WE CAME WE SAW. WE CAME AGAIN.

So...

You wanna fuck me just to piss them off?

...

I'll take that as a yes.

@GULFEA-4ING

He's my son now! He can't talk to me that way!

God damn right.

And just where the hell do they think they're off to!?

Mommy's been dirty and she needs a thorough cleaning.

Mom!

How the turntables.

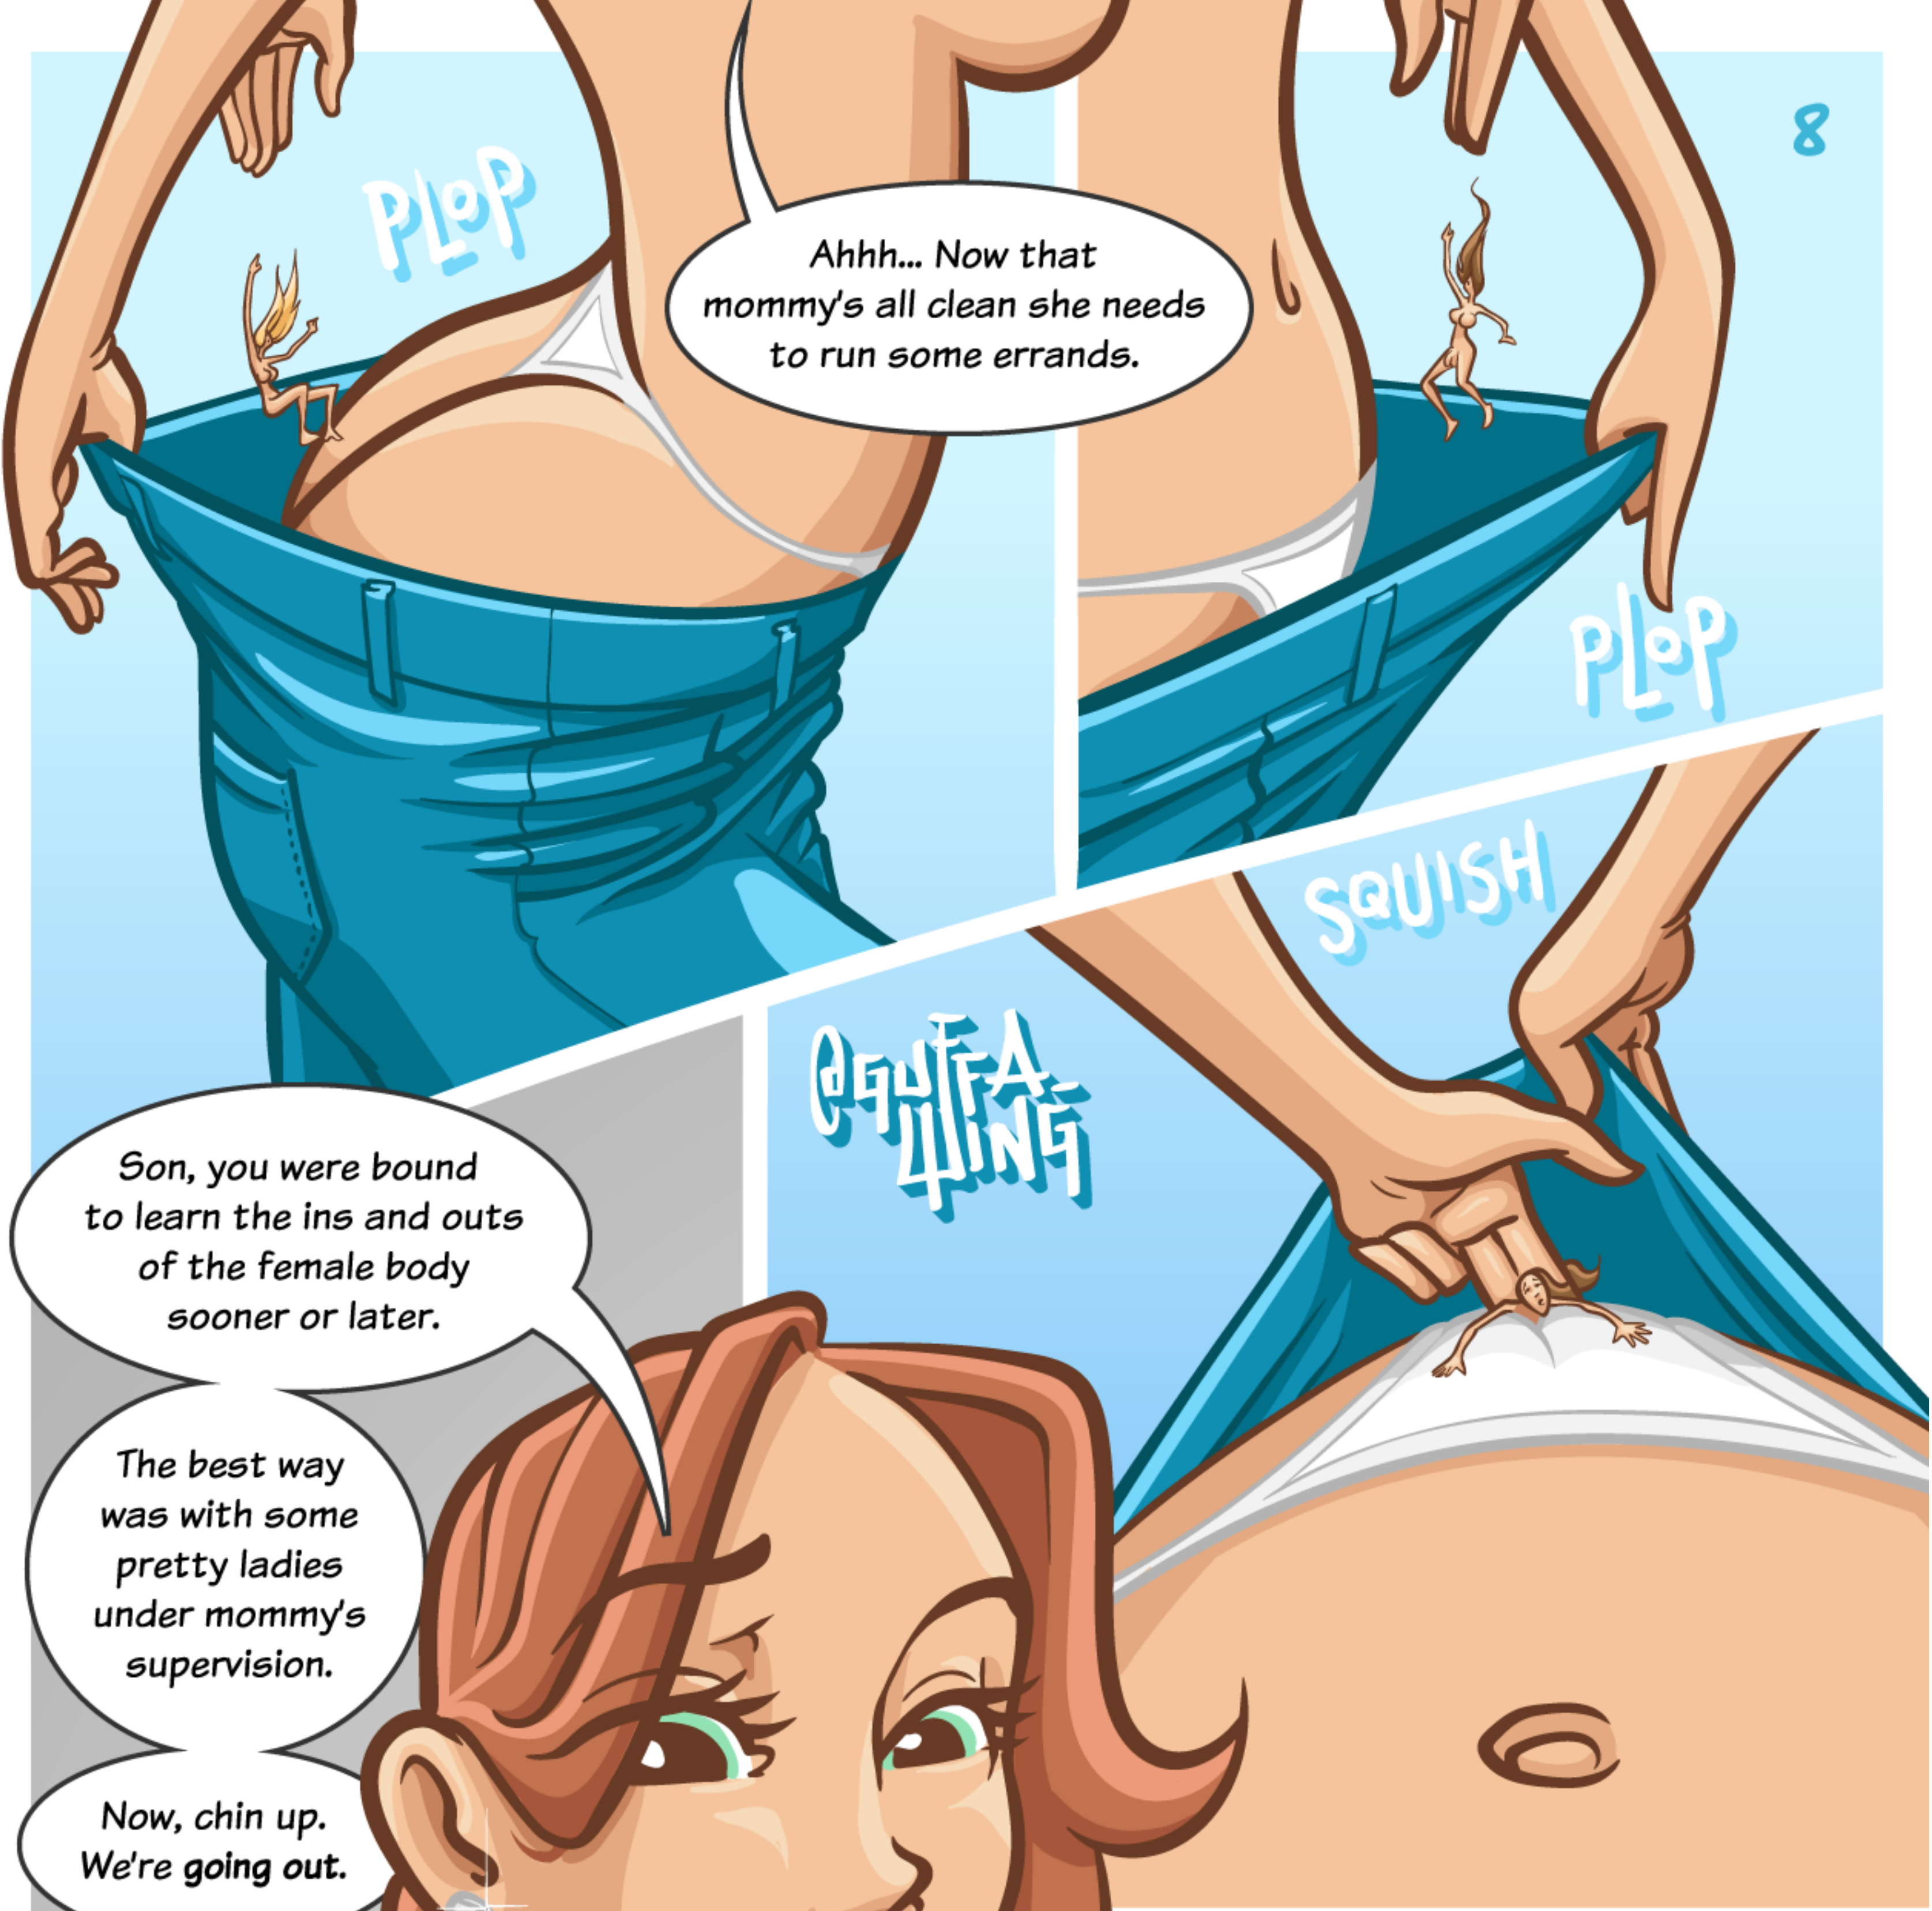

If you don't want to be my first snack then get to work.

\*Sigh\*

@94FA-4ING

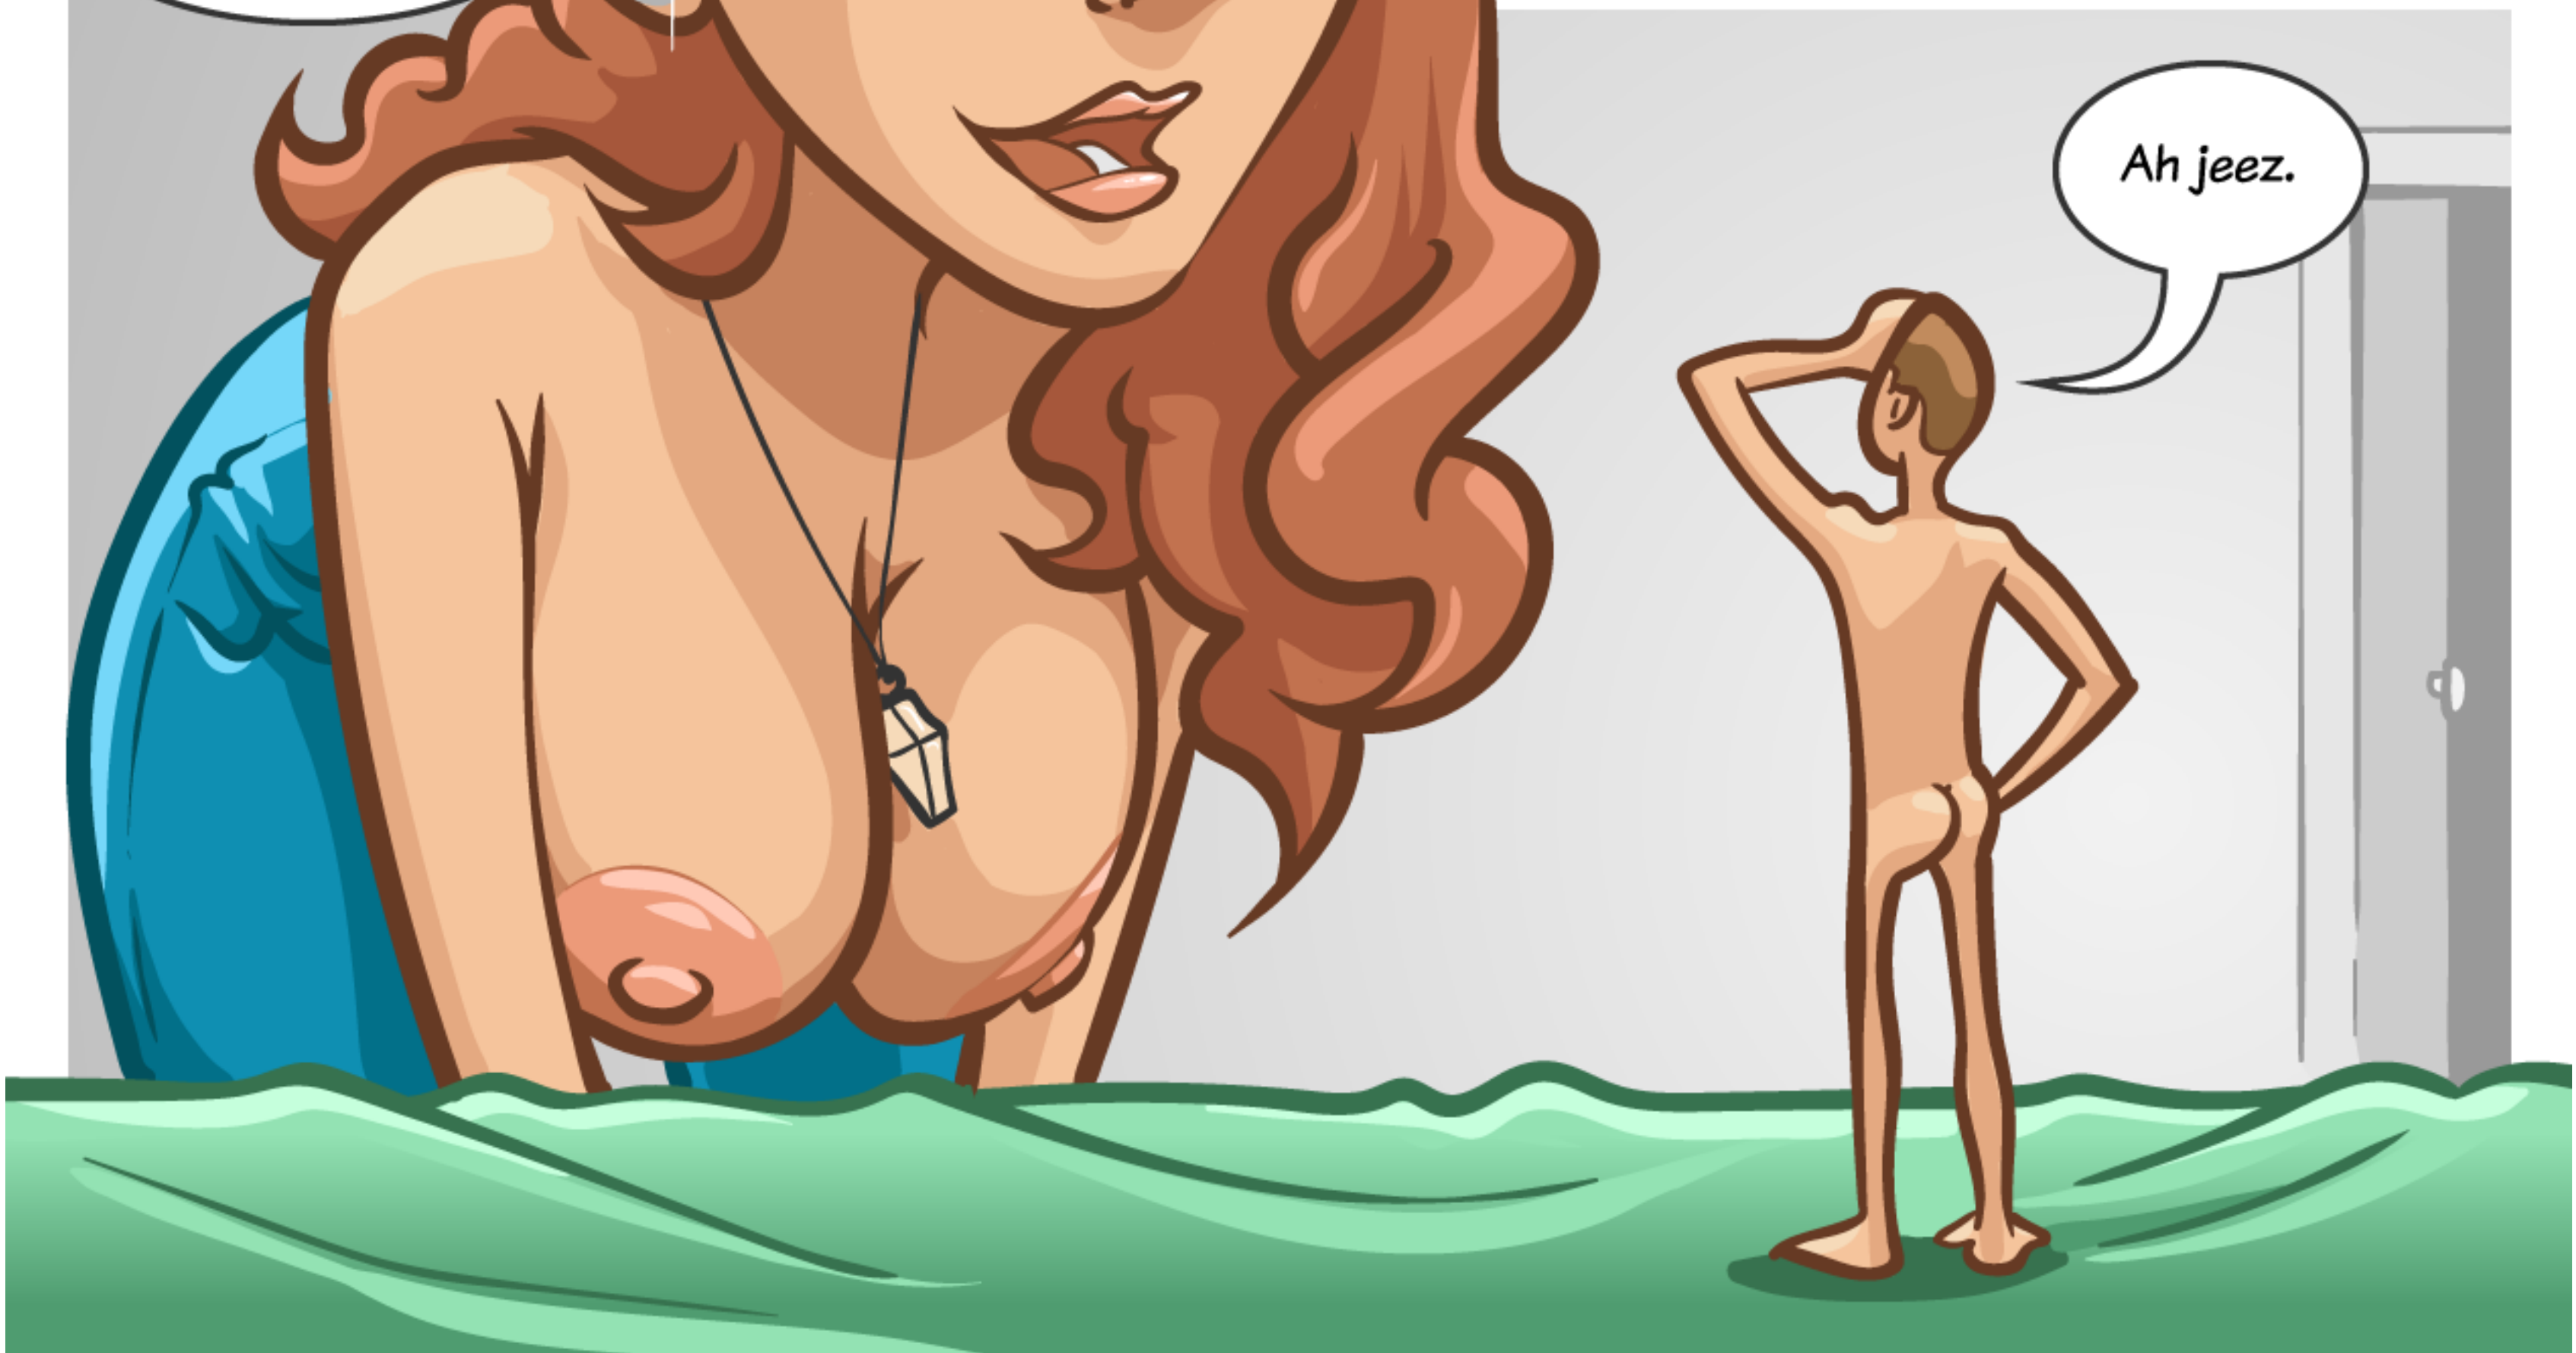

Ahhh... Now that mommy's all clean she needs to run some errands.

Son, you were bound to learn the ins and outs of the female body sooner or later.

The best way was with some pretty ladies under mommy's supervision.

Now, chin up. We're going out.

Ah jeez.

How's the view down there?

This is humiliating, mom.

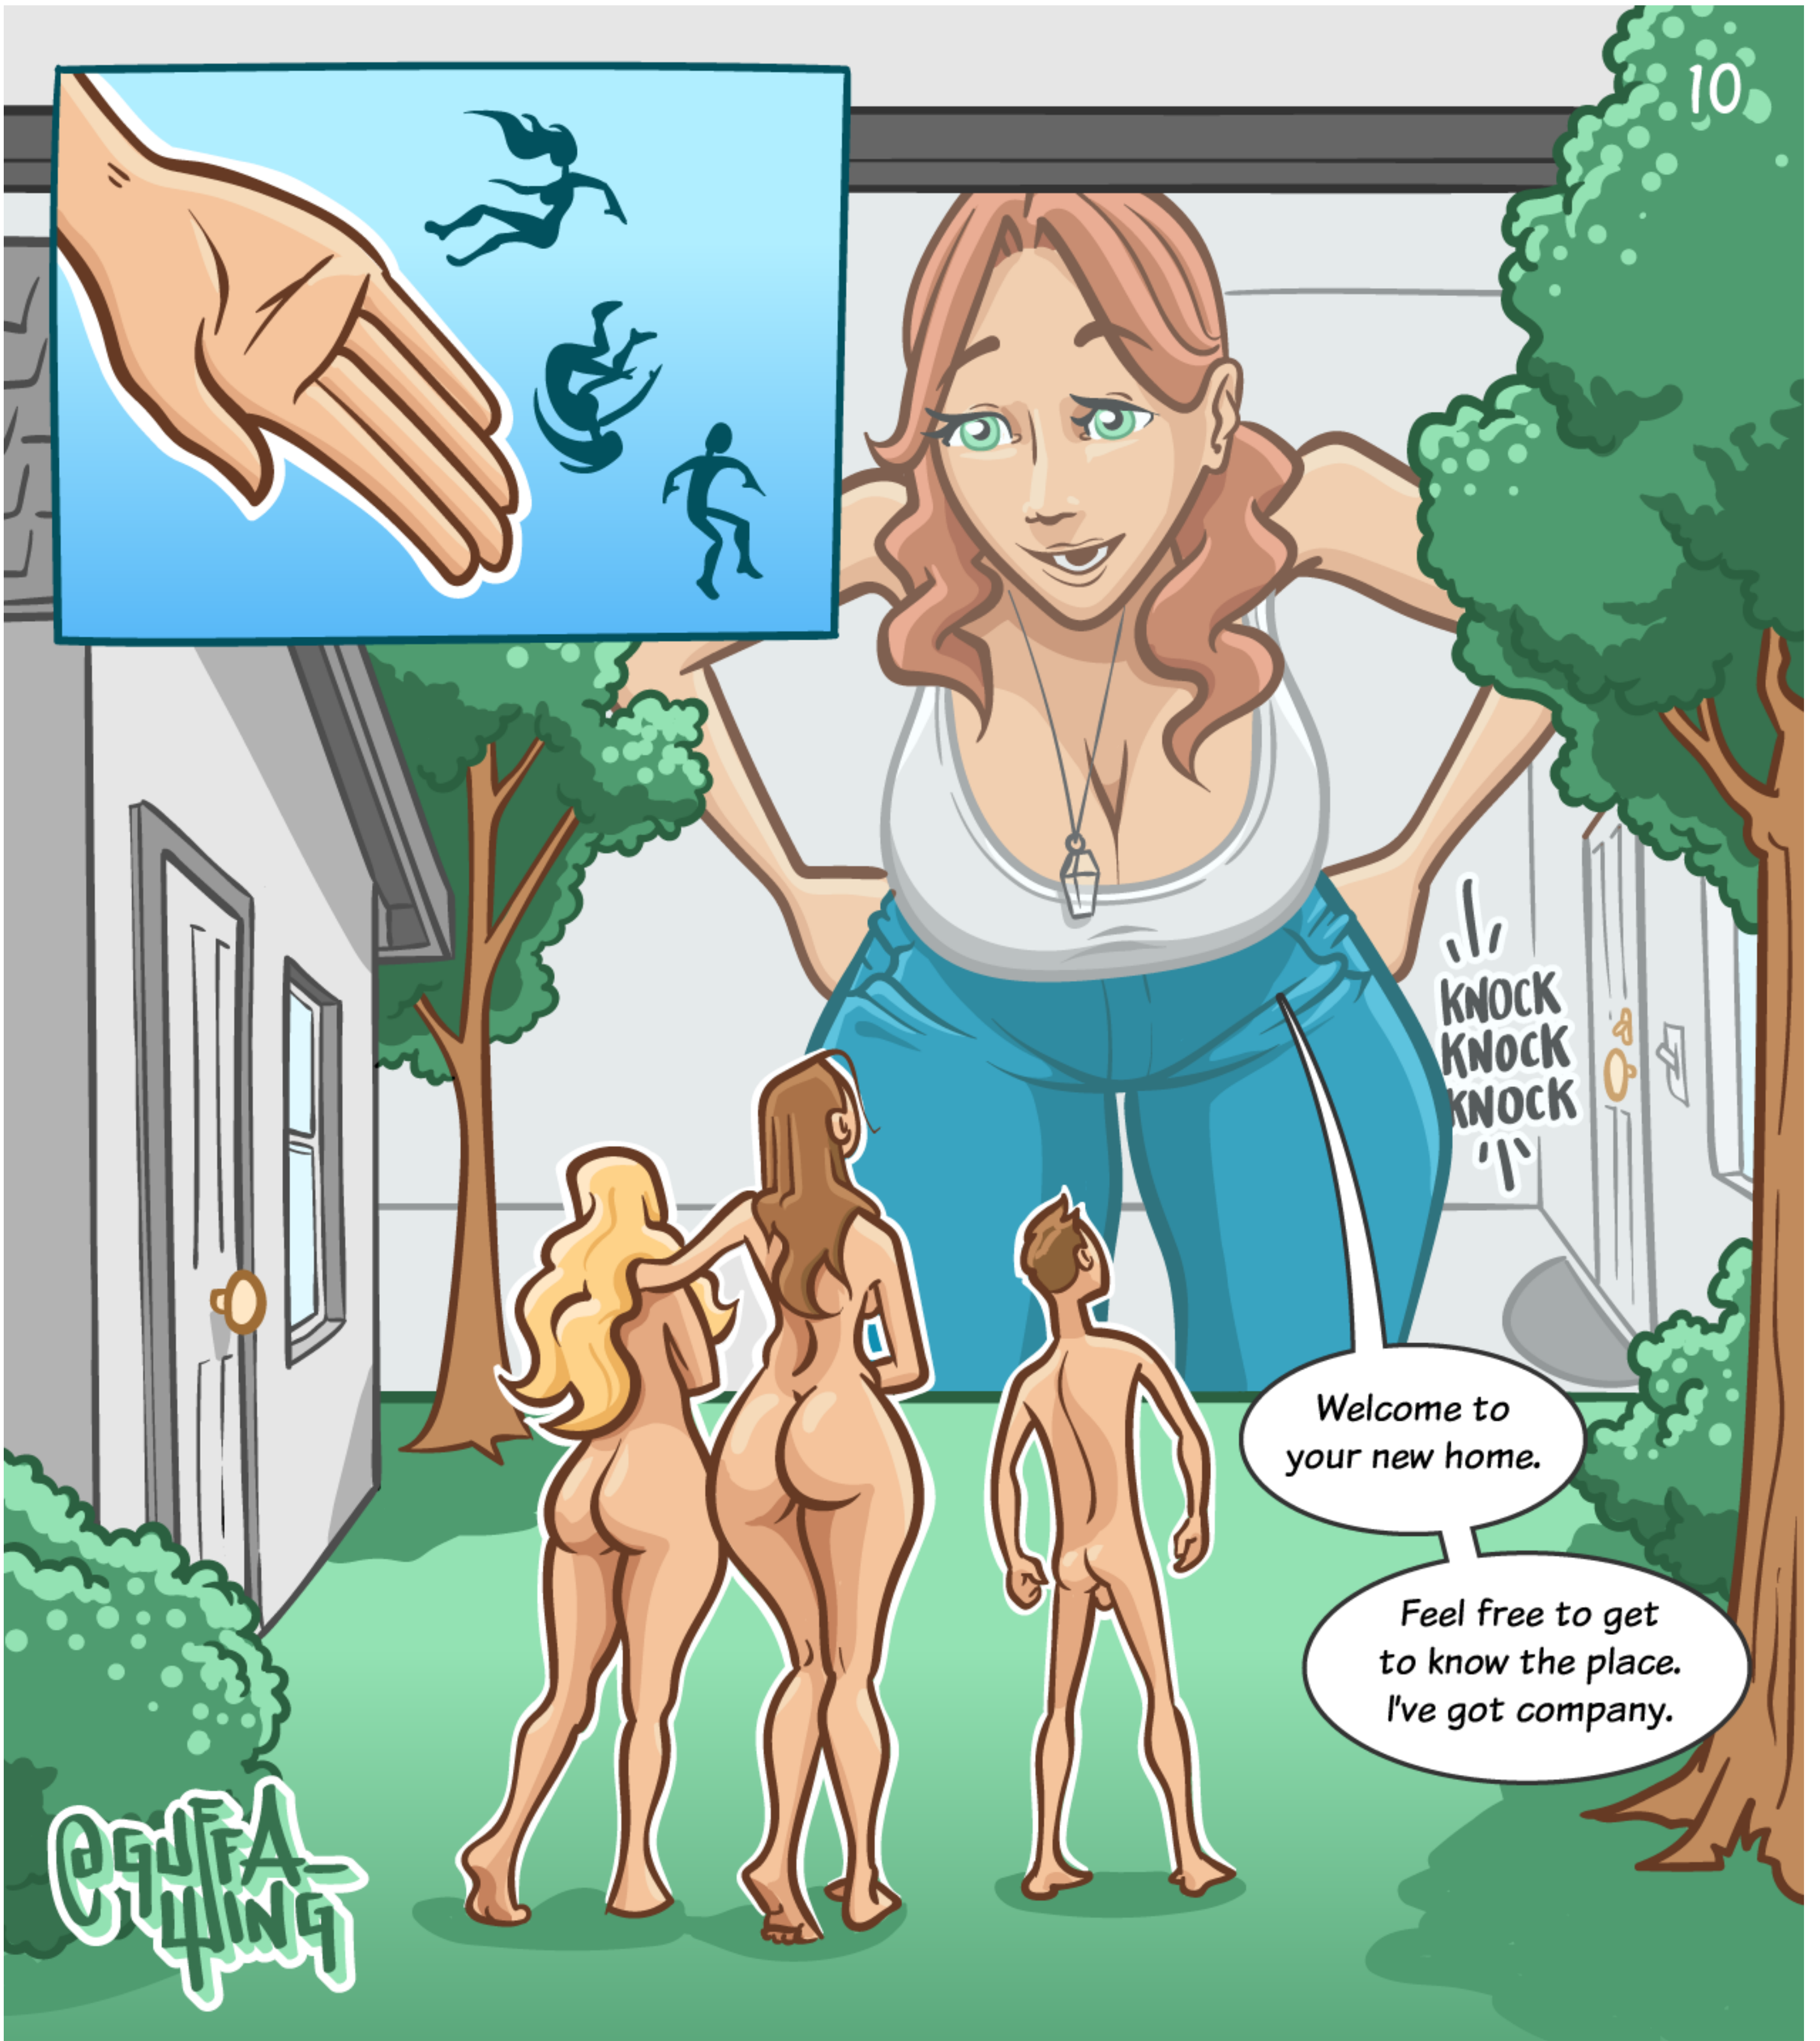

There's always my sweat to drink if you two get hot down there.

Hmm!!!
