## Chapter 1

In the world Jaden lived in was not a normal one. There were very few humans and it was ruled by monsters. He was one to, a monster that is specifically a rare breed of lamia plus he was a male lamia.

Jaden was tough and cute, with his wild brown hair, cute pointy ears, sexy upper body, and long brown coils. His tail matched his hair, with the lighter side as his underbelly. Still no matter how much he explored no matter how much he battled he was sad.

He kept searching for something. He knew what he was searching for a mate. His sisters all had their own mates, even his little sisters at least had 1. Everywhere he looked there just didn't seem to be anyone for him. He collapsed in the sand and decided to make sand angels.

“Jaden what are you doing?”

“Oh big sister, nothing...” he slumped down. He had many sisters, this one being Apophis the cobra like lamia. She had three men on her, two sucking on her breasts desperately humping against her scales and another lapping at her pussy like a man who'd been lost in the desert for years and finally found water, his cock was securely locked in her fuck hole. The secondary opening lamias had. “A whole lot of nothing.”

“Want to play with one of my boys, they quite enjoy anal. I've fucked them with my tail they like it.”

“Thanks, but I want my own mate.” he folded his arms across his chest. It wasn't like lamias didn't share mates, but for

Jaden it was different, since he didn't even have 1 to call his own. It was common practice, swapping mates for a time to teach them a thing or two, or to end up in an orgy pit together. Apophis sighed, it wasn't fair really Jaden was a good looking lamia male, with two nice big cocks, he deserved to find a mate he could drive insane with pleasure.

She went back to the village, to discuss this with the others, and the all agreed and began making preparations. When Jaden returns the lamias are waiting for him mates tucked away in their beds already. “Ehh what's going on?”

“Jaden, we need to speak with you.” she revealed a small golden arm band in the shape of a snake. “This is a shadow charm, it will allow you to take human form and pass into another world.”

“Another world?”

“Yes, there are other worlds beside this one, in the world you'll be going to, they play a game called Duel Monsters.” they showed him the cards next.

“I've fought these guys before.”

“Yes, in this world they are as real as you or I, but in their world, only a few monster spirits are able to traverse the world without great magical price.”

“Am I being banished?”

“No!” they hugged him.

“Jaden, you are unhappy here. We believe you can find your own mates if you go to this world.”

“Really?!” he brightened up. They nodded and handed him

the charm.

“This is a shadow charming, it belonged to the great queen of snakes. It will allow you to be able to shift to the new world as well as take human form.”

“You'll be able to keep some of your powers, but be careful when using them.” Jaden put on the charm and he became human but he had two cocks instead of one, and well endowed.

His sisters blushed at his size. One of them cooed. “Why don't you stay here after all...” She was quickly nudged in the shoulder. “I was kidding...mostly...”

“Before you go Jaden,” they provided him some clothes and a deck. “We infused these cards with our power and spirit, so know that we will be with you.”

“Thank you, all of you.” he got dressed and took the cards. “I'll miss you!” The shadow charm glowed and Jaden vanished in a sea of light.

The lamias were sad to, so no better way to cheer themselves up an orgy!

-x-

Jaden appeared in the human world. It took him a few days to get used to things. He used his powers to build a life for himself, and learned about dueling along the way. He learned a few names, Yugi, Kaiba, and Joey. He learned the rules and found it fun.

This was what he had been missing, excitement a challenge. Plus the perfect way to find mates. He learned of a school that

taught dueling it was perfect. He just had to get in.

“I got my cards, and my disk now I just gotta get in!” he accidentally bumped into a guy and was given a card. A Winged Kuriboh. Jaden sensed something special about this card.

He made it to the test site, and the arena was filled with duelists and holograms. Jaden's eyes sparkled at all the duels. While Jaden was getting more and more excited, another boy was getting more and more nervous.

Syrus was shaking, he barely passed the written test, major test anxiety. Now his practical exam was coming up and he was shaking like a leaf. 'Oh man oh man oh man, what am I gonna do?'

“Hey there,” the boy looked up and saw Jaden towering over him. “My name's Jaden, what's yours?”

“Syrus,” he blushes slightly. The two shake hands.

“You seem a bit nervous.”

“I have test anxiety. Doing stuff like this makes me nervous.”

“You should relax, duel with all your might and win or lose you can be proud you gave it your all.”

“But what if my all isn't good enough.” Jaden sighed.

“Oh I got it!” Syrus blinked at him, and suddenly Jaden kissed him. His eyes widened in shock. The kiss drew on, and Syrus shivered. His penis throbbed in his pants. “Leave it to me I'll help you relax.” He winked at Syrus and dropped to his knees.

Syrus was too stunned to stop him, by the time he came to his pants and boxers were around his ankles. His hard uncut 5 incher sprang up and twitched under Jaden's gaze. "J-Jaden!" 'Hmm, the scent of arousal!' he thought before quickly consuming the boy's hard dick. 'Ohh the taste is just as exquisite!'

Syrus moaned, as the heat of Jaden's mouth surrounded him. 'So warm and wet!' he panted and moaned, his body shaking. Jaden was loving the boy's cock, the feel of his length sliding along his tongue. He hummed in approval and Syrus' knees buckled.

They were not alone as another boy named Bastion watched the scene from afar. His cheeks burning and cock throbbing. Syrus was in heaven, every suck to his hard cock making his body shiver. His tongue was not motionless either. Flicking and caressing the boy's erection. Talented tongue as it was it pushed back the boy's foreskin and swirled around the sensitive head.

The poor boy couldn't hold back, he came. Ropes of cum spraying into the masked lamia's mouth. Jaden shivered, tasting the first drops of semen, he could feel his power surging.

He sucked the boy's cock clean, letting the rod slip from his lips. He tucked the boy back into his pants and underwear. "Feel better?"

Syrus could only nod, his whole body felt hot and tingly. His name was called and he went to his exam. "Good luck!"

Jaden had sensed another presence but was too excited to stop. 'My turn should be next.'

It was indeed Jaden's turn, but you see Crowler one of the professors at Duel Academy. If there was one thing he detested was slackers. He'd been watching the exam for some time now and he was disgusted with many of the performances. 'I'm gonna show these slackers what real dueling is, and show them they are not welcome at this school!'

He was Jaden's opponent and instead of using a test deck he was using his own deck.

Bastion had finished his duel, passing with flying colors. He took his seat in the stands. "Hey there," Bastion turned and saw Jaden. "You got some sweet moves."

He tried not to blush. "Thank you."

"You might be the second best duelist here."

"Second? Then who is the first?"

Jaden smiled. "Me!"

Jaden's name was called and he headed down to the arena. Last duel of the day so they had the whole place to themselves. The Obelisk Blue and Ra Yellow students watched from above.

The duel began and Jaden got to go first. "I play, Lamia Sister #1 in Attack mode." The red haired lamia appeared on the field.

Lamia Sister #1

A red haired red scaled snake woman, she wears a red top,

and has ruby red eyes.

3 Stars Water - Reptile/Effect: All Water Monsters on your side of the field gain 400 ATK/DEF.

ATK 1500 DEF 1600

The crowd gasped. “He's using a lamia deck no way.”

“He's got to be crazy.”

“What's so crazy?” Syrus asked Bastion.

“I've only heard rumors, but strange things happen around Lamia cards. It's said having just one in your deck gives you strange dreams, but running a full deck makes you disappear.”

“That's just silly rumors right?”

“It was enough for Pegasus to recall all the cards.”

-X-

Crowler was not so concerned, though little was known about the lamia cards he was sure he could handle it. “Thanks to my monster's special ability all Water monsters on the field gain 400 ATK and DEF points.” Her ATK jumped to 1900 while her DEF was boosted to 2000. “I'll throw down a face down and call it a turn.”

“Pretty simple move for a rookie.” Crowler didn't hesitate to show off his powerful cards. Using his Fiend Token Heavy Storm combo he destroyed Jaden's trap card and got 2 tokens so he could sacrifice them. “Now I summon Ancient Gear Golem!”

The huge creature towered high above. “Pretty good move teach.”

“Yes, quite now Ancient Gear Golem destroy his lamia!” His golem attacked and destroyed her.

Jaden's life points dropped to 2900.

“Next I play a spell card.” this spell at the cost of 1000 life points let Crowler look through Jaden's hand and destroy 1 card from it. He saw Lamia Shirohebi in his hand and destroyed her.

Crowler: 3000

“Don't feel bad, you never stood a chance against an elite duelist like myself...” he thought Jaden had been crying but instead the boy was laughing.

“This is great, I'm definitely going to this school now, so many things to learn and duels to win.”

'Win he must be joking, I will wipe that smirk right off that face.' he ended his turn. To his shock Lamia Shirohebi appeared on the field. “What's going on!?”

“Oh you see when Shirohebi is destroyed by card effect she can be special summoned back to the field. So thanks Teach.” Crowler grumbled.

Lamia Shirohebi

A long haired white lamia girl with scales of pure white, she has red eyes and wears a white kimono.

4 Stars Water - Reptile/Effect: Once per turn you can bring back 1 lamia monster from your graveyard. Should this card be destroyed by card effect bring it back on your next turn.

ATK 1600 DEF 2500

“Now I can activate Shirohebi's ability and bring back my Lamia Sister #1 from my graveyard.” the red haired lamia appeared and their attacks grew. Jaden switched them to Defense mode.

Lamia Sister 1900 and Shirohebi 2000

“They are still not as powerful as my Golem, a simple mistake.”

“Oh I'm not done.” the card he drew was Winged Kuriboh. The creature cooed. 'You want me to play you?' the card cooed again. 'Alright!'

“To end my turn I summon Winged Kuriboh in Defense mode.”

Crowler laughed. “Such a beginner, a Kuriboh even one with wings is no match for me. As even a monster in defense mode my Golem can inflict piercing damage.” he had the golem attack Kuriboh. While the little guy was destroyed, Jaden's life points didn't go down. “Check your gear it's clearly malfunctioning.”

“Nope gear's just fine, you see when Winged Kuriboh is destroyed by battle I take no battle damage.” Crowler twitched in anger.

“So your little fur ball saved you for one more turn.”

“Hey you don't need to insult him.” Crowler laughed.

“I forget how attached you new duelists are to your cards.” he shook his head.

“These cards of mine, we have a bond.” he drew his card and smirked. “Let me show you the power of a lamia!” he summoned a new monster. “I summon Lamia Medusa!”

Lamia Medusa

a small chested snake girl with snakes for hair and pointy ears, her scales are a stone gray color and tough as stone to.

4 Stars Water - Reptile/Effect: Once per turn you can target a monster your opponent controls that monster's attack and defense are reduced to 0, until this card is destroyed. Should any card also attack this card and fail to destroy it reduce that monster's ATK and DEF to 0.

ATK 1800 DEF 2200

When she appeared she got an ATK/DEF boost thanks to Lamia Sister #1.

ATK/DEF 2200/2600

Crowler laughed, “There is nothing you and those silly snakes can do to stop me. My monster still has more ATK power.”

“Not for long,” Jaden smiled and so did Medusa.

She looked at the Ancient Gear Golem and it began to turn to stone. “My monster!” It's ATK points dropped to 0.

“Go get him girls.” The lamias attacked, the golem was ripped to pieces and Crowler got some tail slapping, much deserved.

His life points dropped to 0 and Jaden was the winner. It came as quite the shock, even Crowler. Still once the shock wore down the crowd erupted into cheers.

Jaden was going to duel academy, he couldn't wait.

To be continued

## Chapter 2 The First Day Dorm Placement

The students were brought to Duel Academy Island by helicopter. Some looked on in excitement, others like Syrus looked on with nervous attention. Jaden however was taking a nap.

Once arrived at the Duel Academy, the students were given uniforms and a PDA. It worked as the student hand book, as well as could be used for communication, and virtual practice duels. The male students went to the locker rooms to get changed.

Syrus was a little shy stripping in front of other boys. “What's wrong Syrus?” the boy turned to see Jaden, already naked. His eyes roamed Jaden's prone form, though his eyes widened when they came to Jaden's crotch.

'Two dicks!' he thought and gasped. Jaden followed his gaze and laughed.

“Hehe, I guess it might seem strange to you but where I come from many males have two cocks.” Jaden's nudity did turn some heads. Bastion Misawa for instance was doing his best to hide his arousal. It wasn't just the fact he had two but the size was tremendous. Both dicks were 11 inches long and were on top of each other, and his balls were huge as well. He had this other worldly air around him, he stood with confidence, even in his birthday suit. The only item on him was the strange gold band on his arm.

“I-I see,” Jaden put a hand on his shoulder. He got close to

whisper something.

“You don't need to be shy, if you are feeling nervous I can always help you relax.” Syrus blushed.

“I got it!” he gasps and begins to strip. His cock is already semi hard, he quickly tucks himself into the red underwear provided. “You don't need to make fun of me.” he wasn't use to people being so nice to him. When in doubt, self doubt.

“I'm not, I think you are quite cute. You would make a fine mate.” he says with a pure and honest smile. Syrus's face goes red and he finishes getting dressed.

'M-Mate?!' he shivered at the thought. Jaden to got dressed he was clad in red attire as well. Red boxers gray slacks and undershirt and a red blazer. Syrus had to admit, Jaden was cute, and after what happened before he certainly had a hard on for him. Just being around the boy made his heart flutter.

The students assembled for the opening assembly by the chancellor. He gave the usual welcome speech, and dismissed the students to take their stuff to their dorms. Jaden and Syrus were sitting outside looking at their PDA's. “So the academy is split among 3 dorms. Obelisk Ra and Slifer. Looks like I'm in Slifer Red.” he says. 'Naming the dorms after the Egyptian Gods I get but something seems off.'

“I'm in red to.” Syrus says, feeling a surge of joy. The girls also got their own private dorm.

Bastion came out and saw the two. “Hey there Bastion you in Slifer Red to?”

“Not quite, I'm in Ra yellow.” he tapped his blazer.

“Ahh I see so your underwear must be yellow as well.”

Bastion blushed at the comment.

“Quite,” Jaden chuckled.

“Well it'll be nice to see you around the dorms.”

“I don't think we will, your dorm is over there.” he pointed in the direction they needed to go. 'It is strange, with Jaden's skills he should have been in Ra Yellow at least.'

The Obelisk Blue dorm was the biggest and the fanciest. The students were treated to 5 star dining and living quarters. They each had their own private bathroom, not to mention the Obelisk Bathhouse, and their own private dueling arena.

Ra Yellow's dorm was quite nice, each person got their own room, it was spacious and had it's own bathroom. The food was excellent and well prepared. The Ra's got to use the Academy's Bathhouse. They to had their own dueling arena.

As for the Slifer's Dorm...well...

Jaden and Syrus walked quite far from the school. “Ehh this is our dorm!” It looked run down, they didn't have a dueling field. “Why is our dorm the only crappy one.” Syrus took a step and his foot fell right through the stairs. “Wahh!” Jaden caught him.

“Easy there buddy.” he looked around. 'This is strange, the Egyptian Gods were all equally powerful why is there such a vast difference in the dorms.' Jaden having lived his entire life in a world of monsters knew about various lore. He had met many a monster in the past after all. “Well it does have a nice view at least.”

They found their room. It seemed they'd be sharing a room, every room had 3 to one room. "It's small, but as long as I have enough room to live in and rest my head I'm good."

"But you know it is strange that we would also be roommates, it's almost like destiny." he blushed.

"Do you believe in such things Syrus?" he cupped the boy's chin and looked him right in the eye. His cheeks heated up even more.

"I-I uhh," he couldn't focus. 'Jaden is so close to me.'

"Well I believe we make our own destiny." he captured the boy's lips. Syrus gasped, which allowed Jaden to deepen the kiss. His brain couldn't take it, his eyes grew heavy and his legs grew weak under the kiss. Jaden supported him by cupping his crotch.

Syrus moaned and bucked into the brunette's grasp. Jaden palmed him, swallowing every moan he made while tasting him with his tongue. The stimulus to his cock, and the powerful kiss, Syrus felt the heat stirring in his loins. He still wasn't used to this touch and attention. The friction to his crotch, had his hard on rubbing in the tight confines of his underwear.

He was getting his crotch so wet, with his essence. Soon he could no longer hold back and came, soaking the front of his boxers and pants with cum. He shivered and collapsed but Jaden caught him and held him close. "Yo tasted divine." he whispered.

Syrus gasped, feeling his heart flutter.

“Oi!” the two jump. “If you gonna be all lovey dovey do it elsewhere I'm trying to sleep!” a boy appeared from the top bunk. Jaden felt a strong beastly aura from him. Syrus jumped and clung to Jaden.

“Des Koala!” he cried.

“I'm no koala!” he snapped. “I'm your roommate Chumley Huffington.” he introduced himself. “Could you guys do that elsewhere.”

“Jealous, did you want some attention?” Chumley blushed, and turned away.

“No!” he coughed, shifting his growing manhood into a better position. “Anyway, you guys don't seem to know how things work here.”

There was a cute little guide featuring Chazz an Obelisk Blue student, Bastion a Ra Yellow student, and Jaden a Red student. “You see this school is broken down into 3 categories, Blue students are those with money or connections, the elite who got the best grades and came from prep schools. They are given the best of the best. Next are the Ra Yellow's they are the best out of those who did the practical exam and entrance test. They are given pretty nice rooms and food to. As for us, we are the Red Wonders.”

“Wonders?” Syrus thought hopefully.

“Yeah as in, I wonder how long till they drop out.” he sighed laying back. “We are considered the worst of the worst and treated like it to.”

“So we really are the worst.” Syrus said glumly.

“That's not true, the school year, so we can't be the worst.” he ruffled Syrus' hair. “Anyway I'm rather partial to red, the color of flames and passion.”

Syrus blushed, but felt inspired.

“I'm feeling restless let's go explore.” Jaden heads out, and Syrus quickly follows after him. Once the two were gone Chumley removed his pants to reveal his hard 4 incher, the fat cock pulsed in his hand as he pleased himself.

-X-

“Jaden I was thinking can I call you something special?”

“Something special?” he asked.

Syrus blushed, and twiddled his fingers. “Yeah you know...like master?”

Jaden chuckled. “Well I'm not opposed to such a name, but might raise some questions in public.”

“Right...how about Big Bro?”

“That sounds good.” Jaden pulls Syrus in for a kiss, his tongue quickly invading his mouth. The boy moans, his body trembling as his tongue was toyed with. His knees got weak, and his cock hardened again in his cum soaked pants.

Jaden pulled back and the two walked

They got close to the academy when Jaden stopped and sniffed the air. “There's dueling action that way, let's go!” he took off running having Syrus chase after him.

Syrus blinked. “Big Bro, wait up. How do you know there's action this way.” he couldn't hear anything.

Jaden hummed and took a whiff of the air. “I can smell it!” yes the smell of action and adventure. They entered the arena and it was a sight to see, it had the most advanced technology.

“Hey what are you drop outs doing here?” two Obelisk blue students intercepted them.

“Red students aren't allowed here.” the other said.

“Well we are all students here why should it matter?” Syrus was intimidated.

“You see that,” he pointed at the Obelisk crest. “That means this is our field so get lost!”

“Actually that just means, we can stay so long as one of you duel me. What do you say?” that shocked the blue students.

“Hey Chazz, this kid is the one who beat Dr. Crowler!” one of the blue boy's recognized Jaden. Chazz or Chazz Princeton sat up and looked at the two red students.

“I saw that match, you managed to beat Crowler although it was a sloppy job.” he chuckled.

“Umm who is this brat?” Chazz twitched in anger.

“Brat?!”

“That's Chazz Princeton, the next King of Games!!”

“Oh really? That's funny because I'm shooting to be king!” he smirked, and Syrus sighed. He knew this was gonna end badly.

“A drop out boy like you the next King of Games?” the two Obelisk twits laughed at him, but Chazz felt that Jaden was serious.

“If you think you can take me, we can throw down right here.” Jaden's lamia blood was pumping, he wanted to win, and to dominate!

“Why you...?!” before anything could go further, a girl with blonde hair intervened. The dorm welcome ceremonies were about to start, so the blue duelists walked off. This girl was Alexis Rhodes.

“You shouldn't get involved with Chazz, he has a bad attitude. Just know that not all Blue students are like him.” she apologized. “You should hurry the red dorm dinner is starting to.”

“I see, you've got good eyes, and I'm sorry for your loss.” Jaden says, shocking Alexis.

“How did?” the two took off running before she could finish.

“Big Bro wait up!” Syrus called after him.

-x-

“Big bro what did you mean about loss?”

“I could tell by her eyes, that girl has lost something very dear to her, and is searching for it. There was sadness, but also drive!” he smiled. “She reminds me of my own sisters.”

The blue dinner was underway fancy food, fancy plates, fancy drinks for all the Blues to enjoy. The female dorm was similar as it was also blue students but just girls. Yellow also had nice meals prepared but the Red dorm...

Three tiny fish, a bowl of rice, and some soup. Well some students complained Jaden was happily chowing down.

Professor Lyman Banner was in the middle of his welcome

speech when Jaden interrupted praising his food.

The two stopped and stared at each other for a moment.

'This guy...'

'This boy...'

'Is not human!' was the shared thought between them.

Banner smiled and dismissed Jaden's interruption. "Let's eat!"

Later that night...

Jaden was feeling restless, he hadn't expected to meet another non human but there you go. It was strange, it was like he was both human and not, he had a strange smell on him, and he could feel power coming from him as well.

"Big Bro, are you okay?"

"Yes, I'm fine, just excited is all."

"Feh, we'll see how excited you are when the next exams come. I'm so stressed, I could barely eat." Chumley says.

"You really need to learn to deal with your stress, I can help." Jaden smiled, while Chumley blushed.

"N-No thank you!" he turned around.

Jaden's PTA began to ring. "Hmm?" he answered it and it was a message from Chazz.

"Hey drop out boy, let's see if you are more than just talk. Meet me at the Obelisk Arena we will duel with the ante rule, loser gives up there rare cards."

"Sounds like fun!"

'He'll lose that attitude soon enough, this school will break

him and he'll drop out just like the rest of us with no future.' Chumley's heart ached, as Jaden and Syrus left.

-X-

“I thought you wouldn't come slacker.” Chazz greeted.

“And miss a chance to duel you and kick your butt never.” His smile turned into a frown as he glared at Jaden.

“You are gonna show me either it was dumb luck or skill that defeated Crowler.” they readied their duel disks.

“Sure and I want to see how skilled you are!” they were dueling with the ante rule putting their best cards at stake.

“Let's Duel!” they said in unison.

Chazz 4000 Jaden 4000

“Home field goes first.” Chazz drew. “I summon Reborn Zombie!” he summoned the monster in defense mode. “Next I'll play 2 face downs. I end my turn.” he smirked. Basing things on their dorm he believed he already had this in the bag. “Blue versus Red, I have this duel in the bag, you can't outwit me.”

Syrus tensed. “Hmm maybe, but I duel with my heart, let's see!” he drew his card. 'Oh my little friend, glad to see you, I know you'll support me and my sisters.' he thought seeing Winged Kuriboh in his hand. “First I activate a field spell. Lamia's Jungle!” A vast jungle appeared around them. “This jungle is a lamia's territory which allows me to special summon 1 lamia monster each turn.”

He summoned Lamia Sister #1. “With her on my field all water monsters gain 400 ATK/DEF. Plus with my Lamia's

Jungle all Reptile monsters gain 400 ATK/DEF!”

ATK 2300 DEF 2400

'Since I don't know what his face down is, I'll attack and normal summon if I need it.' he smirked. “Go Lamia Sister!”

The red haired lamia struck striking the zombie with her tail, destroying him.

“You activated my trap!” Chazz revealed. “Cursed Destruction, since you destroyed one of my monsters this card takes control of one of yours!”

“Uh Oh!” the dark aura took control of her and brought her over to Chazz's field.

“What a fool, I knew you'd play her first, she's the booster for your deck, take her away and your Lamia's are stuck with the original power.”

“It's a common duel tactic.” Syrus turned to see Alexis. “That trap allows you to quickly turn the tides of most duels.”

“So that was your trap, okay since I summoned Lamia Sister # 1 by card effect I still got one more summon. So I play Lamia's Little Sister # 2!”

Lamia Little Sister #2

A young lamia girl she is longer than other snake girls. She wears an orange button up vest that matches her scales.

2 Stars Water

Reptile/Effect: Cannot be destroyed in battle.

ATK 1400 DEF 1500

She appeared on the field in defense mode. Her ATK and DEF got boosted thanks to Lamia's Jungle.

ATK 1800 DEF 1900

“Your big brother has put himself at a disadvantage.”

“Oh, he's not my real brother, we just have a special relationship.” he says blushing. “Besides, I believe he's going to win. Big Bro is strong!”

“Next I play, two face downs and end my turn.”

“Haha, I was right you did just win on dumb luck. Now I shall take you down!” Chazz drew a card. “I summon Chthonian Soldier!”

Chthonian Soldier Dark 4 Stars

Warrior/Effect

When this card is destroyed by battle and sent to the graveyard, the Battle damage you take is also inflicted to your opponent.

ATK 1200 DEF 1400

'With his field spell, and his monster's boost, there's nothing his little pipsqueak of a monster can do to stop Lamia Sister #1!'

“Now then time for battle Lamia Sister #1 go and destroy his defending monster!” The lamia was forced to obey and blasted the little sister with dark aura. “Now then Chthonian

Soldier Attack Directly!” His monster leaps into the smoke, only to get smacked away by an orange tail. “What?!”

The smoke cleared and Lamia's Little Sister # 2 was alive and well. “Sorry Chazz, but Lamia's Little Sister #2 has her own special ability. She can't be destroyed by battle.” Jaden high fived the monster.

“That puny monster had an ability like that? No way!”

“She's not puny!” Jaden hissed. “All Lamia's from birth are trained fighters, learning ways to fight in their own way.”

Jaden smirked. “Plus you aren't the only one's with traps!”

The orange tail snapped out and destroyed his soldier.

“What?!”

“Continuous Trap: Guard Strike When this card is in play and you attack one of my Defense Position, so long as my monster's defense is higher than yours, the attacking monster gets destroyed!”

Chazz: 3300

The soldier's blade shot up and struck Jaden.

Jaden: 3300

“Bad move slacker, my opponent takes any damage from my soldier as well.” He placed one card face down. “Next I activate Cursed Blast, I discard one monster from my hand and you take damage equal to half it's ATK points. He had a monster worth 2800 ATK points. So Jaden got blasted for 1400 points.

Jaden 1900

“Next I activate Chthonian Blast, since my monster got destroyed, I get to destroy your monster.” Boom! She was sent to the graveyard. The little sister got blasted. “I end my turn.” Chazz smirked. “Don't forget slacker, you lose and your rarest cards are mine.”

Jaden had his head down, and at first Chazz thought he was crying. He raised his head and was shown to be smirking. “Not bad, you elite guys are really interesting.” he activated the spell card he just. “I activate Lamia Return, this card returns all Lamia's to their owner's hands.”

“What?!” Lamia Sister #1 returned to Jaden's hand. 'If I know the punk he'll summon one of his 4 Star Lamias, and normal summon Lamia Sister #1. He'll attack with his strongest monster, I may lose life points, but the drop out boy will lose the duel, I will use Call of the Haunted to bring back my soldier and it's bye bye slacker!'

Jaden smirked. He was about to make his move when they heard the guards on the move.

“We need to leave now!” Alexis says.

“Why?”

“Dueling with the ante rule, plus off hour dueling, both are infractions. You could be expelled, we could be expelled.”

Chazz blushed. He may or may not have a little crush on the girl. “I've seen enough, it was just dumb luck.”

“Hey wait!”

“Big Bro!”

“Nuts!” they escaped, just in time.

“You were lucky, If you made your next move, you might have lost the duel.”

“Might, except...” he revealed his face down card. Snake Nap: The trap takes control of any special summoned monster. “Who knows right I see it differently.”

He was gonna summon a 4 Star Lamia indeed, and special summon Lamia Sister #1. When Chazz activated Call of the Haunted, he'd have lost his monster and taken a full force attack.

Alexis was surprised. “Later!” he grabbed Syrus and the two were off. “Man tonight was crazy.”

“Yeah, I'm exhausted.” Jaden tucked Syrus in, cleaning him up personally. The boy was out as soon as his head hit the pillow. Chumley was asleep, so Jaden decided to cure his restlessness.

It was late at night, and the moon was high. He felt the charm glow and he transformed back into his lamia form. His long red tail appeared, and the red jacket was draped across his shoulders.

He slithered out of the dorm, and Chumley being spiritually aware, felt the change, and woke up just in time to see the tip of Jaden's tail as it slithered out of the door. He rubbed his eyes. “Am I seeing things?” he blinked. “No more going to bed without dinner.”

Jaden took a deep breath, the night air was crisp and light. He decided to explore the island, this would be his home after all.

## Chap 3 Love Letters and Traps

Jaden sighed happily as he slinked all over the island. He managed to avoid security easily enough. Being a monster he only needed 4 hours of sleep. So he spent most of the night exploring the island, stretching out his scales. 'This place is nice.' He took a deep breath, the air was so pure, and he felt such a strong energy from this island.

He was heading back to the red dorm when he passed by the abandoned dorm. 'This place, such a malevolent aura.' his eyes narrowed. "I can sense the presence of shadows here." he got chills. "What on earth is this place?"

The air was thick with latent evil. He clutched his shadow charm. "This place it's like the shadows are calling out to me, they'd love nothing more to venture into this world." his eyes narrowed.

He felt their blood lust but didn't flinch away. "I don't know what happened here, but you won't have your way." the charm glowed and Jaden forced them back. "To think Duel Academy would have places like this. I do sense another power here but it's buried."

Leaving the abandoned dorm he made his way to the Red dorm. He returned to human form, and hit the bed.

Classes were simple enough. Crowler seemed to make it a point to pick on the Red's. "Tell me Syrus, explain how field spells work?"

“Oh uh field spells...” he stood up blushing. “I uh...It's the one where...” he was beginning to sweat.

“Sy, calm down you got this.” Jaden says, but with everyone's eyes on him Syrus' anxiety only increased. His heart was pounding in his ears, he couldn't think, even Jaden's words of support fell to deaf ears.

“Yeah uh um when you activate it it does...well...um...”

Crowler sighed. “Enough sit down,” he shook his head. “I should have known to ask a Red such a simple question, how pathetic.” the blue students laughed.

Syrus blushed in humiliation, he sank back into his seat. “You know teach you shouldn't insult us reds...”

“Oh and why is that?” he raised a brow.

“Well I'm a red, and I beat you, so what does that say about you!” Crowler paled, and chewed on his sleeve in frustration as the red's cheered.

'I'll get rid of this brat for sure.'

-x-

His first plan was to slip Jaden a love letter from Alexis to try to lure him to the girls dorm. Jaden did find the letter, but he wasn't interested in women. So he crumpled up the letter and tossed it away. “Isn't that mean big bro?” Syrus asked.

“Nah, the letter's a fake. Doesn't even smell like Alexis.”

“I see,” Jaden slung an arm around him. “I'd much rather hang with you Syrus.” he kissed Syrus' cheek and the bluenette blushed.

“Say, there's a hot springs on the island let's hit it up after classes.”

“There is? That sounds cool.”

“It's a date!” Jaden smiles happily. “A date!?” Syrus' face turned a lovely shade of red.

The two got changed and finished their classes. Once they were over Jaden took them to the hot springs he found earlier. Little did Jaden know these springs were the Obelisk Blue's private springs.

'This is perfect.' The place was remote.

Jaden and Syrus stripped down. “This is great I didn't know there were places like this.” He got his towel and got in the water.

“I figured you needed some cheering up after today.” Jaden didn't bother with a towel and let his cocks swing free. The glasses wearer, blushed feeling his manhood tingle. His 5 incher throbbed and pulsed in want. “You shouldn't let them get to you Sy.” the two sank into the warm waters.

“Easy for you to say, you are strong.” Syrus hung his head low. Jaden tilted his chin up.

“You are strong, I can see it.” He starred into Jaden's warm eyes, not a single lie was found in them.

“But I...” Jaden silenced him with a kiss. The brunette removed Syrus' towel. He moaned, and Jaden took the chance to deepen the kiss.

That skilled tongue, made his worries melt. He wrapped his arms around the lamia in human form's neck. 'Master...' the

boy thought, thrusting his hips forward. His penis slid between Jaden's twin 12 inchers. 'So big!'

The friction and heat between the two cocks was so strange but enjoyable. Jaden's hands moved up, feeling up Sy's lithe form. The boy was so responsive, Jaden loved devouring every little moan.

Jaden broke the kiss and let him breathe, and instead focused on rocking his hips, the two cocks sliding back and forth. His hands found the boy's chest, coaxing his nipples to stand erect. Once hard, he pinched and rubbed them with his fingers.

Syrus bucked and jerked, every caress and pinch sending jolts down to his cock. His manhood was weeping pre.

Things only got more intense as Jaden's thrusts got rougher, the friction along his cock plus the slap of Jaden's hefty balls against his own.

The hot water splashed around them in their movements.

“You can feel how much I want you.”

“But why?!” he gasped. “I'm weak, I'm a scaredy-cat, I don't have any confidence.” he shed a few tears.

“You are cute, you a smart, and you are sweet. I would not choose my first mate wrong.” he brushed away the boy's tears. “The confidence will come later, I can help you get stronger if that's what you want. Will you have me?”

Jaden had seen various men come to his sisters; powerful men, weak men, smart men, dumb men, cowards and fools. No matter who came, they were never the same and always

for the better.

As his eldest sister explained it, that they changed to become maybe not what they wanted but what they needed or always meant to be.

“If you would have me, I'd gladly be yours.” he says trembling. The heat of the bath nothing compared to the sensation of Jaden's body. He turned around to offer his ass to Jaden.

He was stopped and turned around. 'What did I do?' he trembled.

“I want to look at you when I take you.” he kissed the boy's cheek. Jaden pulled them deeper into the waters. His hand roamed down his back to his ass

“Ahhh!” he moaned. His cheeks were spread and Jaden brought his fingers to his hole. The digit circled the entrance, making the boy whimper.

He looked at Jaden who had a caring look on his face. It helped him relax, and the first finger penetrated his hole.

“Nhnn!” Syrus' inner walls tightened on the finger.

In and out, in and out, he was slowly worked open with skill. Jaden wished he could take lamia form. He could have made this a lot easier on the boy but...

As Jaden saw it if he turned into a giant snake monster Syrus would run away screaming. He didn't want to control the boy, those games would come later.

He took his time, keeping Syrus on edge while pleasure him. One finger becomes two, and the boy's inner walls were

stretched. "It's going inside!" the water of the hot spring slipped into his stretched hole.

Two fingers become three and Jaden churns up his insides. "Please!" he moans.

Jaden smirks and removed his fingers, earning a whine at the loss. Jaden brings his left cock to Syrus' hole. It pushes at his entrance and the fat head breaches him.

Syrus clings to Jaden, clawing at his back as the large cock sank into him. The other cock slid between his legs, rubbing against his cock and balls.

Jaden went slow, one hand rubbing his back, while the other stroked their lengths. His manhole took the pleasure and helped him relax. Inch after glorious inch filled him, and soon Syrus took the whole length. "I did it!" he smiled at the feeling of fullness.

He kissed the bluenette. The lamia brought him to the edge of the spring. "Hold on tight." Jaden began to move, pulling out till only the tip was left inside.

When he thrust back in... "Yes!" the male moaned. The friction of the thick cock, combined with the friction against his cock and balls. His toes curled and back arched.

Jaden's thrusts were slow, getting Syrus used to the feeling. The boy's pupils were blown wide, his body trembling. He panted, loving the heat inside and out.

He moved them over to the edge of the spring and increased the pace. Poor Syrus was mumbling, lustful slurs, and choked bits of Jaden's name. He tossed his head back, arching his

back and inner walls clamping down on the male's cock.

“Master!” he cried out as he came, toes curling as the cock in his ass brushed his sweet spot. His semen spilled over his chest and stomach.

Jaden captured his lips giving a few more thrusts. Before spilling his seed, twin cocks came together.

The bluenette shivered, as thick semen sprayed all over him as well as fill him. He closed his eyes in bliss as he came again.

Jaden was still raring to go, but Syrus was pretty worn out. He pulled out and helped clean Syrus up. He snuggled against brunette. “That was amazing.”

“Indeed it was!” he wrapped his arms around him.

“So this makes us boyfriends right?” Jaden chuckled.

“We a little more than that, lovers, mates.” the two relaxed in the bath when they heard someone approaching.

-x-

“Can you believe what that Red student said to Doctor Crowler?” it was a girls voice.

“Yeah, he has no respect. It'd be better if he was expelled.” another girl said.

“I don't think he's so bad, he's almost like a kid brother.” that voice was Alexis.

The girls came across the two. Syrus gasped while the girls screamed. “What are boys doing here?!” Syrus hides behind Jaden.

“Having a bath.” Jaden says matter of factually.

“This is the obelisk blue's hot spring!” on a nearby rock held the obelisk blue crest.

“Also it's the girl's bath time!”

“We didn't know we swear, it's an honest mistake.” Syrus says.

“I don't buy it, these guys clearly are here to get a peak on the girls.”

“Quite bold as peeking is an expulsion offense.”

“Sorry I have no interest in girls, I was just trying to treat my boyfriend and help him relax.” Jaden says shocking them and Syrus. “Besides, I bathed with my sisters all the time I don't really see what's the big deal.”

“What a crock, let's report them Alexis!”

Alexis knew he wasn't lying, still this was a good chance to duel Jaden. “Jaden this is bad.”

“Why?” he folds his arms. “I saw that this place could be used by all students.”

“Yes but Red students have the worst time slot, and the shortest.”

It wasn't like territory disputes were uncommon, monsters often fought for territory, the strongest getting the highest quality. His sisters however handled things differently. There were arrogant monsters and his sisters showed them the light.

“We'll have a duel, if you win you guys can go free and we forget all about this.”

Jaden smirked. “Agreed.”

They got dressed and got ready to duel.

“My turn,” Jaden went first. “I summon Lamia Sister #3” the lamia appeared on the field.

Lamia Sister # 3

A long hair purple haired snake woman who keeps her hair in a braid, she has purple scales and wears a purple top.

3 Stars Water

Reptile/Effect

Once per turn she can deal 300 points of damage each turn.

ATK 1500 DEF 1600

“I'll set one card face down.” He set down a Trap Card.

Venom Strike: Activate when a monster attacks one of your lamia monsters, destroy the attacking monster and deal 500 points of damage to opponent. “Next I activate my monster's effect,” She slithered forward and spat venom at Alexis dealing 300 points of damage. “I'll end my turn.”

She slithered back and the two high fived.

Alexis: 3700

“Get him Alexis!” her friends cheered.

She drew. “My move!” she checked her cards. “I summon Etoile Cyber!” A female monster appeared, clad in red and light blue spandex.

ATK 1200

“I set one card face down and end my turn.”

Jaden drew. “My turn!”

Lamia Little Sister # 3

A tan skinned snake girl she has a yellow tail, and brown eyes, she has short spiky hair.

2 Stars Water

Reptile Effect

This monster can attack directly, at the end of the turn she switches to defense mode.

ATK 800 DEF 2000

'Hey sis, let's do this!' he smiled. “I summon Lamia's Little Sister # 3” the young lamia appeared on the field. “Alright Lamia Sister #3 attack her monster!”

'Is he completely ignoring my face down?' The purple scaled lamia rushed forward, launching a barrage of poison.

“Reverse Card Open!” her card rose revealing a trap. “Doble Passe.” The poison was sucked away from her monster and

hit Alexis. “This card takes my opponent's attack and turns in into a direct attack.”

Alexis 2200

“But in turn my monster gets to slap you with an attack to.” her monster skated and wham kicked Jaden in the face. It wasn't a lighthearted kick either as her monster's effect increased her ATK by 600 points when making a direct attack.

“Hehe, took a direct attack just for the chance to hit me, you have some skills.” she smirked.

“Your monster is too weak to fight mine, it'll be my move.”

“Little Sister #3 attack!”

“Ehh?” the little sister slithered forward, and her monster looked ready to counter, only to have her slither past the monster and strike Alexis directly.

Alexis: 1400

Jaden: 2200

After attacking directly the little sister lamia switched to defense mode. DEF 2000 “Now you can't forget about the big sister's effect as well.” Another dousing of poison left Alexis sown to 1100 life points.

“That was a good move.” it was her turn now, to which she summoned Blade Skater. “Next I activate the field spell Fusion Gate!”

With this field spell she didn't need polymerization to fuse monsters and was able to fuse her two monsters to create Cyber Blader!

The fusion had a mighty 2100 ATK, or so he thought. “Since you have 2 monsters my Cyber Blader gets to double her ATK points.” 4200 ATK “You are pretty good but this is the end.” Syrus freaked as the monster

“Looks like you forgot about my face down.” it flipped Venom Strike. Her monster got blasted with deadly poison, and she got destroyed and Alexis got hit with 500 points of damage.

Alexis 600

“Now that you sprang the trap now I can use this.” she activated a spell card. Fusion Revival. “So long as fusion gate is on the field, I can special summon one fusion monster from my graveyard. Next I activate Fusion Aura when I have a fusion monster on the field my opponent must attack the monster.” she then equipped her with Fusion Weapon giving her even more ATK points.

'Even if he summons another monster, my Cyber's ATK may drop but all his monster's effects will be negated. Lamia's are strong but they make use of their effects.'

“This was fun Alexis, but this turn I will win!” he says.

Syrus saw Jaden had a spell card that could inflict 800 points of damage he could win easily.

Jaden drew. “I activate Lamia's Hunting Ground!” With this card, Fusion Gate shattered.

'So he's gonna summon a lamia and destroy fusion weapon no doubt or maybe fusion aura, it won't matter as if he has 3

monsters his fate will be sealed.'

“I activate Snake Flute! This card allows me to special summon two lamia monsters from my deck or hand.”

He summoned Lamia Sister #1 and Lamia Little Sister # 1, this activated Hunting Ground's Effect destroying both Fusion Aura and Fusion Weapon.

With Lamia Sister # 1 and Hunting Ground's effects a grand total of 1100 ATK boost was gained.

“Field spells are amazing!” Syrus says. “They range from effects, but they give boosts to all monsters on the field unlike equip spells. Monsters can use field spells to gain a home field advantage.”

With 4 monsters Cyber Blader lost it's effects. ATK 2100

Lamia Sister # 3 2600 ATK

“Go get her!” She attacked destroying the fusion.

Alexis 100

The lamias charged and struck winning the duel. The girls kept their promise, and they were able to part ways. 'Even if I won, I just couldn't turn those guys in school is more interesting with them around.'

## Chap 4 Lamia's Attack

Syrus was all kinds of cuddly after their first mating. He had the loveliest blush on his cheeks as he cuddled into Jaden's chest. "Big Bro," he sighed happily.

Jaden rubbed his back. The two were naked, Jaden was loving the closeness. A minor thread of guilt tugged at Jaden's heart. He wanted to take his true form and wrap Syrus up completely. This is all he could do for now. He just hoped when the truth was revealed his mates would accept him for who he is.

Once Syrus was asleep, he took lamia form. He slipped off into the dark. 'The Blue students and the Yellow students are allowed all this stuff it's time to give to the Red students.' His charm radiated with it's power. He found a clearing, it was grassy full of rocks and weeds. "This looks like a good spot." it was in spitting distance of the red dorm.

With one quick tail whip he cleared away the grass, rocks and weeds. Spinning round and round, smoothing out the terrain. He scavenged the area cleaning it up, he made a nice dueling field. He got pain from the equipment shed, making lines. "Whoo, it's not much but it's ours." he cleaned up the surrounding area.

Jaden hauled trees from the forest and made a barrier around an area near the showers. He carved the corners to look like Slifer the sky dragon. He coated the wood in snake oil, to repel insects and animals. He dove into the ground making a large network of tunnels until he struck oil, so to speak.

He found an underground hot spring. The water rose up and filled the pools he made. "Ahh he climbed out of the spring." he caressed his charm. "Now for a little something from home." he got a vile of snake oil and poured it's contents into the bath.

The new spring would be self cleaning, taking from the earth's minerals to be enriched and invigorating. It would sooth the tired body and help relax. The island's natural volcano would heat the spring.

This was the way of the lamia, they could make the inhabitable habitable. They opened up areas and helped give territories benefits. Lamias would fight for what was there's but they weren't cruel.

He cleaned himself up and returned to the dorm.

Jaden's shadow charm was powerful, but his skill with it was truly impressive. Not to mention his physical strength. He also had snake oil with him, once his mates were ready he'd give them a choice to take it. Lamias built homes for their mates by hand, if materials aren't available they'll draw on their magic to make what they need. The collective of lamias power together made up then one. If Jaden's sisters were here he could have built a facility as nice as the blue dorm, but he was alone.

He returned to human form and crawled into bed with Syrus.

-x-

That morning the red dorm was in awe. They had a brand new dueling field, and a hot spring of their very own. The red

students couldn't stop talking about it. When Crowler heard he was down right pissed! “No no no no no no no no!” he chanted stomping down the hall.

“I will not stand for it!” he went straight to Sheppard about it. Banner was called in to discuss the situation.

“It's come to my attention that the red students got a dueling field and their own, is this true?”

“Yes it is true.” he pet his cat as he spoke.

“They should be dismantled immediately!” Crowler snapped.

“Why?” Banner says.

“Why?!” he fumed. “Because only the elite students are allowed to have the higher end facilities on the island.”

“I believe they still have those facilities yes?” Crowler glared at him.

“Banner do you know who did this?” Sheppard asked.

“I have a feeling yes, but what the student has done he did on his own.” he smiled. “It's no different as some of the other richer students modifying their rooms.”

“Hmm, well it's not like the school paid for anything, and the students are happy.”

“But, this cannot stand, I demand they get torn down, we have an image to maintain.”

“If you are so concerned about it, how about we settle it in the upcoming promotion exam. Have one of your Blue students face one of my red students, so long as they agree and should they win the hot spring and dueling field stay.”

“A wonderful idea!” Sheppard clapped his hands together.

“But from now on any additions to red dorm must be requested first. Here disputes are settled with dueling, if the red students wish to rise through the ranks or strengthen their dorm they should be able to duel for it.”

-X-

Banner made the announcement about it. “So who would like to duel an obelisk blue student for our new equipment?”

Jaden didn't hesitate. “I'll do it!” he says. Many of the red students didn't think they could beat a blue. The promotion exam had students of the same house dueling each other.

“Are you sure big bro?” Syrus asked.

“Of course it's fine, I want to duel all kinds of people here.” he gave him the victory sign. “It's all good.”

The boys, Chumley included sat in the hot spring. It was like having their own open air bath it was nice, staring up at the stars. “It sucks they are gonna tear all this down.” he sighed.

“Some of the guys were enjoying the new dueling field.”

“Have some faith Chumley, my hard work isn't gonna be put to waste.”

“You?!” Syrus and Chumley looked at him in shock. “How?”

Jaden smiled and put a finger over his lips. “That's a secret...” he says. They could see it in his eyes he wasn't lying.

-X-

The next day was the day of the test, but not only that there was a shipment of rare cards coming in. Syrus was praying in

hopes that they gained luck.

Despite staying up all night studying Syrus fell asleep during the actual test. Jaden was late but he had good reasons, he came across a woman who's car broke down. He helped push it all the way up.

The two slept through the written test, and as they slept the students scrambled to get the new cards. Only to find all the rare ones were bought. So it was a race for every dueling pack they could get their hands on.

-x-

Bastion woke them up. “Are you getting any new cards Bastion?”

“And ruin the balance of my deck, no thank you. I'm confident I got this.” he smiled. “But if you win, you'll likely be promoted to Ra Yellow. I'll be sure to welcome you.”

“Actually I won't be,” he says and Bastion blinks. “I want to become stronger, if I become the strongest it won't matter what color I wear.” Bastion blinked at him in surprise.

“Besides Red is the color of passion!” he winked at him and ran off to go check out the card shop.

-x-

No cards would be found, the place was bled dry, only one pack remind. Another plot by Crowler, he bought every single rare card and gave them to Chazz to use in the promotional duel.

Jaden sighed. “Here Sy, you take the pack.”

“Are you serious, but you need it to fight for us?”

“I'll be fine, I'm not alone in this fight.” he says and he caresses his charm.

“Oh nice boy.” the lady he helped came out. “I got something special stashed away, I always keep something for nice boys who like to help.” Her name was Tome. She gave Jaden a special card. 'This card...this is...' Winged Kuriboh responded to it.

The time for the Duel came, and Jaden was shocked to see Chazz. He wasn't the only one. “Why is Jaden dueling a Blue student?”

“You see...” Syrus explained.

“Something seems fishy about this duel.” he folds his arms and sits down.

“I heard you Red Slimes got some fancy equipment, don't get used to it it'll be demolished soon.”

“You sure are confident. We were pretty close last time.” he says, and readies his duel disk.

“Oh I'm a lot better, you see my deck just got super charged!”

“Super charged?!” Syrus gasped. Chazz's goons sat next to them.

“Yeah you know all those rare cards, they in Chazz's deck now.”

“Oh no Big Bro!” Syrus was really worried now.

“I see, so that's their game.”

Jaden overheard. “So your deck is full of rare cards huh?”

“Oh yeah, my powerful monsters will crush your little weaklings.” they drew cards.

“Let's find out!” Jaden went first.

Crowler watched with Sheppard and Banner. 'This is perfect I get revenge on that little slacker, and crush red dorm's spirit to boot.'

Jaden/Chazz: 4000

On his first draw he drew Winged Kuriboh. 'Hey buddy, glad to have you around.' he saw a trap card in his hand. 'This will come in handy to. “First I play one face down, then I'll summon Lamia Sister # 2 in defense mode!”

Lamia Sister #2 - 3 Stars Water

A short blue haired blue scaled snake woman, she wears a blue top and has blue eyes.

Reptile/Effect: When this monster attacks a monster in defense position destroy that monster before the damage step.

ATK 1500 DEF 1600

She appeared on the field, curled up in defense mode. “You're move!”

He drew his card and smirked. “First I play Magical Mallet.”

“That's a rare card!” Bastion gasped. “It allows the duelist to take the card and any card in his hand and return it to the deck. Then they get to draw the same number of cards.”

“And not only that, since Magic Mallet is shuffled back in, if I draw it I can refresh my hand as much as I please.” he

returned his whole hand to his deck.

He drew six cards, Magical Mallet being among them. “I activate my trap!” The card opened. “Snake in a Jar!”

“What?!”

“When you activate an effect that allows you to draw cards this trap forces you to discard whatever you drew.”

Snake in a Jar

Activate when the user uses a card effect to draw any number of cards. When this trap activates the opponent must send whatever cards they drew/draw to the graveyard.

His whole hand, he just lost his whole hand. “I end my turn.”

“You should have relied on your own deck, relying on rare cards to win isn't a good strategy.” he drew his card. “With my deck I know I'm not alone, we got a bond.”

“You and your small fry monsters are nothing! Go ahead and hit me!”

“We'll show you.” He summoned Lamia Sister # 4 next.

Lamia Sister # 4: 3 Stars Water

a green haired green scaled lamia. He hair is long and wavy.

Reptile/Effect: When this card destroys a monster in battle, deal damage equal to that destroyed monster's attack points.

ATK 1500 DEF 1600

He switched sister # 2 into attack mode. The two Lamias attacked and dropped Chazz down to 1000 points.

Chazz glared. “My deck is full of rare monsters and super up

cards.” he drew and he started laughing. “Get ready slacker face the power of my rare cards!” he activated a spell card.

“Graveyard Union!” from his graveyard all the union monsters he lost were brought back to the field. They fused together to form V to Z. The towering mecha would make power rangers blush at its complicated transformation.

The monster's ATK was 3000 and he was packing more than just attack points. With its effect he could immediately destroy Sister # 2 and with his guns he blasted sister #4.

Jaden 2500 Chazz 1000

“See that slacker, this is the power of rare cards, my power. You and your small fries are going bye bye!”

Jaden drew, his next card. Winged Kuriboh cooed. 'This...' he smiled. “Chazz you overloaded your deck full of rare beasts, can you really say they are on your side.”

“This again, look loser I have no need for your silly speeches or your loony talk. I've gotta the power to crush you!”

He summoned Winged Kuriboh and set one card face down.

“You think that little puff ball will save you!”

“We will see!”

“Blast him V to Z!” the huge compilation of 5 monsters fired.

“Reverse card open!” There was a flash of light and the energy of Chazz's monster was reflected. “Crown of the Lamia!” Winged Kuriboh was wearing a snake like crown.

His wings had turned into large golden snakes, and he gained small snake like fangs. “Snake Wing Kuriboh!” he was a

10 Star monster!

“You see Chazz Lamias don't hog their power they share it.” When crown of the lamia is activated send two cards to the graveyard. “For every Lamia that is in the graveyard my Snake Wing Kuriboh gains 1000 ATK points.”

“So what that's still only two, wait...”

“That's right Chazz the two cards I discarded were two lamia monsters. Even in death a lamia's power never rests.” the spirits of the four lamia joined with Kuriboh. With 4300 attack he was able to blast back Chazz's attack and destroy him.

“No way!” he gasped. The explosion of his monster sent him flying back. “But how, with my deck full of rare cards how could he beat me with those stupid snakes.”

“You still don't get it Chazz, lamias will fight for what they want to protect. They don't back down and heaven help those who dare get in their way!” For a moment, just a split second Chazz didn't see Jaden, least not his human form.

For just an instant he saw Jaden in his lamia form. Could see the power radiating off him. He rubbed his eyes and the image was gone. “Come at me with all the rare cards and powerful monsters you have we will face you head on!”

So it ended Jaden secured the red dorms additions but if he wanted to make anymore he'd have to continue to win duels fine by him.

## Chap 5 Bad Dreams and Haunting Tales

Syrus was sleeping in Jaden's bed. The boy was having a rather odd dream.

-x-

Him and Jaden were at the beach. Splashing and running having a grand time. Syrus took off into a run. “Catch me Jaden!” Jaden started chasing him.

His heart was fluttering, he was laughing and smiling and when he turned his head, he saw a giant snake rushing right for him. “Wahh!” it opened it's giant jaws fangs extended.

He bolted upright. 'What was that?' his heart was racing. He looked at the charm on Jaden's arm. 'Why would I dream something like that?' he laid back down and rested his head on Jaden's chest.

Jaden opened his eyes, sensing the boy's fear. He ran his fingers through soft hair. “Sy...” the boy snuggled into him. 'What am I gonna do?'

Syrus still continued to have nightmares about being eaten and bound by a giant snake. In a way it inspired the event they had later. Chumley kept teasing him about his nightmares, so they decided to have a scary story contest.

The rules were simple, they'd draw a card and based on the level of the card they would tell a scary story.

As the boys set up, Jaden looked to Syrus. “Hey Sy, is my deck scary to you?”

“Ehh, uhh I guess a little, there's all these scary rumors about the lamia deck, and the mythos to them.”

“I see,” Jaden lit a candle and sat down. The blue haired teen noticed he looked saddened.

Syrus told his story and scared Chumley, now it was Jaden's turn. “I don't know many stories but I do know when my sisters used to tell me.”

“Sure!” Syrus says.

“L-Let's hear it.” Chumley says trembling.

-x- Jaden's Story-x-

Long ago the lamias lived together under the rule of their queen. Their lands protected by the mightiest of their warriors. While lamias were born strong fighters these warriors were the elite.

Even the Demon clan with their frightening strength were a match for them, as the queen of the lamias was also gifted in both brain and brawn, a master tactician.

Things seemed pretty peaceful, that is till it invaded. A power not scene in their world, a true invader. It invaded the minds and bodies of others, filling them with false power. They turned against friend and foe alike. With each defeat this thing infected those and made them rise again.

It took the innocent and made them into weapons of war. It became harder and harder for the lamias to fight back. The elites fought on the front lines doing everything in their power to fight off the invader.

The problem was the overwhelming numbers, and while the

power was false, it made even the weak tough. The invader didn't care how many of its pawns fell, trying to overwhelm the lamias with numbers.

Once one of the elites fell, the others followed. The queen had no choice, she unleashed the full front of her power banishing the evil invader, she had hoped to save those who had been taken over.

The invader was cruel taking them with him, digging its hooks into their very soul. The invader was banished and sealed away, but it took every ounce of her strength. She died sealing the invader away, but she feared it would one day return.

-x-

“Legends say she left behind a great treasure, just in case the invader ever returned.” he finishes his story.

“Whoa!” Chumley was hiding behind a chair.

“It's scary to think there would be something that could be a threat to the lamias.” Syrus says. Jaden nods.

“Indeed that story was scary!” the boys jumped as Banner suddenly appeared out of nowhere. They explained their game. “Sounds fun, let me play.” he drew a 10 star card.

“Hmm, how about I tell you the tale of the abandoned dorm?”

'Abandoned dorm?' he recalled the building with sinister aura.

“It is said this dorm was the site of very sinister experiments. It was shut down after several students disappeared. It remains abandoned as students who have tried to go in there never come back.”

“Hmm,” Jaden thought.

“There's no way that story is true right?” Syrus and Chumley were hugging in terror.

“Who can say-nya?” he chuckled and left them.

-X-

As the boys played their game, Crowler was working on his latest plan. He had hired a pro to take out Jaden, he had overheard the boys were going to the abandoned dorm. He was rumored he was a master of shadow games.

The man just needed some good bait, luckily there was some around the abandoned dorm.

Alexis was leaving a rose, in memory of her lost brother.

“Alexis what are you doing here?” she turned to see Jaden, Chumley and Syrus.

“What are you guys doing here?” she asked.

“Professor Banner told us about this place.” Syrus says.

“He said there were disappearances. I thought maybe there could be clues how and why it happened. Maybe even finding what happened to them.” Jaden says.

“Alright let's make this quick, we can get expelled if we get caught.” Alexis agrees to join them. 'Maybe I can find some clues about my brother.' There were pictures millennium items on the walls along with several other shadow charms.

“Someone was researching the shadow games here...” Jaden says. Shadow Games were dangerous, people nearly lost their lives playing them.

“Does that mean my brother is...” she was almost in tears.

“Shadow games can put strains on the body but not everyone loses their lives.” he put a hand on her shoulder. “You'll find him.” Family bonds were important to lamias.

They decided to split up and look for clues. Alexis found a picture of her brother, before she could return to the others. Titan showed up and kidnapped her.

The boys were lured into Titan's trap. “If you want to rescue the girl, you must face me in a shadow game!” Alexis was passed out in a coffin.

“Fine let's do this,” Titan raised what looked to be the millennium puzzle. Light erupted from it, and the boy's were caught up in the strange light.

The duel began, and Titan was using a demon deck.

“Demons...they are powerful but come with a deadly price.” Jaden says.

“The price need not be paid.” he activated a field spell Pandemonium. Thanks to this spell he didn't need to pay a life point sacrifice for using the demon or Archfiend monsters.

Thanks to the power of the Infernalqueen Archfiend, all Archfiend monsters gain 1000 ATK points.

Jaden started off defensive, summoning Lamia Sister # 1 in defense mode. Thanks to her special effect her DEF was raised to 2000. He set a Mirror Force face down, and Lamia's Flare. This trap triggered if one of his lamia monsters get destroyed it allows him to special summon another from his hand.

Titan went next, summon Terrorking Archfiend a 2000 ATK monster that got supercharged to 3000. He equipped him with the spell card demon's curse which allowed the king to inflict piercing damage.

He attacked and Jaden tried to counter with Mirror Force, but thanks to Terrorking's effect his trap was negated and destroyed. It followed the roll of a die basically should the number be 2 or 5 any effect targeting him gets negated and the card destroyed.

His trap got blasted and Lamia Sister 1 got destroyed.

Jaden 3000

As Jaden's life points vanished the coffin lid moved to close around Alexis but more than that. Jaden's body parts seemed to be vanishing.

His second trap activated Lamia's Flare. With this he special summoned Lamia Little Sister # 3. The tan skinned yellow scaled lamia girl appeared on the field in defense mode.

DEF: 2000

“Struggle all you want, but you will not get out alive.” He activated a spell card. Demon's Blood Wing, this allowed him to target his weakest Monster and take their ATK points out of his opponent's life points and increase his own by the same amount of points.

So Jaden got blasted with another 1900 points of damage while Titan gained life points.

Jaden: 1100

Titan: 4900

More of Jaden's body began to fade away as the lid closed over Alexis. He set down 2 trap cards and ended his turn.

It was Jaden's turn now and he drew Mirage of Nightmare. He got to draw 4 cards. Pot of Greed, Double Strike, Snake Rebirth, and Lamia Apophis. Two spell cards, a Quick Play Spell card and a monster

Lamia Apophis - 4 Stars Water

A purple skinned, black scaled cobra like lamia with dark hair.

Reptile/Effect: When this monster destroys a monster by battle, instead of sending it to the graveyard take control of that monster. Should this card be targeted for battle while you control a monster, switch the target to the controlled monster.

ATK:1900 DEF:2000

'Hmm this could work I just need one more card.' He activated Pot of Greed. He drew Emergency Provisions and Lamia's Jungle. 'Perfect!'

“First I activate Lamia's Jungle dispelling your field spell!”

Lamia's Jungle (Field Spell)

All Reptile monsters gain 400 ATK/DEF points. Once per turn you can special summon a Lamia monster from your hand.

Lamia's Little Sister #3 Boosted ATK: 1200 Boosted DEF 2400

“Next I summon Lamia Apophis.” The mature lamia woman appeared in Attack mode. Lamia Little Sister # 3 was switched to attack mode.

Lamia Apophis: Boosted ATK 2300

Titan smirked, even if he could kill his weaker monster he had a trap to bring it back and slap Jaden with damage equal to the revived monster's ATK points.

Jaden set 2 cards face down. “Next I activate Double Strike, this allows my lamia monsters to attack twice this turn.”

'What is he planning?' Titan thought. The little sister flew past his monsters and hit him twice, scratching his face then giving him a tail whip.

Titan: 2500

“Apophis attack the weaker Archfiend!” She obeyed and attacked the demon.

Titan 2100

“Haa you lose Jaden Yuki, I activate Demon's Cursed Revival,” the trap activated but nothing happened only for it to shatter. “What?”

He looked and saw his Archfiend on Jaden's side of the field. “When Apophis destroys a monster in battle she takes control of it.” he reveals his quick play spell card. “Snake Rebirth!”

This spell card allows the user to tribute one monster on my side of the field to bring back one lamia from the graveyard. The Archfiend was tributed and Lamia Sister # 1 was brought back.

Apophis was boosted up to 2700, as was Lamia Sister #1.  
Sister 1 Attacked and destroyed the Terrorking.

Titan 1400

“When a monster equipped with Demon's Curse is attacked and destroyed by battle, I can send this card to the graveyard to negate his destruction and end the battle phase.”

“Dang,” he activated Emergency Provisions destroying the Mirage of Nightmare and increasing his life points by 1000.

Jaden 2100

Titan 1400

Titan was on the ropes. He decided to use his ace in the hole. Using his item he blinded them with light.

'What is this, what is happening? This feeling I've felt it before.' he thought.

“Jaden's arm is vanishing!” Syrus shouted.

“Ehh isn't it his leg?” Chumley says.

Jaden's eyes widened. 'That's it!' Jaden's eyes flash gold, and he shatters the illusion. “You are a fraud!” his charm reacted and the fake charm shattered.

The faded body parts returned. “What?!” the boys gasped.

“I thought something was off, but the final piece was Syrus and Chumley you could hypnotize them into seeing my body parts vanish, but not the same ones.”

Titan tried to flee, his cowardice drawing the darkness to them. Dark spirits surrounded them.

“Syrus Chumley!” Jaden gasped. Winged Kuriboh popped out of his deck. “Hey buddy can you help them?” the little guy nodded and chased away the dark spirits.

Jaden's own charm was able to repel them. Titan had no such protection. The spirits possessed him. “This duel is not over!”

With a quick pot of greed to replenish his hand. “I activate Dark Void!” This field spell blasted away Lamia's Jungle.

He had to pay 500 life points to keep his Archfiend on the field. Dark Void raises the ATK of all Dark monsters on the field by 500 points of damage. Since Dark Void was on the field, he could summon high powered dark monsters without a sacrifice.

The two were surrounded by a giant sphere of darkness blocking them from sight.

He summoned Skull Archfiend of Lightning. “Next I activate Cursed Magic of the Archfiend, I pay half of my life points for each archfiend monster I can return two spell cards from my graveyard and bring back my Demon's Curse and my Pandemonium.” He equipped it to Skull and the duel began. Lamia Sister # 1 got blasted by Terrorking.

Jaden 1900

Titan 450

He then had Skull blast Lamia Little Sister #3 who had switched to defense mode at the end of Jaden's last turn. The piercing damage brought Jaden down to 900 life points.

Titan 450

He activates his field spell and final face down Battle-

Scarred. “Now on my next turn you'll pay for the cost of the demons, while my field spell shield me from it, you will lose.” he laughed. “Your soul will remain here in the darkness forever!”

Jaden's charm glows and he takes monster form. “A lamia?!” Jaden slapped his tail down pushing back the tiny creatures.

“It's not over yet.” He draws his next card and smiles. “I summon Lamia Shirohebi!” The white haired white scaled lamia appeared.

“So what she's not powerful enough to defeat my monsters.”

“No she's not, but she has the power to bring back someone who can!” Lamia Little Sister # 3 was brought back to the field.

“No wait stop!” the little sister charged zipping past his monsters and striking him winning the duel. The demons melted turning into more little monsters that consumed Titan completely.

Jaden slithered over to the coffin and with a quick whip of his tail burst the lid off Alexis. The seal on the floor reacted threatening to consume them all in darkness. “You won't have your way!” Jaden's charm glowed and he created energy snakes to strike the seal. “Be sealed!” The seal shattered and the darkness began to fade.

He took Alexis in his arms and transformed back to being human. They ran off with Kuriboh leading the way. Jaden starred at the dorm, he could no longer sense the malevolent energy here, but there was power here, this dorm was built on

the perfect spot for shadow duel experiments.

'Maybe someday this place could be used for good, but for now it's best left abandoned.' he sighed slumping down. He'd used a lot of power.

Crowler showed up later, to find no one, still his plan wasn't finished yet.

Alexis woke up and was able to make it back to her dorm, thanking Jaden. "Alexis I will help you find your brother, I promise." she smiled, gave him a hug and went on her way.

On the way back Syrus looked troubled. "What's wrong Sy?"

"Big Bro, you see in the duel, in all that darkness for a moment I saw a light and I could have sworn that I saw..." it was only for a moment but it looked like Jaden was a lamia.

"Yes?" he looked at the boy. He quickly shook his head.

"It's nothing, you know what I don't think lamias are scary after all." the trio went to bed not knowing the events that would unfold tomorrow.

-x-

A cloaked figure went to the dorm. 'Impressive for him to be able to seal away the remnants of shadow magic here, his skills are truly impressive I may just be able to use him after all.'

## Chapter 6 Threat of Expulsion and Confidence Boost

### Out by the Duel Academy Lighthouse

Alexis was taking a walk when she found Zane, alone, staring out at the sea. “What are you doing here?”

“Just wanted to be alone.” he says. Zane was a bit of a mystery, he was the most skilled 3<sup>rd</sup> year student. He was tall and handsome and he certainly had a fan club, but Zane's interest never seemed to fall on anyone.

“I thought you'd feel differently after your brother enrolled here.”

“That's just it my brother shouldn't be here!” he walked off into the morning mist. He was heading back to the blue dorm when he heard something.

“Who's there!” He rushed forward. “I could have sworn...must be imagining things.” Little did Zane know there was a pair of golden eyes following him.

'Well that was close.' Jaden thought. 'Who was that guy?!' he decided to head back to his own dorm.

-x-

A truck carrying a bunch of guards came speeding up to the red dorm. They got out in a hurry and charged up the stairs. The noise woke up Professor Banner. “What is going on,” he rubbed his tired eyes and saw the soldier like people race up the stairs. “Oh no it's the disciplinary action squad! They only show up when a student is in serious trouble and it looks like they are heading to Jaden's room.”

Jaden had made it back in plenty of time, he was currently in bed with Syrus, their naked bodies spooning. Syrus leaned into the warmth Jaden provided, and the lamia in human form did the same.

The peaceful slumber was not to last. As the marching of the soldiers shook their dorm.

Knock knock knock “Open up,” knock knock knock “Open up this instant!” knock knock knock “Open up or we will bust the door down!”

Jaden yawned and got out of bed, his naked body greeting the morning light. His twin cocks swaying as he moved. “Hold on a minute,” he says looking for his clothes, but it seemed that wasn't good enough for them.

The door burst open and several elite guards came inside only to freeze at the sight of the naked student.

Syrus gasped and quickly tried to cover himself in the blankets. “What's going on!” he wailed.

“Oh uh excuse us!” the guards quickly pulled back, the men trying not to stare at the twin dicks Jaden had. The boys got dressed and met with the guards now despite wearing shades couldn't look Jaden in the eye. “You must be Jaden, and you must be Syrus.” their commander says.

“Yeah, what's going on?”

“You boys are under campus arrest.” she says and crosses her arms.

“Huh,” the two boys looked at each other. “What did we do?”

“That will be made clear, at the interrogation.”

“You boys will be coming with us.” two of the guards tried to grab Syrus. Sensing his distress Jaden's instincts activated and he used a small fraction of his power.

The men, for a brief second saw a large brown snake. It coiled around Syrus' body protectively. Though it be no more than an illusion it was enough to make the guards back off.

They still had to go, there was no way this would go well of Jaden fought full out. They were brought to the school, and stood before several large screens that held various faculty, the Principle, the head of the disciplinary committee, and Crowler.

“Suspended!” the boys gasped.

“That is what I suggested,” the head of discipline states. “We received an anonymous letter from and of our faculty members confirms it, that you boys were spotted at the abandoned dorm.” she frowned. “You boys must be made an example of so this never happens again.”

Crowler was positively giddy. His plan though not perfect worked like a charm. 'But suspension isn't good enough, these two must be humiliated and shown for the slime they really are.' he thought. “But we are not tyrants, so we shall arrange something more sporting.”

“Sporting?” Jaden raised a brow.

“Yes, you and Syrus shall partner up and have a tag duel. Win and you are cleared, lose and you are expelled.”

“A tag duel? That sounds interesting, let's do it!” Jaden was already pumped.

“But Jaden, he said expelled...”

“Wonderful, Chancellor it seems they have accepted the terms.” Sheppard nodded.

“Yes it seems so, very well I will arrange some opponents.”

“No no no, leave everything to me, I shall arrange everything for the event.”

Syrus was really nervous so he asked Chumley and Alexis for help. They went to Sheppard saying it was their fault, and that they should duel with Jaden. Chumley stating he was there to, and Alexis saying they were there helping her.

“I appreciate your honesty, and I realize the stakes are high but the team up has been set. Syrus is Jaden's partner and I'm sure he will do fine.” the two exchanged looks.

Chumley met with Syrus, back at the red dorm. “Please tell me he said yes, did he say yes?” they shook their heads and Syrus sobbed. “If I'm Jaden's partner we will both be expelled.”

“I tried Syrus, I even lied saying I led you to the dorm.”

Jaden laughed. “Everything is going to be fine.” he says. He'd purchased some new packs and was working on his deck.

“How can you be so calm?” Syrus ran over to him. “Don't you get it, if we get expelled we'll be kicked off the island. I'm just gonna drag you down.” He looked about to cry.

Jaden smiled and kissed his forehead. “Nah, I wouldn't have any other partner.” His face burned in a blush. He was too stunned to reply. “We are gonna go out there and duel our best.”

“But what if I...” he looked down, but Jaden tilted his chin back up.

“Syrus we are gonna work on that confidence of yours, and we gonna work on out the kinks in our dueling in one go.” Syrus had no idea what Jaden was planning but he got his deck anyway.

-x- Just below the cliff of the red dorm-x-

“J-Jaden is this really necessary.” Syrus was dragged out of the red dorm, butt naked!

Jaden was also naked, leading him down to this path just below the cliff near their dorm. It wasn't used very much as it was only available during low tide. Still, it made the perfect private training spot for them.

Syrus was still shy, this way they can build his confidence and working on their dueling skills together. Syrus already struggled because he was trying to hide his nakedness behind his hands and duel disk.

“Do we really got to do this like this?!” much to his embarrassment being so naked in front of Jaden was exciting him. Not to mention Jaden didn't have a shyness bone in his body and was letting everything hang out.

“Syrus you don't need to be shy with me.” In his homeland men and women usually don't wear clothing to begin with outside of battle armor.

They weren't exactly alone as Chumley had joined them. The boys had become close and he didn't want to see them go either. However seeing his friends naked was causing him to

get hard.

The arrangement was simple, they would duel naked, and work out any kinks in their decks, or any conflicts. Syrus had major stage fright and test anxiety, he knew his stuff but when his anxieties reared their ugly head he hit a wall.

He basically got in his own head. Jaden promised to reward him based on the results of each duel, a little incentive for him to try his best.

Syrus used roid monsters. Machine type monsters, that were like living vehicles and modes of transportation. On his first move he failed to use Patroid's effect of checking an opponent's spell and trap card zone, and he walked right into Jaden's trap. He was trying to act cool and impress his lover with some dueling skill but it backfired.

Jaden tried to give him advice, but he just snapped. "Quit it! You may be my lover and my big bro, but that doesn't mean you can lecture me!" he snapped. He quickly realized what he said. "I-I I'm sorry I..."

"You are not acting like yourself, talk to me."

"I'm sorry, you are right, you were just trying to give me advice, I shouldn't have snapped at you."

Jaden walked forward, and tilted the boy's chin up. He kissed Syrus, making the boy's eyes widen. "Take a deep breath, I am not here to judge you, I'm no ace duelist either I walk into traps to. This is to help both of us." he returns to his spot and the duel continues.

"I had a feeling this would happen." Chumley turned to see

Alexis. “Syrus is carrying a heavy burden being Jaden's tag partner.”

'It's deeper than that.' Chumley thought.

“May I ask, why are they dueling naked!?” her face was red.

“Hehehe, don't ask me.” he says. He had a feeling though. He'd lost his own will to duel a long time ago, but since meeting Jaden he was getting it back.

Chumley cheered Syrus on.

Syrus drew Power Bond, it was like fusion but it doubled the ATK power of the machine fusion monster he summoned. 'This is the card my brother gave me,' he started trembling. The card could have turned the duel around in his victory, but... 'Zane says I'm not good enough to use this card. He banned it for me to use.'

Flashback

When Syrus was little there was a bully that always picked on him. They were both duelists, so they decided to end things with a duel. As the duel carried on the bully figured he had things in the bag. So he upped the stakes, making a wager that would utterly humiliate Syrus if he lost.

Syrus had drawn Power Bond, the card Zane gave him. 'With this my fusion monster's ATK will double, I'll win with one shot.' seeing victory at hand he agreed to the wager.

Before he could play it however...

“Hold it right there!” Syrus fell flat on his face. Zane marched forward ignoring his brother's protests. Zane gave the bull a rare card, to make this go away. The bully took it and left.

“Zane, why'd you do that I was gonna win using the card you gave me.”

“No you weren't!” he snapped. “You have no idea how to use that card.”

“Yes I do,” he protests but Zane reveals what his opponent had face down. “Spell Binding Circle!” he gasped.

“That's right, you didn't even consider your opponent's face down before you made your move.” it was true. If he had summoned his monster using Power Bond, it would have been frozen by his opponent's trap and he would have suffered from Power Bond's recoil. He would have lost.

“Until you become a more competent duelist that card is banned for you.”

End Flashback

'I don't deserve to use this card...' he thought sadly. His brother said there was a difference between using a card and playing it.

Jaden could feel his distress, but wasn't sure what was bothering him.

This was the final turn, Syrus summoned a fusion monster without using Power Bond. He attacked and dealt damage, but Jaden was able to clear his field using another face down.

Final Strike

Activate when a monster destroys a lamia monster in battle, destroy that monster and special summon another from your hand.

His fusion monster was destroyed and a new lamia was out on the field. On Jaden's turn he summoned another lamia, and revived the one he destroyed. The lamias attacked and Syrus lost.

Jaden was curious what had his lover's attention so. "Whoa!" he had Power Bond. "Why didn't you use this, this combined with Limit Removal you would have beaten me?"

"I can't...I can't use that card...I can never use it! My Big Brother banned me from using that card." he was in tears. "I can't...I can't be your tag partner...I'm not good enough!" he cried and ran off.

"Syrus!" the boy was gone, heading back to the dorm.

Jaden sighed and got dressed. The training was over for today at least. His mate was suffering and he didn't know how to fix it.

Alexis joined him below the cliff. "Are you alright?"

"Duelling is supposed to be fun, and yet when he duels he looks so upset." he turned to look at her. "He had this powerful card and he didn't use it." he crossed his arms. "He said stuff about his Big Brother and that he wasn't allowed to use it."

Alexis connected the dots. "Jaden, Syrus does have a brother here, he's the most skilled duelist in Obelisk Blue. The top of the third years, Zane Truesdale."

"Zane Truesdale huh?" Jaden almost growled. "It's settled

then, I'm gonna duel him!”

“What?!”

To be continued

## Chapter 7 Siblings

Alexis was trying desperately to stop Jaden from dueling Zane. She knew his skills, her brother talked about him often. He was so terrifying students stopped challenging Zane. His skills were both respected and legendary. He was the top student. "He's the king of Obelisk Blue, fine by me." he cracked his knuckles. "There are some things I want to discuss with him."

Jaden understood, Syrus was caught in his brother's shadow. He needed to face him, plus if he's strong he wanted to duel him. "We're gonna duel!"

Alexis had to admit Jaden was something else.

Jaden went to go fill out a formal duel request. As he filled it out he thought of Syrus, his lover. A hefty burden thrust upon him by his own brother, a burden so heavy not even a lamia's strength could lift it.

It bothered him, he was here because of the kindness of his siblings. His sisters never told him he was too weak to do something, they worked with him and helped him get better at it.

'A duel is the best way to get to know someone, I want to meet this man, and see with my own eyes what kind of man he is.' He was almost done when Crowler happened to pass by.

"A duel request form...with Zane..." he started laughing.

"Please give it back, I'm not done with it." Crowler ripped it up right in front of him.

“I will not allow it, the top student of the Third Year of Obelisk Blue, dueling a drop out slacker like you. Never!”

Jaden's jaw dropped. 'Oh what I'd give to slap this guy with my tail just once!'

-x-

Syrus was sulking at the red dorm. Staring at Power Bond, his brother's words echoing through his mind. He covered his ears but could not block out his brother's voice.

“I'm not fit to be Big Bro's tag partner, I'm not strong enough to even be his lover.” he thought sadly, tears rolling down his cheeks.

He thought of their upcoming tag duel, his own monsters being used and casting Jaden into downfall. He couldn't bear it. “This is bad.”

His thoughts turned to other things. He couldn't shake the image of Jaden fucking his big brother. “He doesn't need a wimp like you, he needs a real man.” In his mind he could see his brother taking both cocks. “He doesn't need kid gloves with me.”

Their strong sexy bodies met, it was almost sinful how their bodies fit so well together. His brother's long legs wrapped around Jaden, toes curling as the two cocks plundered his hole.

He wondered briefly if they looked that good together. Jaden fucked him wildly, balls spanking his brother's ass. He came hard, twin dicks pumping his semen into his brother. Zane pulled off the cocks, the vast flow of semen spilling out of his

hole.

Not wasting a second, he began to worship the twin cocks. Jaden's essence leaking and smearing over his face. He stroked and licked them. "He knows what he wants and isn't afraid to take it." Jaden pats his head.

Syrus blushed, the sight before affecting him as much as the words. His brother, naked, cum spilling from his ass, his body flushed with arousal, worshiping his lover's twin cocks.

The vision ended, and Syrus was left freaked, scared, aroused and confused. His penis was rock hard, he gripped his traitorous crotch. 'This is bad!'

-X-

Jaden was pissed, he wanted to turn into his monster form and let off some steam but things wouldn't go well. He had to think rationally.

He was heading back to the red dorm when he caught the scent of arousal. Following the scent he came across a rather unique sight.

Chumley had been working on his deck in the woods, after he finished his mind drifted to his roommates. His penis swelled, the two have been lovey dovey for awhile. The noises they made, their public displays, plus there was something about Jaden.

He had a gift to hear and see dual spirits and now and then he felt such a presence not just around Jaden. It was a drawing presence, it haunted his dreams, though in his dreams he didn't see Jaden as a human he saw him as one of the lamias.

It was weird but oddly arousing.

Much like every other boy, he had seen the twin cocks, and thus made it into his fantasies. His jacket was open, his pants and boxers down around his ankles. His fat cock was throbbing, he was 6 inches long and at least 4 fingers thick. He stroked himself, faster and faster, his balls bouncing with each stroke.

His other hand reached lower, teasing his entrance with his finger. His middle finger rocked in and out, his cock leaking pre and being spread over his fat cock with his stroking hand. “Ah ah ah Jaden!” he moaned.

“Yes,” Chumley froze. His eyes opened and saw Jaden staring at him. He was about to stop and cover himself. “Don't stop, continue...”

Chumley blushed, but obeyed. He added another finger into his ass and started working himself faster. Jaden moved closer, and each step made Chumley's heart beat faster. Jaden's eyes were like a river of liquid fire washing over every inch of him.

A small part of him registered this as a predator's gaze, stalking it's prey. Soon he was before Chumley, the large male opened his eyes and met Jaden's gaze. No one looked at him like that.

It was his undoing he came, his seed erupting all over his face and his exposed chest and stomach. “My so much seed.” Jaden leaned forward and licked the cum off his cheek.

Chumley blushed and shivered as Jaden licked the cum off his

face and moved lower. “Such a mess, but leave it to me.”

“Jaden!” he moaned bucking his hips. His cock twitched, his manhood was wet and sticky.

The lamia in human form had no problem swallowing his fat cock. “Ohhh my!” his body trembled. Jaden slurped and sucked him, cleaning every inch of him, even going as far as to lick his balls.

He moved back up and sucked his cock. The powerful suction pulled Chumley over the edge again. He could barely warn Jaden as his penis pulsed and erupted into the male's mouth.

Chumley felt like jelly, it was Jaden who helped him get dressed. “Thanks Chumley I needed that.”

“But Jaden what about Syrus?” Jaden blinked confused.

“He'll be okay I know how to help him, I just gotta duel his brother.” for a lamia they have a tribe husband mentality.

Things like harems or incest didn't even cross their minds as taboo. We all end up in the same orgy pit so it didn't matter.

They shared love and experience and techniques, growing as a family.

It took a moment for Jaden to realize the implications. 'Oh yeah humans can be a bit sensitive about such things.' he'd have to worry about it later. “I gotta find a way to duel Zane, and help Sy get his confidence up.”

Chumley laughed. He'd traveled around the world, he's met some free loving people types so he figured Jaden was just one of those.

Jaden tried to be upfront going to the blue dorm directly.

With Chumley following in tow. Jaden learned that Chumley was working on his deck, and he was proud. “This is bad the blue students won't let you in.”

“I gotta try!” he went to the front door and was kicked out.

“Hey I'm here to see Zane Truesdale!”

“We heard you, but a filthy slacker like yourself.”

“Yeah, you need a bath filthy slacker.” the doused Jaden in water. Jaden growled, these Obelisk Blue boys are asking for punishment.

Chumley got him a towel and they headed back to the dorm.

“Man, these guys need an attitude adjustment. It shouldn't matter what dorm you are, how can anyone grow being put down like this.”

If his sisters were here the whole blue dorm would be overrun and the duelist punished for their crap attitudes. It was gonna be a tough job, but he could do it. “What are you gonna do now?”

“I haven't given up yet,” he finished drying his hair. “I'll get Zane to duel me one way or another.” this was for Syrus he wasn't about to give up.

They opened the dorm room and thought Syrus was still in bed. “Come on Sy, let's get you some fresh air, maybe a trip to the hot spring.” he pulled back the covers to find an empty bed.

“He left a note!” Chumley found it on the desk.

“Dear Jaden, I'm leaving duel academy. It's for the best, so don't try to stop me. I hope you can find a better lover than

me, though our time was short. I'll treasure the times we shared. I need to reflect on things, goodbye... Love Syrus!" Jaden crushed the note in his hand.

"What is he thinking!?" the room trembled as in Jaden's anger his shadow charm triggered. "Let's go find him!"

The two searched all over the island, but Syrus was well hidden building a raft. 'This is for the best. I'm not good enough to be a duelist or Jaden's lover.' the last part hurt more.

Jaden tried to focus on his bond to Syrus but since he wasn't in Lamia form it was fuzzy. He could feel Syrus' pain, his frustration, his sorrow, but couldn't pin point him. 'Damn it!'

"Koo!" Winged Kuriboh appeared. He started leading the way.

"I must be hearing things I swear I just heard something?" Chumley says.

Jaden follows his friend and manages to find Syrus. The sun was setting, it wasn't safe to be out at night especially out on the open sea.

Meanwhile...

Zane and Alexis were at the lighthouse watching the sun set.

"Any new leads on your brother?"

"You might say that, someone is helping me but nothing substantial yet." she sighed. "It's like he vanished into thin air."

"Don't give up yet, you'll find him." she laughed. "You are the second person to say that."

“Don't tell me it's that boy Jaden?” he asks.

“It is, thanks to him I was able to find something at the abandoned dorm. It's not much of a lead but he's promised to help.” she crossed her arms. “Speaking of brothers I saw yours the other day, he was having a rather unique practice duel with Jaden Yuki. Your name came up and not in the good way.”

“The big bad brother huh?” he folded his arms. “So what, does Jaden want to scold me now?”

“Maybe a little, but he also wants to duel you.”

“Stay back Jaden!” they heard shouted.

They looked and saw Syrus trying to set off on a raft. “Stop him the currents around the island will tear him apart.”

Syrus set off, making it out of the shallow end. Sy's raft hit the rougher currents and it ripped his raft apart. He fell into the water. “Help me I can't swim!”

“And you were about to raft out into the middle of the ocean.” Jaden was about to dive in. “Wait, the currents are too powerful for a human to swim in!” Chumley shouts.

'But not for a lamia!' he dove into the water and transformed under water. Syrus sank into the water, his vision was blurry but he saw someone swimming towards him. He managed to reach Syrus and get him back to the shallow part.

Using his charm he reverted back to normal. Thankfully his friends were none the wiser. “Why did you save me, I'm worthless, I stink, please just let me go I...” Slap!

His cheek stung, but before he could respond he was pulled

into a warm embrace. “Don't ever do that again, you scared me half to death.” Jaden was trembling, and Syrus could feel tears. “I'm so glad you are okay!” he kissed his non stinging cheek and captured the boy's lips.

Syrus closed his eyes and kissed back. In Jaden's arms he felt so safe. The two parted. “You should have let me go, I'm only gonna drag you down.”

“That's your brother talking, you gotta believe in yourself. I believe in you.” his words touched Syrus.

“You are wrong, Syrus doesn't belong here.”

“Big brother?!” Syrus gasped.

Jaden turned and saw him. 'That's Zane!?'

“You dropping out?” he asked.

“Yeah, kinda...” he slumped feeling that pressure again.

“Well it's about time.” Syrus turned feeling pain grip his chest.

“Sy, he's wrong.” he pulled him back. Jaden turned to glare at Zane. “You are his big brother how can you say things like that?”

“Because I know him.” Jaden's eyes flashed.

“No you don't!” they got out of the water. “You think you know him when all you've done is put him down. Let's duel right now and I'll show you the truth.”

“No Jaden don't...” Jaden captured his lips again.

“Duel a Slifer Red, sure why not. It's been awhile since I've went slumming.”

“Get your game on, I'm gonna teach you a lesson pretty boy!”  
Zane blushed.

'Pretty boy?' he thought.

“Jaden don't he's good,” Syrus pleaded. “I know.” he says.

'He's the best of the best, it's possible I may not win this, but I have to fight. This duel will help with Sy's confidence, hopefully without losing mine.' His sisters always helped him, guided him, he was strong because of those he had around him, and he tried to share that strength back.

“Duel!”

Jaden/Zane: 4000

“Oh man this is bad, my big brother taking on my boyfriend this can't end well.”

“Syrus!” the boy looked at Jaden. “Keep watching me okay,” he winked at the boy.

“I'll start things off with some sibling power.” He summoned Lamia Sister #1. The red haired lamia appeared on the field in Attack mode. Thanks to her effect she got a power bonus.

Lamia Sister # 1 ATK 1500 + 400 = 1900

“I'll throw down a face down and call it a turn.”

“That all,” thanks to Cyber Dragon's special ability he was able to summon it to the field without a sacrifice.

“Oh man a 5 star monster, on the first turn!” With an ATK of 2100. “Lucky me!” he smiles and activates his face down.

“Snake Nap!” Thanks to the trap card Zane's monster was brought to Jaden's side of the field.

“Not bad kid, but not good enough, since that was a special summon I can still go again.” he summoned a second Cyber Dragon.

“Oh man not another one.” Zane set two cards face down, and attacked blasting Jaden's Lamia Sister #1.

Jaden: 3800

To end his turn, he activated Different Dimension Capsule. It allowed him to pick any card from his deck and in two turns he got to add it to his hand. “Oh man, that's got to be the best card in his entire deck. I can't wait to see it.”

“It's your move.” Zane had two face downs, he had a feeling that Jaden was gonna attack with the Cyber Dragon to get rid of them both and summon a lamia to attack directly. His Cyber Shield trap card would make his Cyber dragon invincible so long as it remained on the field.

Jaden drew. 'This guy is good, but I got some tricks up my sleeve.'

“I activate Snake of Rebirth!”

Snake of Rebirth (Quick Play)

Sacrifice one monster on your side of the field to bring back one lamia monster from your graveyard.

“What?!” Zane gasped. 'Is this kid insane, why would he

sacrifice my monster for one that was weaker.' the Cyber Dragon on Jaden's side of the field cracked and Lamia Sister #1 took it's place.

“Next I activate Snake Flute, this allows me to summon two lamia monsters from my hand or deck, so I summon Lamia Sister Echidna!” A green and blue scaled lamia girl with light green hair and blue skin, appeared on the field. She wears a golden snake belt and a purple jewel in her forehead.

Lamia Echidna

ATK 2100 DEF 1400

“And Lamia Sister Apophis!” His plan was to attack with Apophis and test the waters of his face down, if he can destroy Cyber Dragon he can take control of it. The purple skinned black cobra scaled lamia appeared on the field.

“Next I use Echidna's effect allowing me to special summon one lamia monster from my deck to the field, so I summon Lamia Little Sister #3.”

## Lamia Little Sister # 3

A tan skinned snake girl she has a yellow tail, and brown eyes, she has short spiky hair.

This monster can attack directly, at the end of the turn she switches to defense mode.

ATK 800 DEF 2000

'Jaden's dueling so hard. My brother is super tough though, those face downs are gonna be trouble.'

“Thanks to Lamia Sister # 1, the other sisters gain a power boost.”

Apophis  $1900 + 400 = 2300$

Echidna  $2100 + 400 = 2500$

Little Sister # 3  $800 + 400 = 1200$

“Now Apophis attack his Cyber Dragon!” Zane activated his trap which made his un-killable for this turn. The trap could attach to any monster with Cyber in it's name.

“Did you think I'd let you take another of my dragons?”

“Guess not but I will take some of your life points.” Apophis'

tail whipped around and spanked Zane in the ass.

Zane 3800

“Well I was hoping for an all out attack but I can still keep it up.” Echidna attacked and much like Apophis her tail whipped around and spanked Zane in the ass.

Zane 3400

“Next, my little sister can attack directly.” No one seemed to question Jaden's phrasing. She launched forward and hit Zane, again slapping him in the ass with her tail.

Zane 2200

Jaden ended his turn by switching Lamia Sister #1 into Defense mode, and Little Sister # 3 into defense mode thanks to her effect, he threw down a face down and called it a turn.

“Nice moves kid, but I'm far from finished.” his trap card vanished and the protective shell vanished around his dragon.

“I activate my trap card Cyber Recovery, this allows me to bring back a Cyber monster from either of our graveyards, and I choose the Cyber Dragon in your Graveyard.” two of them were on the field. “They won't be around much, in this form anyway!”

Using Fusion he summoned Twin Headed Cyber Dragon.

“My monster can attack twice each battle.”

ATK: 2800

“Next I activate the Spell card Cyber Canon and equip it to my dragon.”

Cyber Canon: This card can only be equipped to a monster

with Cyber in its name. Each time this card destroys a monster in battle inflict 700 points of damage.

Zane explained this and had his dragon blast Lamia Sister 1 and Lamia Little Sister 3.

Jaden 2400

“Next I activate Cyber Silver Scream this card allows me to destroy one of your spell and trap cards and deal you 500 points of damage.” Jaden's face down got blasted.

Jaden: 1900

“Man you are good, if you lose the attitude you might actually be fun.” Zane blinked in surprise, he set down a face down. It was Jaden's turn.

'It's been two turns which means on his next turn he'll get his card.' He saw the card in his hand. 'I have a feeling his big play is next.'

“Alright I use Echidna's power to special summon Lamia Sister Medusa!” A small chested snake girl with snakes for hair and pointy ears, her scales are a stone gray color and tough as stone to, appeared on the field.

Lamia Medusa

until this card is destroyed. Should any card also attack this card and fail to destroy it reduce that monster's ATK and DEF to 0.

ATK 1800 DEF 2200

The power his big sisters had was incredible, it was time to put it all on the line. Syrus couldn't look away from this duel, he'd never seen anyone stand up to his brother like this.

“I activate Medusa's special ability allowing me to turn your monster to stone and reduce it's ATK to 0.”

“Not a bad move kid, but this time I'm ready Cyber System Barrier! This trap protects my monster from being targeted by your monster's effects.” Jaden had no choice, he switched his monsters into Defense mode and placed 1 card face down ended his turn.

“I'll admit you played well. You seem to know not only how to use your cards but how to play them, but the game ends here.” He defused his dragon, and got Power Bond from the capsule. Syrus heard the words, and felt his confidence rise.

Using it, he summoned his most powerful monster Cyber End Dragon!

Cyber End Dragon ATK 4000 X 2 8000

“Not only does my monster have double the power thanks to Power Bond but it inflicts piercing damage when it attacks a monster in defense mode.” he targeted Medusa. “Go Cyber

End Dragon destroy his Lamia Sister Medusa.”

“Jaden!” Syrus called, and Jaden smiled.

“Syrus, I'm sorry but I can't beat your brother yet.” the dragon fired and hit Medusa. “But that doesn't mean I won't go down without a fight!”

Jaden revealed his face down. “Revenge Strike!”

Revenge Strike: When a lamia is attacked and destroyed by battle, inflict damage equal to the monster's defense points.”

Zane smirked. Their life points dropped to 0. Jaden fell back and laughed. “Amazing, that was incredible.”

“I can't believe it, a tie with Zane!” Alexis gasped.

Syrus and Chumley rushed to Jaden. “Hmm, thanks for the great duel Zane, I think I understand you a bit better.”

Zane smiled, he looked to his brother. A fire was burning in his eyes. The duel had inspired him.

He walked off. “So Zane, what do you think?”

“I think Syrus has a good boyfriend, I'm actually a little jealous.”

“Hey Zane, come by the red dorm any time, for a duel or a spanking, your choice!” Zane blushed and his penis gave a little throb. He'd be lying if he didn't consider it.

Syrus also blushed as images crossed his mind and his penis hardened. “Let's go, we have a lot to talk about, and work on our decks.”

-x-Back at the Red dorm-x-

Syrus confessed to his thoughts about Zane and Jaden

together. “It excited me, do you think I'm disgusting?” his cheeks were red and he was twiddling his fingers.

“Not at all, I think it's great.” It was Jaden's turn to share, not about being a lamia but his beliefs. He explained to both Syrus and Chumley, how his family had harems. “I believe in sharing love, being together like a family. I understand it might seem strange, me taking other lovers watching, getting involved, exploring each other. If you want out I'll understand.”

The door was opened. If Syrus wanted out, this was his chance. The rules were simple, Jaden wouldn't take anyone without telling Syrus first. He told him what happened to Chumley, and Syrus remembered their first meeting. Giving a helping hand, or mouth was just Jaden's way.

Syrus could accept that. No girls, since Jaden didn't really prefer that anyway. Also Syrus was first mate which meant he had a say in who was in the harem, even helping in preparing and taking care of his harem brothers. Also if someone simply wanted Jaden, they didn't have to cross swords or be touched by anyone else, everyone would have their place.

That had eased Syrus a bit, while the thought of Jaden with other guys didn't really bother him, the thought of other guys touching him(Syrus) made him a little nervous.

“I'm in!” Syrus says.

“Can I be in to?” Chumley raised his hand.

Jaden looked to Syrus, they shared a nod and Syrus looked to Chumley. “Yes.” he says and smiles. They were close friends,

this bond of theirs would only get stronger.

He kissed Syrus first, and the boy moaned into the kiss. His clothes were removed, and Jaden switched to Chumley. The kiss was warm, and Chumley's clothes were removed as well. Both males waited as Jaden stripped, taking hold of their aching cocks and pumping themselves as they watched him strip. The two hard cocks stood hard and proud and Syrus took the right side and Chumley the left.

The smell of his arousal made them both dizzy, and their cocks weep. They both started licking their respected cock. Jaden sighed happily, letting the two work. It seemed that Chumley was more skilled at sucking cock. Syrus watched him out of the corner of his eye.

The brunette moaned as Chumley swallowed his penis down to the root, before bobbing back and forth. Oh he was good. Syrus tried to do the same, but gagged. "I can't do it." He began to tear up. Jaden was about to say something but Chumley patted his back.

"Like this," Chumley showed him the proper technique. "Just go slow and only take what you can, use your free hand to stroke what you can't fit." Chumley performed the technique much to Jaden's pleasure.

Syrus nodded and went back to Jaden's cock. It felt great, his eager sucks, his testing licks and his stroking hand that pumped him as he worked what he could in his mouth.

The two stroked themselves as they pleased Jaden, the male's pre gushing down their throats. It was but the appetizer

before the main course.

The main course was coming, the double stimulus, and the diverse stimulus between his manhoods was amazing.

Chumley only making it better as he shared his mysterious blow job experience with him. Syrus was a fast and eager learner.

Tongues swirled around his cock heads, and flicked his slits. With a moan Jaden came, filling both their mouths with cum. It happened in an instant, the thick cream filling their mouths. They swallowed as much as they could, their own releases following suit.

After a long day, and the powerful orgasms the boys were exhausted. Jaden pulled Syrus up and held him in his arms.

Syrus smiled and cuddled into his embrace. "You gonna join us Chum?" he asked and Chumley smiled.

"Not tonight, he needs your attention tonight, but I was glad I got to join in a bit." He climbed into his bunk. "Night guys."

Chumley was a good guy. He kissed Syrus and the two made out lovingly. Sleep claiming them. Syrus had to admit he was turned on at the thought of Jaden dominating other guys. He wanted to see it, much like watching Jaden duel. It excited him.

He was strong enough to admit it. His feelings were accepted, and he'd be allowed to explore such desires as they arose in the future.

Jaden loved him, and he loved Jaden. He trusted Jaden, and he believed in himself. 'I made the right choice.' he kissed

Jaden one more time before resting his head on his chest and falling into a deep sleep.

To be continued

## Chap 8 Training

Jaden breathed in the morning air, the sun was shining and felt brilliant on Jaden's naked skin. The boy was leaning against the rail, gazing out at the sea, the sun making the water sparkle. 'The view is truly amazing here,' he wanted to help the red dorm, but he didn't want to lose this view.

Syrus and Chumley had come to him willing to adhere to his unique training. The two were currently dueling in the buff, Jaden had made some special toys for them to assist with the training.

Both boys were rock hard, cock rings binding their respective dicks. The rules were simple, the vibrations would increase as you lose life points, the winner gets to cum by the means of their choice.

Chumley lost, failing to use the effect of his Flip effect monster. The boy groaned, his fat cock twitching. 'Oh man, I lost!' he thought, while letting out a weak sigh.

"Well done Syrus," Jaden arrived and the boy let out a sigh of relief. The buzzing stopped, Jaden wrapped a hand around Syrus' twitching cock. "How would you like to cum?"

"Oral please!" he moaned. Jaden chuckled and sank to his knees. Chumley whimpered as he watched. The brunette work the bluenette's cock into his mouth. The ring expanded, allowing release, and what a release it was.

Syrus moaned hotly, his cock sliding into Jaden's mouth, the warm wet cavern enveloped his rod. Jaden's talented tongue

caressing the underside as he worked his shaft. It flicked the head and teased the slit. “Ohhh Jaden, ohh!”

Jaden’s mouth was like magic, his strong sucks, teasing licks made it feel like his dick was melting. ‘Oh kami, I can’t hold back, so good!’ he saw stars. His body shuddered as his release washed through him.

His cheeks clenched, and his balls lurched as thick fresh man milk erupted into the male’s mouth. Jaden kept sucking him through his release, milking him of a few more spurts. The boy’s eyes rolled up, the last waves of his orgasm washing through him.

Syrus needed a breather, so he sat back and watched. Jaden dueled Chumley, he lost but Jaden gave him pointers. ‘Oh man, that’s hot.’ Syrus thought.

“You see if you set this, and summoned him you’d have protection for the next round.” Jaden pointed to the cards in his hands with his right hand. Where is his left hand?

“Uh huh,” Chumley nodded, his body shaking as Jaden fingered him with two fingers. The slick digits plundered his hole, the plump cheeks bouncing as Jaden stroked his insides.

“Ready to go again?” he asking, licking the shell of his ear.

“Yes please!” They dueled again and Chumley did lose.

“Aww man...” he slumped, his cock was twitching angrily.

“Hmm, you are getting better at using your effects, I know what you need more friends in your deck.” he grinned. “Get dressed we are going to the card shop.”

Chumley had to tuck his hard on into his boxers. He

whimpered, but got dressed. Jaden bought both of them some packs, and even forked over some cash for singles. For the Blue students, this was no problem, most coming from wealthy families. “Jaden...are you rich?” Syrus asked.

“Not exactly, my family sent me off with some funds, I worked hard and have a good nest egg.” he says and pays for the cards. “You guys are precious to me.”

Jaden got Syrus some spell and trap cards to support his machine monsters, and he got Chumley some new koala monsters. Sea Koala and Vampire Koala, along with some other beast monsters.

With new cards in their decks, it was time to get naked and duel. They waited till getting back to their private training spot of course. Chumley and Syrus dueled again, and Syrus did win again. “Please Jaden fuck me.”

“Of course,” He lined up one of his cocks to the bluenette’s well prepped hole. Jaden smirked at his readiness. He pushed in one cock, as the other slipped between his legs to rub against Syrus’ cock and balls. “Ohh yes!”

Fullness and friction, such a wonderful combo. As one cock buried deep into his ass, the second rubbed against his crotch and between his thighs. “Ahhh, ah ah ah Jaden oh my ahhh!”

Chumley watched the sight, his cock twitching angrily. ‘Oh man this is so hot!’ he desperately wished he could cum.

Jaden kissed Sy’s neck, hands caressing his smooth bare form. His nipples were nice and perky from arousal. Jaden’s hands moving higher and higher to the buds and began to

pinch them. “Ahh!” he caressed them. “Ohh!” he flicked them. “Mmmm!”

The pleasure shooting straight to his cock. Jaden’s dick was creating a glorious friction, Syrus’ penis twitched weeping pre like crazy. The second cock was working equally as hard, ramming the boy’s sweet spot, the hot length massaging the inner walls. “Oh gawd, I can’t...I can’t!” his head rolls and Jaden sucks on his neck. “I’m cumming!”

His dick twitched and he erupted all over himself. Jaden followed suit pumping his cum inside the bluenette, while the second cock erupted all over Syrus. The rain of cum pelted his flushed form, making him gasp and shiver.

Once his climax ended, Chumley licking his lips as the last drops came and covered Syrus. He could only imagine all the semen that was pumped inside, his own hole twitched in want.

Syrus basked in the afterglow. Jaden provided great after care, easing him down the high. He pulled out, and stuffed him with a butt plug. The boy rubbed his belly feeling Jaden’s cum shift inside.

It was Jaden vs Chumley time as Syrus relaxed. Chumley lost again and he sunk in defeat. “Oh man,” he slumped whimpering.

Jaden went over to him. “Don’t give up Chumley, 1 card can change the whole flow of a duel.” he kissed his cheek.

Chumley challenged Syrus for one final duel. Using the effects of his newest monsters, he was able to get the edge on

Syrus and he was able to win. “Oh man,” Syrus grumbled.

Jaden laughed. “You played well.” he ruffled his hair. He turned to Chumley. “How would you like to be released?”

The boy blushed and stuttered, his penis twitching. “I’d like you to fuck me!” he confessed.

Jaden smirked and went to the boy. “Get ready,” he coats his fingers in a special oil. He caresses the boy’s hole, spreading the oil around his entrance making it twitch. “Ahh,” Chumley moans.

Syrus watches, entranced as Jaden prepares his harem brother. Jaden slips in a finger making Chumley buck. “Ohhh!” the oil coated his insides, the finger rubbing the tight inner walls.

The boy was trembling. Jaden had created a special lube to help his lovers till they were ready for the snake oil. This special lube helped relax the body and made prep easier. One finger became two, and Jaden stretched Chumley out, adding a third finger he worked on stirring up his insides.

Chumley was panting and drooling, his cock begging to release. “Please Jaden, I need to cum.”

“Alright, alright,” he pulled his fingers out, with some difficulty as Chumley’s inner walls hugged them tight. He lubed his cock and positioned the slicked one at Chumley’s wanting hole. He pushed into the boy’s plump ass and the boy moaned. “Ohhh so good so big!”

Jaden’s second cock slid between his legs and rubbed against his hefty balls and fat cock. “Oh gawd, so big, so thick!” he shivered. Jaden rocks slowly, giving him more cock each

time.

Once he was fully seated, he ground his hips, loving the feel of his dick inside the other. His plump ass hugged his length perfectly. He gripped his rear and fondled his cheeks as he began to move. ‘This is so hot, I’m so full, Jaden’s dick is moving in and out of me, so good!’ Chumley was crying tears of joy.

“You ready to cum?” he asked, caressing his still weeping rod. “A-actually can I have both cocks?” this surprised both Jaden and Syrus. “Are you sure?” he nodded.

Jaden lifted him up, pulling him up till only the tip was left inside. He aligned the second cock along with the first. Chumley moans as the second tip breaches his hole. “Oh gawd!” he drooled, his cock twitched wildly as he sank down. The twin cocks stretched him wide. Jaden went slow, letting Chumley get used to the stretch. Syrus gulped and got closer, he could see Chumley’s hole spasm as it swallowed the twins. ‘This is so hawt!’ his gaze left his stuffed hole only to gaze at the blissed out look on Chumley’s face.

Jaden rocked and rocked, helping Chumley get used to the feeling of two dicks. It hurt, but the boy was too high on pleasure to notice. ‘Can I take both some day?’ Syrus thought to himself, their first time was intense and even now he was a little intimidated by the two monsters.

Chumley sank further and further down till he was fully seated on both dicks. “So full, so good!” he moaned.

“Very good,” Jaden kissed his back and neck. “Move please!”

Chumley moaned. “Of course,” Jaden released his cock, and proceeded to slam fuck Chumley over his massive rods. “Ohhh yes yes yes!” he cried out.

The smooth velvety walls hugged Jaden’s twin dicks. The lamia in human guise was loving the tightness. Few greater joys for a male lamia than burying their cocks into their mate. Jaden nibbled on his neck. “Ohhh!” Chumley couldn’t hold back. Jaden’s thrusts made his cock bounce and he came hard, he seed erupting all over. “Jaden!”

Syrus being a little too close got his harem brother’s semen all over his face. Jaden kept thrusting into Chumley’s clenching heat. The depth of his cocks made Chumley’s stomach bulge, the second cock striking his sweet spot dead on.

The prostate massage milked Chumley of a few more spurts. The boy’s face, chest, belly, crotch and legs were covered in his seed. His seed was so thick, his hefty balls

Jaden growled, his release coming, with a low moan, his body shook as he came. Twin dicks fired semen deep into Chumley’s body, so much flooded him it spilled out and soaked Jaden’s crotch.

Chumley shivered as the semen filled him. It filled his belly and rammed his prostate. The combo pushed him over the edge again and he came again.

Jaden carefully pulled out, and Chumley whined at the loss, cum running down his legs. The boy rested on his knees, rubbing his full belly. “That was wow!”

“Oh man how did it feel to take both dicks?” Syrus asked, not shaken in the slightest at being covered in cum.

“Intense,” he blushed and rubbed the back of his head. “I’ve actually been playing with toys since my first year, I love the feeling of an anal orgasm.” he smiled at Jaden. “But that was the best orgasm I ever had!”

“Just wait boys, you’ve both been working hard, so I’m gonna reward both of you tonight.” the two looked at each other, sharing a look.

-x-Later that night-x-

After a quick clean up from Jaden, giving each boy a tongue bath, before they actually hit the hot springs. They returned to the red dorm, still curious what Jaden had planned.

The trio were in one bed, bare, no toys, in all their sexy glory. Chumley was on his hands and knees, Syrus on his back, on Chumley’s back legs spread. Jaden was behind them, one cock at Chumley’s hole and the other at Syrus’ hole.

He thrust forward and filled them both up.

“Ahhhhh!” they moaned. Jaden panted as he fucked them both at the same time, the different clenching to his dicks was heavenly. The bed creaked, accompanying their moans.

“Jaden!” “Jaden!” the two moaned, again and again as he fucked them.

Climax came for the two humans, Syrus’ cum erupting all over himself, and Chumley blowing his load all over the bed. Jaden came several baker’s dozen thrusts later, making the other two cum again before he pumped them full of seed.

The boys were fucked silly once knocked out, Jaden took lamia form and put them in their beds and left to clean his sheets. It was a foggy night, and little did the trio know someone was on their way to the island. Someone who could split the trio up...

## Chapter 9 Father

“Come on faster, faster, at this rate we won’t make it to Duel Academy by morning!” A tall muscle bound man ordered. The man rowing the boat was terrified and indeed rowed faster. They made it to the docks, and the muscle bound man with very familiar hair stepped foot onto Duel Academy island.

Jaden was making his nightly rounds, Syrus and Chumley tucked in their beds before he slipped out into the night. It was foggy and the air chilled so Jaden hadn’t planned to hang around too long.

A large man came towards him. ‘Oh no,’ Jaden slipped into some bushes before he could be seen. “Where is that dorm?” he says aloud. The man had the scent of booze on him. ‘Who is this guy?’ he shifted to get a closer look. “Who’s there?!” the man tossed a sake bottle at Jaden. The lamia caught it. ‘Crap!’ he slithered away as fast as he could.

The large man inspected the bushes but found nothing. “What a strange place.” he continued his search for the dorm.

Jaden inspected the sake bottle. “Hmm, strong stuff.” Lamias had a high tolerance for alcohol, it wasn’t impossible for them to get drunk but they could handle their booze better than most humans. Due to their unique taste buds they could handle most varieties of booze as well the taste not bothering them.

He returned to the red dorm, stashing the sake bottle away.

-x-The Next Morning-x-

Jaden was relaxing in the sun. “Ahh, such a nice day.” he had found a wonderful spot while exploring, it had a nice tree, giving shade when needed, on a cliff over the sea so it had a wonderful view. “Nice breeze, warm sunshine, I love it here!”

“Big Bro!” he heard. “Huh?” looking around he saw Syrus running up to him. “What’s wrong?”

“Its Chumley, he...he...he’s going to be expelled!” Jaden shot up at the news. The two raced back to the red dorm, and many red students were crowded around Banner’s room/office. A booming laugh could be heard inside.

‘It’s that guy again.’ Jaden thought. “Who’s this guy?”

“That’s Chumley’s father.” Jaden’s eyes widened. “Ehh?” he gasped. “He came in person to bring Chumley back with him.”

“I’ve seen that the red dorm has improved some but I’m afraid Chumley only being in Red is deplorable. He’s already repeated one grade and it doesn’t seem he’s been studying at all.” he sighed. “How can he call himself a man?”

Jaden narrowed his eyes at the comment. Banner chuckled nervously, Chumley’s father was seriously intimidating. “Well yes, we have been getting some improvements done, as for Chumley he has been working hard, some of his grades have improved.”

“Too little too late!” he snapped. “He should abandon being a duelist in good grace, and join the family sake brewery to walk the path of a man!” he says, and bangs his fist on the

table. “Don’t you agree, Professor?”

“No,” he says. “Though I hear your liquor is one of the finest.” In an instant, he produces a large Sake bottle and plants it on the table. “Help yourself.”

“Oh no, no, no. I couldn’t do that.” The man got in Banner’s face. “I’m taking Chumley home today!”

“What are we gonna do Big Bro?” Syrus asked. He liked having Chumley around, also he was his harem brother.

“It’s obvious we are gonna see how Chumley feels about this.” They race upstairs, and found Chumley already packing. “Chumley!” the boy doesn’t turn around.

“Hey guys,” he says putting his stuff in a large bag. “Are you really giving up?” Jaden asks. “Sure am, I know our time together was short, but I’m happy for everything.”

Jaden felt anger flood his veins. “You giving up on everything, just like that!” he grabbed the boy’s shoulder. Chumley turned, and Jaden saw the tears running down his cheeks. His anger washed away. “Chumley...” he embraced the boy.

“I don’t wanna go!” he says. “Oh Chumley!” Syrus joins in the hug.

“To be honest I never seriously wanted to become a duelist, I thought it’d be nice to be one, but I never gave it my all you know.” he says. “But being with you, watching you duel, it’s really inspired me.” he wipes his tears. “Besides I have a special power!” he says. “I can hear the voice of spirits!” Even Jaden was surprised, he had sensed something from

Chumley before but had no idea. “Then you should tell your dad.” Chumley tensed. “No way! He’s way too scary.”

“Come on!” Jaden grabbed him and hauled him up. “Let’s go.” They rushed to Sheppard’s office. Banner and Mr. Huffington arrived shortly after. “And that’s the story, could you please give up on expelling Chumley?”

“And who the heck are you?” Chumley flinched, but Jaden stood proud. “I’m Chumley’s boyfriend.” he says staring the man down. The man snorted fighting back laughter.

“Is this a joke?” his gaze left Jaden and focused on his son. “No dad, it’s not a joke, Jaden’s my boyfriend, and Syrus is my harem brother.” he confessed. “We want Chumley to stay!” Syrus says, but one glare from Chumley’s father made the boy duck behind Jaden.

Banner and Sheppard were surprised, but there was no rule against dating or even sex on campus so long as you kept it behind closed doors. “My son’s tastes are my son’s tastes I just wish he picked out someone with more meat on their bones.” His father laughed. “Well regardless, this is between me and my son.”

“Jaden I understand your concern, but Mr. Huffington is right.” he looked to Chumley. “Chumley it’s up to you, do you want to stay.”

“Yes sir!” he says.

“Fine...” the boys turn to him. “However, there’s one condition. You’ll have to duel me!”

“Sure, I’ll take you on!” Jaden says.

“Not you, though I like your moxie, Chumley you have to fight me yourself.” he says. The boy gasped. “If you beat me, you can stay with your little boyfriend, and if you lose you will return with me immediately.”

Jaden and Syrus look to Chumley, he seems hesitant but ultimately agrees. “Wonderful, fitting of Duel Academy. Good luck Chumley.” They leave the office, Mr. Huffington staying behind to talk to Sheppard about a few things.

Banner led the boys back to the red dorm. “I’m shocked he accepted to a duel like that, I wonder if he’s ever dueled before?”

“Well now, as a matter of fact Chumley’s father, Kumazo Huffington is a pro duelist. He is legendary for his one hit kill technique.” Jaden gasped. “Knowing this Chumley still accepted the duel.”

“I know my dad’s strong, but...I’m not giving up!” he says. Jaden smiles. “Let’s go, lets work on your deck before tomorrow.”

They work together into the night, meanwhile Kumazo and Banner drink...a lot...even Pharaoh gets in on the sauce.

“Come on drink drink!”

“I think I’ve had enough,” he says, but Kumazo pours him another glass. “Come on, your cat is knocking them back more than you are.”

After several drinks, Kumazo needs to answer nature’s call. He overhears the boys working on his son’s deck, having a little talk. “Your deck is really coming along Chumley.”

“Yeah, all that training with you and Jaden has really helped.” he says.

“And sorry about calling myself your boyfriend, your dad could have taken it badly.” Jaden says.

“Well my dad is actually bisexual, after my mother passed away, he gave up on women.” he explained. “He mostly just has one time flings with men he meets.” he sighs. “I think he’s lonely.” Jaden began to think, a plan forming in his mind.

Syrus gives Chumley 2 cards, and Jaden gives him three.

“I’m guessing Jaden’s parents are more open about sexuality, right Jaden?”

Jaden frowned. “Well I don’t know...I can barely remember them.” he gives them a smile. “But yeah from what my sisters told me, love isn’t blinded by gender.” the two share a look and decide not to press the matter. Jaden caresses his charm. “You guys get some rest, I’m gonna take a walk.” Jaden left the room, and decided to take a walk. Once he was out of sight he shifted into his lamia form.

-x-

Kumazo had finished his business and just before he was about to tuck his cock away he heard a familiar rustling. He turned and got caught in a pair of golden eyes. Instantly an illusion was cast over him so he wouldn’t be able to recognize Jaden. “Who are you?” he saw the shifting snake half. “What are you?”

“I am a lamia, as for who you could say I’m the guardian of the Red Dorm.” Kumazo laughed. “So are you here to punish

me?” It was Jaden’s turn to laugh. “Maybe, but instead was thinking we’d have a drink.” he revealed the bottle of sake.

Kumazo smirked and agreed. The two sat down and started to drink. Kumazo was sure he could drink anyone under the table but damn the lamia was knocking them back. By the time the bottle was empty Kumazo was smashed. “Fuck your big.” Kumazo was running his hands over his tail. “I love big men.”

Jaden chuckled. He was barely buzzed, Kumazo’s booze was good, but it’d take at least 10 to get Jaden drunk. His eldest sister had told him, the best way to understand your partner is to sleep with them. He wanted to understand Chumley’s father, and his lamia blood was itching to have some fun.

He cupped Kumazo’s cheek and captured his lips. The older male kissed him back, rubbing his hardened cock into Jaden’s scales. Kumazo’s dick was 9 inches long and very thick. ‘It seems Chumley got his girth from his father.’ he thought feeling the heated length.

The kiss broke and Kumazo pulled off his top, the man was so muscled. Jaden had seen many a muscle man in his sisters’ harem. Broad shoulders, big manly pecs, sexy abs with a treasure trail running down to his crotch.

With his shirt off Kumazo went back to kissing Jaden, but found his kiss overpowered. ‘This guy’s good!’ Kumazo thought, his tongue being played with expertly. During the kiss, Jaden used his tail to help remove his pants.

He straddled Jaden’s tail, rubbing his cock and balls against his scales. The lamia rocked against him. Kumazo has frothed

a many a man, but this was way more intense. Friction to both his cock and balls. “Mmmmmhhhhmmm,” he moaned into the kiss. Jaden was long, he had more than enough tail to lift and curl. The end of his tail spread the male’s plump ass, and caresses his crack putting pressure on his hole.

Kumazo’s actions were rushed, pushing back against the teasing tail, humping against his scales. Jaden wasn’t having it, he broke Kumazo’s control, taking the control away from him, forcing him to just feel.

The tip of his tail caressed the man’s entrance, feeling it twitch. Kumazo had no issue with getting topped, if you got the bigger meat he wanted it, if you wanted to get fucked he’d give it to you good. As the tip penetrated his ass, he breaks the kiss to moan.

His tail rocks and wiggles, teasing and stretching the man’s ass. It sank deeper, the girth of Jaden’s tail becoming more and more apparent. “Ohhhh,” he moaned, his ass stretching more and more.

Kumazo rocked his hips, trying to hump faster. “Hey do you even have um...?” Jaden chuckled, and parted some scales, not one but two very large cocks slipped out. In his lamian form his cocks were quite larger. “Oh fuck!” he moans.

He doesn’t wait a second, licking the left, while pumping the right. Jaden moans, and continued to stretch the man’s ass open. As Kumazo works his dicks, pre starts leaking out, and Kumazo starts lapping it up.

The man had never tasted such delicious essence. He wraps his lips around the head and slurps down every drop before

moving over to the second head. As he sucks the second head he pumps the first coaxing more pre for later. The stubble on his cheeks felt nice on his cocks.

Jaden couldn't help but chuckle as Kumazo chugged his pre like it was sake. "Ohh so good!" he says between cocks, and continues chugging. Bringing the cock heads together, he swallows both tips, bringing his tongue to swipe both.

Kumazo couldn't hold back, drinking the pre made his body so hot. Even drop made him crave more, his dick was weeping like crazy, and his inner walls were spasming like crazy.

He thrust his tail faster and faster, and with a flick found his sweet spot. "Ooohhhhhnnnn!" his balls lurched and he exploded all over Jaden's tail. Six thick spurts splattered the scales. His inner walls squeezed Jaden's tail, the sensitive tip being squeezed by the velvety insides.

Jaden came, two streams of semen shot into Kumazo's mouth. The man was surprised, but swallowed every drop that was pumped into his mouth. The taste was so strange, but had his taste buds going off like fireworks.

Despite the orgasm his cock was still in a semi hard state. Jaden pulled his tail from his hole, Kumazo whined at the loss, his hole spasming trying to close the void that was left inside.

Jaden shows his strength, coiling his tail around the man's abs, lifting him up and putting him in the doggy style position. He shifted behind him, both of Jaden's cock still fully erect.

Kumazo reached back and spread his cheeks. “Please both cocks stuff me!” Jaden is surprised but smiles. ‘Like father like son.’ he lines up both cocks, the twins kiss his hole. Kumazo smirks. “Yes yes give it to me!”

Jaden thrusts in, thanks to his prep with his tail, his ass swallows both dicks at once. “Ohhh yes!” inches by glorious inches Kumazo took both cocks at once. He moaned, his cock hardening and twitching like crazy.

The friction of two cocks sliding inside made the older male’s body tremble. He wanted to bury them deep into his ass, but Jaden held him firm. He was drooling by the time he was halfway stuffed, and he still had many more inches to go.

By the time Jaden stuffed him balls deep, he came again. Kumazo’s semen splattered the ground. “So full!” he moaned. He’d never been stuffed so wide and deep before, Jaden’s pre soaked his insides, making them hot and tingly.

Jaden started moving, and Kumazo panted and moaned, his cock rising back to full mass from the friction. His long girthy cock bounced as Jaden fucked him faster and harder. The steady smack smack, of Jaden’s pelvis against Kumazo’s toned ass. His cheeks gained a healthy red glow to them.

The man hole spasmed around the twin rods, cock twitching in joy. After two orgasms, the third came quickly, his balls lurched and his semen spilled on the ground.

Despite his clenching heat Jaden kept fucking him, pounding away, one cock hitting his prostate again and again. Both dicks rubbing and nudging his inner walls. “Fuck!” he was panting, tongue hanging out of his mouth.

He wasn't allowed to get soft, the several jabs to his sweet spot keeping his cock erect. With his male partners in the past he was lucky to get two orgasms, but he was well on the edge of a fourth. "Ahhhh!" he cried out as his orgasm hit, eyes rolling up as his penis spills the last of his seed.

Jaden let out a moan, and found his own release. Twin streams pumping into Kumazo's ass, with such force, ramming his sweet spot, and pelting his inner walls. His cock twitched in a dry orgasm and he passed out into a deep sleep.

He pulled out of Kumazo, and coiled him up in his coils. "So this is a father huh?" he pet the man's head. He looked a lot nicer after 5 orgasms. Jaden knew he could use his powers, and make Chumley's dad leave, but it wouldn't be right. This was Chumley's fight to fight.

Jaden used his power on the man's deck, leaving some protection for him. Jaden cleaned him up, and dressed him before returning to the red dorm.

When Kumazo came to he felt oddly at ease. "Man that was a strange dream." he says, blushing as images of the events flashed in his mind. His morning wood was certainly excited. He took the soreness of his rear as for falling asleep under a tree. He had a light headache but he'd be fine for the duel later.

-x-

Chumley was super nervous for his duel with his father. Jaden got up and went over to him. He grabbed the boy and pinned him against the door. "I got you." Jaden says. "Wha?" He undoes his pants and lowers his boxers. Pulling out the boy's

dick he swallows it down. “Ohh!” he moans.

Kumazo made it back to the dorm, just in time to hear the moans. “Ohh Jaden ohhh!” Jaden mouths him back and forth, slurping and sucking his thick length. His tongue teases the underside, flicking back and forth along his shaft. Syrus watched the scene smiling, playing with his cock as he watched Jaden service him. It reminded him of his own stage fright and Jaden helping him.

He gasped and moaned, trembling as his lust built higher and higher. “Oh ahhhhnnn!” he cried out as he came into Jaden’s mouth.

‘Heh that’s my boy.’ Kumazo thought.

-x-

Chumley stood facing his father Kumazo. Both were barefoot, duel disks ready and decks shuffled. Banner, Syrus and Jaden sat on the sidelines. “This is it...” Jaden says. “Pay close attention students, this is a rare opportunity to see a pro in action.” Banner states.

“I hope your ready Chumley.” He says drawing 5 cards. “I’m ready...I hope...” he draws his 5.

“You can do this Chumley!” Syrus cheers. “You got this Chumley.” Jaden came up and gave him a good luck kiss. Chumley blushed and felt all tingly.

“Alright my move!”

Chumley 4000 Kumazo 4000

Chumley scanned his hand. “I’ll start by setting a monster face down. Then I play a face down.” He ends his turn.

Jaden and Syrus smiled. Chumley had learned a lot during their training. They just hoped he was ready to use the new cards they gave him.

“My move!” His father says. “I summon Dizzy Tiger!” A large bara anthro tiger appeared on the field. The smell of booze filled the room. “Now attack!” He threw a cat punch.

“Ha you caused my monster to flip.” the face down was Des Koala. Its flip effect dealt damage to the opponent based on the number of cards in their hand. However the effect didn't trigger. “Huh what happened?” since Dizzy Tiger’s ATK was the same as Des Koala’s DEF he was able to survive the cat fist.

“Don't be so naive. Dizzy Tiger also has an effect. He negates the effects of face down flip effect monsters that he attacks.” He laughed. “I end my turn.” He says and Chumley acted.

“That's why I have this, Book of Moon!” He revealed his face down. Flipping Des Koala back down. Kumazo was surprised. “I know how strong you are dad, so I'm not holding back.”

Jaden smiled. That was one of the cards he gave him.

Kumazo already ended his turn, he had 5 cards in his hand. Chumley drew his card. “First I flip summon my Des Koala!” his effect activated. Kumazo’s cards created eucalyptus leaves, Des Koala hit him with 5. “Now you take 400 points for each card in your hand.”

Kumazo 2000

“Now I activate the spell card Double Summon. This gives me 2 normal summons this turn.” Using this he summoned another Des Koala, only to sacrifice both of them and summoned Big Koala. The large blue koala appeared on the field, 2700 ATK. “Go Big Koala!”

Big Koala palm thrust Dizzy Tiger and destroyed him.

Kumazo 1100

“Yes go Chumley!” Syrus cheered. “Keep it up Chumley!”

Jaden shouted.

“It's not over yet,” Banner says. Sure enough it was Kumazo’s turn. He drew...

“I summon Dizzy Angel!” A blonde male in a white suit, holding a sake bottle appeared on the field.

“Oh great another drunkard.” Chumley says pinching his nose. “I'm not drunk yet little bro!” He heard Dizzy Angel’s voice. Jaden heard it to. ‘Interesting.’ He thinks.

“Next I play Flipping the Table.” The field changed so the monsters were on a giant table. “That's not all Chumley I play three Bottles of Sake.” 3 sake bottles appeared on the field.

“Ohh party party.” Dizzy Angel says.

“Next I activate the effect of Flipping the table.” He grabbed the table and flipped it high into the air. Big Koala and the 3 Sake Bottles were destroyed.

“Noo my big Koala!” He gasped. The 3 sake bottles release a sake mist. “Gah it reeks.”

“You take damage for each Sake Bottle destroyed, 500 each!”

Chumley 2500

“Aww man where did the sake go?” Dizzy Angel was searching for his lost sake. “Wait why is he still here?”

“Dizzy Angel can't be destroyed by the effect of Flipping the Table.” He went to battle phase and Dizzy Angel blasted Chumley. “You see Chumley, no matter how powerful a monster you summon one flip of the table sends them flying.”

Chumley 700

“Grr, don't think you can fool me, I know the secret of Flipping the Table. I am your son after all. Once you use it you can't summon a monster, and you used up all your sake bottles!” he points at Kumazo.

“He's right!” It was Kumazo's turn to laugh. He made Syrus eep and hide behind Jaden.

“You shouldn't underestimate me, to end my turn I activate the spell card Restock! It allows me to add two Sake spell cards to my hand.” the cards return to his hand.

“Two of them?! That means...” Chumley felt his father's pressure and his nerves began to take hold.

“Chumley!” the boy looked to Jaden. “Calm down, you can

do this. One card can change an entire duel, you just have to draw it.” Chumley nodded.

“Alright my move!” he draws a card. “This is it!” Kumazo raised a brow. “Dad, this deck...this deck has grown strong thanks to Jaden and Syrus, they’ve inspired me, help me train, and stand by me! So I’m not leaving them!”

“I activate Silent Doom!” this revives Big Koala in defense mode. “Next I activate Polymerization to fuse Big Koala, and Des Kangaroo.”

‘You didn’t give up Chumley, and you didn’t run away.’ he thought. Master of Oz was summoned in attack mode: 4200 ATK. He heard the cards the others gave him, Syrus giving him Des Kangaroo and the Poly, and Jaden gave him the Book of Moon, Double Summon, and Master of Oz. ‘I’m proud of you.’

The fusion monster blasted Dizzy Angel.

Kumazo: 0000

Jaden and Syrus rushed Chumley and hugged him. “You did it, you did it!” He lost, yet seeing the trio together, he was happy. “Chumley you have really grown.”

“Thanks dad.” he says, brushing away tears of joy. “You gotta tell me son, what do you see in that string bean?” he says pointing to Jaden.

“Dad!” he sighs. “Well Jaden is really sweet and kind. He’s a skilled duelist and...” His father nudges him. “Oh believe it or

not Jaden has 2 cocks.”

“Two Cocks!” he gasps looking at Jaden. His dream flashes in his mind, and his cock twitches. “Well looks like you lucked out.” he hugs his son. “I’ll be rooting for you Chumley, keep following your path.”

The man leaves, and the boys wave him off. “Hey Jaden, do you think you can bring my dad into the harem. I think he’d stop being lonely.”

“No, he’s not mine, but don’t worry I don’t think he’s gonna be alone anymore.” Chumley didn’t know what Jaden meant but he believed him.

-X-

When Kumazo made it home, his deck glowed two duel spirits being conjured. One being Dizzy Angel, the other being Dizzy Tiger. “What on earth?!” he gasped.

“You can thank the guardian of the red dorm for this, he gave us some power so now we can be with you.” Dizzy Angel says. They revealed what they meant, revealing their very large 18 inch cocks, Dizzy Tiger being thicker.

“So it wasn’t a dream?” He puts the dots together and Jaden’s illusion fell apart. “Chumley you certainly found an interesting guy after all. I wish you all the best.” he got on his knees. “Come here guys we have fun to have.”

Kumazo later found himself being spit roasted between the two monsters. Dizzy Tiger was pounding away at his plump ass, ‘So full, so thick!’ he thought, while he had Dizzy Angel in his mouth, his nose buried in the blonde pubes. ‘Smells so

good!'

Jaden's semen helped change his body, making taking monster cock easy. The two fucked him to oblivion. After having a couple orgasms, and drinking Dizzy Angel's semen, and getting stuffed with Dizzy Tiger's, they switched and the games continued.

After several rounds, it was time for clean up. Dizzy Angel seemed to think his dick was a sake bottle with the level of suction and worship he gave to it. Dizzy Tiger spread his ass cheeks and began to lap at the cum filled hole. "This is bliss!" he moans.

Kumazo gave up the one night stand bar hopping. His monsters were able to return again and again so long as they fed on his semen. The man's seed fueling the power Jaden left them.

## Chapter 10 Double Duel Double Trouble

Crowler was not a happy camper. Since the new additions to the red dorm, the red duelists were happier. ‘Everywhere I look is slackers slackers slackers, they litter my campus like vermin. Lousy duelists ruining my academy, but the worst yet is that Jaden Yuki.’ he growls, his dark look sends the duelists in red running scared. ‘Obelisk blues are the elite, I will not have it, the reputation ruined any longer!’

“That Slifer Slacker has made a fool of me long enough!” he shouted. “Hahaha, but soon he will pay for it. With what I have planned, that slacker will look like a fool and be out of this academy for good.”

“Dr. Crowler,” the blonde flinched but was relieved seeing it was only Chazz. “Ah, Chazz, how can I help you?”

“Put me in the tag duel against Jaden and Syrus, I want to send that slacker packing.” Crowler chuckled. “You?” he asked. “Yes I know I can beat him, this time for sure!”

“Sorry, not this time, I’m taking no chances, so you’ll be sitting this duel out.” the boy gasped. “Don’t get me wrong, your skills are admirable, but if Jaden Yuki loses this duel he’ll be expelled. Once and for all!” he turned away from Chazz. “That’s why he’ll be facing the greatest Tag Duelists in the world.”

-X-

Syrus and Chumley were panting, both of them were riding Jaden’s dicks, there butts rubbing against each other. “Ohh

Jaden, so good!” Syrus moaned, Chumley was at a loss for words, sticking to panting and drooling.

Jaden has his feet planted firmly, bucking his hips to drive the two wild. “Both of you, touch yourselves, cum for me!” They obeyed reaching down, to pump their weeping cocks. Their releases came, and their holes clamped tight on the twin dicks. Cum flew through the air, and Jaden let a moan of his own slip and he came hard, both dicks twitching and pumping full their respective boy.

The two collapsed into Jaden’s waiting arms, and Jaden pulled out of their tight holes. Their holes were left gaping, their insides glistening with cum. As their holes twitched, and tried to close up, cum leaked out and ran down their legs. “I hope this isn’t the last time we get to do this together.” Syrus says.

“Hey enough of that,” Jaden playfully slaps Syrus on the behind. “We got this Syrus.” he says and gives the boy a kiss on the forehead.

“I’m worried, you know Crowler is gonna pull a dirty trick.” Jaden rubs his back. “It’ll be fine. Let’s go get cleaned up.” The trio showered, with Jaden helping clean out the two before heading to the hot springs.

After a nice long soak, they got a surprise from the red dorm students. “What are you guys doing here?” The trio were in robes, as the red students gathered in pajamas outside Jaden’s room. “Please you have to stay at duel academy.”

“Ever since you showed up, I feel proud to be a red.”

“The hot springs are so amazing.”

“And with our new dueling field we’re able to practice more.”

“If you get expelled things will just go back to the way they were.”

Each of them offered their best cards. “They may not be much, but you can have our best cards.”

“Thanks guys, but your support is more than enough.” Jaden says with a smile. “We’ve been working hard, we aren’t going anywhere.” he gave them a thumbs up. “But keep cheering for us!”

It was true, both Jaden’s deck was built to support lamias, and Syrus’ deck was built to support the machines and roid monsters. It took a lot to work their decks to support each other.

The duelists turned in. Jaden, Syrus, and Chumley sharing a bed. Tomorrow was the big duel and it was gonna be intense...

-x-

Syrus spent the rest of the morning trying to pump himself up. ‘I believe in myself, I believe in myself.’ he chanted over and over

Chumley hugged them both. “Good luck you two, give it your all.”

They went to the Obelisk arena. “We are here for the Tag Team Trial, this is a sudden death expulsion duel. Send in the accused!” Jaden and Syrus entered the arena and the crowd went wild.

Every Slifer duelist was cheering for them. “A tad harsh I’d say.” Bastion says. “No joke,” Bastion turned. “Huh?” he spotted Alexis behind him. “You’re Bastion Misawa, a friend of Jaden’s?”

“I suppose you could say that.” She sat next to him. “And you’re Alexis Rhodes yes?” she nodded. “Yeah, and I’m also why they are in this mess.” She was worried and she should be. Rumor had it Crowler hired professionals to duel them.

Chazz was pissed, he wanted to be the one to take them down. “It’s fine so long as someone does it.” Zane was also watching and Syrus took a few breaths chanting his mantra.

“Allow me to introduce the opponents, the Paradox Brothers.” two bald men, one dressed in orange, the other in green came spinning onto the scene, they did flips and spins before landing and striking an epic pose. The audience gasped. These two were dueling legends, who worked for Pegasus himself. The last person they dueled was the King of Games himself.

Syrus was getting nervous again, as the two smirked down at them. “These guys are dueling mercenaries this is hardly fair.”

“I think that’s Crowler’s point, I’d estimate Jaden’s chances of winning 50 to 1.” Bastion explains.

“We didn’t come to stand around and talk, we came...to destroy you.” The paradox brothers spoke in sync at the end...it was kinda creepy. Crowler chuckled. ‘You’re scared, you’re scare aren’t you.’

“Crowler!” Chancellor Sheppard spoke up. “Don’t you think this is a bit much?!”

“No, not at all, Jaden and Syrus broke a big time rule so they deserve big time opponents.” he smiled. “Besides the brothers came all this way we couldn’t possibly send them back now.”

“Why should that matter, you are paying for their travel cost.” Crowler flinched. “Jaden, I’ll leave it up to you.”

“I’m so excited,” he grinned. “I can’t believe we get to face duelists who fought against the King of Games!” Crowler made an annoyed face.

“Right...Anyway let’s get on with the duel, there will be no sharing of strategies, the only cards that can be shared are the ones on the field. Duel!”

Both sides draw their cards.

Jaden and Syrus: 8000

Paradox Brothers: 8000

“I’ll go first.” Syrus says. “I’ll summon Towroid.” A tow truck roid monster appeared on the field. “And since he was summoned to the field I draw 1 card.” he set 1 and ended his turn.

Towroid 4 Stars Earth ATK: 1500

“I’ll show you a real monster, I summon Jirai Gumo.” The giant spider like creature was summoned with 2200 ATK.

“My move,” Jaden says, he draws. “I activate the spell card Double Summon, this lets me summon two monsters instead of one this turn. So I summon Lamia Sister 1 and Lamia

Sister 3.” The two lamia sisters appeared on the field.

Lamia Sister 1 and Lamia Sister 3 ATK: 1900

“Their Attack is boosted thanks to Sister 1’s effect but that’s not all I’ll throw down a face down and activate Supply Squad and end my turn. Which triggers Sister 3’s effect.”

Lamia Sister 3 spat poison inflicting 300 points of damage.

Paradox Brothers: 7700

“You may have drew first blood, but you shall still fall.” Dox summons Kaiser Sea Horse in attack mode: 1700. Then he plays the spell card Tribute Doll, using it’s effect to tribute Para’s Jirai Gumo, and special summons Kazejin in Attack mode : 2400. Before he ends his turn he activates Dark Designator on his brother, declaring Sanga of Thunder, the monster gets added into his hand.

‘Okay monster countdown, Dox is rocking 2 monsters, one 7 star monster I’ve never seen before. Sy has his little roid dude, and I got two sisters on the field.’

‘Okay, Para has no monsters, but with a shared field he can use those two to defend him.’ he didn’t know Kazejin’s effect, but he had to do something. “I summon Tugroid!” the tugboat roid monster appeared on the field.

Tugroid 4 Star Water: ATK 1700

Thanks to Lamia Sister 1’s effect Tugroid got a boost being a Water type. ATK 2100

“Since he was summoned successfully I get to draw two cards, and so long as this card is on the field during my draw phase I draw 2 cards instead of 1.” he says. He draws his two

cards. “Alright, I activate the spell card Roid Rush!”

On the turn this card is activated all cut the ATK in half of all Roid monsters and attack directly.

Towroid: 750 Tugroid: 1050

“Go attack Para directly!” Para used Kazejin’s effect to negate Tugroid’s attack, but Towroid hit home.

Paradox Brothers: 6950

“I set 1 card and end my turn.” Towroid’s and Tugroid’s ATK went back to normal. Syrus was a little bummed his move didn’t work out all the way.

“Don’t worry Sy, your doing great.” Jaden gives him a thumbs up.

“Little Slifer’s think they are tough?”

“We’ll show them, who has the right stuff!” It was Para’s turn and he used monster reborn to bring back Jirai Gumo, but he didn’t hang around for long as the next card was another Tribute Doll. “I sacrifice Jirai Gumo to special summon Suijin.”

“Another level 7 monster?!” the two gasp. “Not again!” Syrus looks scared.

“My turn is not over yet! He looks to his brother, may I brother?” he nods. Kaiser was sacrificed to summon Sanga.

“Now with all three guardians on the field I can tribute them to special summon the mighty Gate Guardian!”

Gate Guardian 3750 ATK

“Now I place those odds at 500 to 1.” Bastion states.

“I use the spell card Double Attack!” It was a card similar to Double Summon yet it allowed monsters on the field to attack twice this turn. “Go Gate Guardian attack the roid monsters.”

It was clear Para was looking for payback. Gate Guardian blasted Tugroid first. The poor machine didn’t stand a chance.

Jaden and Syrus: 6850

“Now again!” Towroid got blasted.

Jaden and Syrus 4400

“You two think you had a shot.”

“But you against our Guardian, you are not so hot!”

Syrus had mystic space typhoon on the field, it was a bluff which didn’t pay off. ‘Jaden must think he has the worst luck in dueling partners.’ he looked and Jaden looked mad.

“How dare you attack Syrus!” Jaden hissed. In truth the better strategy was to destroy Jaden’s lamias since one created an ATK boost, and the other dealt battle damage. In fact if Para had attacked Jaden they would have taken more damage.

“This isn’t a duel it’s target practice for the paradox brothers, and Sy’s the bulls-eye.”

“Syrus surprised them with that move, but against such a beast his monsters couldn’t stand up to them. He’ll need to play smart against that monster.” Alexis says. “Jaden’s good but he’s not good enough to handle both brothers by himself.”

Crowler however saw it differently. ‘These two are dueling perfectly, after all in tag duel once you destroy the weakest link, the whole chain falls apart. They figured out the weakest

link is, little Syrus!’

“Not so fast Paradox Brothers, since we share a field and you destroyed Sy’s monsters, Supply Squad activates, allowing me to draw two cards.” he draws two. “Stay strong Sy this isn’t over.”

“We aren’t scared of his little toys or your snake beast.”

“Our Gate Guardian will have a them for a mighty feast.”

“You are about to learn a hard lesson lamia’s always strike the hardest when you attack what’s precious to them.” Jaden draws and he activates a trap. “I activate balanced summon, this card lets me summon a monster, and if my tag partner has a monster with the same ATK points he’s allowed to special summon it from his hand or deck. The monster I summon is Lamia’s Little Sister #3.” the little sister joined the fray, original ATK 800.

“Thanks to his trap I special summon Submarineroid in defense mode.” The Water type machine got a boost thanks to Lamia Sister #1.

Lamia Little Sister 3: ATK/DEF Boosted 1200 ATK/2400  
DEF

Submarineroid ATK/ DEF Boosted 1200 ATK/ 2200 DEF

“First I’ll switch the big sisters into defense mode.” Lamia sister 1 and 3, DEF: 2000. “Next I attack directly with Lamia Little Sister 3’s special ability.” she zipped past the Gate Guardian and smacked Para with her tail. “Now her effect takes places after the battle she switches to Defense mode.”

Paradox Brothers: 5750

“Our life points.” they gasp.

“I’ll set two cards and call it a turn.” When he ended his turn, Lamia Sister 3’s effect activated, and the Paradox brother’s took more damage. “You guys might have a big monster on the field, but you know what they say the bigger they are the harder they fall.”

Paradox Brothers 5450

“You think you can hide in defense, think again!” Dox drew. “I activate an equip spell, Fairy Meteor Crush, and equip it to Gate Guardian.”

“Not so fast I activate, Mystical Space Typhoon!” Syrus says and revealed his face down.

“Right into my trap, foolish boy did you think you can win ha!” Para revealed his face down Judgment of Anubis, he discarded one card to activate it.

“You guys should have been more worried about me, I reveal my own face down, Trap Jammer!” Jaden discarded the last card in his hand, negating Para’s trap, and allowing Syrus to destroy Fairy Meteor Crush.

Dox chuckled. “All that effort, and you think you’ve won, one hand empty and soon your life points will suffer. I activate Emergency Equipment Supply, I can activate this card when an Equip Spell has been destroyed by card effect, if my partner’s deck has the same card he is allowed to play it now.”

“Oh no!” Para smirked. “Indeed I have, he played Fairy Meteor Crush and equipped it to Gate Guardian.” This wasn’t

good, now it didn't matter if their monsters were in attack or defense.

“Now to end my turn I summon Defense Wall, so long as it's face up in defense mode you cannot target another monster for battle except it.” the two strike a pose. “Your backs are to the wall.”

“One by one your monsters shall fall!”

Crowler looked like he was almost orgasming at the duel.

“The Gate Guardian on Offense and that wall on Defense? It's almost flawless!” Alexis was worried.

“What are you waiting for make your move.”

Syrus flinched. “At this point a miracle.” he drew. “I summon Cycroid in defense mode.” he could feel Jaden looking at him. ‘I know it's a weak monster, but it's the best I can do.’

“Now I'll switch my Submarineroid into attack mode. His effect allows me to attack you directly.” It dove underground and blasted them with 1200 ATK. With Syrus's turn ended Submarineroid switched into defense mode.

Paradox Brothers: 4250

“You summon a bike, ha!” Para drew. “I activate Spell Recovery, by sending 1 spell from my hand I can bring back another spell from my grave.” He brought back Double Attack. Gate Guardian was allowed to attack twice.

“Now I'll blast your toys, and with them your life points.”

“Not so fast, I activate the trap card Eye of Intimidation. This card forces you to attack my monsters this turn.” Jaden says revealing his face down.

“Have it your way, Gate Guardian, destroy Lamia Sister 1, and destroy Lamia Little Sister #3.” Gate Guardian attacked, first destroying the first sister, destroying the boost effect. Then little sister took the next hit. Jaden took the brunt of the damage.

Jaden and Syrus: 900

“Your life points are falling!”

“Your game play is appalling.”

“Make your move quit your stalling.” they said in unison.

Syrus looked to Jaden in shock. ‘Oh man, I’m blowing this I knew I should have edited my deck more, this is bad!’ From a distance it appeared Jaden looked upset, but that wasn’t the case.

“This is bad, the Gate Guardian is just too strong.” Alexis says.

“Yes, and while Jaden may have a strategy for fighting the Paradox Brothers, he’s focusing more on protecting Syrus.”

Chazz was laughing. “Finally those Slifer Slackers are getting the beat down they deserve. I can’t wait till they lose and get kicked out of Duel Academy, especially Jaden!” the boys who were sitting with Chazz exchanged looks.

Crowler was having a fit. ‘I’m a genius! I don’t know what plan I like better, getting those fools to go to the abandoned dorm, the expulsion duel, or having the Paradox brothers be their opponents.’ he started laughing.

“Enjoying the boy’s punishment a little too much Crowler?” Crowler tensed. “Oh my no, I’m just laughing because the

duel's nearly done."

"I wouldn't be so sure." Crowler turned back to the stage to see Jaden smirking.

"Syrus, don't forget never give up until the last card is played." Thanks to supply squad Jaden got to draw 2 cards for his destroyed monsters, now with his turn he drew again.

"But Jaden, their monster is just too strong, maybe if I surrender, maybe they'll arrange another duel for you." Syrus wasn't liking his hand to much.

"Syrus listen to me, we are going to win!" he states proudly. "In fact you are going to be the one to take down that Gate Guardian."

"Him, what a joke!"

"Stop it, I'm laughing so hard I might choke."

"Oh you shouldn't be laughing at all, Syrus if you play the right cards we are gonna win this match." Jaden set a face down. "I summon Lamia Basilisk!"

Lamia Basilisk

A shy lamia girl with barbs on the tail. She has dark purple scales and black barbs. She has claws of similar design. She wears a visor over her eyes.

4 Stars Water

Reptile Effect

Once per turn activate one of these effects.

- All monsters on opponent's side of the field are forced into Attack mode and must attack this turn.
- All monsters on opponent's side of the field are forced into defense mode. These monsters cannot change their battle position except by card effect.

ATK 1700 DEF 2400

The lamia sister was summoned. 'It's good to see you sis, now lets help take these guys down.' Jaden thought seeing the card. "I activate her effect, forcing all of your monsters into defense mode, take a knee!" She used her power and forced Gate Guardian on his knees. DEF 3400

"I'll call that a turn."

Dox draws. "I draw and set a card face down." he ended his turn.

Syrus thought about his brother and Jaden. 'The difference between using a card and playing it. My brother said it's not something that can be taught. The change one draw can make.' he remembered his duels with Chumley lately, Chumley had him beat so he surrendered. For the sake of curiosity he drew the next card to see what he would have gotten. 'Oh man this changes everything!' he had said.

"Right, my move!" Syrus drew and his eyes lit up. "Jaden!" he exclaimed. "Go for it Sy!" he gave him a thumbs up.

"I summon Drilloid!" the machine monster appeared  
1600/1600 ATK/DEF.

“So what you just summoned another weak toy.” Para says  
“He’s not weak especially with his special ability. If he attacks a monster in defense mode it’s destroyed.” he smiles.  
“But first, I activate the spell card Safety Siren!” A light flashed around them and their life points increased for each roid monster on the field. He switched Submarineroid into attack mode.

Jaden and Syrus: 2100

“First I’ll attack with Submarineroid.” the torpedo fired and hit Dox.

Paradox Brothers: 3450

“Now Drilloid attack Gate Guardian!”

“Did you forget, my Wall takes on all monster attacks.” the wall took the hit and it shattered.

Jaden and Syrus: 1600

“A valiant effort, but it seems it didn’t work.” Bastion says.  
Syrus smiles. “Now before I end my turn I activate Shield Crush!” the spell blasted the Gate Guardian and destroyed him. Jaws dropped, and eyes went wide. He ended his turn, and Submarineroid switched into defense mode.

It seems things were better, but the smirk on Para’s face held dark intentions. “For destroying our guardian...we should...thank you!”

“Ehh?!” Syrus gasped.

“I activate the Dark Element.” he paid half his life points.

Paradox Brothers: 1725

A monster that rivaled the Gate Guardian in size but dwarfed him in power. “Not only is he stronger, this monster cannot be beat in battle!” he says.

Dark Guardian 3800 ATK

“Can’t be destroyed by battle and it has that attack power!” Bastion gasped.

“Now go destroy his Drilloid, and end this duel!” he shouts. The monster releases a wave of darkness.

“I activate my trap.” he revealed his face down. “Magnet Steering Wheel.” The card forced his monster’s attack to hit Submarineroid. The monster got blasted but their life points were spared.

“Nice play Sy!” Jaden says. The bluenette blushed.

“You won’t think so, I activate Curse of Guard!” his spell card forced the remaining defense monsters into attack mode.

“Next I activate, Gate of Darkness, you choose one of your monsters to return to your deck, and we gain life points based on their ATK.” He picked Lamia Sister 3. It sent Jaden’s monster back to the deck and their life points increased.

Paradox Brothers: 3225

He ended his turn and it was up to Jaden. Since his monster wasn’t destroyed Supply Squad didn’t work, but he got a card from Submarineroid. “I activate Dark Designator.” he targeted Syrus. “I choose Tankroid.”

Syrus added the monster to his hand. It was Syrus’ only non fusion 7 star monster.

Tankroid 7 Stars Dark Machine/Effect: When this card

ATK 2400 DEF 2500

It was Dox's turn, he drew. "I activate Magical Neutralizer, this destroys all face up spell cards on the opponent's side of the field." the spell destroyed Jaden and Syrus' continuous spells. "Now you can't boost you pitiful life points."

"Now I activate my own spell, Shared Beast, this allows me to attack with Dark Guardian on my turn!" he had the beast attack.

"I activate my Negate Attack!" Jaden activated his last face down, and stopped the attack. It was all on Syrus now.

"Make your last move and prepare to lose!" Para says. Planning to finish this on his next turn. Thanks to his continuous spell, their monsters couldn't be put into defense.

Syrus tried to calm himself. 'This is it, everything we have together, our life at duel academy.' His heart was racing.

"Syrus!" Jaden's call snapped him out of it. "Listen, no matter what happens, what matters is we dueled our best and I'm happy you are my partner." he says.

The boy wipes away some tears. 'It's not over! It's not over till the last card is played!' he drew. "I sacrifice Cycroid and Drilloid to summon Tankroid!"

"A powerful monster, but it does not compare to ours."

"I'm not done," he looks to Jaden. "Care to spare a monster?"

"All yours Sy," he activated Power Bond. "My power bond

allows me to fuse my Tankroid with Lamia Basilisk.” The two joined, and the new fusion monster appeared on the field. “Lamia Tank!” Basilisk was riding on the tank, his rocket launcher hands attached to her shoulders, the nose like cannon jutting out, and the wheels and guards held her up.

The 2400 ATK combined with the 1700 ATK of Basilisk to make 4100 and not only that, thanks to power bond the ATK doubled making 8200.

“I won’t let you attack,” Dox says. “I activate my face down, Dark Terror. Thanks to this card’s effect your monster cannot attack this turn.” The brothers smirked thinking they won.

“Sorry but our monster doesn’t have to attack, Basilisk has another ability, using this ability your monster must attack this turn.” Raising their eye covering, her special gaze, made Dark Guardian roar.

“No Dark Guardian stop.” The monster couldn’t stop, he had to attack the fusion as he would have to attack Basilisk. It attacked and Lamia Tank fired, blasting him away and while he survived, the Brother’s life points did not...

Paradox Brothers: 0

The arena was filled with the sounds of cheers. They had won!
