A photograph of an empty classroom. In the foreground, several rows of wooden desks and chairs are visible. The chairs have a reddish-brown fabric backrest. A large window in the background looks out onto a building under construction, with visible concrete frames and some scaffolding. The lighting is warm, suggesting late afternoon or early morning. A white speech bubble with a black border is positioned on the left side of the image, containing the text "Summer vacation is coming within a week!".

A close-up shot of a woman with long, straight brown hair and light-colored eyes. She has a black spider on her lower lip. She is wearing a light-colored blazer over a white collared shirt and a blue bow tie. The background is a dark street at night with Japanese signs, including one for '7-Eleven' and another with '酒' (alcohol) and '銀行ATM' (bank ATM).

"I supposed I will stay here as I pleased."

Or turn this place
into my home!
