

PAGE SEVENTY-FOUR(four panels)

Panel 1: Lucia stumbles back, watching the sparks fly around, confused. There's a huge hole in Griswold's chest.

LUCIA: I beat him?

Panel 2: Closeup of Griswold's face. His eyes are dark, fading—he's powering down.

Panel 3: As Griswold hunches over, powered off, Lucia, excited as anything, leaps into the air. In the background, Kern looks annoyed. Meanwhile Max has a finger pressed to his chin and's looking off to the side, curious. This should be a really dramatic shot, with the camera potentially behind Griswold. Really paint it in a way where it seems like he's been defeated.

LUCIA: I beat him!

KERN: Oh, bullshit!

MAX: A new Second Friend?

Panel 4: As a car horn honks, Kern and Lucia join Max, looking over to the side. We can't see what they're looking at.

SFX: Hooooonk!

PAGE SEVENTY-FIVE(five panels)

Panel 1: Hen-Tie's speeding them in Griswold's car, wing pressed against the wheel.

Panel 2: Popout closeup of Hen-Tie sitting in the driver's seat, determined.

Panel 3: As Kern's face sags, Lucia glares at him, freaking out.

KERN: *Not her...*

LUCIA: How do you know *literally everyone*?

Panel 4: The car pulls up in front of them, doing a badass powerslide that causes the brakes to squeal. Lucia doesn't need to be told twice. She snatches the panties away from Griswold with one hand, and grabbing Max's with the other. Kern just stands there, shocked.

SFX: *Screeeeech!*

HEN-TIE: No time to explain—get in!

LUCIA: Come on!

MAX: Second Friend is a fat hen?

KERN: Oh no.

Panel 5: Lucia's hand comes back on screen, grabbing Kern by the throat.

LUCIA: We gotta go!

PAGE SEVENTY-SIX(four panels)

Panel 1: We then cut to Bon, who smacks his screen away and spins back toward the game. The screen is black. His crew's all giggling. Give this shot a crazy camera angle. Maybe it's a bit away from Bon, with the screen he just smacked in front of it?

SFX: Smack!

Panel 2: Bon grabs his cards, wearing a cocky and wide smile.

BON: One problem solved and *many* more to crush. Anyway, whose turn?

Panel 3: Shot of the screen, which is facing away from Bon now. It says "NO SIGNAL."

Panel 4: Closeup of the screen. Now it's turned back on, glowing at bright red and reading: "SYSTEMS REACTIVATED."
