# ROBIN

THE TEEN WONDER

CATNIPPED

Sent by Batman to explore an old dairy site, Robin wanders for over an hour before the Teen Wonder decides he needs to take care of something.

Leather-gloved hand pumping his erect college-boy cock, the youth quickly spatters the floor with his creamy jock-boy jizz.

**Suddenly! Cat-minions!**

**AH!**

**AHH!**

Holy Cat-napping!

Catwoman's minions, seeing a chance to capture the Teen Wonder, dive in and begin to pummel on the surprised youth!

Agile and strong, Robin holds his own against the both of them, struggling as they try to subdue him.

Finally it takes a headlock and repeated gut-punching to get the caped crusader on the ropes!

**Whap!**

Suddenly knockout gas dazes our young crimefighter!

Man, feel that hard ass!

Let me go!

The minions waste no time spraying their own loads over Robin's face!

POW!

I can't even fight back! Batman would be so ashamed of me!

Weakened by the gas,  
Robin can only moan as the  
minions jerk off in his face!

Growing  
boys need their  
milk, Robin!  
Drink up!!

No, I think  
Boy Blunder  
needs some  
straight from the  
tap! Open up!

Robin groaned as  
the man's cock slid  
past his lips!  
Helpless to resist,  
the Teen Wonder  
began to suckle the  
wet length!

**HEY!**

Desperate, Robin bites the man's cock!

Chaining Robin to an overhead crane, the minions first stop to take selfies of themselves with their prize!

Holy milk maids, they're... ugh! UGH!!!

A 3D-rendered illustration of Robin, a young man with brown hair, wearing his signature red turtleneck, green gloves, and a yellow cape. He is suspended in the air by his wrists, which are held by two large, muscular arms wearing green gauntlets. Robin has a pained expression, with his mouth open as if shouting. In the background, two women in black Catwoman-style outfits are visible. One is on the right, looking towards Robin, and another is on the left, partially obscured. The setting appears to be a dark, industrial interior with metal beams.

AAAGGGHH!!

We're taking a lot more than that, Robin! So here's a nice big injection of Catnip into your nuts!

Catnip! Catwoman's infamous sex drug!

Electrical  
stimulus also  
is used, to try  
and break the  
shy  
teenager's  
reluctance to  
cum!

After a humiliating rescue by Batman, the Teen Wonder tries tracking down Catwoman's lair on his own!

Shhhoooooopp!

Robin chokes and gasps as the air in the tube is replaced by aerosol Catnip! Already the horny college boy starts to feel it's effects!

**KNEE!!**

Once the tube rises, the minions close in for a little fun.. until....

**STOP**

Why, it's **KITTEN**,  
Catwoman's chief minion!

I'm, um, fine...  
really...

I'm sorry if  
they hurt you,  
**Robin!**

**Catwoman** wants him  
**unharmed...** for now.

I can see **why!**  
Nobody told me the **Teen  
Wonder** was so... *handsome,*  
and strong.

Watch out, Robin! This kitten has **claws**!

Don't feel bad, Robin; **no** man can resist Catnip... especially when it comes on the **needle** in **pure form**!

**Robin is mine!** She can have him after I've had my fun!

When he finally awoke, Robin was chained fast to the wall!

Holy  
horndogs! I'm so  
**hard** I can barely  
think!

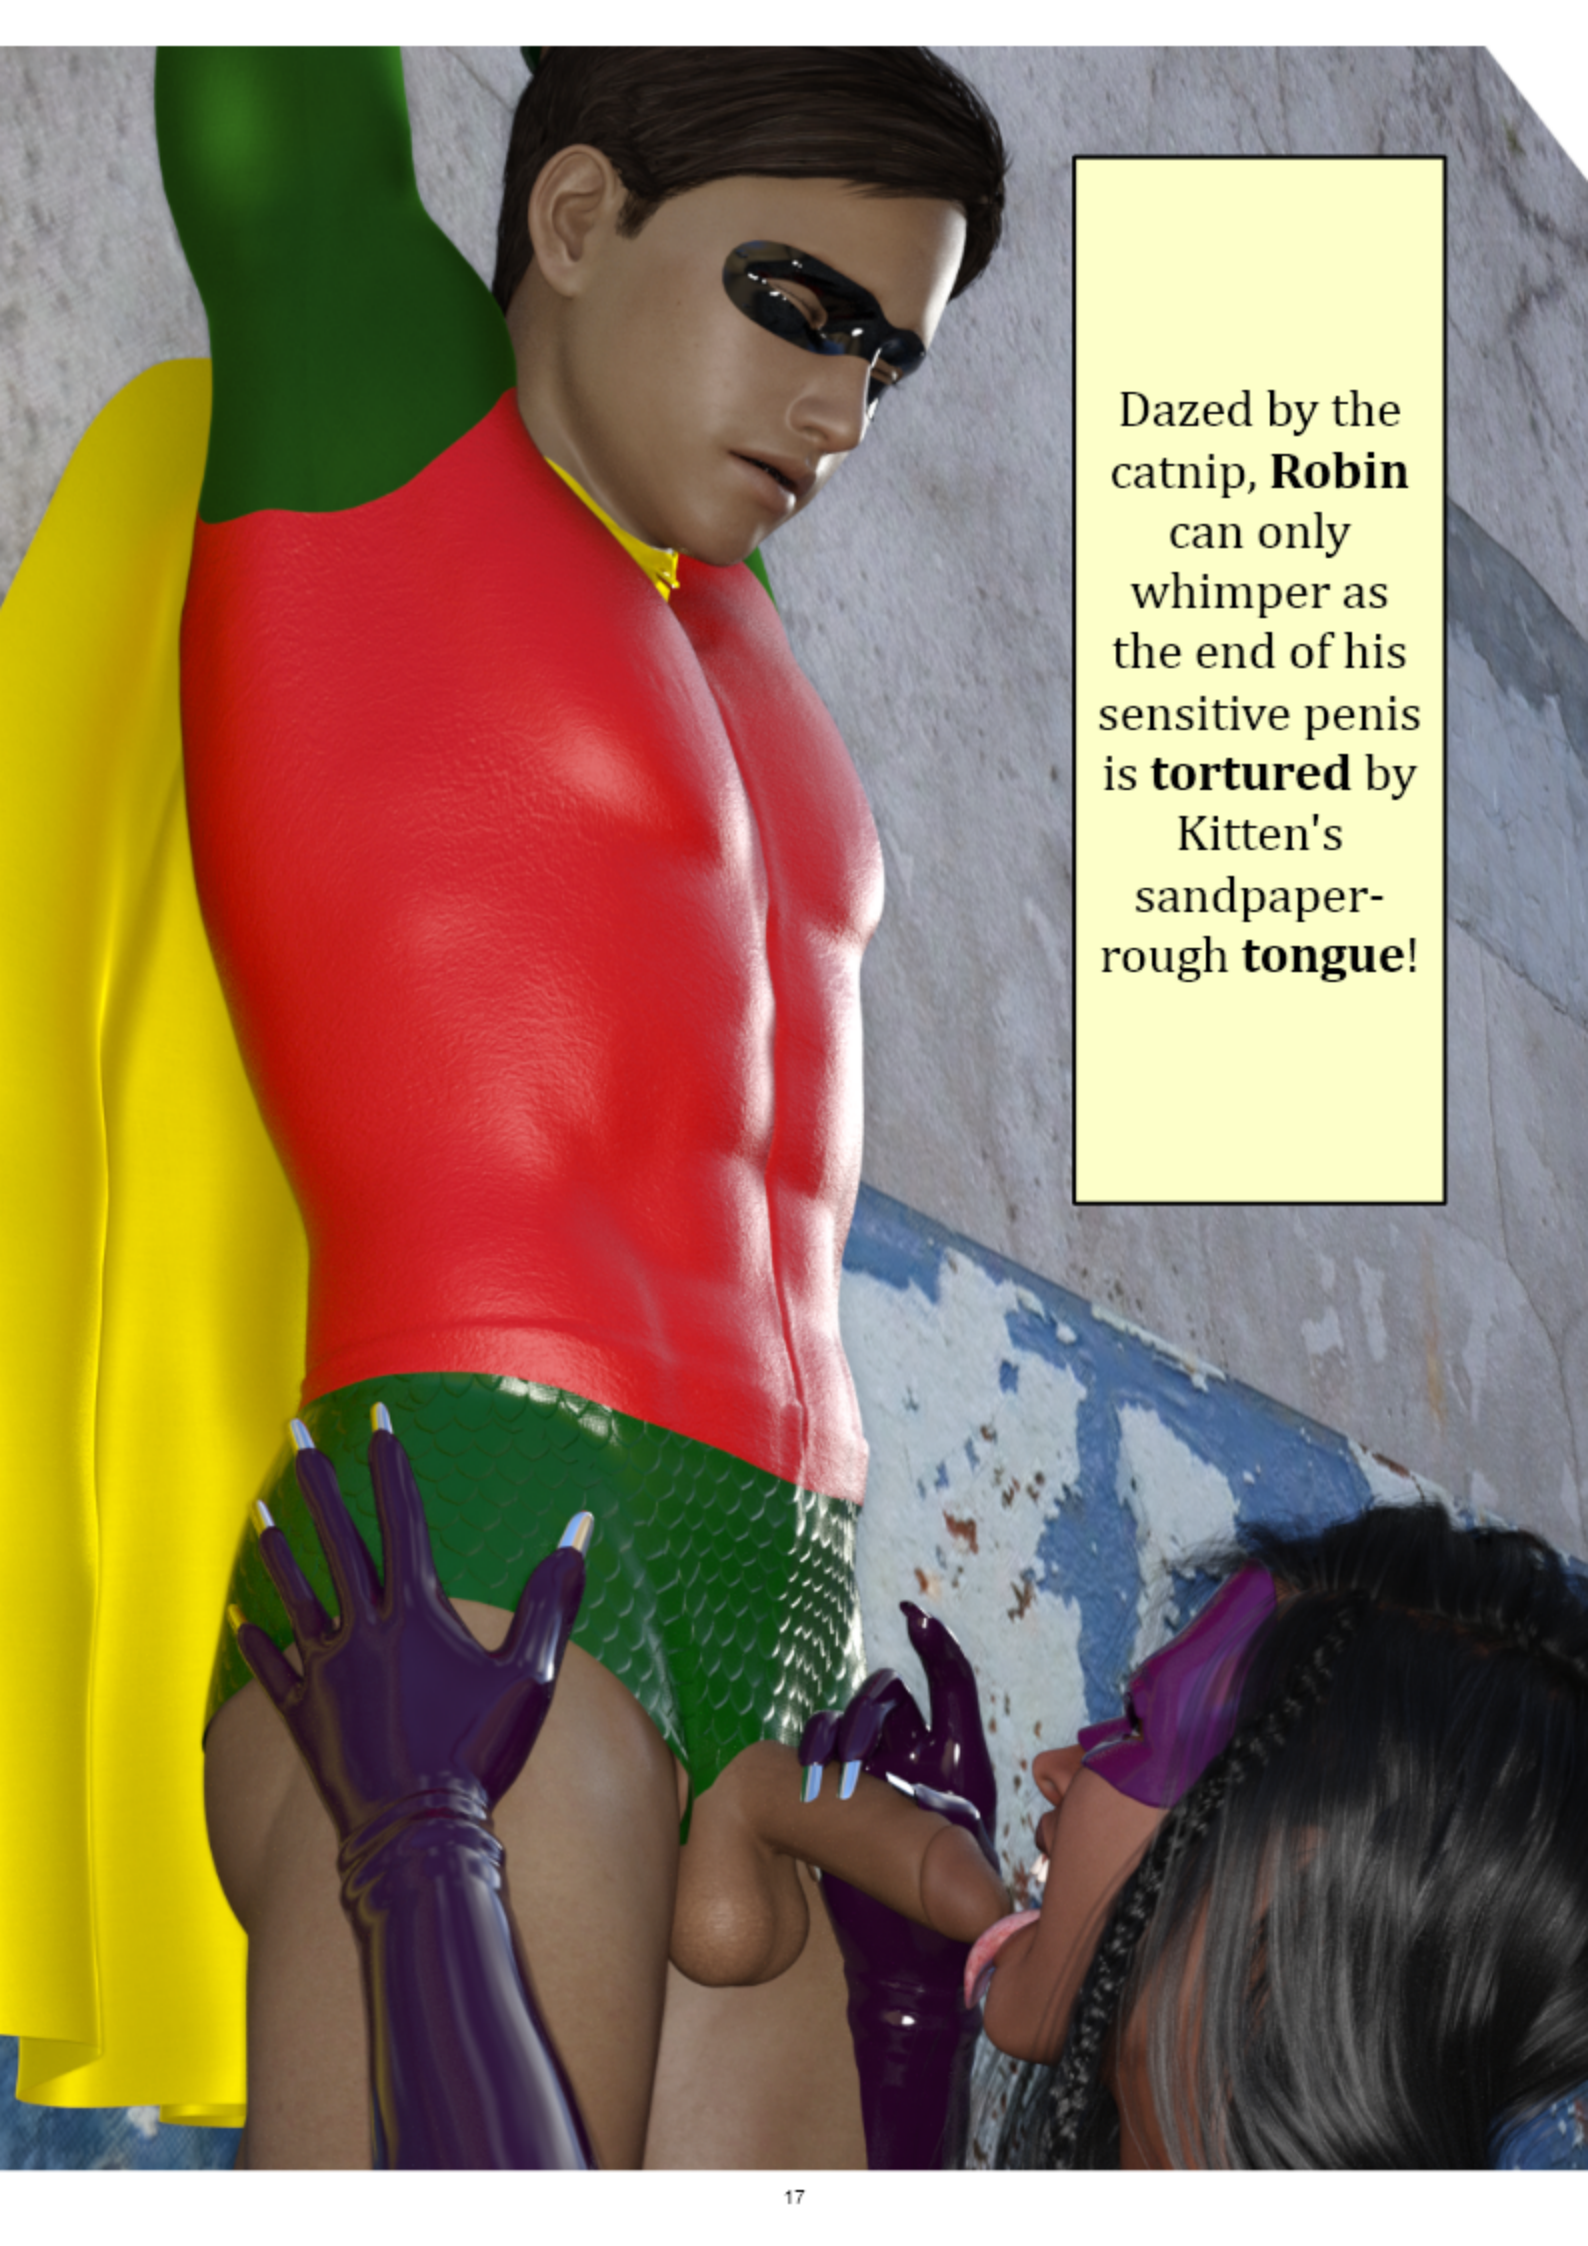

Gulp!

Haha!

You have a very nice batpole, **Robin**, I look forward to sliding **down** it later...

Dazed by the catnip, **Robin** can only whimper as the end of his sensitive penis is **tortured** by Kitten's sandpaper-rough **tongue!**

Once he is unable to cum, **Robin** is led off to **Catwoman's** lair!

**OH NO!**

The Teen Wonder, a helpless captive?! Batman, unaware?!

**Next time:**

**CAT GOT YOUR TONGUE?**
