

01 Inject the substance from the syringe into the man's body.

02 The target forms into a suit.

03 Remove all clothing before putting on the suit.

04 Use the First Transformation. Take a pose.

05 [Illegible]

**I already read the instructions, I'm sure there is no way to return a person.**

**I ended up putting my cock  
in your pussy Jessica. It's  
funny isn't it?**

This looks really gross Patrick!

A 3D rendered scene of a living room. In the background, a man with dark hair, shirtless and looking distressed, stands with his hands clasped over his chest. A speech bubble points to him with the text "What are you going to do?". In the foreground, the back of a woman's head with long, dark, wavy hair is visible, looking towards the man. The room features a wooden coffee table with a book and a cup, a wooden desk with a book, and a wall-mounted TV. The lighting is bright, casting shadows on the wall.

**What are you  
going to do?**

How's that? I'll go to my house. Very interesting to see how Jessica lives.

Wait!

You can't go directly to her house!

**It's going to be interesting. I will pretend to be Jessica without even knowing the names of her relatives.**

**You can't do it  
Patrick! They will  
understand that  
this is not  
Jessica! They  
know that she  
was with me.**

I always knew you were a piece of shit, Tom. You didn't do anything at all. I took your girlfriend's body. And you just watched.

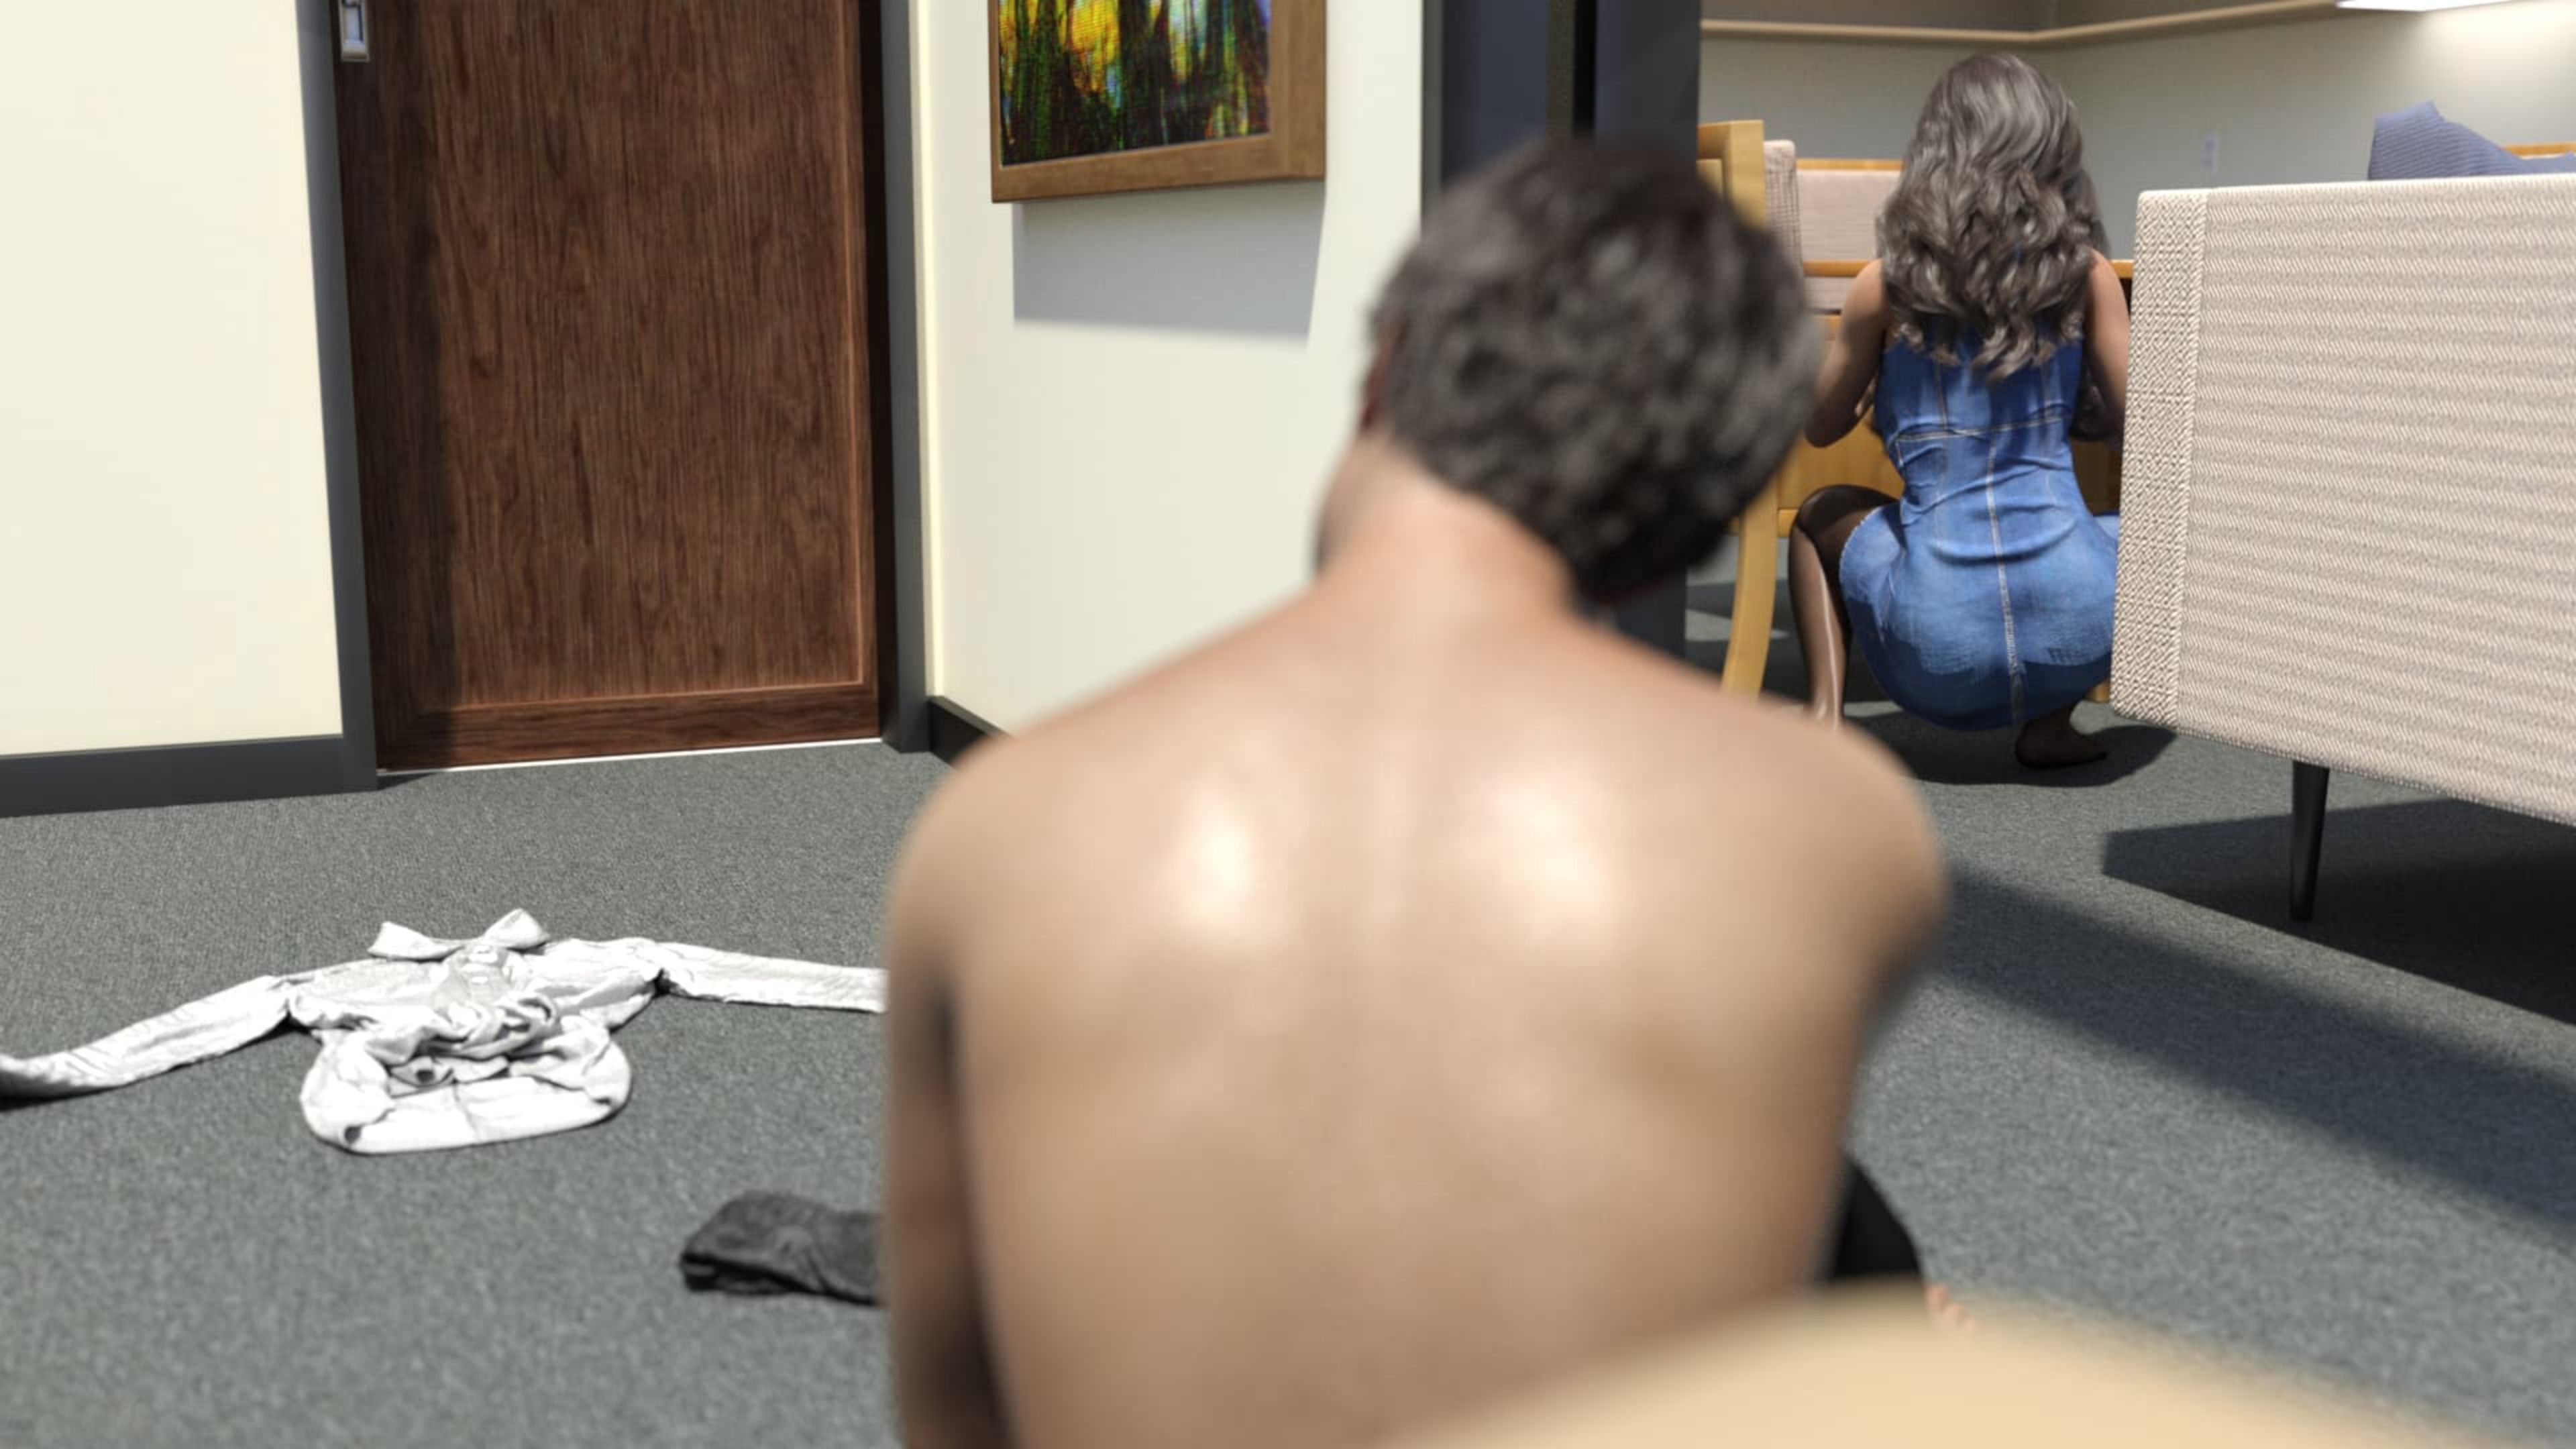

A woman with long, dark, wavy hair is shown from the chest up, wearing a blue denim top. She is looking down and to her left with a slight smile. A pink speech bubble is positioned to her left, containing the text "See you, Tom." The background is a blurred indoor setting with wooden paneling and a blue light source on the right.

See you, Tom.
