Seven minutes in heaven with Denki Kaminari (18+) - PART 2
PRO HERO AU

The audio starts with thumping music in the background, Denki then approaches the listener.

CW// sneaking off from a party, Unprotected sex, creampie, oral, Public sex

(His voice is nervous, a little heated) Hey.. Nice to see you made it tonight, Sparks. I'm glad I came back into the kitchen one last time 'cause I was about to bounce!

You weren't here so I was getting kinda bored.. Hah! Well, late or not, glad you still showed up, cutie.

(Jokingly pouty) Didja see my text and decide you missed me too much to leave me all alone at the party? **(Soft chuckle)**

Ahhh I know, I know. I got Kiri and Sero and.. I guess Bakugou to hang out with but.. I wanna hang out with you, you know? There's just.. I dunno. Different vibes.

You're.. Different from them. When I hang out with them it's all chaotic and crazy and.. *Bro energy.* **(laugh)**

I don't know how else to put it. But with you? I get to just be chill and vibe. You're just really.. Nice to spend time with. I totally don't wanna get all mushy on you outta nowhere, though.. sorry..~

Ah?! No, I'm not drunk! I had one beer, silly. I'm totally coherent, I'm just being honest with you.

Hah.. Speaking of which though, what are you drinking? .. Huh, just soda eh? Nahh, I get it. You the designated driver for your friends?

(Chuckle) Gotcha. You poor thing~

Hmm.. So, you ever been to one of Kirishima's parties before? This your first one? Yeaah he doesn't do them too often, to be honest. He doesn't like the mess after, and I don't blame him. Buuut he does throw some pretty chill parties.

He's a responsible guy for the most part, so nothing gets too crazy at his parties! He also makes sure everyone's safe and.. Yeah, I gotta commend him for that. He's a real bro.

Anyways.. I hope you've been having fun.

.. Oh, how've you been by the way? I heard you started an agency which like.. Holy shit, congrats on that! You're doing great.. And you're like, way ahead of me in the charts too. I'm proud of you, Sparks.~

Keep up the good work okay? You're doing awesome work out there.

Ah..? Me? Weeeeell.. Heh.. I've been doing okay! My quirks kind of dangerous in a lot of situations, so I'm only called into specific things. But I'm great at paralyzing big villains and stuff like that.~

Maybe we could team up sometime on a mission! I'll show ya sometime what I can do~

Hah.. But, enough about work. **(Softly)** Tonight's about relaxing and hanging out.. Getting away from all that stress, you know?

(Gentle sigh) .. Hm? I promise I didn't scootch in closer, that must have been your imagination! Heh..

... Alright, alright you got me.~ What's so wrong about wanting to be a little closer to you though..? I mean, you kinda seem like you wanna be closer with me anyway, with that cute look you keep giving me.

Don't play innocent now, Sparks.~ I see those eyes you give me.. **(Soft chuckle)**

Been kind of a while since we've last seen each other outside of work. Last time waaas... huh. Guess it was Mina's party.. **(Soft)** Wasn't it?

Heh.. What a night *that* was! Running from blasty like that.. Oooh boy he was mad. .. I mean, to be fair though I did kind of.. Uh.. You know, **(Whisper)** nut on his new jacket but still-

(Laugh) I knooooow I'm sorry! I'm terrible.. But.. **(A little teasing, soft)** that night was pretty fun, wasn't it? Mn.. I mean, *I* had fun. You know.. With you.~

I wont lie... **(He moves in a little closer, his voice soft and a little heated)** I haven't been able to get you out of my mind since that night. It was fun and.. You were pretty talented with your mouth~

(low chuckle) Don't be embarrassed, no one can hear us over the music. Plus we're the only ones in the kitchen right now anyways..

Mmn.. **(A slight shuffle as the listener moves in, his voice is a near whisper)** Watcha doin, sparks?~ Getting all close like that... Kinda seems like you wanna kiss- mm..!

(The listener kisses him, and Denki quickly reciprocates it wholeheartedly. He kisses the listener slow and deep, some slight shuffling as he runs his hands up and down the listener's body.)

Sparks... **(Between heated kisses)** ..Nn.. Sparks..~ hah... **(kiss)** Your body's so soft.. You have no idea how crazy you drive me...

(He moves back in, pressing heated kisses to the listeners lips) Mmn.. Think about you all the time...

(Pulls away from the kiss, but his voice is soft and low, almost a whisper) Your mouth around me. Can't get it out of my head. Since Mina's party it's all I've been thinking about, Sparks...

Mmn.. Did you wanna maybe go somewhere a little more private? **(Lewd whisper)** I'm so close to fucking you on the kitchen counter in front of everyone.. **(Chuckle)**

Heh.. Yeah?~ Mmn.. Here, Kirishima's got a bathroom in his basement, why don't we head down there?

Sounds good, come on.~ Follow me.

(The two of them walk through the party, and head downstairs. The music gets a little muffled as they go.) Here, babe.. In here.

(Denki opens up the door to the bathroom and they step inside, closing the door behind them. The music's more muffled now.)

Okay- mn..! **(The listener kisses him suddenly, cutting him off, and he chuckles into the kiss, before reciprocating it back. They kiss for a couple moments, his breath quickening)**

(He moans into the kiss when the listener touches him) Ahh- Sparks.. So eager aren't you? Hah.. Hold on a sec. I wanna try something.

(There's a slight shuffle as they re-adjust) Turn around, just like that.. Press your back to my chest and face the mirror okay?~

(A gentle kiss to their neck) Mm.. Heh. You shiver when I kiss your neck like this.. Oh.. What is it?? Do you like watching yourself? **(A gentle nip to their ear and a sweet chuckle)**

Mmmn.. Your skin always tastes so sweet. And getting to see your face in the mirror when I.. ah..~ **(Gentle bite to their shoulder)** bite you like this.. Ehe..~ You're so cute.

What if I turned up the voltage a little..? Move my hands down your body.. Like this..~ **(His hands roam down the front of the listener's body, letting out a soft little moan as he touches them)** God you're perfect..

(Lusty whisper, in the listener's ear) Do you like that, sparks..? You're shaking against me.. Look at your cute expression in the mirror.. Hah..~

(Keeping his voice soft, low) You spoiled me so much last time in that closet..~ Using your mouth on me and making me cum like that. I wanna return the favor this time... Lemme take good care of you.

(a gentle kiss to the listeners neck, slight shuffle as he gently touches their body, hands sliding down) If you want me to stop, just say it. I'll stop right away if you don't want this.. M'just gonna touch you a little here.. Ah..! You got all tense..~

Hah.. relax for me.. I'm just- hnn babe.. You're so eager. I can tell you're turned on just by touching you here.. Ah..~

Can I take them off..? Your bottoms..? Hah..

Mnn.. Bending over the counter like that- Ah, you look so good... Just.. Hold on, gonna pull these down and- nngn.. Shit, this view... Your ass is perfect...

Ah- You look so embarrassed! **(Chuckle)** .. Don't be, 'kay? I'm gonna touch you a little, lemme know if you want me to stop, Sparks..~

(He starts to gently touch the listener, shlick sounds are heard for a bit) nnn.. Finally getting to touch you like this.. Getting a blowjob in a closet is fun and all, but I wanted to return the favor for so long now..~ ahhh It's all I could think about!

Now that's finally happening.. Mmn..~ Feel like all my dreams are coming true...

Ah- That's it baby.. Can I push my fingers inside you? You're so needy for me... I love getting to see that cute expression in the mirror while you're bent over the counter like this...

Ah... hn~ Relax for me okay? Gonna make you feel really good, babe...

(He pushes a finger inside, sucking in a breath through his teeth. He keeps gently moving fingers in and out of them as he talks) Nnn..~ How's that feel? Are you okay? mm.... You're so flustered and cute, hah..!

(Gentle, shaky breath).. It's okay if you wanna make those cute little sounds, it's not like anyone will hear us~ The music's way too loud and the basement has pretty thick walls.

You can moan for me if you want, cutie~ I love hearing your voice.. Ah..~ That's it..

(He breathes soft and shaky, aroused as he keeps fingering the listener)

Perfect.. So perfect, ah... hn.. Tell me how you're feeling, baby.. I wanna hear how good my fingers feel inside you~

Oh yeah..? **(Cute, breathless chuckle)** You like it that much huh? Wiggling your hips and pushing them back onto my fingers like that~ Moaning so much for me.. Nnnn I love making you feel electric..~

H-hey.. Mn.. **(He stops fingering them, his voice aroused but almost nervous)** Can.. Can I maybe.. Fuck you? Just.. Seeing you bent over in front of me has me so fucking hard and I don't think I can hold back much longer...

Yeah..? Oh shit.. Okay.. hah.. okay..~ **(He instantly starts undoing his pants, his breath shaky and excited)**

Nn.. Relax for me okay? Just.. ah.. Oh god, when you push your ass back on my cock like that..~ Don't worry! Be patient, okay? I'm gonna fuck you *real* good~

(Gentle breaths, as he lines himself up) Okay.. alright, you ready for it? Gonna- ah.. Wiggling your hips on me.. So eager..

Okay, here it goes..! Ahhh- Oh man that's tight... Nn- Ohhh fuck...

(A few moments of gentle, excited breaths) .. Ahhhh... I'm all the way inside...

Mmn... **(he gasps softly)** ..W-wait, I don't have a condom on..! ... That's okay? You sure cause like, we can totally stop if-

Ah.. hah.. You seriously don't mind huh..? Well.. I'm gonna be honest, this is my first time ever fucking someone.. Like, going this far I mean..

You're um.. My first, you know?~ I couldn't ask for someone better to share this with.. **(Sweetly)** And honestly.. Since my dicks in you and all, guess I should probably just say it.. Throw it out there..

(He starts to gently thrust) Agh- nnn... I.. hah.. Well, I dunno how you- nn- feel about me but.. **(Gentle breaths as he keeps thrusting)** I genuinely like.. Nn.. *really* like you, Sparks..

Yeah, yeah I know..! Saying that kinda thing *now* of all times.. Ahh..~ hah.. Oh god you feel so fucking good...

(Gentle, sweet moans and grunts as he picks up the pace a little. Not too intense though, soft breaths)

Oh fuck.. You like that? When I push all the way in like this your whole body shakes..! Hah.. You're so cute, sparks..

Keep.. moaning for me just like that.. I can't get enough of you..! Hah.. ah... You're so tight around me, so hot.. Wet and.. It's so good..I never thought-*nn-* It'd feel like this..!

Ahh.. hah.. So much better than I could have even imagined..

Ah.. nn..~ **(some more soft, cute moans as he keeps thrusting into them)**

God you make such lewd sounds.. Don't you even get what you do to me..? Ahh~ Just by *looking* at me with those pretty eyes, you just.. Nn..~ Get me going..

Ohh fuck.. Look at your expression in the mirror while I fuck into you like this~ Hah..! Oh wow you're so hot...

Can't tell what I wanna watch more... My cock pushing deep inside you or those cute expressions you make in the mirror.. ah~

What if I...~ **(Hard thrust)** Ah~ nnn.. You like it rough, don't you? Guess I just gotta.. Ngh- Pick up the pace a little huh?

(He starts up a faster pace now, and his moans shift into more intense ones)

Oh.. fuck.. Sparks.. Oh fuck that.. That feels *really* fucking good..! Oh.. ah.. The way your insides are just- Ah..! Clenching around me so tight.. I'm.. I can't hold on if you keep- Ngh!

(almost in a fucked-out trance) Sparks.. Sparks.. **(more moaning and groaning, he's getting closer now)**

I'm- Oh god I can't.. Ahh.. Sparks.. Can I please come inside you? I wanna- Ah.. is it okay to cum inside? Wanna pump you full of it.. Wanna make you all mine..

Ohh god I'm- Ahh..! I'm coming..! I'm coming..- **(He rides out his orgasm with shuddering breaths, Gasping a little as he lets off a slight little zap.)**

Oh.. Crap..! ah- hah.. I'm so sorry sparks.. I totally just zapped you a little... I um, I kinda.. Lose a bit of control over my quirk when I get worked up... hah.. You okay?

.. Oh good, I'm so glad...

Mmmn.. **(gentle, content sigh)**... Woah. We totally just... hah. I'm.. Uh.. Thank you, Sparks.. Here, lemme just.. Slide out-

Nn..! Oh man.. So sensitive aren't you? I felt that little tremble.. Don't worry, Heh.. I am too.. Going at it totally raw felt so good.. You kinda.. Made my first time like really special.

Here.. Turn around and sit up on the counter. Lemme clean you up a little.

There you go! Hold on a sec.. There's gotta be like a cloth or something somewhere around here, I mean.. It's a bathroom! Who doesn't have face cloths.. Ah, there we go! Lemme just run it under some warm water first.~

(He runs it under some water, before gently moving back to the listener)

Alrighty. Open up those pretty legs for me baby.. Can't have you making a mess in your clothes when we head back out to the party. Mmmn...

(sucks in a soft, turned on breath) .. Not gonna lie.. Seeing all my come leak out of you like that.. That's *really* hot.

(Chuckle) Alright, alright! No worries, babe.. I got you. Mn.. Just relax. There we go.. Ah- Yeah, I know your body's all sensitive there right now but I gotta clean you up so just hold on..! Eh-huh?

(Teasing, low) Ohh.. You didn't come yet.. Did you..?~ **(Flirty chuckle)** Well~ That can be arranged. I can't go and be all selfish! Heh..~

(He leans in, his voice almost a low whisper) Waaanna maybe come on my tongue, Sparks?~

Oh I don't mind getting a little of myself in my mouth, it's not like I haven't tasted my own spunk before. **(Laugh)** It's *not* weird..! I think every guy's been curious about it, you know?! Ahhh- Don't go making fun of meee..

(Pouty) Hmph. I'll just have to make you stop teasing me in other ways.. Hah.. **(He moves down, and gives them a lick)** mmn.~ By making you feel too good to talk.~

(Muffled) mmh..~ Sho good... hah...-

(Licking, moaning for a while)

Oh sparks.. ~ You like this don't you? How does my mouth feel hm?~ Legs shaking so much aaah..~ **(leans back in, licking and sucking)**

(He keeps using his mouth on the listener for a while, soft breaths and gentle moans here and there)

Mmmmn... That's it baby.. That's it.. Hah.. **(Moves back in for a bit, eagerly licking, shaky breaths)** I can feel your thighs shaking.. Mn..~ Come on, come on my tongue Sparks hah..~

(leans in, licking and sucking eagerly, until eventually he moans when he feels them come)

Mm.. mmm..~ **(a bit more licks, before he swallows and sighs happily)** Ahh..~ Wow. You came pretty hard just from my mouth, didn't you.? Mn~ **(chuckle)**

There.. Got you back for last time.~ We're even now! Mn.. **(Gentle kiss)** .. Your lips are so soft. Hah..

Um... About all that stuff I said earlier in like.. The heat of the moment. I wasn't just saying it cause it felt right at the time.. Hah. I like you, and I'll be honest and open about it! I mean.. We kinda.. Hooked up in a closet at Mina's party and then.. A bathroom at Kirishima's..

So.. It should be obvious. I'm not really the type to just use someone for sex and stuff. I really do like you..

Mmn.. Heh.. Yeah..? Sparks.. I'm not gonna lie, you saying that makes me feel so.. Relieved..

Heh.. Wanna blow this party? We can head to my place to hang out a little more. We'll grab some super good greasy fast food on the way, kay?~

(Chuckle) Sounds good.~ Well.. After you, cutie..~
