Bizarre Masks

Their expressions are brought to life only by the mysterious eyes hiding within it.

1. **{Mask of the Blind Sage}** This fragile mask, made from layered parchments and ancient book covers, resembles a pair of hands which cover the wearer's eyes.
2. **{Mask of Timeless Expressions}** Assembled with thousands of tiny turning gears and clock hands, this mask's expression subtly changes every minute.
3. **{Mask of the Mourning Angel}** This porcelain mask is framed by 3 pairs of curling bronze wings and covered in a dozen unblinking eyes, all of which weep incessant black tears.
4. **{Mask of the Pixie Shepherd}** Poorly carved with 2 uneven eye holes and a crooked grin, the only remarkable accent to this mask are its 2 tattered pixie wings which droop down like donkey ears.
5. **{Mask of the Desert Trickster}** Whenever this exotic silk scarf is wrapped around ones head, the hundreds of different eye, nose, ear, and mouth patterns sewn into it can take on any appearance or expression the wearer desires.
6. **{Mask of Old Demons}** This crochet mask's tattered threads resembles an unsettling clown prince and is pulled over one's head like a sock puppet.

Disguised Curses

Masks conceal far more than one's identity.

1. **{Sight Snatcher}** It steals your eyes if you wear it longer than 1 hour.
2. **{Uneasy Glares}** Everyone appears either nervous or angry when looking through it.

3. **{Wretched Grin}** Vomit uncontrollably if you eat anything while wearing the mask.
4. **{Succubus's Kiss}** It is incredibly easy for you to be charmed while wearing it.
5. **{Hidden Soul}** The gods are unable to see those who wear it, nor bless them with their healing magics.

6. **{Fiendish Scent}** Every moment it is worn, a demon gets closer to finding you.
7. **{False Tongue}** Others can hear your thoughts if the mask wishes them to.
8. **{Barbed}** If not carefully removed, it will take a layer of flesh as a souvenir.

Concealed Boons

It offers more than a simple disguise.

1. **{Dwarf Eyes}** You can see through stone but can't take your eyes of gemstones.
2. **{Winged Ears}** Your head, and only your head, gains the ability to fly.
3. **{Liar's Sight}** One's true intentions are plain to read on their lips.
4. **{Spell Hound}** You can easily follow the scent of magic [it reeks].
5. **{Gaze Jumper}** By merely locking eyes with someone, you can swap places with them [the target reappears wearing the mask].
6. **{Polyglot}** Can poorly speak any language.
