

It worked!

It's good to be young again!

My grandson has always been a busy man and he doesn't have a time to find a beautiful girl like this

It's my duty to help him with that!

That's the reason why I'm hiring this girl

I'll make sure my grandson will have a child
to continue our *bloodline!*

But before that...

I need to know her body more..

Let's see what you've got..

Nice butt!

Ohhh, It's so wet down there..

I'm not satisfied yet.. let's bring out the toy
that I've ordered for her

This will be fun!

Wow.. It feels better than I thought..

Fuck.. I'll never want to be a man ever again!

Imagine her pussy getting fucked by a real penis...

Just thinking about that, makes her pussy wet once again!

But this pussy belongs to my grandson, one and only!

I can't wait for my grandson's arrival
