Mr Phoenyxx

Splurt!

Stream!

Even the Sperminator's mad laughing fades into the quiet of Level Three. The only sounds that remain are the wet noises of the sex that is going on. Milk continues to spurt noisily from Sixie's gigantic jugs. It streams out of her bloated boobs in thick rivers of luscious liquid and pools on the floor.

**Shlurp!**

**Smack!**

**Piston!**

Mettalic slaps echo throughout the floor as the robot's thick rod pounds in and out of Sixie's hungry holes. It switches back and forth from pumping in and out of her ass to pounding with all its might into her sopping wet pussy. The Sperminator quietly goes about its duties.

MmMmmMmm!!!

Even Sixie mostly falls silent under the furious assault of the Sperminator. She braces herself against the wall, enjoying every sensual second of the powerful pistoning of the robot. Her whole body shakes with each thrust. Occasionally a quiet moan or coo escapes her lips.

MooOoAaaNn!!!

But even those sounds do not seem to wake our three heroines. They remain lying on the ground completely unconscious, oblivious to the fate of their android friend. Though with the cravings some of the ladies now possess, they might not be so against a pounding from their robotic visitor.

FffuUuÇCckKk!!

Squirt!

Not that the Sperminator would care either way. It's not like it would ask for permission to do what it wants to do. Though that begs the question of just what is its goal? Is it just after some great sex with ridiculously curvaceous women, or what?

YyyeEeesSsssSsss!!

Squirt!

Grab!

At least for now, its goal seems to simply be sex with a massively stacked, blow-up doll, mega-bimbo. Sixie certainly fills that bill after the modifications that the Sperminator has made to her. Not that she minds. It certainly appears that she is thoroughly enjoying herself.

Stuff!

Pribble!

Which shouldn't be surprising, given both her original design purpose and those self-same adjustments to her that we mentioned. Certainly the treatment that the Sperminator is giving her doesn't help, as it expertly fucks her for all it's worth.

Ssssspppp

Leak!

Shove!

Even a normal, unaltered woman would be sore pressed not to thoroughly enjoy such a fabulous fuck-fest. The Sperminator smiles evilly as it pounds away at her. It enjoys watching all of her luscious flesh jiggle and move with each powerful thrust of its cock, even as it easily lifts her up from the floor.

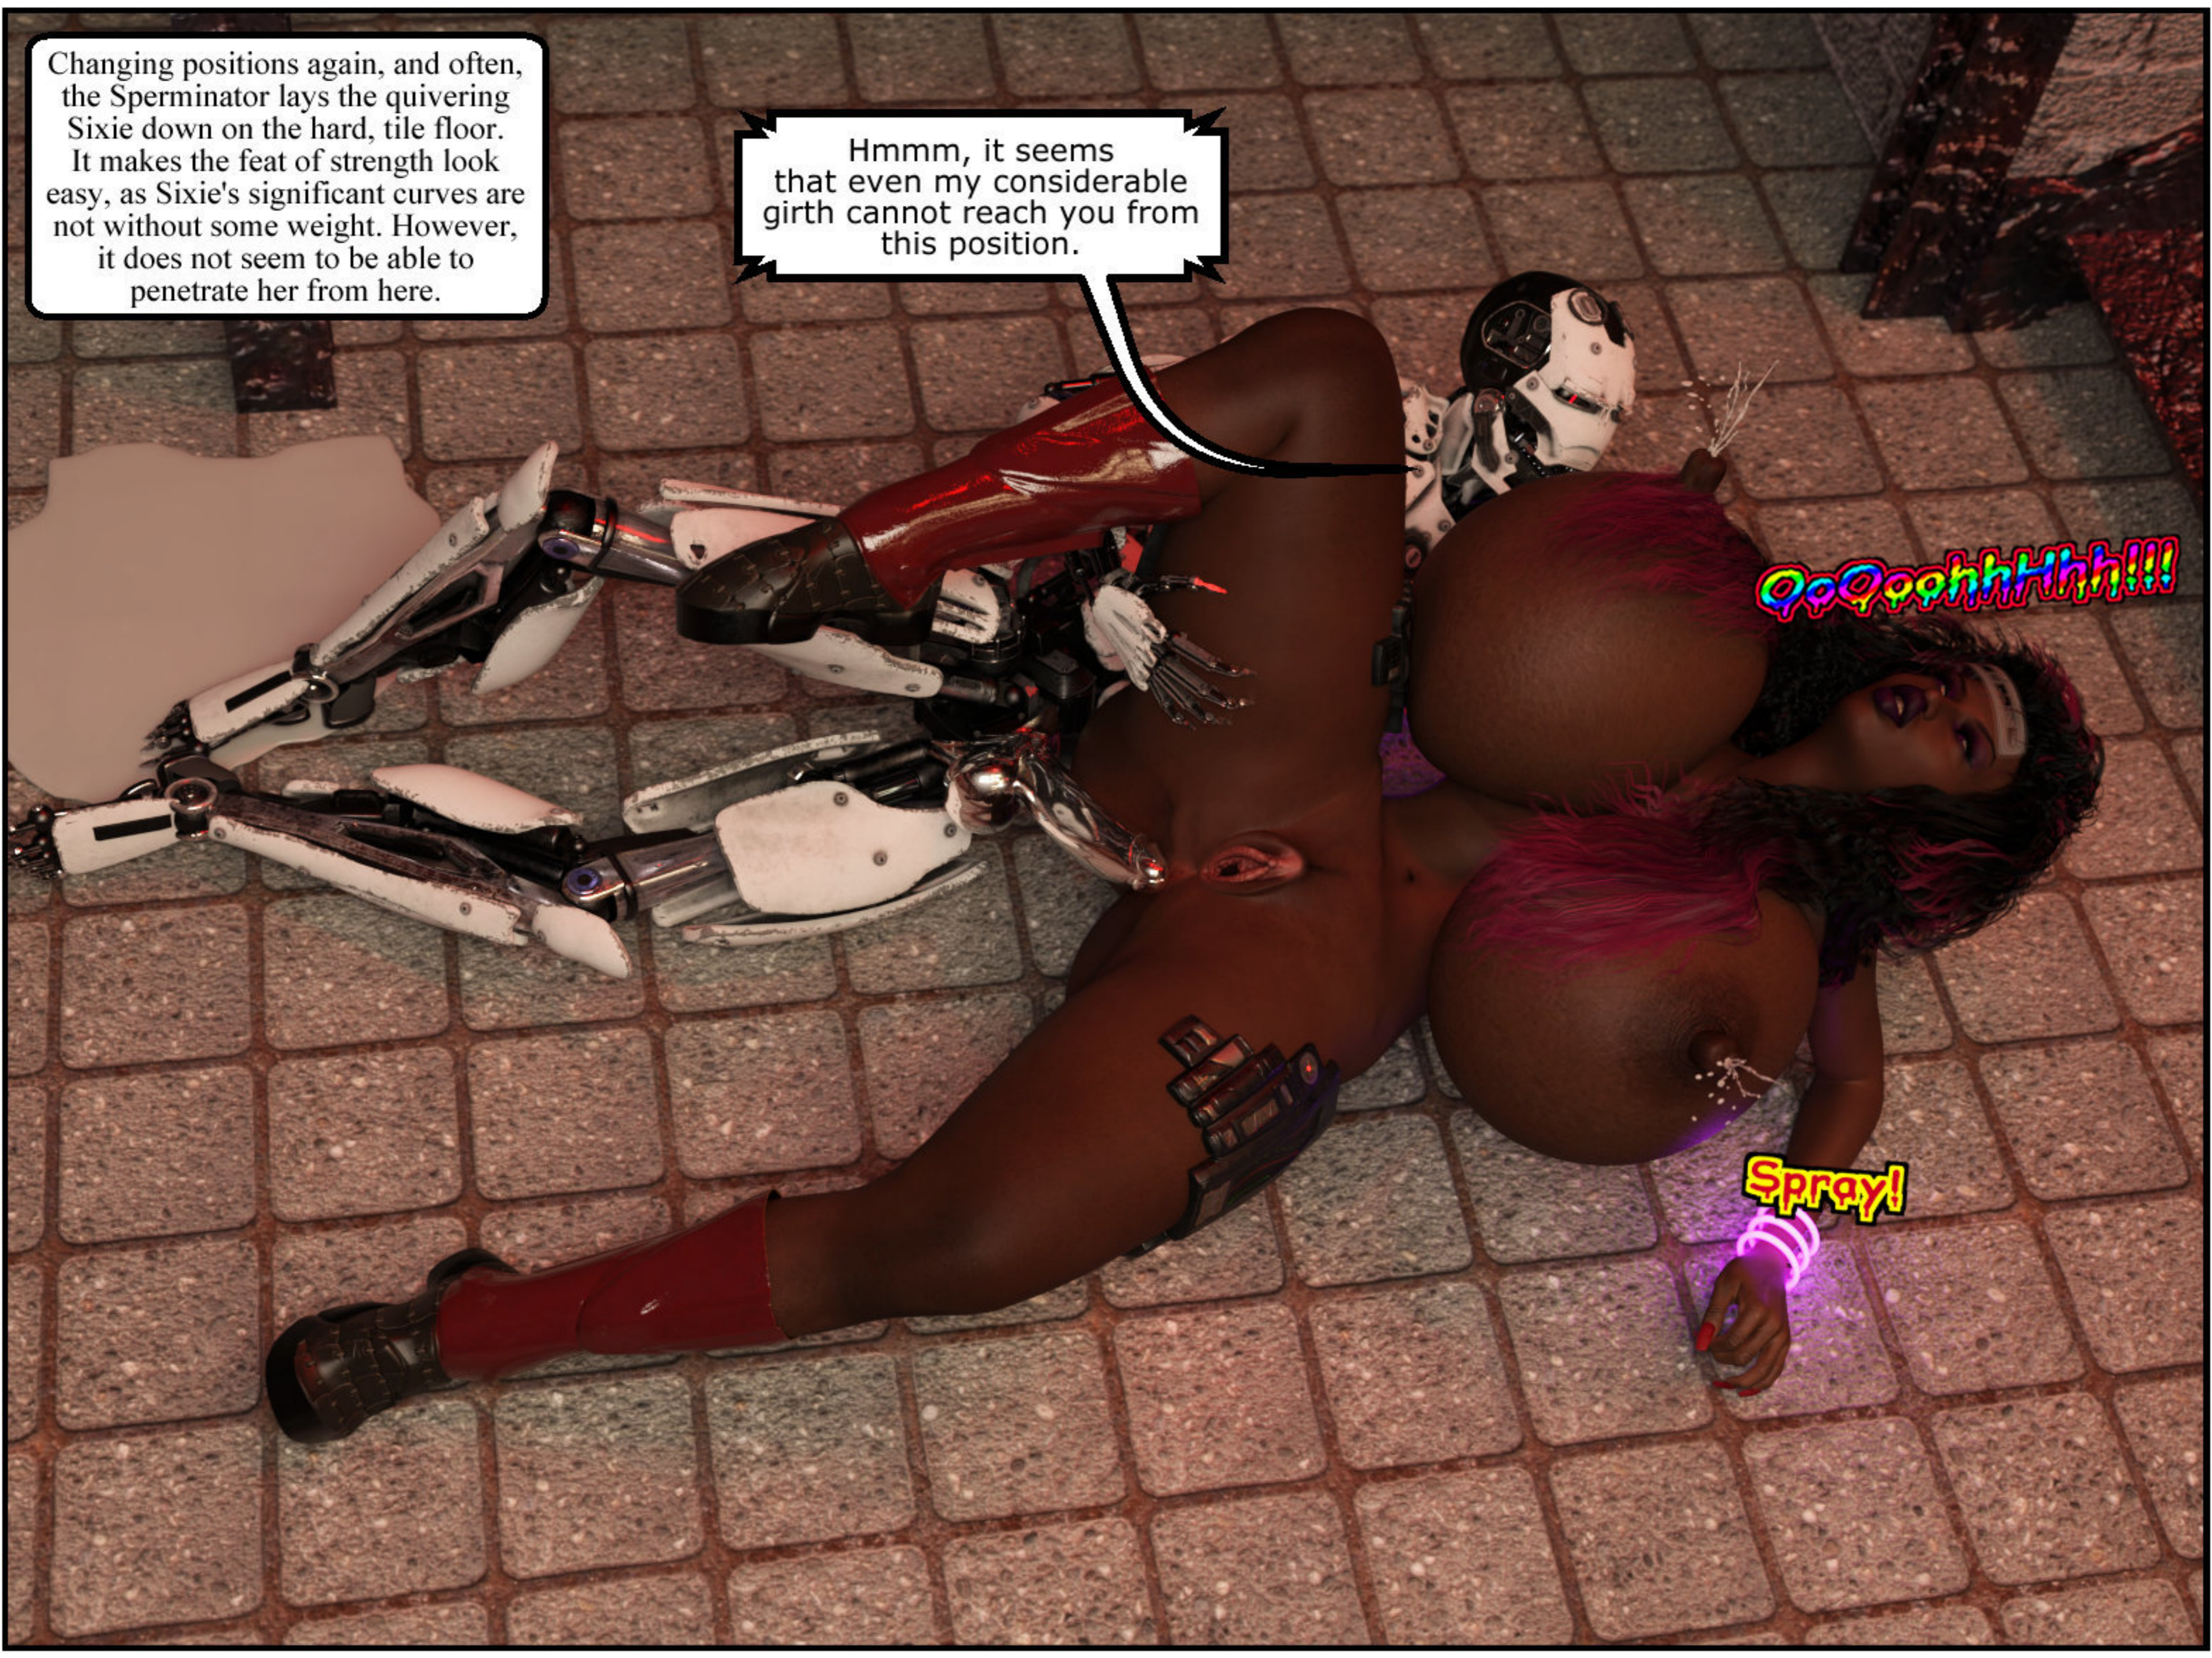

Changing positions again, and often, the Sperminator lays the quivering Sixie down on the hard, tile floor. It makes the feat of strength look easy, as Sixie's significant curves are not without some weight. However, it does not seem to be able to penetrate her from here.

Hmmm, it seems that even my considerable girth cannot reach you from this position.

QoQoohhHhh!!!

Spray!

Fountain!

Gape!

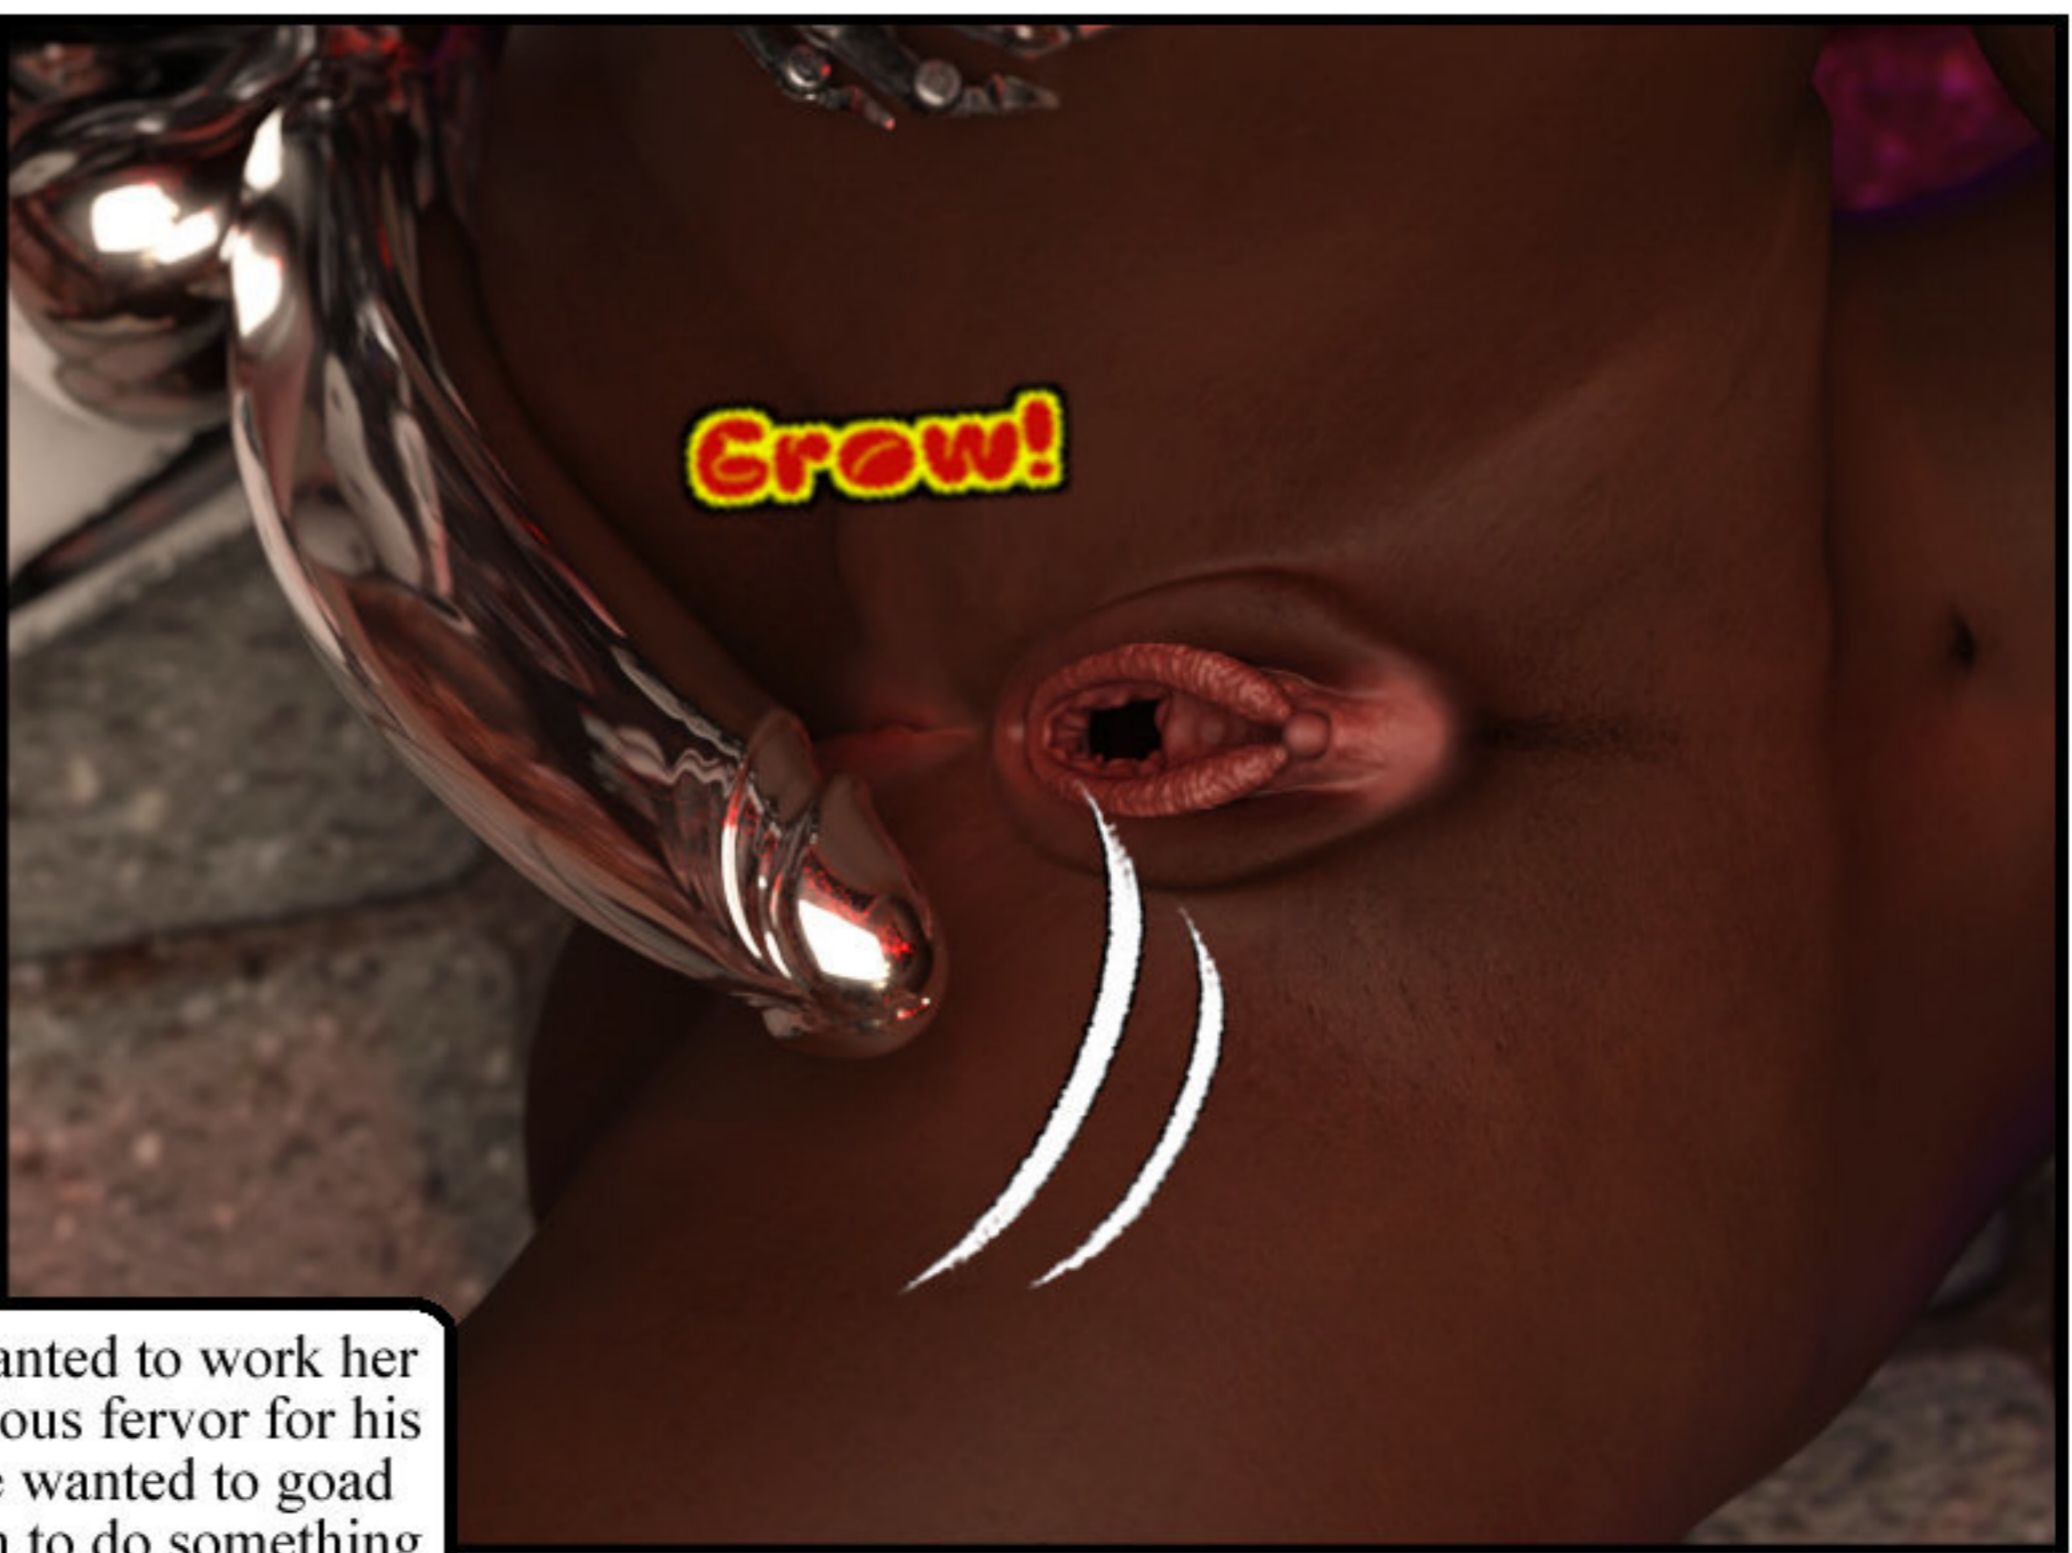

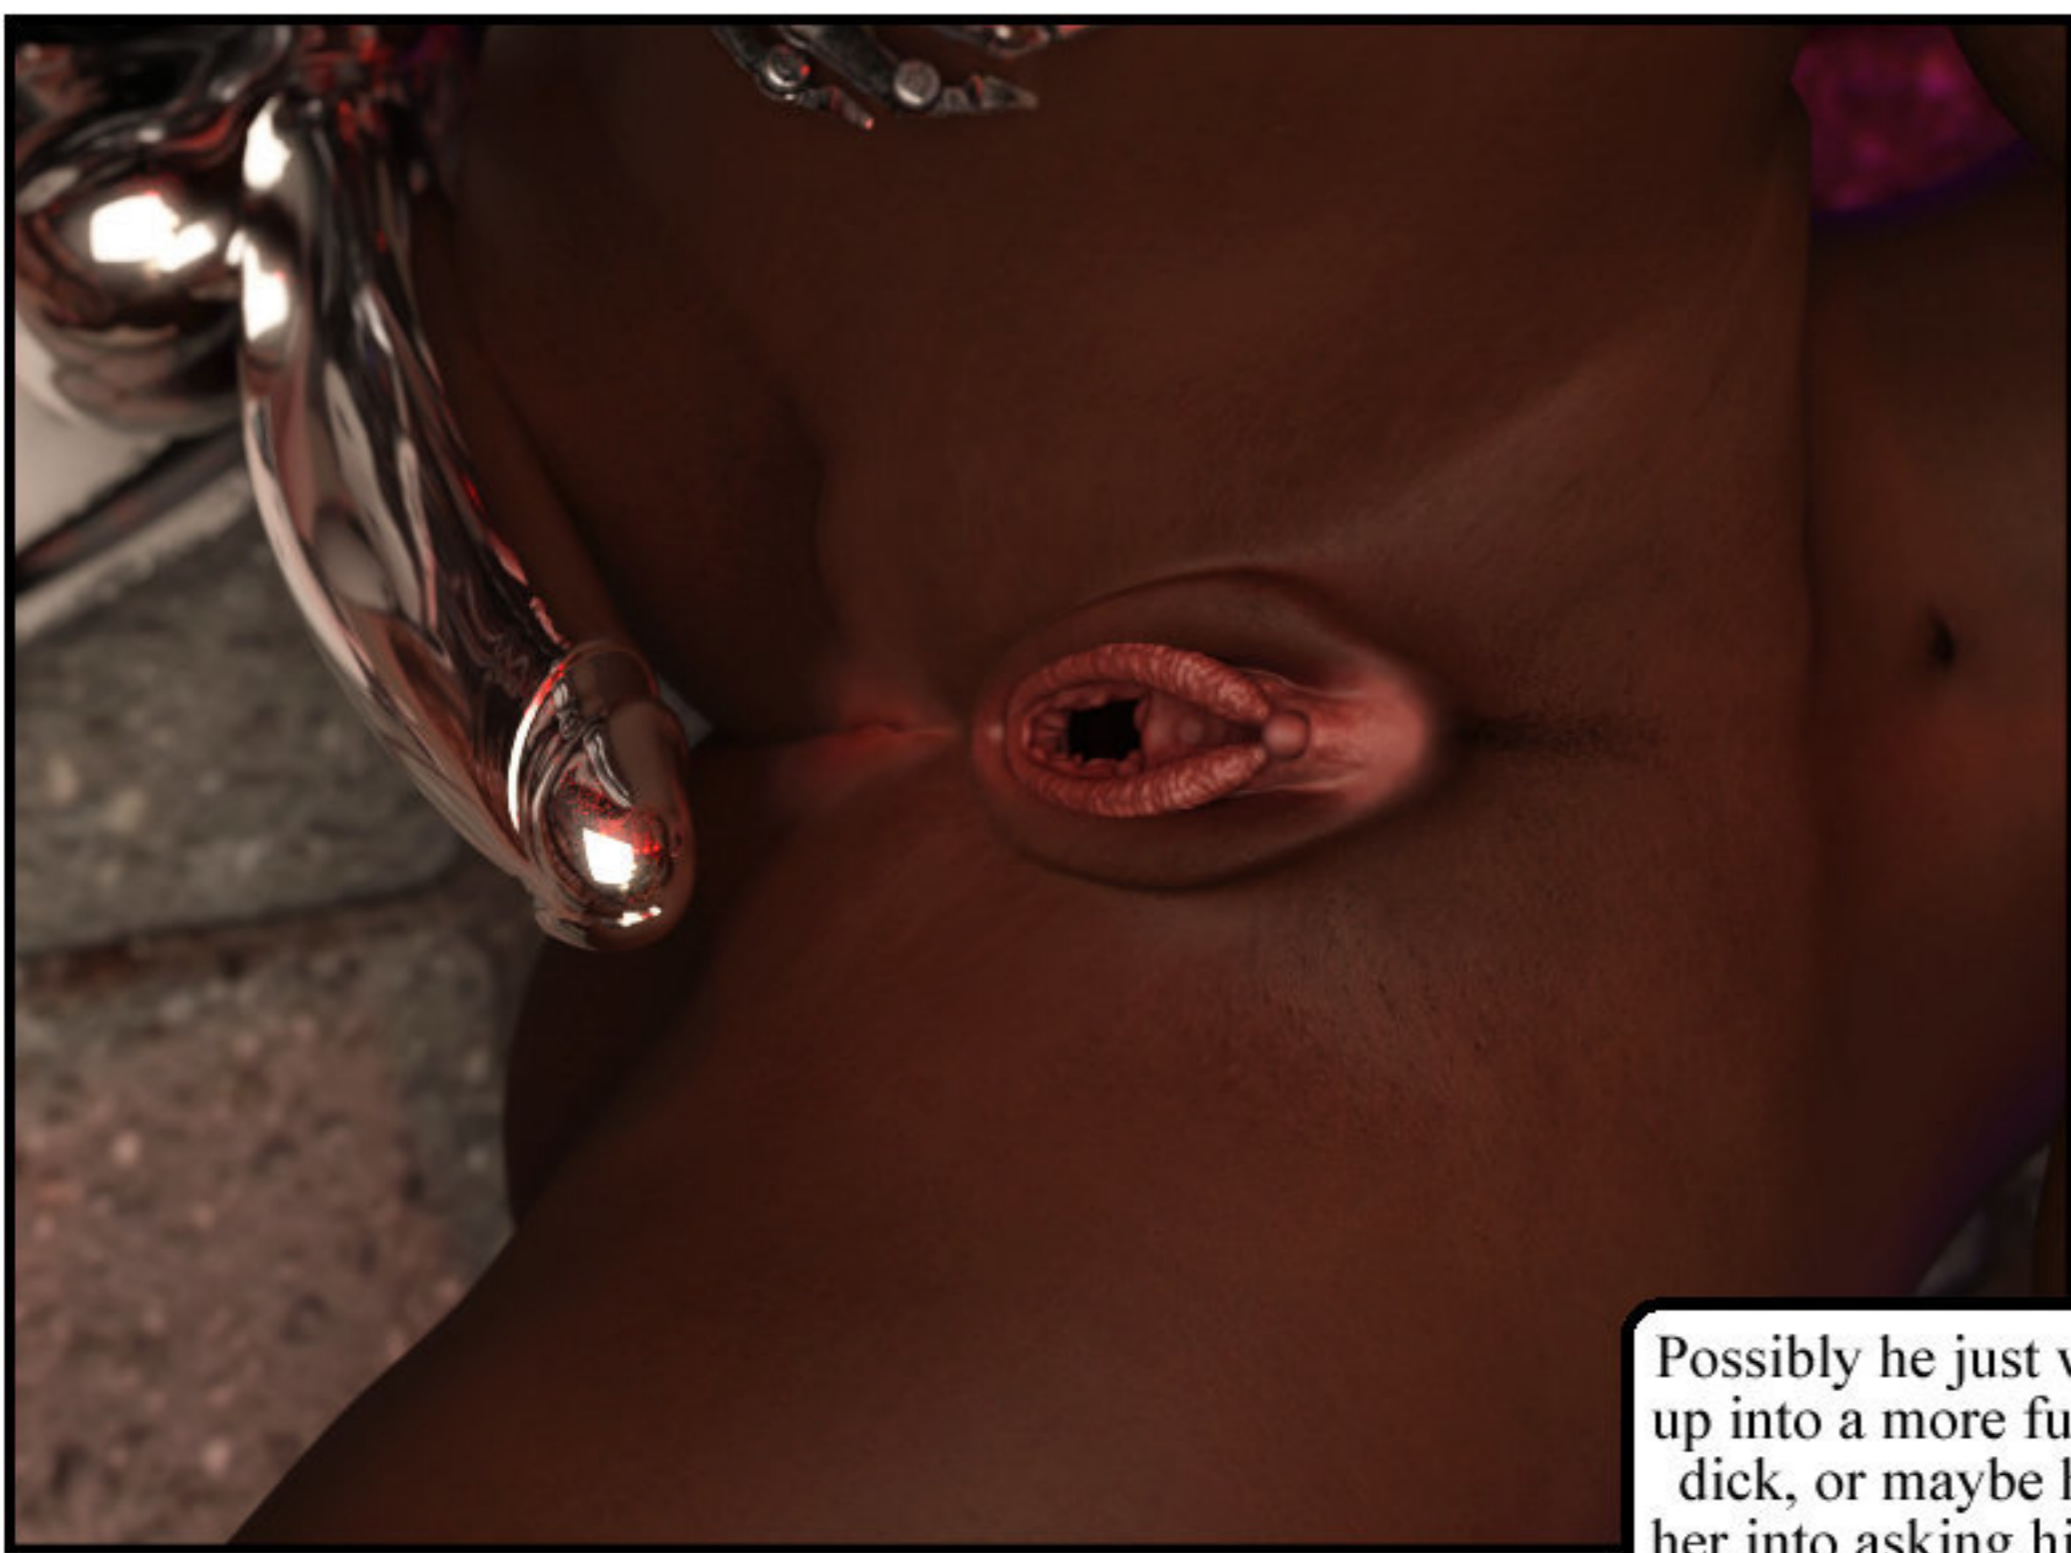

Though that may not be the case. It seems the robot has an ulterior motive. It seems that he can reach but chooses not to. Instead he thrusts his hips but makes sure his penis stays just shy of Sixie's pussy, which flexes like a hungry maw that desperately needs to be filled.

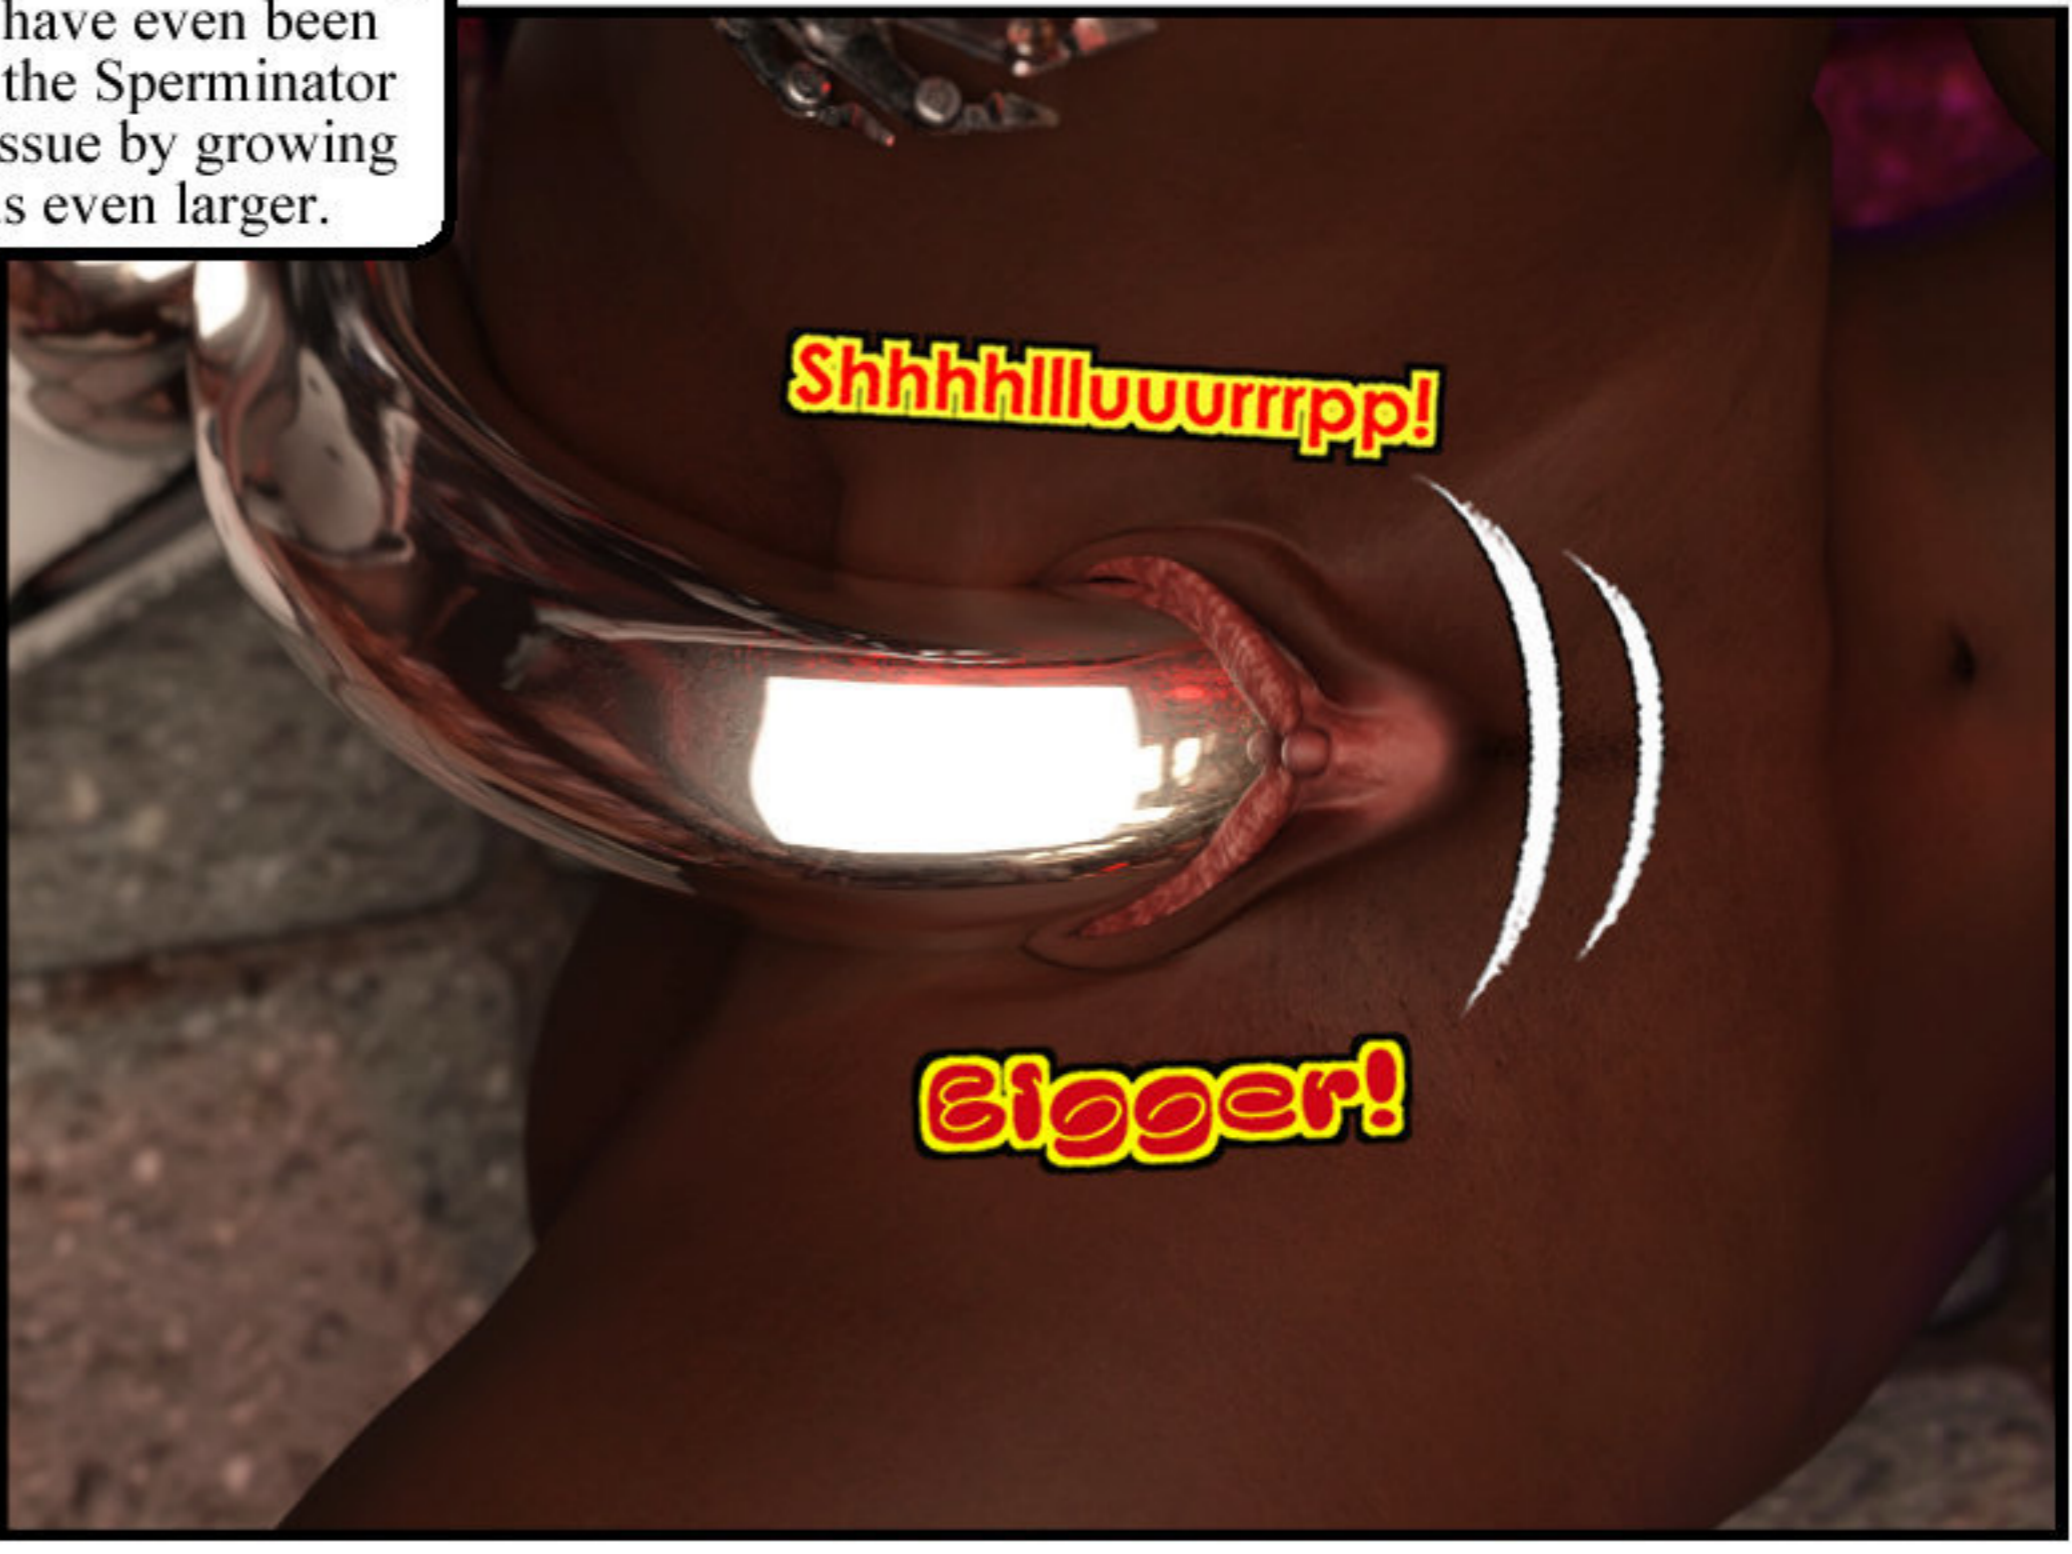

Nooo!  
Do something, daddy! I **need** you inside of me. I need it so damn badly!

If you insist, Milk Slave. Then I suppose there might be something that I can do about the situation.

Possibly he just wanted to work her up into a more furious fervor for his dick, or maybe he wanted to goad her into asking him to do something about it. It could have even been both. Either way, the Sperminator does address the issue by growing his metal phalus even larger.

Even though his enhanced cock can now reach her from any position, it becomes clear that he is still not finished. He spins Sixie around into another new pose, and places the very end of his dick firmly within the opening of her love canal.

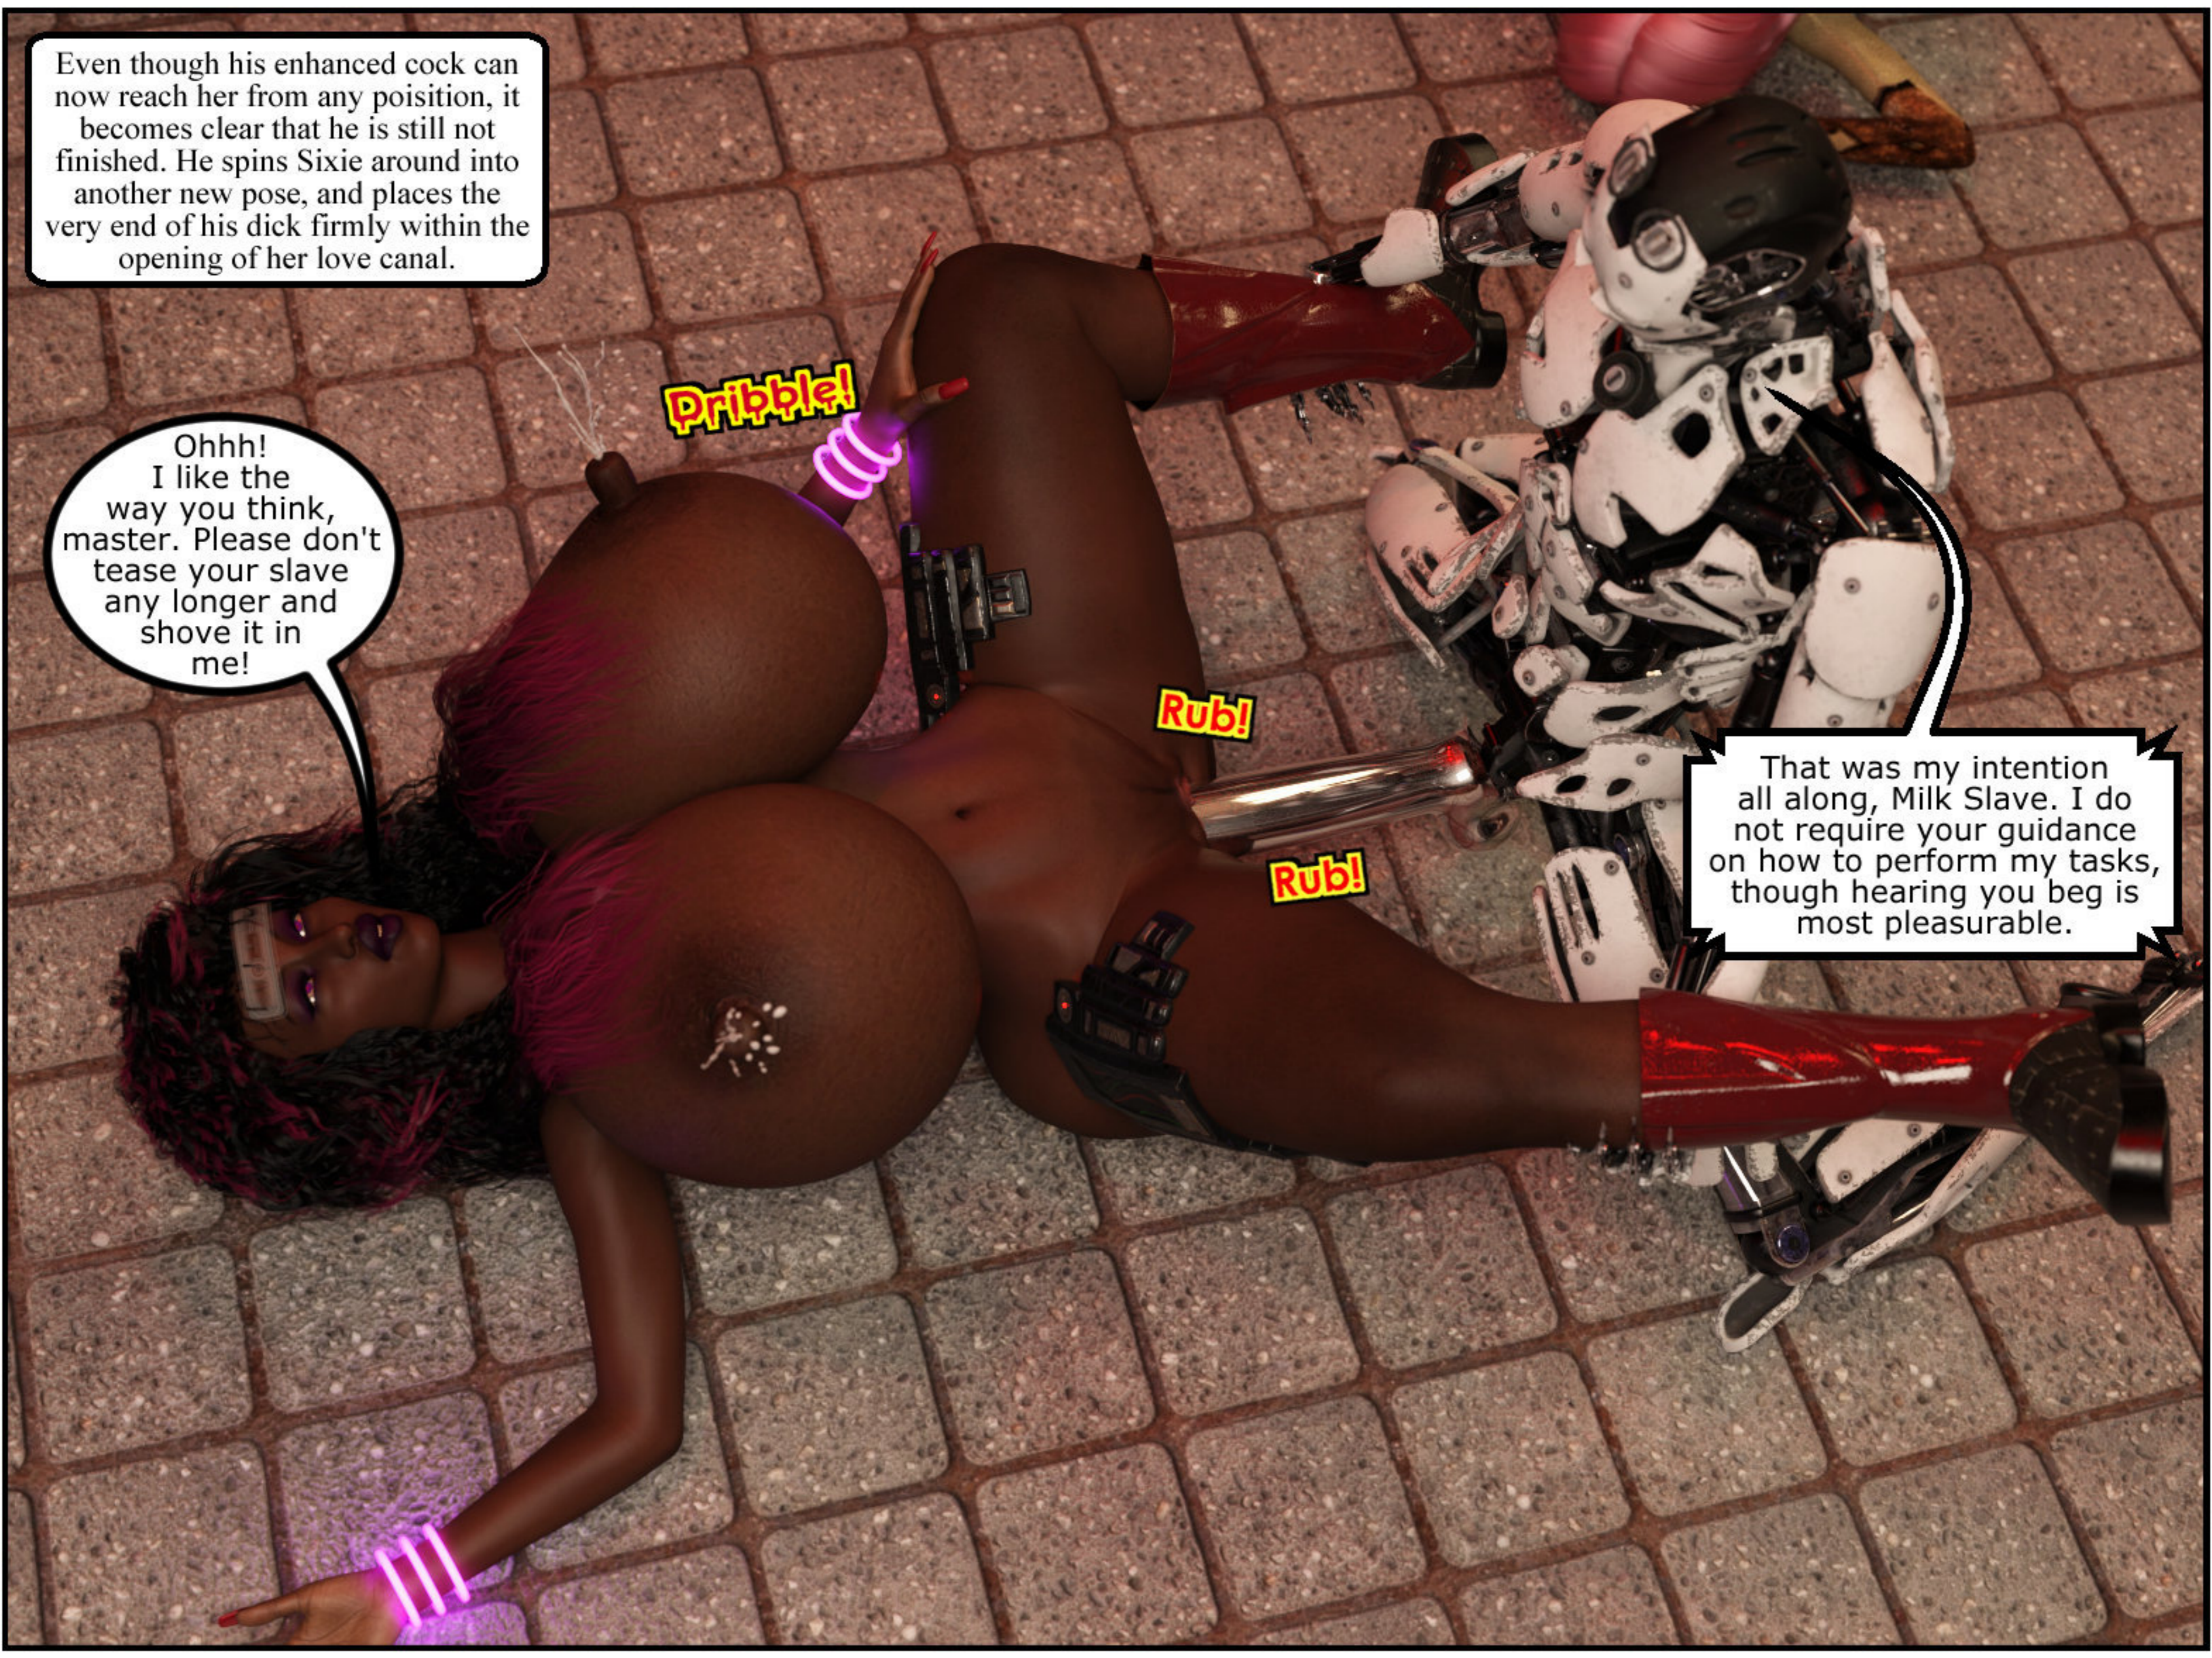

Ohhh!  
I like the way you think, master. Please don't tease your slave any longer and shove it in me!

Pribble!

Rub!

Rub!

That was my intention all along, Milk Slave. I do not require your guidance on how to perform my tasks, though hearing you beg is most pleasurable.

**Shove!**

**Stuff!**

**Fill!**

**Fatten!**

The Sperminator shoves his much longer penis deep inside of Sixie. Once he is at maximum depth, he gives a slight extra shove to increase the pressure. His fat cock then starts to expand and grow much thicker, fatter, and wider. Sixie's pussy stretches wide as her stomach distends from the swelling monster.

**Distend!**

**Thicken!**

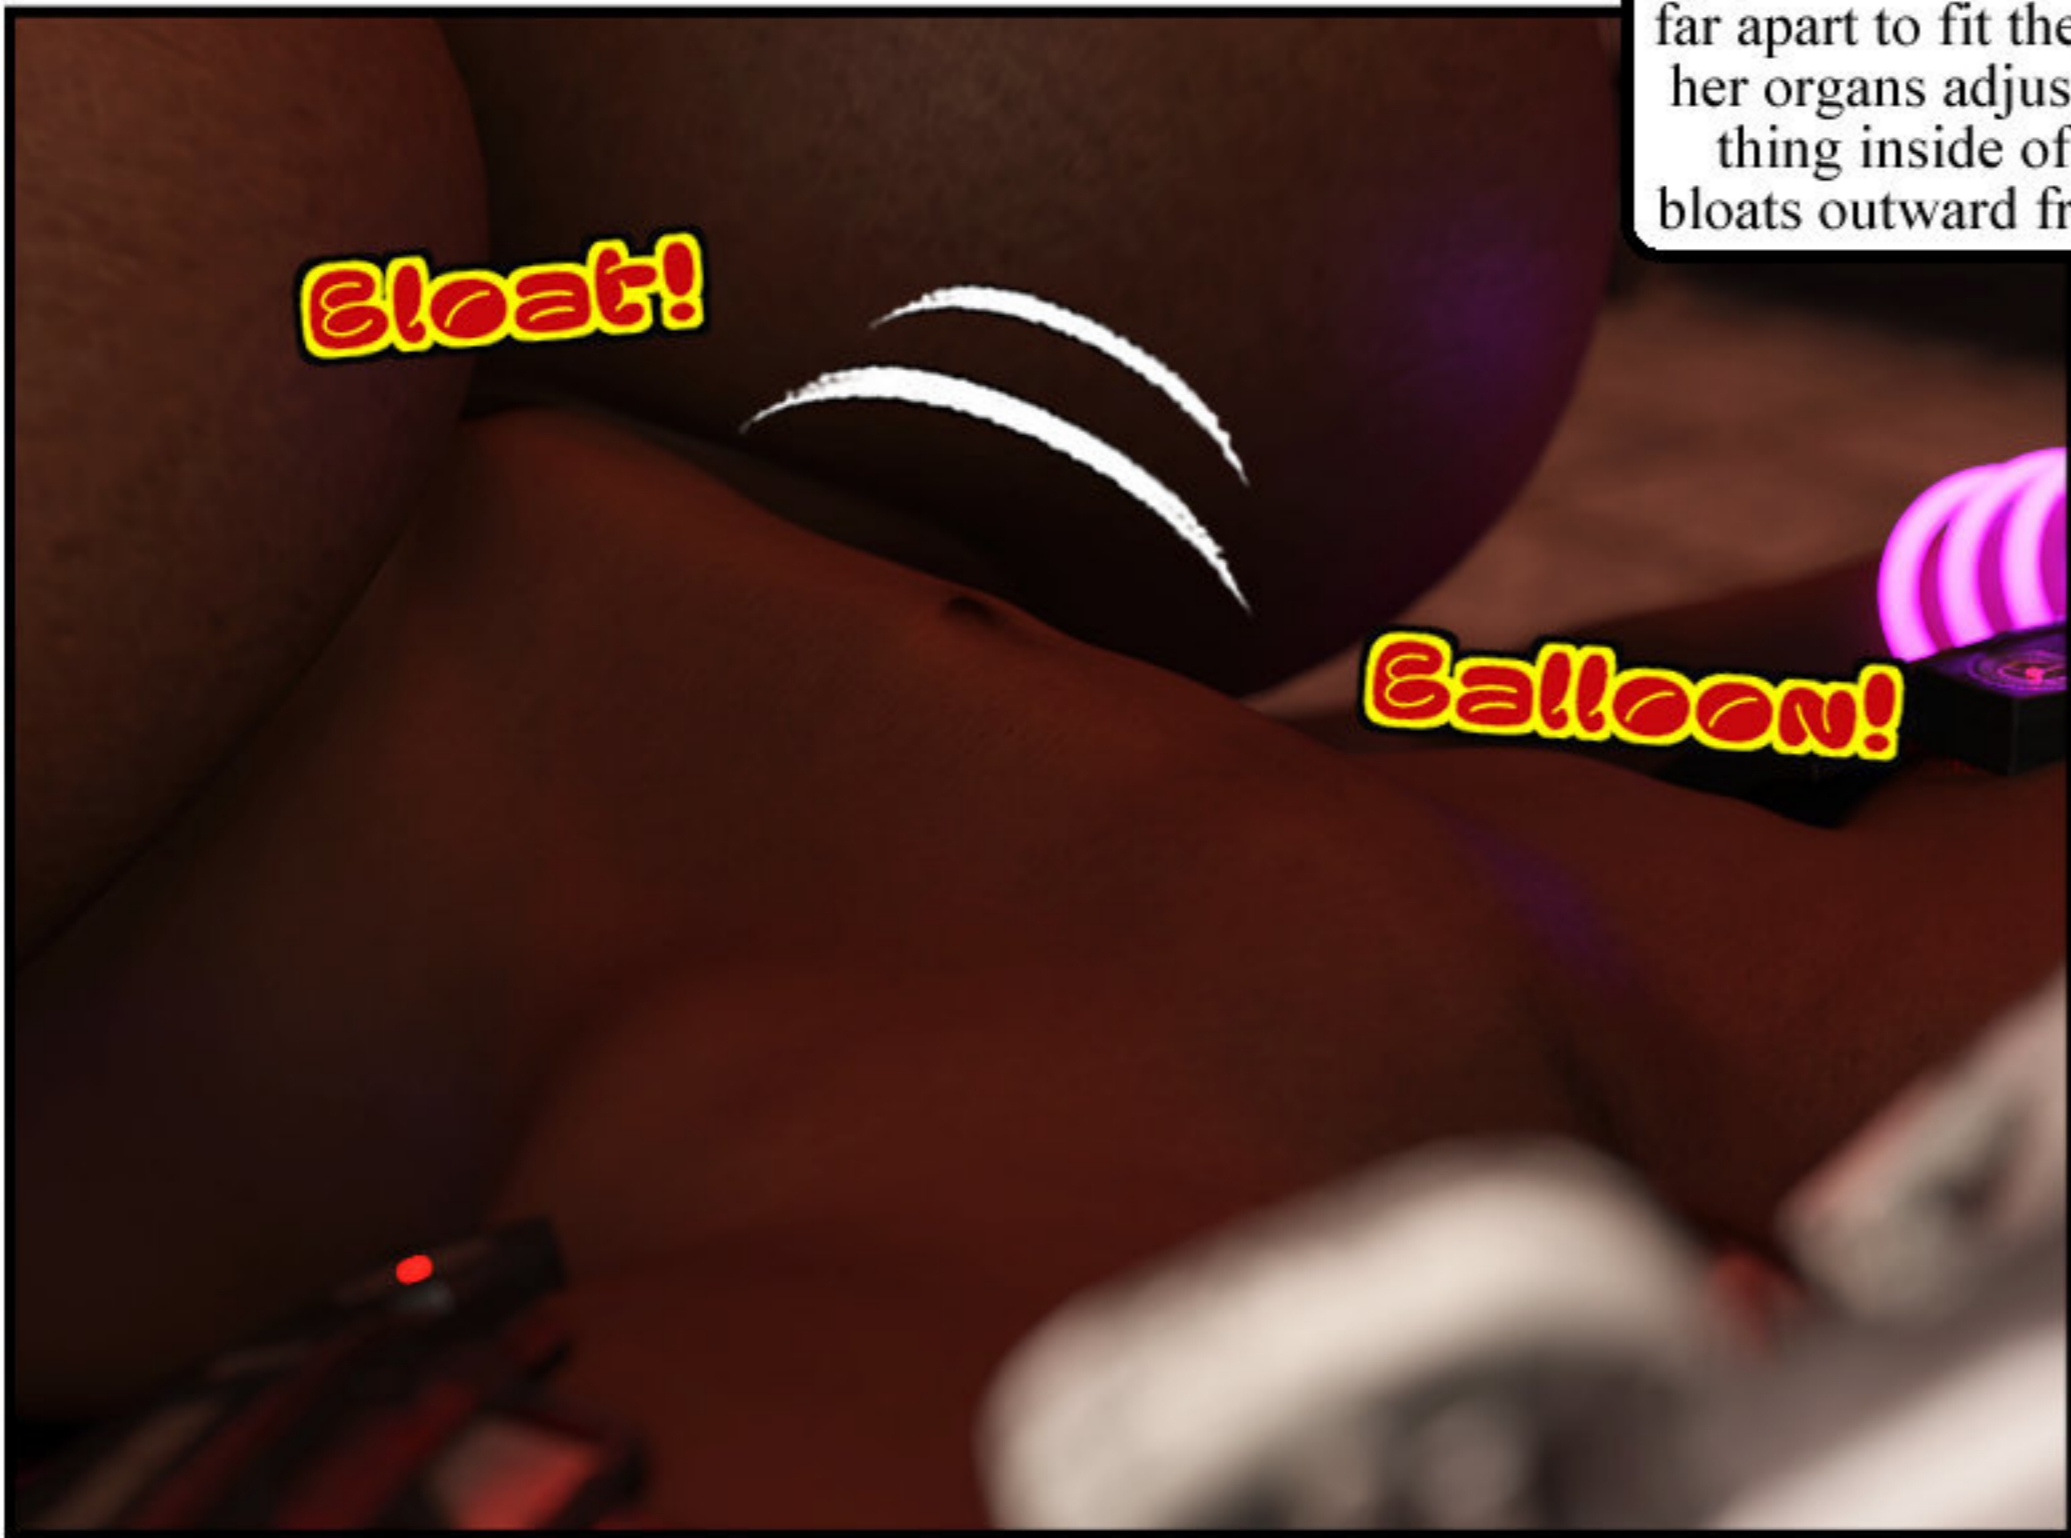

**Bulge!**

**Widen!**

**STTTTRRRREEETTTCCHHH!**

It is a testament to Sixie's artificial skin that it manages to accomodate the massive member. Her vagina gapes wide, as her legs are pushed far apart to fit the beast inside. Even her organs adjust position to fit the thing inside of her, as her belly bloats outward from the fat invader.

**Bloat!**

**Balloon!**

**QqQqohhhHhh!!!**

**GgGgAawWwqPp!!**

In a shocking display of horny-strength, Sixie manages to push the Sperminator down and straddle him. This shift in position causes his huge dong to slip out of her, but it reveals how enormous it has truly grown.

**Schwing!**

**MmMmOorRreEel!**

**Splurt!**

The Sperminator just smiles at Sixie, as she screams out her pleasure. She stands up and slowly lowers herself onto the ginormous penis. Soon she is bouncing up and down on it with reckless abandon, as her huge hooters jump all over the place and spurt milk with every rebound.

FffuUuGcCckKk!!

Squirt!

MmmMeEeeEe!!!

Fountain!

You are a wonder!  
Clearly you are ready,  
and I think you deserve  
a reward for being such  
an excellent specimen,  
Milk Slave!

Even the Sperminator is taken by surprise, as she leans back for even more leverage. She pumps herself up and down on him in an almost violent fashion. Nobody has ever taken him like this, and certainly not at this size. Sixie is in heaven. She has never experienced pleasure like this, which is saying something for a sex android!

It is very rare for the Sperminator to be impressed. Out of respect for Sixie's splendid performance, and in deference to her being possibly the most malleable subject he has encountered, he decides to give her a gift. Accordingly, his giant balls suddenly swell to triple their size.

And then he explodes, most violently,  
deep inside of her!

Spermination  
commencing!

**Expand!!**

**Englarge!!**

**Explode!**

Spermination achieved!

Stay tuned!  
Our story will  
continue.
