A futuristic scene featuring a woman with a metallic, shimmering body and a woman with purple hair and glasses. The metallic woman is standing in the center, looking towards the woman with glasses. The woman with glasses is on the right, looking at the metallic woman. The background shows a control room with various screens and panels.

but if  
it makes you more  
comfortable...

I can  
assume a more...

I'D ALREADY BEEN THINKING ABOUT TRYING A NEW LOOK, ANYWAY...

UH...WOW, JAE, THAT'S...QUITE A CHANGE!

YOU LIKE IT? I FIGURE...WHAT THE HELL, RIGHT?

I CAN LOOK HOWEVER I WANT, SO WHY NOT PULL OUT ALL THE STOPS!

A character with a mohawk hairstyle, blue eyes, and a fishnet top is shown in a futuristic, industrial setting. She has tattoos on her arms and is holding a small object in her hand. The background features a wall with a grid pattern and a screen displaying green data. Two speech bubbles are overlaid on the image, containing text.

BUT FOR  
NOW, THE SHOW'S OVER -  
I NEED TO TELL YOU ABOUT  
SOMETHING MUCH MORE  
IMPORTANT...

...IT'S NOTHING  
LESS THAN A CHANCE  
FOR US TO HELP CHANGE  
THE WORLD!
