Usage held in 1 hand; Bulk L

This +1 Striking pair of magic daggers have small blades and long handles made of gold and iron. Inside each of them, there's a bluish-green gemstone. Looking closely at the gem, you can see bolts of energy flowing inside it, like a trapped storm.

When you hit the same creature with both these daggers in the same turn, you can use a reaction to activate the electric gemstone. Lightning arcs flow from this weapon, dealing an extra 1d8 electricity damage. On a critical hit, energy leaps to a different creature of your choice within 10 feet of it to deal an equal amount of electricity damage, and the target of the strikes takes 1d4 persistent electricity damage.

Activate  interact; **Trigger** You strike the same creature in the same turn with both these daggers.
