

Calm
down...

Just a
nightmare.

Just the
red of

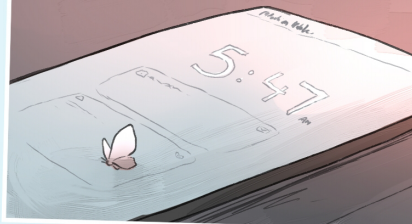

the
sunrise.

squint

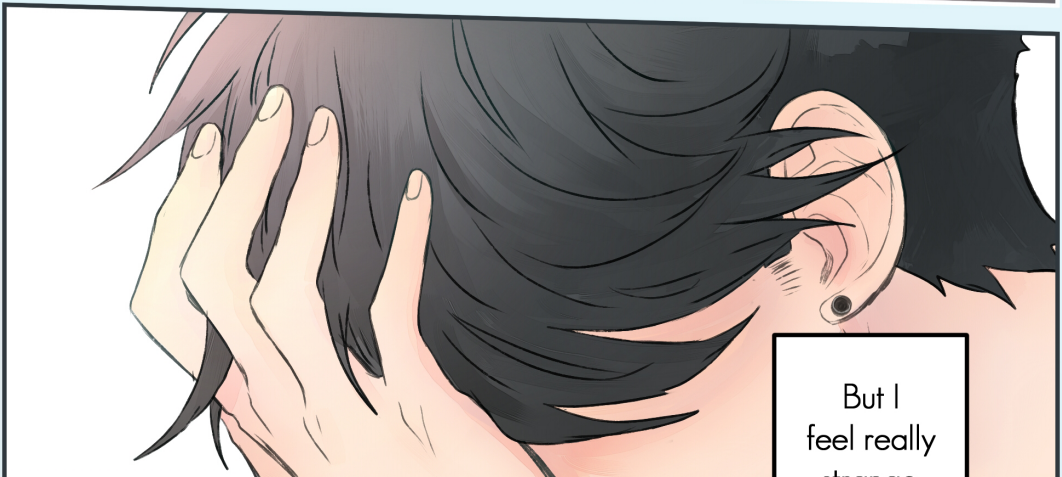

What did
I dream
about...?

I can't
remember,
at all.

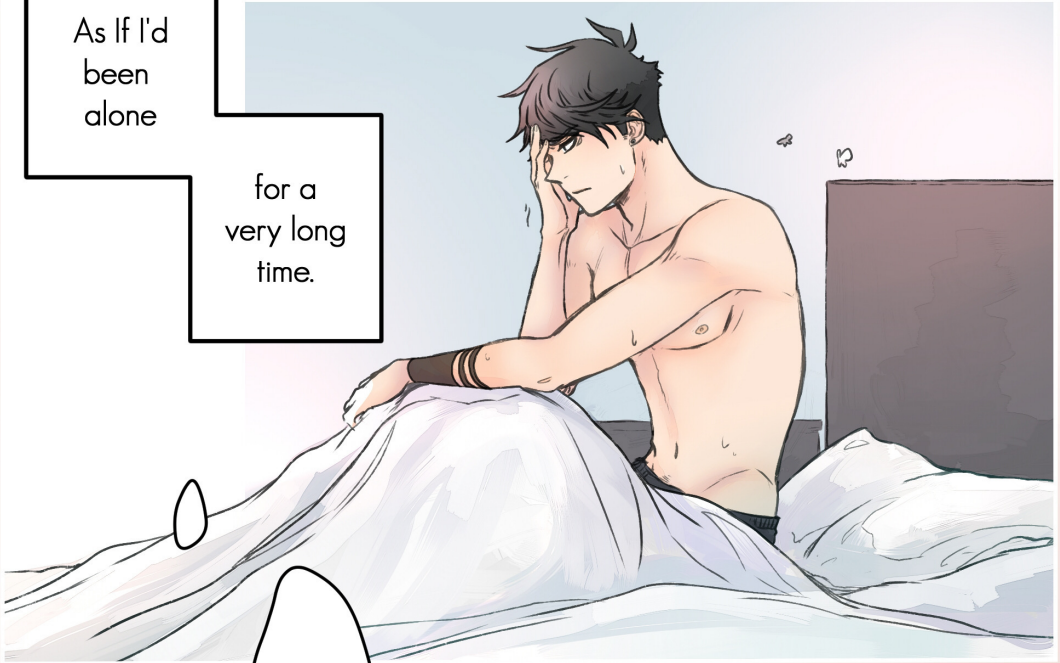

But I
feel really
strange.

As If I'd
been
alone

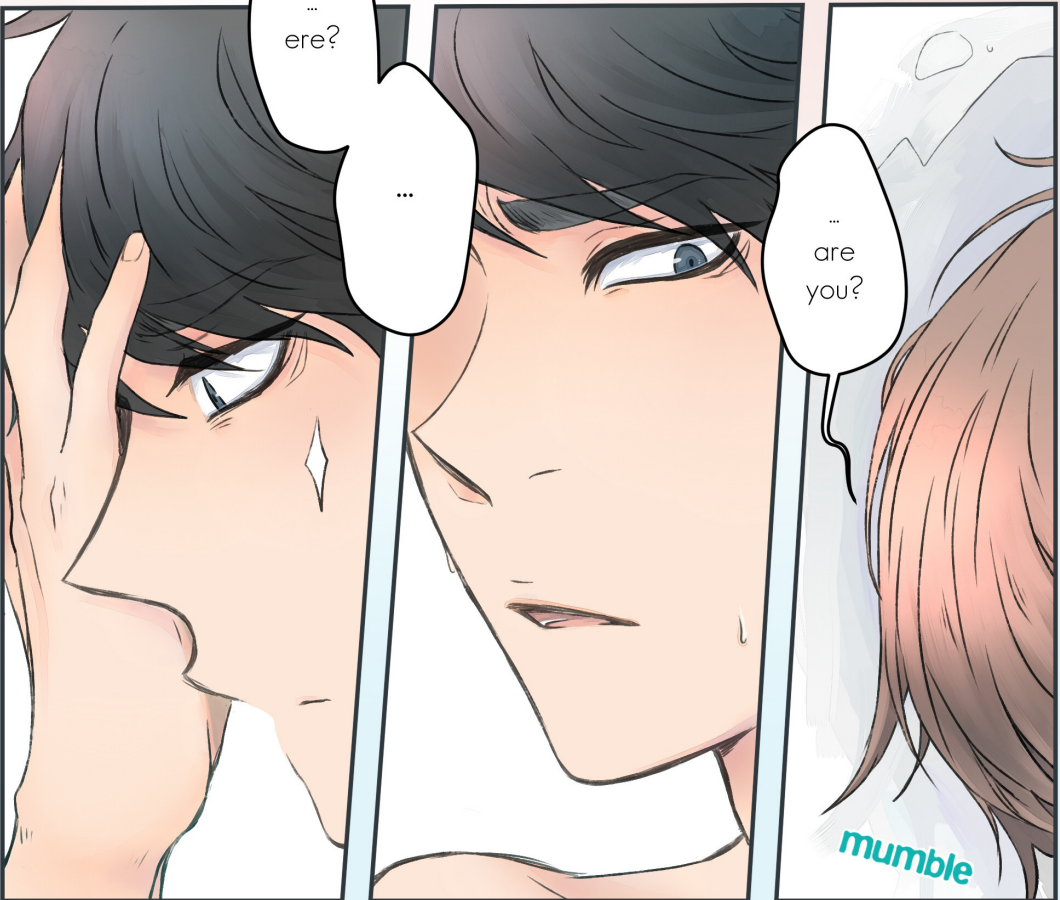

for a
very long
time.

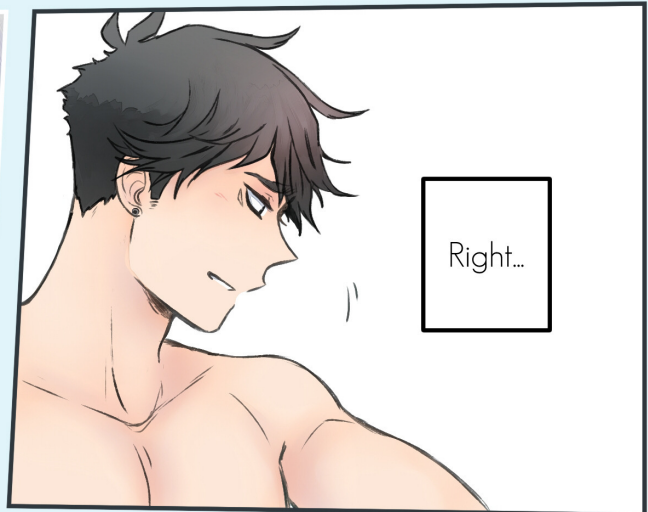

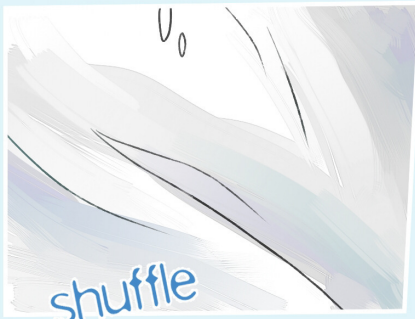

...
ere?

...

...
are
you?

mumble

Wait-

His arms-

spread

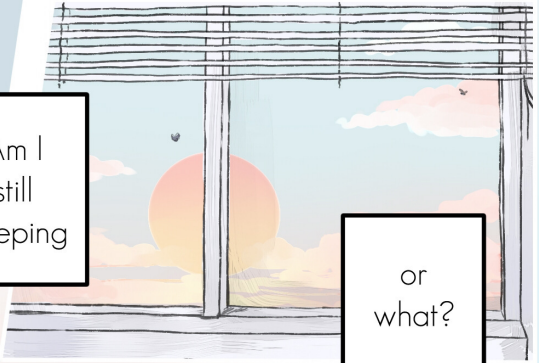

His arms are-?!

ughh

Must be shadows.

Am I still sleeping

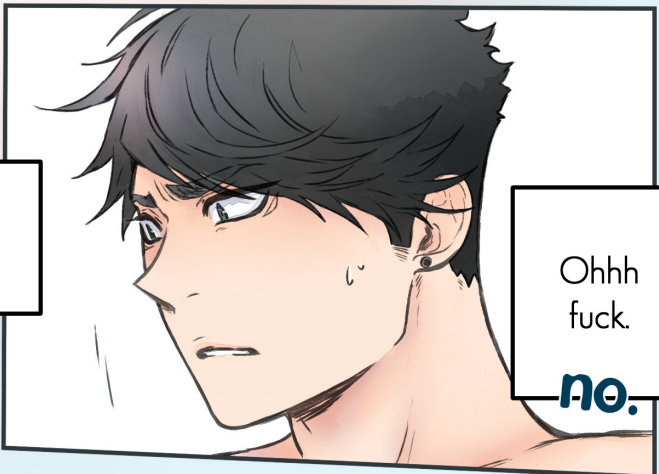

or what?

sleeping?

...!

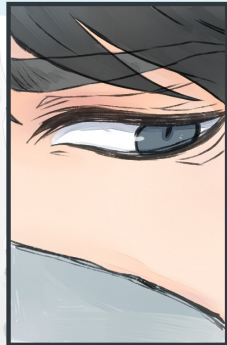

Ohhh fuck.
no.

Yesterday,

I kissed him.

realize

Great.
