

I said I'd do anything in my power to get the Prince to go with me..

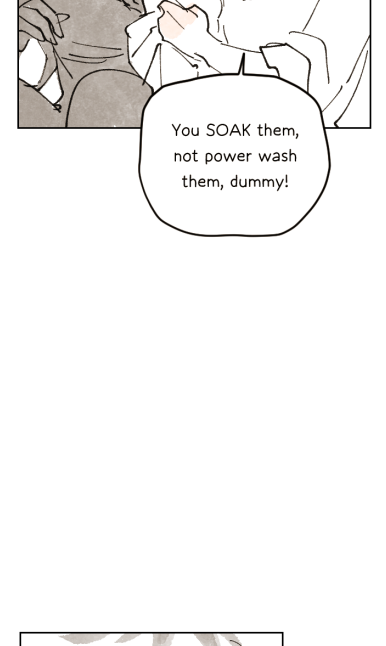

But.. is this really in my power??

I've never had to prep fruits before!

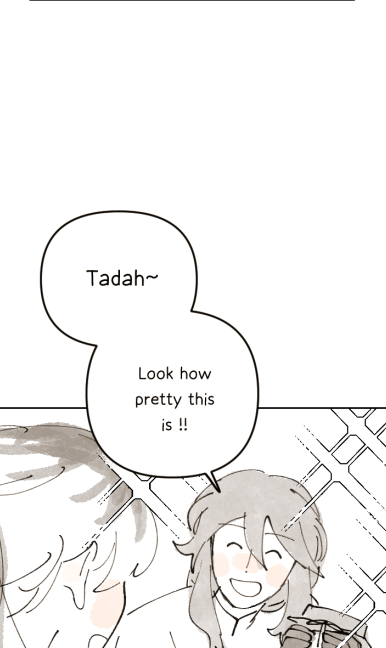

Honestly I had no idea what I was agreeing to

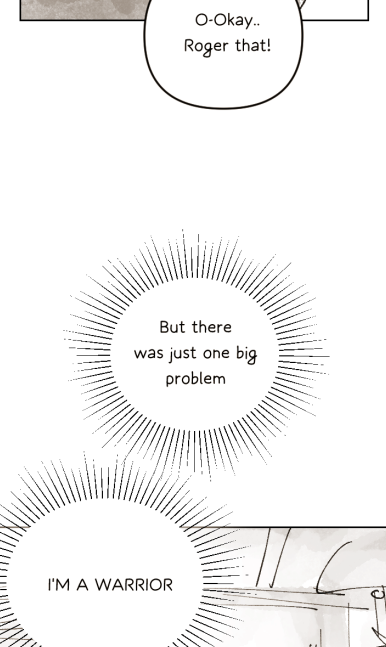

How am I gonna get any business at this rate?

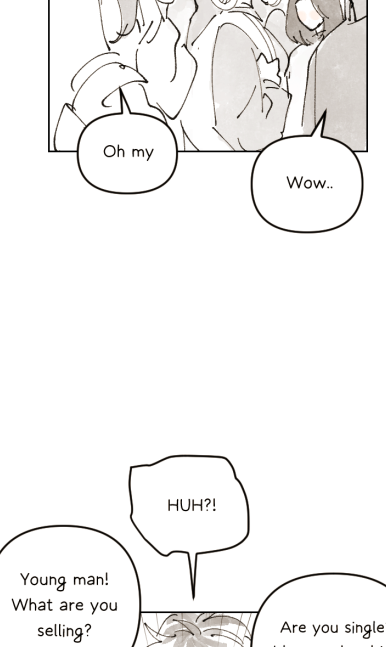

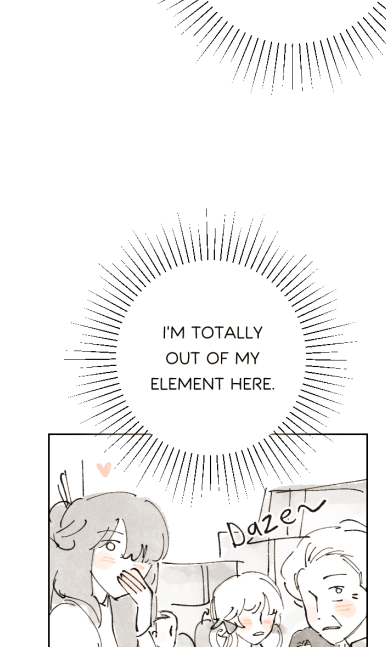

I agreed to help but..

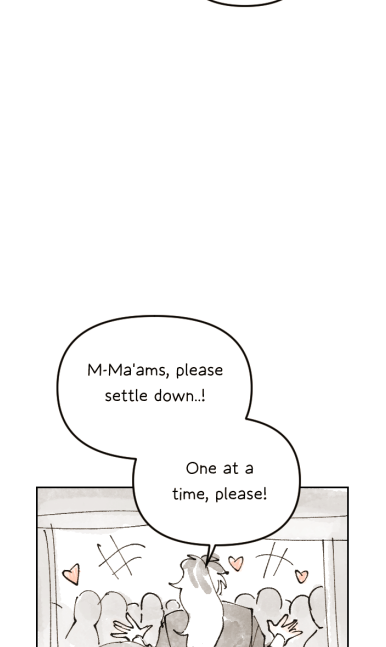

If I'm gone for a week, all my fruits and vegetables will spoil.

There's a farmer's market today, so just help me get rid of my stock.

Okay..

I thought he just wanted me to carry the bags..

Not.. what ever this is.

Am I even doing it right?

YAHH!!! WHAT THE HELL?!

YOU'RE BEING TO ROUGH WITH THEM!!

MY PRECIOUS BERRIES!!

What do you mean..?

THEY'RE CRUSHED!!

YOU DAMN MUSCLE FOR BRAINS!

S-Sorry.

MOVE! Ugh!! Have you never prep fruits before?!

You SOAK them, not power wash them, dummy!

Fruits are delicate! I worked hard for these you know!

I should've known better than trust someone from the Palace to do my work for me

Thank God I turned around in time!

You would've spoiled the entire batch!

Tadah~

Look how pretty this is !!

You make it look so easy!

It IS easy, but I don't trust you to do the rest of the batch anymore.

I-I can try, your Majesty-

Ughhh, gross. Don't call me that

Just get to the front and try to greet customers!

O-Okay.. Roger that!

But there was just one big problem

I'M A WARRIOR

WHAT DO I KNOW ABOUT CUSTOMER SERVICE?!

I'M TOTALLY OUT OF MY ELEMENT HERE.

Oh my

Wow..

HUH?!

Young man! What are you selling?

Are you single? I have a daughter around your age!!

Oh, I-

HUH!?

Whatever it is, I'll take five jars!

I'll take anything!

Move, hag! I want ten!

M-Ma'ams, please settle down..!

One at a time, please!

What's with the commotion up there?
