We bathed and touched each other every day together, and naturally she accepted me for who I was.

It was a piece of cake for me to drop Hinata.

Hinata loves to kiss.

Afterwards, this is how ...

If you tweak her genitals...

When I kiss her repeatedly like this...

..She's always getting her pussy all turgid.

My little sister's tongue... Feels good...

Hinata is like a baby.

I'd perrotate her cunt and...

A sister licking her sister's pussy... it's perverted?

**Everybody belongs to Miyako!**  
**afterword** English version

Hey there, I'm Kuma QM! To all of you who have purchased this fanzine, thank you so much! This time, I drew a yuri Ero comic about Wataten, Mya's sister and her three daughters ♡. I've been drawing a lot of original erotic manga lately, but I've also been working on my second creation. I'm going to try to draw a little bit in parallel, so thank you very much!
