

It was nice talking to you, but I really need to get going now..!!

Ah, right..!

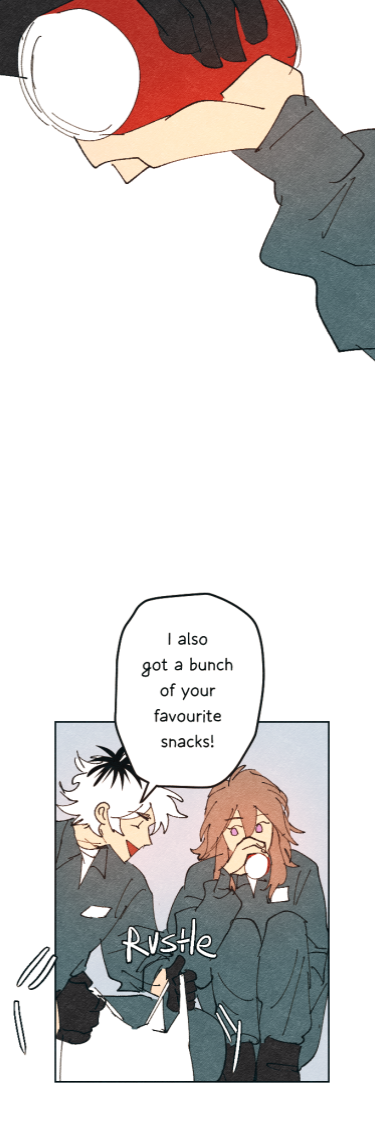

See you, Delle!

Just now..

He definitely said it..

HE SAID WE WERE FRIENDS..

Took you long enough..!

I'm parched!!

Oh, Right!

Here you go!

I also got a bunch of your favourite snacks!

rustle

Jesus, Did you rob a convenience store or something?!

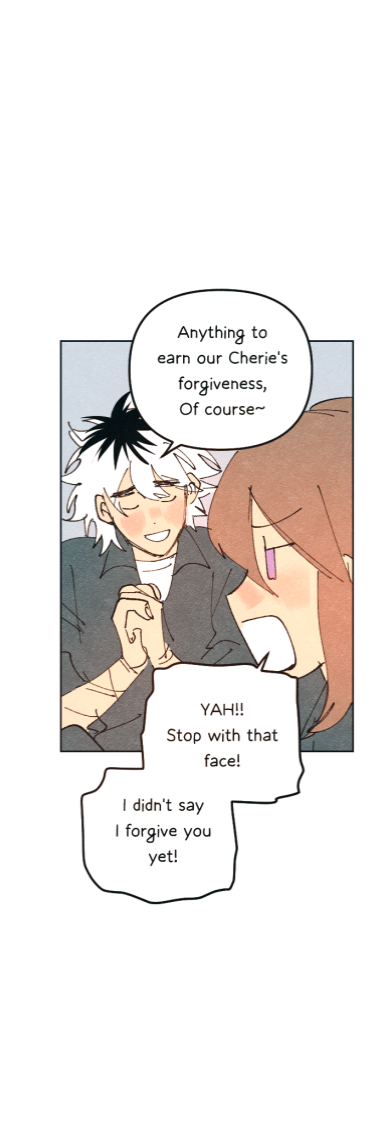

How much even is this?! I'll pay you back.

Nooo..!

Think of it as a thank you!

If you hadn't shown up, I would've been here 'til 7AM or something!

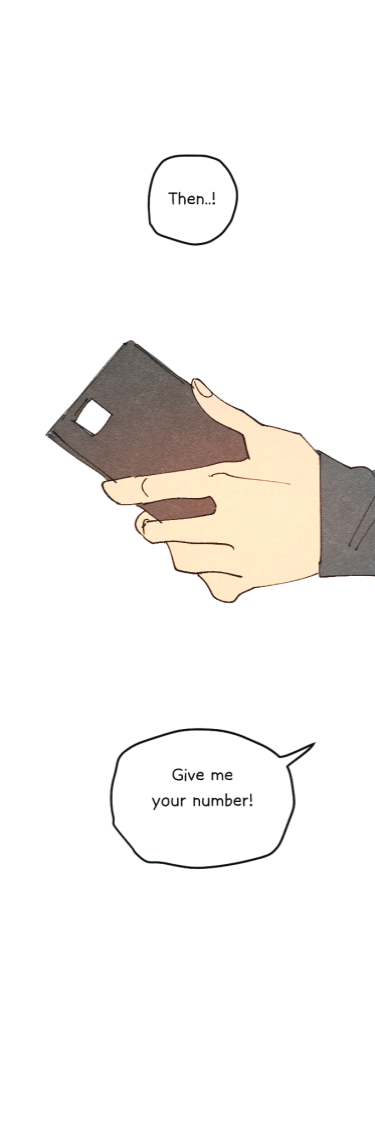

That's brutal..

I'll kill those people at Sector 7 for over-working you!

Haha, If you do, the Syndicate might explode.

Sector 7 is just as understaffed as Sector 1, we need them..!

Besides..

It was my penalty to bear.

Anything to earn our Cherie's forgiveness, Of course~

YAH!! Stop with that face!

I didn't say I forgive you yet!

You still have to atone for your sins!

I'm willing to do whatever it takes~

Then..!

Give me your number!

Eh?

It would be really inconvenient if I had to go through the Syndicate hotline everytime I wanted to talk to you..

Wouldn't it?
