We're superheroes, not employees!

Not much further, boys!

I promise this will be a life changing offer! I want you to be my personal bodyguards!

As much as I hate to say it, my brother is right! We're not for hire!

Did I imply you had a *choice* in the matter, Hawk?

Hank! Are you alright!?

Now we have their super powers! And their costumes! Hah! They're just weak normal kids, now!

I'm going to have a lot of fun breaking the pair of you!

Don... my powers! They're gone!

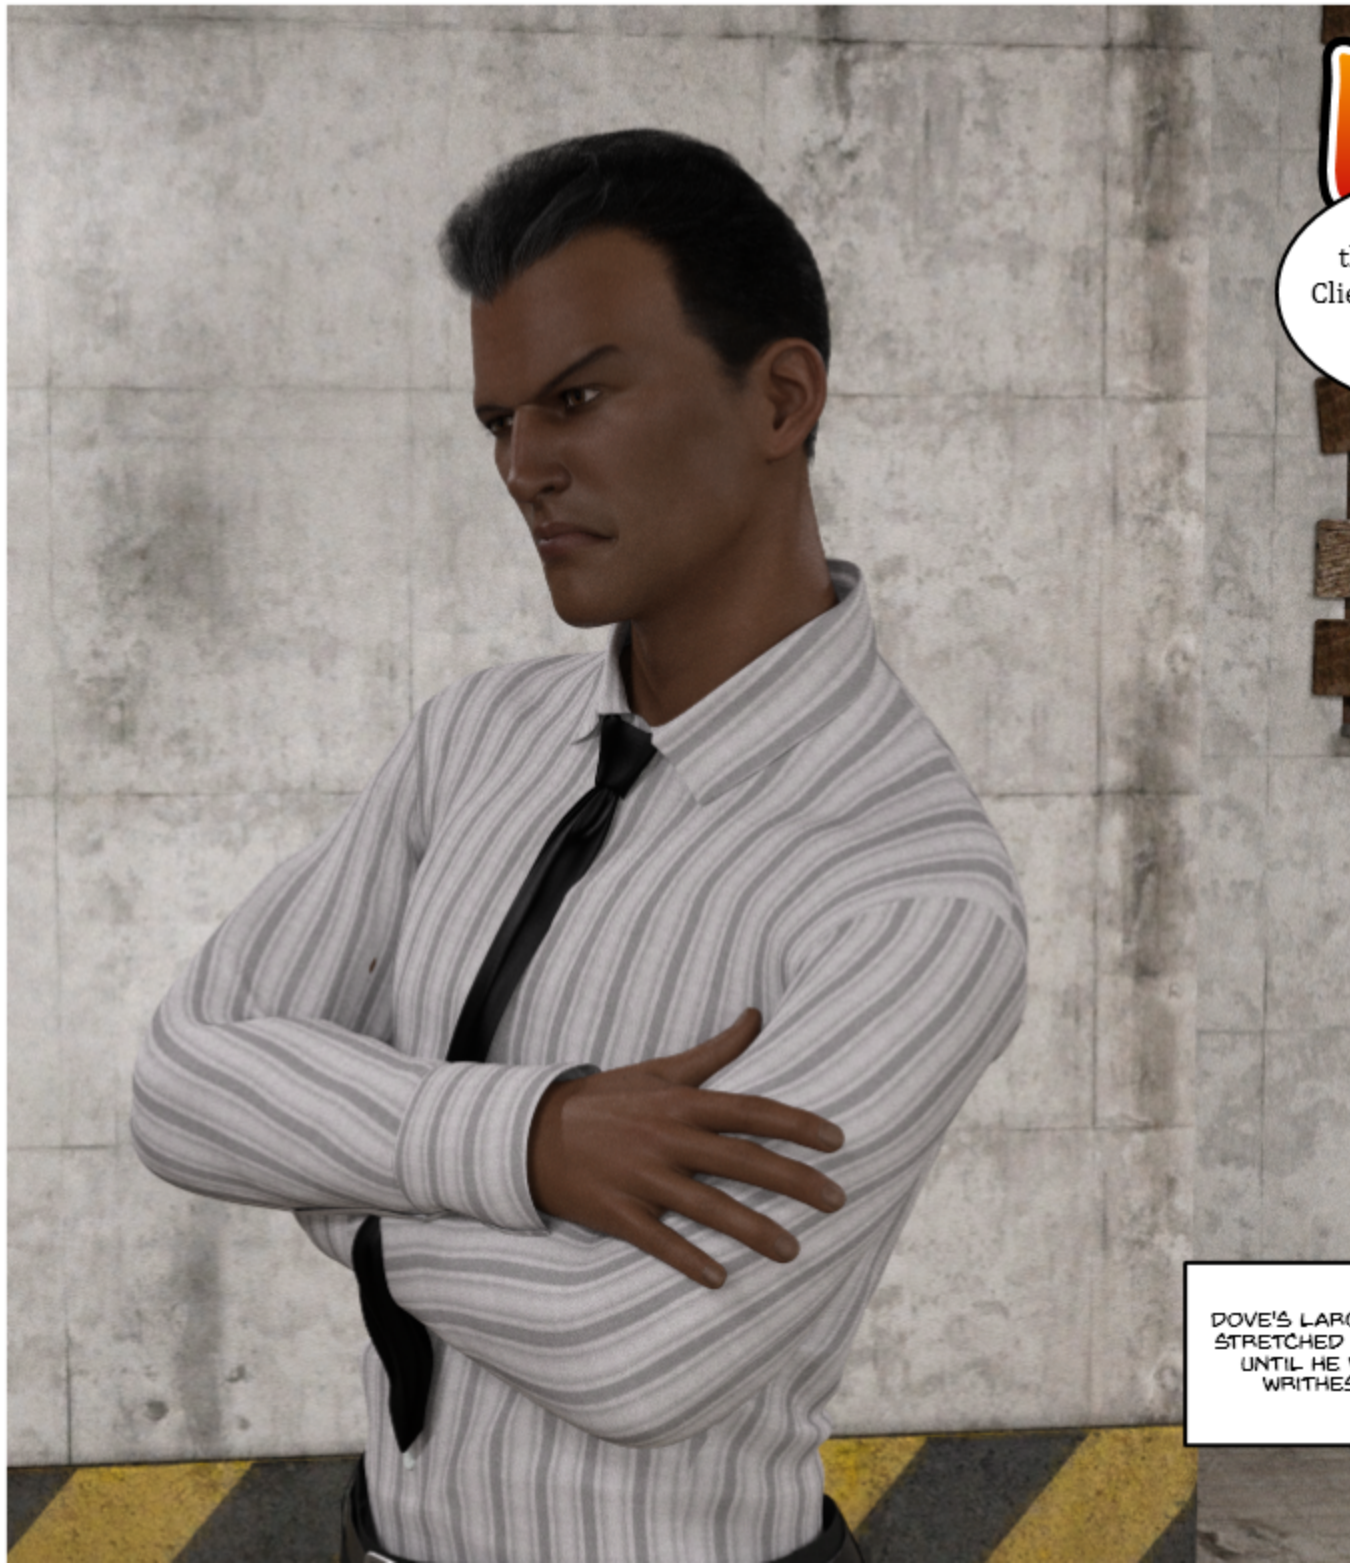

That's it, Hawk! Fight it! It only makes it more pleasant when you finally succumb!

HAWK AND DOVE ARE SWIFTLY BOUND AND COLLARED!

Here's a nice tight collar for you, Dove! You belong to us, now!

AMIGH!

Look at the camera, boy! Clients have to know what they are getting!

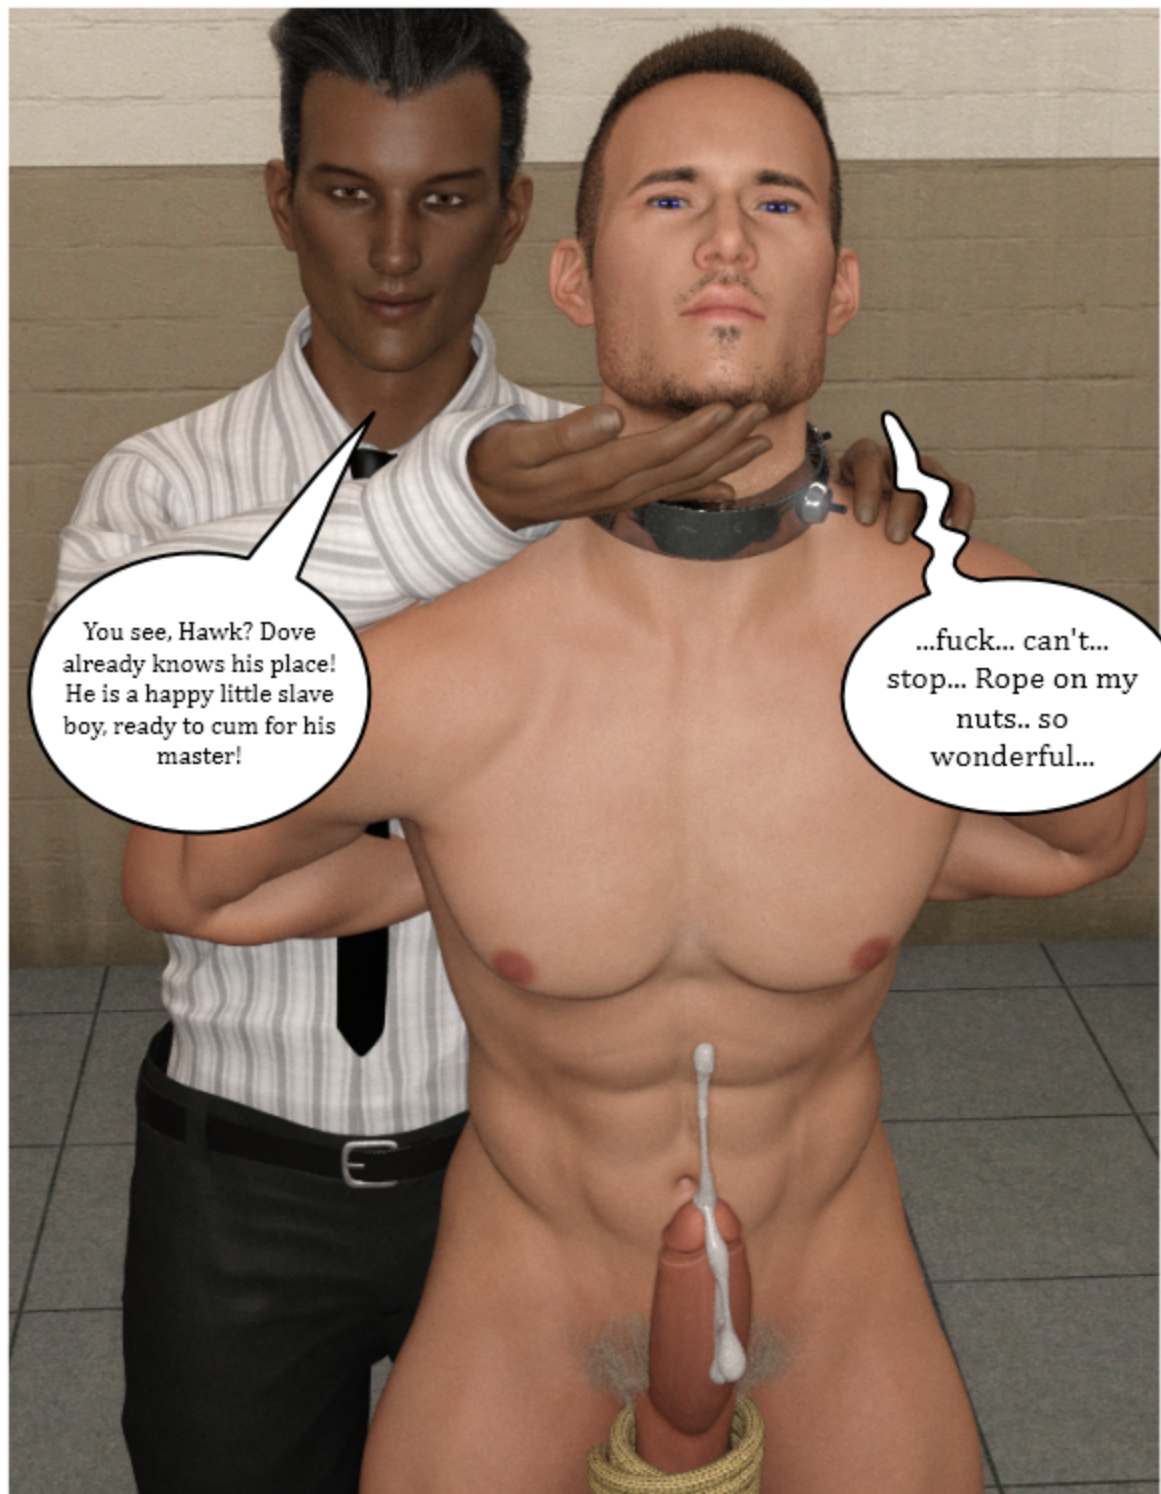

Let's get on with it! I have a meeting this evening with the Chief of Police! I have to tell him that the ninja's captured you boys, and who know if you'll ever be back...?
