A woman with blonde hair in a high ponytail, wearing a red blazer over a light-colored top, stands in an office. She is surrounded by a dense field of blue, glowing digital particles or data points. The office background includes desks, chairs, and computer monitors. Two speech bubbles are present: one on the left with a black border and one on the right with a grey border.

A woman with blonde hair in a high ponytail, wearing a red blazer over a pink top, stands in an office. She is surrounded by a dense cloud of blue, sparkling magical particles. Her hands are raised to her ears. In the background, there is a desk with a computer monitor and a chair. A speech bubble on the left contains text, and a grey speech bubble on the right contains text.
