Falloutfield 2287 - World	Developing					

## Notice

- The road map is basic plan. The schedule & product can be **canceld, changed, postponed** according to the various reason. (Commission / Personal Schedule / Technical Issue / Mod Research / Etc...)

# Commission & Request Guideline

## 1. Definitize what exactly do you want

### If you know what exactly do you want

- 1) Organize your idea, and collect reference images.
- 2) Send me "DM" or use "Discord suggestion channel".

### If you don't know what exactly do you want

- 1) Send me "DM" and request me the resource list.
- 2) Choose what you want.

## 2. Receive my feedback

- 1) After checking the request, I'll tell you it required commission or not.

### Difference between commission & request

- Commission is decided and has high priority.
- Request is consideration and has low priority then commission.
