

D20 GHOST STORIES

Scroll of Revelation #094

LOCAL LEGEND CLAIMS...

1. **{Life's Work}** The ghost of an aspiring author has been searching for his stolen book in this library for over 30 years.
2. **{The Cloaked Woman}** Those who encounter the cloaked woman in the woods and live never describe seeing the same face.
3. **{The Hills Have Bells}** A ghostly priest wanders those hills, ringing his bell to draw worshippers to his cursed sermons.

4. **{The Devil's Fiddle}** If you hear an out-of-tune fiddle playing in the marsh, do not dance unless you wish to lose your soul.
5. **{Murder in the Woods}** It's believed every new ghost seen wandering the woods is yet another victim of the same serial killer.
6. **{Outcast}** Often all that's needed to calm the orc child's spirit is a bed time story. Just be sure to not mention his odd tusk.
7. **{Still Lost}** If you bring a map into those mountains, it will be pried from your cold, dead hands by a ghostly explorer.
8. **{Charge}** It isn't known why the knight's spirit takes such joy in trampling the living under their horse's hooves.
9. **{Scroll Shrines}** Do not disturb the stacks of scrolls littering the forest floor, for they were left to appease the mage's ghost.
10. **{Last Dance}** If you go to the amphitheater during a new moon, you just might see the headless tiefling dance across its stage.
11. **{Miserable Spirit}** The goblin's ghost will beg you to put it out of it's misery. Don't. It will only attract its bugbear master.

12. **{Blinded in Death}** Hundreds of stolen eyes are stuffed in its empty socket, but still this ghostly cyclops cannot see.
13. **{No Memory}** It would be easy enough to help the old man find peace, if only he could remember what he's looking for.
14. **{Left Alone}** The town gave up the search for the baker's daughter after the 3rd hunter's shriveled husk was discovered.
15. **{Wailing Canyon}** It isn't known if the shrieks that echo through the canyon belong to one lost soul or several dozen.
16. **{Hungry Dog}** If you feed the ghostly hound it will never leave your side, but this loyalty will quickly prove a curse.
17. **{Angry Hunter}** His spirit roams the forest on an endless hunt for the miserable soul stole his loyal hound dog.
18. **{Manic}** Even at her death bed, nobody believed her crazed ramblings. It seems she will not rest until she's proven right.
19. **{Closing Sale}** They say the shopkeeper's ghost still roams the isles trying to sell that last of his useless and broken goods.
20. **{Lone Wolf}** It had always been the druid's intention to die in her wolf form. An orc ambush ensured that never happened.
