To Love Swap

Moments later
in Lala's room ...

I've always
wished Rito would
carry me to bed.

* Sigh * It is a pity
that the roles were
reversed and I carried
him to bed.

But I'm happy
it happened anyway,
hehe.

I wonder if Rito would mind if I slept with him today?

No. I think Rito would be angry as usual if he saw me next to him in the morning.

After all, this is my bed.

Maybe one day he will finally agree to sleep together.

That would be great !!!

But today it's better to go to sleep.

And I promised that I would catch up on his arrears so that he could be himself again.

I hope Rito will agree soon that we can finally sleep together.

After all, Rito was absent for over a month.

In the night...

I am
thirsty.

Moments later
in Rita's room ...

And back to
bed, Aaaaa

Strange, I
feel like I forgot
something.

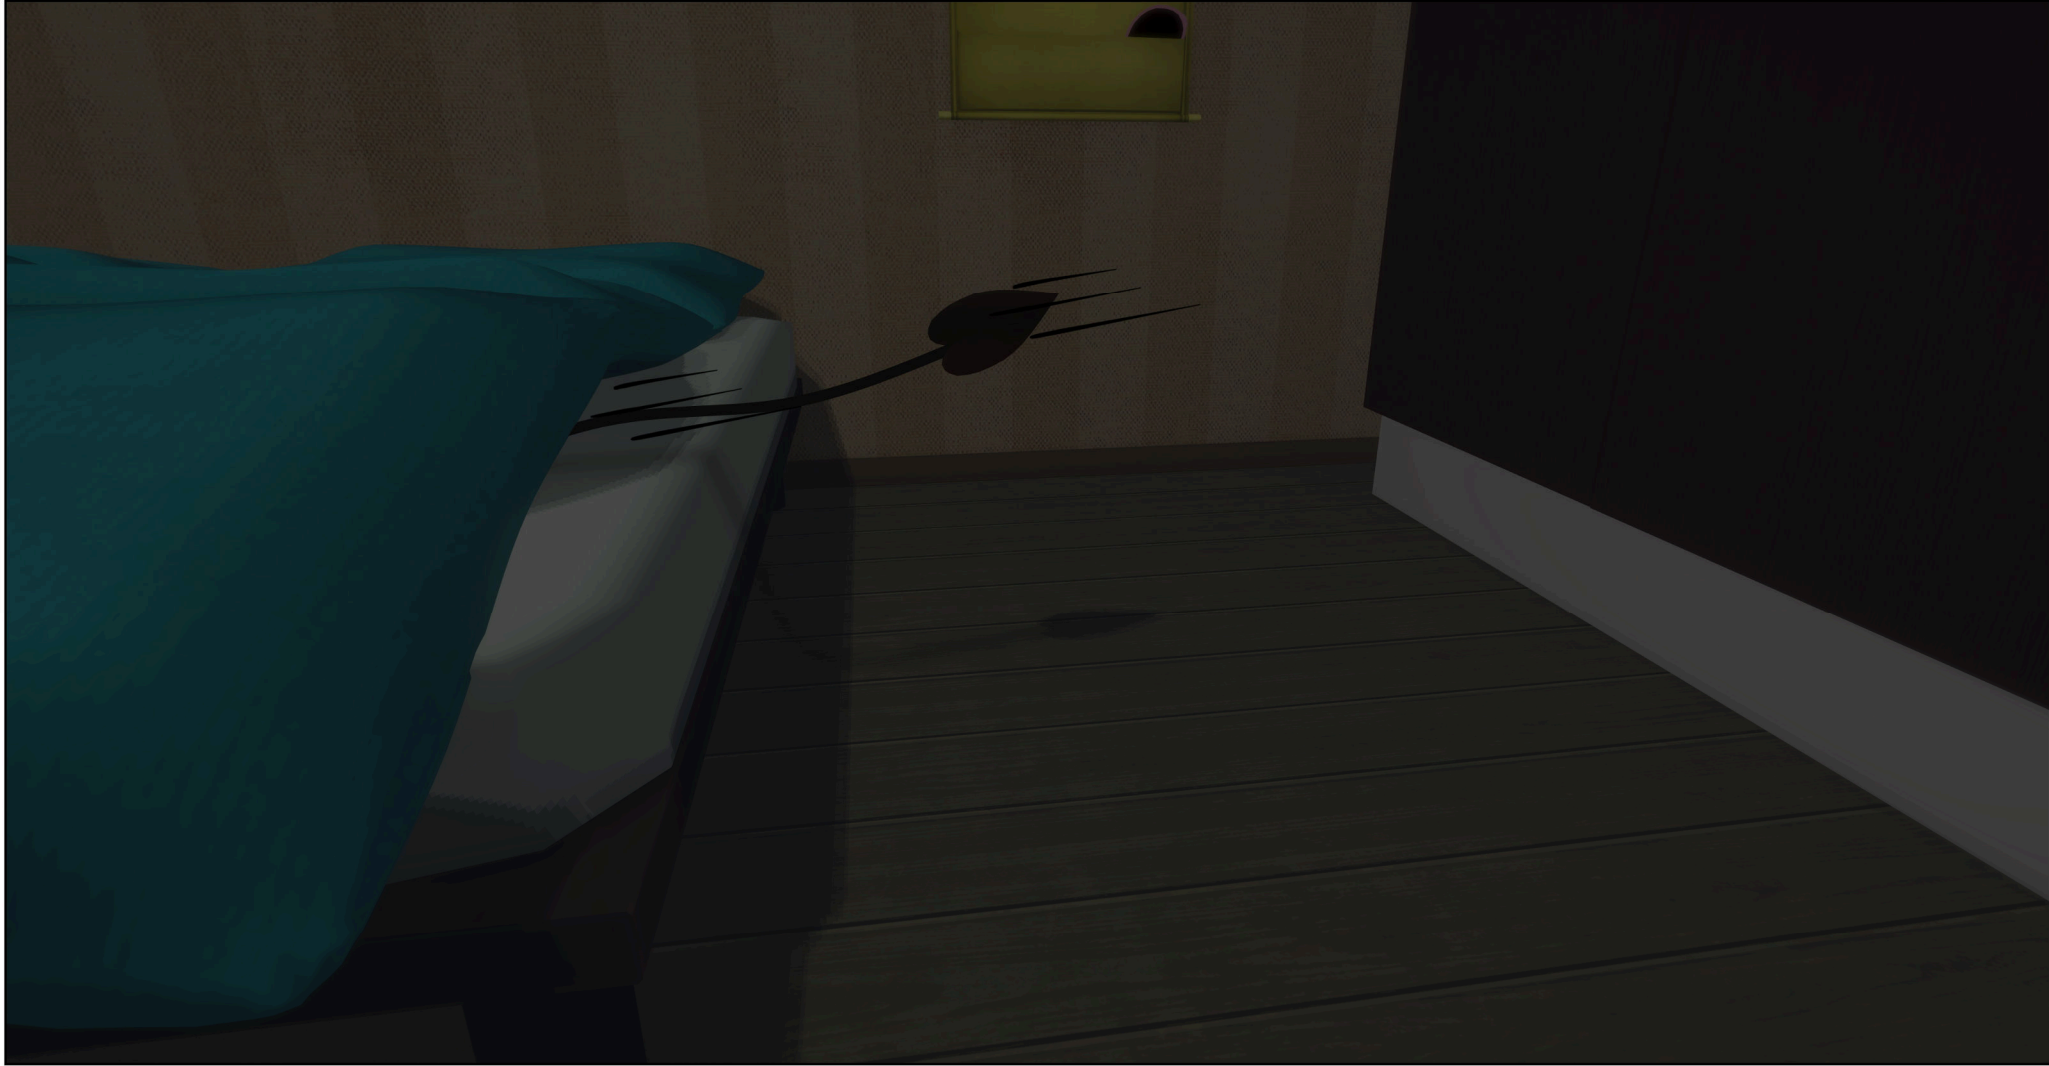

Maybe I
forgot to turn
off the water?

No, I
turned the
water off.

Ymm... Ymmm...

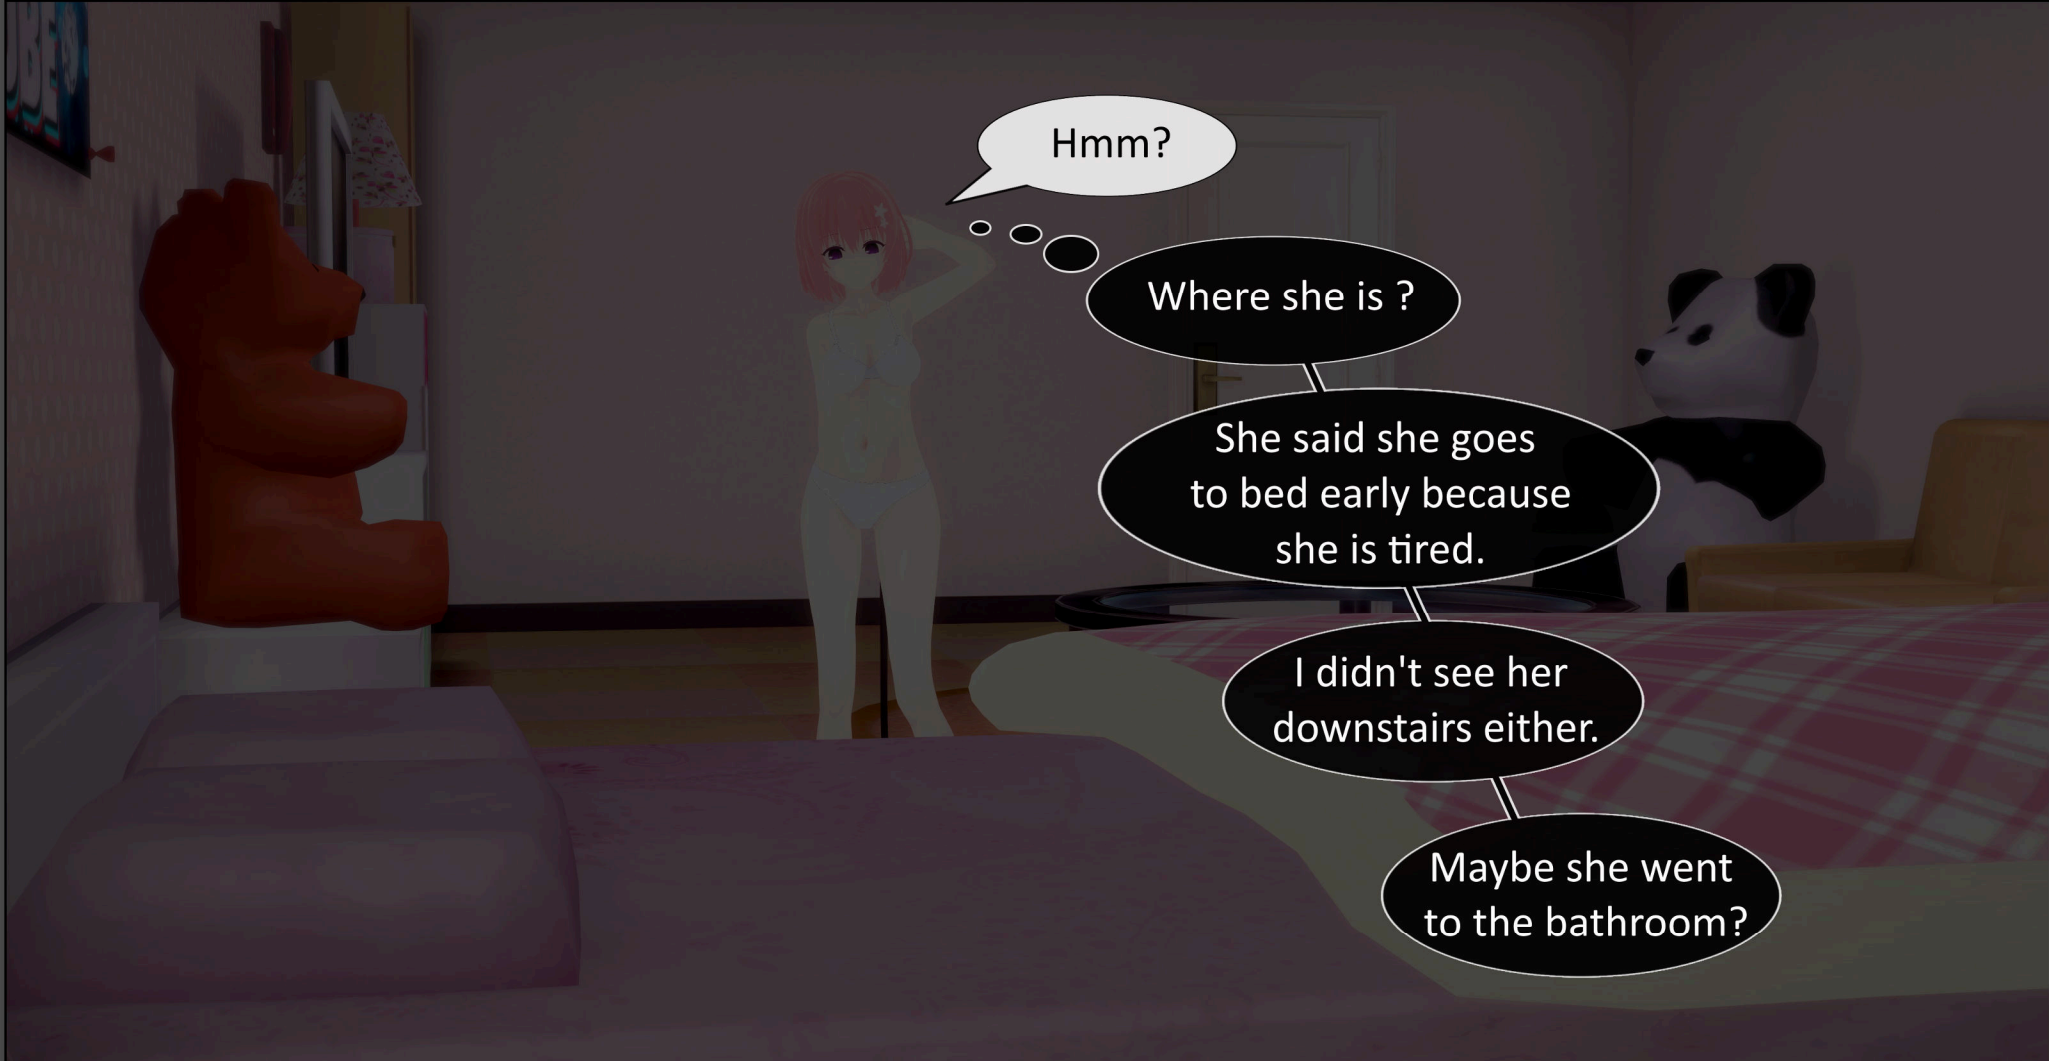

In the meantime,
in Lala's room ...

Today I will teach
you what it means to
be a woman.

I'll show you
pleasure you haven't
known yet.

And then you
will definitely accept
being a girl, Mi-chan.

Hmm?

Where she is ?

She said she goes to bed early because she is tired.

I didn't see her downstairs either.

Maybe she went to the bathroom?

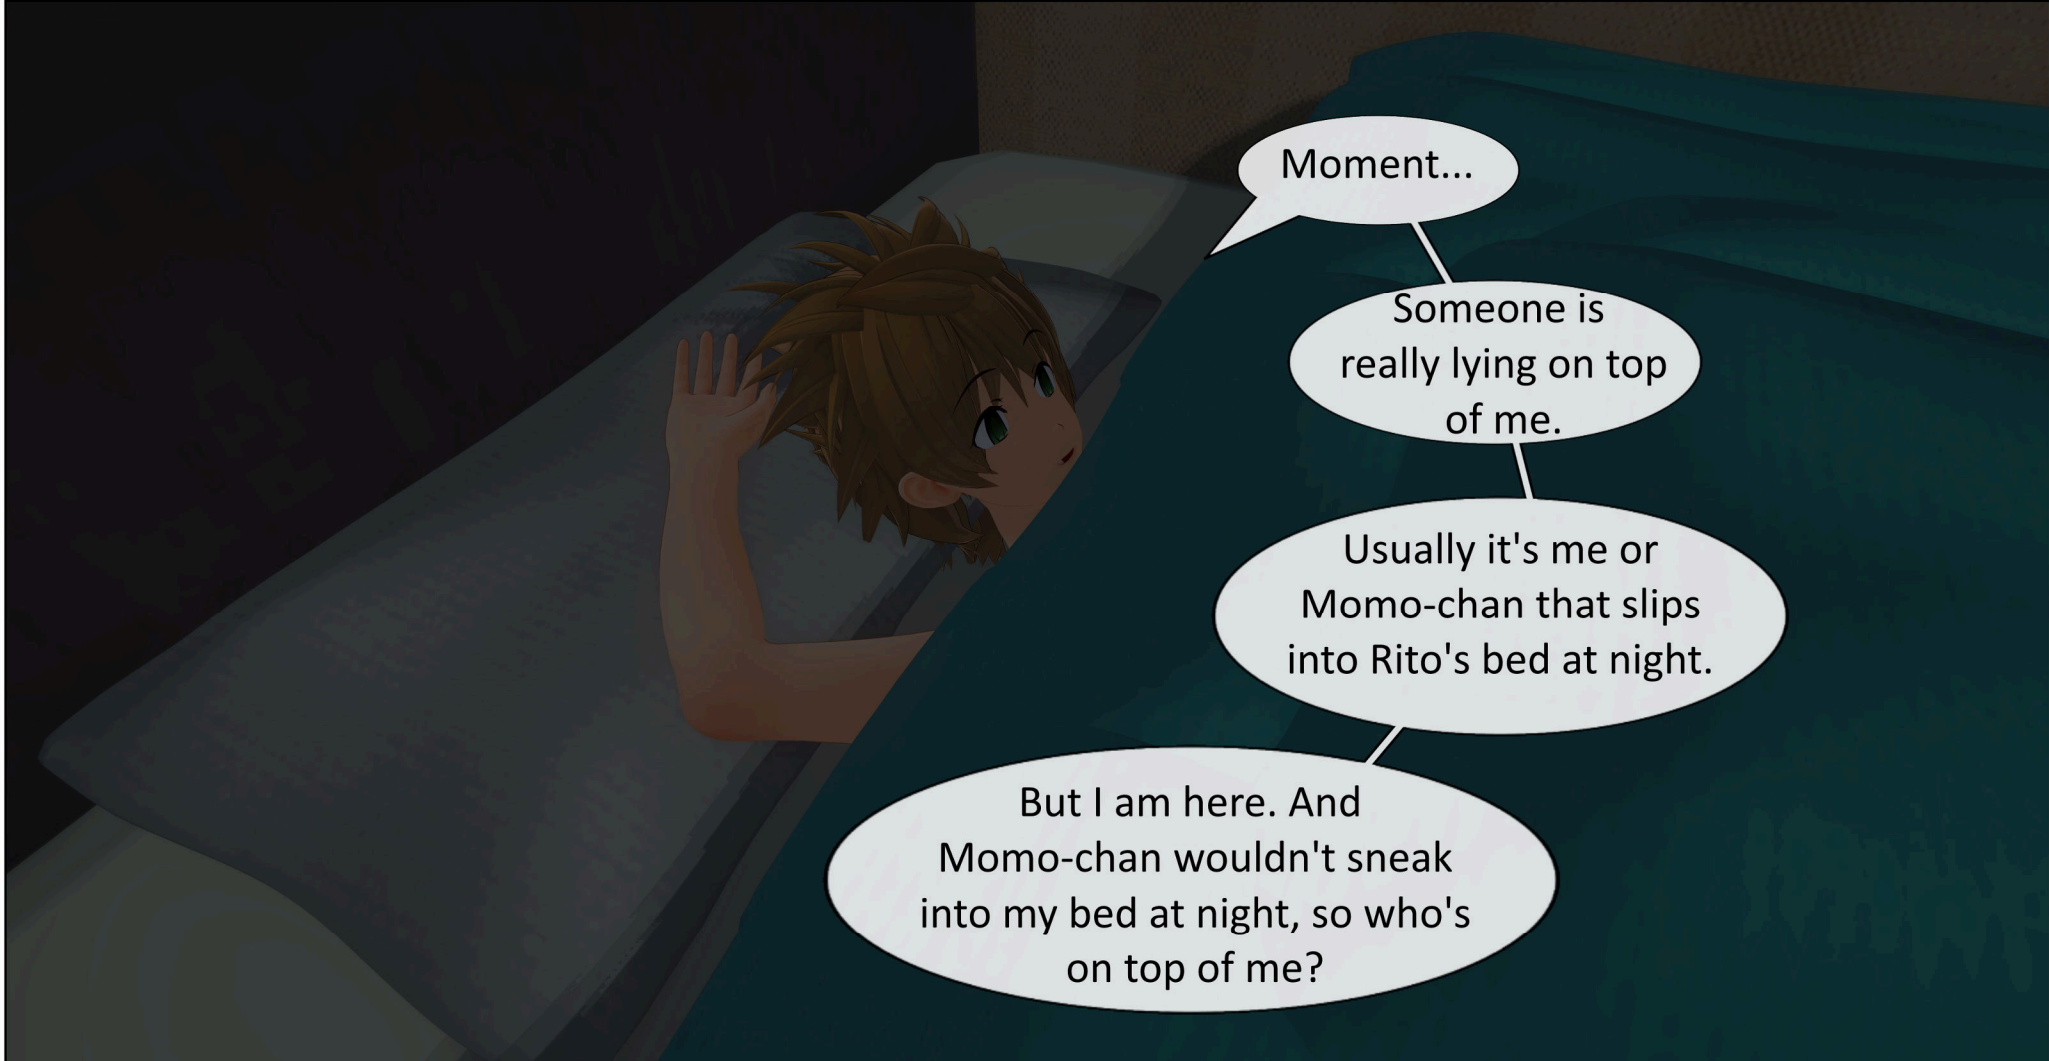

Meanwhile,
in Rito's room ...

I never thought
a man's body could
be so heavy.

Does Rito really
feel it every night he
tries to sleep?

Poor Rito, it's
almost like someone is
lying on top of him.

...?

Moment...

Someone is really lying on top of me.

Usually it's me or Momo-chan that slips into Rito's bed at night.

But I am here. And Momo-chan wouldn't sneak into my bed at night, so who's on top of me?

Mi-chan!

What are you doing here?

I see. But why are you sleeping here? You should sleep in your room I mean Lala's, I mean mine, eh! You know what I mean.

What? why?

I sleep. Aaaa

But I can't sleep there.

What?

Mi-chan, are you okay?

Because you're acting very strange.

Because you're not there.

Yes, why are you asking?

I act like always, you are so cold today, Rito ~

What? I am not Rito, but you Mi-chan I mean Rito!

You are not me, I am you, I ... um, that's such a complicated thing.

You don't understand, we changed places. And now I am a man and you are women.

What are you talking about, Rito? After all, I can't be you.

There's nothing complicated here, just you and me, he he.

Hmmm?

No, we
changed!

Why is
Rito acting like
this?

As if he
wasn't himself.

So this is how we
have fun today. Well,
we can switch today,
hehe.

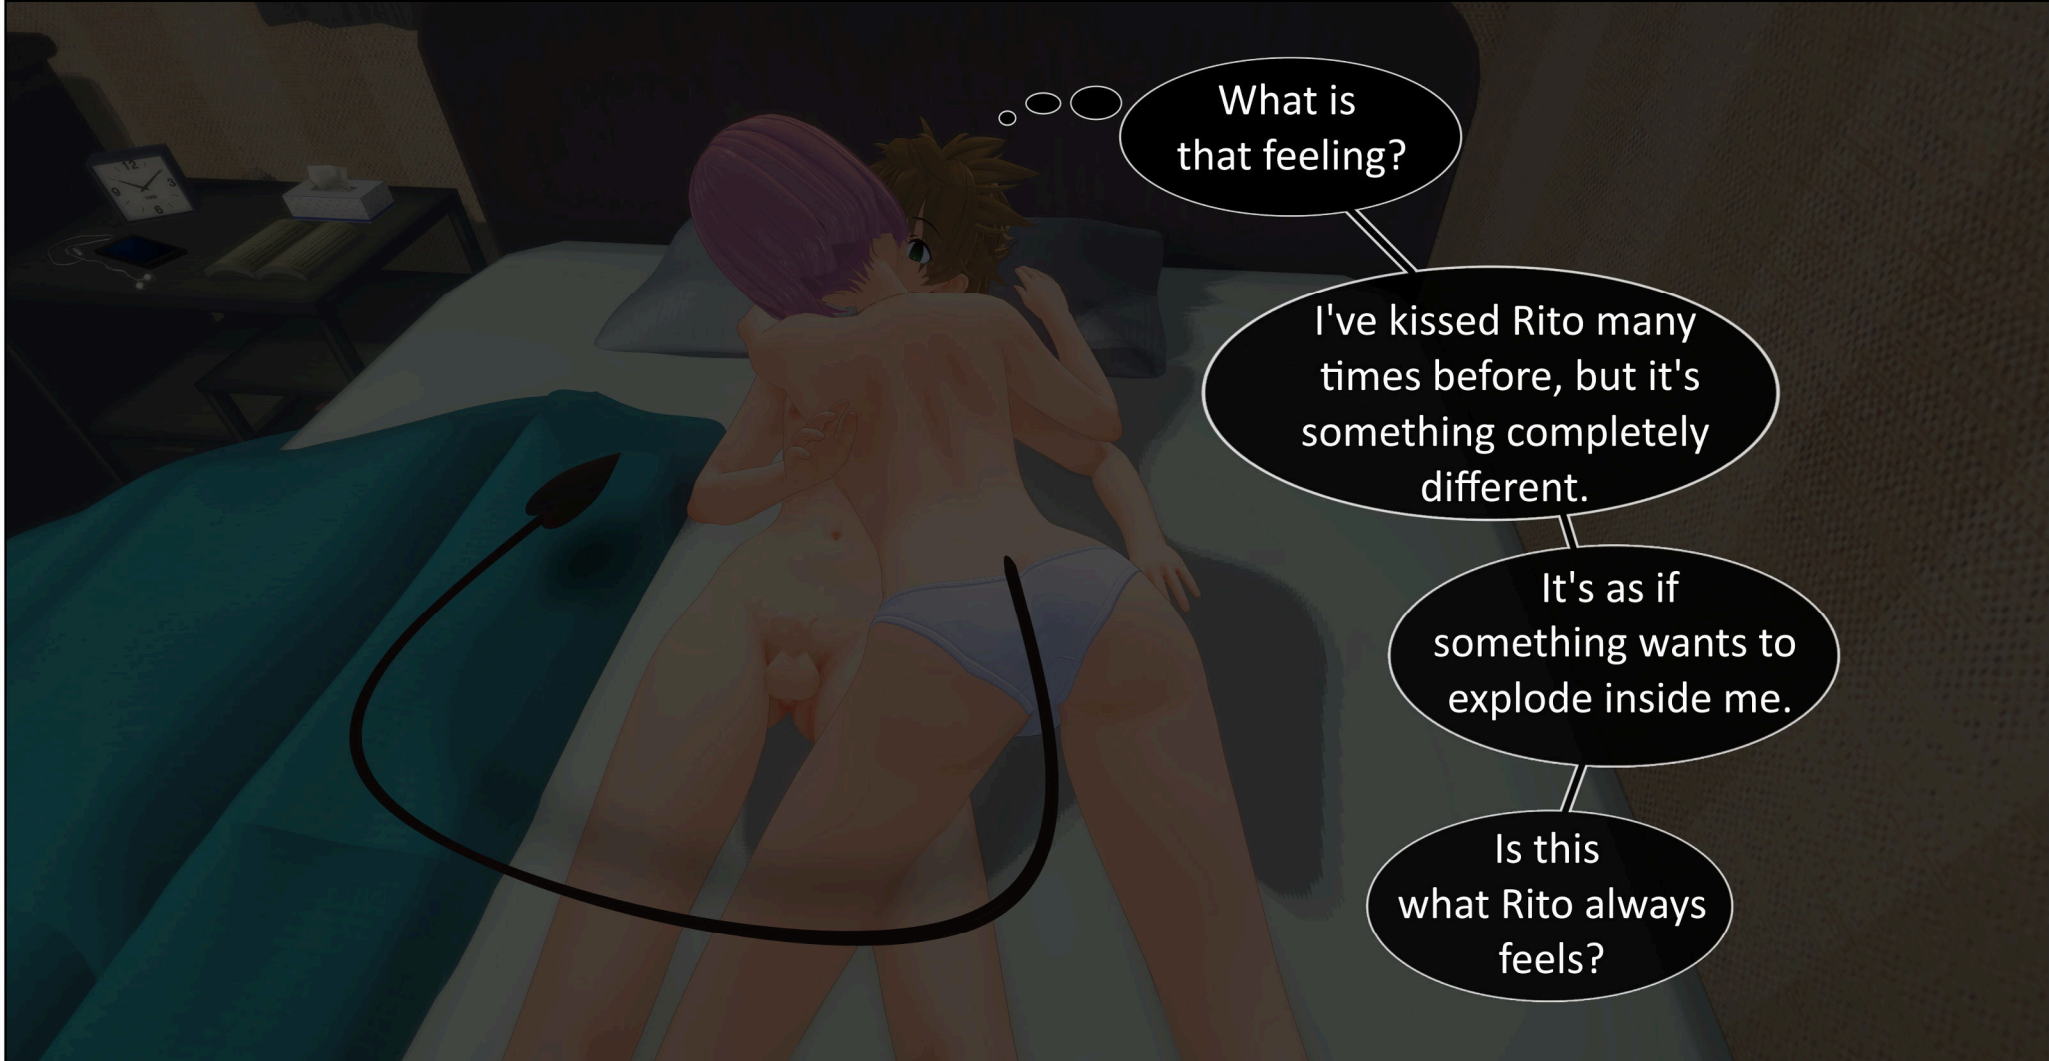

What,
what fun?

Enough of this
conversation, time
to have fun.

You will see ~

Hmmm!!!

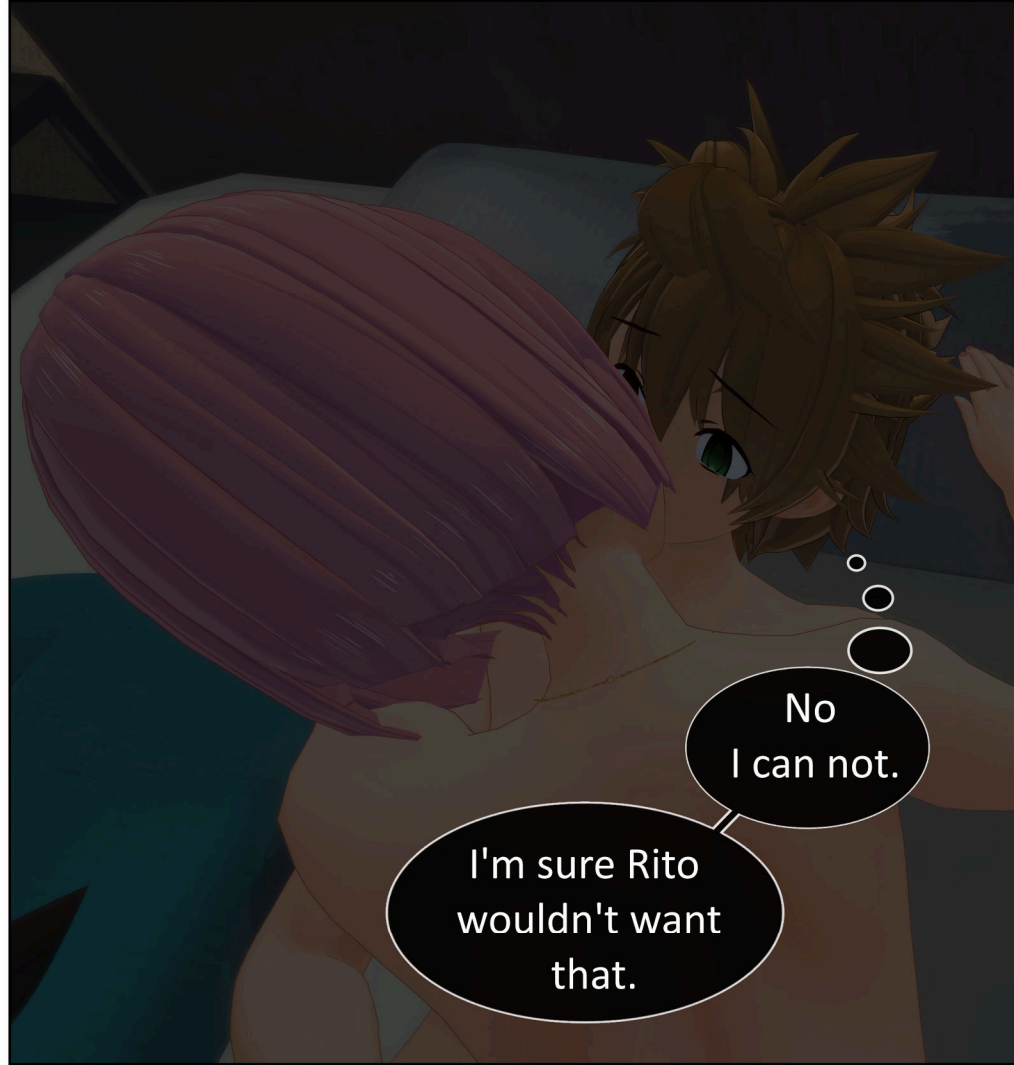

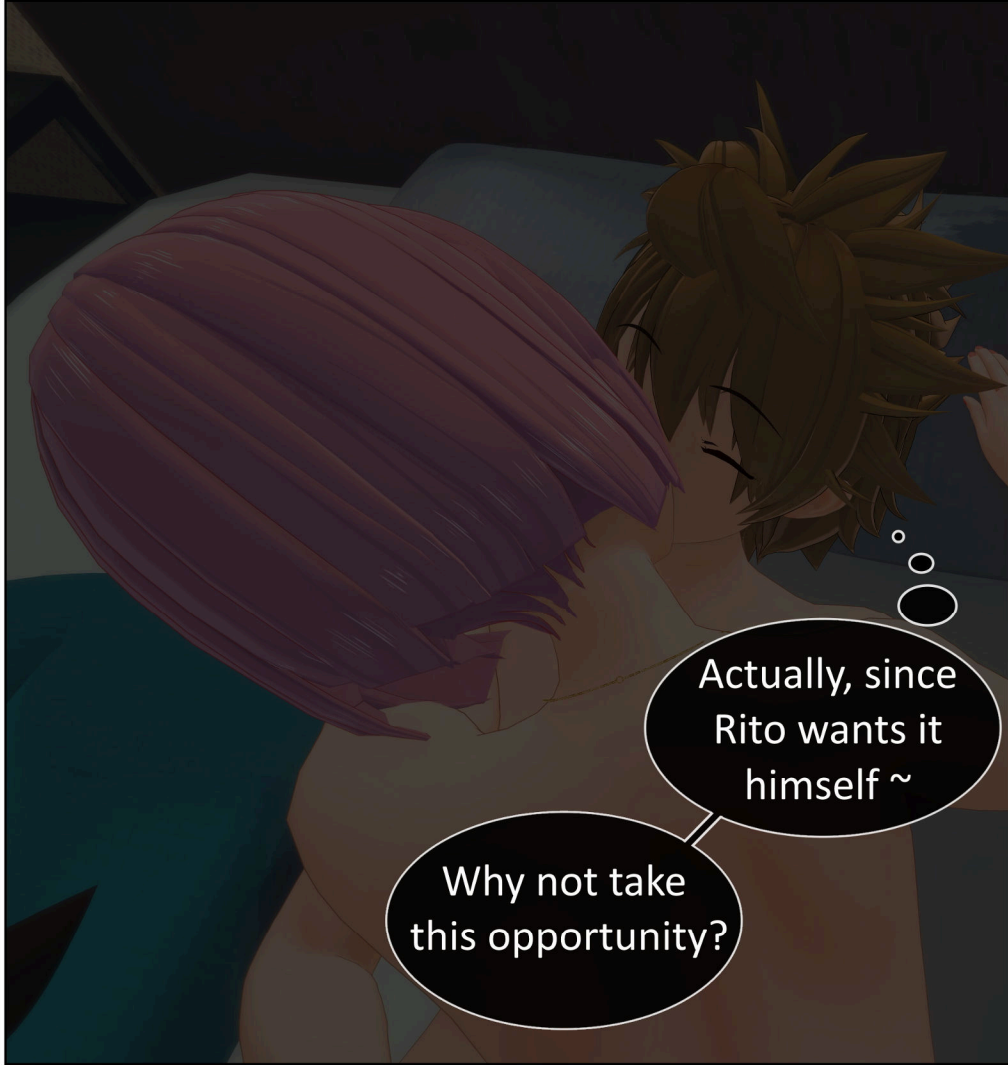

What is that feeling?

I've kissed Rito many times before, but it's something completely different.

It's as if something wants to explode inside me.

Is this what Rito always feels?

I'm sorry, Mi-chan, but I can't do that.

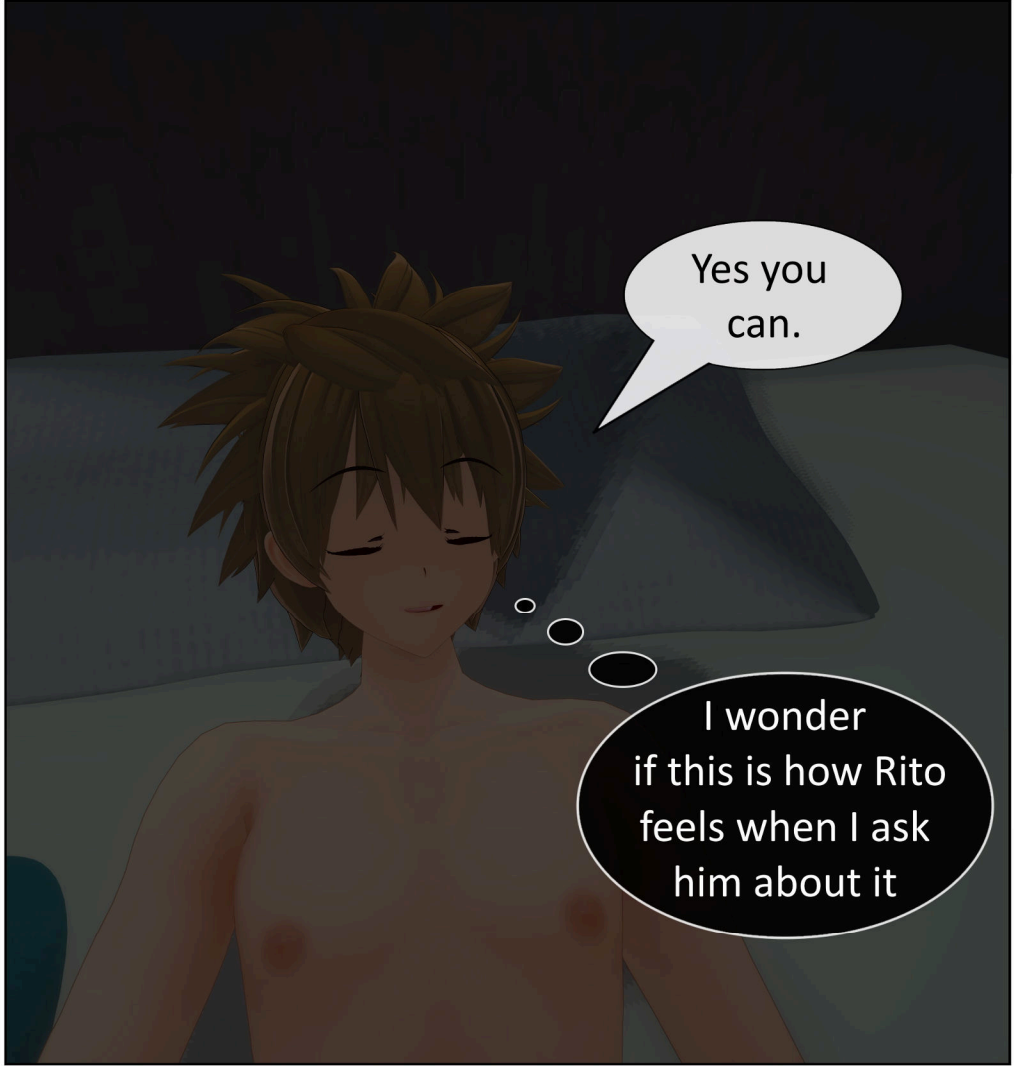

No, I still love you.

We just can't, sorry. But I'm not ready for it yet.

Why, don't you love me anymore?

So why can't we do that.

I understand ... Can I at least sleep with you tonight? I do not want to be alone.

Why did Rito suddenly start acting so weird?

Maybe Mikado-sensei will know.

But for now, I'm glad Rito is happy

Meanwhile, in
Lala's room ...

I can't stand
it anymore.

Where
is she?

Now I'm more
nervous than
excited.

And tomorrow, the
first thing I do is find
out where Mi-chan
was at night.

I've been waiting
so long that I have
completely lost the
desire to play.

Maybe if I think
about something nice, at
least I'll calm down.

The next day at
Mikado-sensei's ...

I really
don't know what
all the fuss is for.
I'm fine.

And after Rito let
me sleep with him,
I feel great.

He's my fiance,
everyone knows
that?

Okay, one more
question, who is Rito
to you?

I have no
doubts anymore.

Well that's it,
you can get dressed
now.

Unfortunately
no, you have a
severe flu.

Maybe,
but I can't let you go to
school like this.

Great,
I said I'm fine.

What?
But I feel
great.

So until I order the correct medication for your condition, you should stay home.

Of course, and one more thing, ask La ... Rito to come over for a while.

Do i really have to?

Okay.

A moment later...

Reversing cold?

There is no doubt. I have already ordered the medicine, but it can take up to two weeks for it to get here.

Until then, Mi-chan better not leave the house.

I see.

Maybe from me. After all, I suffered from it myself.

But from whom?

I just wonder who she got infected from.

Yeah, but that was a few months ago so it's impossible. She must have gotten infected from someone else.

I don't know, but I hope this person has already seen the doctor.

Meanwhile, in
Yuki-chan's room ...

Miss why
aren't you lying
in bed.

You
heard what the
doctor said.

That until the
"reverse flu" is over
you should lie in bed and
take medication.

But I really
feel good.

At least it's good that Mi-chan will come later.

What!!?
Why?

Please don't make my work difficult and go back to bed.

She will not come.

A moment ago her sister called and said that Mi-chan has "Reverse Flu".

She too?

I guess she got it from me.

Wait ... but that means ...

Yes.

Probably yes.

Imaginations
of Yuki-chan ...

I'm not
cute!

Huu!

But you
are cute ...

I hope to see
Rito before he is fully
recovered.

Sounds
like a dream
come true!

* Sigh * I would
give anything to
see it.

And if I was
already in my normal form
and he was still a little
girl, phew ...

I hope Mi-chan gets better soon.

Or at least before Miss Yuki recovers.

Because I'm afraid of what she might do to her.

Next day...

We've already talked about this.

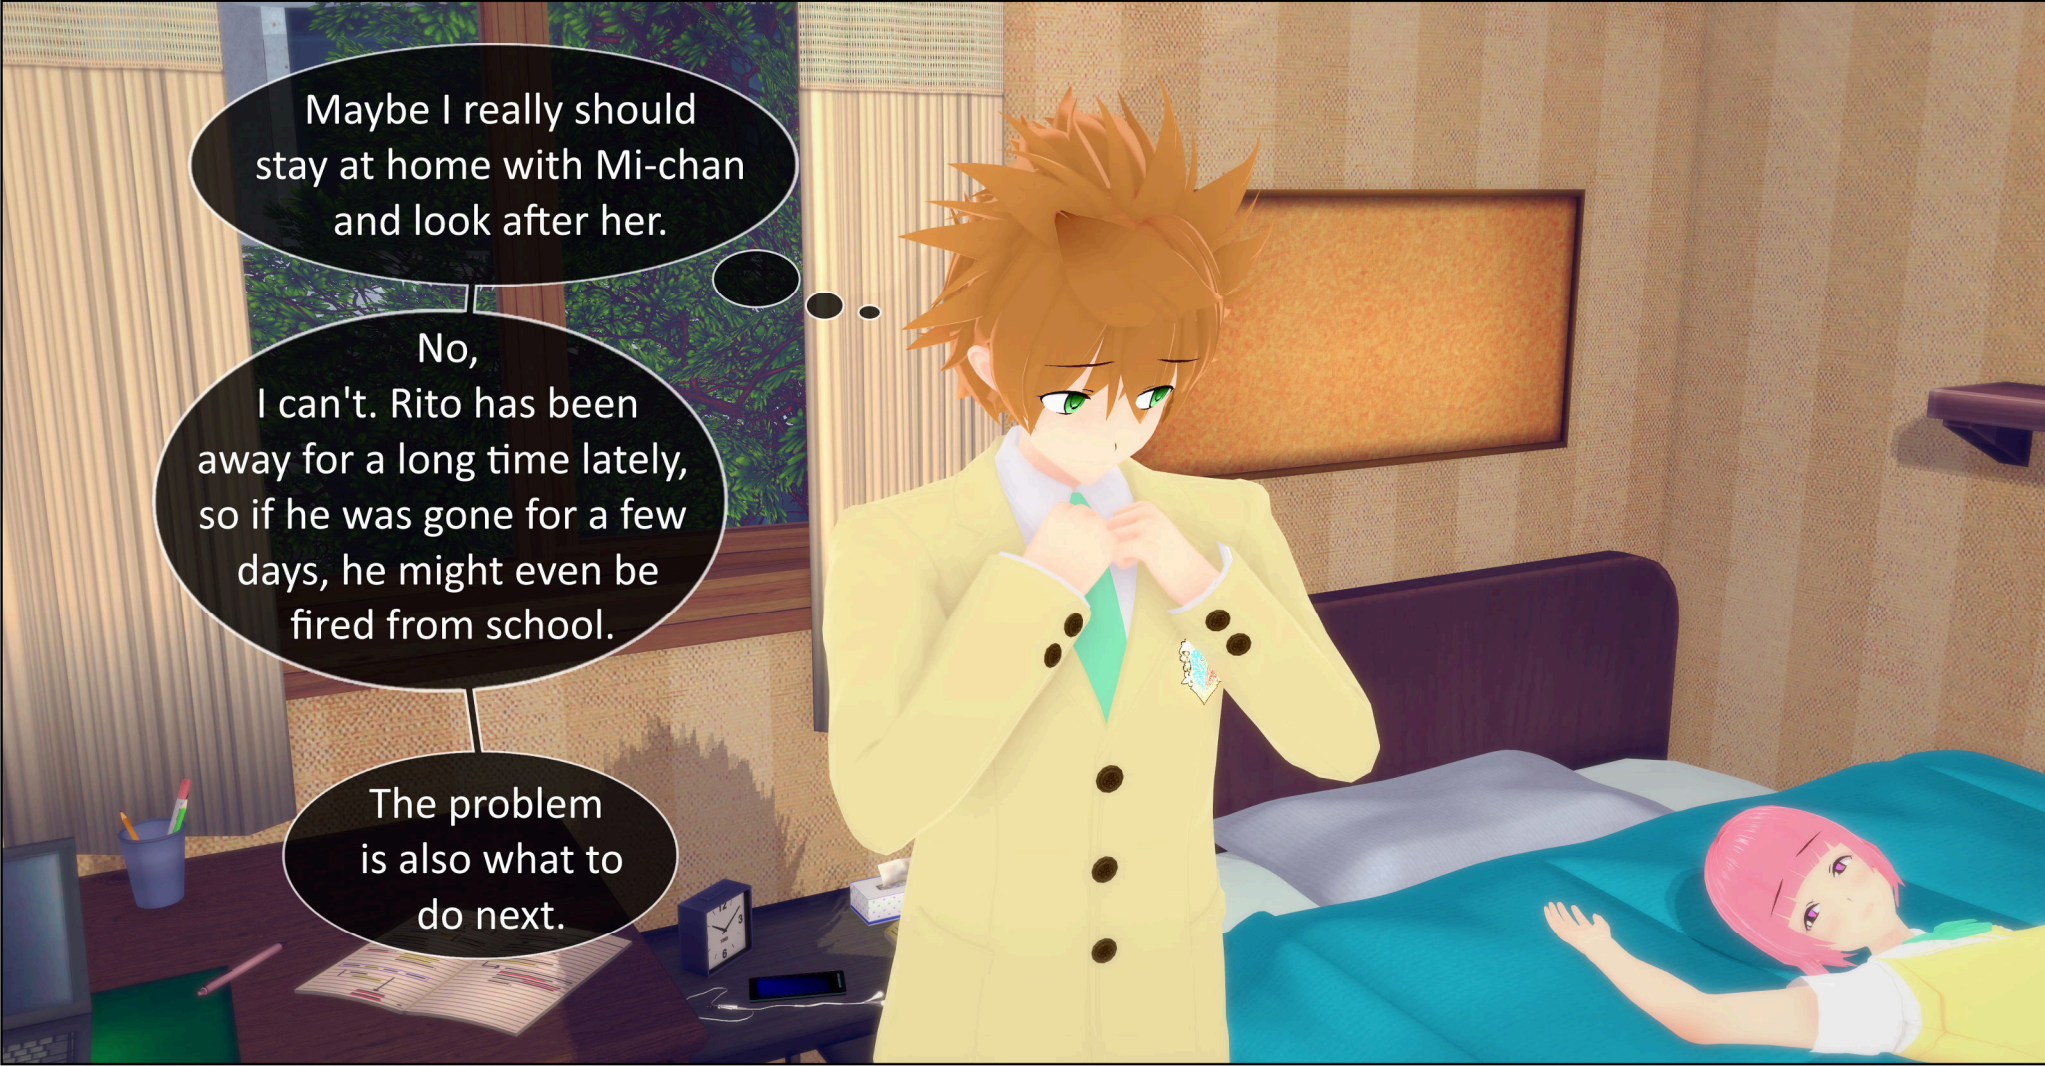

Remember what Mikado-sensei said that until you recover, you have to stay at home.

Do you really have to go to school, Rito?

Yes, but without you I'm bored and lonely.

I remember.

Maybe I really should stay at home with Mi-chan and look after her.

No, I can't. Rito has been away for a long time lately, so if he was gone for a few days, he might even be fired from school.

The problem is also what to do next.

After all, Mi-chan doesn't really exist.

At least Rito is back. *Sigh*

After all, I can pretend to be Rito but what should I do with Lala and Mi-chan?

Lala suddenly disappeared.

I have no idea how to fix it all.

One has disappeared and the other should not exist.

Later in school ...

Have you really caught up with all the arrears?

Relax, I'm sure you can handle him.

Almost, I only have one more math test left.

Thanks.

Something happened?

Mikado-sensei told her to stay at home until she recovered.

Oh Rito-kun, it's great that at least I found you.

Do you know where Mi-chan is because I can't find her anywhere?

So she's sick, I'm sorry, but she has to deliver her previous school papers by the end of the week.

Otherwise, she
will not be able to continue
attending school.

After all,
unless I'm wrong, Mi-chan is
Lala's cousin, so you probably
have contact with her.

Of course since
she is sick, I hope you can
provide these documents.

But that's not necessary because Mi-chan is coming home today.

So she would have to unsubscribe anyway.

Just not that.

But...

Anticipating the next question. Onee-san is coming back tomorrow.

She felt sick, so she took two days off to avoid catching a cold.

Heee?

No, she's better now.

I will tell her.

Unfortunately, we can't help it.

But it is nothing serious.

That's good, but if she feels unwell, let her see a doctor and stay at home for a few more days.

Okay, and as for Mi-chan, it's a pity that she had to leave so suddenly.

Moments later in
the warehouse ...

But what do
you mean?

Why did
you do that,
Momo?

Why did you
say I'm coming back
tomorrow and Mi-chan
is leaving today.

Now I have one
day to figure out how to
get myself and Rito back
to normal.

Don't worry, I've thought everything through carefully, you don't need to panic.

I'll take care of everything.

Interesting, I thought it was just my imagination, but Onee-san is slowly starting to act like Rito.

Interesting.

I just have a small request.

Whatever you see tomorrow, pretend it's perfectly normal.

And one more thing, it will take me a while to complete my plan, so Mi-chan and I will be late for school.

What?

I will try.

But you said Mi-chan was leaving today.

That's right.

And you don't have to, just trust me. And I promise everything will be fine.

So you keep on playing your part and I'll take care of the rest.

I don't understand anything anymore.

I will try.

Hmm ...
Okay.

Everything
is going smoothly.

I never thought
it would be so easy.

And tomorrow
I'll finally move
on to the final part
of my plan.

Next day...

Where she is?

And what a brilliant plan she was talking about.

I just hope it's nothing crazy.

Momo-chan
said I should
go to school and
wait for Lala.

What is she
planning to wear
a wig and pretend
to be me?

There is also a
question what to do
with Mi-chan, after
what Momo-chan said
yesterday Mi-chan
cannot go back to
school

Speak of
the devil.

What?

Hi
Lala-chan!

It's good that you
are here because Rito
started to die of longing
for you, hehe.

Two hours earlier
in Lala's room ...

Oddly, there is
not a single picture
of me in the whole
house.

But there
are pictures
of this girl
everywhere.

Who is she? For
some reason I think
I know her but
I don't know why.

What are you looking at, Onee-san?

You don't know who she is?

Now I'm sure, besides personality disorder, Mi-chan also has memory impairment.

The house is full of pictures with some girl, do you know who she is?

No, although she seems strangely familiar to me.

Exactly as
I suspected.

And
since my suspicions
turned out to be correct,
I can do everything
as planned.

Although
I will admit that his
illness made my
task easier.

Because originally I
was planning to gradually
convince him that
he is Lala.

But who could have
known something like this
would happen.

Whatever, the goal
hasn't changed.

Of course she seems familiar to you, because it's you, hehe.

But it's you whether you want it or not.

What!?

Yes, she looks like me, but she can't be me.

It is impossible!

Why,
because her hair is
longer than you and her
breasts are bigger?

On the other hand,
there are pictures of me,
Nana and that girl in the
house, but none of yours,
isn't that weird.

What would you do if you
found out that Rito liked
girls with small breasts and
short hair and you had long
hair and big breasts?

You're right it's
weird. And I could have my
hair cut, but what about the
breasts. Her breasts are
much bigger than mine,
aren't they?

I would try to
change my appearance
to please him.

Not. I can't believe it's true.

I don't know, maybe she went somewhere?

If that's not true, where is she now?

This is a story we told everyone so they wouldn't worry about you.

But she didn't go anywhere, she was here all the time and if you want, I'll prove it to you.

Yes, but I'm telling you, Momo-chan, I'm not Lala. I may look a bit like her but I'm not even a girl?

I can not say.

One person is missing and one showed up, doesn't that seem weird?

What!! Why are you suddenly saying you're not a girl?

A ... You've probably thought of your memento of the last experiment, I guess?

Really?

Could I ask you for something then?

It's a bit stupid to say it ...

Yes.

Sure, what's going to be?

A moment later...

It's really no problem.

Okay, I'm starting right now, ready?

Great.
3. 2. 1.

I'm sorry to ask you to do something so strange, but I just can't do it myself.

No.

Wow, I can see that Yuki-chan's necklace has already done most of the work.

Magic is a really interesting thing hm...

Maybe that's why Rito so easily believed she was Lala?

Finally, I told Yuki-chan
that the pills will only
work for a while.

And that they
will have to be replaced
with something else so
that he does not
know.

I wonder
how long Rito thought
it was all just the fault
of these pills, hehe.

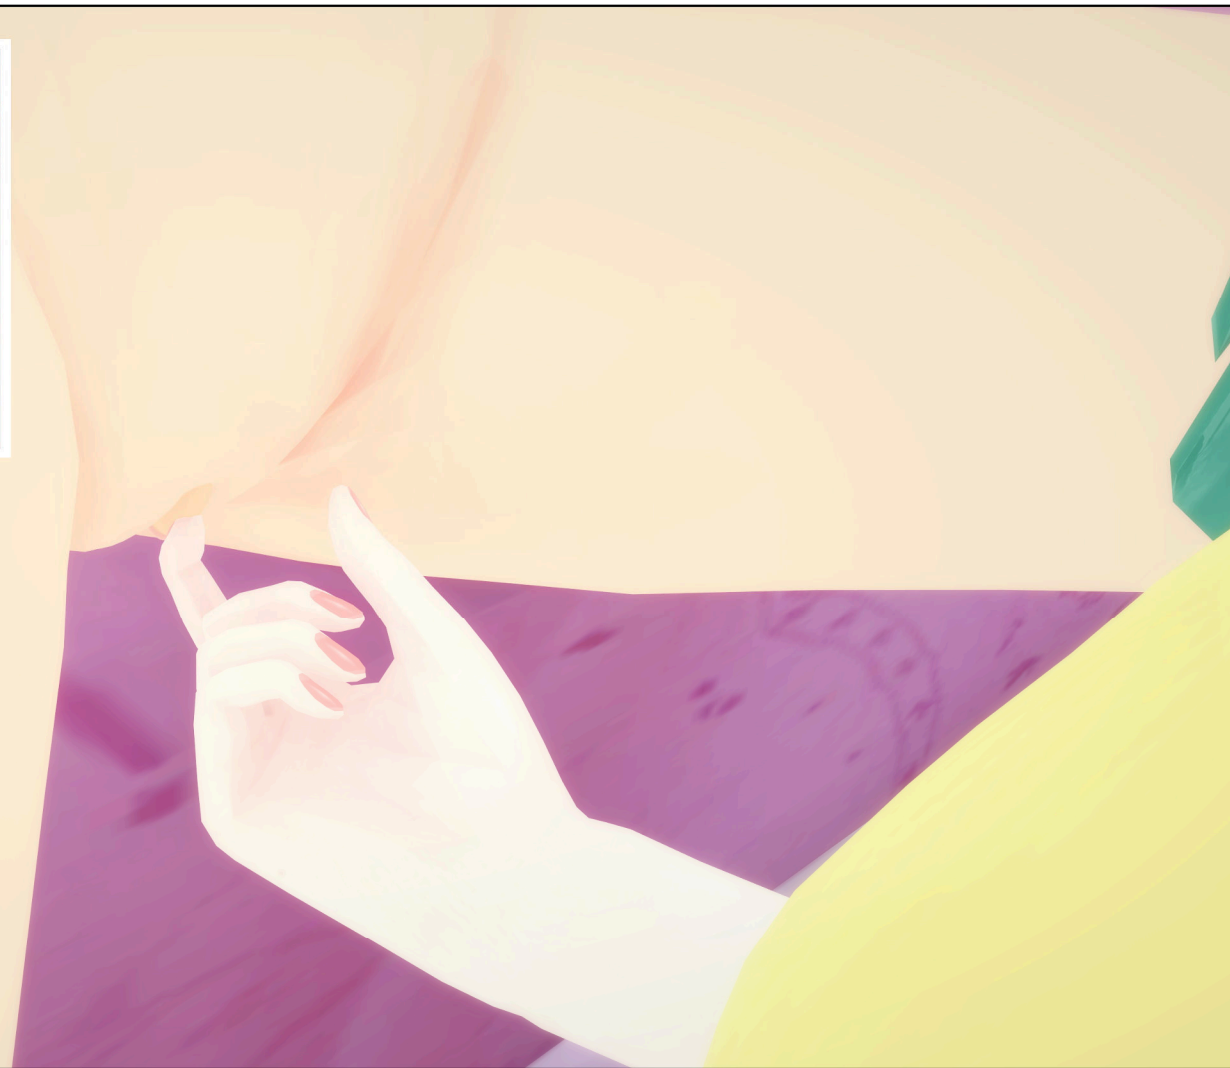

Okay, now
go to work.

But I have to help him
disappear completely.

It looks like Rito's
Penis is almost completely
gone and a beautiful thing
has appeared in its
place, hehe.

After all, Onee-san is
going to be a queen
someday and that will
only get in the way.

I can see Oone-san's new femininity works great.

Even a little too good for my taste.

But it's probably only temporary before he gets used to the new feeling.

I think I'll take the opportunity to show Onee-san how great it can be to be women.

And since she feels everything stronger now, I'll send her straight to heaven, hehe.

To be continued...
