[wet sfx] Fuck...why did they have to post that picture...they...nnggh...they look so fucking good...it's making me crazy. Why did they have to be my roommate of all people? Mmm...god they're so irresistible...

[wet sfx] Shit...I'm so close...god I wish I could touch them...I want them so bad...ah fuck...I'm cumming! [loud moan] [heavy breathing] Fuck...what is wrong with me?

[door creak] Oh shit! Holy fuck...oh god, it's you...uhhh it's...it's not what it looks like I was just...umm...s-sorry let me put some pants on and...ah! Could you pick up my phone- WAIT don't pick it up just leave it I'll-

Uhhh...why is your picture pulled up? I don't know...it must have accidentally opened it when I dropped it...yeah...I...don't worry, I wasn't doing *that* while looking at you...I was just...[awkward laugh]

...

Why did I call out your name earlier? I didn't...that wasn't...ah shit. Fuck, I am so sorry. (rambling) What I just did was awful and horrible and I completely understand if you wanna move out or...no / should be the one moving out, right? I...I swear I just need a few days to pack and I'll leave and never bother you again because you definitely hate me after what you just saw.

W-why are you laughing? Did I say something funny or...?

...

You'll forgive me if I make it up to you? Uh sure...yeah, I can do that. What do you want me to do? Name anything and I'll do it, I swear.

...

You want me to...please...you? How do you want me to do that? I don't really know what that entails. (shocked) Wait...what? Strip? Did you just tell me to strip? Really?

S-sorry...I'll do it. I'm just...confused? And I don't really know what's happening right now. Hey-don't glare at me like that. I don't wanna upset you. Fine...I'll do it. [clothes sfx] This is so embarrassing...I feel exposed...n-now what?

...

Lay down? Alright...is this ok? Wait...what is that? Are you tying me up? What are you gonna do to me? You're making me nervous...you're not gonna take pictures of me and use them against me, are you?

S-stop laughing! You're so mean...by the look on your face, I can tell you're enjoying this a lot...are you a sadist or something? *[awkward laugh]* You got quiet...wait, are you? Is that what this is?

It makes me nervous when you stare at me like that. Hold on...what's that? Are you blindfolding me too? Fuck, my whole body is shaking...

Y-yeah, I mean...surprisingly, I'm fine with this...with all of it...but I don't like that I can't see you like this. I can't see what you're gonna do next. I know that's the point, but...if we're doing what I think we're doing...I want to look at you.

...

Consider it a punishment? Nngh...this is insane. *(disbelief)* What is happening right now? I feel like this is some weird dream I'm having.

[clothes sfx] Are you undressing? Oh god, I can't believe this. I wanna see you so bad.

...

What am I comfortable with? Uh...I mean, I've never done *this* kind of thing before, so I don't know what I like or dislike....but if I'm being honest...you can do whatever you want and I'll probably like it. I'll make sure to tell you if something is too much....I just wanna please you...so...don't hold back.

[wet sfx] (shocked) Ah! Oh shit! You just grabbed my cock so suddenly...fuck, the way you're rubbing it...I came earlier, so I'm...nngh...s-sensitive. W-wait! *[slap]* Nngh...shit...you slapped me.

[wet sfx] Don't tell you what to do? Hah...s-sorry...you're right...you're in charge...nngh fuck...that almost made me cum. I liked that more than I thought I would...do it again? Please? *[slap]* Nngh...! Oh god...wait...oh fuck...! *[moan] [wet sfx stops]*

Holy shit...did that just make me cum? That's...embarrassing...I've never...*[wet sfx]* Nngh! A-again?? But I just- *[slap]* F-fuck...sorry...sorry I didn't- *[moan]* God...it hurts...so sensitive...fuuuck.

[wet sfx and improv noises] Huh? Y-yeah I'm...hah...I'm ok. I'm alright, so don't stop. Please don't stop...more...I want more from you...I can handle it. I promise.

[wet sfx] [moan] M-my nipples? You're licking them...nnggh...no one's ever done that to me before...ah! Did you just...bite me? F-fuck...that was hot. Leave your...hah...leave your mark on me. Everywhere.

[wet sfx and improv noises] The pain...and the pleasure...oh god it's too much...I can't hold it...it's so intense...I'm gonna cum again...! Shiiit! *[loud moan] [wet sfx stops]*

[whimper] (weak) I've never cum so much in my life...my brain is fuzzy...everything feels like it's on fire. Nnggh...my cock hurts.

...

Yes...I'm ok...feels good...too good. *[wet sfx] [whimper]* Ah-! Oh...oh fuck...more? I don't know...nnggh...if I have anything left! *[sobs]* I can't...think. My whole body is screaming at me.

[wet sfx] [loud moan] Did you just...am I inside you right now? Oh my god...holy fuck...you feel so good...nnggh...this is...this is crazy. You're so wet...the sounds you're making...it's all too much.

[wet sfx and improv noises] W-what? You like when I cry? Should...should I cry more for you? I...nnggh...I can cry as much as you want. I'll do anything for you. *[whimper]* Anything.

[wet sfx] Hah...wha-what? You took the blindfold off...everything's so blurry...c-can you wipe my eyes? Mmm...thanks...I can see you now...! You look...you look so amazing. R-riding me like that...I'm so fucking lucky...nnggh.

[wet sfx] Please. I don't even know...hah...what I'm begging for...but *please*. Hit me...bite me...I'm all yours. Just your toy to play with...nnggh. You can use me however you want.

[wet sfx] Ah! You're biting me again...hah...look how many marks you left on me...I'm so...I want to remember this...make sure they bruise...*[moan]* Feels amazing...your lips and teeth on me...you squeezing my dick...fuck...I can't take it. I've lost my mind. I wish I could touch you right now.

[wet sfx] (overwhelmed) I think I'm gonna cum again...fuck...it hurts...hurts so good. I wanna cum...please...don't stop...I've been good...I wanna cum one last time...for you. Always for you.

Oh shit...it's coming...I'm scared...it's so intense...w-what do I do?? F-fuck!! *[intense moans and whimpers] [heavy breathing]*

Oh...oh god...did...did I black out? I can barely...see straight. Yeah...d-don't worry...I'm ok. I didn't really know what to expect, but...honestly, I really enjoyed that. A lot. It was great...amazing...I like everything you do to me. I like it cause it's you. So...am I forgiven? Or do you need a few more sessions of *this*, hmm?
