

**Purple/pink
crystals**

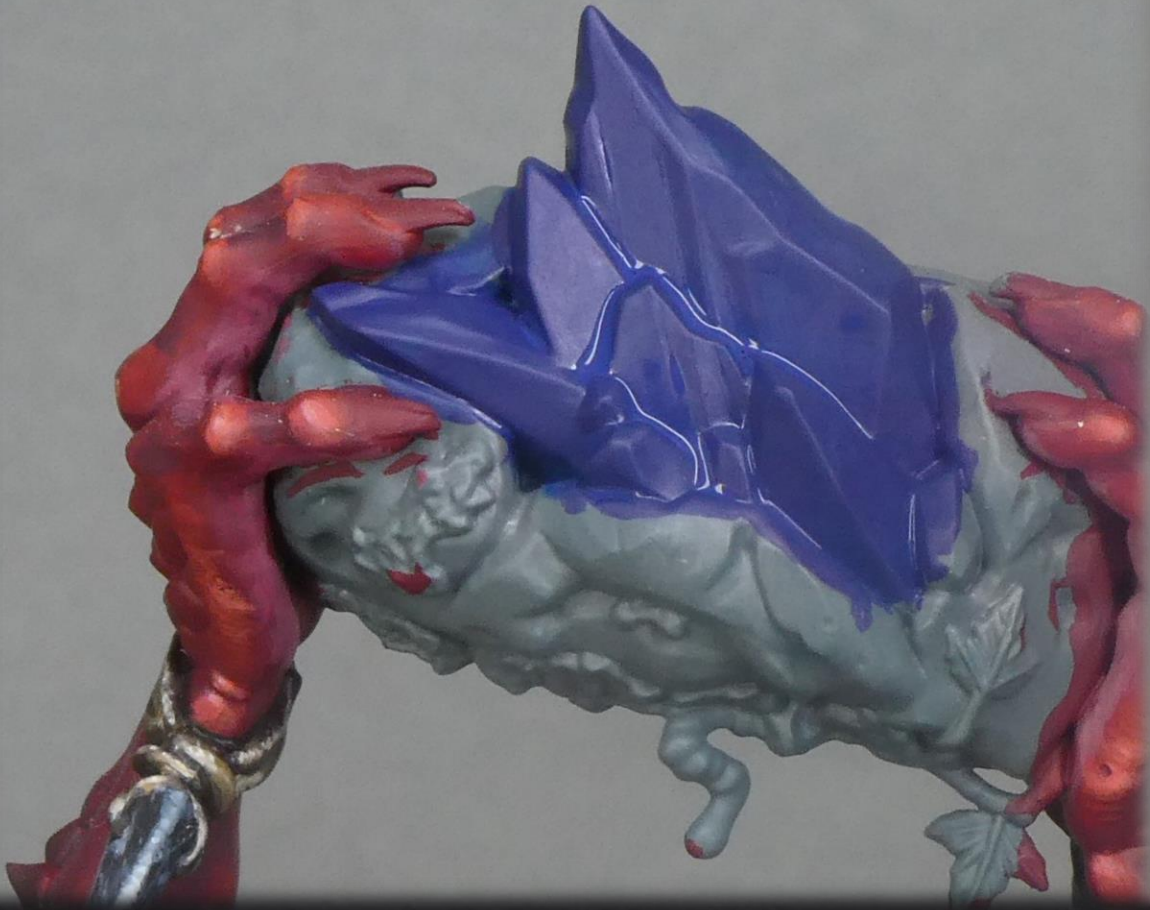

Step-by-step

◆ Paints required:

Purple/pink crystals

- Kantor blue
- Royal purple (vallejo mc)
- Pink (vallejo mc)
- Magenta (Vallejo mc)
- Abaddon black
- White

Basecoat the crystals with a 1:1 mix of kantor blue & royal purple

We now glaze the lower half of the crystals with a 2:1 mix of royal purple & kantor blue. Add 3-4 parts of water.

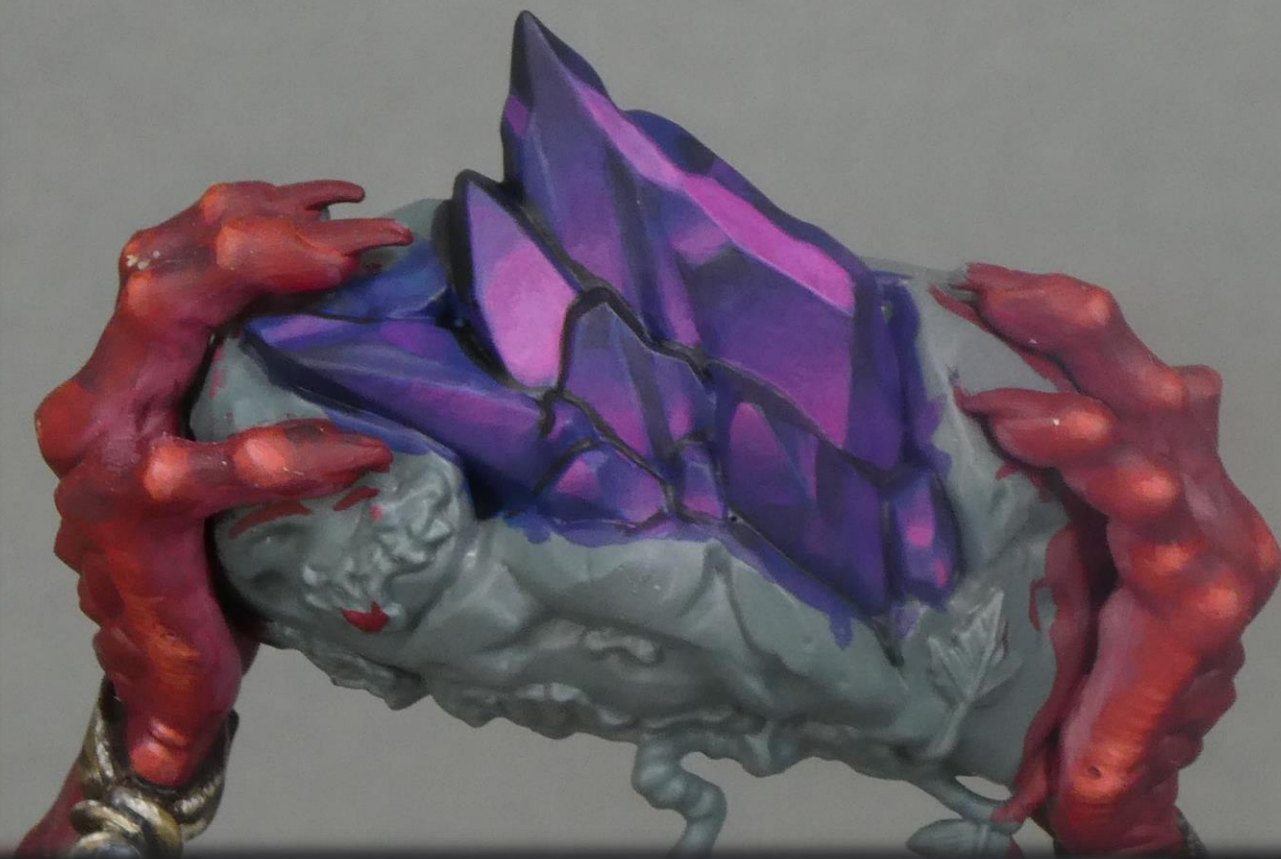

We now make a 2:1 mix of royal purple & magenta, & glaze more towards the lower quarter of the crystals.

We now glaze the lower quarter of the crystals with pure magenta.

We now glaze the lowest area of the crystals with a 2:1 mix of magenta & pink.

We now shade the upper quarter of the crystals with a 1:1:1 mix of royal purple, kantor blue & abaddon black. Add 2-3 parts of water.

We now edge highlight the crystals with a 1:1 mix of magenta & pink. Add 1-2 parts of water.

We now leave a dot of white on all the sharpest edges on the crystals. Done!
