Reality Pen ON VACATION! Part I

Jessica and Gabriel have been a couple for several years now. Jessica wants to go on vacation. So does Gabriel. But their target destinations do not really align. Jessica wants to see old temples and museums, learn about other cultures and taste foreign cuisines. Gabriel on the other hand just wants a relaxing week far off work. Laying around on the beach or at the pool in an all-inclusive hotel...

In the end, Jessica simply books two tickets to Rome. She wants to see the Colosseum and so much more! Being confronted with the already bought tickets Gabriel gives in. BUT WHAT IS THAT? Just before the vacation starts his purchase from the magic shop arrives. It's said to be a reality-altering pen. He bought it as a joke, but lost in thought he scribbles „*Tropical beach resort 5-Star, all-inclusive* “ onto the ticket's recipe... and is quite intrigued by the results.

But how will the couple's vacation go? Jessica hates lazing around the beach and keeps bitching around... can the reality pen help make this vacation an excellent trip for both of them?

Featuring:

Gabriel ... A guy with a reality pen!

Jessica ... Gabriel's energetic girlfriend for years.

I still can't believe that we are really here... that pen really works magic!

But with my GF nagging all day long... it's far from the vacation I've envisioned...

Oh, dear god! I'm soo bored!

I still can't believe I let you talk me into this.

I want an adventure! Meet interesting people!

Get to know the culture. Visit some historical monuments.

And now I'm trapped here in this tropical nowhere!

I wonder if it works on people...

Give me your hand for a sec, hon.

Why?

It's a game. I promise it will brighten your mood.

Tsk!
Highly doubt that!

Hand-writing?
Really?

Go with it.
You can wash
it off in the
sea anyway.

I can't believe
I'm so bored I let
you do this as a
distraction ...

Hey!
That like tickles!
Tihi. Like what
you write?

So, I was like thinking we could like go for a swim.

After getting some more sun in of course...

And then like Ice Cream sounds nice! I promise I won't make a mess this time!

Or would you like me to get dirty?

And then I think we should lay around some more.

Maybe find someone to play volleyball with? Would you like to play volleyball, honey?

Fuck! Those beach balls look good on her!

How about we just fuck instead?

Tihi!
You know me, I'd love that.

But not in public, hon. Look at all the people around!

We can do it in the evening back in our room as much as you want.

Hotel Beach

So... how about that fuck?

Hotel Beach
Gabriel's private beach

I can't believe you've got your own beach!

I love being at the beach. But having a private one?

How awesome is that?!

There is no one around but us for miles!

We can do anything around here!

Like me giving you a show. Tihi!

Vacation can be so nice and relaxing...
ZZZZ

A short while later Jessica returns from the sea. But what is that?! Gabriel's cum is not the only thing that has been cleaned off!

shrink

With the writing removed, reality (and therefore Jessica's body) slowly turns back to its original form...

shrink

The first thing to revert are her gigantic bazongas which shrink back down to their original B cups. As Jessica's breasts reach their original size and shape, her hair starts transforming back as well... so does her brain.

And with her mind and personality returning... so does Jessica's grumpiness!

Finally, with her hair colour transformig back last, Jessica is now ready keep on nagging about this horrible vaCation...

Gabriel!

Wahh...
What... whe...
huh?! You are
back...

I know you are
proud of your
own private
beach and all.

But I really
think you could
have invested
that money in so
many better
ways!

Heck, yes I'm
back. Swimming
is fucking
boring!

I want to experience stuff!
Adventures!

But all you ever do is laze around! *Urgh!*

Get to know other cultures!
See some ancient ruins! Go to a museum!

I can't understand how you can lie around all day! **1**

It's... not that bad! Can't you relax for once? **2**

No, I can't!
This nude beach idea was idiotic! **3**

I know it's a private beach, but I still feel uncomfortable!

Jessica keeps nagging til late in the evening. Even the delicious hotel dinner does not ease her mood and we join the couple again in the evening inside their room...

To be continued...

Thank you for reading!
