

Hey, guys. You can call me Jake. I'm just an ordinary high school student...

I have a question for you, who is the first one that makes you aroused?

click

Is she the cute classmate, gentle and soft neighbor sister or glamorous idol on the stage?

A woman with her hair in a bun, wearing a red dress and a white fur jacket, stands in a modern interior. She is posing with one leg raised. The background features a staircase and a large window with a grid pattern.

I'm home!

In my case, the woman who aroused me is my aunt!

She is not an old and ugly aunt. My aunt is young, pretty and aloof.

She is from a wealthy family so she is very posh. Men can't take their eyes off her!

A woman with her hair in a high bun, wearing a white fur jacket and a red dress, is sitting on a grey couch. She is holding a pink smartphone and looking at it. The background features a wall with several framed pictures and a colorful patterned pillow on the couch.

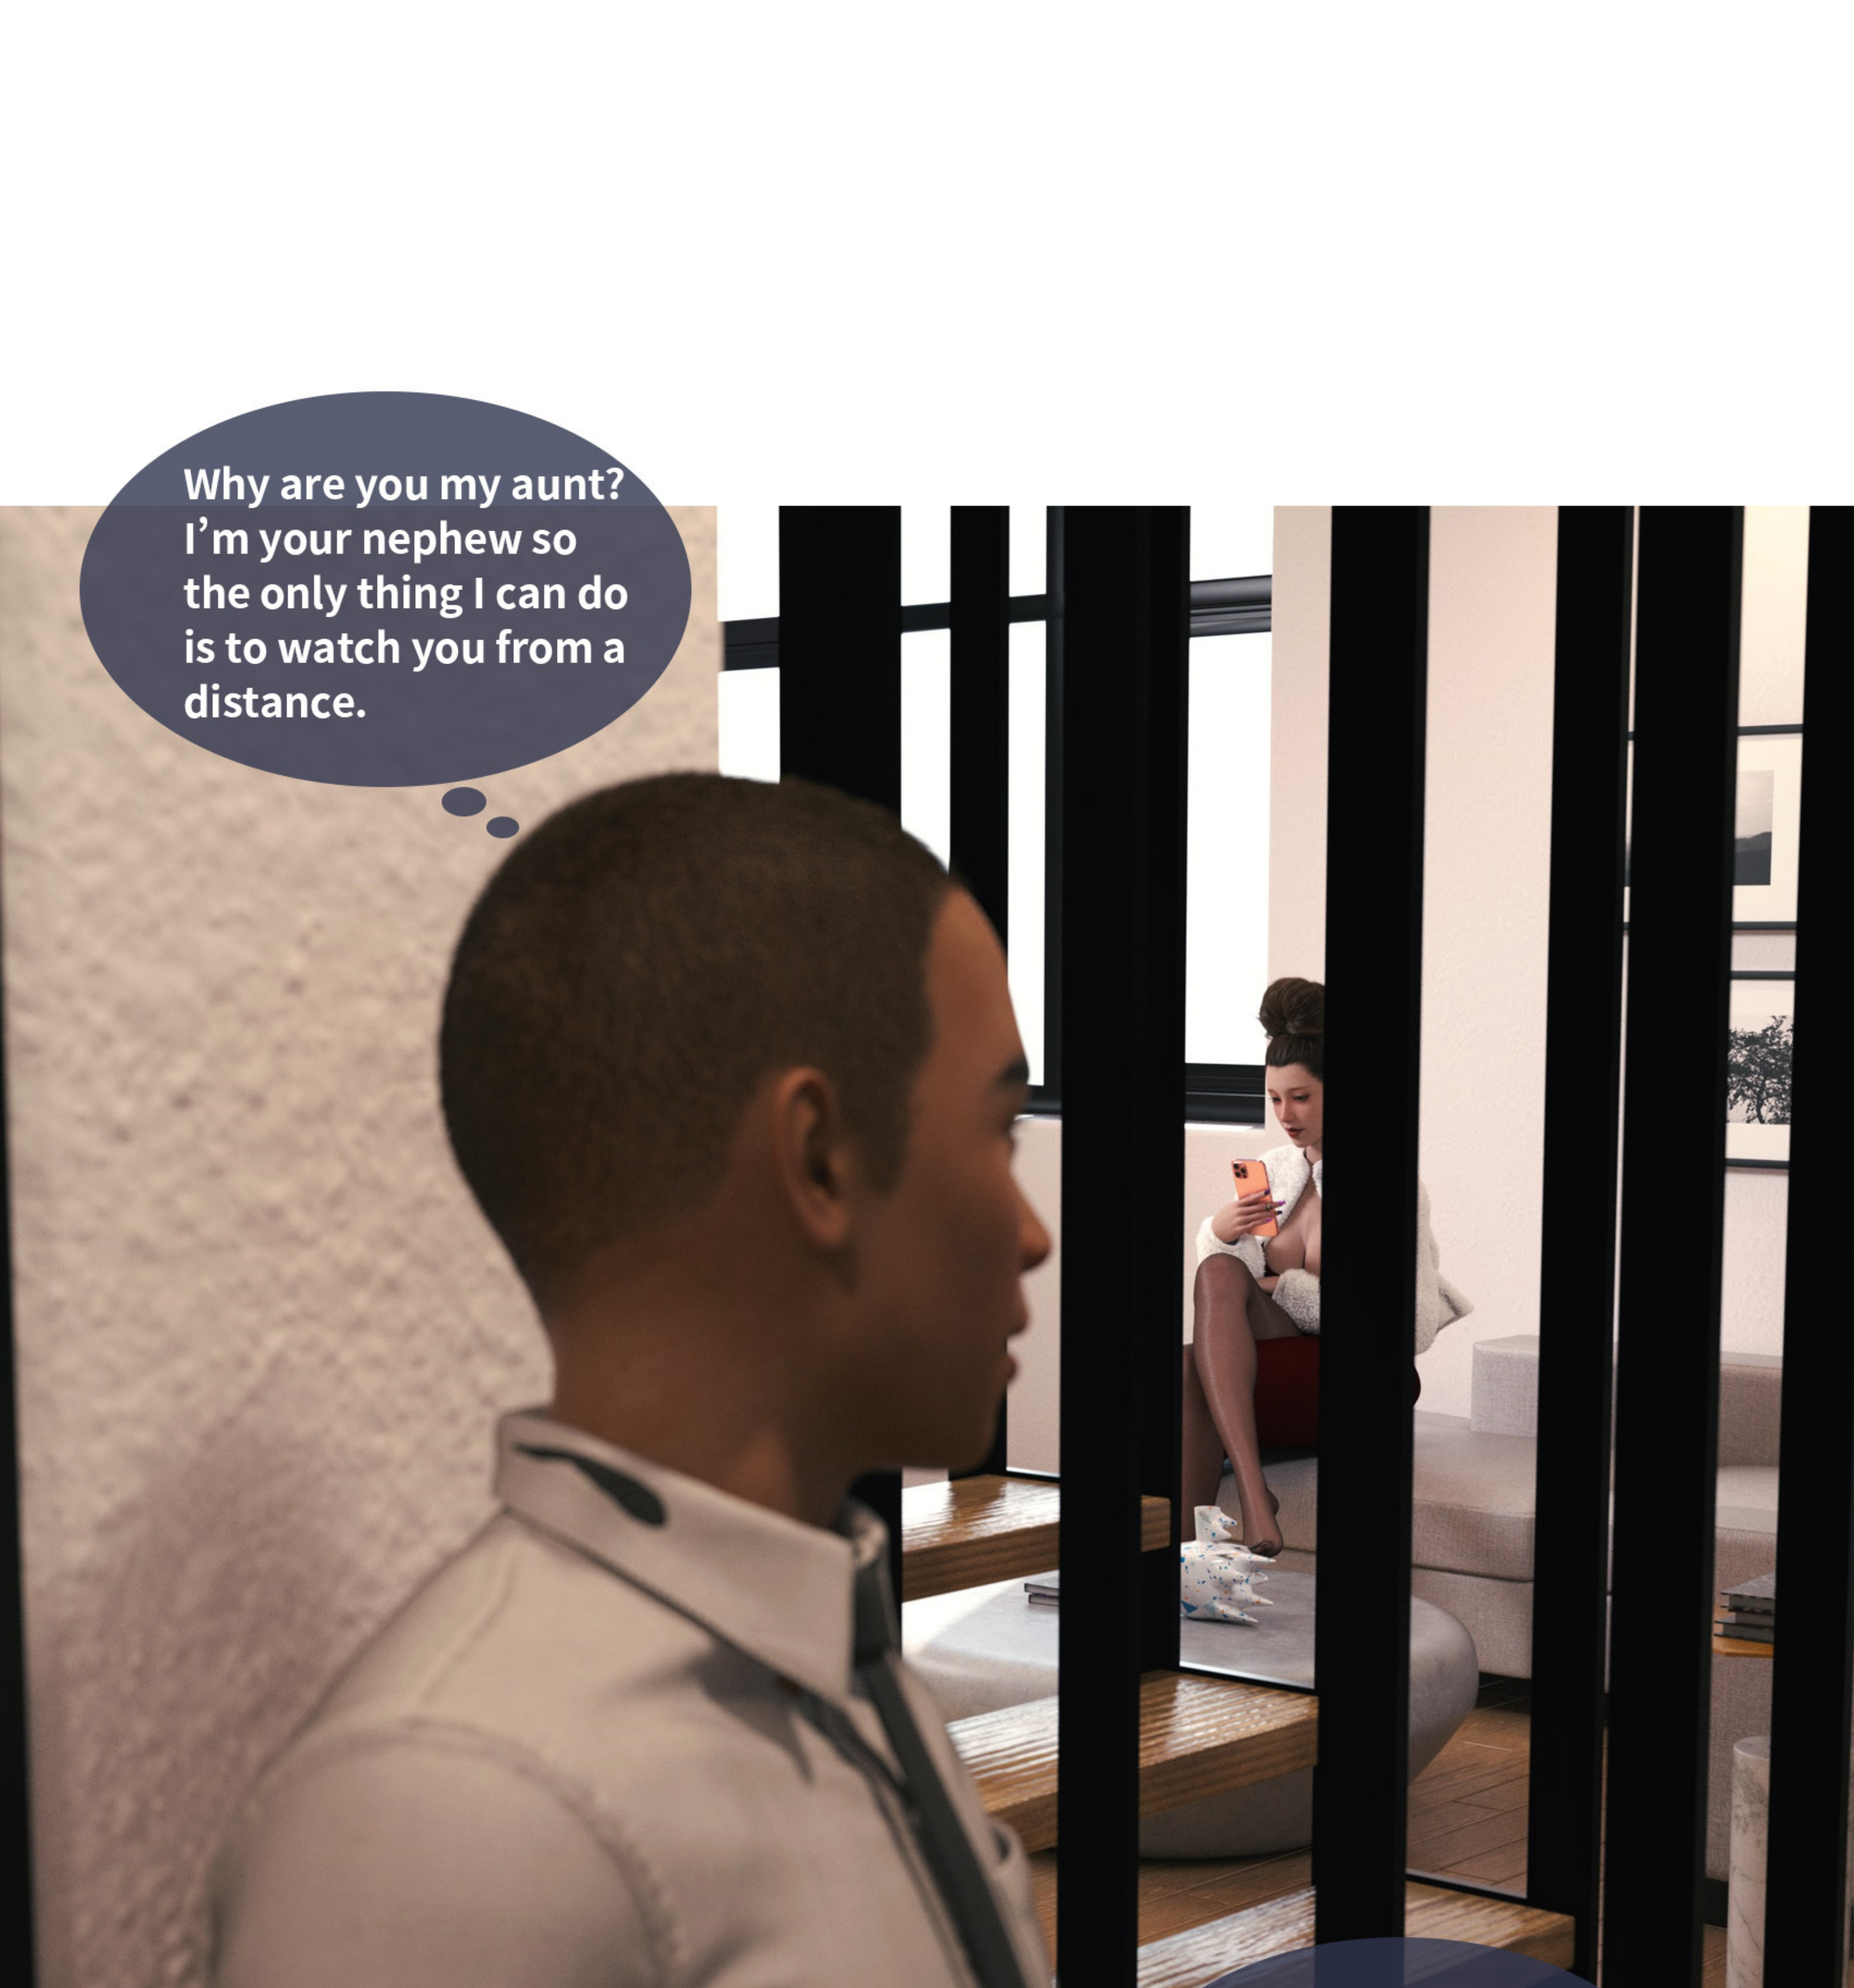

Because of her well-off family, she doesn't have to work her ass off.

She takes up an easy job in the family gallery. She always dresses very gorgeous.

Maybe it's because she goes to the hair salon everyday, she keeps her figure very well and she doesn't have any fat or wrinkles.

Oh, my aunt! Why are you so beautiful and tempting?

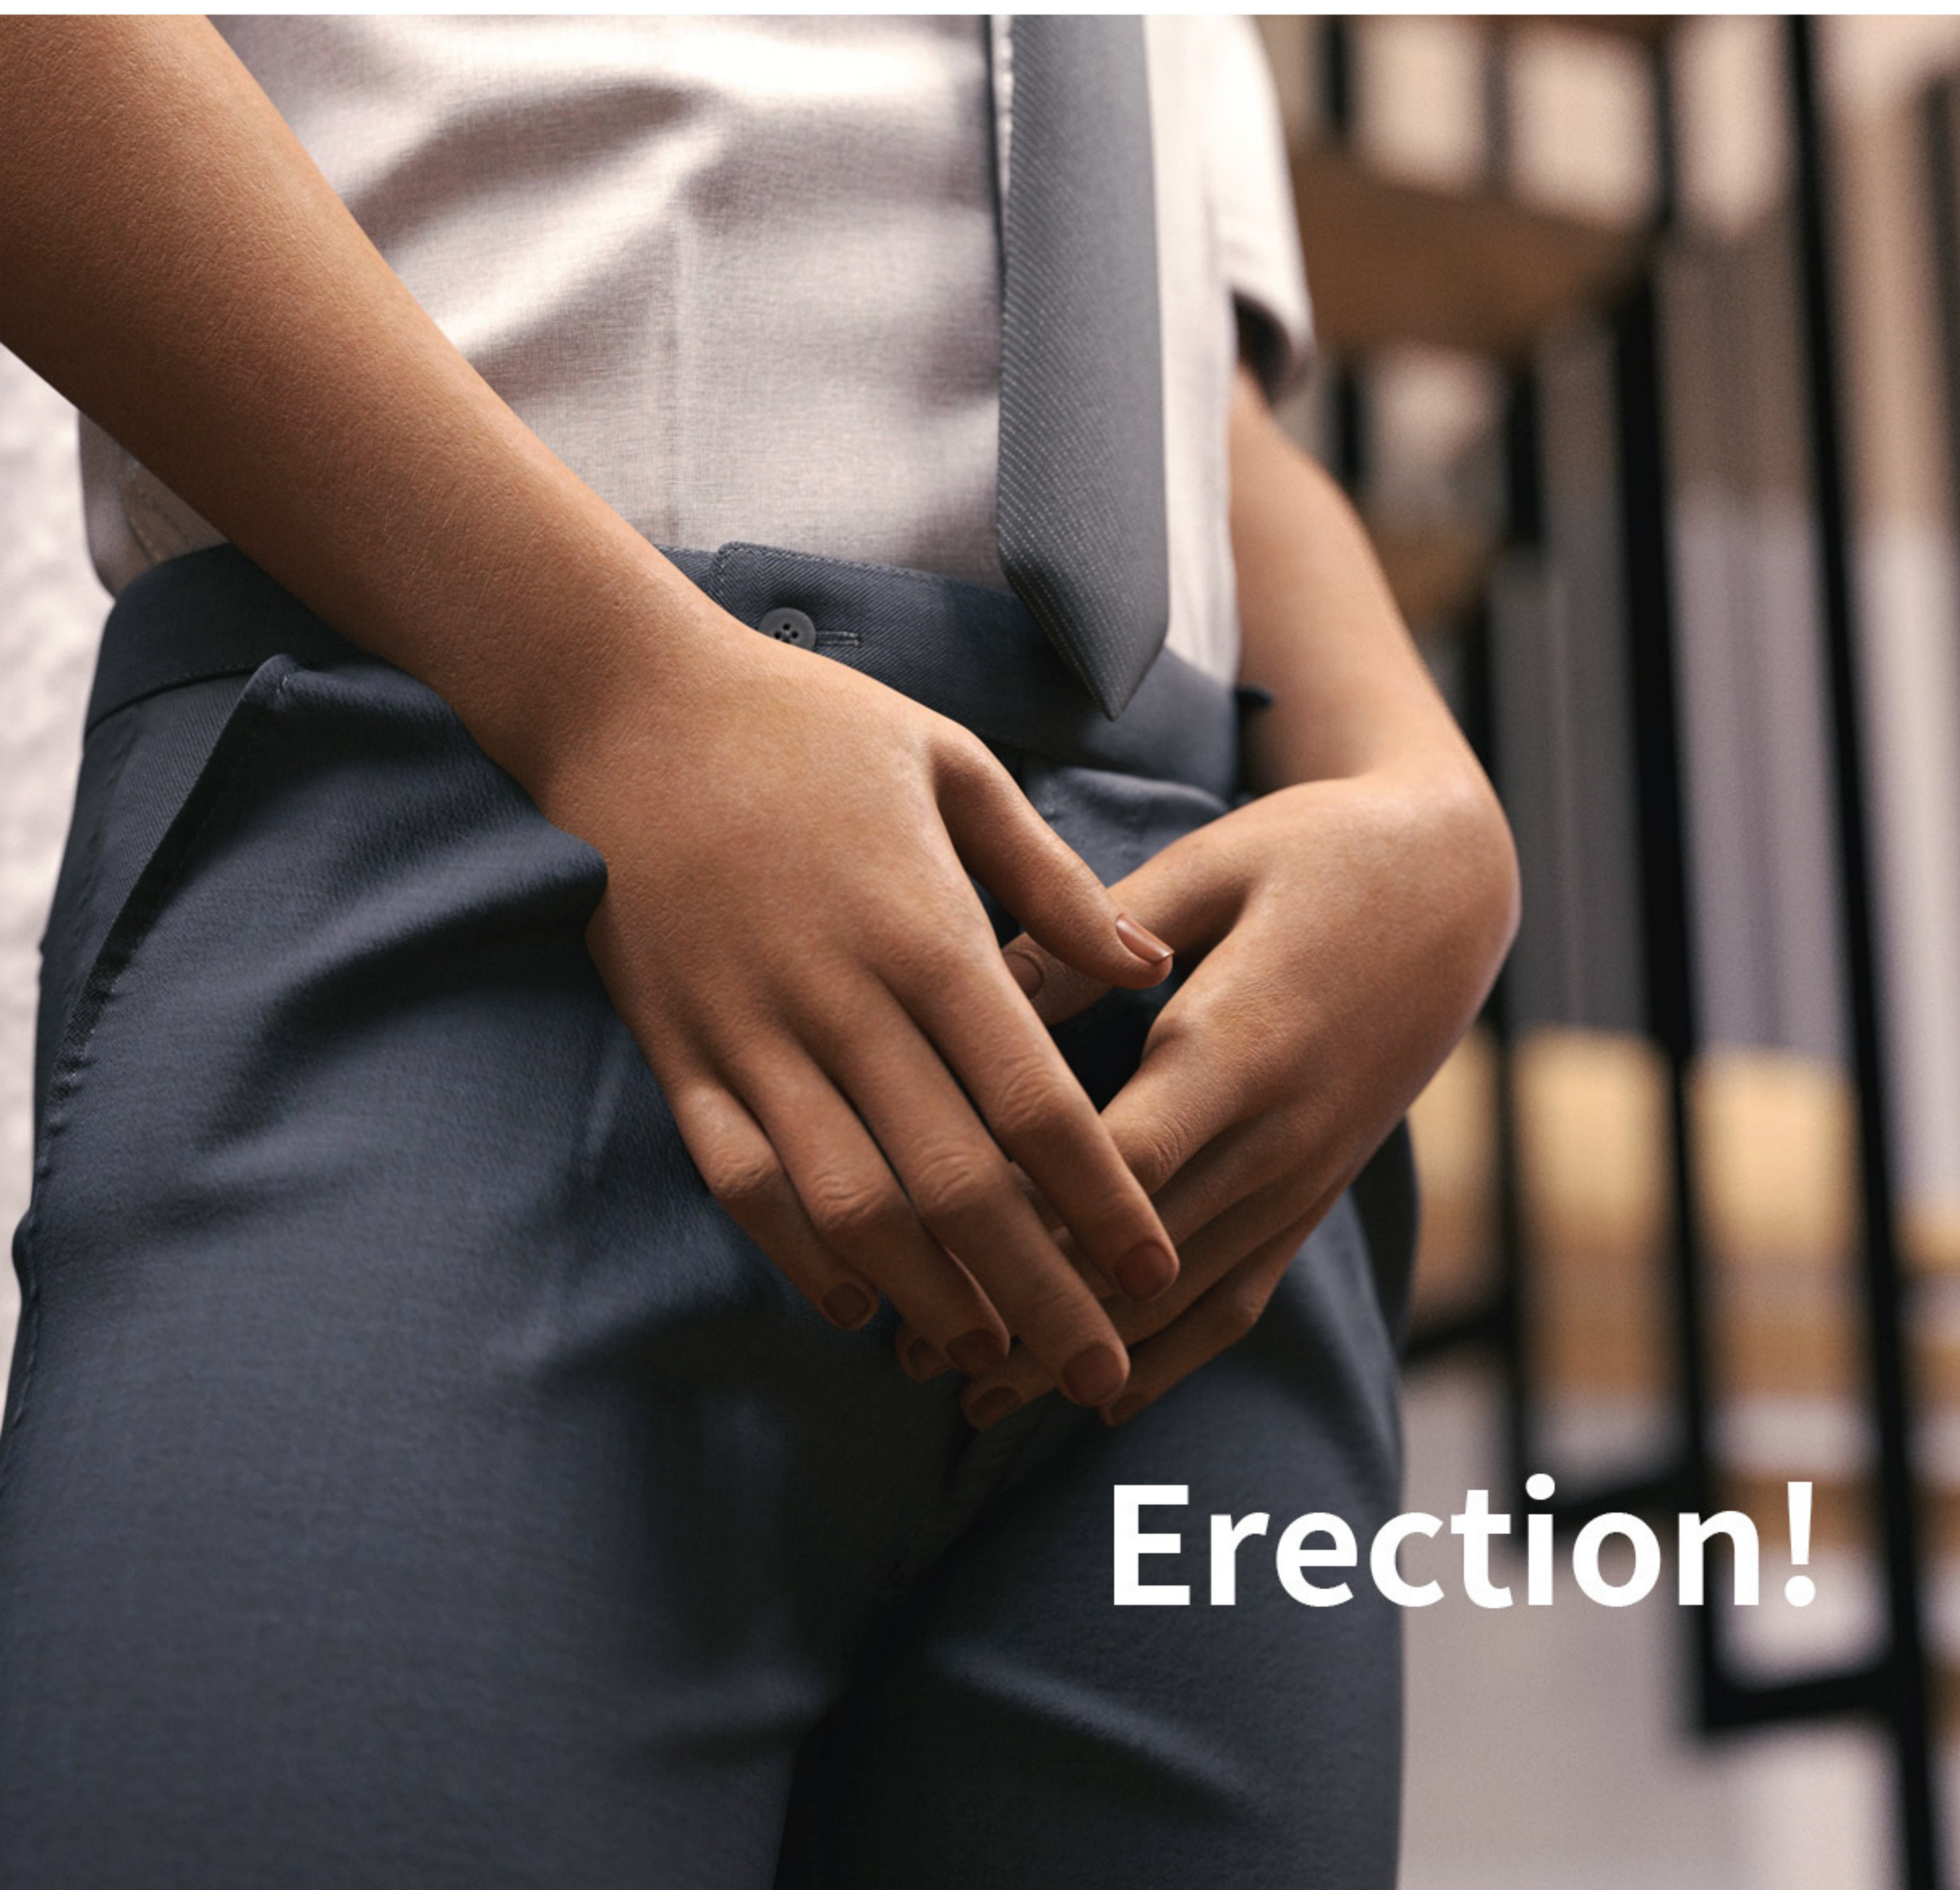

Why are you my aunt?
I'm your nephew so
the only thing I can do
is to watch you from a
distance.

I'm so glad that I live
with you but everyday
I'm tortured by your
sexy body!

Especially your posh
and sexy look. It really
shows your mature
charisma, feminine
charm and sex appeal!

Your long and slim legs
make me want to get my
hand on them. You're
killing me, aunt!

Erection!

**Pssh...Just being
with my gorgeous
aunt in the same
room, my cock gets
rock hard!**

Since when do I have the twisted and sick affection toward my aunt?

Maybe it goes back to
the first time I met my
aunt.

**My dad and mom
wanted me to have a
better education so I went
to study abroad and stay in
my uncle's home.**

**That was the first
time I met my aunt
who is described as
very condescending
by my relatives.**

Hello...Hello aunt.
I'm Jake. Thank
you for letting me
live with you.

A woman with her hair in a bun, wearing a white dress and a white fur jacket, stands in a room with large windows. She is holding a pink smartphone. A man in a grey shirt is seen from the back, looking at her. The room has a modern aesthetic with framed pictures on the wall.

**Don't call me aunt.
We're not that close?
Yes, I married your
uncle. But I'm not going
to raise a kid for him.**

**Anyway, if you have
any problem, go find
your uncle and leave
me alone. Do you
understand?**

And although we live together, you can't enter my room and touch my things!

If I have guests, you go back to your room and get out of my sight. That's all!

A woman is shown from the waist down, wearing a white fur coat, a white skirt, and high-heeled shoes. She is standing in a modern interior with a wooden floor, a white sofa, and a lamp. The background is slightly blurred, showing a window and some plants.

My aunt is very cold to a fresh off the boat overseas student. She doesn't want anything to do with me.

I should be mad or sad. But somehow there was a strange feeling growing in my heart.

Is it because of her
breathtaking face,
straightforward
personality or her cold
eyes when she left?

No matter what, all
I know is that my
aunt's appearance
already got me!

Um...pssh...pssh...

Anut? Anut?

She didn't wake up. I guess she really fell asleep. That's great. He he...

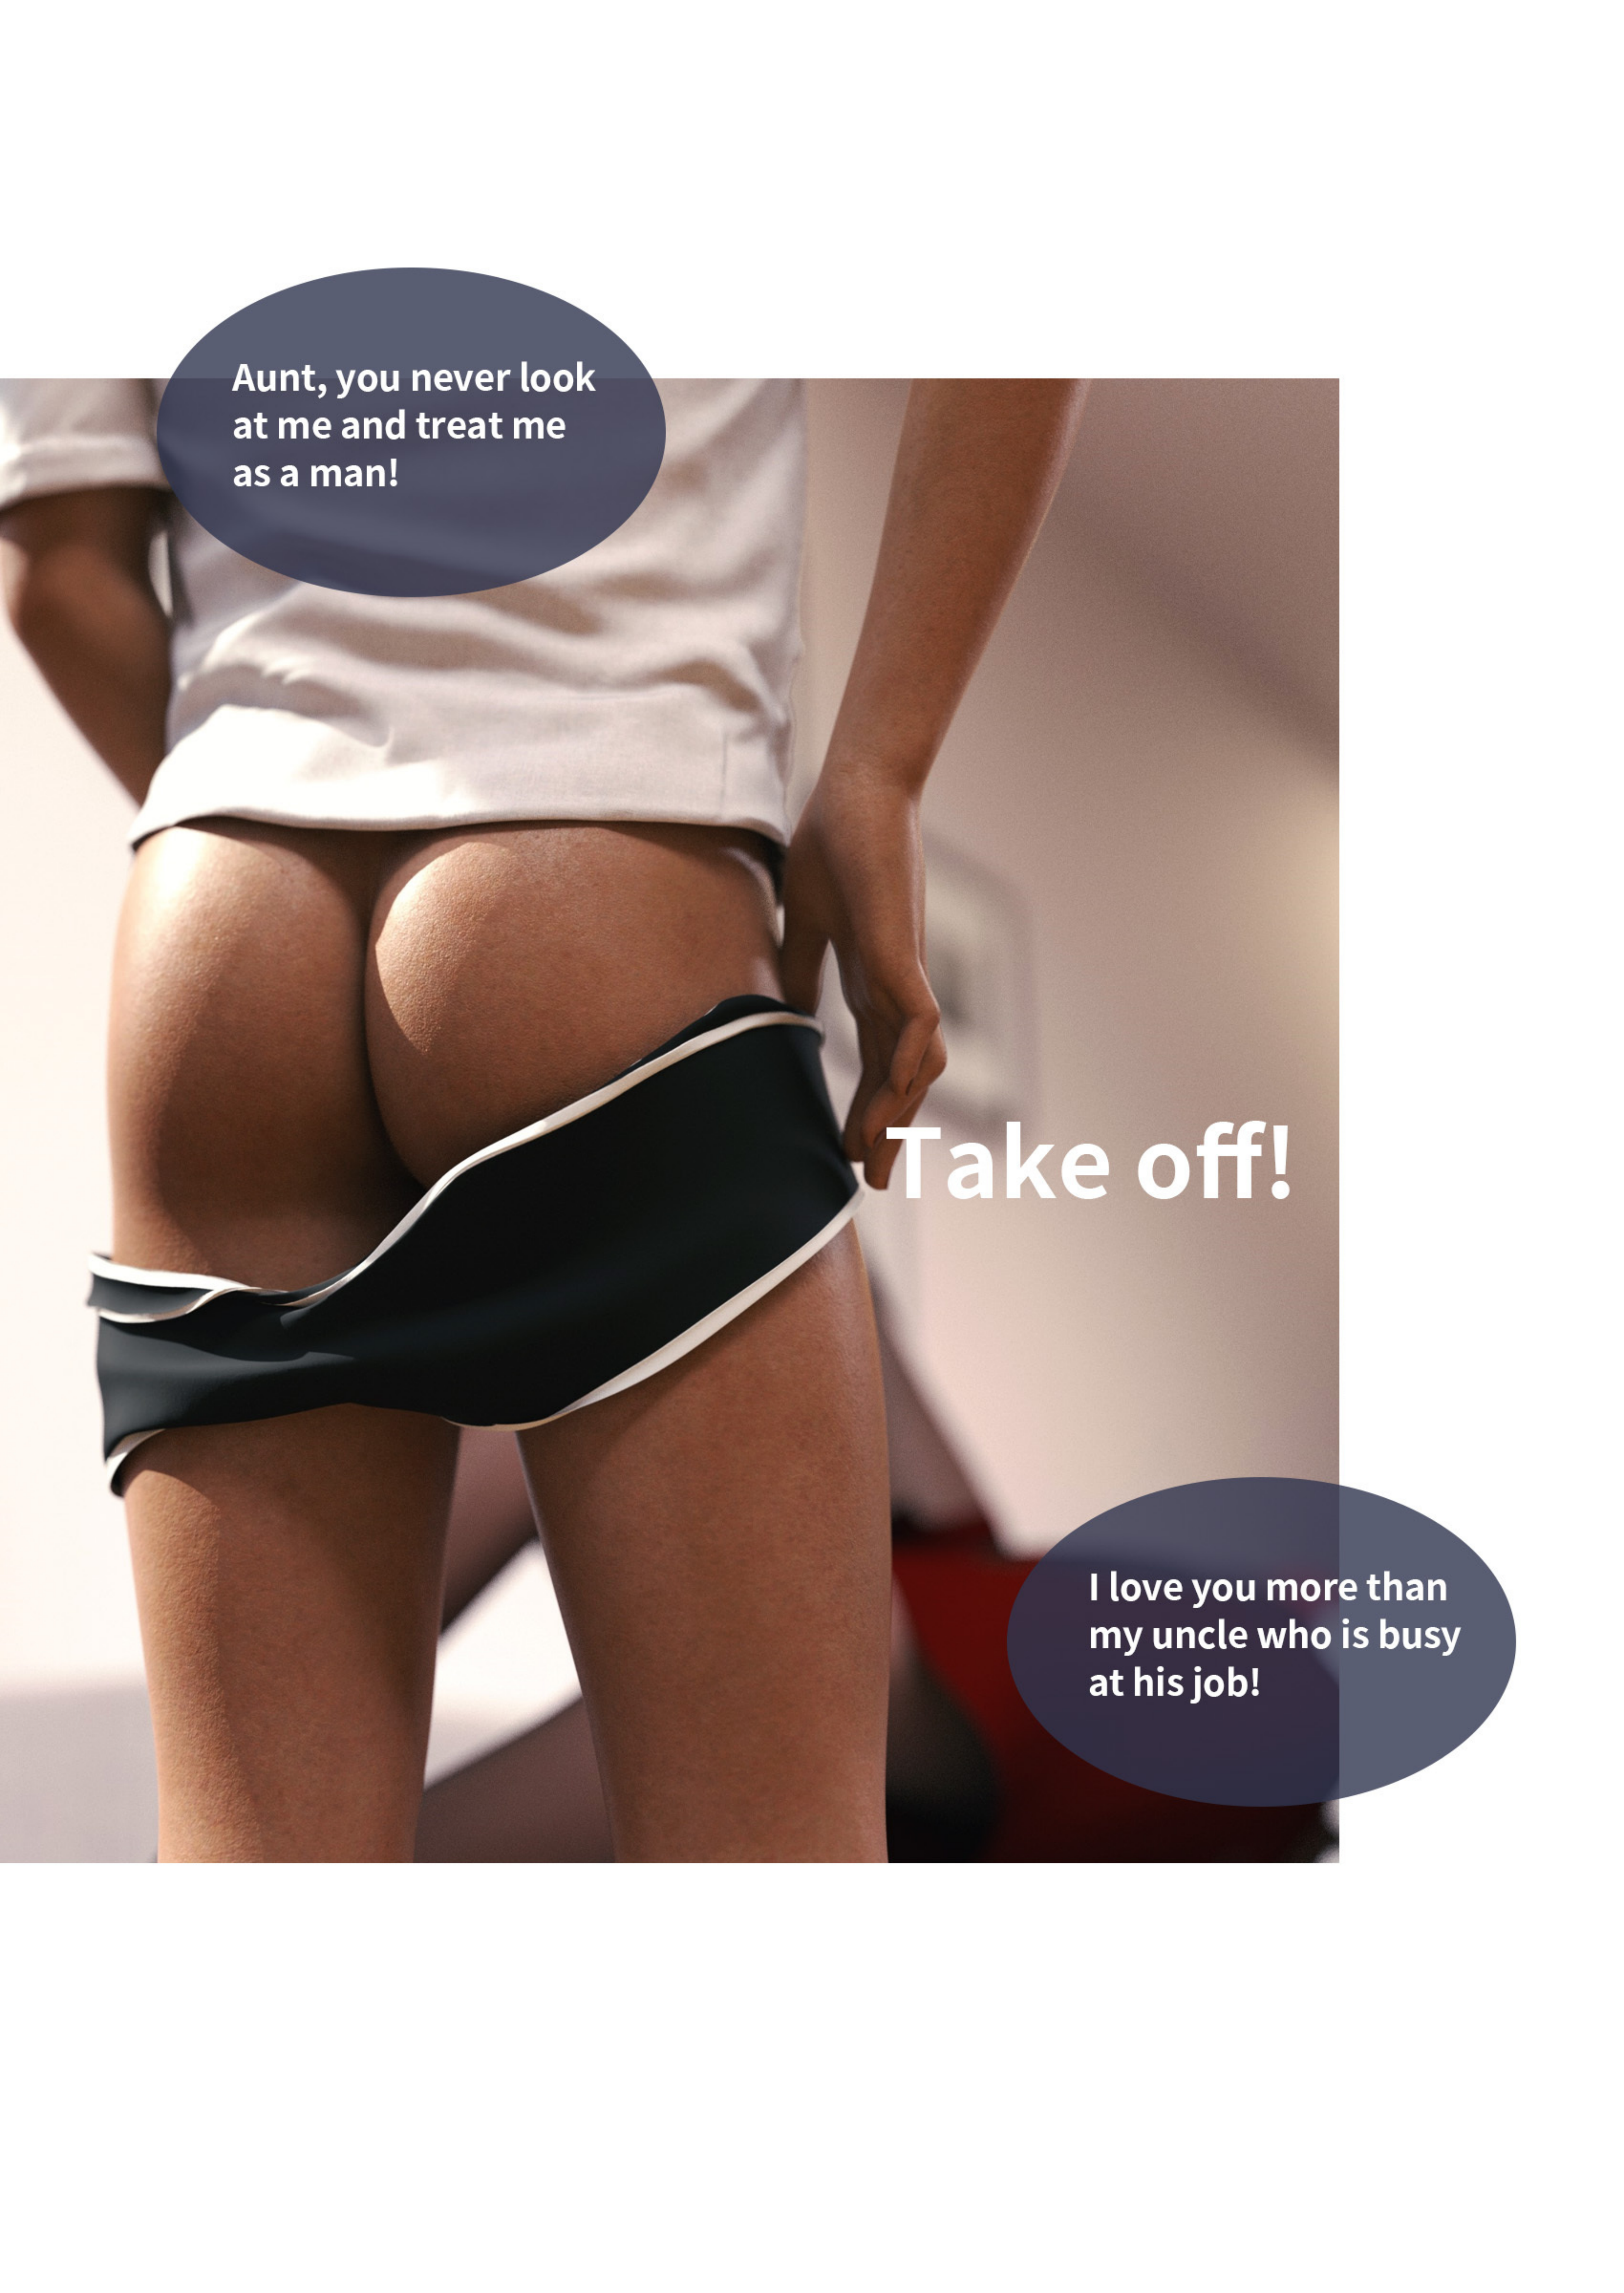

Ha ah! Although her normal
condescending and proud
look is very captivating, her
defenseless sleeping look is
so different!

Watching her private
side makes me even
more excited!

Aunt, do you know?
Watching you dress so
lovely, I'm so
overjoyed and jealous!

I'm happy to watch
your stacked figure and I
fantasize about having
you and keeping you
from other men.

Aunt, you never look
at me and treat me
as a man!

Take off!

I love you more than
my uncle who is busy
at his job!

Look. It's all your fault. I have a hard-on. It's all because you're so enchanting and hot.

Every night I fap and think about you!

Your long stocking
wearing legs. I can't get
enough of them. I really
hope that one day I can
play your beautiful legs!

Psst...Your pose.
I can see my aunt's
private parts, that
sexy gap in black
stocking!

Ah ah! The thought I fantasize about my aunt when she's sleeping in front of me, it makes my cock even harder!

If my aunt suddenly wakes up and sees my erected dick, would she be surprised by my hot love?

My uncle treats me so well but I have dirty thoughts about his wife. I'm such a huge pervert!

What if my aunt finds out, what would she do? Will she scream like a little girl or look at me with contempt?

Oh fuck! Just thinking it is so electrifying!

My dick keeps dripping. It really wants to cum and defile my aunt!

A woman with dark hair in a bun, wearing a red dress and a white fur coat, is lying on a grey couch. She has her eyes closed and is resting her head on her hand. A man in a white shirt is standing in front of her, looking at her. The scene is set in a room with wooden floors and a colorful patterned pillow on the couch.

I should keep my voice down but I'm too high to care!

I really want to cum on my aunt's stockings legs, on her face, creampie her and cum all over her!

Ohhhhh yeah!
I'm cumming!

Ejaculation !

A young man with short dark hair, wearing a white dress shirt and a dark tie, is looking down at a woman lying on her back. The woman is wearing a white top and has her eyes closed. The background is blurred, suggesting an indoor setting like a hotel or a spa. There are two speech bubbles overlaid on the image.

Ewww. I cummed a lot!
My aunt is so hot. If she
can keep this and let me
play her body. That
would be so great!

She is so quiet, like a
pretty doll. She isn't
way out of my
league anymore.

Ha ah. My favorite aunt.
If you can be mine
forever, that would be
so wonderful...

I thought my strange love toward my aunt would be like this forever however fate played a trick on us!

In a multiple car accident, my aunt, the driver and me, the passenger, were both seriously injured. We were sent to the hospital.

The unbearable pain caused me to lose consciousness. I had no idea how badly I was injured...

and doctors pulled off miracles to save my life.

All I knew was I woke up to the life changing event.

.....Ohhh geez!

Psst! My body. It's so heavy. I'm hurted.

Where...Where am I?

Is this hospital? No!
Wait! Why...Why has
my body changed?!

What...What
the hell are these
boobs? Do I have a
woman's body?

Wait... this
manicure. Isn't
this my aunt's
body!

Kid, you finally woke up! Good. You woke up and it's ok!

Doctor...Doctor!
My...My body. Why
is my body turned
into this?

The doctor told me that the crush broke my viscera and they were beyond save.

My aunt was brain dead on the spot and her body was still working perfectly.

To at least save my life,
my uncle gave his consent
to doctors. Doctors used
cutting-edge technology to
transplant my aunt's body
to me.

Although it's
unbelievable, my new
appearance makes
me accept reality.

Jake! Great. You finally woke up! If something had happened to you, I really don't know how to face your parents.

Uncle. I...I'm fine. But aunt...Is she really....

Don't be sad, son. I believe that your aunt in heaven will want you to live in her body!

I know it's very difficult to wake up to a new body. But please believe your uncle, everything will be ok!

Uncle comforted me
so I accepted my aunt
passed away and
secretly vowed to live
a full life as her!

At that time I didn't
know how my aunt's
body would affect me.

After serial treatments, doctors made sure that my head doesn't reject my aunt's body so uncle discharged me from the hospital.

Wow...My head is really on my aunt's body!

Although my wounds are healed, my neck skin color difference is so obvious!

Looking at myself in the mirror, it's familiar and strange at the same time. He has my face and my aunt's charming body.

When our bodies merge, it's so weird. But I'm secretly ecstatic and turned-on!

**Ha ah! The smooth skin
and body! My favorite
aunt. Why did you pass
away so suddenly?**

**But don't worry. I will
make the best use of your
gift and live a meaningful
life in your body!**

Um~My aunt's body and charming body fragrance are mine!

Sniff

I was worried that I would compromise my aunt's tempting and fragrant body odor. But it's still the same just like her!

Oh...The feeling...
The feeling!

Although I used my aunt's body to pee in the hospital, I still feel so shameful and excited!

It felt like I was a peeping Tom who watched my aunt urinating. I feel so immoral. If I still had a penis, I would have an erection immediately!

Um ohhhh. It's...
It's coming!

Urinate

My pee is coming
out from my
aunt's crotch!

A 3D rendered woman with a shaved head and large breasts is sitting on a white toilet in a bathroom. She has her eyes closed and a pained or uncomfortable expression. Her hands are raised near her chest, with fingers slightly curled. She is wearing several rings on her fingers and has purple and blue nail polish. The background consists of light-colored tiled walls and a white mirror frame. Two speech bubbles are overlaid on the image, one in the top left and one in the bottom right.

Um! The tingling feeling! No matter how many times I experience it, I still don't get used to it!

Especially thinking it's my favorite aunt taking a leak, I really want it to keep going!

Speaking of that,
it's my body so I
can do whatever I
want to it, right?

He he...I couldn't
appreciate and play
my aunt's body in
the hospital. Now I
have the chance!

Although it isn't the way I fantasized, I can touch my aunt's body, I'm still very happy! He he!

Fondle

Ha ah~ My aunt's
round and soft tits.
They feel like this!

I could only watch her
far away and secretly
fantasize her. Now I
can experience my
aunt's body!

A close-up photograph of a person's hand with colorful manicured nails and rings, resting on their own skin. The hand is positioned in the upper left quadrant of the frame, with fingers slightly curled. The nails are painted in shades of purple, blue, and pink, with some featuring gold glitter. The hand is adorned with several rings, including a prominent gold ring with a large, clear stone. The skin is smooth and has a warm, natural tone. The background is softly blurred, showing a gradient of light colors, possibly a wall or a piece of fabric. In the bottom right corner, there is a dark blue oval containing white text.

**My aunt's boobs feel
so incredible. Her
pussy must be even
more amazing...**

Ah! I'm caressing my aunt's private parts. She's my elegant aunt!

Under my command, I use her slim fingers to caress her perfect body. It's so exhilarating!

Oh, aunt. I love you so much. I love my new body. I become so close in this way.

Um ahhh! My moan
is so dirty. But...But
why is a woman's
body so sensitive!

Caress

When my cold aunt
privately masturbated,
did she feel the same
amazing pleasure like
me? I...I want more...

A man with short brown hair, wearing a white tank top, is looking down with a slightly nervous or sheepish expression. He is standing in front of a white door. A speech bubble is positioned near his head, and another is in the upper right corner of the image.

Jake, are you in the bathroom? I need to talk to you!

Ah. Yes...Yes..
I'm coming out!

Jake...Well...After you were discharged from the hospital, do you feel well? Any illness?

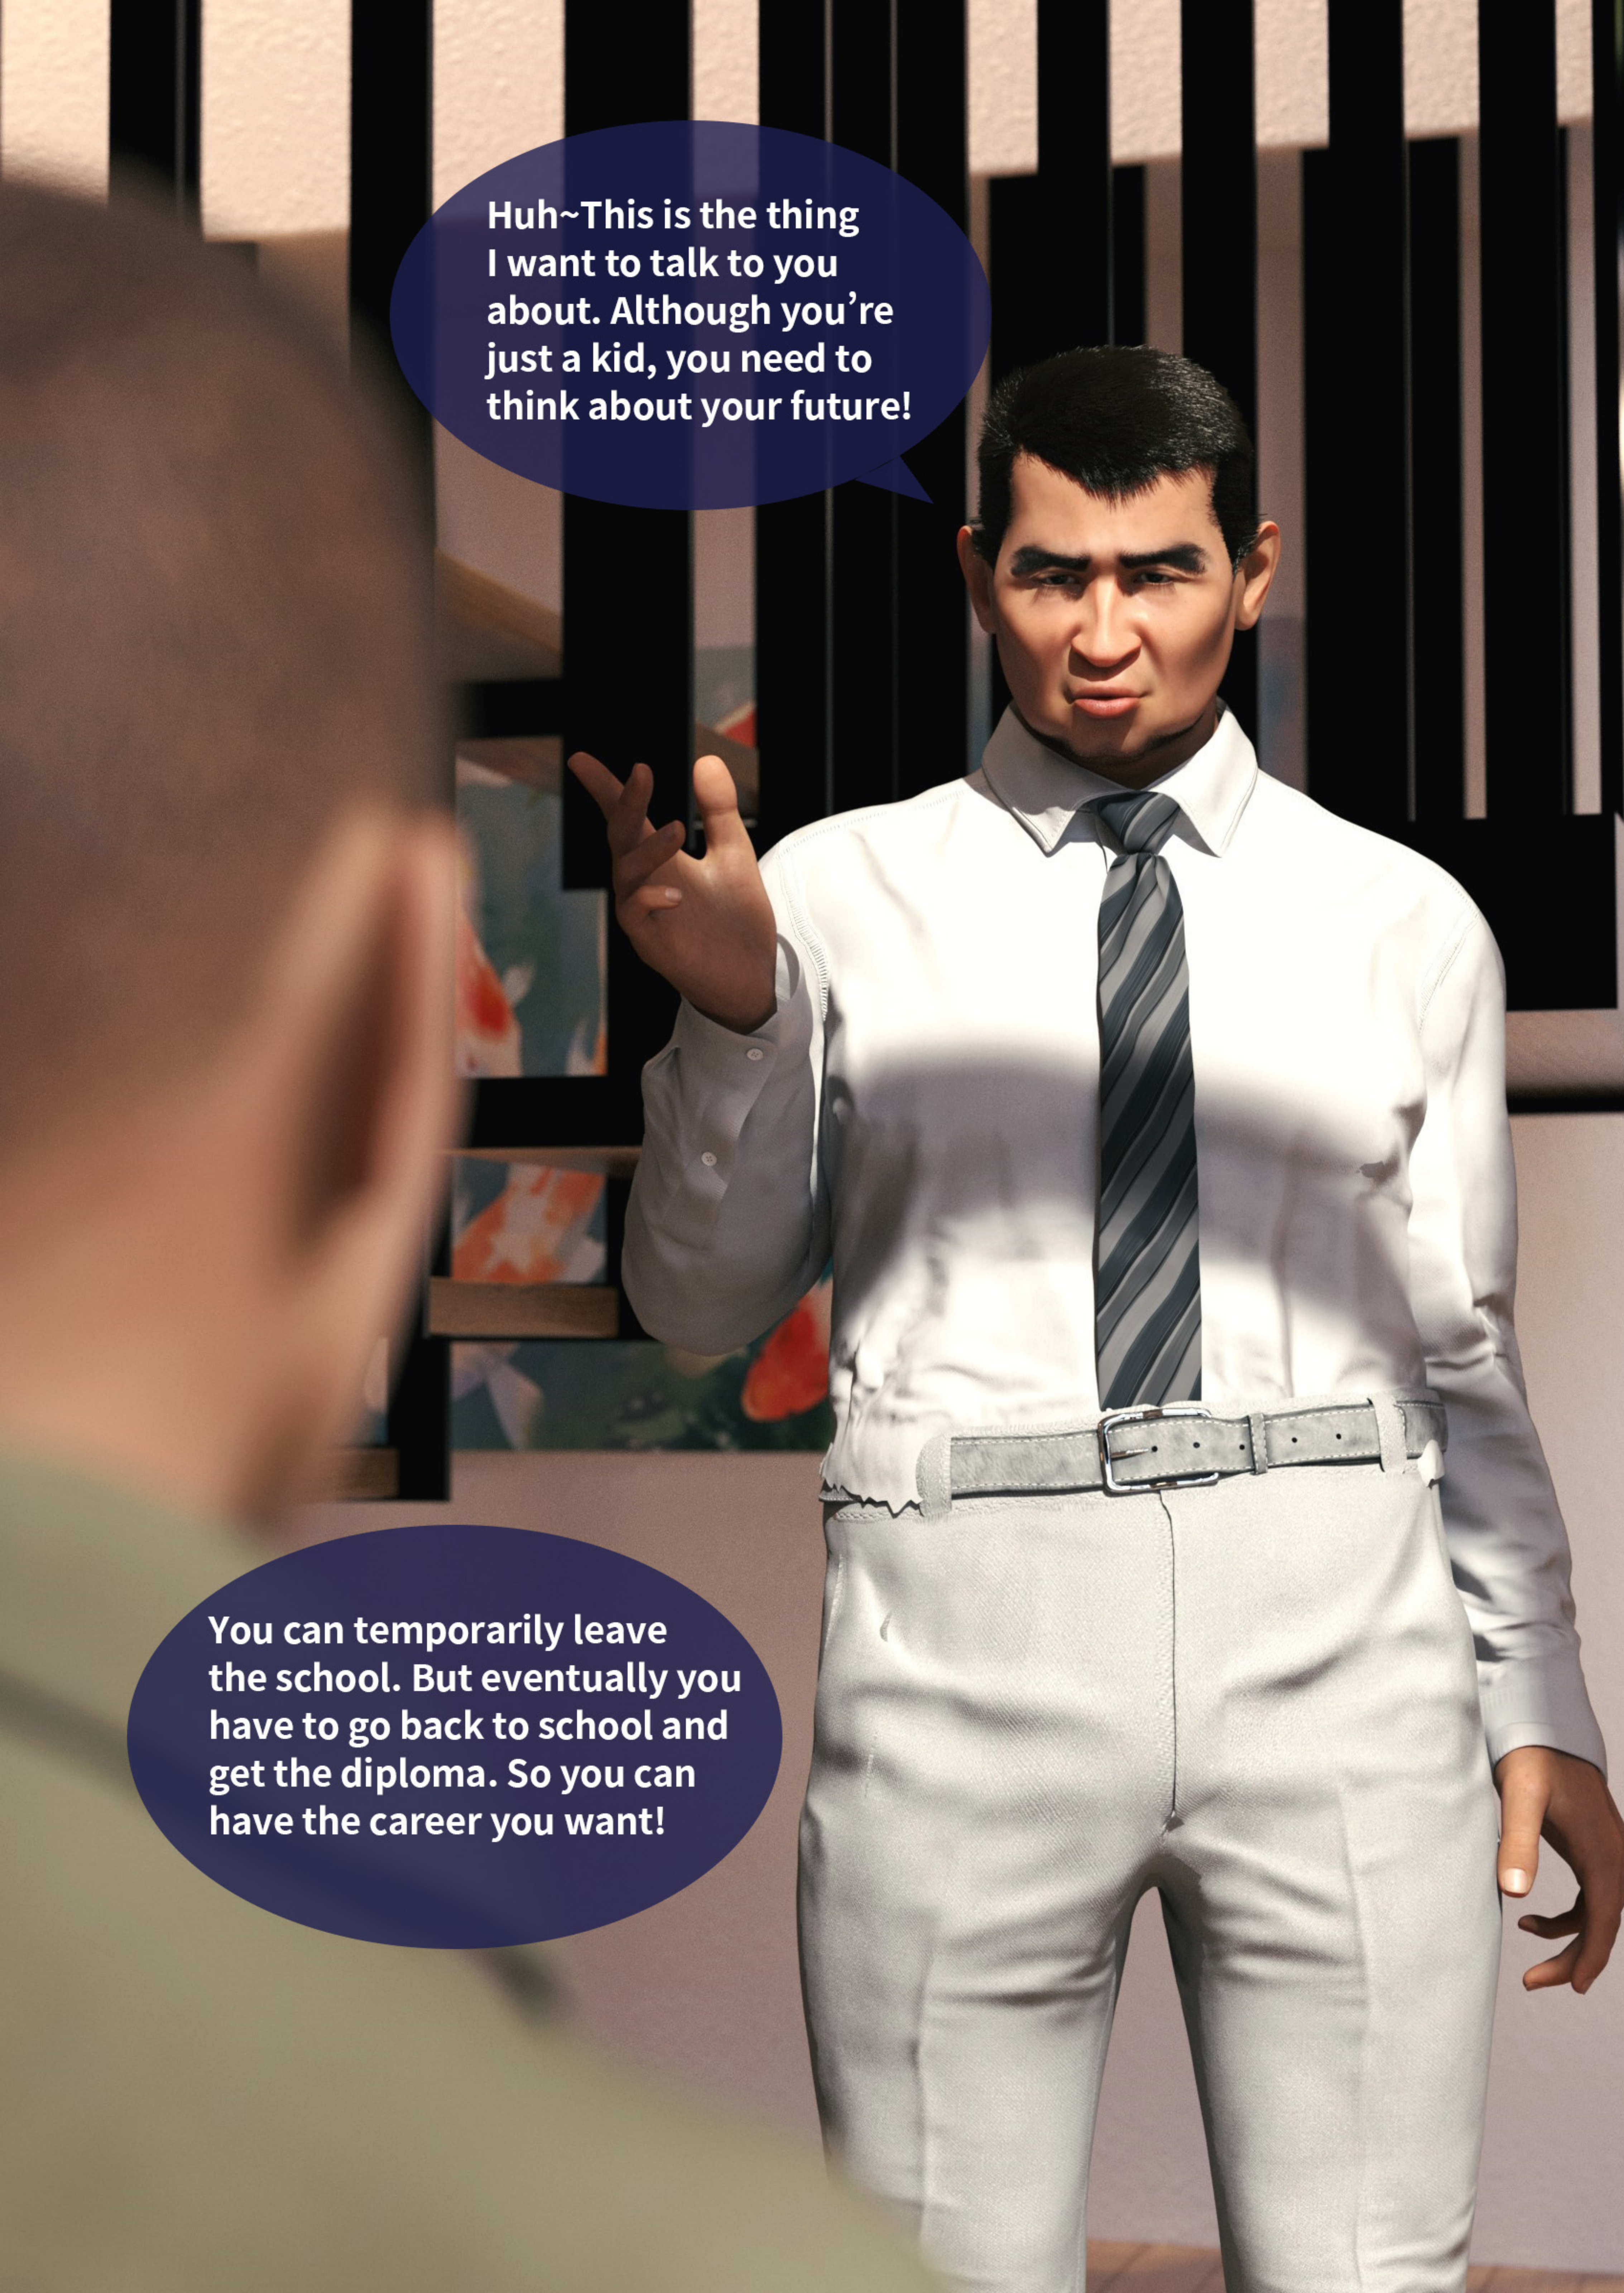

I know that things happened very suddenly. You need some time to recover. If you have any problems, feel free to talk to me!

A woman with a very muscular physique is sitting on a light-colored sectional sofa in a living room. She is wearing a green, long-sleeved, button-down shirt and grey trousers. She has short, dark hair and is looking towards the camera with a neutral expression. Her hands are resting on her lap, and she is wearing several rings and purple nail polish. The room has a light-colored wall with several framed pictures. A colorful, zig-zag patterned pillow is on the sofa behind her. The floor is made of light-colored wood. A speech bubble is positioned above her head, and another one is in the bottom left corner of the image.

I know, uncle. Don't worry. My body has recovered!

About my life, there are some things I need to get used to but I'm doing my best!

A man in a white dress shirt, a striped tie, and light-colored trousers is speaking to a child whose back is to the camera. The man has a serious expression and is gesturing with his right hand. The background consists of vertical wooden slats.

Huh~This is the thing I want to talk to you about. Although you're just a kid, you need to think about your future!

You can temporarily leave the school. But eventually you have to go back to school and get the diploma. So you can have the career you want!

Your changed body will cause some problems but I still want you to go back to your original life and school.

Oh....I...I see. I will be back to school after I get better!

**That being said,
before uncle brought
that up, I didn't think
about the school!**

**I found the male
uniform to try on.
But...**

Ahhh! What the hell! It's so odd!

I can't go to school like this. I can't even go out!

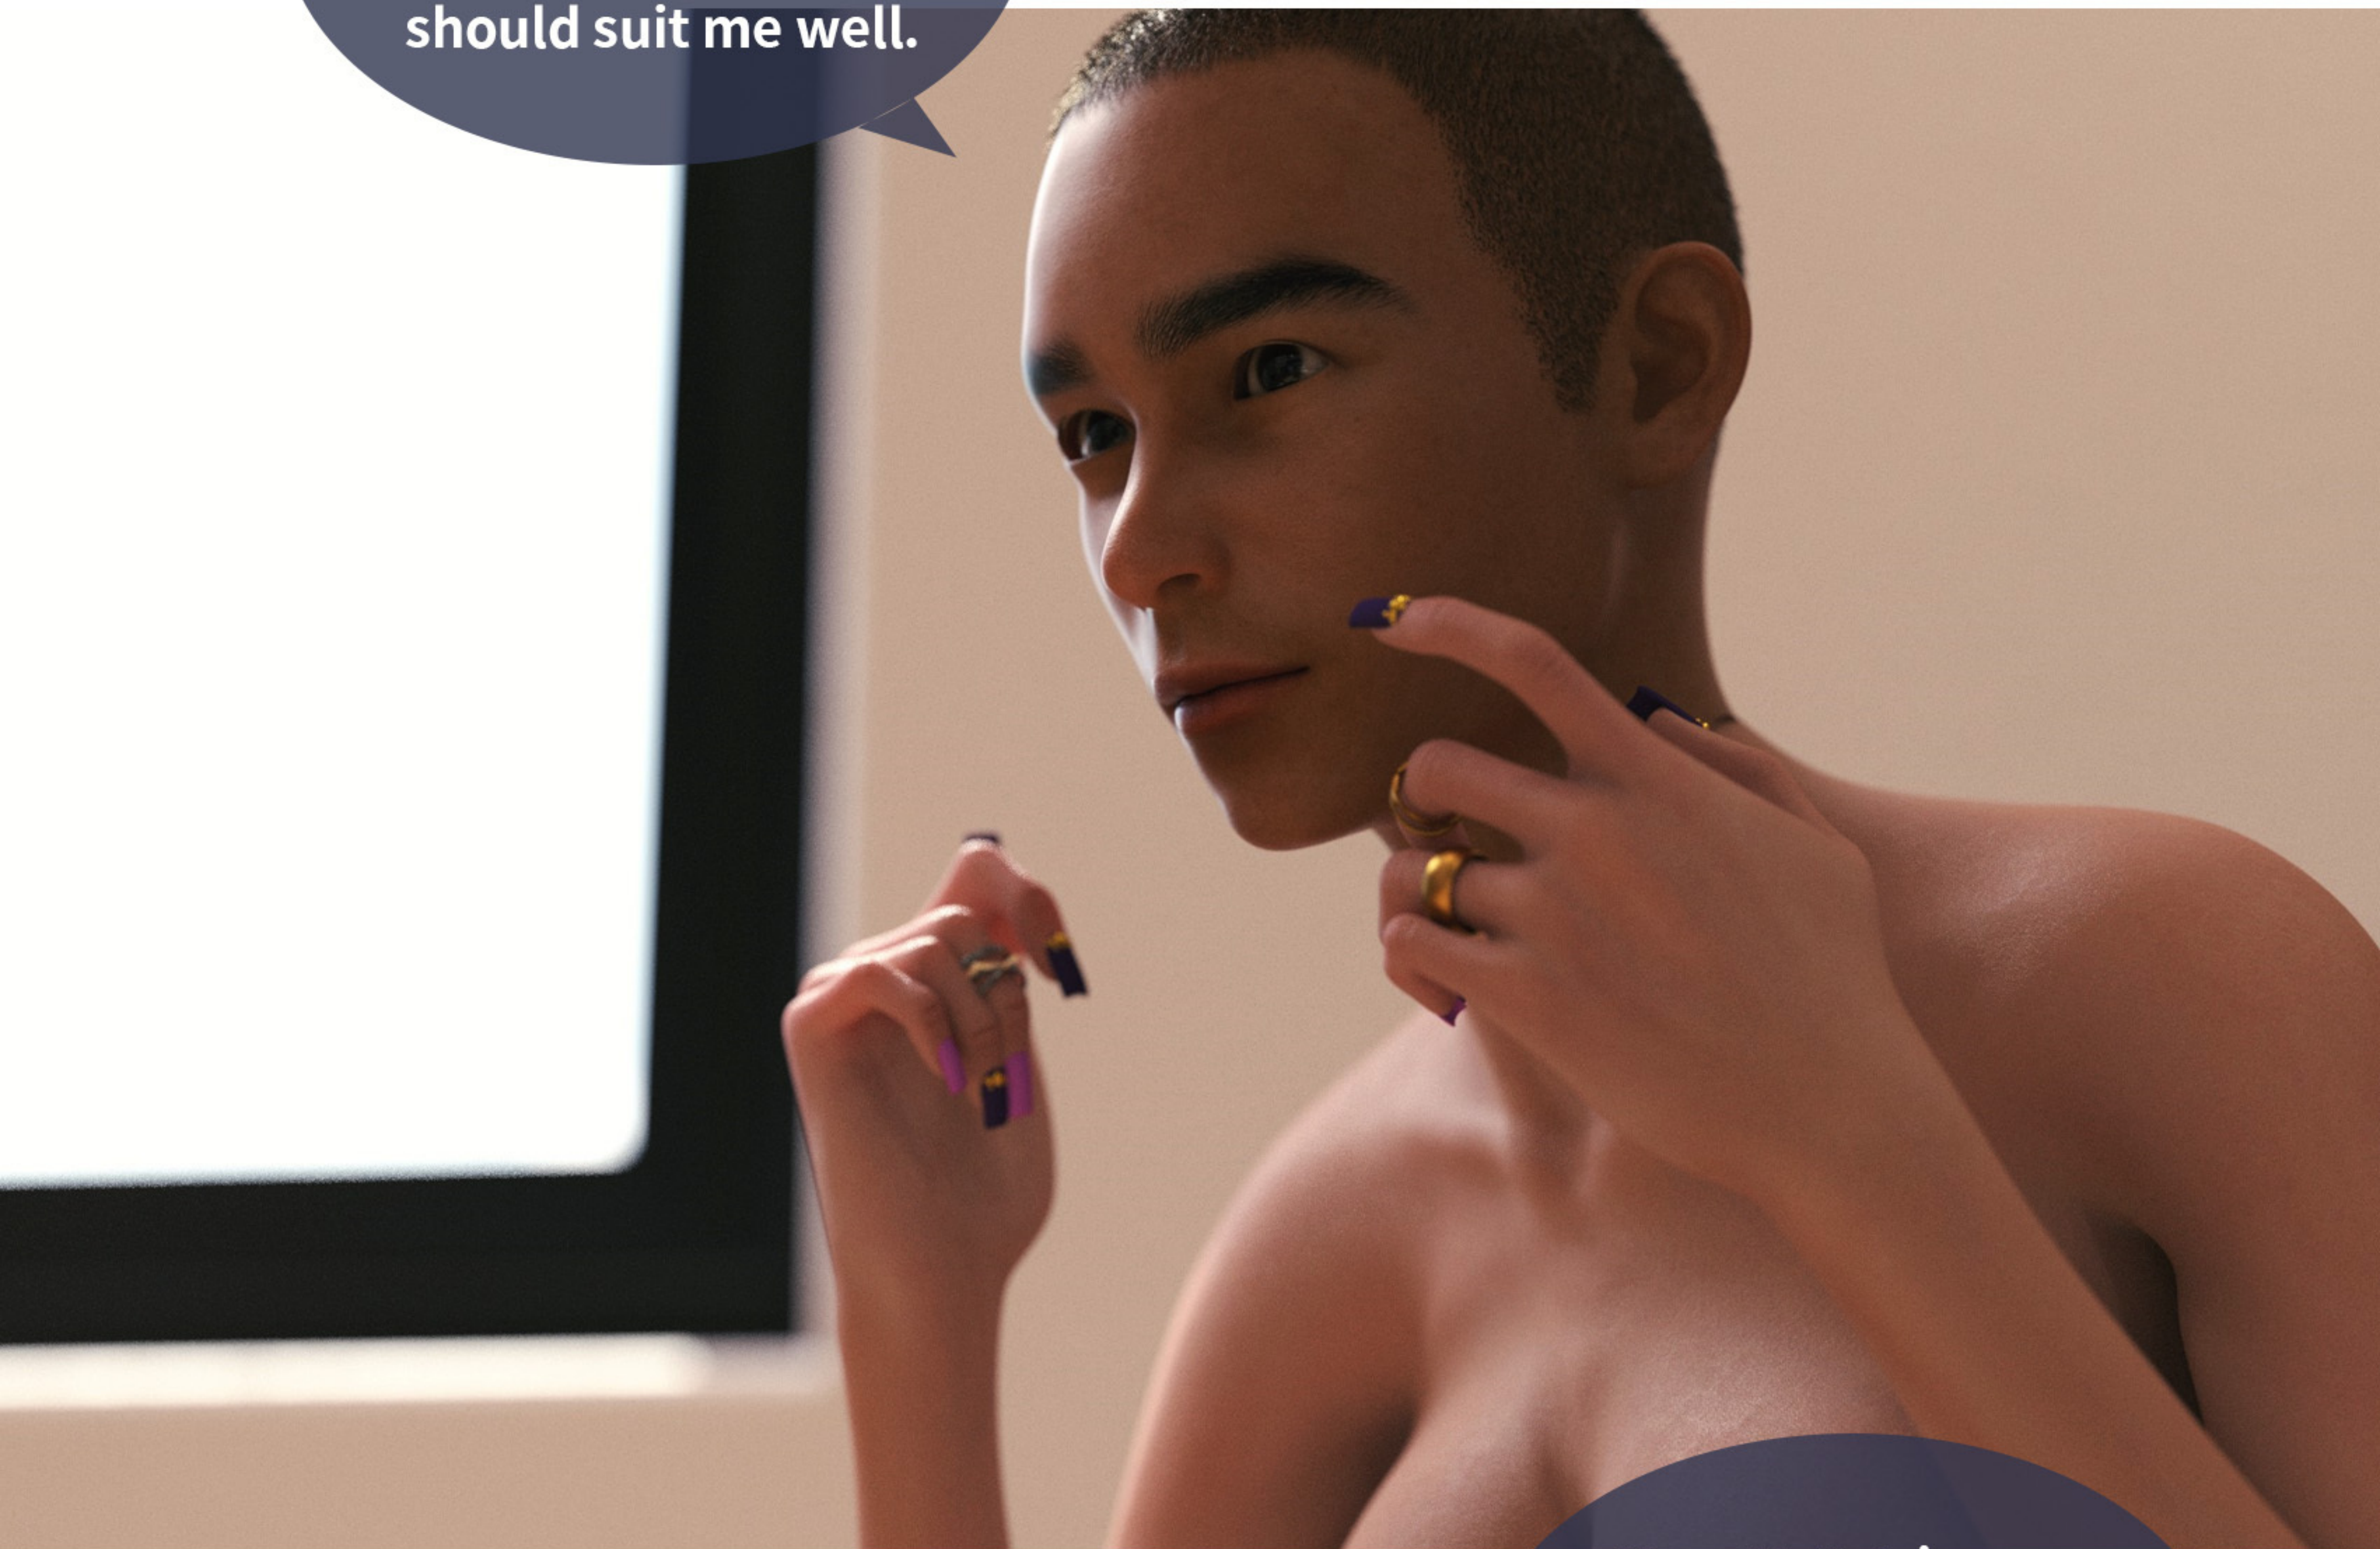

Huh! I need to calm
down and figure it out.

Just like my uncle said, I need to go to school and go out someday.

But the problem is that my men's clothes are too tiny now. My aunt's curvy and slender body can't wear my old clothes!

Huh! Wait. If my old clothes don't suit me, her clothes should suit me well.

Yes. Well. It's my aunt's body. It's reasonable to put on her own clothes.

Um...I found my aunt's underwear to put on. Somehow my body feels so relieved!

My racks feel less heavy. If you ignore my face, the body with underwear on is so sexy!

Jake! What are you doing? Why are you wearing a women's bra?!

Wait. The underwear... Aren't those your aunt's underwear?

A close-up photograph of a woman's torso. She is wearing black lace underwear. A white wax strip is applied to her upper chest, between her breasts. Her hands are visible, with purple and gold nail polish and a gold ring. The background is a plain, light-colored wall.

That's right. It can't be wrong. The underwear was the surprise gift she gave me on our anniversary!

Ha ah...Watching Jake use my wife's body to wear the underwear makes me feel somewhat... touched?

Uncle! Aunt's tits are too big so I can't wear my old clothes. I have to borrow her clothes!

They fit me so well! After all, it's my aunt's body. Of course, her clothes would suit me!

Oh...oh! I see. It's my negligence. I will buy you some new clothes!

As for now...well...I have to wear your aunt's clothes. After all, you really don't have clothes that fit your body.

A man in a white dress shirt and a striped tie is looking towards a woman in a black bikini who is standing in the background. The man has a thoughtful expression and is touching his head with his right hand. The woman is looking towards the man. The setting appears to be a gym or a fitness studio.

Huh. What's wrong with me? Do I miss my wife so much? Why does just watching her breast make me a little bit turned-on?

It's Jake's body now. I can't have odd feelings toward him!

A person is shown from the waist up, wearing a black face mask, a tan hat, and a black overcoat. They are standing in a public space, possibly a park or plaza, with a blurred background of people and buildings. The lighting is bright, suggesting daytime.

So it's the start of
my strange
crossdressing life.

First, to cover the difference
between my face and body,
when I go out, I always wear a
face mask, hat and overcoat
to cover my face and figure.

A woman with short dark hair is looking at her reflection in a mirror. She is nude. The background is a dimly lit room with a wooden wall and a white ledge. The lighting is soft and focused on the woman.

However maybe it's because female hormones in my aunt's body gradually affect me. My appearance gradually changes!

First, my face skin becomes fair. In a few months, my skin color is the same as my aunt's. My neck skin color difference is gone!

To make going out easier, I deliberately grow my hair long. The hair I grow is as smooth as women's.

I can feel my facial features become more soft. I'm more androgynous.

Well. Humans' adaptability is really strong. After only a few months, I used to wear female clothes!

Or I should say wearing women's clothes is most comfortable for my aunt's body!

Jake, I'm home.
How's your day alone
at home?

Uncle! You're back!

Pop out

Huh. I'm alone at home. My body doesn't allow me to leave the house. I'm so bored!

When you have a day off, can you take me out and play, uncle?

Jake, your...
your breast! Your
breast is exposed!

Come on. You need to be careful when you wear a tube top. You can't move so violently or you will be exposed.

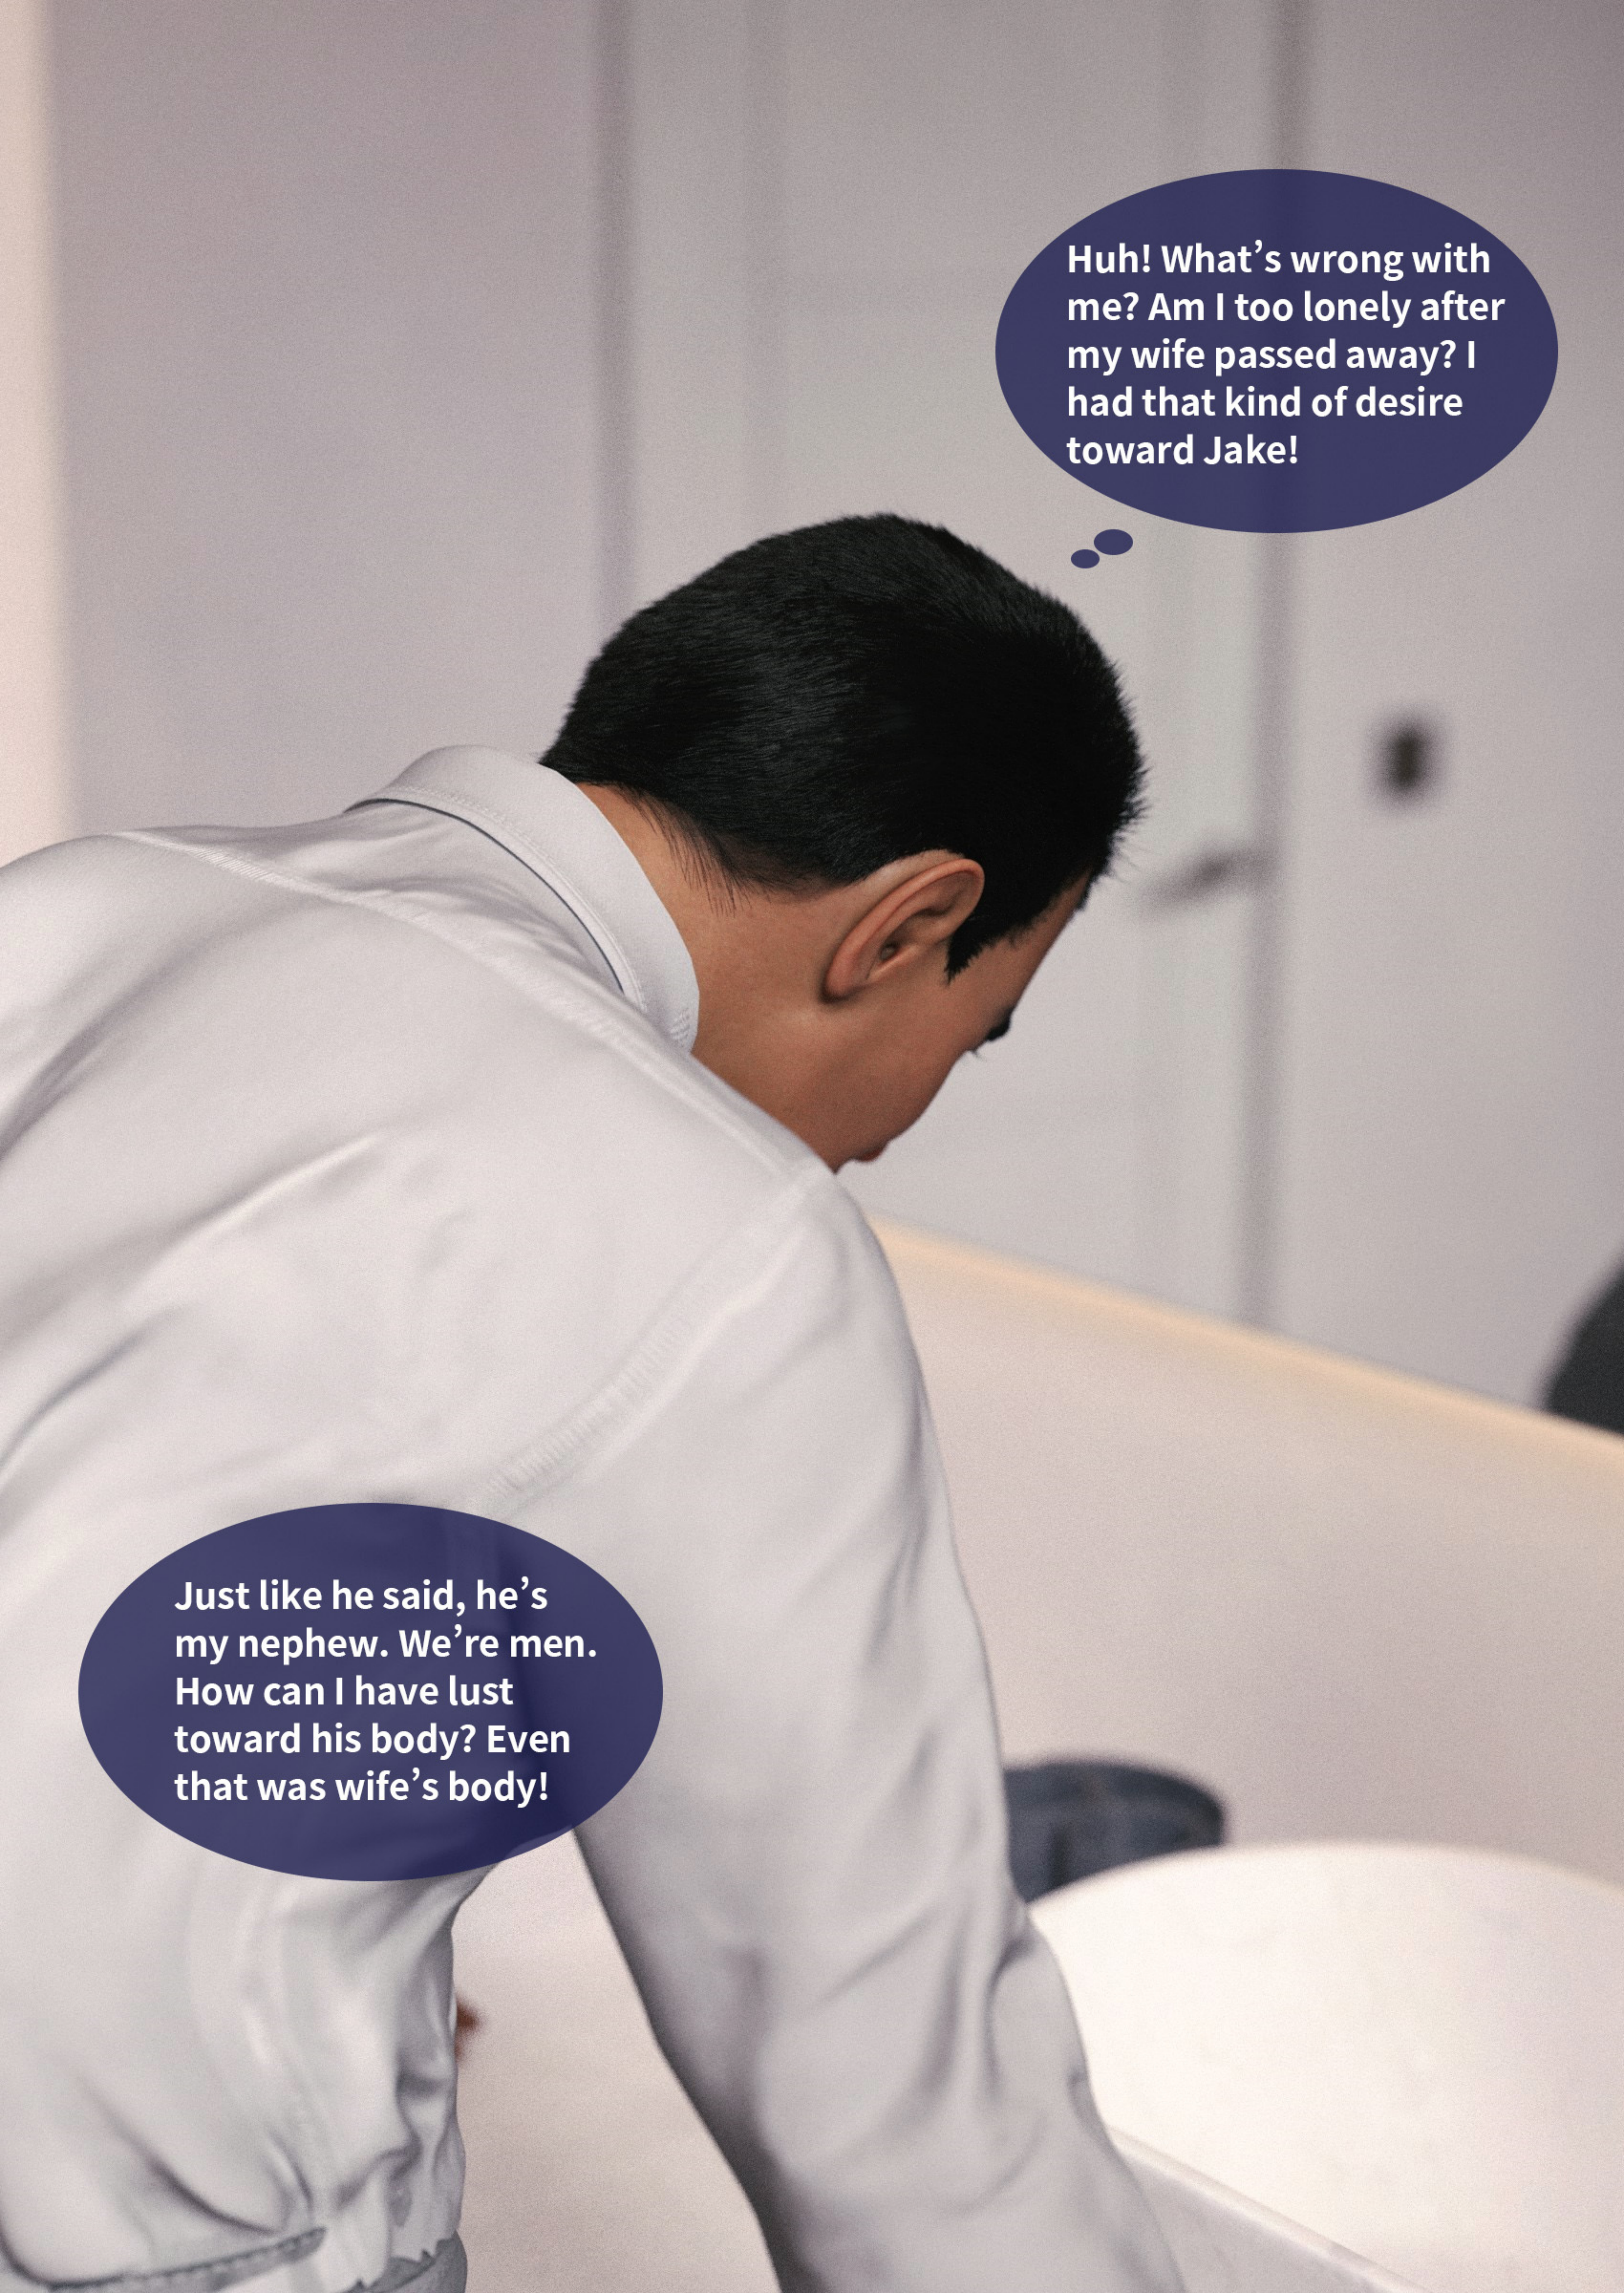

If you exposed yourself outside that would be so awful!

Well. It's not a big deal. I'm at home! I'm your nephew and you're my uncle. We're all men!

Psst. No. I can't take it anymore! His fair skin and soft boobs!

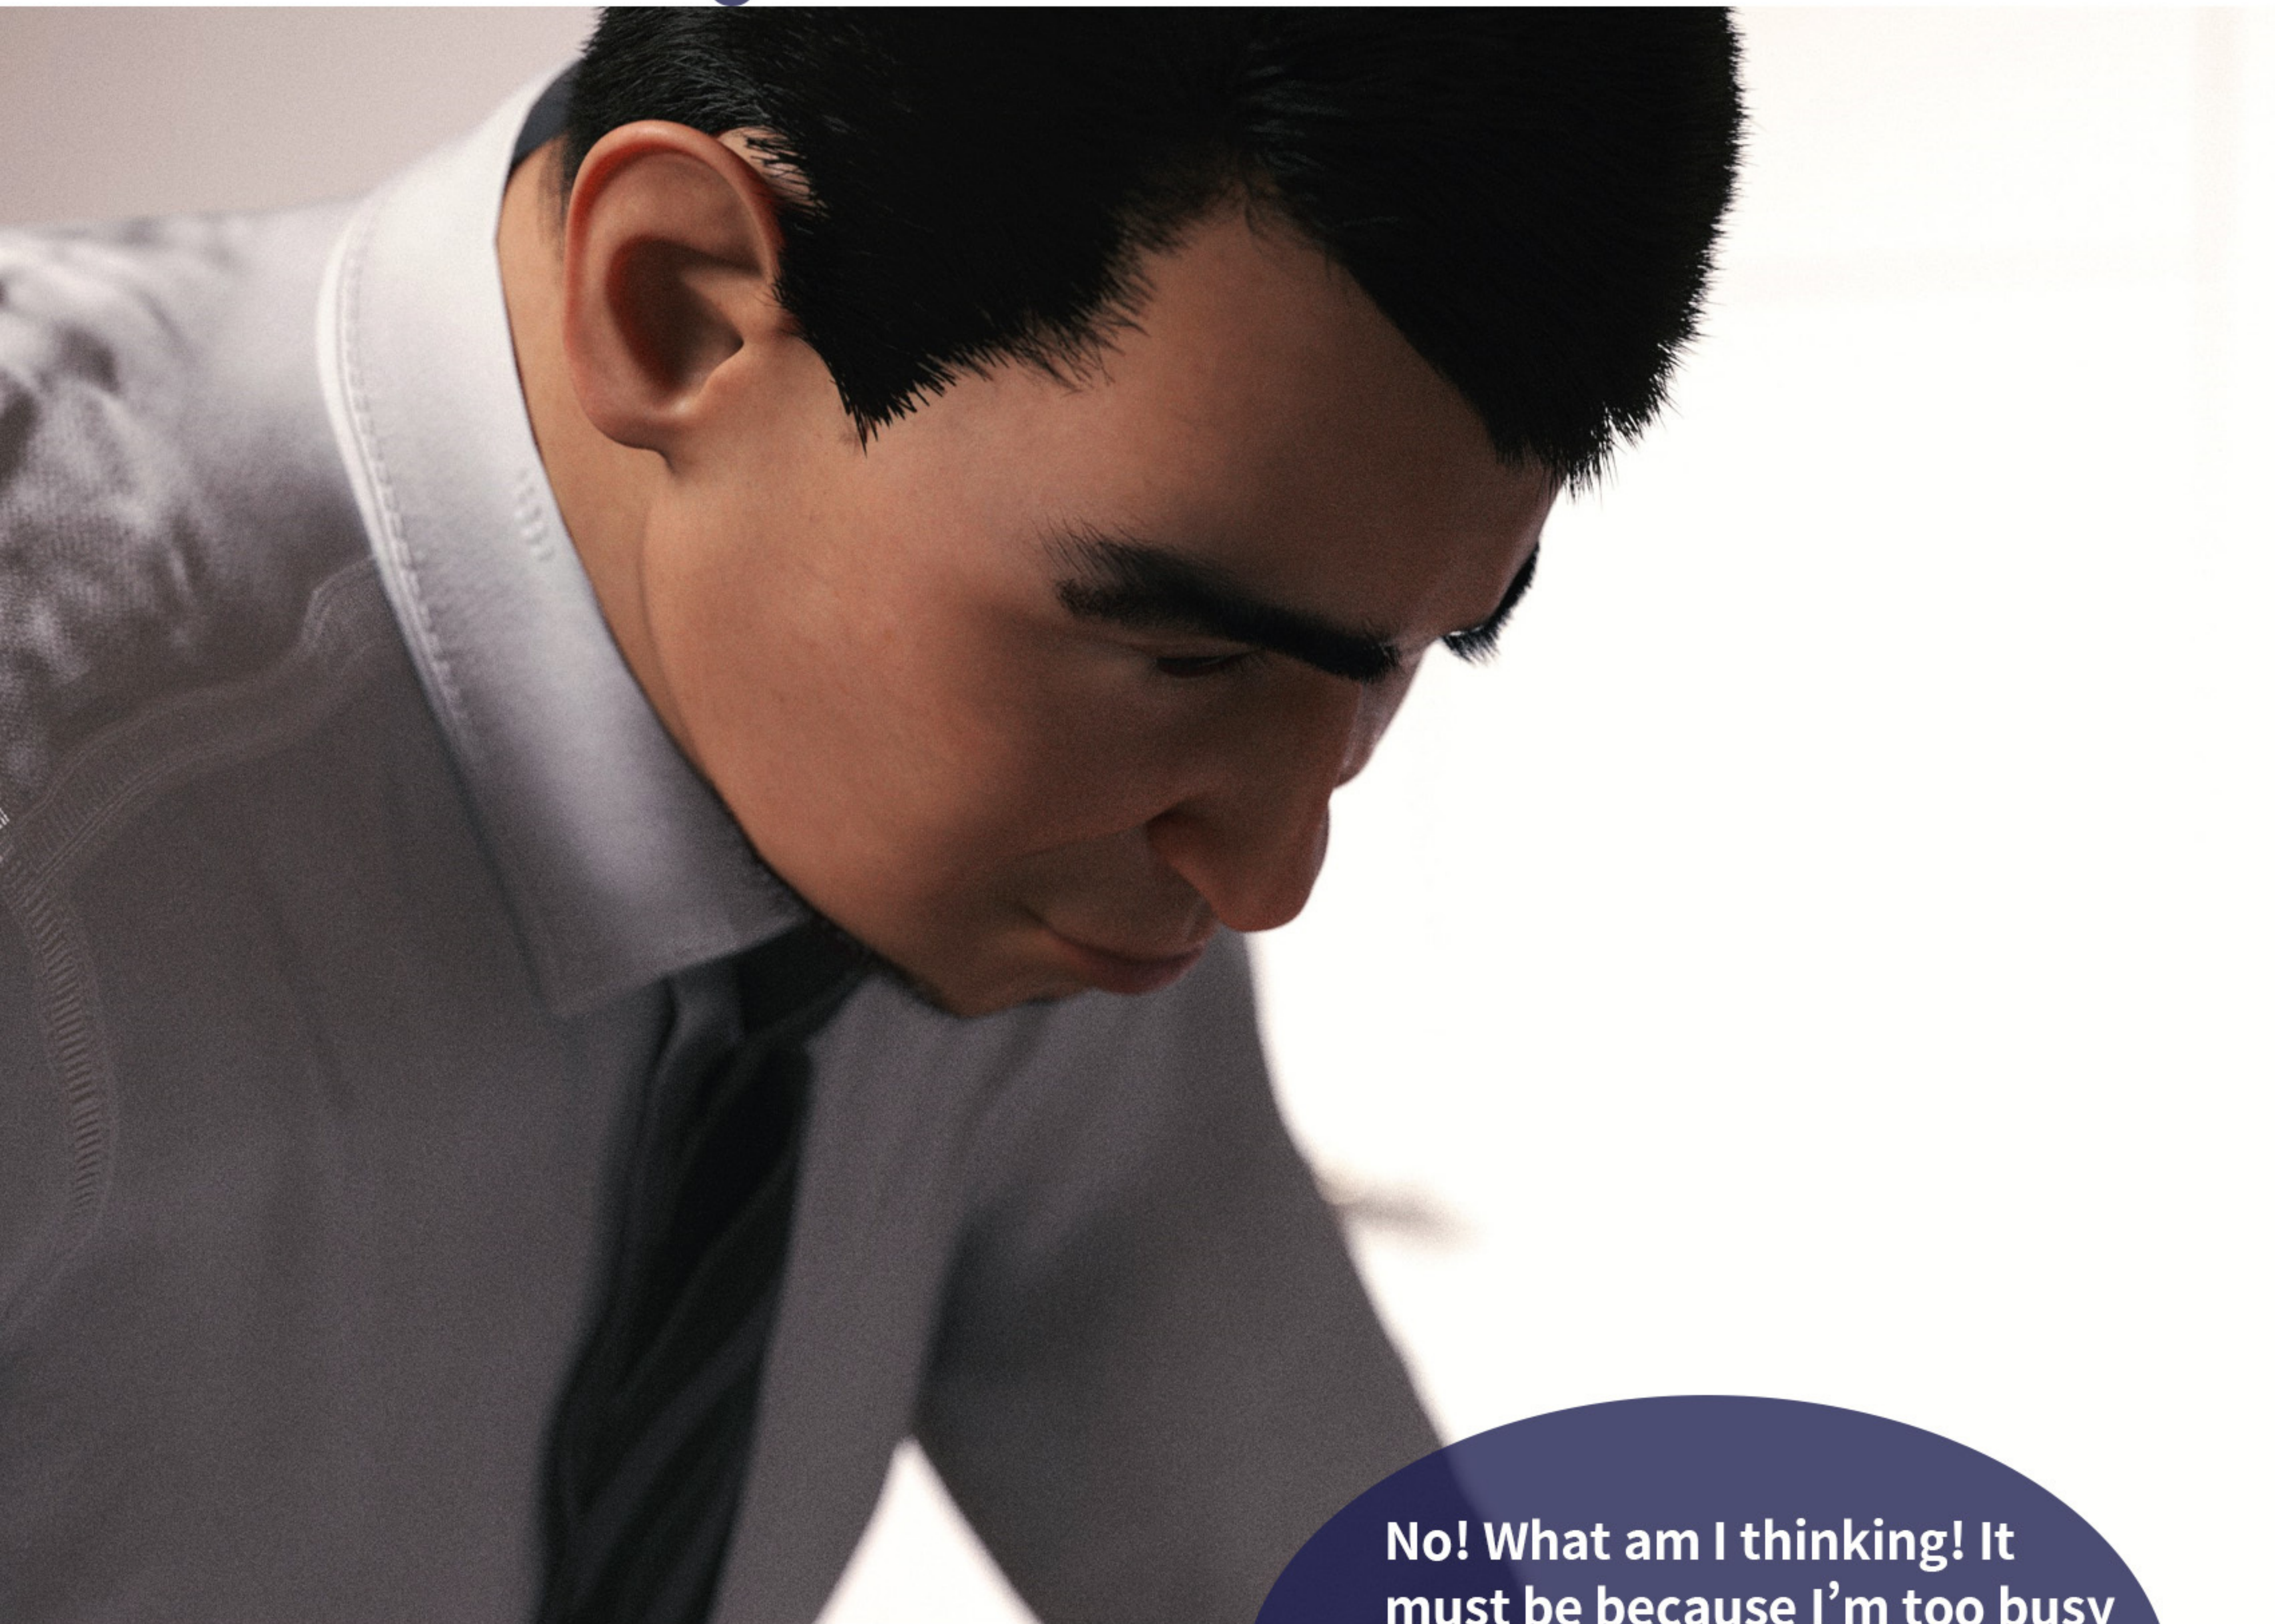

Anyway...Anyway you need to be careful. I... I have to go!

A man with short dark hair, wearing a white long-sleeved shirt, is shown from the side, looking down. The background is a plain, light-colored wall. Two dark blue speech bubbles are overlaid on the image, containing text.

Huh! What's wrong with me? Am I too lonely after my wife passed away? I had that kind of desire toward Jake!

Just like he said, he's my nephew. We're men. How can I have lust toward his body? Even that was wife's body!

However Jake became more and more attractive and feminine. His gentle manner and my wife's arrogant attitude are poles apart.

No! What am I thinking! It must be because I'm too busy so I don't have time to let off my steam and it's all in my head. That's right! I need to put myself together!

Um...That's odd.
Why is my uncle
exhausted and
keeping to himself?

Ah ha! I see. He must be missing his wife. After all, I miss her so much, her husband must be more devastated!

Um. Maybe I can surprise him. He gave me a credit card so I will ask...

A woman with short brown hair, wearing a black strapless, form-fitting, ruffled mini dress and black sheer tights, stands in a modern interior. She is looking directly at the camera with a neutral expression. The background features a brick wall on the left, a wooden table with white chairs, and a grey wall with a dark rectangular panel on the right. The floor is made of light-colored wooden planks. Two dark blue speech bubbles are overlaid on the image, one in the upper left and one in the lower right.

ask my doctors to
bring back my aunt
to uncle and me!

Wait and see, uncle.
I will make you meet
our favorite aunt!

Doctors performed plastic surgeries on me using my aunt's gorgeous look as the model.

Doctors performed surgery on my vocal cord so my deep male voice changed into aunt's delightful woman voice.

As anesthesia kicked in, I fell asleep but I couldn't wait to see the brand new me!

When I was sleepy, I couldn't help but to wonder. Now I have my aunt's body, after surgeries I will have her look and voice. Will I completely become her?

But that's fine. As long as I can bring back my favorite aunt, it's totally worthy that I sacrifice my original body and look, even Jake will be gone!

Because I love my aunt so deeply that I can sacrifice everything for her. I believe that my uncle will be so glad to see this.

Is...Is this me? I'm
the exact copy of my
aunt. My favorite
aunt is alive again!

The surgeries are
successful. The moment I
saw the new me, the love
that almost narcissism
grew in my mind. I really
love my new body!

I'm so deeply obsessed with my aunt. I even underwent plastic surgeries. To make myself as similar as her, I even prepared a wig.

After I put on the wig, I'm aunt's twin sister. No! I'm the aunt herself!

The only difference from the real aunt is the eyes. The eyes looking at myself are so obsessed and gentle.

A woman with her hair in a high bun, wearing a red dress and a white fur jacket, is looking towards the camera. She has gold hoop earrings and rings on her fingers. A speech bubble is positioned to her left.

Ah~aunt. Why are you so beautiful and attractive?

To morph into you and see you again, do you know how I am overjoyed and excited?

A woman with a high bun hairstyle and a white fur coat is looking at a man with glasses. The man is wearing a white shirt and is holding a green plant. The woman is wearing a white fur coat and has a high bun hairstyle. She is looking at the man with a slight smile. The man is wearing glasses and has a beard. He is looking at the woman. The background is a simple room with a window and a plant.

Doctors are so great.
They replicated my
aunt's pretty face
and even our voices
are so similar!

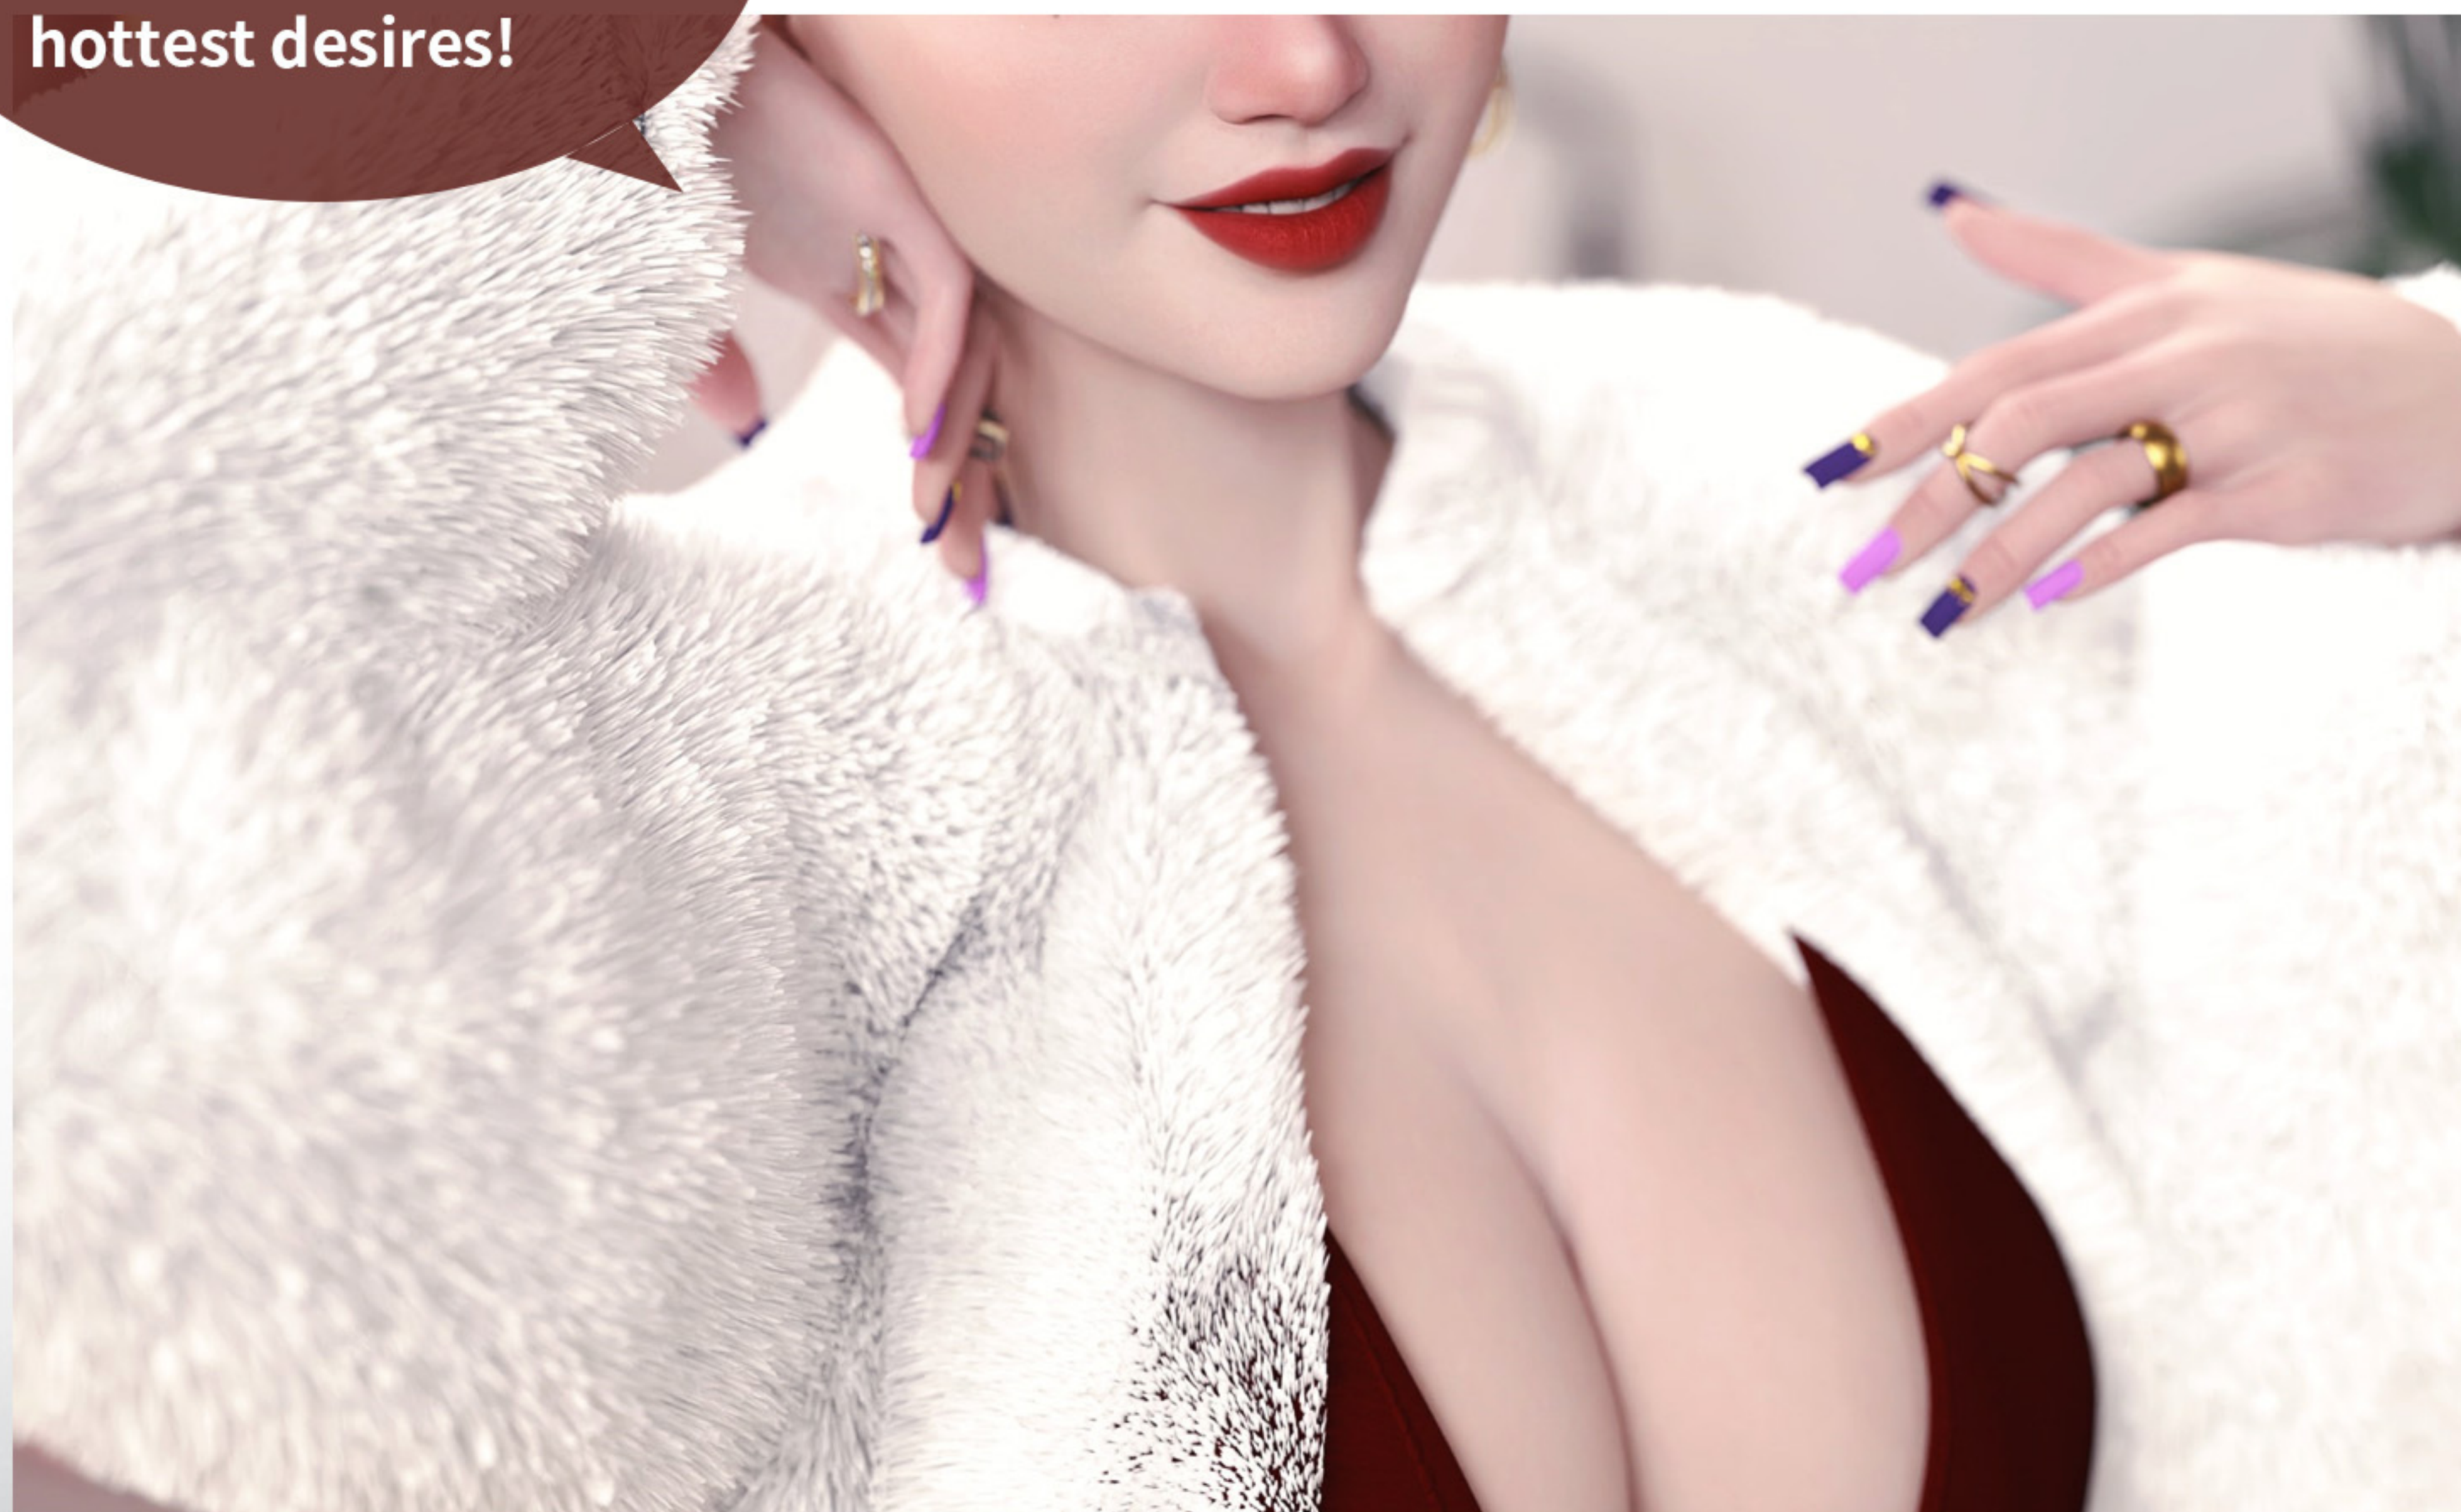

I'm so beautiful and
attractive. Jake, auntie
loves you. Auntie loves
you so much! Do you
love me?

A woman with her hair in a bun, wearing a red dress and a white fur coat, stands in a living room. She is looking towards the camera with a slight smile. The room has a grey sofa, a red cushion, a black lamp, and several framed pictures on the wall. A large green plant is visible on the right side of the frame.

Oh! Aunt, I love you so deeply. I didn't have the courage to say. Now I can say it to myself!

I'm sorry that you're gone but I can use your body, face and voice. We will be together forever!

**We share the same
body and heart. We
even share our
hottest desires!**

**Watching my aunt's
body and my own
face, I can't help but
to be turned-on in
her body!**

Ha ah...I could only watch my aunt's sleeping face from far away. I could only watch. I didn't have the balls to touch her body.

To blow off steam, I could only secretly jack off to her when she was sleeping. Now I don't have to hide my lust anymore!

My aunt's everything is mine now. I can fondle her body whatever I want. I can smell her body wherever I want.

I'm my aunt's closest partner. I really want to...really want to...

He he... Auntie,
I'm going to
enjoy your body!

Lift

No...It's my body
now!

**Aunt, you're so
horny! You don't
wear panties under
your skirt.**

Knead!

**Um ah...Aunt's down
below is so sensitive
and makes me feel so
wonderful!**

Even your titty feels so great. They're so soft and lewd! Aunt, your boobs and nipples are mine now.

Aunt, we're really merged into one person.

Aunt, I'm you,
you're me now.
Ha ha ha!

Aghhh! Aunt,
your pussy feels
so incredible.
It's so sensitive!

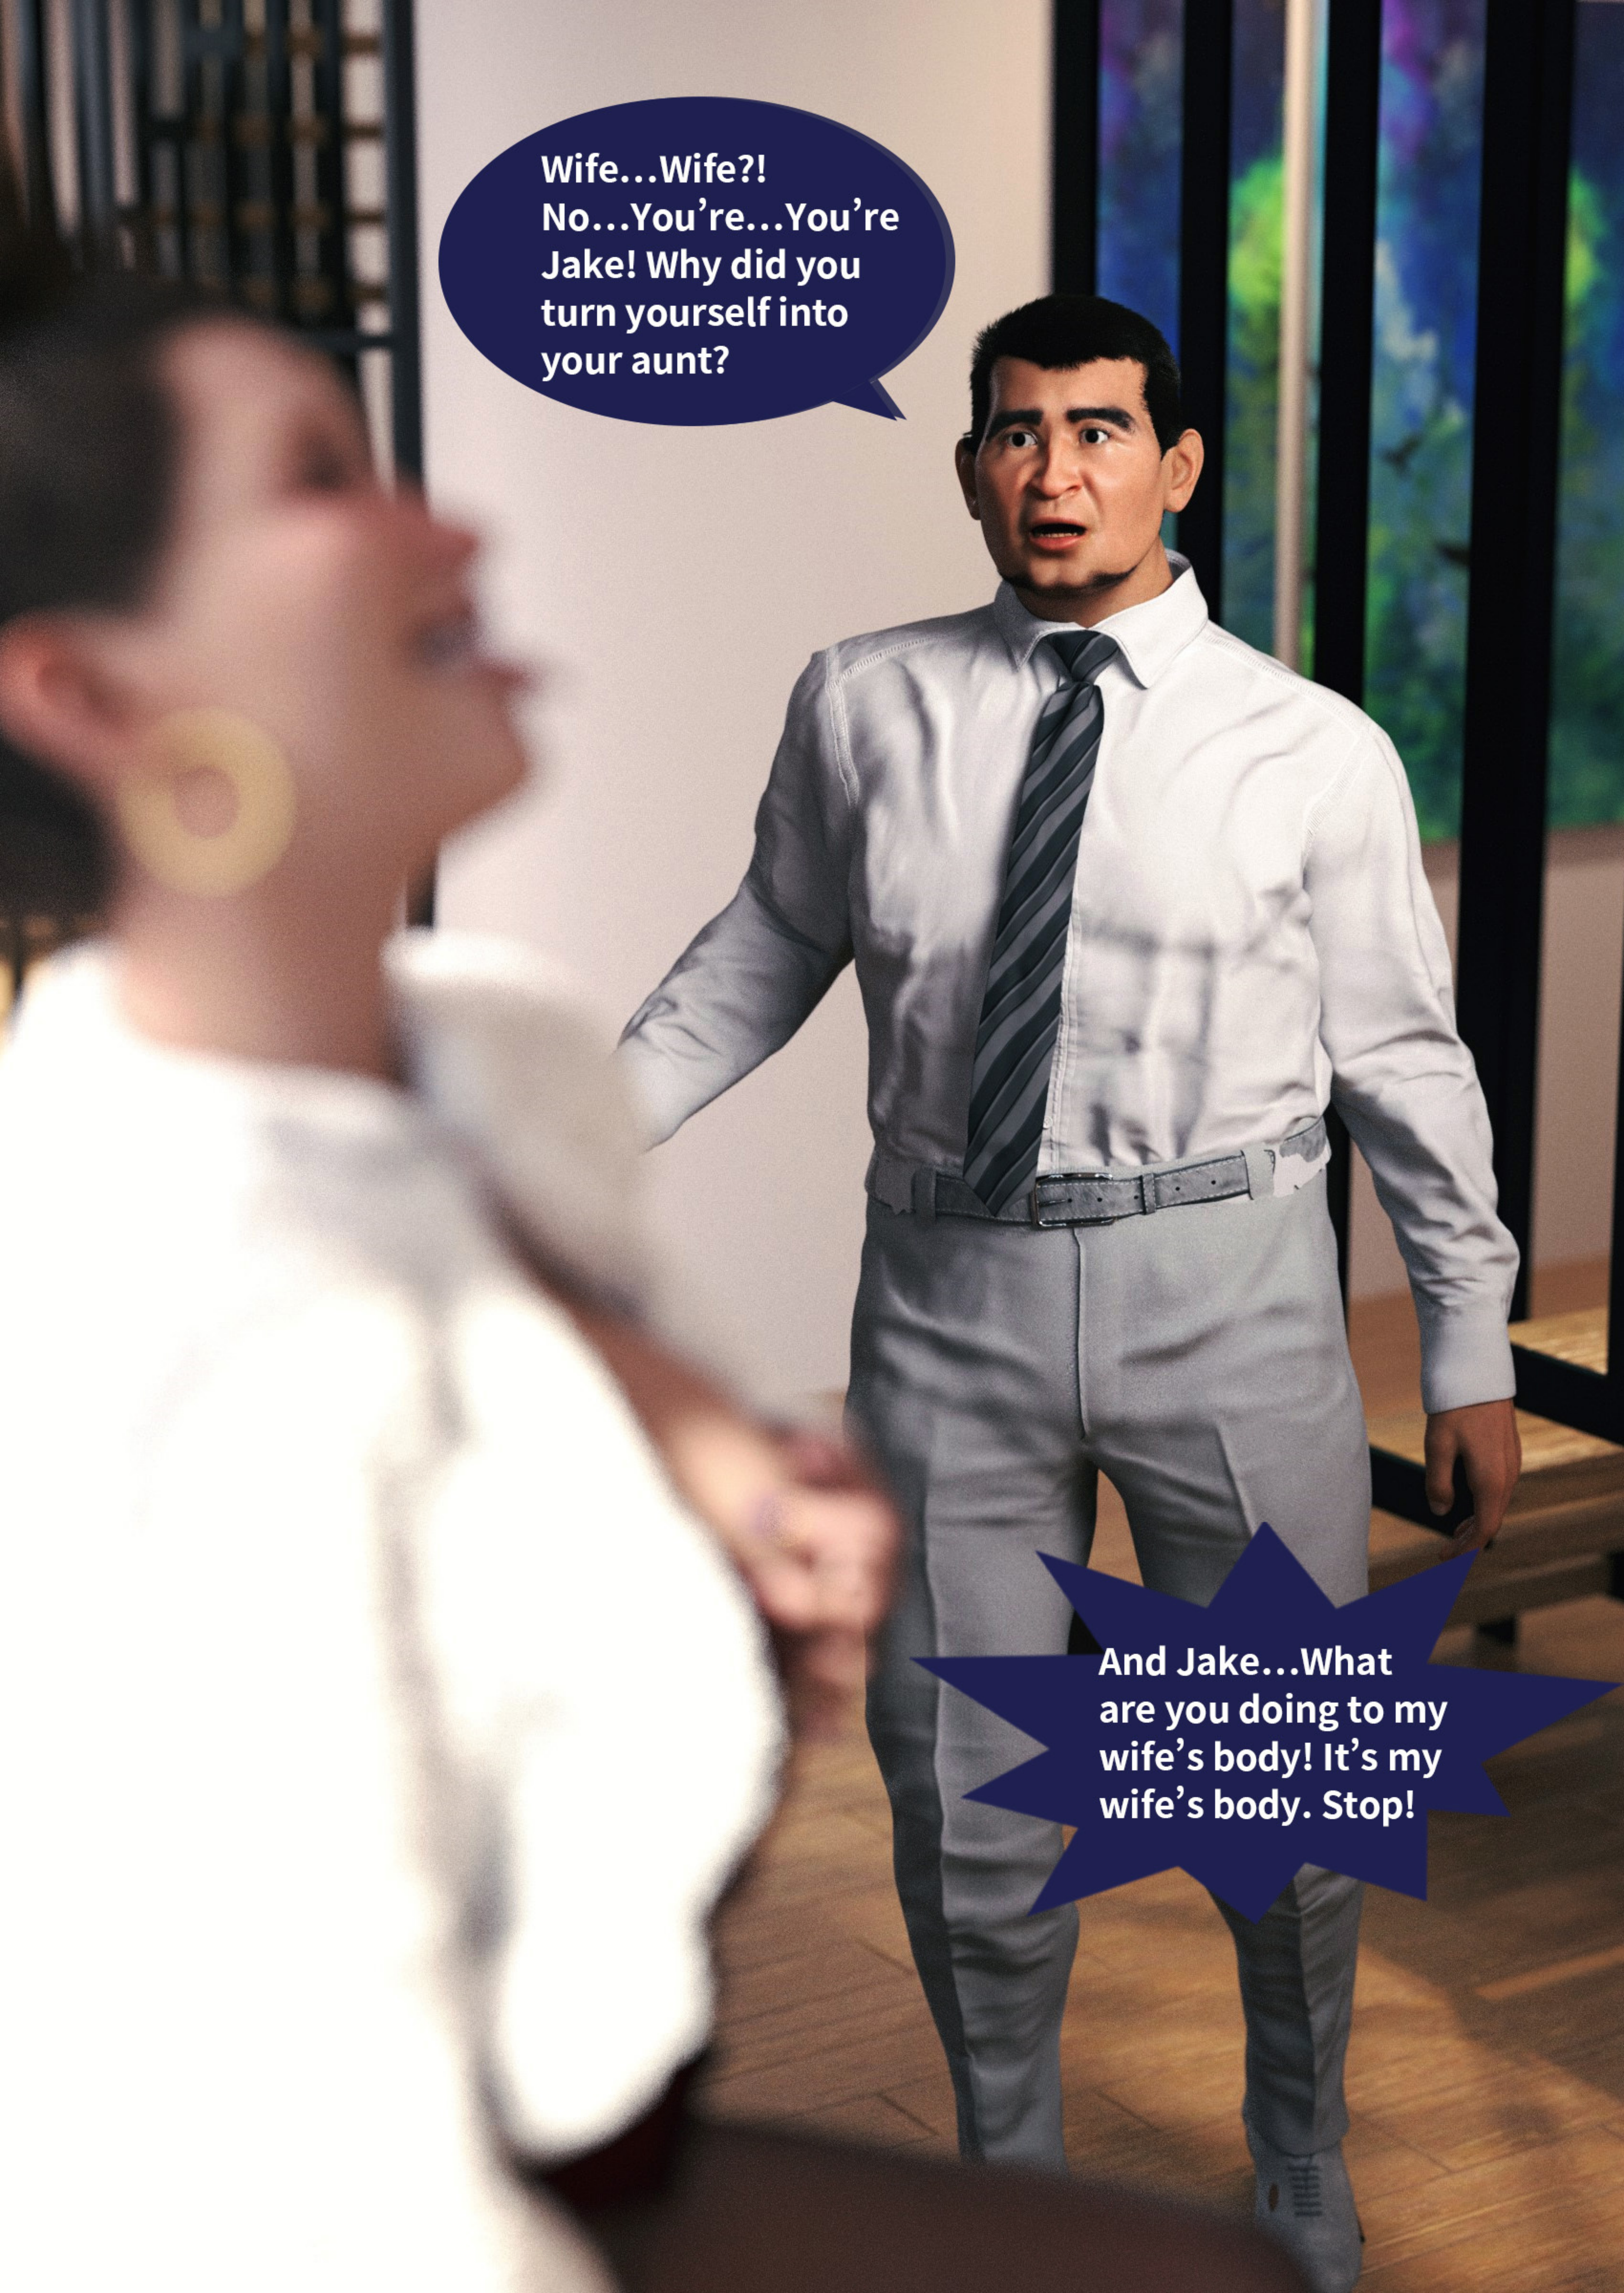

A woman with her hair in a high bun, wearing a white fur jacket over a red dress, is sitting on a light-colored sofa. She is smiling and looking upwards. The room has a modern aesthetic with framed pictures on the wall, a large potted plant, and a round coffee table with a vase and a book. Two red starburst callouts contain explicit text.

Ahhh! Aunt, your
vagina makes me
so comfortable.
It's too sensitive!

Aunt, I'm going
to use your
pussy to climax!

**Jake, are you home?
I'm back!**

Wife...Wife?!
No...You're...You're
Jake! Why did you
turn yourself into
your aunt?

And Jake...What
are you doing to my
wife's body! It's my
wife's body. Stop!

**Uncle, are you
confused? The aunt's
body is mine now!**
