## Personal Audio Story Commissions

This page applies only to personal audios commissioned by fans.  
(Game Devs/Animators & Other Projects - See [Commercial Rates](#))

### Gumroad Discounted Rates

Your Script: \$0.20/word — Improv/No Script: \$30/minute

I may offer you this discounted rate at my discretion, based on the quality and subject matter of your script, in exchange for the rights to resell the audio on my [Gumroad](#) storefront and retain potential profits.

### For Your Ears Only Rates

Your Script: \$0.30/word — Improv/No Script: \$40/minute

This rate applies if I decide not to resell your audio, or you specifically ask me to keep your audio private. This means neither of us may post/sell the audio online, it is for Your Ears Only!

- Rates above are Voice Only audio. Additional background/foley SFX tracks increase price by 25%.
- Additional fees apply for voicing multiple characters, extreme topics, strenuous vocals, etc.
- All characters in NSFW scripts must be 18+.
- American Accents only. No guarantees on my ability to mimic or impersonate existing characters.
- Script Rates - Requires a word-for-word script, written exactly how you want the audio to be spoken.
- Improv Rates - You suggest a topic/scenario, but I have creative control over how it all plays out.

**Ready to submit your commission request? Complete my [Commission Form](#) and upload your script where indicated. If you're unwilling to complete the simple form, you may email all info to [candy@voicelikecandy.com](mailto:candy@voicelikecandy.com)**

Script document should begin with the the details noted below. I'll review your script and reply with a quote within 48 hours. When payment is received, script will be added to the end of my existing recording queue. No Rush Fee options available to jump the queue on personal audio stories, as they have no deadline. First come, first served.

### **Script document should begin with the following quick-reference information:**

- **Title:** Your suggestion for the audio title (I may change it for retail, but your suggestions are often used)
- **Character:** Character name, age range, specific type of voice requested. If it's a widely known/established character, provide a YouTube link as a voice reference so I can hear how she is meant to sound. But no guarantees on my ability to impersonate anyone else's voice, I am admittedly not a very talented mimic.
- **Word Count:** Please count only dialogue to be spoken aloud in the audio (not your descriptions, sound effect suggestions, etc.)
- **Writer's Credit:** To credit you as the scriptwriter, please include Twitter or Reddit username or pseudonym.
- **Summary:** Write a brief summary of the plot. (Describe what it's about in a sentence or two.)
- **Kinks:** Identify all kinks involved, like incest, breeding, cock worship, JOI, cuckold, tsundere, pegging, etc.
