Backstory

Subject: Hiro

Crime: Sexual Harassment, Assault, Bribery... 24+

Information

Last week Hiro assaulted the daughter of the Rika Congolmorate. Usually his father would bribe the authorities. However, his fathers company had recently been bought out by the Rika Congolmorate. The head of the Rika Congolmorate demanded retribution or face financial ruin. The father agreed to their deal and has gifted Hiro to the Rika Congolmorate's daughter.

Punishment

The daughter requested a karmic retribution be performed. A list was formulated and presented showing Hiro's worst crimes. He enjoyed tormenting his classmates and forcing them to wear girl clothes as well as forcing them to take estrogen tablets.

Judgement: Feminization.

A leading plastic surgeon has been hired to perform the retribution...

***Somewhere
special my
little Hiro~***

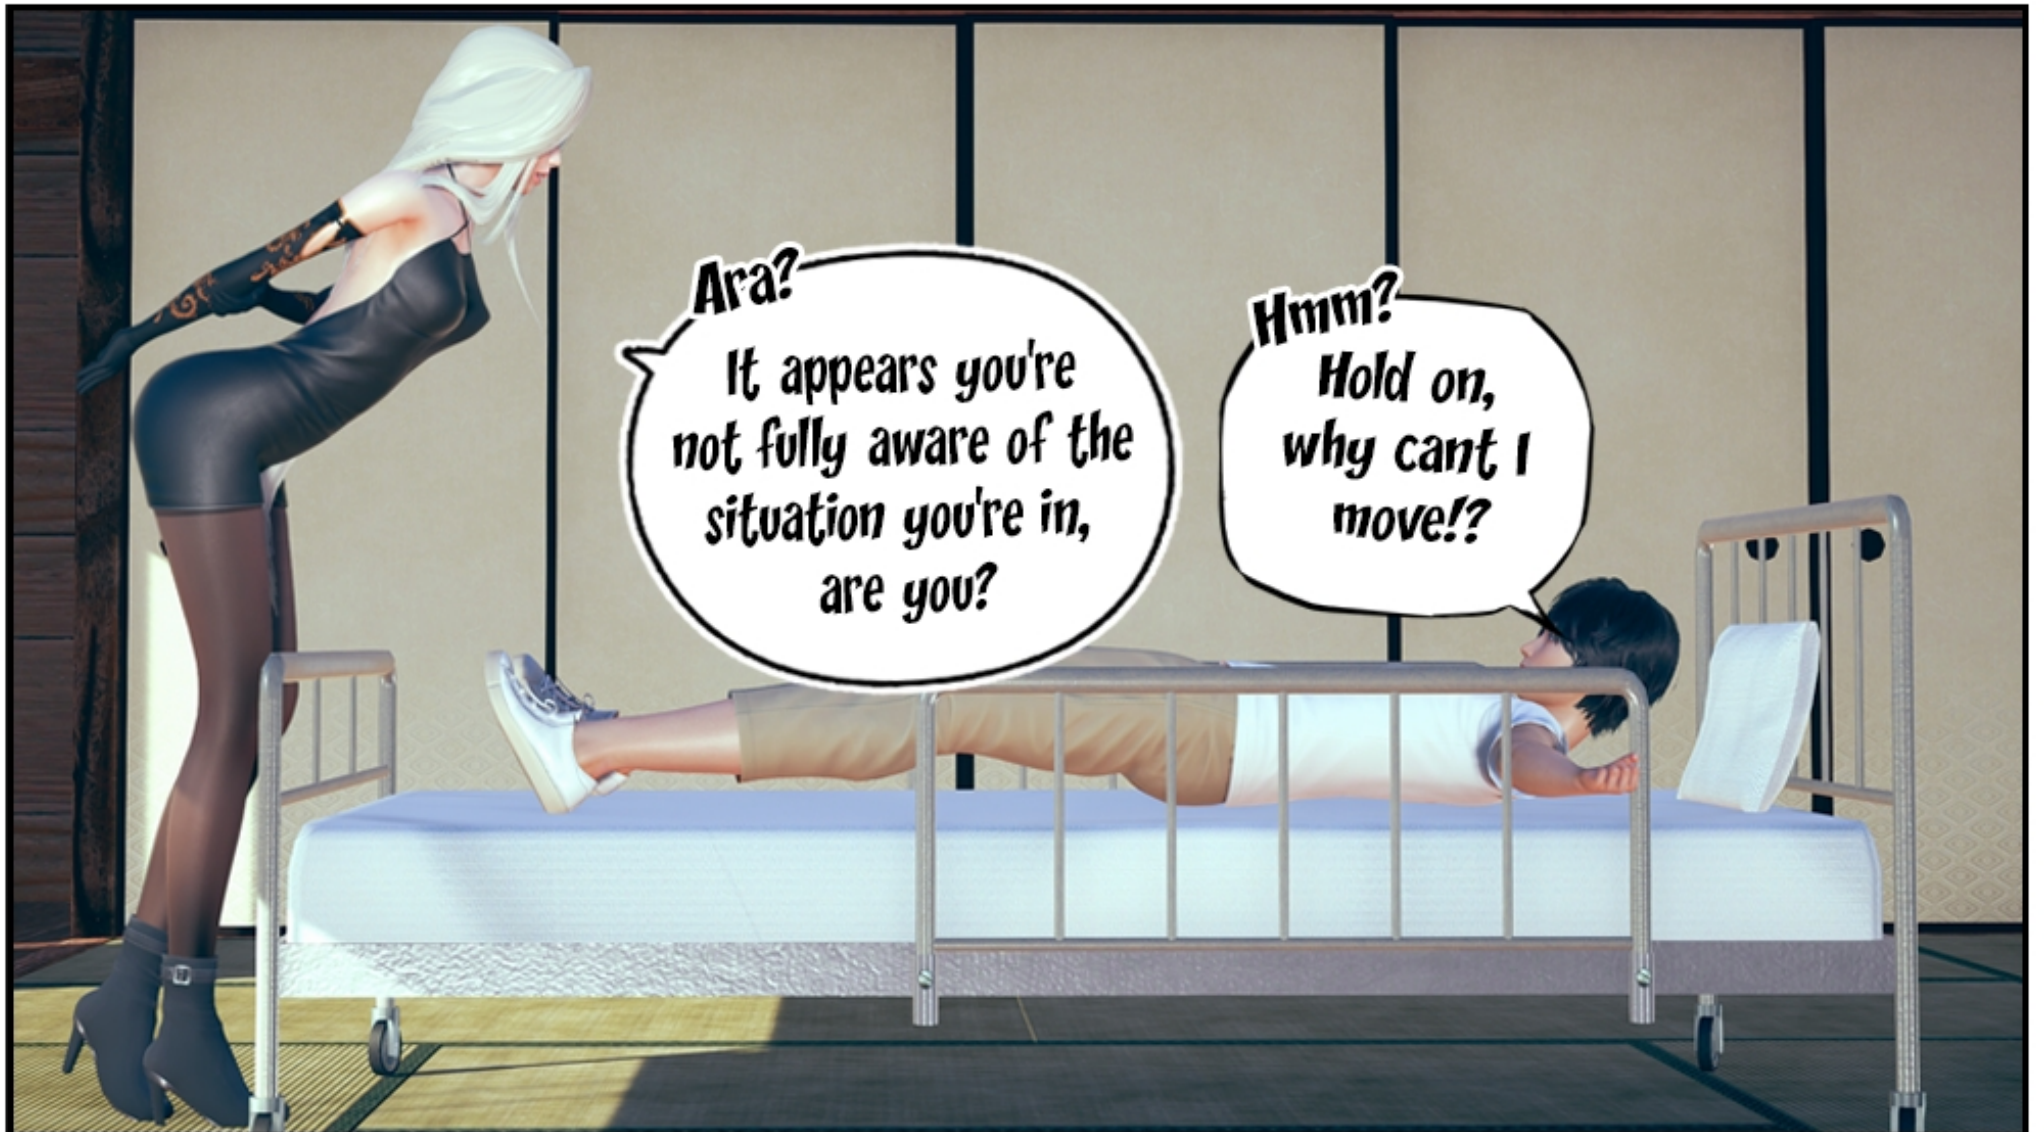

Score!

I must have
snagged her last
night at the
club!

**Morning
Sugar Tits!**

Ara?

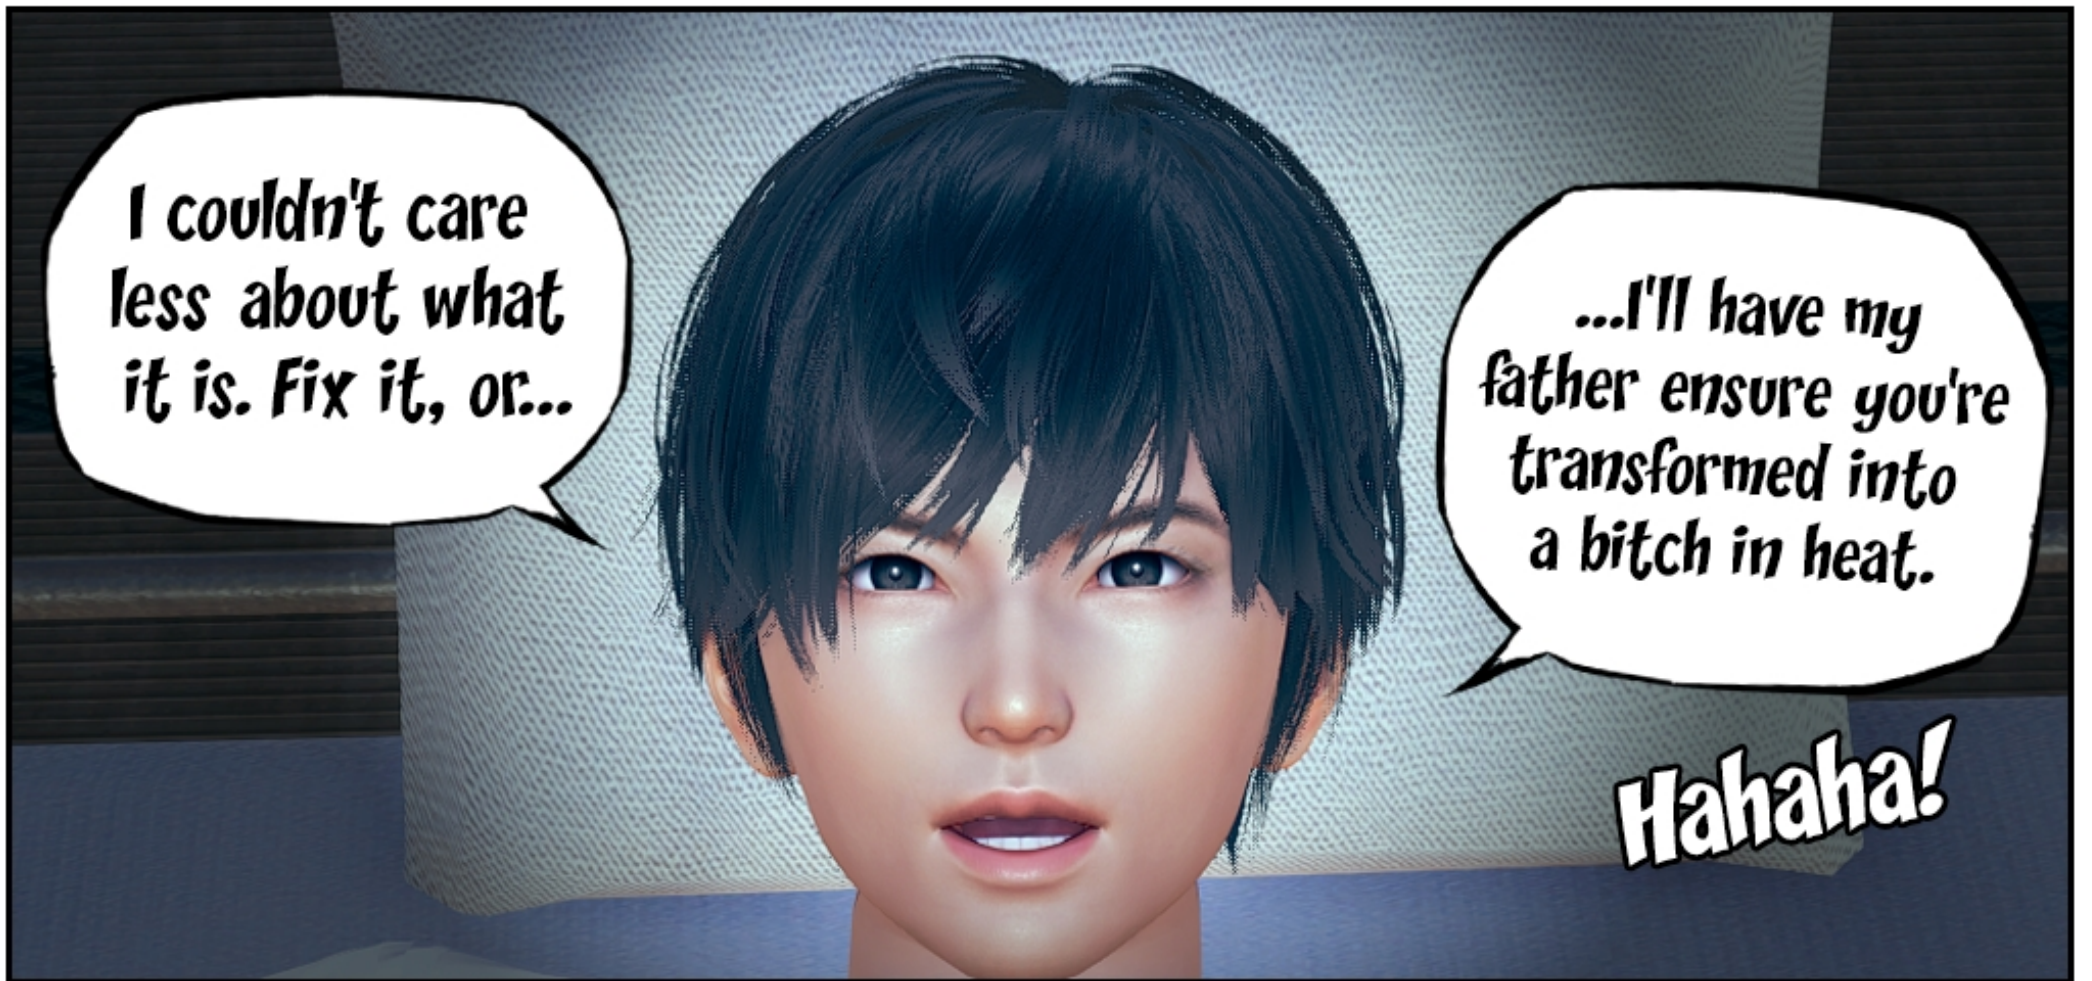

It appears you're
not fully aware of the
situation you're in,
are you?

Hmm?

Hold on,
why cant I
move!?

**That's the
anesthesia,
darling.**

I couldn't care less about what it is. Fix it, or...

...I'll have my father ensure you're transformed into a bitch in heat.

Hahaha!

He won't save you. It was **he** who entrusted you to me, after all.

...And on the contrary, I'll be transforming you into my obedient little **bitch** in heat.

Wha?

Time to begin~

What the hell are you blabbering about?!

Shall we expose your tender flesh that I'll shape to perfection?

Hiro
F-Fuck! Just move body! Just work!

Hiro
W-What's wrong with this crazy bitch!

D-Don't touch me!

Slender physique...
Smooth, hairless
skin... Such a flawless
silhouette! You were
destined to become
a **Girl!**

Giant? Ha... You
will be eating
those words later
believe me~

Hahaha!
No girl has a
GIANT COCK like me!
When I'm free I'm
going to enjoy
humiliating you!

I have
perused your file.
You've consistently
harassed your
female colleagues,

yet when it
came to the moment
of truth... You failed
to perform. Every
single time~

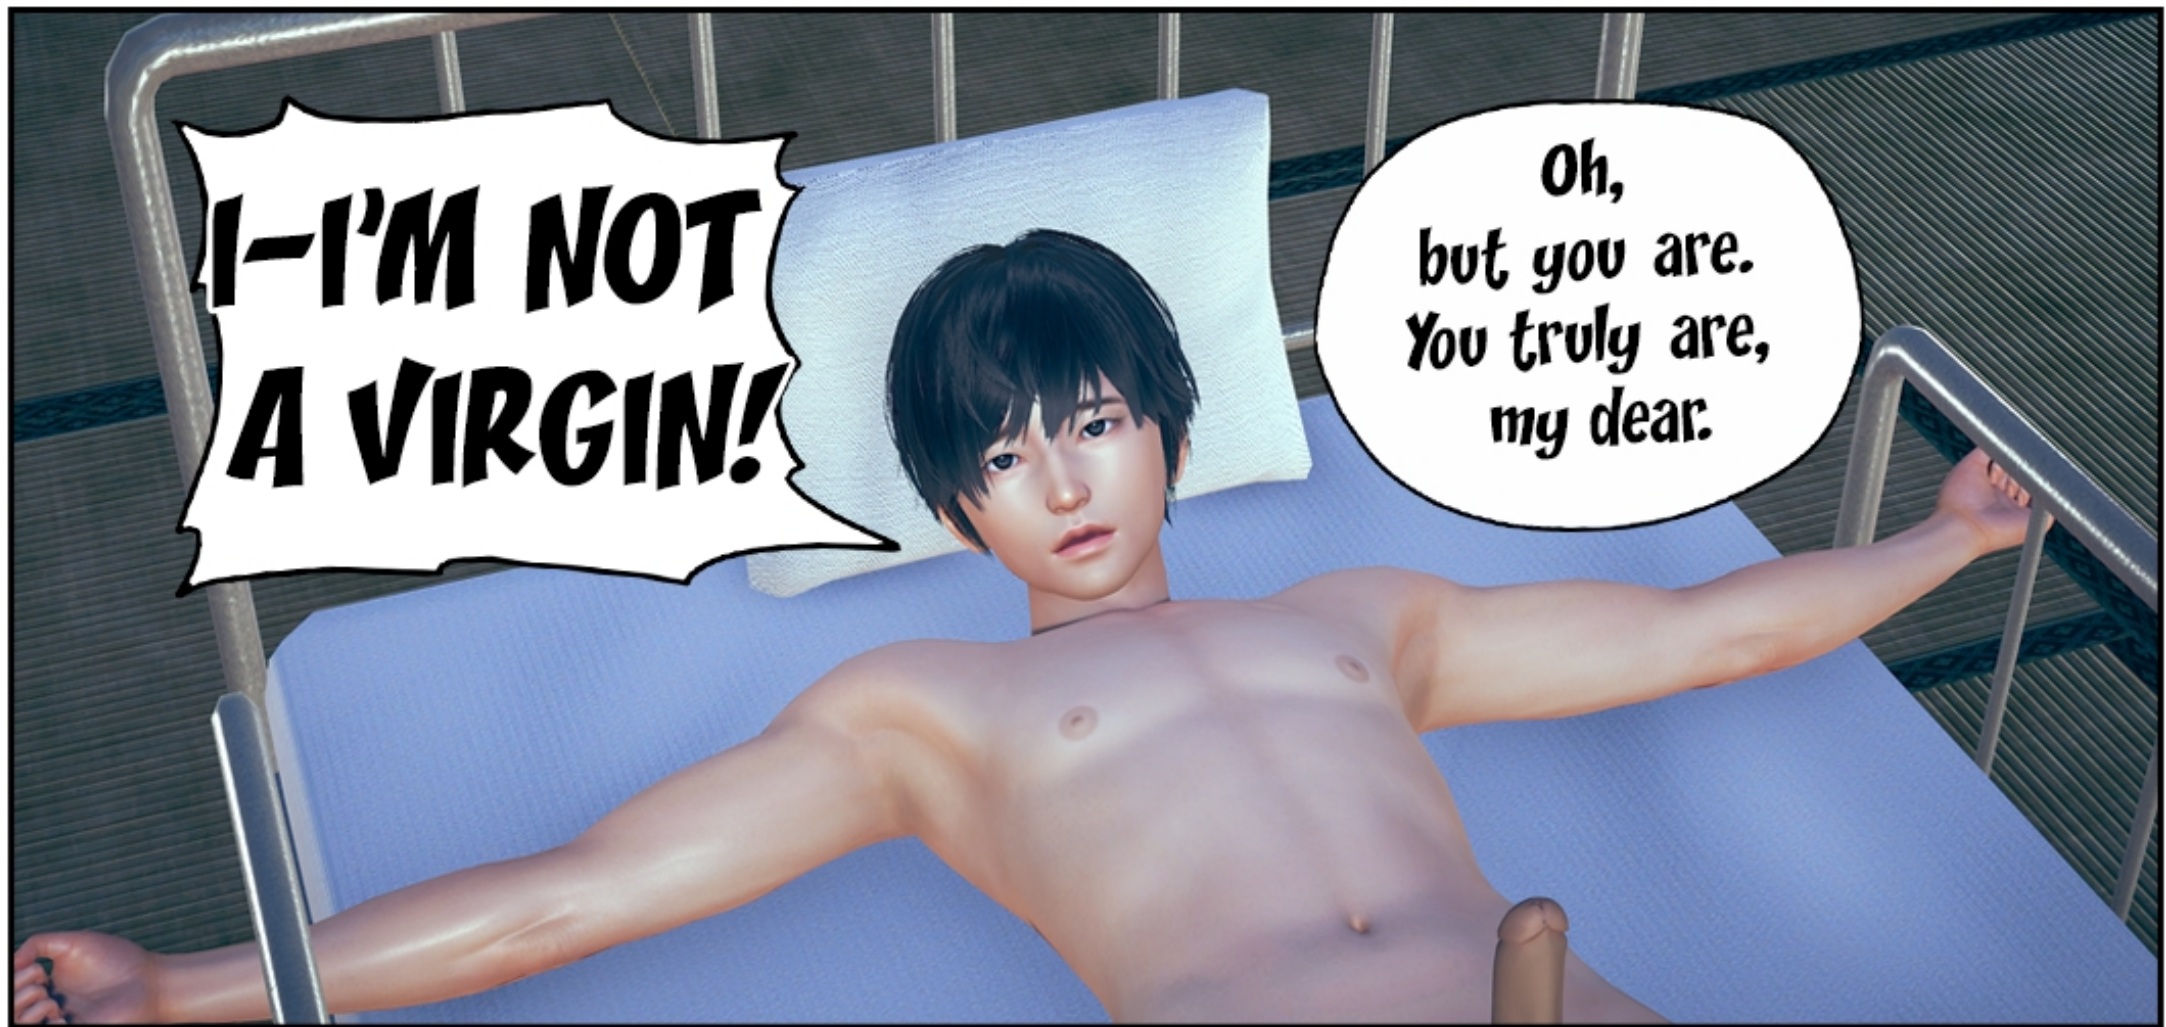

**H-HOW
DO YOU?!**

Hehehe...
Sooo.... how
are you going to
humiliate me? With
that defective
virgin cock?

Y-YOU!

Now it's time
to retire that
useless thing~

BITCH!

**I-I'M NOT
A VIRGIN!**

Oh,
but you are.
You truly are,
my dear.

And you will
remain a "**Male**"
virgin for the
rest of your
gorgeous life!

Though you
wont remain
a **Female Virgin**
for long~

**Y-You're
insane!**

W-What
did you just
do!?

WAH!?
Stab!

Just a touch of
anesthesia... Don't fret,
my dear. When you
awaken, you'll be
the most **exquisite**
princess!

Let's begin
with six months
of hormones,
shall we?

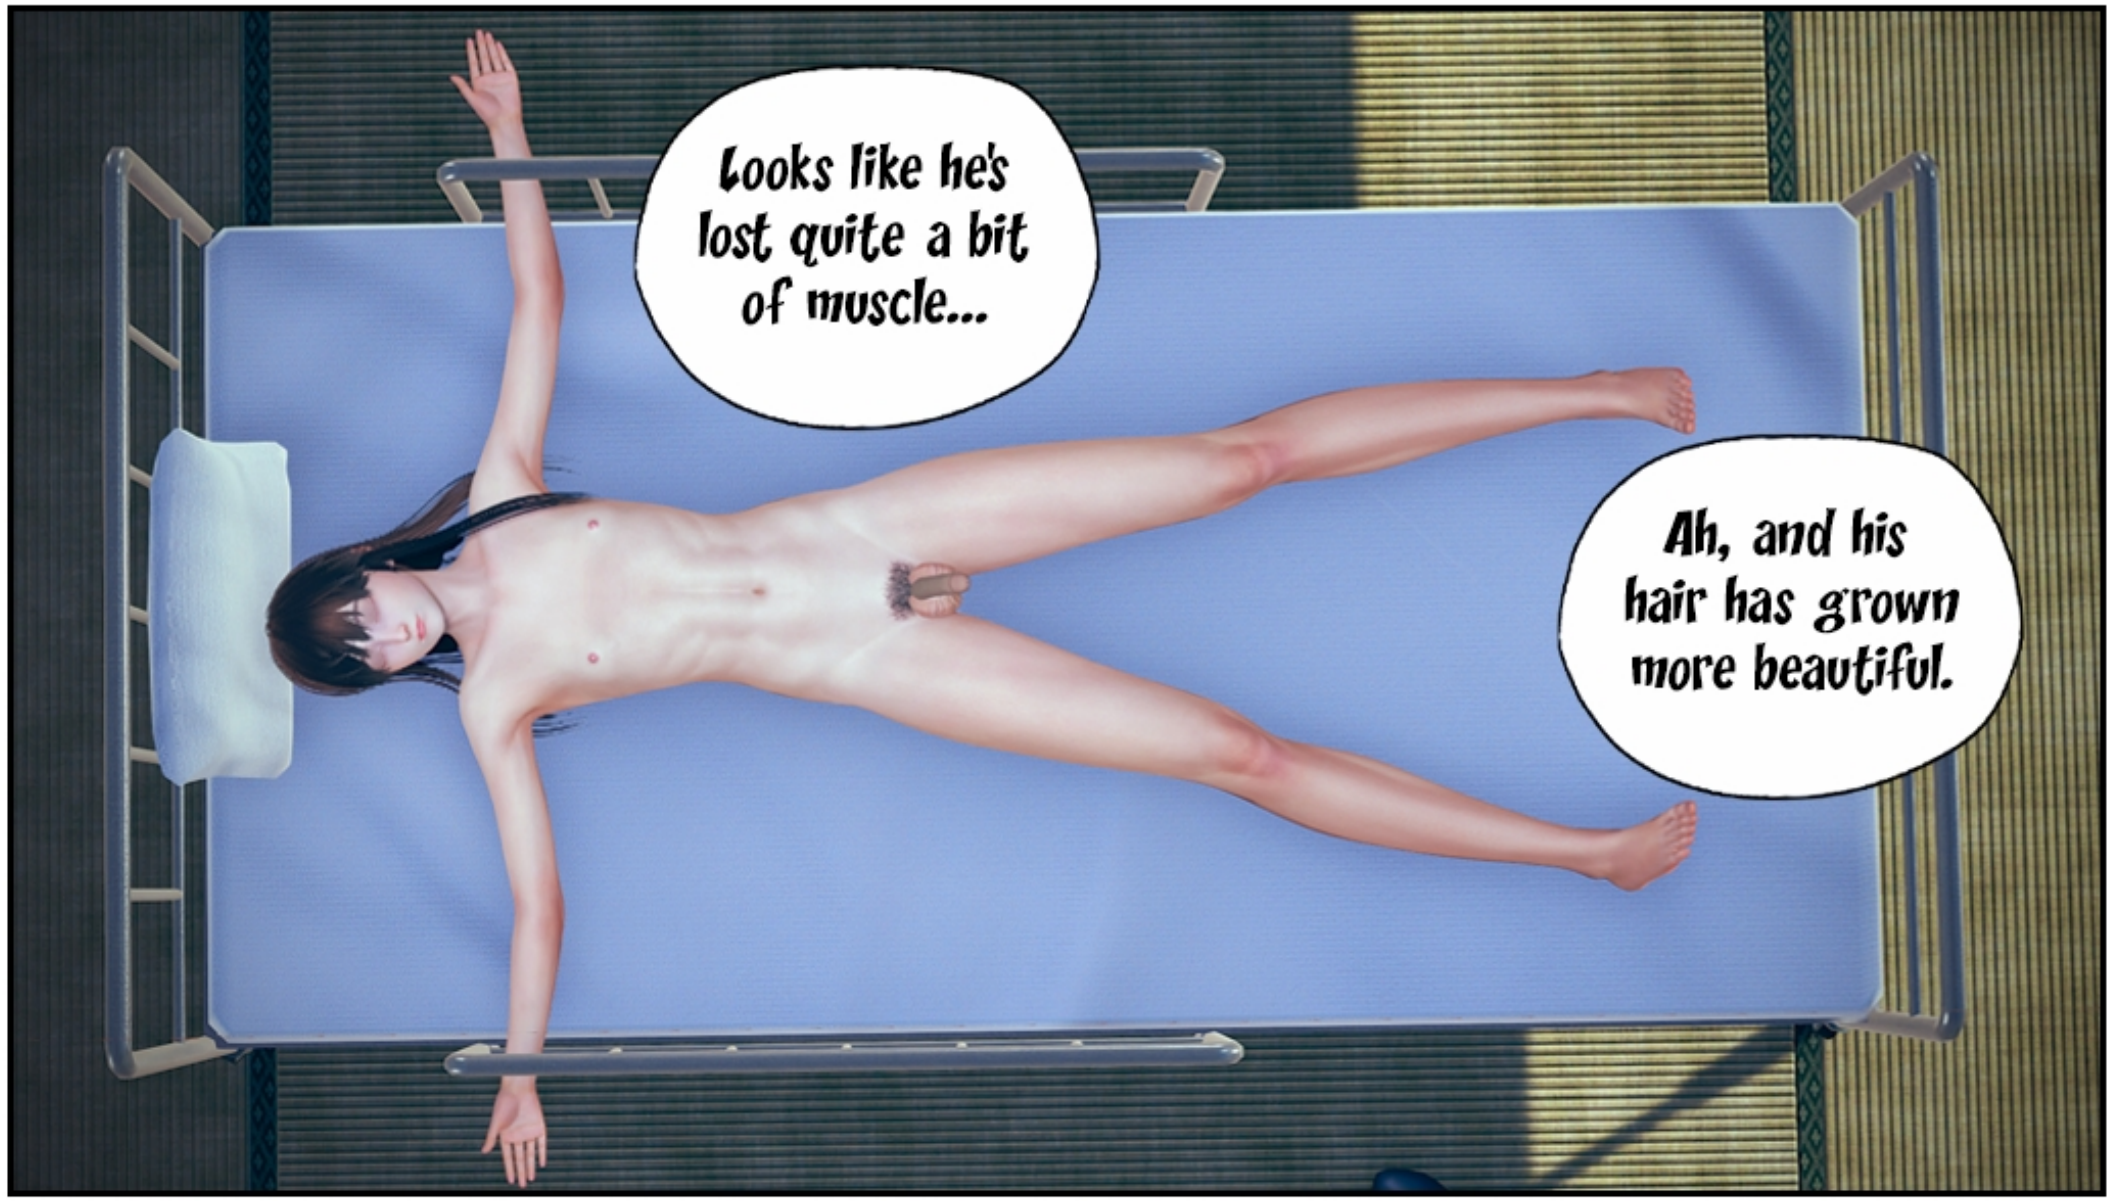

That should
be sufficient to
feminize your body for
the upcoming surgical
procedures.

Hmm, I believe
they wanted me to
consult the **PATRONS**
on what transformation
should come next.

6 Months later...

He's prepared for further invasive procedures now...

Looks like he's lost quite a bit of muscle...

Ah, and his hair has grown more beautiful.

He's certainly become a lot cuter now

...And his friend has started to learn it's place~

Attention:

This comic was chosen through a poll on my Patreon.

I'm certain you've all reviewed the file! Hiro has been quite naughty, hasn't he? But fear not, his transformation is imminent! I'm eagerly awaiting your suggestions! What alterations, additions, or subtractions shall we make to our little girl?

You heard correctly! You hold complete authority over his transition! Want those pesky male hormones gone? Consider it done! Craving big jugs? Absolutely! Fancy a pink princess? Or perhaps a goth? The choice is yours! A poll with a list of options will soon be available. Don't hesitate! I'll be proceeding swiftly with his transformations, so make sure to cast your vote before it's too late!

This is OLD ^

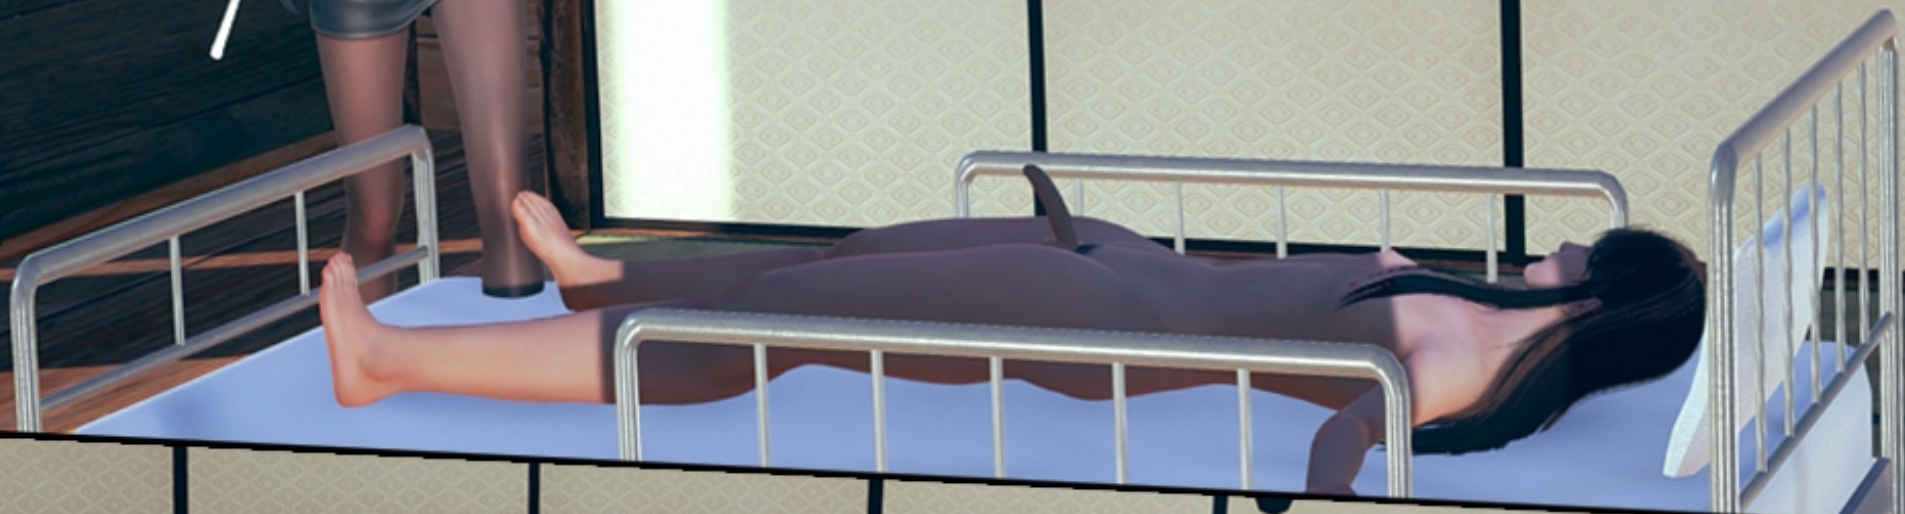

Punishment: Hormone Removal

**Oh my...
We're embarking on
quite the dramatic
transformation!**

**Not that I'm
complaining...**

**Quite the
opposite,
n fact~**

Here...

We...

Go!

This might just be the first and last time a girl gets her hands on you. I'd rather not snip it off just yet... Unlike your jewels, no **GIRL** needs pesky male hormones! So let's get rid of them~

So far, everything has been reversible... But after this, you'll never be the same again.

Grab!

Snip!

Snip!

1 Month later...

The camera's
working right...?

Welcome back **Patrons!**
Are you ready to see
our **Impotent Girl!**

His face has softened and become more **Feminine!** It must be the lack of testosterone!

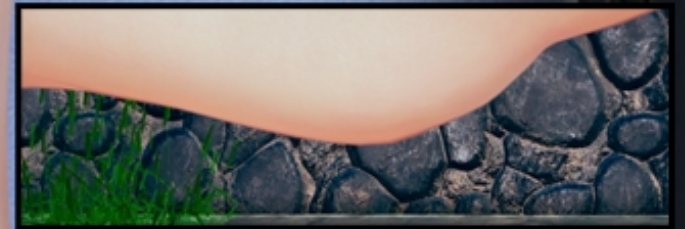

I hope you don't mind. I gave our **Sissy Girl** some twintails. Great for holding while you play~

Look at how supple her skin is looking! Do I spy some budding **breasts?**

Looks like he's gained some weight around his **derrière.** A nice cushion for future fun~

His pitiful **penis** looks disheveled! It must be dying for some testosterone but all it's getting is **estrogen!**

As you can see the operation was an outstanding success!

Hehehehe...

It's about time we wake our **pretty little sissy** up. However, first we need to decide on what style we want for him!

After that... We can really get the ball moving! Oh... that was quite a cruel joke from me wasn't it?

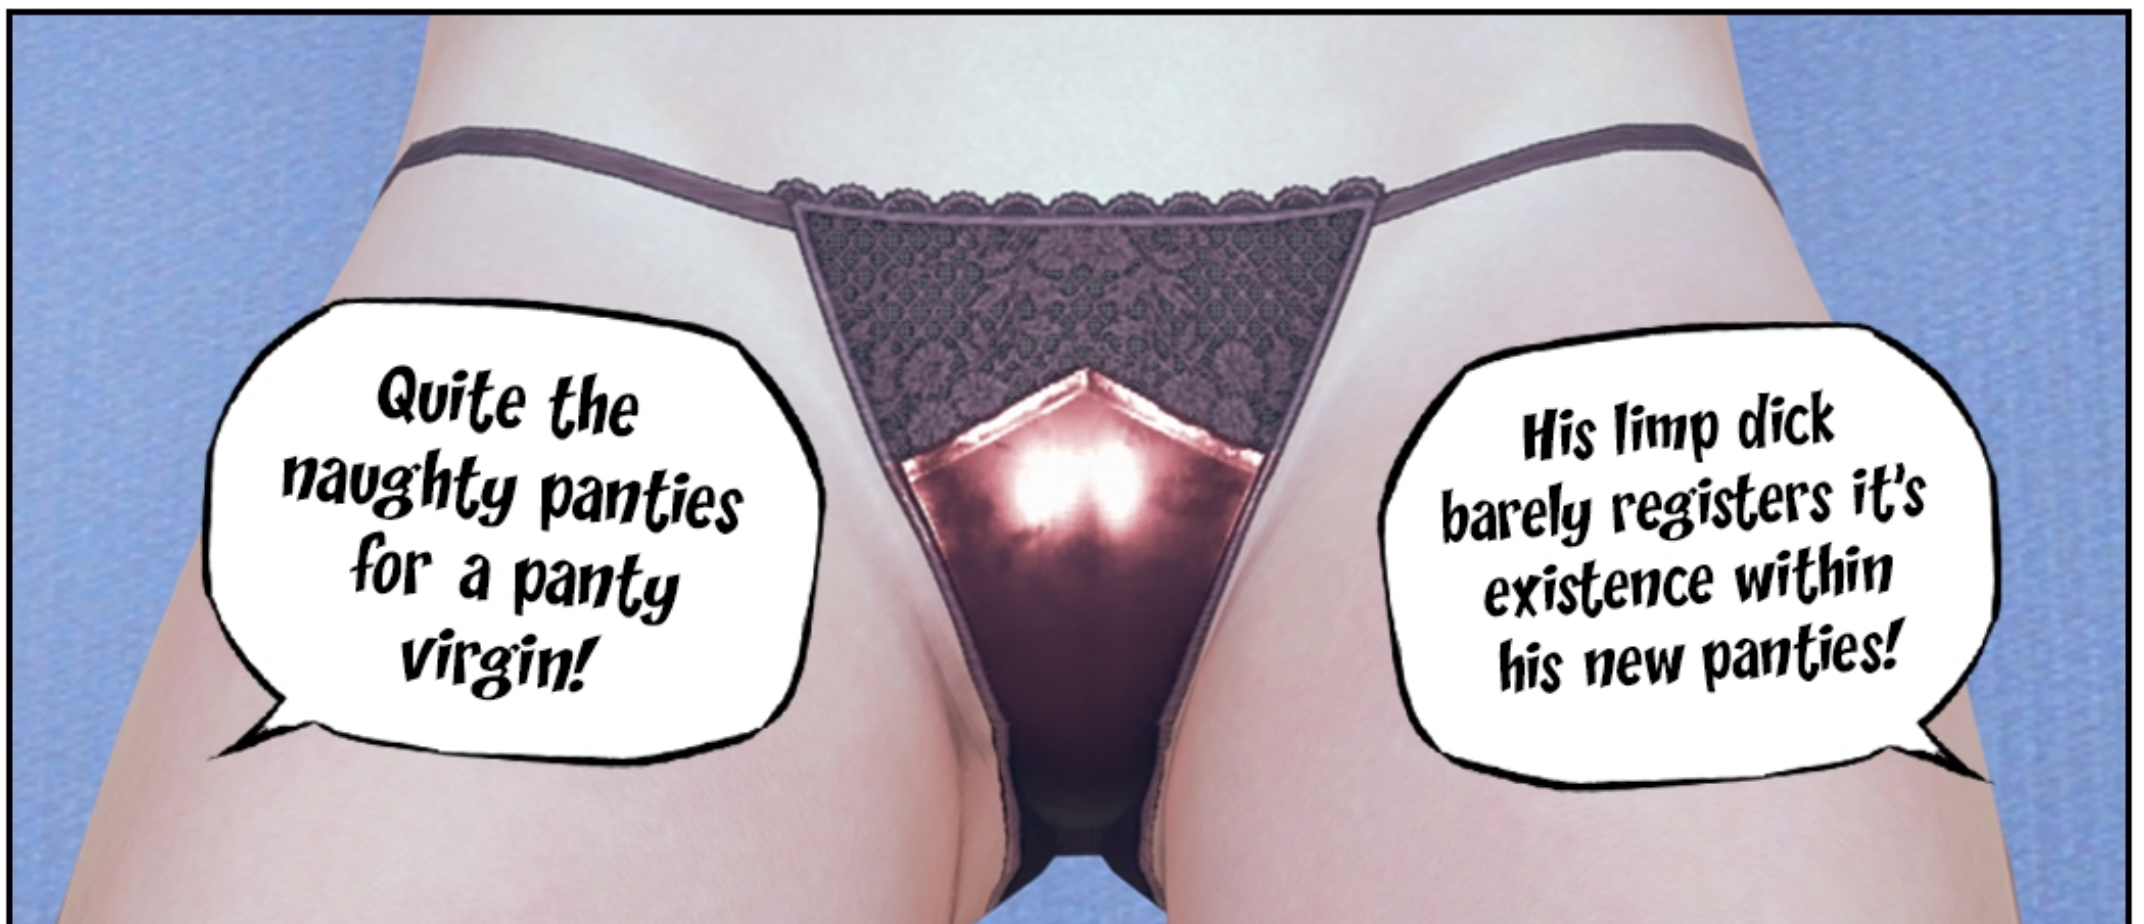

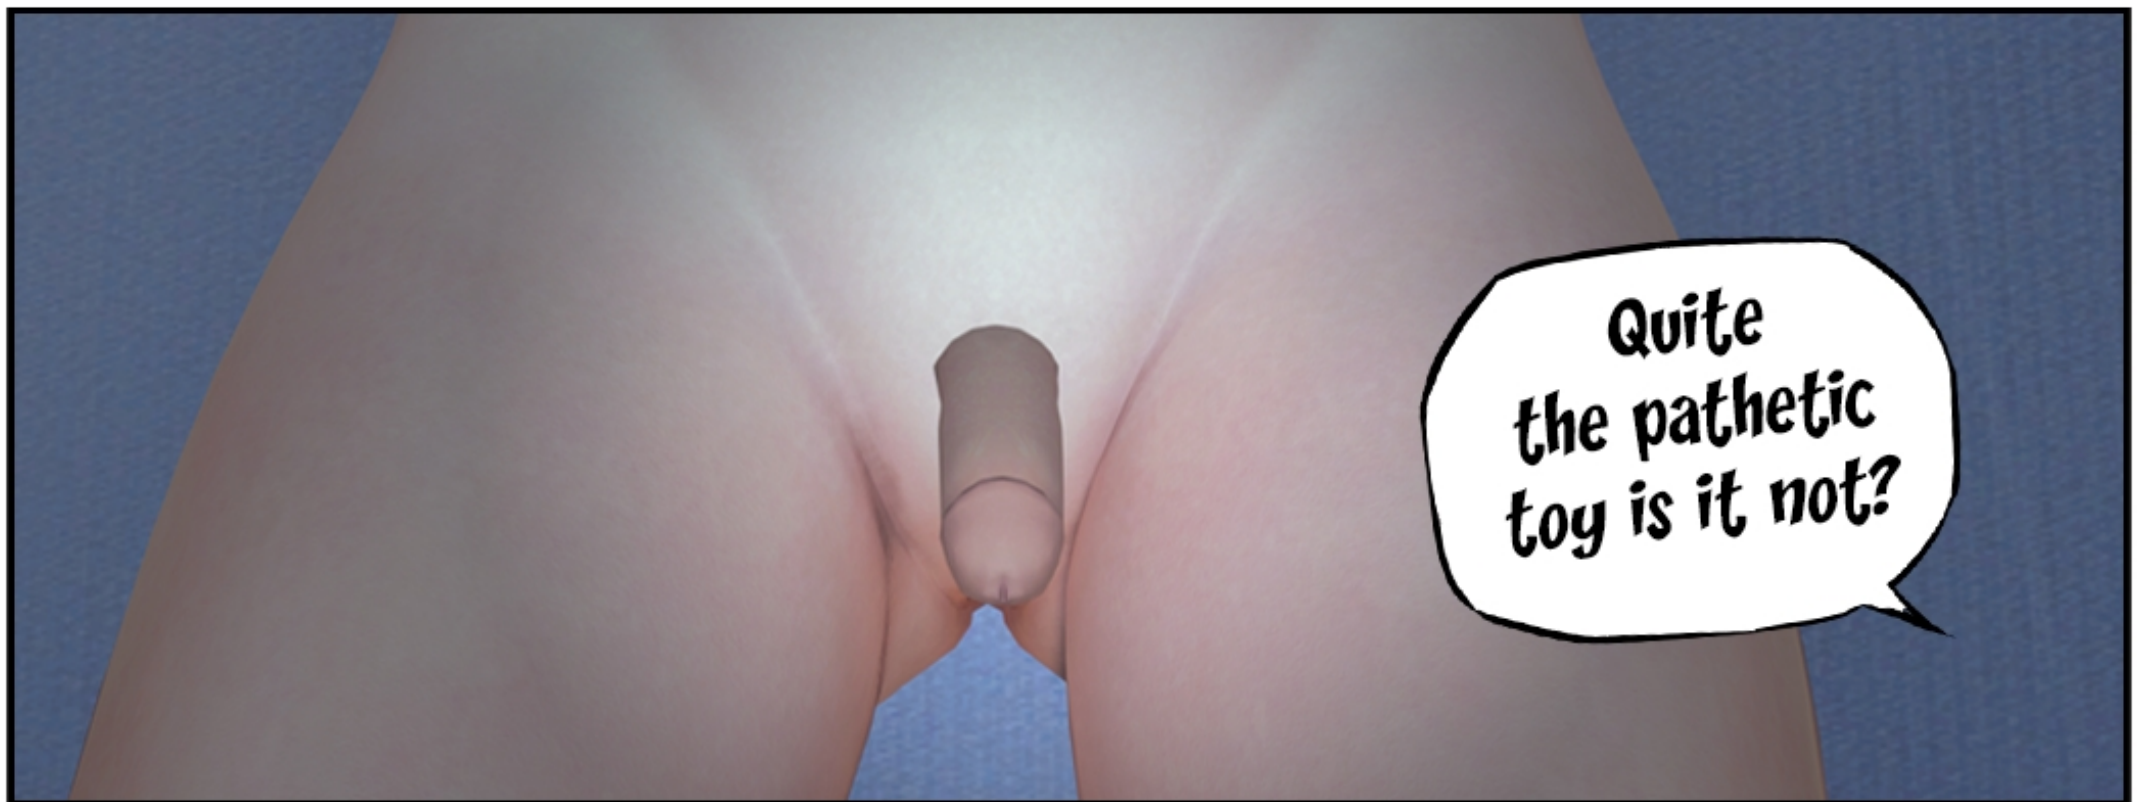

Style: Gothic!

The votes are in
and our little **Hiro**
here will be wearing
a **Gothic Outfit!**
How elegant!

I'll dress him up and
make him perfect in a
heartbeat. Then, when
we wake him, he'll
be filled with joy~

Lets get his legs covered with some sexy pantyhose!

All that estrogen has made his legs completely hairless!

Yum! Look at that juicy shine!

Perfection!
