

## DANCE LESSONS (Melody of us)

### SCENE 1

Stolas wandering through the halls of the palace enjoying the walk. He halts when a strange melody reaches him. It comes from the ballroom. It suddenly dies with a crash and a swear from Blitz.

*"How the fuck am I supposed to do this part?!"* Blitz keeps grumbling under his breath. Stolas turns his head confused and approaches the door to investigate. He pushes it a little and gazes through the ajar door.

### SCENE 2

Blitz has a displayer next to him and seems to be reading to some instructions in his hand. There is a makeshift manekin that resembles Stolas next to him.

"There it was my tophat" (Stolas mumbles amused)

*(we show a close up to the Via's tutorial to waltz with dad, that Blitz has in his hand. It has some cute drawings and instructions. Blitz mumbles while reading them).*

*"So... let's take a look at Via's instructions. She said something about minding the steps but...whaaaat?"* Blitz looks dismayed. He starts reading Via's instructions outloud.

*STEP 1 "Ask dad to dance (spoiler alert, he'll say yes)"*

*STEP 2 "Hands on back or waist..(if you can reach LOL)!. Gee, thanks Via honey".*

*Okay, next.*

*STEP 2 "Remember the counting 1, 2, 3,4 aaand twirl!"*

*STEM 4: And for the grand finale, bend backwards and SMOOCH (Ew, blergh, please let me know when you are doing this cause I don't want to be in the near vicinity. I am happy for you two, though)"* Aww, thanks sweetie. There is only one problem here" Blitz looks up worried to Stolas' doll

*"How am I supposed to make him twirl? He's like 2 metres taller than me".* he sighs, but makes up his mind.

*"Okay, let's try again"* He stretches his hands and starts the music before dancing again.

*"1, 2, 3 ...okay, this is not going half as bad as I thought"* he is dancing slowly and happy, *"And now...twirl!"*. when he tries to twirl he stumbles with the manekin and let's it fall.

*"Fuck!"*

At the door Stolas flinches and stifles a laugh, looking at him tenderly. He mumbles *"Silly"*. He pushes the door to enter.

### SCENE 3

**"Blitz"** Stolas calls him while he walk to him with a small smile on his face.

Blitz jumps surprised and mutters **"Shit!Shit!Shit!Shit!Shit!Shit!Shit!"** while trying to hide the makeshift Stolas and the tutorial page behind his back. He plasters an uncomfortable smile on his face.

**"Oh, hey Stols, didn't hear you arrive..."** he fidgets, nervous.

**"What are you doing darling?"** Stolas asks sweetly.

**"Eeerr....you know. v...Ventilating! Yes! It's been a while since you used the ballroom, y'know, with the bitch of you ex gone and all, and the atmosphere was a little...dense. Hope you don't mind...ahahaha"** Blitz improvises (twirlig his hand). Stolas chuckles and starts walking towards Blitz.

**"Mmmmmnh...I see"** says Stolas with a knowing smile. He starts wandering around Blitz **"You know? You're right. It's been a long time since I last used the ballroom. I've always loved dancing, but I never had the oportunity to waltz in Stella's parties"** He then he stops and smiles. The music starts again.

**"Would you be my dance partner?"** Stolas asks

**"Eh?"** Blitz looks at him confused as Stolas bows and outstrechtes his hand.

**"May I have this dance?"** he asks (faraway frame with both of them in it)

Blitz blushes a little. He starts to extend his hand but stops midway.

**"I don't really know how to dance, Stolas"** he says a little embarrassed.

**"Don't worry darling, I'll teach you."** He moves his hand and uses his magic to lift Blitz in the air until they are almost eye to eye.

**"Let me lead first".** Stolas says

### SCENE 4

They start to move. Blitz is nervous and is counting steps under his breath.

**"1,2, 3, 4..wh, what happened after the 4?!"**

**"Don't look down, dearest"** Stolas says qhen he notices Blitz counting.

**"But..."** Blitz starts to reply. stuttering but he's still looking at his feet **"What if I step on you?"** Stolas chuckles

**"You can't. You're flying"** he says

**"Oh...right. Sorry."** Blitz says with an uncomfortable smile.

**"You're doing great, dear. Let's try something a little more complicated"** Stolas says.

**"What..?!"** Blitz exclaims, But Stolas raises his hand and Blitz twirls under it.

**"I did it!"** Blitz exclaims after the twirl.

**"You're a natural"** Stolas answers

### Once they have stopped dancing

*"And now, for the grand finale"* Blitz lounges forward to bend Stolas backwards.

Stolas is surprised but ends up smiling.

### SCENE 5

They get really close, about to kiss, Stolas disconnects the magic without realizing, so they both topple over to the floor (compromising position).

*"Shiiiiiii..!!"* Blitz exclaims when they fall.

*"Ouch.."* Blitz grumbles.

*"Are you alright, darling?!"* Stolas asks alarmed.

Blitz realizes they are all tangled up on the floor, he is on top of Stolas. He drins and gets closer

*"Never better"* he purrs. Stolas chuckles and they are about to kiss again when Via opens the door.

*"Hey, Blitz, remember dad was supposed to arrive early from his meeting to..."* she freezes and looks at them all weirded out. *"Ew, blergh, what are you two doing hooking up on the floor, weridos"* she says

*"Via! Manners missy!"* Stolas exclaims.

*"Argh, whatever, Don't even want to know. I'm staying with Loona tonight, give you two some privacy to suck face at ease"* she says turning away. *"Later losers"* she says while she closes the door and smiles back at them.

They are taken aback and look how she leaves stunned.

*"I think she's spending too much time with Loona"* Blitz blurts out.

*"i think she's might be getting the sass from someone else"* Stolas teases looking at him and raising an eyebrow.

*"Oh yeah? And what's that supposed to mean, birdbrain"* Blitz says closing the distance between them, smiling.

*"Oh, nothing in particular. Only that I enjoy that sharp tongue of yours"* Stolas says seductively.

*" Well then, I may have to show you what other things I can do with it"* Blitz answers.

**KISS. SMOOCH AND END**
