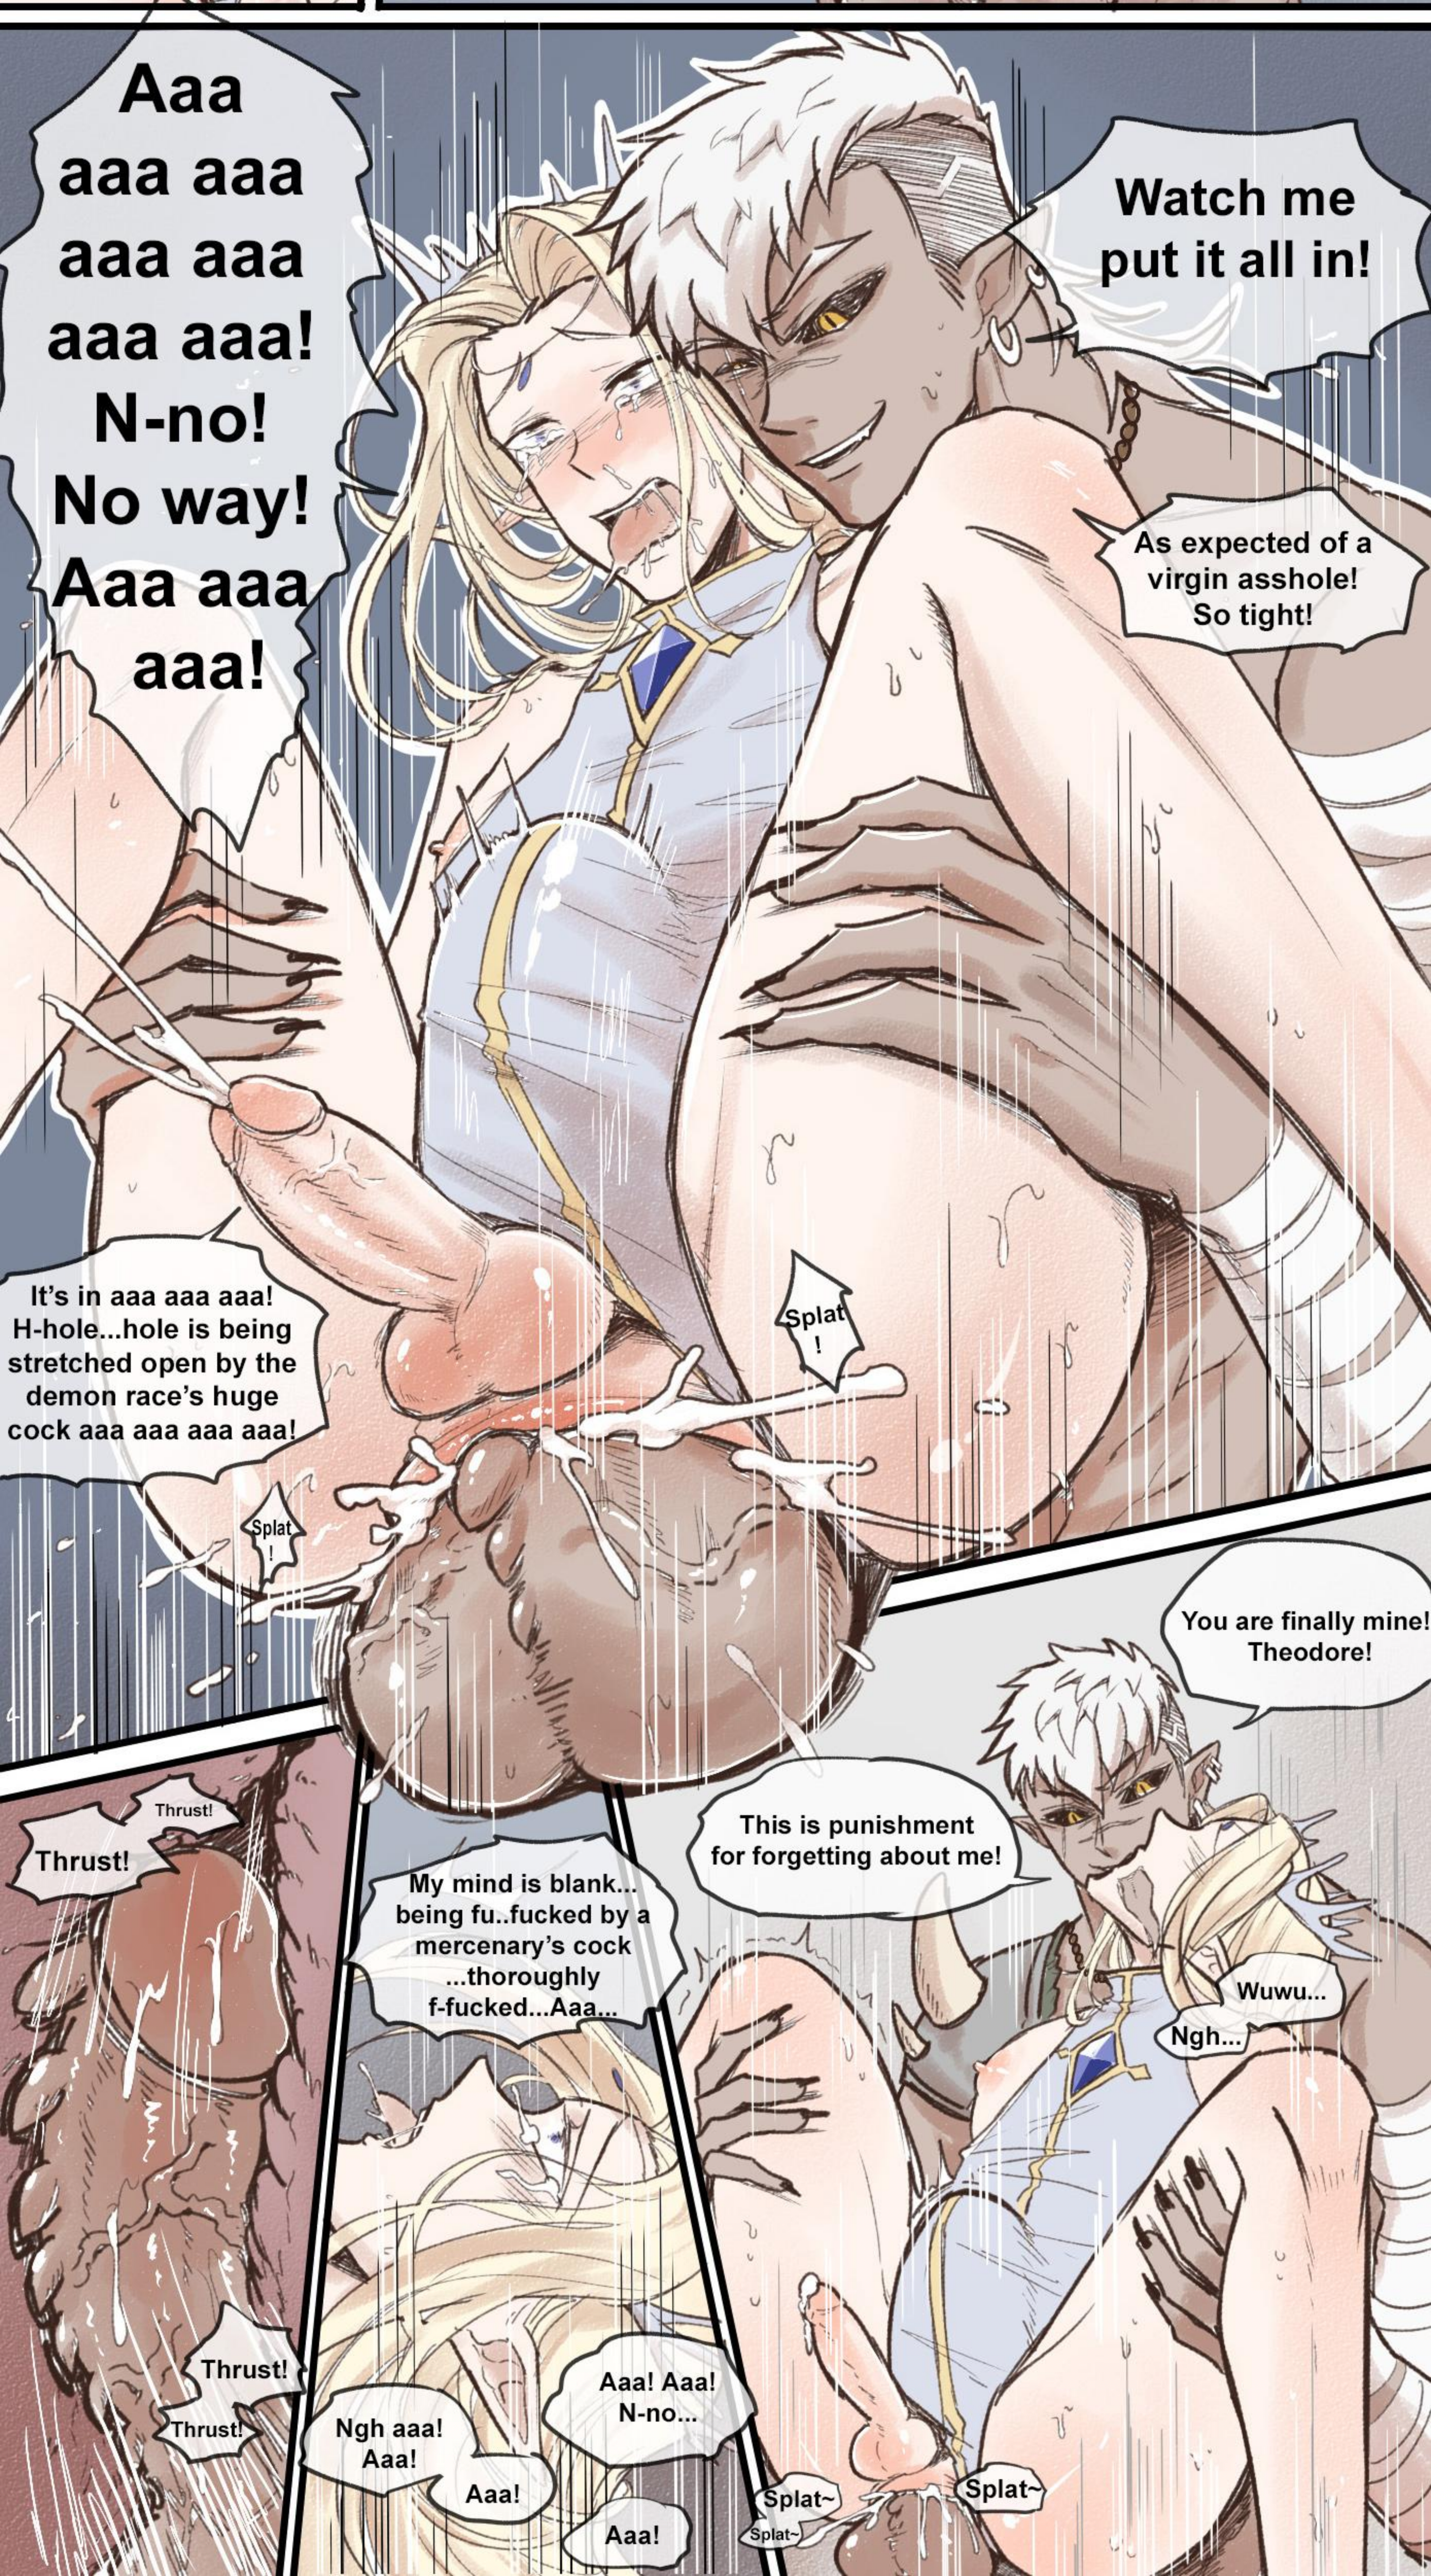

St...stop it!

Even your hole is such a
pretty pink, no one has
used this place right,
Theodore?

N...no! T-this
size...I will die...

Your cute hole
is quivering, are
you nervous?
Or excited?

**Aaa
aaa aaa
aaa aaa!
N-no!
No way!
Aaa aaa
aaa!**

**Watch me
put it all in!**

**As expected of a
virgin asshole!
So tight!**

**It's in aaa aaa aaa!
H-hole...hole is being
stretched open by the
demon race's huge
cock aaa aaa aaa aaa!**

Splat!

Splat!

**You are finally mine!
Theodore!**

**This is punishment
for forgetting about me!**

**My mind is blank...
being fu..fucked by a
mercenary's cock
...thoroughly
f-fucked...Aaa...**

**Wuwu...
Ngh...**

**Thrust!
Thrust!**

**Thrust!
Thrust!**

**Ngh aaa!
Aaa!**

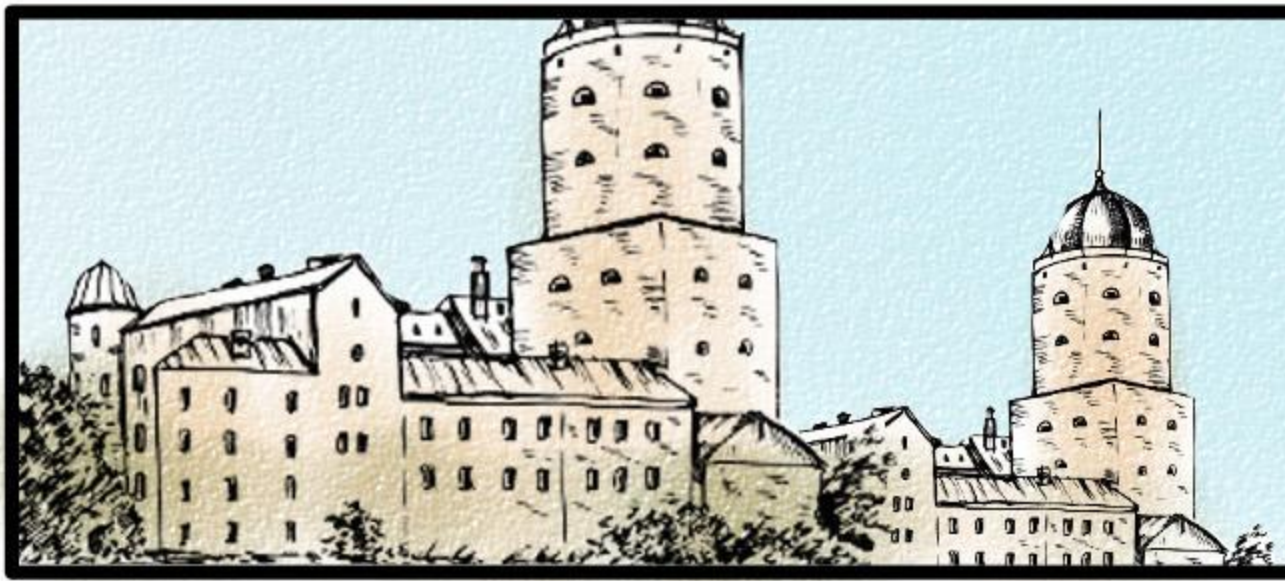

Aaa!

**Aaa! Aaa!
N-no...**

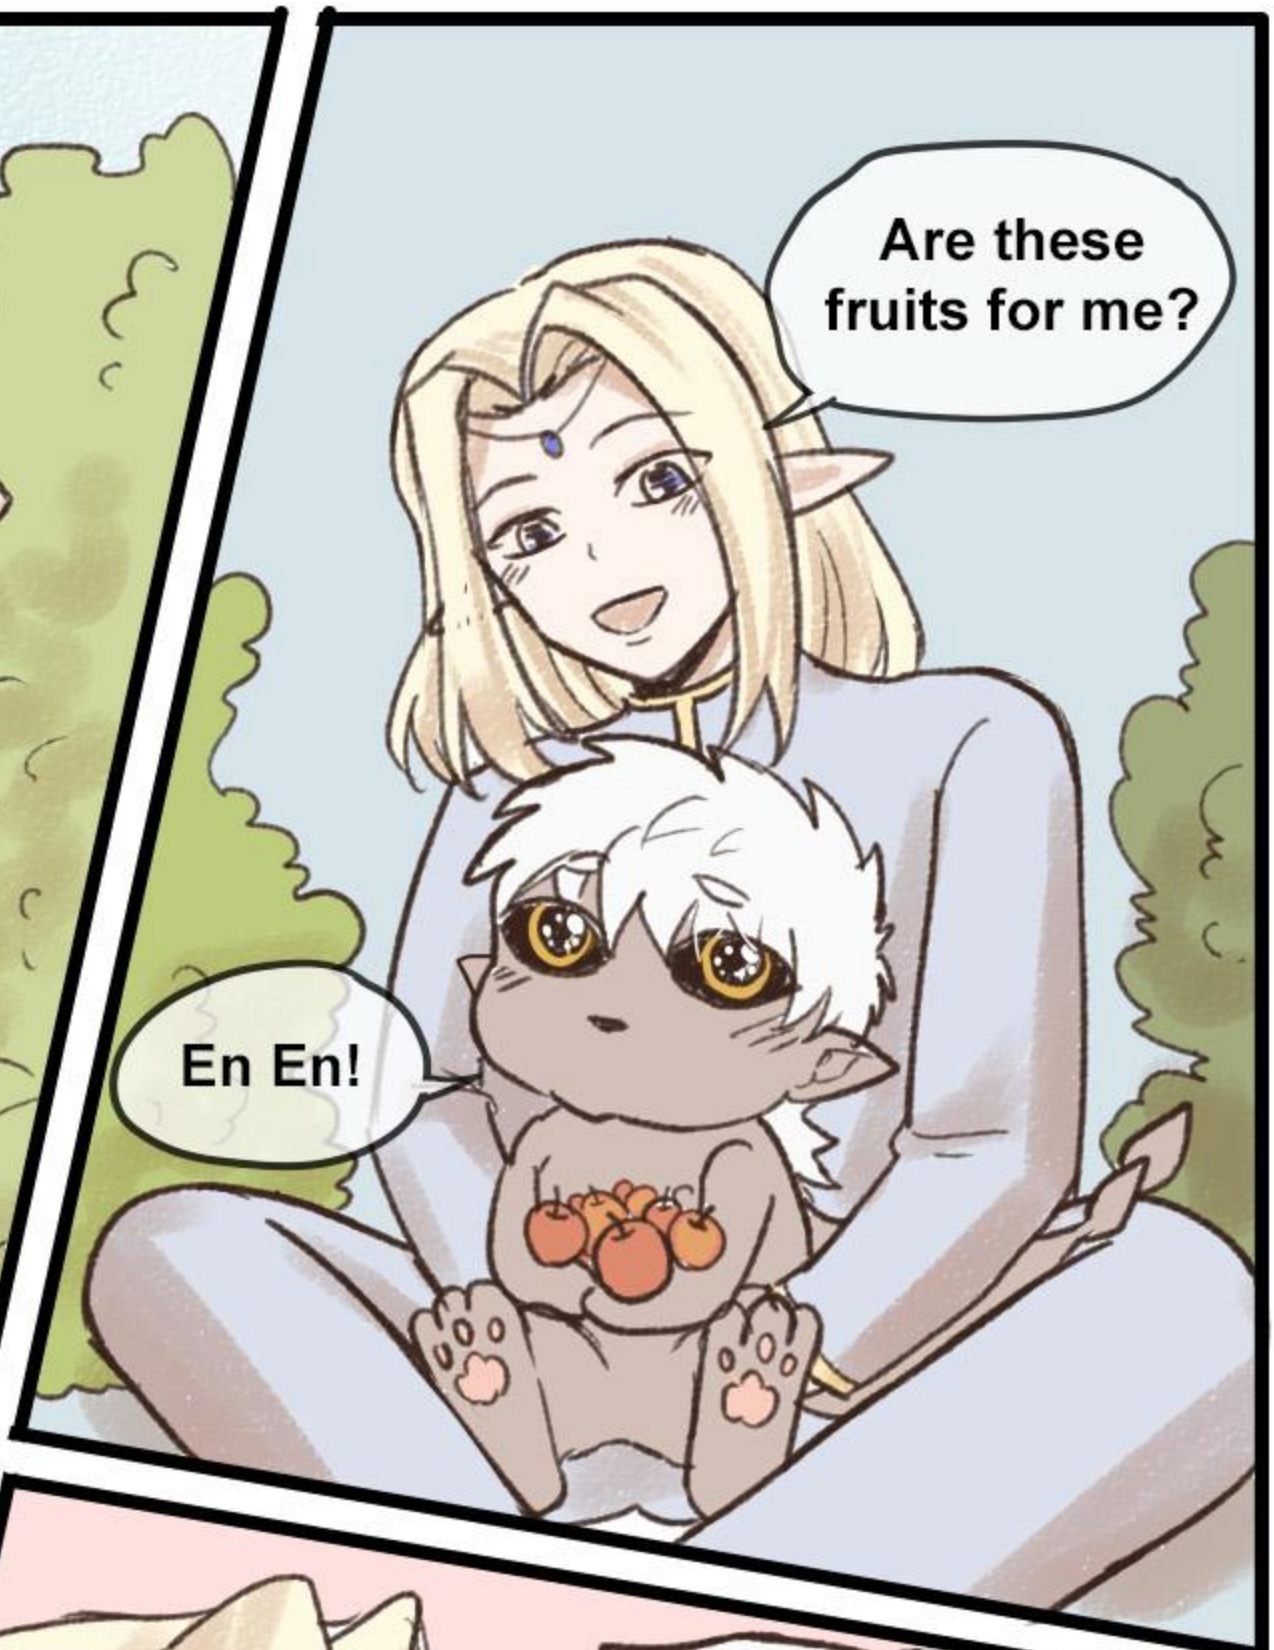

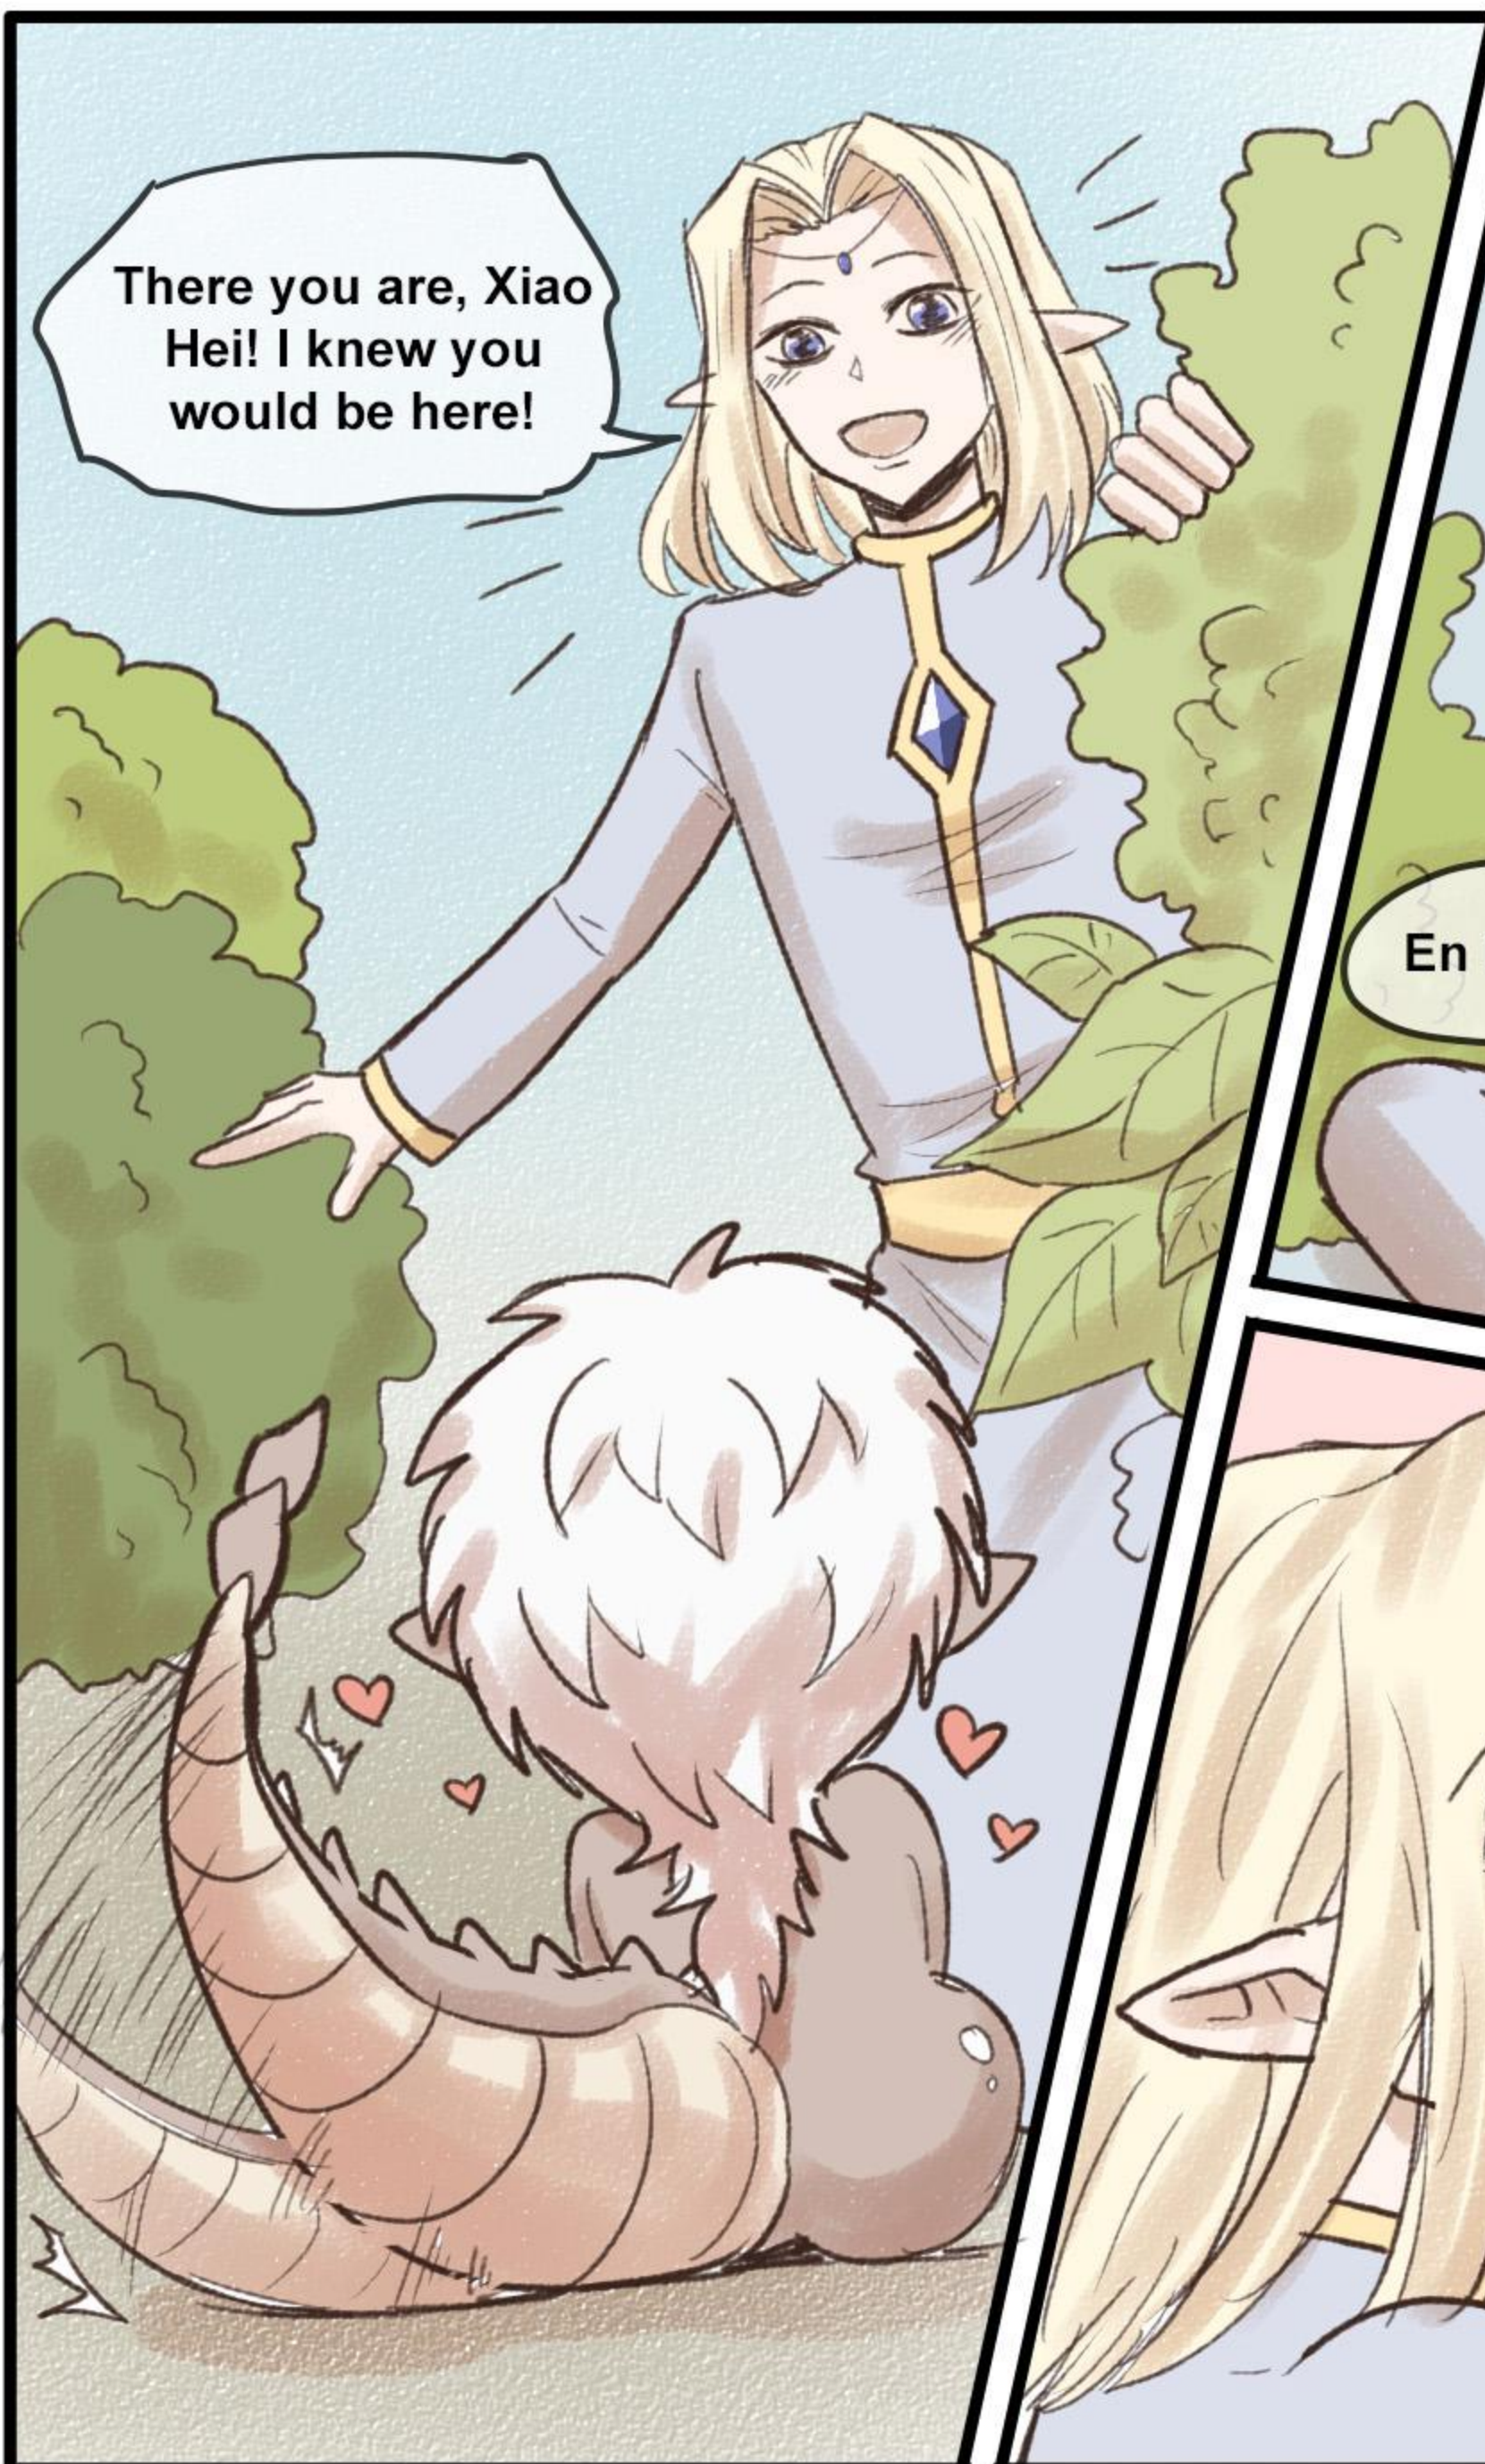

Aaa!

**Splat~

A few decades ago, Theodore who was still a prince used to live in a mountain villa far away from the capital. There, he met a mixed-blood creature in the forest behind the villa.

However one day, Theodore never appeared again...

Why is Theodore not here yet?

I've gotten so many fruits, he would be happy.

You are still here, you beast!

Such a filthy creature!

I only tolerated you because Prince Theodore is fond of you.

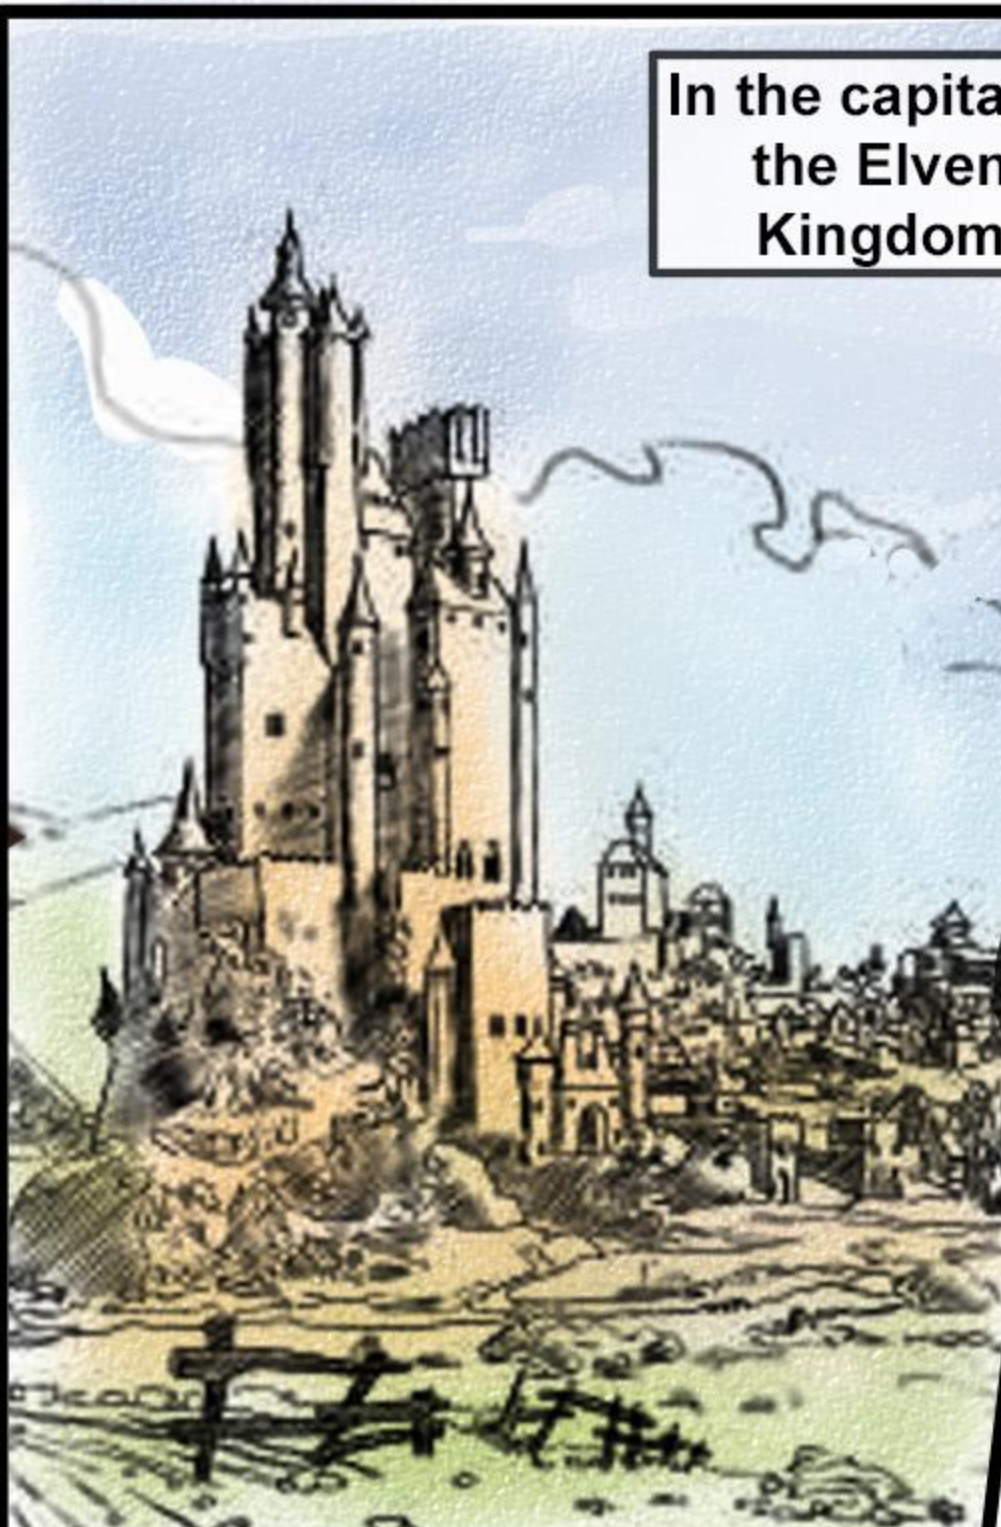

Now that the prince has gone back to the capital to become the crown prince, you'd better leave if you know what's good for you, or I will call the guards to beat you up.

AWOO!

Theodore...has left? N-no..no way!

We've promised to stay with each other forever...

In the capital of the Elven Kingdom

The elf king has really sunk so low, having the leader of the mercenary as his lover, how shameful!

He's even bearing that mercenary's bastard, such a thing is unheard of, what a disgrace to our elven empire! The elven bloodline is now tainted!

I've even heard that the mercenary leader is a mixed-blood from the demon race and beast race, what a lowly bloodline! To think that the elf king has actually...

S-sir Arnold!
W-we...we...

The both of you,

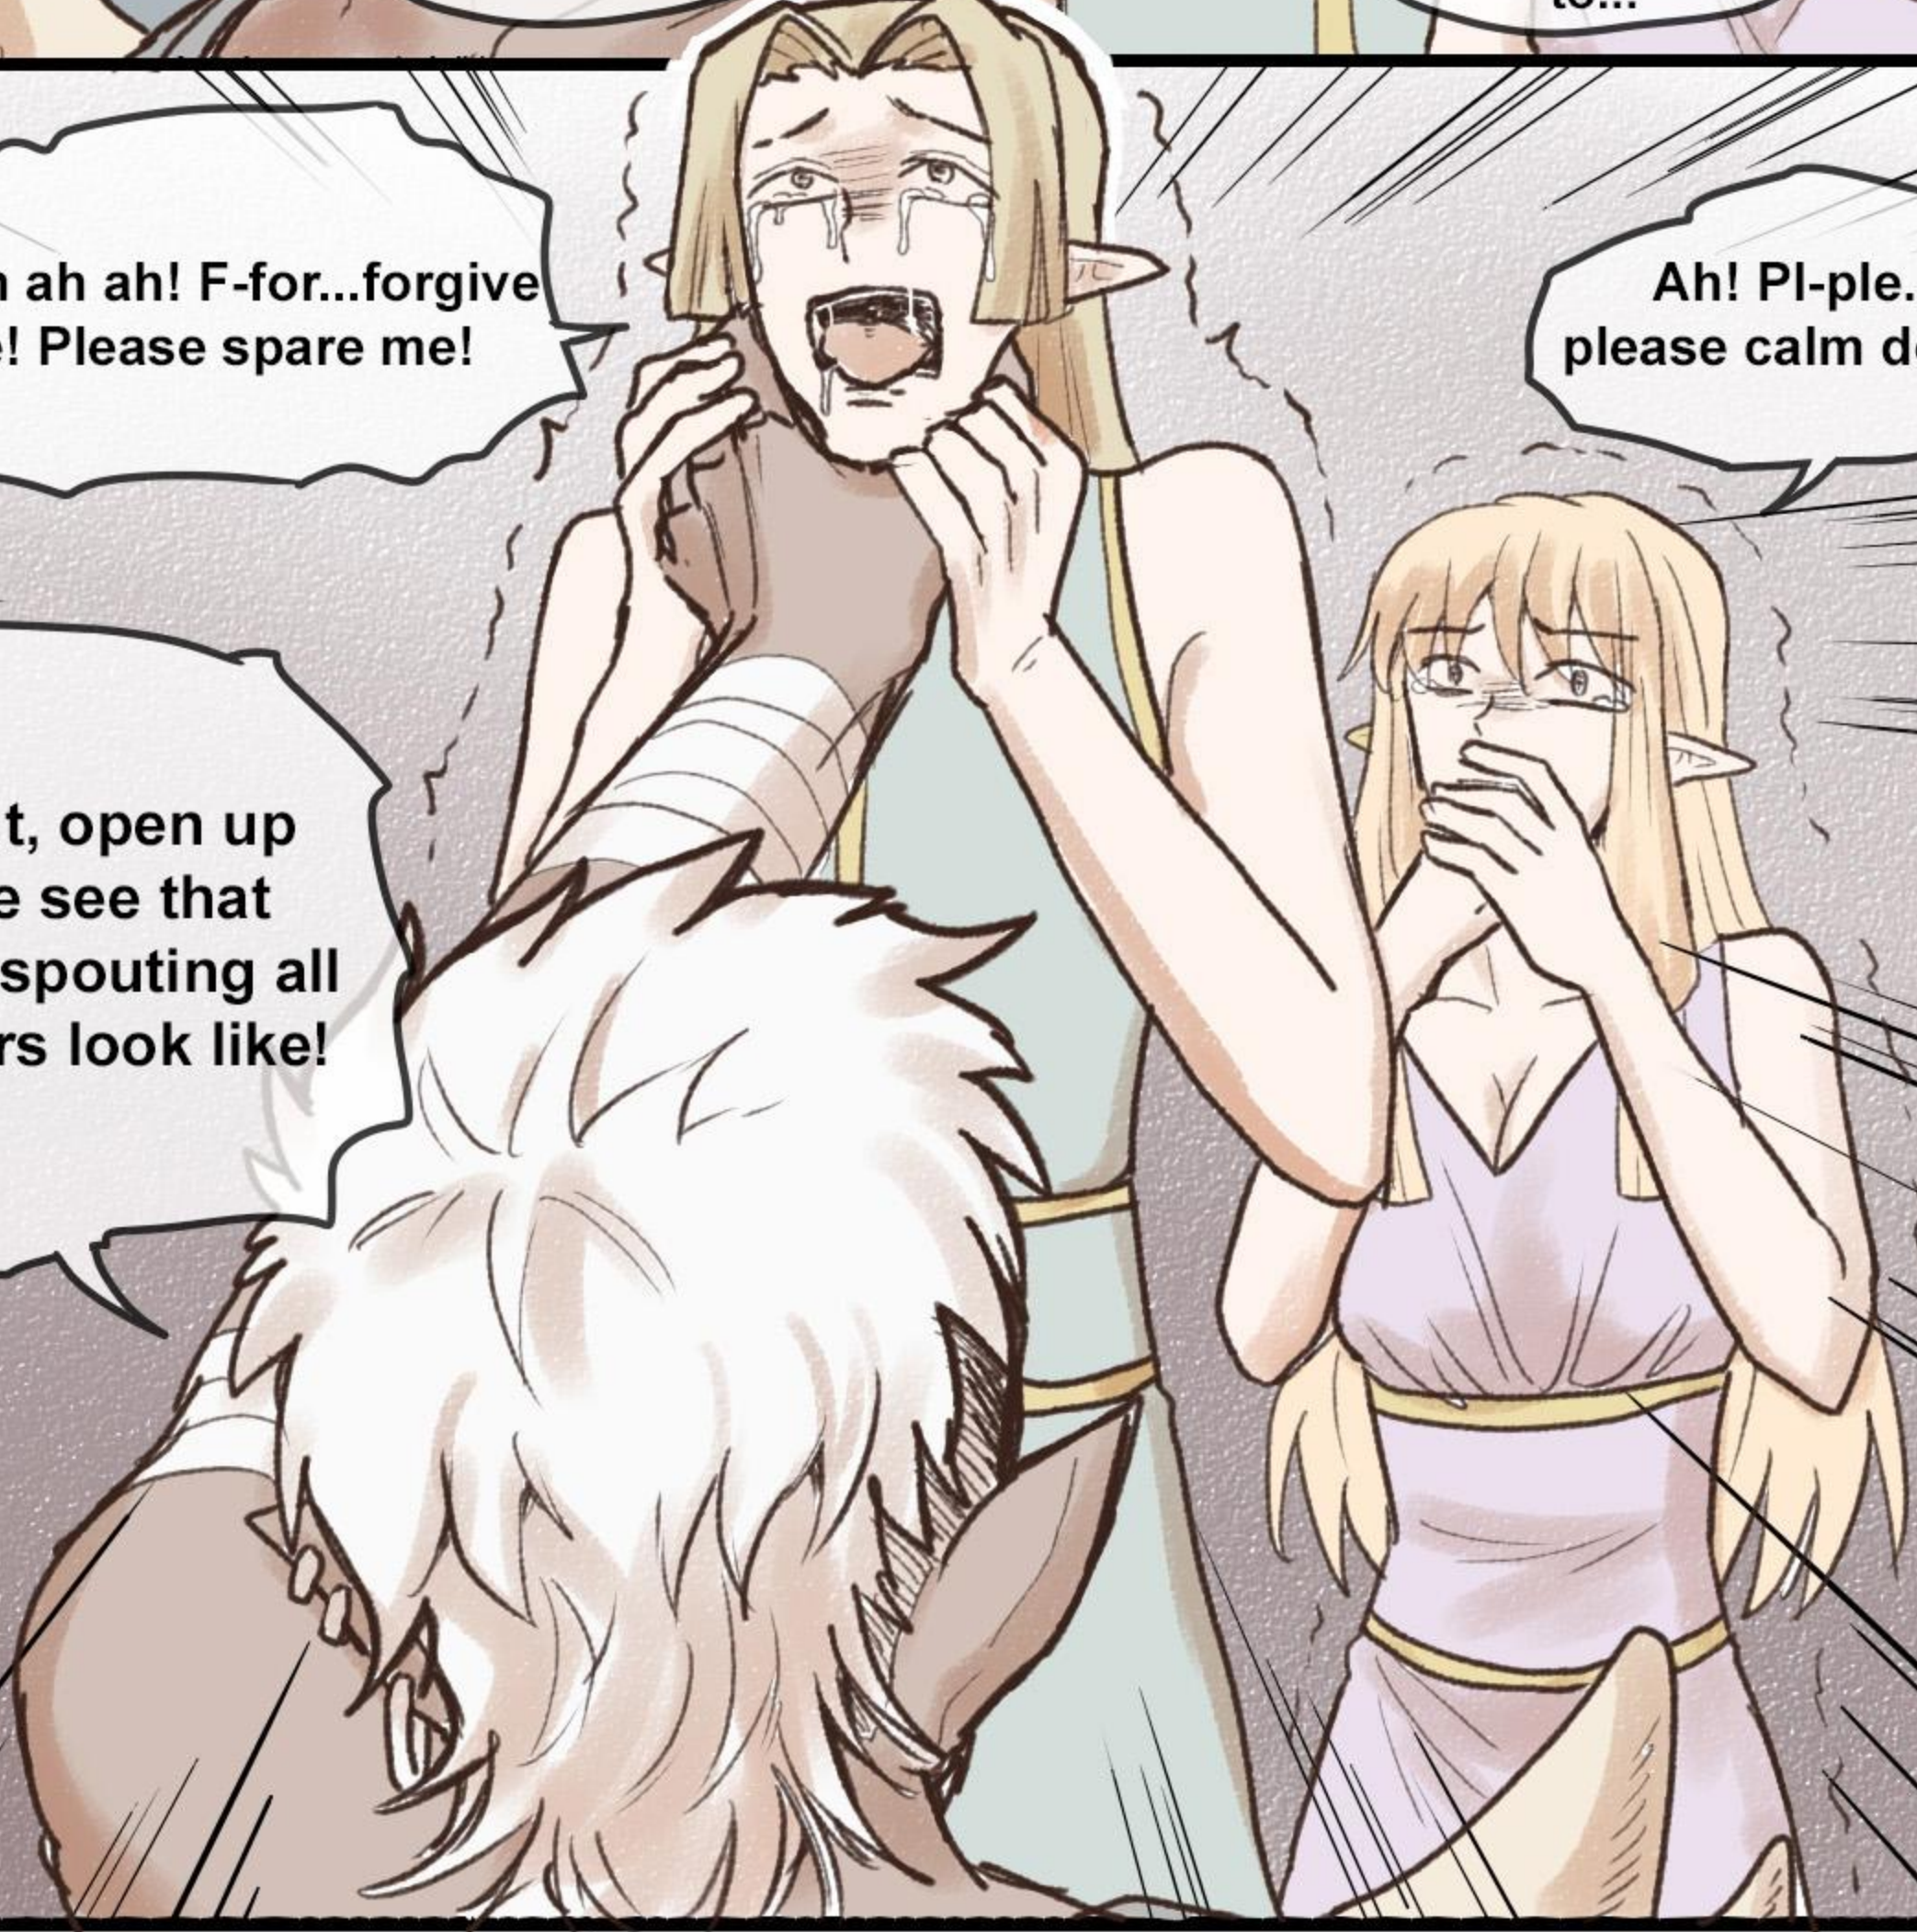

seems to be having fun huh?

F-for...forgive us! We are just going to...going to...

Ah ah ah ah! F-for...forgive me! Please spare me!

Ah! Pl-ple... please calm down!

That's right, open up and let me see that tongue that spouting all those rumors look like!

Let him go! Arnold!
Let him go!

You've
promised not to
hurt my people!

These two have been
babbling about saying that I'm
a lowly mixed-breed. I won't let
them off so easily. So what
now? You want to beg for
mercy on their behalf?

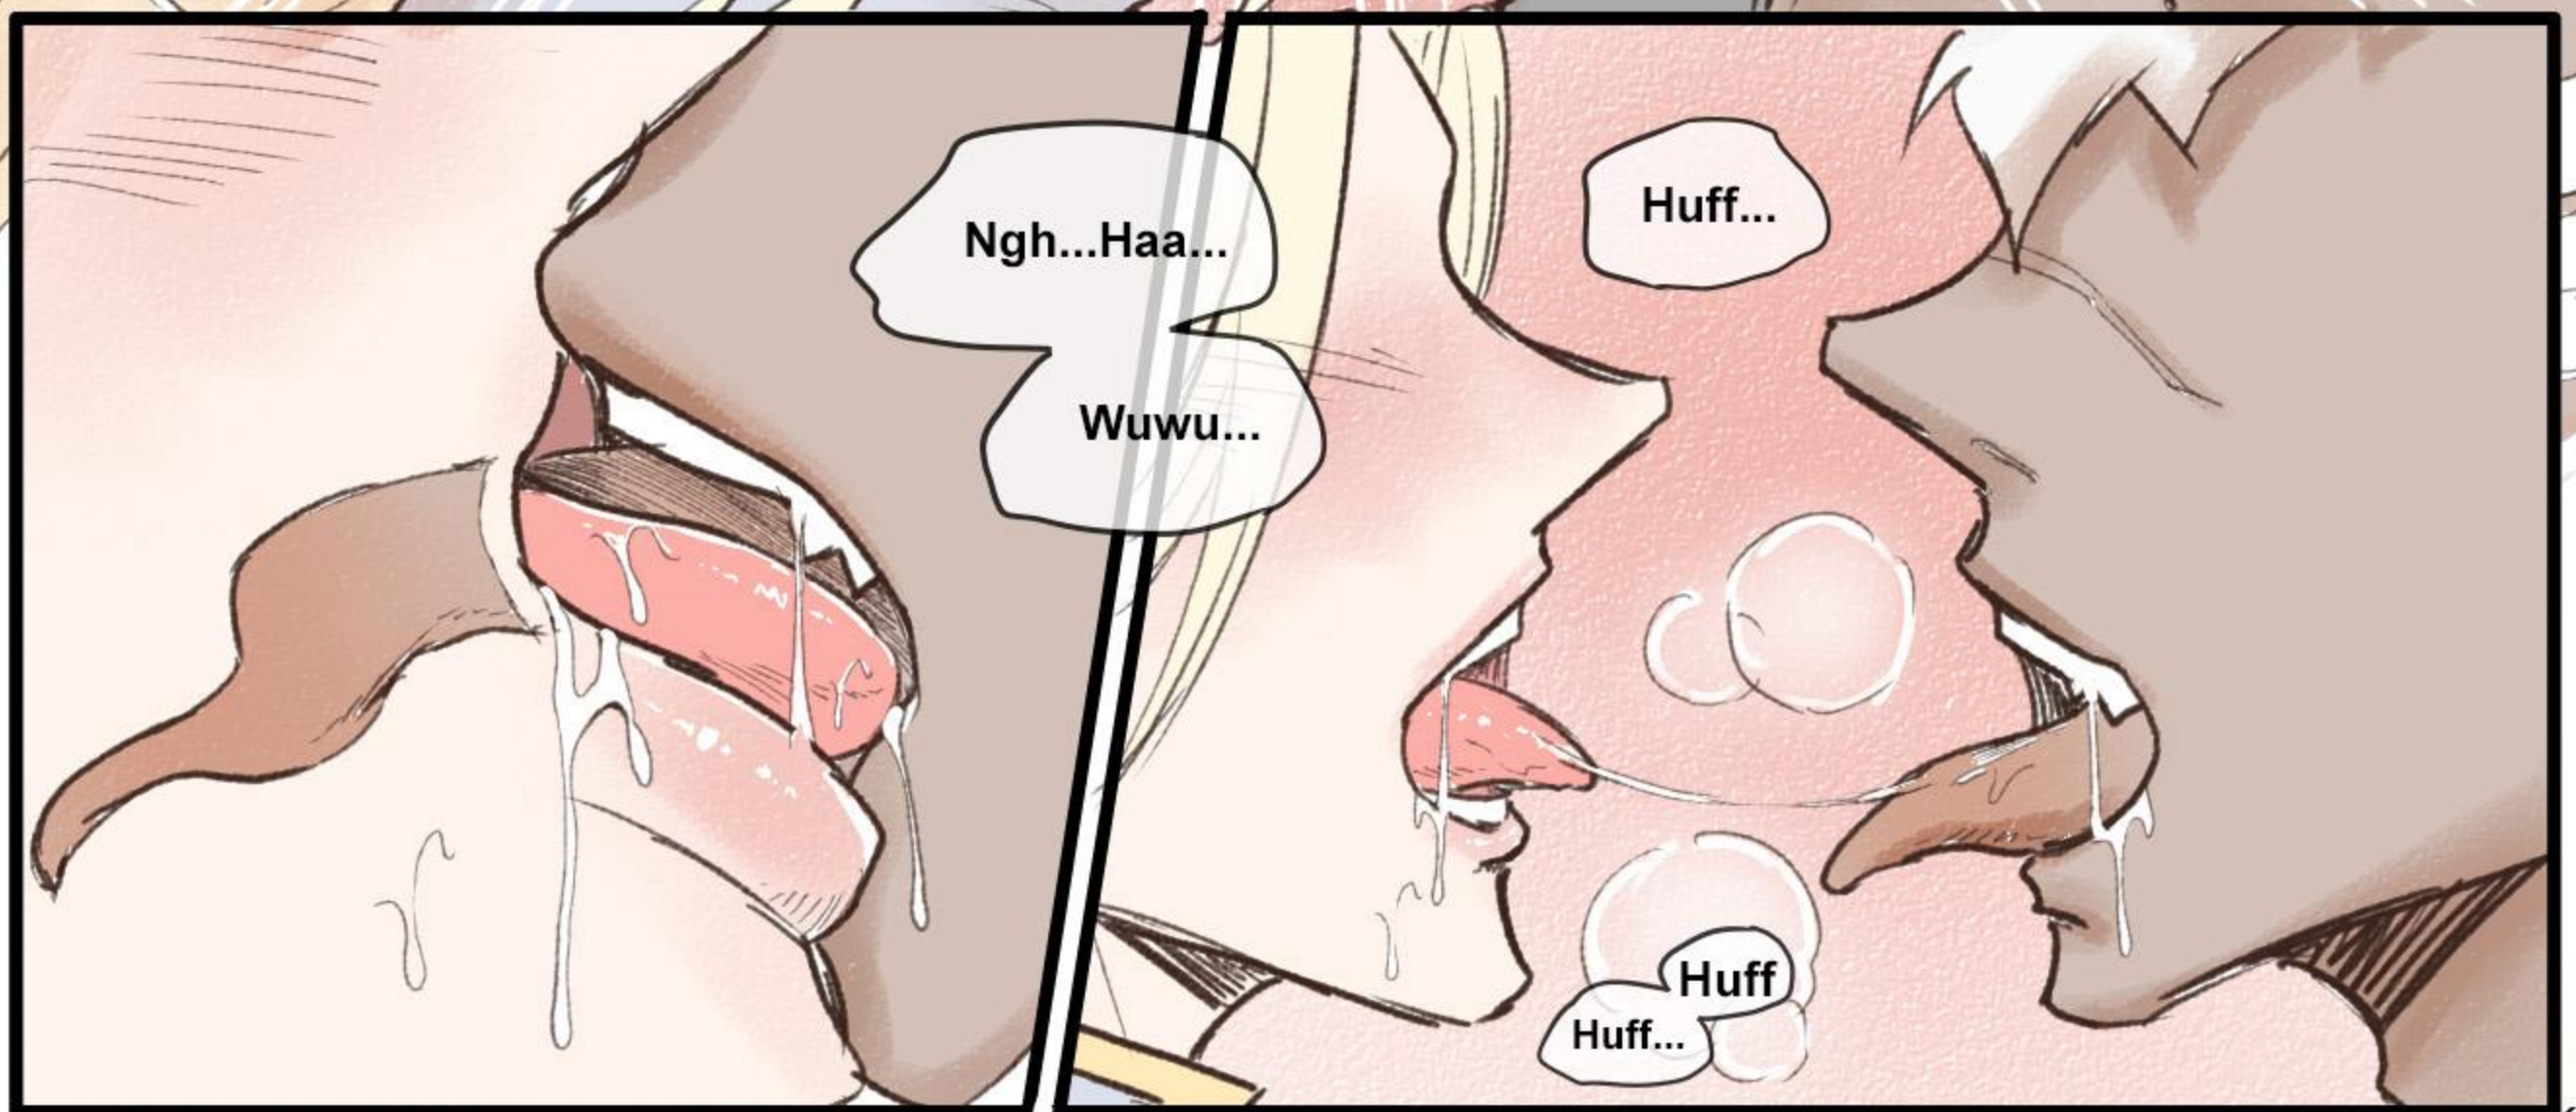

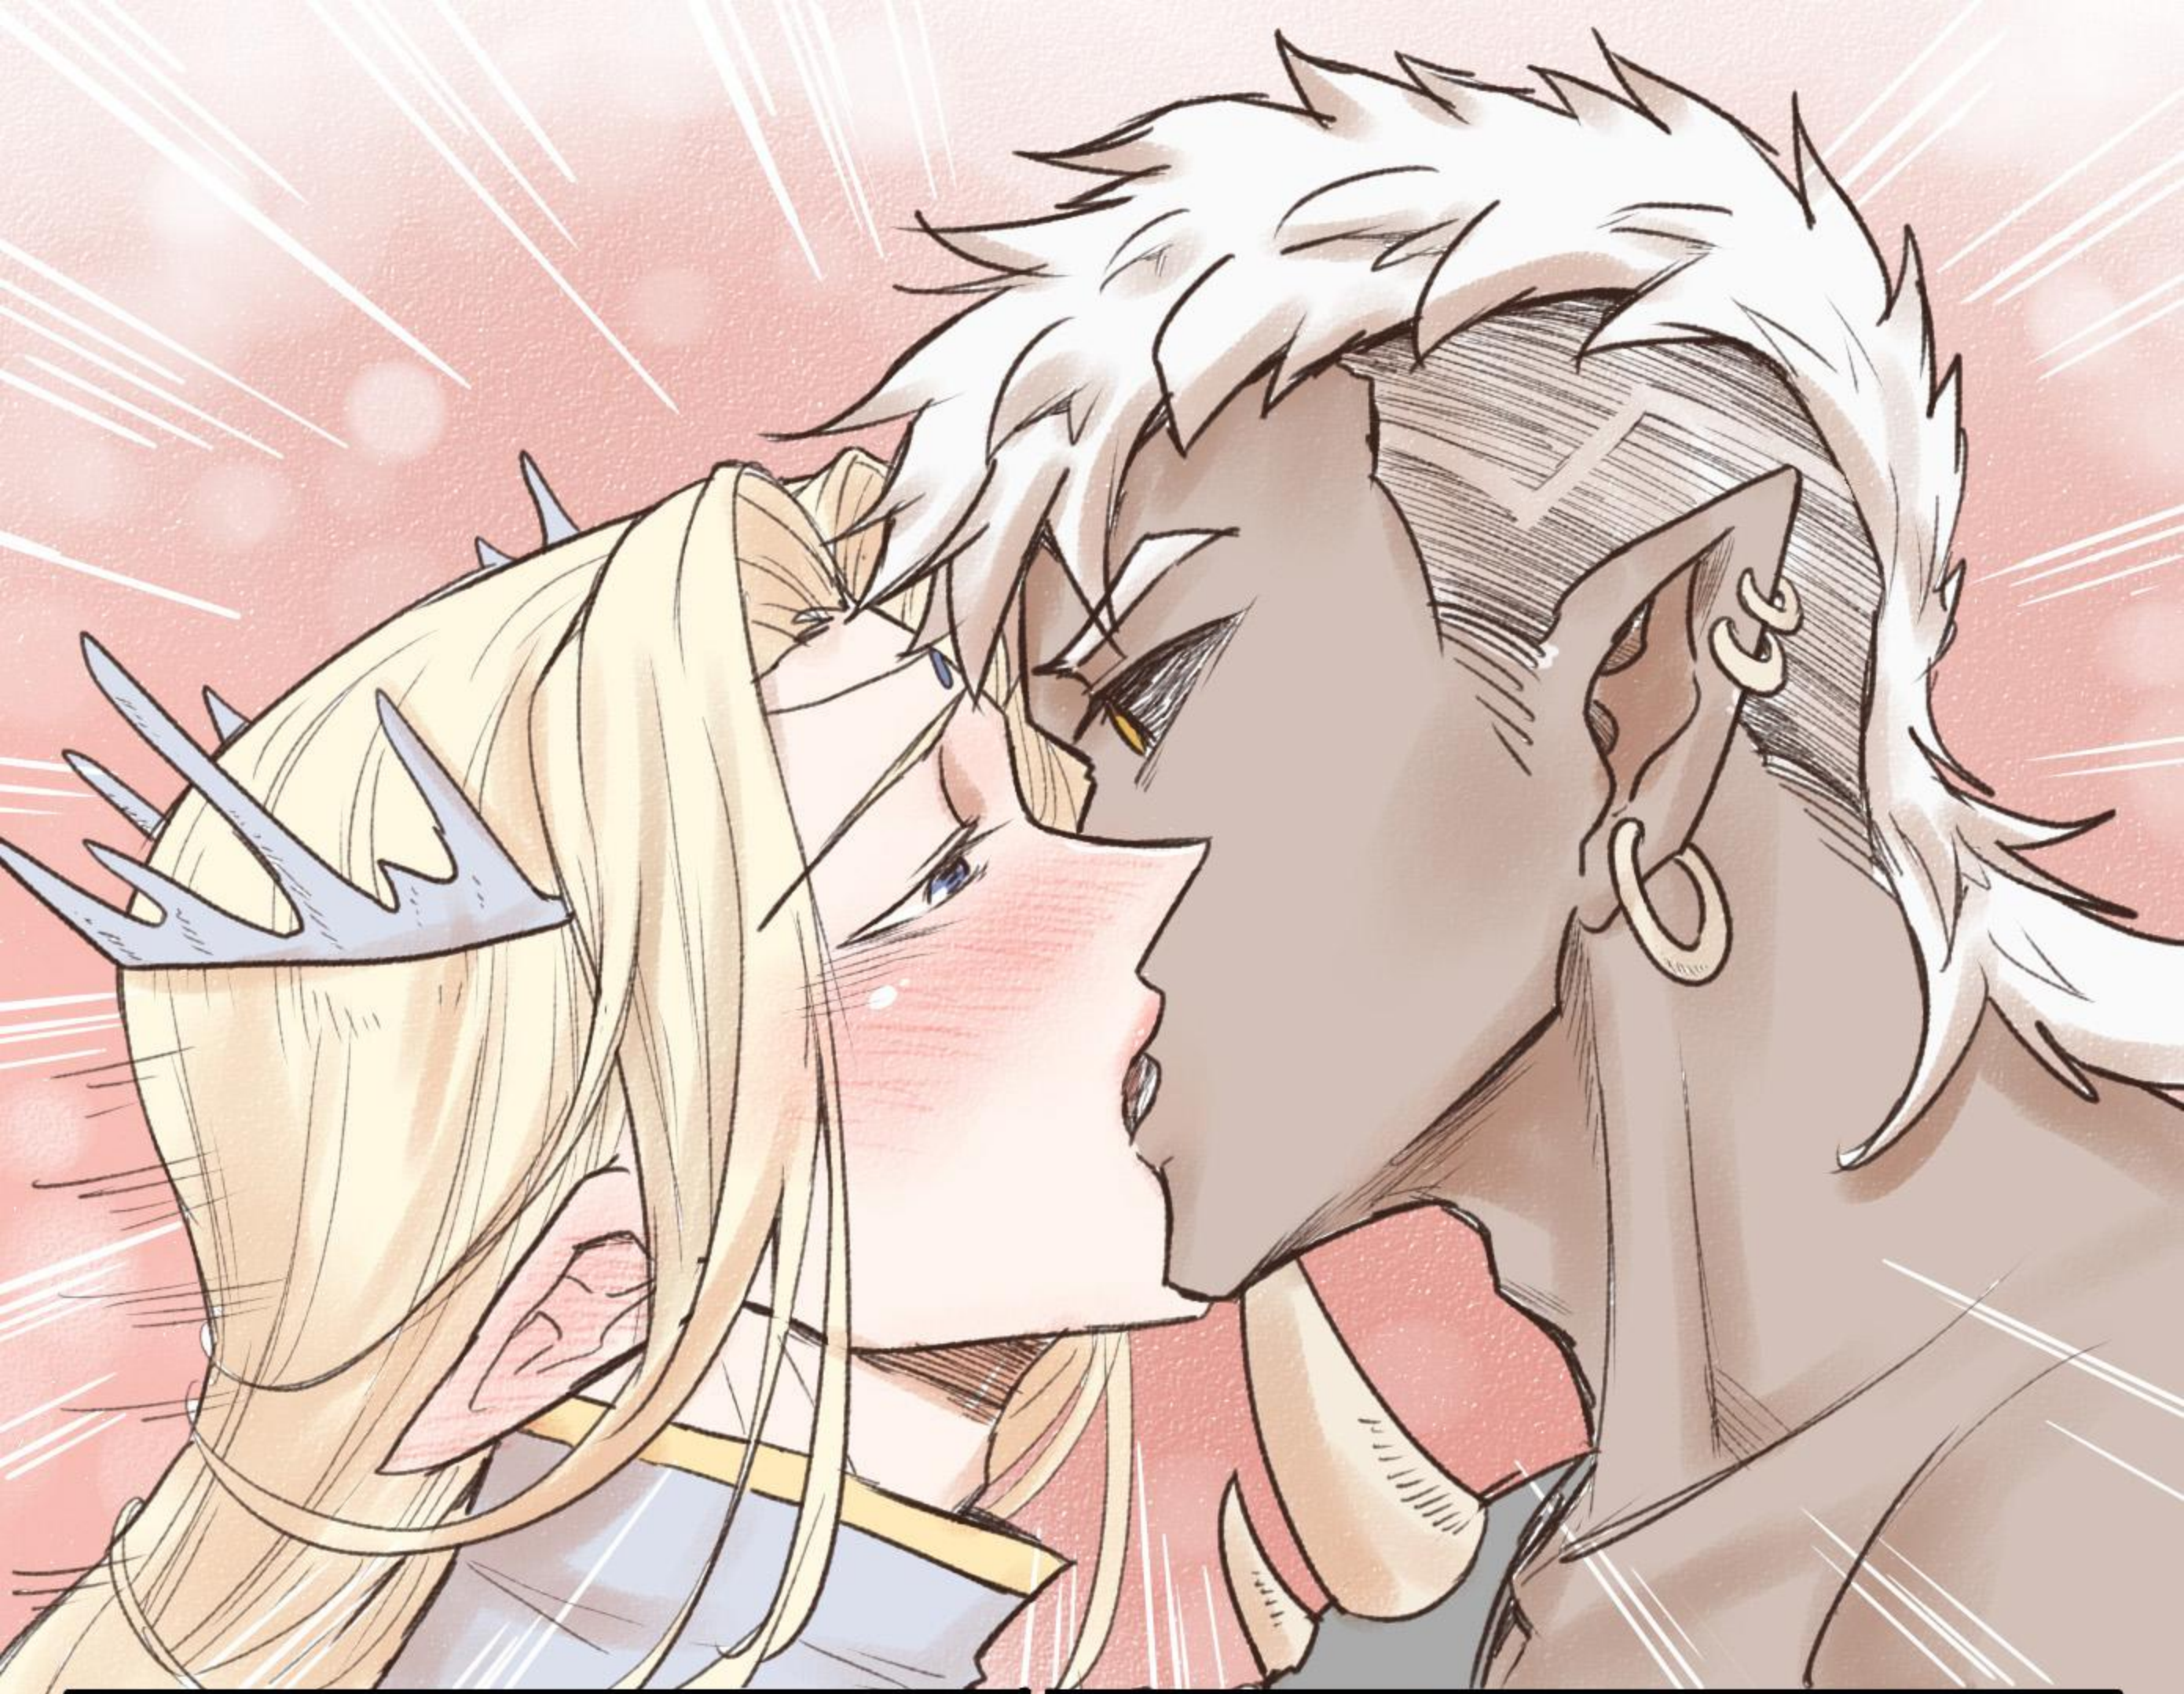

If you want me to let
them go, then you know
what you need to do
right, Theodore?

S...save me...

This bastard
wants to humiliate
me again...damn
it...

I understand.

Let me make this
clear, I won't be easily
persuaded with just a
few nice words...

Ngh...Haa...

Wuwu...

Huff...

Huff
Huff...

Tosses!

You are getting better at seducing me, Theodore. Now let's get back to our room for some 'amorous battle'!

Ah! W-wait...
