Some time not too long ago in a fictional dimension of „Office Party“ ...

Office Party Special

The Dictaphone Part III

In part I Julie has found a dictaphone that can change reality. Not realizing this at first Julie changed some stuff around the office and then left the dictaphone at her desk where Sayo... well... took it. During her experimentations in part two, Sayo turned Julie into a robot-like coffee maker while also managing to lose the dictaphone to Isabel who made herself the boss of the office.

Various Characters have already been changed in physical as well as mental ways and more is yet to come... In part three we will revisit previous transformations and how they impact the office. We'll get a glimpse at how Isabel handles her new role as a boss. But the mainly we will follow around Stacey who is age regressed down to a naive 18-year-old intern.

... and then they signed the contract, as is! No negotiations at all! And it's really to our advantage... a lot!

I don't know what you did tell them, but somehow, you've charmed them.

Great work boss!

Being the boss of a successful company is actually quite easy when you have a reality-altering omnipotent device in your hands. *chuckle*

Is there anything else?

No, Mam. That's all.

Alright. Please be a dear and find Stacey for me. Tell her I want to see her in half an hour.

Okay.

Oh, and please send your husband in on your way out. I really need a hard fuck right now.

Sure, thing boss. You deserve it!

Holy... Her tits put even my rack to shame...

But right now... I'm more in the mood for cock...

How can such a tiny girl have such a big rack.

Anyway. It's time to deal with Stacey. I might be the boss around now... but she's still acting all high and mighty.

Stacey is a naive girl who just graduated high-school and started here as an intern a month ago.

Same time in the file cabinet.

Urgh. I hate searching for files. This is so below my paygrade!

Oh darn.
Where could
that stupid
file be?

The file
cabinet is so
confusing!

All these
boxes...

If I don't
find that
file... will I
be fired?

Hey Stace.
Still trouble finding
the right file?
Well, it can be a
bitch sometimes.

Yes... I'm still getting confused with all the boxes in here...

Don't look at her breasts. That's rude!

Is there something I can do for you, Lucine?

Ha-Ha. It's not that hard. You'll get used to it with time.

Not really. I'm just here to tell you that Isabel wants to see you...

Okay! Thanks for telling me! I'll head there immediately. Bye!

Better hurry. Isabel can be very grumpy when you are late.

Hey... Hey! It's not that urgent...she... said in half an... hour... There she's gone. Well, whatever!

Alright Stacey!
You can do this!
There is nothing
strange with you
entering your
boss's office!

She's
expecting
you after all!

Should I knock? Or
just enter? I mean...
she called for me...
so I guess she's
expecting me to
walk right in?

God! I'm so
nervous! I hope
I did nothing
wrong!

Hey Boss.
You wanted to
see me?

OH MY GOD!
I'M SO SORRY!

I didn't mean
to... disturb
you.

Okay... erm... I'll
just come back
when you are...

Ahhh Stacey!
A bit early, but
that's fine.
Come closer!

Come.
Don't be
shy, girl.

Everyone at the office is
super nice. Some of the
stuff here might still be
confusing for me, but I'm
a quick study and I'm sure
I can do more qualified
work soon.

Mhh... Ahh.
That's... That's
good to hear...
Okay, give me a
second!

We can discuss
business while
James satisfies
me.

How was your
work so far? Do
you like your job
here?

Oh yes
mam!

GULP
Is she... is she
having an
orgasm?!

Ahhhhh!
Yes! Keep
going James!
Pound me
hard!

MOAN

AHHHHH
HHHHH!

Hehe. Yup.
Are you a
virgin?

Ha-ha. Brilliant.
Then watch
closely now.
James, you may
pull out now
and cum.

gulp
Was... was
that an
orgasm?

Mhm...

Should I look at her?

She's still naked! Office etiquette is so confusing!

So, as we were talking. I'm glad you are starting to find your place around here.

Actually, I just wanted to see how my change influenced her...

And I have to admit. I'm very pleased. Ha-ha-ha!

And I'm looking forward to continue working with you.

Thank you, mam!

Now I'm quite buisy today. Got a meeting at 11:15. Please bring me a coffee before it starts. You know... the good stuff.

Yes, mam. Will do!

I'll go now.

Good bye, boss.

A bit later at
Jame's office.

She says she understands...
But I know
whatever I tell her
she will be pissed.

Common! Tell
me! How was it?
Is she better
than me?

Lucine, calm
down. It's just a
job! I'm still
your husband.

I know that it is
part of your
duty. But I still
want to know!

Awkward.
Lucine is always so
jealous. But it's just
normal Isabel uses us
men for her pleasure.
I mean... it's even in
the contract!

Okay. Erm. I
give you two a
moment. I'm
out a here!

So?!

So?... No, she was not "better" than you. It's just different. Like eating chocolate ice or vanilla.

Also, there was no love involved. I love you honey.

But you did cum, did you not?

It's part of the task!

But you did enjoy it, did you not?

...

In the meantime Marco has found his way to the file cabinet to escape the couple's quarrel.

Hey there, love. Miss me?

Julie-Bot, activate.

Unit - exiting - hibernation - mode...
...
beep

Unit - active - now. How - can - Julie - Bot - be - of - assistance?

Oh, you know the drill my love.

Please try and pick up that box over there...

Good morning!

Poor girl!
I don't understand why Isabel has her sitting here at the reception desk.

She may just be an intern, but she could sit with Lucine or me. Either office has one desc vacant!

Oh hi!
Good morning,
Sayo!

She's always so nice! But I still can't get used to her being naked!

I know it's all legally correct and stuff... but I never know where to look when I talk to her!

How did a girl with her frame grew such big breasts!

If she was wearing any clothes, I'd guess they were fake! But it's obvious the are real. They jiggle a lot when she walks!

BING BING BING

OH!
It's almost time for Isabel's coffee!

...

God!
Why can't they
use a normal
coffee maker?!
It's so creepy!

Okay! Get
yourself together
Stacey! It's just a
machine!

OH! MY!
GOD!

A 3D rendered scene set in a warehouse or storage room. The room features wooden shelving units filled with numerous white cardboard boxes. In the center, a male character with short brown hair, wearing a black sleeveless top and shorts, stands with his hands raised in a gesture of surprise or protest. To his right, a female character with long blonde hair, wearing a dark green long-sleeved top and high heels, is bent over, reaching for a white box on the floor. The floor is made of light-colored wood. On the left side of the image, there are four white speech bubbles containing text.

Stace!

This is not
what it looks
like!

Well...
maybe... I
mean... Could
you give us
another...
five?

Pretty please,
Stace!

But, she's my girlfriend! **2**

Also, Isabel said you should not use the bot... like... like THAT!

Sorry. No can do! I need to get a coffee for Isabel. **1**

What is wrong today! Why is everybody having sex in front of me!

No use in telling me. Clear that with Isabel! **3**

Now can I use the coffee maker, or do I need to get Isabel? **4**

I'm going.
I'm going.

Please
don't tell
Isabel!

Thanks,
Stace!

I won't.

He really
loves her...

God damn
it! I mean
IT!

Julie-Bot, stand
at attention,
please.

Stacey has made her way to Isabel's office. But after previous events, she is more cautious this time...

Alright... Nah!
Let's make sure
and take a peek
before entering,
this time!

All clear!
Hm... what's
Isabel doing? Is
she talking to
herself?

What's
that in her
hand?

When I ask someone a question he or she has to answer truthfully.

Whenever I say somebody's name followed by **KAPOW**, that person will have an orgasm. Up to one hour afterwards that person will be infatuated with me.

Ha-ha. Negotiations where the other side can't lie? **Piece of cake!**

I wonder if I can give myself superpowers?

Stacey! 2

press

I have a delicious cup of coffee in my right hand. 5

Where is that stupid girl? I'm waiting for my coffee! 4

Wait a second... I can just...

Oh shit! Did she notice me?! 3

She's talking nonsense. I should probably not intrude. She'd be embarrassed! 1

Oh! My! God! No way! Did... Did she really just warp in a coffee mug!? 6

Just by saying it? Is it that thing she's speaking into?!

YES! I love this thing!

Though I should not take it with me to the meeting... I might lose it!

press

No human except me can use this dictaphone.

With this it should be fine. Let's nail those negotiations!

Nah!
I'm probably
just antsy
about the
meeting.

Somehow, I've got
a bad feeling... like
being watched...

huff
huff

Please don't
notice me.

This is ridiculous!
Whenever I try to hit the delete button, my fingers freeze!

I can press the record button, but as soon as I try to speak into it, my voice won't work anymore!

This way Isabel will just get mad at me for taking her stuff!

Oh god. She might even use that thing to change me!

Shall I destroy it?!

beep

Julie - Bot - Fully - Charged.

The End.
