*That's it Brian!
Soon you'll be able
to lift this all by
yourself!*

**Uugh*
It's still heavy,
but...*

**Uup*
It's nice to work
out with you!*

*You can count
on me to help you
grow, it will be good
for me as well if you
are bigger and more
resilient too!*

How about you?
Need help finishing
your workout?

I don't think
you can help me with
my weights, besides,
I already finished
for today.

Really?
I didn't saw you
working out that
much today.

Don't
believe me?
Take a look at
those guns!
You think I'm too small
for your taste?
Hahaha

Ok, I'll
wrap it up so
we can leave
then.

No no...
Keep working out,
don't worry about
me, I will...
Take a long shower
before we
go so...

Gemma

Gemma?!
Are you back here?
I missed you on
the last rep.

I couldn't
finish the bench
press because
you're supposed
to spot me
and...

aaagghh!
Ease....
Ease!!!

OOOOAAAAHH
That's so good!!
Finally a sweet
release!!

OOHH!!
WHAT??
Gemma....

SPLASH

LIBRA

BRIAN!!

Uugh,
sorry you had
to see this...

Gemma, what...
I mean...
Why...

Brian...
I'm sorry, but we
talked about this, just...
Let me finish and you can
use the locker room, and
we can talk at home.

You need more??
You have been here
for some time...
Look at his belly!!

Brian
please, you
know this doesn't
mean anything.
Let's just talk when
we get home.

Later at Gemma's

So you
understand Brian?
Are we ok?

I know...
I am small, and you
think I can't take all you
need to release...
But this open relationship
thing...

No. It's not an
open relationship,
I don't like this kind
of stuff!

It's just
me using other guys
to get some release!
You know?
I use other guys that I
don't care about because
I don't want to
hurt you.

But...
I'm your
boyfriend, I can...
I should be able to...
I can learn!

Brian, it's ok,
I love you,
I am with you!
We tried, but you know that I
kinda of lose control when I
get too excited, and you
know, a woman has
needs!

But if this
really upsets
you, I can
stop...

Really?
You can do
that?

Suure...
I can do
that...

LIBRA

A few days later

Ufh
Ufh

Was it good?

It was great!!
Ufh
I am so tired...
haha...

Was good
for you?

Oh yeah,
It was great!
Thanks.

I'll just,
use the bathroom
real quick.
Be right back.

ooaahh...
gawwd...
sooo good!!

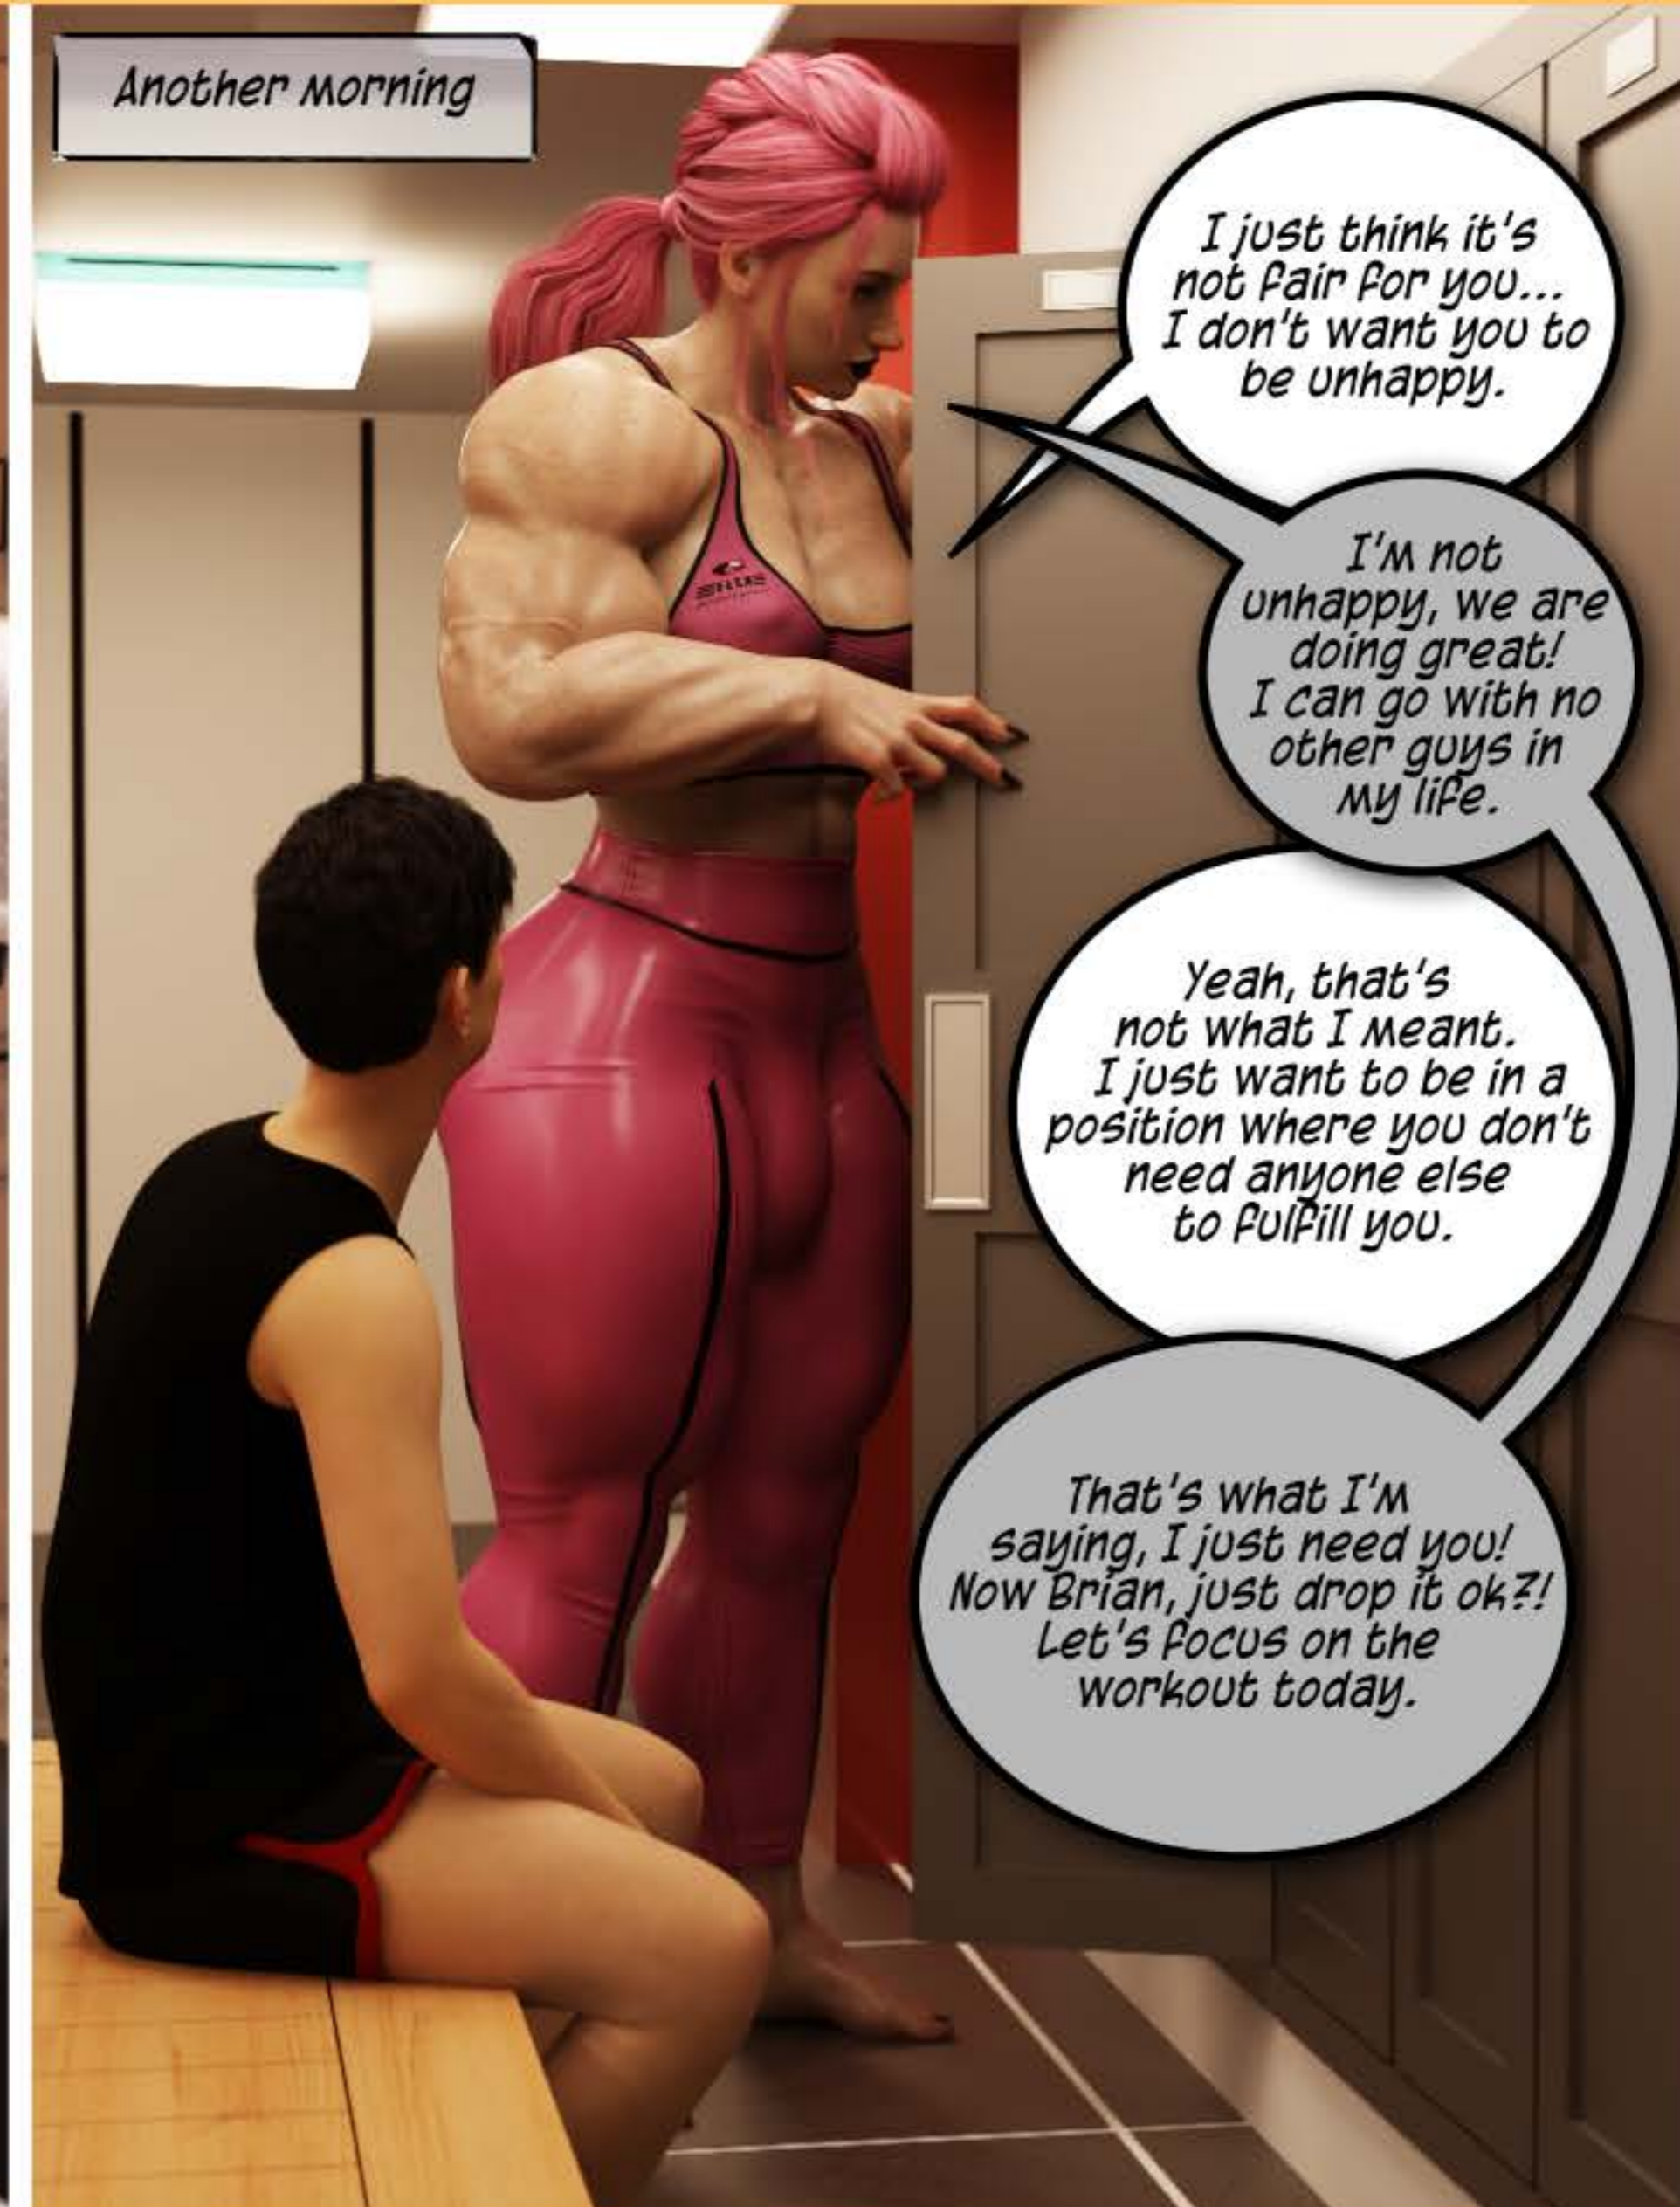

SPLASH

So that's
how she is
managing it?
By masturbating?
This should be my
responsibility!
I should try to do
more as her
boyfriend...

hhmmgh

SHOOOSH

Some other morning

Damm...
Gemma sure
is big.

But I faced
this monster
before...
I almost died but,
she's my girlfriend
so I need to
do this...

She's a heavy
sleeper, I have time
until she wakes up.
I'll wake her beast up first,
and when she wakes up she
will be ready to explode and
will have no choice but to
let me finish it
for her!!

I'll prove it I'm
strong enough
for her!

It's so long,
I could probably
roll it around my neck
if it wasn't so thick
and rigid, haha.

I never
imagined I would
one day date a woman
with a cock bigger than
my own arm...
And now it's my job to
satisfy this
monster.

hmm?!
Brian?
What are you
doing?!

**Igh
ghwash
jusght*...*

Take my cock
out of your mouth
and speak Brian,
C'mon!

I was going
to wake you up
with a surprise,
that's all.

You know I
am hornier in the
morning, you need
to be careful!
What if I lose control
and you choke, or I
cum and you drown
with it?!

You need to have more faith in me, I'll show you I can handle it!

W-wait, where are you going?!!

I'll work down here for a while...

N-no! It's too dangerous between my legs! I can crush your bones!

I trust you babe! You'll keep me safe while I lick and kiss the delicious skin under your cock!

She has an intoxicating smell on her cock by the morning... I could stay here all day...

Dammit Brian... I-I'm telling you... *aaaggh*

This is soooo... GOOOOOD!

Ok you little pervert!
You asked for it.

argh

First I'll put you on a impossible to scape leglock, then I'll shove my monster cock inside your throat!

PRESS

**gwaith*
*gjusth slowgh
downgh**

I can't understand you when you have 26cm of my cock inside your mouth, maybe you are asking for more of it?

TIGHTENS

SHOVE

Here you go!

I want you to understand this little man, you are dealing with the most powerful Putamazon you'll ever meet!

So no matter how much you think you can handle me, your life will always hang in the balance around me, I can end you with any part of my body, and right now you have to pray to my cock...

And ask for mercy!

gwargh

LIBRA

Aaahh, yes!
Just a little
morning cum...

gaagh

I think you
already had your
breakfast,
hahaha!

PLOOSH

Ah that was
great..!
Oh... ah shit...

Brian I warned
you dammit...
You poor thing, let me
take my cock out
of your throat.

I have so
much cum in
the morning...

blergh

See Brian, I
warned you, don't
mess with my
beastly libido!

blergh

This better
be a lesson!
Now let's empty
your belly, and you
rest for a little
while longer.

You even chose
my first shot of the
day, this is the thickest
one, the cum that I
produced and
accumulate during
the whole night.

It's so thick
it's hard to
squeeze out, look,
it's coming out
from both
ends!

Now I'm
horny but I
can't use you...
Anyway, I will help
myself, so don't
worry, just
rest...

There will be
plenty for later,!
Hey, where are
you going?

*She thinks
I gave up,
she's in for a
surprise!*

Brian, what are you doing in the bathroom?!

Surprise!

WOW! Wha-what did you do?

I lubbed my whole body! I'm all wet and slippery for you!

He really wants me to loose my mind! How can this little, scrawny shiny man be so hot?!

GROWS

Brian, please you don't know what are you doing!

Oh but I do! I planned the whole thing!

JUMPS

I know that when you're super horny your cock grows longer than my torso...

So if you think I can't handle it inside, I will use my whole body to jerk you off!!

Oh...

How do you like my body rubbing against your huge cock?

It's... Amazing! *aaahh* It's so... new...

His puny body grinding on my cock... I can feel his little wiener on one of my veins...

His tiny scrotum... I can feel then when I hit my huge balls on his ass.

Brian, this is so hot... I can't hold it much longer... I'm about to...

the ceiling...

If we don't
move it will
rain cum on
us soon...

ah...
That was crazy,
It's been a while since
I came like that,
thanks...

It is crazy...
Her cock is out of this
world, it's huge and
still half erect...

I think she has
a little more juice left,
and I'll squeeze it out!
I will rub her balls
against each other...
let's see what
that do!

Brian, you
should really let
me rest now...
I barely kept control
before and came like
a fire hose...

Your balls,
are swelling
again...

THICKENS

GROW

This is...
It's getting
crazy again
Brian...

SWELL

It's like on our first date, I almost killed you back then...

Your cock is gigantic again.

No you didn't... Was I scared? Yes... But it was great, and I handled it well... I will take care of you Gemma!

Brian... Just be careful...

Her cock is so big I can fit my whole tongue inside her urethra... I have to stand up to reach it.

Brian...

This is great Gemma, your cock is the best!

Brian...

Her cock is so thick I can't wrap my hands around it anymore. I'll try to put her glans on my mouth, I hope it's not too big.

Dammit! It got stuck... I need get it out! I have to move around it...

SMASH!

STOMP

LIBRA

My mouth won't come out... I think I am overstimulating her glans...

Briiaan!! *ouugh* My god...

SQUEEZING

What is he doing to my balls? This is a new feeling, I can't... Can't hold it...

OOOAAAHHH
OWWWW!
AGAAH!

BLOOARRGH

SHOOOOSH

***BLOO!**

BULGE

PSHH

THE FUCK?!!
*She's lifting me with
her cum flow...
My mouth is still stuck,
I can't get out!
My stomach is gonna
explode!!*

BLANK

A muscular woman with bright pink hair is in a shower, washing a man who is lying on his back. She is using a white soap suds. The man's face is upside down. The shower has wooden walls and a glass door. There are some bottles on a shelf in the background.

*You are very
lightweight,
it's easy
to clean you
up, haha.*

*Still
can't talk?
Your throat must
be sore.
I did warn
you didn't I?
You need to understand
that I'm not as strong as
I look, I'm way stronger
than that!
I can control
myself very well,
but when I'm horny,
it gets really hard to
hold myself back, you
don't understand
what it is like to
be a puta...*

Now Brian you need to listen to me, I care about you, more than I cared for anyone else in my life.

I want and will protect you, from anything! Even from me!

But as powerful as I am I'm still human, and I lose control sometimes, you do this to me, you are my weak spot... So that's why you have to stop playing with me like this, so you can stay out of danger.

Gemma, I hear you... But I need to get something first...

WHAT? How can you just leave like that when I'm opening my heart to you!

Calm down, haha, I'm here, it's just that I need to do something first.

There are a few things I need to say to you. *aarrgh* My body is still weak and sore, haha. Hard to get on my knees.

Gemma,
the first time I
saw you I thought
"This woman is
a real life
goddess!"

W-why are
you on your
knees?

You are the kind of
woman that a guy like me
sees and instantly knows that
he'll never have a chance with
you, so he takes comfort
in only admiring you.

But somehow,
you noticed me, and we
got together, and I feel
the luckiest man in the whole
world for that, to have you!
The things that I do, is
because I don't want
to lose you...

And also because
you are so amazing, so
incredible, that I know that I'll
never be able to experience those
things with anyone else in the world.
And I don't want to, all I want
is to keep experiencing things
with you...
For the rest of my life!

OH MY GOD!!
Are you proposing to
me right now???

Y-yeah...
But I still a
few things...

OH
MY GOD!
JENNER

Oh My god!
Oh My god!

This is really happening, no one ever proposed to me, no one even asked me to be their serious girlfriend before.

Oh Brian I love you so much!!

I love you too! But you didn't let me finish...

You don't need to finish...
YES!!
OF COURSE I SAY YES!!

Really?!!
I can't believe it, I'm so happy!!
But at least let me show you, I have a ring!!

Oh my it's...
Big, Brian I love it but why it is so big?

Gemma, you are not a conventional woman, and I love you for this.

That's why I didn't get a conventional ring, I got a cock ring!

CRACK

This ring represents our love, it's different and it's bigger than any other you'll see out there! It's custom made, they did not have any ring for your size...

aaarghh

This is so cute!!!
I loved it!
Brian you make me a woman!
I always acted so tough, but you make me feel so feminine, I love you Brian!!

I'll never let you go!

Brian, what are you doing in the bathroom?!

Surprise!

WOW! Wha-what did you do?

I lubbed my whole body! I'm all wet and slippery for you!

He really wants me to loose my mind! How can this little, scrawny shiny man be so hot?!
