

PART 1

Jimmy leaned against the elevator wall and rested his eyes as the lights flickered above him! In his left hand was his knapsack from work, in his right, a plastic bag containing enough Chinese food for a family of five! He looked down and could see some grease dripping from the corner of the bag onto the elevator floor. He had only been in the tiny box for a few moments and already the entire thing reeked of takeout!

It was almost 9pm and Jimmy was absolutely exhausted! He had woken up at 4am in order to rush to his shift at the grocery store, and then onto his Landscaping job, then finished off the night with his part time janitorial shifts. Sunday's were his longest day of the week, and he was not anticipating getting home.

The elevator doors opened leading to the penthouse hallway of the Bellevue Towers, One of the most expensive properties in all of Toronto! Jimmy could barely afford it, which is why he had to work three jobs! He would never have chosen such an outrageously expensive home, but it was... He froze with his hand on the doorknob, he did not want to go in.

Jimmy looked down, his hand was trembling, his stomach already churning! He knew aht was about to come!

1 Year Earlier The Meeting

Jimmy walked into the lobby of the fancy condo and over to the security desk. There was an old man with a big bushy white mustache half asleep in his chair! Jimmy grabbed the pen and started signing in as he woke up and cleared his throat.

"What condo are you visiting?" He asked, as he grabbed a pen of his own to make notes...

"Number 1506" Jimmy replied with a smile..

"Ah.... Bella, she will be right down, she told me to instruct you to have a seat!" The old man said as he motioned to the couches to his left! There was a small seating area with some very plain plants decorating the fancy lobby.

"Thanks" Jimmy said as he began heading to the couches

"This for some sort of job or interview?" The guard asked with a smile!

"Something like that!" Jimmy answered as he took a seat...

As Jimmy sat down he couldn't help but notice the man across from him was staring. He was short, very short, his legs barely touched the ground when he sat! He had brown hair and a young look, Jimmy would guess he was in his late twenties.

“Hey” He said with a smile..

“Uhhh, hi?” Jimmy replied...

“I’m here to see Bella too!” The guy said with a smile

“Oh... i uh, i didn’t know anyone else was coming?” Jimmy said a bit shocked

“Me neither! But the more the merrier right? I’m Victor”

“Jimmy! Nice to meet you” Jimmy answered, trying to be polite!

Victor got up and moved over to the couch right beside Jimmy as he slid over, trying to keep his distance.

“I’ve never seen a dominatrix before, this is my first time!” He whispered while watching the guard..

“Haha, it’s just an interview today! I’m sure we will all just talk...” Jimmy laughed a little..

Just as Victor was about to speak, High heels could be heard click clacking on the marble tile floor! Both Jimmy and Victor looked up as an absolute goddess appeared from around the corner! Bella was tall, very tall! She stood at six foot and 1 inch and she always wore heels making her much larger! She had pale white smooth skin and jet black hair to contrast! Her legs were thin and toned moving into her large and thick thighs! Her hips and ass were so big it could be seen jiggling even while she walked towards you! She smiled and waved as Both guys melted in their seats! She has big green eyes and huge red plump red lips! She stopped by the couch and motioned for both Jimmy and Victor to follow.

“Come!” She said while turning and heading back to the elevator! Both men chased after her, their eyes glued to her massive ass wiggling back and forth through the thin fabric of her dress!

Bella stopped at the elevator which was already on the ground floor! She hit the door and then motioned for both Jimmy and Victor to enter! Both of them did as she stepped in front of them and then turned to face the door while hitting the penthouse button. As soon as the doors closed, she spoke without looking back.

“KNEEL, NOW!” She spoke loud and with a dominant tone!

Jimmy and Victor both got to their knees, both of their faces almost parallel to one of her massive ass cheeks!

Jimmy took a deep sniff, there was a strong odor of perfume, berries and some sort of aloe! He looked from the corner of his eye and could see Victor sniffing too! The odor was so

alluring! Jimmy took another deep sniff and got a sudden hint of earthy shit! It was so abundant and powerful! Suddenly Bella leaned forward and grunted slightly as a thundering roar exploded into the small space! It came out like a wet leather sheet ripping and tearing violently as her massive cheeks clapped from the pressure! Both Jimmy and Victor felt the gust of methane on their faces as the odor worked its way deep into their lungs!

“Breathe deeply! In and out! Do not choke or gag!” Bela instructed with her back still turned to the men!

Jimmy could feel a tickle in his throat, it wasn't from the fart, he had needed to cough since the moment Bella walked over but had not wanted to offend her! But now, with her fart torturing his mouth and nose, it was simply too much to take! He glanced over to Victor who was clearly struggling but holding on! Suddenly his throat flexed as he choked hard and gagged on the meaty smell! It was so thick and rancid, like old meatballs or rotten McDonalds.

Bella shot a look back over her shoulder glaring at Jimmy as the elevator doors opened.

“Crawl!” Bella said in a bitchy tone as she began walking very quick down the long hall! Both Jimmy and Victor followed her!

Both of them crawled behind her as she unlocked the door leading to a MASSIVE AND VERY FANCY CONDO! The floors were sparkling clean and the entire place was surrounded in wall to wall windows with a view of the downtown core and waterfront! She walked over to the seating area where a large very fancy cushioned black throne was. Her ass crashed into the leather seat hard and both men feared it may be their face one day!

“AT MY FEET, NOW! BOW YOUR HEADS!” Bella spoke loud as both Jimmy and Victor rushed over!

Jimmy peaked up from the floor at her open toe heels, her feet were immaculate! Long, slender, painted red, there wasn't a blemish on them!

“NOW! Listen closely!” Bella spoke..

“Online, I have gone through more than 1000 resumes! You two, are the finalists! BUT don't get excited, this does not mean you have the job! I require two slaves! One to be my pet! And one to be my slave!... My pet... your job will be to keep me company, entertain me, snuggle with me, sleep with me! Be my little doggy! If you are good... I may even let you lick my pussy or asshole once in a while! As my pet, I will take care of you, and spoil you! You won't need to worry about a thing!” Bella said softly...

“AS MY SLAVE... well, that's a different story... my slave will be required to work for me! Make money for me! SLAVE FOR ME! He will inhale all my farts! And be responsible for eating ALL MY PISS AND SHIT! Even while you work, I will save any waste, or hold it! Nothing will go in the toilet! Irritable Bowel Syndrome comes in Three forms, D, C and M.

Most people who have it only have one type, but i have two! D and M! My farts are EXTREMELY FOUL, and i can shit sometimes five to six times a day! My movements are very large! The last slave who held this position served me for three years before his body gave out, that was a week ago! I hate to smell the odor of my own waste and emissions, so you both understand that time is of the essence here!” Bella said as both Jimmy and Victor gulped... that sounded horrifying!

“Over the next three days! The two of you will be competing for the position of Slave or Pet! And once you have been selected! There is NO TURNING BACK!” Bella said loudly..

“Go sit at the kitchen table, there are two contracts with pens, read them carefully, sign, and then come back to kneel at my feet!” Bella instructed!

Present Day

Jimmy started to cry as he began turning the handle but then stopped! He could hear the television playing loudly on the other side of the door. There was hell waiting for him and no way to escape it, waiting would only delay the inevitable! Slowly he turned the door handle and pushed the door open. The smell of hot farts immediately hit him hard as it wafted past him into the cool fresh hallway!

“JIMMY! YOU’RE LATE YOU IDIOT!” Bella screamed, her voice was so shrill and bratty, it made a shiver run down his spine!

He walked into the condo and took off his shoes while looking into the living area! Bella was sitting on her throne with Victor in her lap! He was curled up in a ball and she was petting him like a cat, her hand running down his back slowly!

“BRING MY DINNER NOW!!!” Bella screamed as Jimmy ran over and began unpacking the food in front of her on the coffee table! There were over 15 large tinfoil dishes of chinese food! Enough for a large group of people, even a party. Jimmy could feel his stomach growling, he hadn’t eaten all day with how busy he was at work.

“Now go shower, you stink like fucking shit!” Bella said while fanning her nose and then using her other hand to shoo Jimmy away!

Jimmy looked back at Victor on her lap, he was envious of him but also hated him! He hated him so fucking much! Victor had done nothing wrong, he had just gotten the better hand of cards, if only things were different! Before Jimmy could leave the room Bella stopped him!

“OH, i almost forgot! I left a meal for you in the toilet! Finish it all! ANNNND i put a video camera in the bathroom, if you even DARE! FLUSH! ANY OF THAT! I swear to god I will cut your balls off!” Bella spoke with meaning as Jimmy shuddered and started to head down the hallway.

Eating shit was horrible, Eating Bella's shit was a nightmare, but.. Sundays.. Those were by far the worst! On Sundays, Jimmy worked all day! Bella was unable to hold her shit that long! Eating shit that had been sitting, soaking in water, turning room temperature, it was the worst thing imaginable! The smell and taste gets stronger with time, every second pushing it further and further towards being inedible!

Jimmy could smell it when he was halfway down the hall! The thick earthy sour smell! His stomach began to churn and twist as he started to cry! How had this become his life? The heat and smell was so strong when he reached the door, it was so bad he could barely stand! He cupped one hand over his face and pushed the door open!

"MY GOD!" Jimmy muttered loudly into his hands, the bowl was almost overflowing!

It was packed with thick milky light brown feces! Large logs curled from the liquid broth and then plunged back into the mess like some sort of horrific form of spaghetti! There were literal fumes rising from the pile and fogging up the mirror above the sink! Jimmy's eyes began to water as he wiped them and whimpered, taking a step forward and looking in! There had to be at least 4 or 5 litres of shit!

Slowly Jimmy looked down, on the floor was a cereal spoon on a folded up napkin.... Bella.. She was such a bitch...

The door slammed and locked behind Jimmy as he spun! Bella had a lock installed from the outside so Jimmy could be forced inside! He began pounding on it and crying

"PLEASE! JUST ONE MORE BREATH OF FRESH AIR BEFORE I START!" Jimmy cried!

"Sorry Jimmy, Bella said, you have to finish it all! Make sure to video tape and show the bowl at the end! She wants you finished and showered in 30 minutes!" Victor said very casually!

"VICTOR PLEASE! LET ME OUT!" Jimmy pounded on the door and could hear Victor walking away!

"Fuck you!" Jimmy muttered as he cried!

Slowly Jimmy got to his knees and picked up the spoon, he could feel the heat from the bowl of shit wafting to his face, it was so powerful! The top layer had begun to harden and turn a bit black, that told him it had been sitting for a long time! It must have been able to retain some heat from how massive her movement was!

Jimmy gagged as the smell hit him hard, he got a strong whiff of the sour rotten odor and dry heaved over the bowl! If his stomach wasn't completely empty, he could have puked!

He turned the video camera on and then slowly dipped the spoon inside, as it broke the surface and the hard shit broke some liquid feces bubbled out! Jimmy gagged hard and lifted

a thick spoonful to his mouth! It was dripping into the mess in the bowl as he closed his eyes and filled his mouth!

His entire body began to freeze up as soon as the taste hit his tongue! It was so bitter and thick, like eating hot clay infused with rotten eggs. The methane smell and flavor was too much for any person to handle, but Jimmy had been conditioned! He wanted to run, to break down the door and flee from this life! But the contract, he couldn't, or else... or else... he began to cry as he scooped up another spoonful and swallowed it quick!

He could feel the hot shit working it's way down his throat, leaving skid marks on the inside of his body! Jimmy gagged hard and dipped the spoon in again, and again, and again, and again! He had been eating for nearly twenty minutes and hardly made a dent! The shit was so thick, each ga he made with the spoon would quickly fill with more shit! As he got closer to the center, the heat got unbearable! There was mush and diarrhea, little bits of kale and undigested peanuts from the thai food she had eaten the night previous! Jimmy felt his body flexing as his stomach started to heave! Please don't puke please don't puke! He prayed as he breathed deep!

Jimmy looked at the clock, half the time was up! His heart began to race as he threw the spoon into the trash and dug both hands into the heaping pile of feces! It was so warm and gross, dripping through the small gaps in his fingers! He felt a deep shiver run down his spine as he thrust his face into the pile, gulping down massive mouthfuls and clogging his throat! He swallowed over and over, chewing and trying to avoid as much taste as possible! For a moment he choked, coughing and blowing feces from his nose while crying from the pain! He could feel chunky hard pieces of peanut come from his nose and it scratched like little rocks!

Jimmy sucked down the shit, choking and crying as he felt it fill his stomach! There was so much! He could feel it in the back of his throat and nose, leaking into his lungs! When his hands hit the bottom of the bowl, he had never been so happy! With shaking hands he lifted the steaming pile to his face, he could feel his stomach fighting to adjective the waste but he was so close! He was almost done!

Jimmy scarfed it down, sucking the shit down into his stomach! He could feel his throat fighting back as the hot shit piled up at the bottom, he was so full there was literally no room for any more! He washed his hands while gasping and then reached for the camera, aiming it into the now empty bowl, there were a few skidmarks on the sides but it was totally empty of shit! Jimmy flushed it allowing the water to flow over the sides cleaning it before scrubbing with the toilet brush!

The entire shower was a fight not to puke! He could feel the massive pile of shit sloshing in his stomach, it was like a hot ball of iron trying to come up his throat! Multiple times he fell to his knees in the shower crying from how bad the pain was! He finished just in time and rushed outside, clean and naked with the video camera in his hands! Each step was torture, the mass of shit moved in him like it was alive!

Bella gazed at him with an evil stare as she sat on her throne with Victor on her lap!

“Up doggy” Bella said softly as Victor hopped up and crawled across the room to the corner...

“What was that I heard in the bathroom?” Bella asked?

“What was what Goddess?” Jimmy asked, truly confused...

“DON'T PLAY DUMB WITH ME!” Bella screamed with her mouthful of Chinese food as she stood up and kicked Jimmy hard in the head! He rolled over crying in pain!

“I TOLD YOU IF YOU FLUSHED THAT TOILET I WOULD CUT YOUR BALLS OFF!” Bella screamed above him!

“I ATE IT ALL! I ONLY FLUSHED TO CLEAN THE BOWL!” Jimmy screamed in horror!

“YOU LICK THE BOWL YOU FUCKING WORM!” Bella screamed again

Bella sat down on Jimmy's stomach facing his feet! She was so much bigger and heavier, there was no chance he could move her! Jimmy heard a sharp CLICK noise as Bella grabbed his dick in one hand!

“I told you....” Bella said softly as Jimmy began to scream!

“WAIT NO... ..” Jimmy froze as he heard a high pitched buzzing and all sound left the room! He felt a thunderbolt of pain run through his body as Bella stood up and turned around to face him. His vision began to go hazy as he saw a ballsack hanging from her fingers! She began to laugh as everything went black!

“Hey....wake up, wake up!”

Jimmy slowly came to, he felt like he had been hit by a truck! His crotch was pounding as he reached down and felt it covered with bandages! Things began to come back to him as the memories flooded his brain! Tears started dripping from his eyes as he shook on the floor!

“GODDESS! HE'S AWAKE!” Victor yelled as Bella came stomping over!

“Finally! This Chinese food is literally running right through me! YOU HEAR THAT JIMMY? I was about to STAIN MY THRONE!” Bella said with a giggle as she grabbed Jimmy by the collar and began dragging him across the tile floor towards her throne!

Bella's large black throne was custom made! It had leather armrests and a leather cushioned backrest with a thick padded seat! The seat had a portion in the center like a toilet seat that could be simply lifted out and removed! Under the throne was a base supported with black

wooden panels on each side! A slave could fit underneath with their face pressed through the hole at the top, but it was incredibly cramped! You had to stay in a tight ball!

Bella took out the center face hole and then lifted the seat!

“Get in!” She commanded as Jimmy cried..

“No, I can't!” Jimmy cried

“GET....IN” Bella said as she lifted him from the floor by his collar and dropped him roughly into the box with a THUD!

Jimmy cried out in pain as she closed the cop cover forcing his face through the hole in the center! His entire body crunched down as she locked the seat and sealed Jimmy inside! He could feel the leather cushion on all sides of his face as he stared up at her above him! Her long black hair was a bit matted and she was dripping in sweat from eating too much! She had on a long purple robe that she let drop the floor revealing her naked and curvy body!

Slowly she turned, presenting Jimmy with her massive ass as she rubbed both hands down over the cheeks and spread them! The center was caked with a thick layer of sweat that had turned a slight brownish color from being fused with her wet farts! It contrasted so heavily with her pale white smooth skin! Jimmy whimpered as Bella laughed...

“Aw poor little slave boy...” She let her cheeks clap closed before spreading them once again...

“Say cheese!” She laughed as she dropped back, her massive ass smothering Jimmy and sealing him in an instant! The slap of her ass cheeks hitting his face and the leather padded cushion echoed throughout the entire condo!

Jimmy watched as her ass came down upon him! He felt his nose and then mouth and then the entire face be consumed by her asshole! Her cheeks clapped down on him and the seat like two boulders crashing onto him! The box he was in became more cramped, if that was even possible, when her ass came into contact and her weight was settled! He could feel every bone in his body bending!

The inside of Bella's ass was horrific! She was a model, featured in countless magazines and men all over the world DROOLED over her! They fantasize about being under her, but none of them knew of her stomach disorders! Her ass was a swampy mess, even right after she showered, the clean smell would only last minutes, Jimmy knew from experience! Because of how fat her cheeks were, her crack quickly developed a slimy sweat like substance that soaked in the smell of her gas! Each time she sat on Jimmy's face it was more horrible than the last!

He could feel her wrinkled greasy anus pulsing on his nose, it flexed in and out before spreading and allowing his nose to slip inside of her! Jimmy groaned and gagged as a bubbled wet fart squeezed around the tight space between their skin!

The gas forced its way into Jimmy's lungs before packing him full and popping out from under her as it sprayed from his mouth a bit! The sound made a high pitched whistle that made Bella laugh and giggle! Jimmy could feel the laughing as her cheeks wobbled on his face!

She wiggled back and forth, driving his nose deeper and deeper until it was TOTALLY INSIDE OF HER! Jimmy cried as he felt the greasy walls of her anus squeezing on his nostrils! It smelled so foul and meaty!

"Puppy! Come sit on my lap!" Bella said in a sweet voice as Jimmy began to cry under her!

Suddenly Victor jumped onto Bella's lap, snuggling into her as another hundred pounds of weight forced her ass into Jimmy's face!

Jimmy felt his nose push deep as it hit a mushy wetness! Her stomach gurgled over him as she leaned forward slightly! Her weight and pussy completely blocked his mouth with his nose still deep inside her asshole! Her anus pulsed, pushing open and closed as Jimmy cried and begged! Maybe this was all just a horrible dream, a very very long and intricate dream! He could wake up at any moment and be in his bed in his old life!

A massive blast of air ripped from Bella's asshole! It projectiled itself into Jimmy's lungs with the force of a shotgun, filling his body and then spraying from his lips under her pussy! The sound of the gas spraying from his mouth against her creamy pussy made a wet splattering as Bella laughed hard above him!

The smell was so foul, so horrific, it smelled like burnt old chinese noodles! The fart made his vision go dark before slowly fading back in with watery eyes! The end of the fart splattered with a burning hot diarrhea then shot into Jimmy's nose! He could feel the hot liquid forcing its way to the back of his throat! The shit inside of his stomach bubbled and brewed as he cried and begged himself not to puke! He had no idea what Bella would do! She would kill him probably!

Bella let another short wet fart rip as she leaned left and lifted her sticky sweaty ass off Jimmy's face for a moment! He gasped loudly, feeling the cool air hit his face! The air around

him was full of her wet Chinese food gas but he needed to air so badly! Jimmy gasped, choking as she slammed back down and giggled!

“Are you comfy my pet?” Bella asked Victor as he snuggled into her breasts and smiled!

“Yes Goddess!” He answered!

Bella began bouncing her knee, playing with her little pet as Jimmy cried under her!

PART 2

BBBFFFFFFTTTTTTTT

A massive fart ripped across Jimmy's face as Bella laughed and wiggled her ass getting comfortable! His nose was rammed right against her anus, it was so greasy and wet that his nose had almost slipped inside a few times! She could feel him struggling under her but that was all part of the game, it made her excited and wet knowing he was so close to unconsciousness!

Bella had been doing this for years, she could feel his pulse and heartbeat in her thighs as he began to panic! His breath picking up and sniffing rapidly, blowing cool air against her anus between sucking in the pungent aroma! She could feel each sniff and shivered from how amazing it felt! Almost like he was blow drying her asshole with his nostrils!

“Goddess, are you okay?” Victor asked from her lap, looking up to her!

“Yes my pet! I just have a bit of a stomach ache” Bella said with a groan...

“Do you want some ice cream? That always cheers you up!” Victor said with a smile as he kissed her on the cheek!

“Oh, you know me so well! Hurry!” Bella said while slapping her pet's little butt!

Jimmy cried under Bella's ass! He could barely hear the conversation but was able to make out the words ice cream! His stomach was still full of feces, no, full was an understatement, he was packed to the limit!

Bella's anus puckered on his nose letting anal juices leak down his cheeks! He could feel the slight rumble above him and cried as he huffed in and out, in and out! Bella leaned left and then right, letting her fat cheeks peel from the leather cushion and then settling back onto Jimmy's face giving him only the tiniest bit of fresh air!

Jimmy closed his eyes, trying to mentally take himself somewhere else, somewhere far away from Bella! His memory drifts to the past though, to the events that led him to this horrible predicament!

1 Year Earlier

Jimmy walked out of the elevator and into the cool condo hallway! Right away he could see his co-slave, Victor, kneeling at the door obediently. As soon as Victor caught sight of Jimmy he smiled and waved!

Jimmy walked over and then got to his knees beside Victor by the front door.

“You’re late” Victor said with a smile

“I know, I slept in, what do you...” Jimmy was cut short as the door before them was ripped open! Bella stood before them wearing a tight pair of sweaty leggings that gripped her plump thighs! Her stomach was wet with sweat and her tank top was stained by the pits! Right away the odor of her body swept over both men like a wave, settling down on top of them like a thick blanket smothering them in the scent! It was thick, vinegary, musty, something about it was alluring though!

“Good morning worms, tell me, how long have you been waiting?” Bella asked...

“Twenty five minutes!” Victor said obediently with his head to the floor!

“Uhm, same!” Jimmy lied, he was in the same kneeling position...

Bella stood there in silence, she made a hmmm sound as she tapped her foot!

“Come in, stay on your hands and knees, follow me” Bella said obediently as she began walking into her condo!

Jimmy and Victor both tried to crawl in simultaneously and collided! Victor pushed his way through and hurried behind Bella, getting as close to her ass as possible! Jimmy grunted under her breath and crawled behind Victor, Kicked the door closed behind him! Both of them crawled quickly and followed her into the kitchen! Jimmy noticed right away the other woman sitting by the table!

She was very thin and cute with long brown hair! This woman was dressed in workout gear and leggings similar to Bella, she was also just as sweaty! Jimmy began to drool as his eyes moved down her back and studied her curves and incredible ass! She was sitting on a stool with her perfect tiny plump ass poking over the side, Jimmy was staring so hard he practically burned a hole in the leggings with his eyes! She turned to look and he immediately lowered his gaze to the floor!

“HAHAHAHAHAH” The skinny fit friend burst out laughing as soon as she laid eyes upon Victor and Jimmy! They both looked to one another and then blushed while hanging their heads!

“I HONESTLY thought you were kidding!” The friend said while still laughing!

“All men are dogs, some are just trained better than others!” Bella said with a grin..

“Aweee, i would have brought a water bowl if i knew ahead of time!” The friend said with a smile, Jimmy could see from the corner of his eye she was still watching him and Victor

“What?!?! Who said they deserve water?” Bella asked in a rhetoric and joking tone as her friend began to laugh!

“Come on” Bella said to her friend as she walked to the couch and plopped down with a heavy exhale! Her friend got up from the kitchen island table and pushed the stool back in before joining Bella on the couch.

“That little one’s kinda cute!” The friend half whispered to Bella as she giggled!

“DOGS, COME!” Bella ordered as Both Jimmy and Victor approached the couch and knelt obediently.

“This is my friend Dana, today you two are going to be serving her THE SAME WAY you do for me! Understand?” Bella asked as both Victor and Jimmy nodded.

“Good, today we are going to be starting your grading, deciding who will be the Pet, and who will be the Slave! Both of you will be servicing us starting with foot massages, and then some ass cleaning! We will rate you both on your expertise, and the loser today will be serving as a toilet!” Dana began to laugh as soon as Bella had finished speaking. She blushed and hid her face, clearly she was now to all of this!

Bella looked over to her friend Dana and smiled...

“You can choose who you want for the foot massage” Bella said with a grin and while tapping her sneakers on each other.

Dana blushed and looked back and forth!

“You can have Victor, since you think he’s so cute!” Bella offered!

“NO, i mean... no” dana shouted a bit before leaning over and whispering to Bella...

“My feet always stink after the gym, I can feel how sweaty it is between my toes! Can I use the other one?” Dana asked quietly but loud enough for both Victor and Jimmy to hear...

“Of course! Victor, move in front of me, and remove my shoes! Jimmy, do the same for Dana, remove our socks, and then worship and massage both our feet!” Bella said in a dominant and cruel tone!

Jimmy and Victor switched spots and knelt down, both of them slowly untying the shoes on the women’s feet! Dana was shifting around a bit uncomfortably as Jimmy undid her laces! Slowly he slipped them off of her feet and was almost knocked back from the odor! It was so strong! So pungent! So vinegary and cheesy! Jimmy could feel his eyes beginning to water as Dana laughed a bit uncomfortably!

“Sorry, they stink a bit” Dana said while wiggling her long socks feet back and forth in Jimmy’s lap!

Jimmy looked over and saw Victor already had Bella’s shoes off, her feet were slightly sweaty but no where near the condition of Dana’s! Victor was lifting Bella’s legs and kissing the bottoms of her bare soles, passionately moving up and down her arches as Bella moaned in delight! Jimmy turned back to Dana who had an uncomfortable smile on her face!

Slowly Jimmy peeled off Dana’s socks! Her soles were so sweaty that they were practically shining in the light! Her toe nail polish was chipped a bit and he could see bits of dark toe jam by the sides! For such an incredibly beautiful woman, she had very nasty smelling feet! Jimmy lifted her soles up to his face, his eyes were already watering! He could feel the heat from her soles as she blushed and laughed the closer he got!

Jimmy’s lips made contact with her bare sole as he slowly kissed the warm sweaty skin! His lips stuck to it slightly as he pulled back and gasped for fresh air! It was so pungent up close, he hadn’t anticipated it. There was a deep tickle in his lungs as he sucked in air and then choked hard, dry heaving from the bottom of his belly! Dana gasped and blushed as Bella let out a disappointed gasp..

“Oh Jimmy, how rude!” Bella laughed sarcastically

“You said these slaves were well trained?” Dana asked

“I said i WAS training them, soon they will be, hopefully” Bella said while eyeing Jimmy

Jimmy quickly brought Dana’s soles back to his and began kissing up her arches! She moaned in delight as he held his breath, moving up her arches! The heat of her feet was so strong that it made him physically sweat from just being close to her! As Jimmy’s nose reached the bottom of her toes he got a strong whiff, and he hadn’t even breathed in! The odor was so powerful that it crept into his nostrils without evening being inhaled!

He pinched and tightened his throat, trying to hold back the urge to choke and gag as Dana moaned in relief! She began wiggling her long sweaty toes over Jimmy’s nose and he lost it! Jimmy pulled back, dry heaving and choking as both Bella and Dana watched in disappointment!

“This is starting to get annoying!” Dana said in a slightly dominant tone! Jimmy was about to apologize when Belle cut him off!

“Victor, Jimmy, on your backs, face up, head by our feet, NOW!” Bella screamed as both men got on their backs as told!

“Perfect, now, just rest your feet on his face, like this” Bella showed Dana as she lifted both feet and rested them over Victor’s face. Her feet were large enough to cover his face completely!

Jimmy watched Bella’s feet cover Victor’s face, he turned his head upright just in time to see Dana’s red sore soles coming towards his face! He took one deep gasp, sucking in as much fresh air as possible before her sweaty soles pressed to his features! He could feel her sweat skin press to his face and slowly begin to stick as she wiggled her toes on his forehead!

“This feels so nice! It’s like a living foot bath!” Dana laughed as she rubbed her soles up and down Jimmy’s face roughly!

“Wait until you feel it with their tongue!” Bella laughed!

Jimmy was trying so hard not to choke or gag! The odor of her feet was so heavy and thick, he could feel it working its way into his lungs even while he held his breath! She lifted her soles and flexed her toes over his face before pressing them back down and rubbing them back and forth!

“Jared never touches my feet, after the gym he wont even let me sit beside him unless i shower first! This is so nice!” Dana said while letting out a sigh of relief and relaxation.

“That’s why I gave up on men a long time ago, they make much better pets and furniture!” Bella laughed as Dana joined her.

“Do you think i could do this? Like, just for extra cash on the side?” Dana asked while still smothering Jimmy under her soles.

“It would be stupid not to!” Bella giggled as she rubbed her toes over Victor's lips! He began kissing and licking them obediently!

Bella sat forward and held her stomach as she let out a groan...

“Are you okay?” Dana asked..

“Yea, just, ugh, the protein shake is making its way through me, they always give me such bad stomach aches!” Bella groaned as she massaged her left abdomen.

“You need to lay off the dairy! Have you tried a plant based protein?” Dana asked...

“They all give me gas” Bella groaned..

“Good thing though, we have two slaves here ready to work” Bella smiled as she sat up right and removed her feet from Victor's face.

“SLAVES KNEEL” Bella ordered as both Jimmy and Victor got on all fours!

Jimmy looked over to Victor, he had a grin on his face, it made him seethe with anger! He could still taste the vinegary salty sweat from Dana’s feet on the top of his tongue and was holding back the urge to gag! He looked up and could see her wiggling her toes right in front of his face.

Bella got up from her seat on the couch and looked down at the slaves. She made a head motion to Dana signaling for her to stand as well.

“SLAVES! IN FRONT OF THE COUCH, HEADS BACK ON THE SEAT, FACING THE CEILING!” Bella demanded as both Jimmy and Victor complied, getting into position immediately

“Are we gonna sit on their faces?” Dana asked with a smile and small nervous giggle...

“That depends, do you wanna smell these protein farts?” Bella asked as she slapped her large fat ass causing a ripple to run down her thigh!

“OH GOD NO!” Dana said with a big laugh!

“Which one do you want?” Bella asked her friend...

Dana put her finger to her lip and began to decide as she blushed and laughed under her breath..

“I may as well keep the one i was using right?” Dana asked as she turned and bent, about to sit on Jimmy’s face. He watched as her big ass came down towards him but then stopped inches from his face!

Bella grabbed Dana’s hands and pulled her back into a standing position!

“Hey, why don’t we switch? It’s only fair that we mix things up a bit” Bella suggested as Jimmy began to cry inside! His nose and throat were already suffering from Dana’s sweaty feet! He knew Bella’s gas would push him right over the edge! He looked over to Victor who was smiling with a stupid shit eating grin on his face!

Dana walked over to Victor and turned, letting her small plump ass crash into his face! She sat in her leggings and wiggled her ass back and forth, getting comfy on top of him! Jimmy

gazed up, just in time to see Bella backing up towards him! Before sitting, she grabbed the waist of her yoga pants and slowly slid them down over her massive hips!

Bella's ass was at least twice the size of Dana's! Each cheek jiggled wildly back and forth before settling to a rest. She looked back over her shoulder as Jimmy's face before slowly bending down and spreading each of her fat ass cheeks! As she spread them and began to sit, Jimmy realized SHE HAD NO PANTIES ON, NOT EVEN A THONG! He could see her sweaty pink anus coming quickly towards his face as it CRASHED into his nose!

Bella smiled and wiggled her ass back and forth on Jimmy's face, slowly and carefully finding his mouth and then sitting with her full weight! Jimmy cried as her greasy earthy shit scented anus rubbed harshly over his nose and upper lip before settling over his mouth! He could feel it pushing in and out within his lips as Bella grunted and tried to settle her stomach!

"Ahahaha! Look! He has a little boner!" Dana said while prodding Victor's crotch with her barefoot!

"We can punish him if you'd like!" Bella suggested!

"Naw, it's actually a bit flattering, that some guy could get hard while he's sniffing my ass, not to mention we just finished at the gym!" Dana began to laugh again as she bounced a bit on top of Victor!

bbbbbbbbbbbbbbbbFBBBBBBBBBBBBFRRRRRRRRRRRRRTTTTT

There was a low loud rumbling that got louder and louder until it echoed slightly throughout the room! Dana looked over to Bella in shock, wondering what the noise was before realizing, BELLA HAD JUST FARTED DOWN JIMMY'S THROAT! Dana watched as his weak arms grasped the sides of Bella's fat thighs, he scratched and squeezed, pushing and trying to lift her, but it was no use! The fart was over ten seconds long and Dana was truly impressed that there was no odor at all!

Jimmy felt the blast of heat hit the back of his throat before the odor even reached his nose! He could feel his tonsils vibrating from the force of the gas as he closed his eyes and tried to take it all in! He could feel his lungs inflating as the smell rushed out his nostrils giving him a FULL STRONG WHIFF! It was rancid! Like broiled milk and old steamed eggs! Jimmy could taste the gas rolling over his tongue as the fart increased in pressure and force! Suddenly it ended with a pop that filled his mouth with bits of microscopic liquid feces! He could feel it all over the inside of his mouth as he began dry heaving and gagging! Bella was so heavy on his face though that neither of them moved!

"Wow, that's impressive!" Dana said with a giggle as she sniffed the air!

"I can't smell anything!!!" Dana said with surprise!

BBBBFRRTTTTT SPPRTTsprrttt

Bella squinted her eyes and grunted as a very aloud and wet fart left her asshole! It splattered and gushed at the end with wet squirting noises as Dana groaned in disgust! Jimmy could be seen visibly shaking and trying to lift Bella off of his face!

“Okay! Now, I actually feel bad for him!” Dana laughed as Bella started to laugh too!

“Don’t these types of men live for this sort of thing!” Bella said with confidence!

“Is this fair though, I mean, My seat got off easily with your feet?” Dana laughed a little as she wiggled her plump tiny butt on Victor’s face!

“Life isn’t fair, it’s not my responsibility to teach them that lesson” Bella said as she grunted and released another wet fart!

BBBBBBBBSPFPRT ppppsbr sppprtrrrrpfppbprtttt

Jimmy began crying under Bella’s ass while both women began laughing hysterically! He grasped at her thick legs, grabbing her fat cheeks and using all his strength to try and lift her! Bella sat with her arms at her sides, waiting to see if the slave could lift her even the tiniest bit!

The fart had rolled across Jimmy’s tongue like hot thunder! It burned and carried the taste from her shake, the burnt flavor of hot milk, the rotten aftertaste of eggs! There was bits of liquid shit that speckled the walls of Jimmy’s mouth submerging him in the flavor! It made his head spin!

Desperately Jimmy pushed on the fat of each cheek, trying to lift her so he could get just the tiniest bit of air! All of his life he had suffered from having a fart fetish but never got to experience it! This was his first time, and he was sure it would be his last! This was a mistake, he didn’t like this, maybe the idea of it, in his mind, but in reality, it was all too much!

The liquid shit on his cheeks leaked down to the back of his throat like a syrup, accumulating at the back of his mouth as he fought to not swallow it! Jimmy could feel his tongue trembling as he pinched his throat, trying not to choke!

BBBBBBBBBBBBBBBBBBBBBBBBBBBBBFRRRRRRRRRRRRTTT

Bella grunted and pushed, launching an atomic bomb of a fart from her puckered sweaty asshole! The blast of gas was so powerful that it blew out Jimmy’s cheeks and forced the liquid shit down his throat at the speed of a rocket! Jimmy gasped and gagged on the gas as he felt the sticky shit shoot it’s way down his throat! His eyes went wide as he froze! It was so disgusting, so horrible! The flavor leaked all the way down his throat, like a skidmark had been created inside of his body!

"Im sorry! Mistress Bella told me not to speak with you!" Victor said while avoiding eye contact!

"MPPPPH MPPPPHHHHHH!" Jimmy screamed into the ring gag as Victor rushed out of the bathroom and closed the door!

Jimmy wiggled, he could feel his arms and legs were strapped down tight! He thrust and tried to move his entire body but the bonds were too tough! The smell and taste of Bella's protein fueled farts was still deep and embedded into his throat! Each breath he took caused the odor to fill the bowl forcing him to smell it once more! It was so thick, so earthy, so pungent! Jimmy had never eaten shit but knew there was no way he could do it! Farts were too much, how would he ever survive something like this?

Footsteps came towards the bathroom as Dana appeared above the bowl! She was beautiful, more beautiful than any of the women Jimmy had ever had the pleasure of dating, but that was not going to be enough, Jimmy knew it would be hell!

"I really don't understand how any man could like this? Eating shit... but i guess, whatever floats your boat right? I'm not one to judge!" Dana smiled and then turned to slowly pull down her tight leggings! She had on a lace thong that was ticked between her tiny and very plump ass cheeks! Jimmy's eyes were watering as he watched her ass jiggle above him!

Dana took one look behind her at Jimmy's crying face before slowly settling herself down onto the toilet seat! Her fat ass bubbled out and pushed into the seat inching towards his face! Jimmy could see her bright pink anus, it was covered in sweat and glimmering in the small light source in the bowl!

Jimmy took a light sniff, the smell of her asshole was abundant and very strong! It filled the bowl with the fresh smell of shit! Jimmy's head began to spin as he choked and gagged under her, the smell was so thick, so dry! Without any warning, a thick stream of urine splashed into his mouth! Her stream redirected, hitting the wall of the bowl and then leaking down to Jimmy's lips!

In less than a second his mouth was full, the piss tasted exactly like what he imagined it would! Salty, Bitter, Hot, Strong! It tasted like he was drinking vinegar flavored salt water! It burned his throat as he choked and chugged the urine, forcing it down his throat as he sucked in air through his nose! It wasn't until this moment that Jimmy realized, if he didn't drink, he could drown!!!

The urine continued to stream down as he choked and gagged, sucking it into his belly! Dana opened her legs a few times to glance inbetween and watch him drink, but each time she closed her legs, surely from the strong acidic smell!

Jimmy choked down mouthful after mouthful until the stream came to an end! Her urine dribbled down trickling into his mouth and splashing off his tongue causing tiny drops to hit his eyes and forehead!

Bbbbbbbbbbbbbbbbbbbbbbbfrtt

A very soft low rolling fart filled the toilet bowl with her gas as Jimmy began choking wildly! It reeked like pure shit, and the odor was so condensed! Jimmy could feel the earthy shit field gas burning his lungs as he wheezed! His eyes went wide when her anus began to stretch open! Jimmy's heart raced, his entire body froze! His lips trembled as his tongue prepared for impact!

The slick brown piece of shit slid from her anus with ease, it stretched down and dropped completely vertical into Jimmy's mouth! The only reason it didn't slip right down his throat was because of Jimmy's tongue blocking the way!

In less than a second, his mouth was filled with the overburdening flavor of feces! It was so thick, so bitter, so hot! The clay like shit began forming and breaking apart in his mouth as another load dropped, followed by another, and another! Jimmy watched with crying eyes as the shit piled down forming a mound over his mouth and nose! He could just breathe in enough through his nose to get air but it was forced through the cracks in the feces! The smell was abhorrent!

Jimmy cried under Dana's ass as another post shit fart sounded from above him!

Bbbbbbbbbbbbbbbbbbbbbbbfrttsprrttt

It ended with a wet splatter that leaked some shit juices down and on to the tip of the pile of shit! Dana parted her legs and peaked between them only to gasp and slam her legs closed! She began giggling and slowly burst into laughter at Jimmy's buried face! She couldn't imagine what he was going through!

Dana stood up and began to wipe as the odor escaped into the bathroom! She had told her self that she felt bad for the man, but it wasn't until the smell fully overtook her that she realized what torture he was truly suffering though! She almost vomited as she quickly wiped and dropped the soiled paper on top of the mountain of shit! She could see it moving like it was alive as the man chewed and dug into the feces with his tongue!

Dana wiped twice more, not bothering to check if she was clean before pulling up her pants and sprinting from the stinking bathroom.

Jimmy screamed under the feces but no sound escaped! Each time he moved his tongue, more and more shit would slide into his mouth! The feces were so thick, there was so much density to them! As he slid his tongue through the mess, trying to break it up, he was assaulted by all of the horrible flavors!

Each swallow, he could feel the thick clumps working it's way down his throat! It seemed to get more and more mushy as he ate, it also increased in heat! By the time he had reached

PART 3

It felt like years, but in reality, only months had passed. Jimmy was curled up in a ball, locked in a tiny box with no cracks or access for air! He could hear multiple female voices outside as the music pounded and the bass sent vibrations through the floor!

He had longed for this kind of treatment for so long without ever having experienced it. He was ecstatic when Mistress Bella selected him to be one of her slaves, even if it was the lowest position, Jimmy had no idea what it would entail though. As the months passed, the treatment got worse and worse! She would push the very fibre of his being, forcing him to endure all sorts of horrendous and disgusting tasks, all while his counterpart, Victor, relaxed by her side!

Jimmy knew Victor had done nothing wrong, but he developed a hatred for him that grew with every passing day! He would fantasize about Victor being killed in any number of accidents, Bella would mourn for a few days but then quickly forget and take Jimmy as her pet! Life would be so sweet...

Even in the darkness of the tiny box, Jimmy could see Victor's stupid face, his shit eating grin, he hated that damn smile! Victor was such a piece of shit! Jimmy thrust his foot down as hard as he could and hit the box frame before crying out in pain! His bones were so sore from being locked in this tight position for so many hours, and he had to pee so badly!

Suddenly Jimmy's thoughts were interrupted as a pair of footsteps came up the stairs and into the room he was locked in. As the door opened, he could hear the music come pouring into the room! It was so goddamn loud!

Someone began fiddling with the lock on the small wooden box before flipping it open! The lock hit the floor and the top opened as a cold breeze of fresh air filled the space! Jimmy gasped and began to choke as his eyes adjusted to the light!

"Is this the one?" A woman asked while Jimmy squinted trying to see who it was!

"Yup! That's him!" Jimmy could hear Dana's voice as the box tipped on its side! He rolled out onto the floor as both women laughed a little!

"Ugh, he stinks!" The first woman complained as Jimmy squinted and finally could see what she looked like! She was tall with long black hair and arms covered in tattoos! Her skin was pale and soft looking but she had a cruel look in her dark brown eyes!

"Well, what did you expect?" Dana laughed. The tattooed woman tipped over the box sending Jimmy rolling onto the hardwood floor!

Dana got down on her knees and connected a leash to the collar he was already wearing. When it was on, she handed the leash to the other woman who began frantically pulling Jimmy towards the door and laughing!

“Let’s go stinky! Come on! Time to join the party!” She smiled and pulled again much harder sending Jimmy crashing face first into the floor!

“Stop it! You’re gonna hurt him!” Dana said while laughing and clearly not too serious!

“Haha, he looks pretty resilient! Let’s go stinky!” The tattooed woman pulled hard on the leash as she walked, leading him outside and into the hall!

Jimmy stayed on his hands and knees, struggling to keep up while crawling on the hardwood floor! The condo was huge, two floors with a staircase leading to the second! Dana and her friend led Jimmy to the main floor where the music was pounding! It was so loud he could barely hear himself think!

The room was FULL of women! There had to be at least 30 or 40 of them! All the ladies were dressed to the Nine in fancy dresses and high heels! Bella was at the far end of the room on the couches with a bunch of women... and Victor. He was nuzzled in between Bella and another beautiful woman as they both gently played with him! Jimmy began seething with rage as he was led across the room. Victor locked eyes with Jimmy and the two had a short stare down before a woman accidentally kicked Jimmy in the face. He felt her foot hit his chin as he bit his own tongue and yelped in pain!

“AHH,I’m so sorry!” The drunk young lady apologized as Jimmy felt a stabbing pain in his left hand! He looked down to see another young and very drunk woman stepping on the back of his hand with her high heel! She was completely unaware of the pain she was causing him and leaned back laughing as Jimmy cried! She eventually moved her foot just as the tattooed woman pulled on the leash again!

Jimmy quickly crawled, following Dana and her friend. The ladies in the room had begun to notice Jimmy and he could hear them muttering and speaking about him!

“Hey!” Someone shouted down to Jimmy as he stopped crawling and looked up! An absolutely stunning blonde was staring down at him! She had her hair tied back in a bun with very sparkly diamond earrings on! She smiled down at him with sparkling eyes just before squeezing together her lips and then spitting a long sticky blob of saliva right onto his nose! It leaked over his lips as a bunch of women started to laugh! Jimmy felt his leash being pulled as he quickly continued to crawl.

Dana and the tattooed woman led Jimmy to the large throne that Bella used to facesit him, it had a small compartment beneath it that he was all too accustomed to! Dana began opening it up as the other woman lifted the cushion! Jimmy already knew what was expected of him and crawled inside. Within seconds he was closed in as Dana lowered the seat around his

head! She locked it tight and then smiled at him as he stared up! There was so little space that he could not move at all! Even his head was locked in an upright position!

The music began to dim and the room was now full of women chattering!

“QUIET EVERYONE!” Dana shouted in a high pitched voice! The room got quite slowly until it was silent!

“I just want to thank everyone for coming tonight! I feel so honored to have so many close friends at my side for my wedding! Aaaaaand the Bachelorette party!” all of the women in the room cheered for a moment before they began shushing one another!

“I can’t continue this evening without stopping to thank Dana!... Dana, you have been there at my side through thick and thin! I can’t imagine what my life would be like without you as my best friend!”

Jimmy could hear sniffing from the woman speaking as he rolled his eyes, this was pathetic!

“I never thought I would be locking myself down with one man!” The woman continued as all the ladies laughed and cheered a bit...

“But i can’t think of a better place to kick off my last night as a free woman then Bella’s place! With her adorable slave Victor!” The woman said softly as there was a slight pause....

“Ooh?” The woman asked as Dana stepped up and began speaking

“As a special treat.... Bella has offered up her ...Other slave... for us to have a bit of fun before we head out for dinner! The stretch Limo will be here in an hour, so we have time for everyone to give him a try!” Dana said with a big smile as Jimmy felt his stomach sink...

“If you look over to the left, you’ll see Bella’s throne, Her other slave is sealed away inside of the seat! Feel free over the next hour to have a seat, smother him, bounce on him, maybe even fart on him...” All of the women in the room cheered a bit and laughed uncomfortably in their drunken state as Dana continued!

“Believe me, I spent some time with Bella and her Beta slave, there is no such thing as going too far!” Dana said with a grin!

“Everyone give a big thank you to Bella too” The other woman yelled as the music rose back to a pounding state and everyone began to drink and dance! Jimmy swallowed a lump in his throat as multiple women approached the throne looking down on him!

“You just sit on his face? Won’t he suffocate?” a red head asked while bending and looking down at him!

“Who cares?!?!” a snotty popular looking blonde said with a grin as she spun around and slammed her ass down!

Jimmy only got a small glimpse of her fat ass! It was extremely round and poked out of the bottom of her dress! She landed with her left ass cheek on Jimmy’s nose and almost cracked it! He screamed out in pain for a split second before she adjusted and slid over letting his face sink into her extremely sweaty crack! Each cheek was covered in a thick layer of salty sweat and it burned his eyes! She gave a quick wiggle back and forth, pushing his nose deeper! He noticed the smell got a bit worse, not bad, just strong, unwashed!

“Get off! I wanna try!” Jimmy could hear another woman yell!

“I just sat down, wait a minute!” the blonde complained as she leaned back!

Jimmy’s eyes went wide as her ass engulfed his face! Each cheek spread out and covered his eyes! He groaned and cried out into her sweaty thighs as the music drowned him out!

“It’s actually kinda comfy!” The blonde bragged!

“LET ME TRY!” Another woman yelled as the blonde was pulled up and ripped off Jimmy’s face! He gasped for air, sucking in a deep breath as the redhead from earlier spun and lifted her short skirt!

He got a momentary glimpse of her pale milky thighs and tight plump ass! She had a pink thong that was hidden between the mounds of fat that was only revealed when she began bending over! She came down heavy with her tight little ass crashing into Jimmy’s face! His nose rammed up against her asshole and he was thankful for the light strip of fabric separating him from it, without the thong he may have slid right inside of her!

The first sniff Jimmy took was foul, her asshole had a sour earthy odor, like shit mixed with sweat, it was like she had been exercising and shitting all day then proceeded to go out without showering! Her cheeks were soft and very round, they brushed his cheeks as she wiggled back and forth grinding his nose into the dirty thong strap! He could just see up her back to her long red wavy hair!

Slowly she reached back and hooked one finger under the strap from her thong as Jimmy cried! Please no, he said to himself as she pulled it aside! He could see her anus for a moment as she leaned forward letting the fabric rest on her fat ass cheek! Her asshole was bright pink and the rim was covered in dried brown shit! It winked at him once before she leaned back and both cheeks sealed him in!

Jimmy closed his eyes and tried to forget what he just saw but it was impossible! His nose pressed into the crusty rim and he felt the shit scratching him! He took just the tiniest whiff, just enough to breathe, and even that was too much! The smell was so sour and thick, with the fabric gone he could smell inside her ass and she was definitely still full! Slowly she

“VICTOR, COME BACK HERE CUTIE!” A woman yelled as Jimmy groaned under the fat ass cheeks! The woman sitting on him was incredibly sweaty and her ass cheeks were sticking to his face!

She leaned back and forth, her ass cheeks peeling from his face each time she lifted! Jimmy needed to breathe but feared what her ass would smell like, his lungs were aching but he fought against the urge, holding it as long as he could! She began fidgeting and moving back and forth a bit more as someone argued with her!

“Everyone is gonna have a chance to sit down Masha! It’s Sara’s Bachelorette party, let her try!” Someone spoke to the woman on top of him!

She sat for a moment before hesitantly agreeing and standing up, using the arm rests to lift herself up! Her ass cheeks peeled from Jimmy’s face with her sticky sweat as she looked back over her shoulder! Jimmy gasped as he looked up at her, she was deadly attractive, she winked and shook her tiny jiggle ass before pulling back down her miniskirt and disappearing into the crowd of ladies!

“This is so weird!” The blonde above him blushed and covered her mouth as she smiled! Jimmy looked up and immediately recognized her as the one who had spit into his face, the beautiful snooty looking stuck up blonde! She was perfect, her features delicate, her hair looked like each strand was delicately placed! Dana was beside her, smiling down at Jimmy...

“Trust me! You’re gonna love it!” Dana encouraged her best friend... The blonde smiled and looked back and forth nervously!

“Let me just run to the bathroom first!” The blonde blushed and was about to walk away as Dana grabbed her by the arm!

“Wait!” Dana stopped her and then leaned in to whisper...

Jimmy watched as the blonde’s expression changed from a plain look to one of pure shock and horror! She instantly began laughing nervously before bursting into a full out stomach laugh!

“NO! You can’t be serious!!!!” The blonde shouted in tears of humor and disbelief!

“Really! Just don’t make a mess!” Dana said with a big grin!

The blonde looked back and forth a bit nervously while biting her bottom lip! She had a look of curiosity in her eyes as she turned and presented her ass to Jimmy! Her ass was tiny but stuck out really far! She had on a long white and blue summer dress that she lifted slowly, teasing Jimmy with a little show.

When the dress was up by her hips and her ass was fully out, Jimmy was in shock! She was perfect! Her legs are so thin and toned, her ass perfect! It was so fat and so small! Her hips swung in and then curved out, god her body was perfect! She began to bend over, her ass widening and sticking out as Jimmy took a deep breath, gasping and filling his lungs with fresh air!

Her ass cheeks almost looked golden from the way they were tanned! They bubbled out over Jimmy's face as she slowly lowered herself! Each cheek jiggled wildly back and forth. She paused for a moment, hovering inches above Jimmy's face before DROPPING! Her ass crashed into his face and the leather seat with all of her weight as she wiggled back and forth!

Jimmy could feel his nose pressed up against her greasy asshole, it was incredibly wet and very sweaty! She ground back and forth, pushing his nose past the very thin g-string strap and inside of her anus! Without even taking a sniff, Jimmy could smell inside of her! It was fresh, very earthy, wet and sour, it had the odor of fresh diarrhea and it sent a shiver down his spine!

The blonde's wet anus flexed on his nose, pinching so hard that it forced his nostrils closed! He squinted and tried to ignore the slimy feeling as she wiggled and laughed on top of him!

Sppppbrtbb ppppppsbbbfrttttt

A wet fart leaked down the sides of his nose sending streams of wet feces down his cheeks! The blonde wiggled back and forth smearing it a bit as she giggled drunkenly! The smell was beyond terrible! It had a rotten egg odor with a clay like taste! Jimmy could feel it running down his nose and dripping to the back of his throat! It made his entire body seize up!

She began wiggling back and forth as she moved forward, her asshole popped off of his nose and slid over his upper lip to his mouth! She was very tiny but with her full weight on his jaw, the weight forced it open! Jimmy could feel her fat plump cheeks parting as her dripping asshole found its way to his mouth! Oh god, no, she's not gonna.... Please.. No... Jimmy begged in the back of his mind as the music raged on and everyone continued to drink!

"BELLA! I NEED TO BORROW VICTOR HE'S SO ADORABLE!" A woman yelled out loud over the music!

Jimmy could see straight up the blonde's back, Dana leaned in and whispered to her before laughing and looking down at Jimmy. She winked at him before moving out of view! The blonde looked back over her shoulder before wiggling her ass a bit more and sitting more heavily! Jimmy was crying from the pain of her sitting on his jaw, it felt like she was going to rip it right off his body!

All at once, her anus let loose! It crackled and popped but was drowned out by the blasting music! Jimmy could feel the hot vibrations in his mouth as his cheeks filled to the brim with

hot gooey mushy feces! No one noticed as they continued to drink and dance, completely unaware to the torture Jimmy was going through!

“Sit more heavily, i can smell it!” Dana complained to her as she fanned her nose

If Jimmy could have ended his life then and there, he would have! Her shit was more foul than anything he had ever ingested! It tasted like hot oatmeal mixed with rotten eggs and hot vegetables! There was a deep bitter taste of dirty and clay mixed in that made his entire body shake. His cheeks were completely puffed out, there was no room inside him, but he felt her asshole puckering, getting ready to unload the second feeding! He had to swallow now, or else the shit, he knew from previous experience, would be forced straight down his throat!

Jimmy gathered all his willpower and sucked down a small bit of her shit! It was foul, like blended vegetables with warm water and bitter egg! He had barely gotten the first bit down when she unleashed, her asshole spraying out shit much more watery then the first load and packing him completely full! The shit forced everything in his mouth straight down his throat as he snorted and shot a large amount out of his nose! The feces splattered in the blondes ass crack as she sat up straight and groaned in disgust!

Dana peeked over the blonde's shoulder and gasped covering her mouth with both hands before bursting into laughter!

“Is it bad?” the blonde asked as Dana giggled, unable to respond!

Jimmy's entire throat was coated in the woman's shit! It was so sticky and covered his entire insides from his mouth down to his stomach! He could feel the deep burn inside, the burn that you only felt with a belly full of hot feces! It was a feeling he would never get used to! Desperately and with watering eyes, he swallowed the last bit in his mouth and felt it sink down! His tongue and cheeks were coated in the vegetable tasting shit, he would have killed for a drink!

Jimmy kept his shit coated tongue hovering in the center of his mouth, trying not to let it touch the sides as he cried! The blonde was still sitting on him, her dirty asshole flexing and pushing outwards, it would touch his tongue sometimes and the feeling made his entire stomach twist! He could feel her shit trying to work it's way back up his throat but he desperately held it back, he knew the punishment would be severe if he puked on the bride!

As soon as she stood up, Victor was at the ready with wet baby wipes! Dana had gotten him and kept it quiet to not embarrass the bride from her “accident”. The moment her ass left Jimmy's face, Victor began roughly wiping his features, cleaning very sloppily and leaving his nostrils packed full of shit! Jimmy through watery eyes watched Dana pat Victor's head and then kiss his cheek before sending back to Bella!

As soon as the blonde had stood and moved, Jimmy could see there was a literal line forming of women waiting to try sitting on his face! They were all holding drinks and laughing, peeking around one another and trying to catch a glimpse at the throne!

“Sara! You should ask Bella if you can bring the throne and the slave to the actual wedding! Can you imagine!” Some woman yelled as Jimmy began weeping!

The women were like drunken animals! Throwing themselves onto Jimmy’s face one after another and snapping pictures as they laughed and cheered each other on! He lost count of how many sweaty drunken asses were on his face! Asshole after asshole smeared his nose, blowing gas into his lungs and threatening to knock him out cold, it was some of the worst treatment he had ever endured! At some point throughout the night Jimmy blacked out, only to wake up alone with the condo quiet!

Jimmy gasped and choked as he started to dry, his throat was sore and covered in dried feces! He could still taste it! The sour bitter flavor! He began crying as Victor appeared above him..

“You okay Jimmy?” He asked...

Jimmy looked up, Victor was right above him! His hair was all messy and his cheeks were covered in different shades of smeared lipstick! He had a drunken and tired look in his eyes!

“All the women went out to the club, I'm just cleaning, they should be home soon! They are all staying the night!” Victor said with a small smile!

“That was a fun night! Eh?” Victor asked as Jimmy screamed!

“AHHHHHHH!! FUCK YOU VICTOR! FUCK YOU! LET ME OUT!” Jimmy screamed!

“I can’t! Bella would kill me!” Victor shook his head!

“I’M GONNA KILL YOU! FUCK YOU!” Jimmy screamed in anger and frustration as Victor walked away!

“I was gonna offer you a drink.. But forget it!” Victor said while walking away...

“WAIT! COME BACK! VICTOR!” Jimmy screamed....

If the women were rough on him before, he knew, it would be much worse when they returned, tired, drunk.... He started to cry. Things were about to get much worse!

PART 4

Victor walked throughout the condo with a garbage bag in hand as he collected the hundreds of red and blue plastic cups scattered around! The women had all left the pre-drink and gone partying for the evening, they would be back late so he did not have to rush! Some of the drinks had spilled and begun to get sticky keeping the cups stuck to the counter! He was going to need to sweep and wipe all the counters too!

As Victor walked around cleaning, he could hear Jimmy crying for help, gagging and choking! He couldn't even imagine what that would be like, eating shit? It must be terrible! Just thinking about it, the heat, the texture, the pressure filling his mouth, it made Victor dry heave a bit! He shook his head pushing the idea away and being happy that he was in the situation he was! Bella was his owner and he was her pet! She spoiled him daily and he could not imagine a better life!

Victor knew that if their situations were reversed, Jimmy would not have helped him, he would do the same!

He continued cleaning and collecting cups as he reached the area where Jimmy was confined beneath the throne! His face poked through the seat where the black cushion wrapped around him tightly, his face was beet red, his lips stained with feces! Victor had to hold back the urge to gag as he reached down and roughly cleaned Jimmy's face with a wet rag brushing the shit from only his lips and leaving his mouth caked!

"Thankmpph thank you!" Jimmy choked as Victor moved back and turned his head to avoid the smell of his breath!

"I am only doing it for Mistress Bella. She and her guests will be back soon, and they might want to use you, she told me to clean the apartment, and your part of the apartment" Victor walked away as Jimmy choked and cried... he felt bad, but he knew that if he gave anything to Jimmy, Bella may punish him!

Victor cleaned and organized for hours! It was almost three am by the time he had finished, and luckily just in time, because minutes later the front door exploded open! The drunk women rushed in like a stampede, their high heels clicking and clacking on the floor as they pushed and funneled into the main living room! Victor has set out an array of snacks with fresh bottled water, juices and pop, he knew they would be drunk and figured he would help with the hangovers!

"Awwwwwww victor!!!! Did you do all this?" Bella asked as Victor looked down and blushed!

"Yea, i just wanted to..." Before he could finish, Bella scooped him up and began hugging him, snuggling the tiny guy into her chest and smothering him in between her sweaty breasts!

All of the women began grabbing drinks and talking very loud and drunkenly as they dug into the food! He had made a massive bowl of french fries and hash browns to soak up the alcohol. He also arranged three large platters of fancy cheese and sliced meats with some olives and nuts! He had a feeling Bella would be upset with just greasy food!

Bella, still holding Victor in her arms walked to her throne and plopped down extremely heavily! Victor looked down and could see she had lifted the back of her dress before sitting! Her fat pale thighs were so thick and plump that they and her ass consumed the entire seat! If you did not see beforehand, you never would have known that Jimmy was beneath her!

With Victor on her lap she started to snuggle him, pulling him into her tighter and kissing the top of his head! He could feel Jimmy's screams vibrating through her thighs as she ran her fingers through his hair and scratched the back of his neck.

"Did you have fun while we were gone?" Bella asked Victor quietly under the white noise of women speaking in the background..

"Yes Mistress!" He smiled as Bella smiled back... slowly her smile turned to a grunt as she squinted one of her eyes..

Victor could feel it, the long rough vibration that shook her thighs! It felt like he was sitting on top of a cryer for a moment, the intense shaking was like a tiny earthquake! Bella relaxed her face and moaned as Jimmy began to scream and choke under her ass! Victor could feel the coughing, each choke would raise them both a bit! It was amazing how powerful Jimmy's neck was! Bella laughed and lifted a tiny bit before dropping heavily and stopping the movements beneath her!

Bella took her finger and put it under Victor's chin, lifting his concerned looking face to hers as she smiled! Without saying a word, she pulled down the top of her dress allowing one of her massive fat breasts to pop out! It swung back and forth jiggling a bit before she positioned it right in front of Victor's face! She didn't need to say a word! He started to suck on it, licking her nipple and pushing himself into her as she moaned! He could smell the sweat on her body from dancing all night in the overcrowded clubs but it was so alluring!

VVVVVVVVvvvvvvvvvvvvvvvvvvvvvvvvvvvvvvvvvvvfrtt

There was a rough vibration from below him as her thighs shook, her gas was so powerful that he could physically feel them! Jimmy began to scream and gag as his voice escaped from between her thighs for a moment, Bella quickly closed her legs as all of the women began to laugh!

Victor suddenly felt a tinge of regret as the odor hit his nose! Bella was beautiful, a true goddess, and her ass was like no others, but her farts were some of the worst he had ever smelled! He tried to brush the fact from his mind, but he felt bad for Jimmy, surely it couldn't be good for his health, being smothered and farted into constantly on a daily basis!

Bella pulled Victor's mouth from her breast and smiled over his shoulder as he looked back, a line had begun to form at the throne starting with the bride Sara. She looked very drunk and was holding onto the side of the throne to steady herself and stay upright! Bella got up with Victor in her arms as Jimmy began to choke and gasp! The odor that escaped from beneath her was foul but everyone tried their best to not react!

"Here you go Sara" She smiled and passed Victor to Sara like a baby! Sara laughed and almost dropped him!

"It helps weigh you down so the farts andetc.... Don't escape" Bella joked as the women near her laughed!

Victor looked down and could see Jimmy's red face, he was crying, his lips quivering! Sarah lifted her skirt and presented her very shapely and toned ass to Jimmy, Hovering over his face for a few seconds before dropping with all of her weight! Her ass was a lot smaller than Bella's so Victor could feel the impact through her thighs!

Sara laughed and wiggled back and forth, spreading her sweaty ass and finding Jimmy's mouth! Victor tried not to think about what Jimmy was going through as Sarah pushed his face between her breasts and began forcing him to motorboat her! Her tits were a lot smaller than Bella's and she was pretty much just rubbing her chest on him!

SPPPPpspprr bBBbbbbbbbbbbbbbbfrttt BBBBBBBBBBBBBBFRTsppr Sppsprt sprpttt

Sara had clearly not sat completely on Jimmy's mouth as a horrifying wet splatter echoed across the room! All of the drunk women began to laugh at the noise as Sara grunted and pushed harder! Victor could feel Jimmy choking under her and could hear his gagging and crying! The fart splattered in short bursts, it was so wet, so dirty! The odor surrounded the throne like a thick mist as Victor pushed his face to her tit's trying to keep it from his nostrils! It was sour and rotten, like composting fruits!

ACHHOOOooo SPPPRtprtttttt

Sara in mid laughter from how rotten and gross her fart was, froze, raised her head and then sneezed loud while covering her nose with one hand! As she sneezed, a wet fart blew from her asshole and wet shit shot across the back of the leather throne like a shotgun blast! It was wet and light brown, dripping and plopping to the cushion below her exposed ass!

Everyone froze, not sure what to say as Victor held his breath! Jimmy was choking and gagging under her in a very wet manner, it was clear his mouth was full of waste!

"I'm so sorry!" Sarah blushed as Bella ran over with a bunch of wet wipes! She pushed them into Victor's hands and he knew she expected him to clean up!

“Don’t worry! It happens to me all the time!” Bella comforted her as everyone laughed a bit and the tension was relieved a bit...

“HEY!” Dana shouted drunkenly!

“WE SHOULD HAVE A COMPETITION! SEE WHO CAN KNOCK HIM OUT FIRST!!!!” Dana shouted with excitement, her mouth was full of food but everyone was drunk and didn’t care!

Sara had gotten up and taken a wet wipe from Victor, she used it to clean between her ass cheeks and the bit that had splattered on her back before dropping it onto Jimmy’s stained face! Victor began cleaning quick, using the wet wipes to scoop and clean the feces from the back rest of the throne! It had splattered so thick! The entire time he tried his best to hold his breath and not look down at Jimmy’s face.

“I don’t know!” Bella said with worry as she looked around at the group of twenty drunk women! She loved punishing Jimmy, but it had taken her a long time to find such a broken submissive toilet! She knew this could kill him, but she didn’t want anyone to think she cared....

Bella started to blush as everyone watched her waiting for a reaction or answer, Victor was still busy cleaning! He had gotten a small plastic bag to dispose of the wet wipes and cleaned all the shit from the back rest, the seat was smothered, and he couldn’t clean it without making eye contact with Jimmy! He began scooping the shit up, cleaning the seat as Jimmy gasped!

“Please.... Help.... Me” Victor nearly puked from the smell that came out of his mouth! He turned his head and cleaned quickly then walked away with his back turned!

“ALRIGHT! Let’s do it!” Bella said with a smile as she tried to think of how to control this situation, or maybe move things along... if she could knock Jimmy out early, she could end this before it even begins!

“EVERYONE PICK A NUMBER FROM THIS BOWL!” Dana yelled as she rushed over with a big bowl filled with tiny pieces of paper balled up!

“SHIT” Bella said inside of her head...

“EVERYONE GET’S ONE MINUTE, AND IF HE’S STILL AWAKE AT THE END WE START AGAIN FROM NUMBER 1” Dana yelled with a smile as everyone laughed and continued eating!

All of the women began reaching into the bowl grabbing numbers as Bella pushed her way through. She grabbed one and unraveled it quickly, her eyes went wide when she saw her number! 19.....MOTHER FUCKING 19.... SHIT Bella screamed inside her head as the drunk women began lining up at the throne!

slap the leather cushion! The sound was wet and explosive making everyone groan in disgust!

“DID I WIN!” The blonde yelled as she stood up excitedly! She looked back and began choking from the odor as she frowned... Jimmy was still awake...

“Please..... Stop” He begged as all of the women burst into a wave of laughter!

The blonde passed Victor to the cutest woman there in his opinion! The beautiful redhead! She looked like an innocent Disney princess! She had dark red hair tied in a high up ponytail! It traveled all the way down her back! Her makeup was pink and shaded with glitter under her eyes! She had thick legs and a big ass that wriggled under her thin dress as she walked! Victor immediately forgot the odor as she smiled and scooped him up, she lifted the back of her dress exposing her big jiggy ass before plopping down hard! Her sweaty ass hitting Jimmy's face and the leather chair made a sharp wet slapping sound that everyone could hear!

The redhead took Victor's chin under her finger and lifted his face to hers! She was clearly very drunk, her eyes were a bit glazed over! She held onto him tight and kept him on her lap as she leaned down and began kissing him! He froze as her lips touched his, sloppily she slid her tongue through his mouth as he felt her begin to grunt! There was no vibration, no sound, just her pushing. Moments later Jimmy began to freak out, thrashing so hard that he was bouncing them both like an electronic bull ride! The odor that escaped from beneath her ass was nothing short of horrific! It stunk like rotten eggs and burning meat as everyone began to choke and gasp! Multiple women left their place in line as they gasped for air! Victor wanted to run but she held him tight, kissing him as Jimmy fought for his life!

The second fart she let loose was even more powerful, so much so that they could hear it! Jimmy froze for a moment as a sharp hissing filled the entire condo! It was a gas leak as everyone's attention focused on the red head! Jimmy physically screamed under her fat pale ass before she sat back harder smothering him completely!

“TIMES UP!” Dana yelled as the redhead shifted in her seat uncomfortably...

“Can you pass me a wet wipe hun?” She asked Victor as he hopped off her lap and rushed to the counter gasping for air! The rotten egg odor was so thick! He grabbed a wet nap and passed it to the beautiful goddess!

Slowly she stood up and began wiping between her thick ass cheeks! When the white wet nap came out from her ass, it was completely brown and thickly stained with feces! She laughed and passed it to Victor as he almost puked...

“I may need another!” Victor quickly tossed it in the trash and got her another as all the women inspected Jimmy. He was still alive, barely, his eyes were rolled back into his skull and only the whites could be seen! He was mumbling incoherently as shit dribbled from his lips! The smell was atrocious! Everyone was holding their noses!

“Victor, open some windows please, would you?” Dana asked with a smile as he rushed to complete the task. As soon as he had opened a few the air quality had increased dramatically! Women began filling the main living room again as Bella opened up the throne! Jimmy’s limp body rolled out onto the floor like a dead corpse! He was drooling and looked terrible!

“Oh god, no” Bella muttered as she cupped both hands over her lips....

Dana flipped on some loud music as all of the women began to dance, Bella was quickly pushed out of the way as countless women began trampling Jimmy’s body! Some of them were so drunk that Bella was sure they didn’t even realize he was there! She tried to push her way through the women to stop them as Sandra pulled her back roughly!

“So, what do I win?” The fat woman asked with a smile as Bella cried!

She watched with tears dripping down her cheeks as the hoard of women trampled Jimmy’s body! Their high heels, pumps, and stilettos pierced his body all over! She could see his bones cracking and twisting under their weight!

After hours of partying and dancing the sun began to rise, the ladies began finding couches and beds to sleep on! Victor stood in shock watching Jimmy’s mangled body on the floor! He was still moving, or maybe it was just his body twitching. He looked close and could see his chest moving, he was still breathing! But for how long? He hated Jimmy, but he had to make sure he survived the morning!

PART 5

Richard stood outside the condo building calling the cellphone of his soon to be wife, Sara. he had tried over and over, this was the eleventh call and she still hadn’t picked up. He was starting to get a bit worried. Suddenly the front doors opened as the doorman smiled and moved aside to let him in.

“Would you like to wait in the lobby sir? Are you waiting for a guest?” the old man asked with a smile as Richard stepped inside and put his cellphone into his coat pocket.

“Thank you sir, sorry for taking up your time, i’m just waiting for my wife, she was at a party here the previous evening” Richard explained to the doorman...

The old man returned to his desk in the center of the lobby, he sat down slowly using the arm rests to lower himself. Richard walked across the lobby and took a seat on one of the fancy couches, checking his phone again and trying to call Sara. again she didn’t pick up. He

sat there tapping his foot impatiently as he checked the time again and again, he called two more times with no answer before approaching the front desk.

"I'm sorry to bother you sir, but could you help me out? My wife, she was out with a friend, her name is Bella? Do you know..." The doorman cut him off!

"Bella! Yes! She lives on the penthouse floor, she has lived here for a few years!" he said with a smile.

"Would it be okay if i went up?" he asked...

"Of course, just sign into the log book please!" The guard pushed the sign in book over, Richard began scribbling his name in and the time and his car's license plate before heading to the elevators. The doors opened when he realized he didn't know what condo he was heading to.. He turned to the front desk where the guard smiled and looked up.

"Penthouse floor! Room number 2004" he smiled as Richard nodded and smiled back before getting into the elevator.

As the elevator moved up to the penthouse floor, Richard began to get a bit nervous! He knew Sara was out with a large group of women and he had only met a few of her friends! They were all very loud and energetic rambunctious ladies, when the doors opened to the penthouse floor he debated heading back down and just waiting. Curiosity got the better of him though as he walked slowly towards condo 2004. A small part of him couldn't help but imagine Sara, asleep in bed with another man, both of them sweaty from a night of rough sex. He didn't want to believe it, but why else would she not be answering her phone, it was the morning after her bachelorette party.

He walked up to the door and knocked lightly. It was dead silent on the other side... he raised his fist to knock again a bit more loudly this time but froze when the lock began to move. Slowly the door opened as Richard looked in, there was no one there? Suddenly someone cleared their voice and he looked down in surprise! There was a guy, but he was so damn small, almost a midget, but not quite that short! Richard took a step back from the door and held in his laughter from the size of this little pathetic guy....

"Sorry, i think i have the wrong condo" Richard apologized...

"Does Bella live here?" Richard asked as the little guy held up a finger to his lips and shushed him!

"Everyone's sleeping!" The little guy said softly!

"Oh, I'm looking for Sara, is she here?" Richard asked..

The little guy seemed to loosen up as soon as he heard the name Sara...

“Are you her fiance?” he asked...

“Yes! Richard, nice to meet you” he stuck out his hand to shake with the little guy who slowly met his hand and shook it, the difference in the sizes of their hands was staggering, it was like shaking with a child!

“Everyones still sleeping but you can come in and wait if you’d like” the little guy said softly as he stepped back and held open the door.

Richard stepped in and immediately he could smell the stale odor of sweat and hot air! The condo was dark with all the curtains closed. There were plastic drinking cups scattered about that the little guy was collecting in a large trash bag! It was a freaking mess! Richard began tip toeing around the trash and peeking into the bedrooms, each one had a bevy of half naked and hung over women sleeping together on mattresses! Finally he spotted Sara between two women and breathed a sigh of relief knowing she hadn’t cheated on him.

Richard turned around and headed back to the messy living room where the little guy was quietly cleaning.

“So, what are you? Some sort of house keeper?” Richard asked quietly...

“I am Goddess Bella’s pet!” Victor answered quietly as Richard paused and then began laughing!

“Her what?” he asked a bit more loudly as Victor shushed him!

“I’m her pet, I do anything and everything Goddess Bella asks of me” Victor answered a bit defensively.

“Wow.... alright...” Richard laughed and then walked to the bathroom.

Victor watched him head to the bathroom and then ran out trying to stop him! Victor stepped in front of the large man and tried to block him but he easily stepped around and turned on the bathroom lights. Immediately he saw Jimmy on the floor, under the toilet box, he was tied up and had a blanket wrapped around his body. Bella had specified he was ready for the morning and Victor made sure it was perfect for her!

“What the fuck!” Richard said in confusion as he took a step back out of the bathroom...

“There’s a guest bathroom down the hall!” Victor pointed but Richard wasn’t even listening, he was in a state of shock!

“What the fuck is this?” Richard looked down to Victor with a disgusting stare!

“Your her pet? And what’s this? This guys a toilet? God, this is why our world is collapsing, not enough men! I mean, look at yourselves! You act like a pet! And this loser! Laying under

a toilet! What? Is my fiancée gonna come shit on your face you pervert? I thought she was cheating on me, but this is worse! You two are fucking pathetic! It's a good thing I came up here, I can get my wife out of this perverted mess!" Richard began heading to the bedroom in a state of anger as Victor tried to stop him!

"The ladies are sleeping let them rest!" Victor said with concern as he blocked the large man's way! The guy shoved Victor hard, knocking him to the floor with a small bang!

Richard was just a foot away from the bedroom, his hand on the door when he felt a massive bang on the side of his head! Suddenly things went dark and began to spin as he tumbled down and fell to the floor!

Victor stood behind the man with a large pot in his hands, he immediately regretted his decision!

Jimmy was tied up, bound and wrapped in a thick sheet with his head in a toilet box! His body was so broken and mangled, he couldn't fight back when Victor had set everything up. The morning came and Jimmy knew, it would be only a short time until the women began to wake up, one by one they would deposit their urine and shit over his face! He would never be able to keep up with twenty women, it would fill the box! This would be his end! The last moments of his life! It was sad to think about ending this way!

The toilet seat opened as Jimmy let out a cry only to see Victor above him! Jimmy wanted to scream at him in anger but knew that would only wake the ladies and lead to his death! Victor held a finger to his lips and began dismantling the box and unwrapping him from the confined blanket and thick wrappings.

"What... what are .. you doing?" Jimmy sputtered out in pain...

"Getting you out of here!" Victor said quietly as he worked fast!

Jimmy felt an overwhelming feeling of relief and freedom when he was free from the toilet box and handcuffs! His body was bruised, his bones broken, but it still felt so good! Victor helped him to his feet as Jimmy fell a few times, his ankles were shot and he could barely move on his own!

"Why are you doing this?" Jimmy asked...

"I didn't wanna see you die! Can you walk?" Victor asked..

Jimmy managed to take a few steps while holding onto the wall. He made it to the front door and didn't look back as he rushed out. Victor ran to the front door and watched as he limped down the hallway leaning on the wall! In less than a minute he was at the elevator and gone. Victor knew he had done a good thing. As soon as Jimmy was gone from view, Victor got to work wrapping the large man up just as Jimmy had been. He handcuffed him and then with

much effort rolled him in the thick blanket. He could feel the man stirring and waking up so he had to work fast.

Victor placed a mouth spreader between his lips and then pulled him to the bathroom! The man was at least three times Victor's size and it took almost twenty minutes just to drag the giant man to the bathroom! When he finally got his head sealed and locked in the toilet box, Victor was dripping with sweat! There was a muffled cry from the box signaling he had woken up. Perfect timing.

Victor opened the seat and looked down, the man was red in the face, his mouth stretched open wide and his tongue flicking back and forth! His eyes were red and tensed up, he was angry!

"MPPPHH MPPPPH" The man yelled at Victor...

"Sorry, i can't understand you, i'll come check on you after the ladies have finished the morning bathroom regiment though!" Victor laughed and closed the toilet seat as the man screamed in anger!

Richard's head was throbbing like crazy, he could feel that he was handcuffed with his arms behind his back and a thick blanket like a rug wrapped around his body! Im gonna kill the little fucking midget when i get out of here he told himself while groaning and trying to get free! He pulled and kicked but it was tied so tight! He could barely move! Within seconds he was sweating buckets, overheating and choking on his own breath.

The sound of footsteps came closer and entered the bathroom as the toilet seat was pulled open! Light flooded into the toilet bowl as Richard looked up in horror! It was Kacie, one of Sara's good friends, he had met her on a number of occasions! She was a very ditzy and stupid girl, he kinda of dispised her! Her blonde hair was in a messy ponytail as she let out a yawn and stretched her arms above her head!

"MPPPH MPPHHHHH MPH HHH" Richard screamed through the mouth spreader but she never even looked back, not even once!

He felt his stomach begin to twist in horror as she turned around, her big panty clad ass jiggling as she cupped her fingers around the waistband and pulled them down. As she bent down her big tanned ass got twice as large, spreading out and overtaking the entire toilet seat! She dropped back while still bent over letting her ass crash to the toilet!

With her naked ass and pussy inches above his face, he could smell the overabundant stink of her privates. It was a sour earthy smell, the scent of rotten pussy mixed with sweat and ass stink! It was foul beyond belief! Richard hated going down on Sara, he refused to do anything with her anus! Being this close to her best friend's asshole was absolutely disgusting!

“I hope you enjoyed your breakfast Jimmy!” she laughed and washed her hands as Richard lay there crying!

“MMHAAACIEEE,, MPPHH MMPPHSSS MMPHHEEE” Richard tried to speak with his mouth pulled wide open and full of feces and piss, but he couldn’t get the words out!

Kacie finished washing her hands and then pushed the toilet seat closed before leaving.

Richard lay there, broken and humiliated! He couldn’t imagine ever having sunk this low! If Sara saw him like this, he would never be able to look at her the same! The idea of his submissive wife seeing him trapped in a toilet covered in shit! He wanted to fucking cry! Using all his strength he screamed and pulled on the handcuffs but it was no use! He could feel the metal digging into his wrists!

Another pair of footsteps rushed into the bathrooms as Richard turned his head upright! He couldn’t bear the idea of someone seeing him like this but needed to get out! At least one of these women had to realize he wasn’t that stupid fucking simp slave! He could feel the shit and piss from Kacie pushing into his hair and ears as it floated around the box, the feeling was horrific!

The seat opened and a beautiful woman appeared, she had a pale complexion and long straight black hair! She was very thin and looked like a supermodel. She glanced into the bowl for a second with a grimace before turning and pulling down her thong! It came off easily and slid down her thin legs as she sat down gently!

Richard was shaking he was so terrified! Staring at this random woman’s asshole and pussy from less then a few inches away was like having a gun stuck in your face! At any second, it could explode! He screamed into the gag as she laughed a little above him! How could these women be so cruel!!!

BBBBBBBBBBBFRRRRRRRRRRRRSPPRTT

Richard had thought Kacie’s gas was bad, this was 1000 times worse! The woman’s asshole tightened and then spread wide blowing the most foul stream of gas out that he had ever imagined possible! It was foul beyond belief! The temperature was so hot that he could barely even make out the odor, he just gasped trying to process the dense methane! Her anus puckered and winced as a thick stream of morning piss splashed onto his face! The toilet paper from Kacie soaked up the piss as it ran down his face and around his head making the pool of filth rise even higher!

He kept his head straight and took a gulp of her urine trying to slow the box from filling! He barely got the mouthful half way down his throat before gasping and coughing it all up! Her piss was coming down so heavily that Richard could barely fucking breath! Giving up, he turned his head sideways allowing it to rain over him. He prayed she wouldn’t have to shit,

and somewhere far up there someone listened! She cleaned her pussy with toilet paper and left while slamming the seat behind her!

Richard wept and cried! The piss and shit was almost level with his ears! A few more women and he would be buried! He closed his eyes and held his breath before turning his head sideways and washing the shit off in the pool of piss! He had to get his face clean so someone would recognize him. When he dunked his face into the piss he felt the big sloppy turd brush against his nose! Quickly he turned back upright and choked! God, these women were disgusting!

Another woman quickly entered the bathroom as Richard heard someone stop her! The voice sent every hair on his body to stand up straight!

“Can i go quickly! Richard is picking me up soon!” Sara asked

“Sorry, I can't hold it!!!!” The other woman complained before slamming the bathroom door!

“Oh god no!” Richard said to himself....

The footsteps were heavy, the toilet lid opened and Richard could see an amazon of a woman above him! She had long dark hair and a thick curvy body! She clicked her fingers like she was calling a dog and the tiny guy appeared by her side! Richard began fuming with anger upon seeing the little guy who had imprisoned him here! He screamed into the mouth spreader and the woman was about to look back but the little guy quickly took her attention away!

“Did you have a good time last night goddess?” he asked... Victor made eye contact with the guy in the toilet, he was almost buried in piss and shit!

“Yes! You did so well serving us! If only Jimmy could take a lesson from you!” the large woman smiled as she dropped her bottom and bent over. Richard wanted to cry when he saw her thick ass cheeks spread! She had to hold them apart when bending in order for her anus to be exposed!

She settled down onto the toilet and the frame bent inwards under her weight! Richard could smell the intense sour odor of her anus through the horrible mess all around him! Her anus was covered in a thick layer of hair but he could see it was filthy! Sweaty! A fucking mess!

“Come sit on lap puppy!” The woman said from above him!

Victor smiled and got onto Bella's lap as she snuggled him close pushing his head between her breasts!

“You've done so well lately, I need to start thinking of some kind of reward for you!” Bella said affectionately as she pulled Victor into her body tightly! Victor blushed knowing he had

done something very wrong, Bella was sitting above a stranger, if she knew, he had no idea how badly he would be punished!

“I want you to think of something, anything you’d like! Okay my pet?” Bella said softly as she held him and hugged tight.

Victor winced as a massive fart erupted into the toilet box below Bella’s ass! He could feel the pressure from the fart as her thighs vibrated! Almost instantly the man below began choking and gagging, screaming in horror! Victor could only imagine how horrible it was, especially for someone unprepared!

Richard watched in horror, he could barely turn his head left or right, the piss and shit was so high! Urine began spraying from the woman’s pussy in two separate streams, soaking his face and filling his mouth before merging into one stream that blasted his nose! The piss was so hot that it steamed! Richard turned his head left and then right, desperately trying to escape the foul waterfall of urine only for his mouth to fill with stale piss and shit!

He looked back up straight trying to breathe through the urine running over his face! His eyes were closed so he never saw it coming! The thick mess of shit hit him hard, splattering over his face and running down into the pool around his face! Richard opened his mouth to gasp as the perfect time! Just as his lips opened, his mouth filled with thick gooey shit! It was so foul, some of it was hard, like rocky meatballs but covered in a thick slime of diarrhea!

Richard was frozen with the shit sitting in his mouth, it was so bitter, so warm, he was in total shock! The flavor was running down his tongue, hitting his throat, god it was terrible! Through his watery eyes he watched and saw her anus pucker. It let loose and topped off the meatballs in his mouth with a thick sludge of diarrhea! It was almost black and like paint in consistency! Richard began dry heaving from the rancid flavor, unintentionally sucking the shit deep into his throat!

Bella smiled at Victor and then giggled a little bit...

“Sounds like Jimmy is having a rough morning! Aren’t you happy you’re on my good boy list?” she smiled and nuzzled him into her breasts again. Victor was happy to have his face in her tits, the smell in the bathroom was unbearable. He couldn’t help but feel like he had made a mistake letting Jimmy go!

“Gawd, my stomach is killing me, beer always gives me the runs!” Bella groaned as she pushed, Victor could hear a wet mess leaving her asshole as the man below her cried out! From the sounds of the cries it was clear his mouth was full!

Richard's face was completely coated with black shit! The urine and feces were so high in the box that the surface reached the corners of his lips! He would not survive one more woman using him, and there were still so many left! Richard wept and cried, how could he die like this!

He watched as Bella slid the paper between her ass cheeks, cleaning and dropping it onto his face! He was thankful for it, the paper soaked up some of the piss and shit, but barely enough to make a difference!

Bella got up and began washing her hands as light flooded the toilet. Richard saw the tiny submissive man peek inside. He gagged upon seeing Richards face and cupped his hands over his mouth and nose!

"PET, COME!" Bella called him as the bathroom door opened. He rushed out behind her as Richard screamed. His mouth was full of shit though, barely any sound came out!

Richard's wedding was only a few days away! He was supposed to pick up Sara this morning, they were supposed to go to brunch! How could things have gone so wrong! He had a long successful life ahead of him, that was before he stepped into this condo! He should have waited downstairs, he should have been more patient! He should have.... Richard froze... a woman approached the toilet and instantly he recognized.. It was Sara.

She had such a soft face, such beautiful features! Her long blonde hair looked perfect even when she woke up with bedhead! She looked like a princess as she approached the toilet and gazed directly down at Richards face! He wanted to cry with his fiance seeing him like this! She smiled and puckered her cheeks as a long stringy blob of spit fell to his mouth! She began laughing and then smiled...

"God, you're pathetic. In a few days, I'm marrying a real man!" Sara smiled and laughed as she held her nose to keep herself from suffering from the smell.

"Maybe i'll buy you from Bella, and you can eat my shit every morning! How would you like that? Hmmmm?" Sara asked as Richard cried...

He was covered in so much shit that she didn't even recognize him! He tried to say something, say anything, but his mouth was stuffed with shit! Sara began gathering toilet paper and laying it around the seat carefully! Richard watched her, this was his last chance, his only chance! He turned his head to the left dunking it into the piss and shit and clearing his mouth! He choked and gagged hard from the bitter sour flavor of mixed piss and shit, it was so disgusting! Like drinking out of a clogged toilet at a sports arena!

He gasped and choked, he could barely get a muffled cry out! His face was completely covered and dripping as he let out a whimper! Sara laughed as she turned around, he opened his eyes just in time to see her perfect tanned ass coming towards him!

Sara had sat on his face so many times! He loved it! The feeling of her soft cheeks, she always smelled so good too! Her pussy tasted amazing, so fresh! She was so small and light that sitting on him was not painful! She was an angel in bed! But he had never seen his future wife from this position. Her ass came down filling the seat above him, her anus spread wide as her pussy lips began to part!

Richard closed his eyes and opened his mouth, he was going to drink, he had to if he wanted to survive, it was Sara after all, and she was perfect! He waited with his mouth open when suddenly... SPPPRTPP

His mouth filled to the brim with hot sticky shit! His eyes shot open just in time to see Sara unloading again! SPPPPRTTTBBRT This one was longer, and more vicious! With his mouth full the chunky diarrhea hit him and flowed over his face.

“HAHHA how does that one taste Bitch?” Sarah asked as she grunted and leaned forward bearing down!

Richard cried, his mouth was completely packed! Her shit, my god, it was the worst of any of the women. It tasted like fucking acid! He ran his tongue through the mess and could feel bits of undigested vegetables, pieces of pepper, corn, there was a thick flavor of fish too! Sara’s pink puckered anus pulled inwards and then pushed out letting another wave loose! This was the final nail in the coffin! Richard choked and coughed, shit ejecting from his mouth as the surface raised above his face! Just his nose poked out, he was sniffing hard, gasping and sucking in shit and piss as he breathed!

Sara smiled as she grunted and pushed out the last and most foul part of her morning shit! It was so hot inside of her intestines and just releasing it was such a relief! She could feel beads of sweat running down her forehead! Sarah grabbed a bit of toilet paper and wiped her face with it before cleaning her ass and disposing of it below her. When she stood up and looked back, the toilet was full, almost to the point of touching her cheeks. It was a good thing she got here when she did...

Sara kicked the body through the thick blanket and laughed... she didn’t feel guilty at all taking the slaves’ life! If anything, it felt kind of good, knowing she was that much better than him! God, she couldn’t imagine, choking and drowning in feces! She laughed and giggled while washing her hands and then quickly left, the bathroom reeked!

“BELLA, I THINK YOUR TOILETS CLOGGED!” Sara called out with a giggle!

3 weeks later...

Richard’s funeral was a closed coffin. Bella sat a few rows behind Sara and her family with a bunch of the other women from the party. The morning they found his body, Sara had left to go home and freshen up thinking he was running late. They all decided it was best not to tell

her how he passed, the knowledge that she was the one to take his life with her offering of shit would be too much for her to process!

Victor played the fool, pretending he had nothing to do with it and knew none the wiser! Bella had suspected that he had something to do with it but couldn't prove anything, he was a good pet, she had already lost a toilet and didn't want to let him go. As the coffin was carried outside and placed in the open grave, Bella could swear she could smell the odor of shit, it was thick and hard to mask, she could see other people covering their noses as well. Sara noticed the smell and looked to Bella who quickly broke eye contact and looked away. She could never know the truth....

The End?
