

# Walkthrough for Hypnosis v0.1.9

Hey! Thanks for downloading and playing the game. I appreciate it!

I designed the game with several branching paths, as well as some early endings.

If you want to play it casually, you can make your way to the main ending comfortably by simply choosing the top choice every time.

Wish that had been true in school.

I tried to keep everything as much common sense and character based as I could.

If you want to be the asshole, go for it.

If you want to date the girls and be their hero, good work.

The five main girls each have their own personalities and this applies to their reactions.

Leah – values honesty. Tell her the truth. She'll dig it. This will be your best plan long term. Careful going too far too fast with her or you might get kicked out of the house.

Ashley – more naive than she lets on. At the end of the day she just wants to cuddle. I recommend planning your choices around making her feel comfortable.

Laura – expects everyone to be just as self serving as she is. She also thinks she is smarter than she is. She responds best towards you acting like an asshole to her. She doesn't know what she wants and she would rather you tell her.

Grace – acts like a badass but is really just protecting herself. She's had guys shit on her in the past and she is hesitant to let anyone in. She will keep you at arms length unless you push your way in. She is the most likely and first to have casual hookups, but if you want more you'll have to work for it.

Jenn – the most damaged of the girls. The other girls bully her, and it's up to you if you would rather take advantage of her fragile state by making her more submissive or if you want to build her up and try to fix her.

Otherwise, here is a rundown of the choices and what they mean.

Green – nice guy

Red – asshole

Purple – main story

Blue – skips scene (and possibly ends relationship with the girl)

Yellow – early ending

#### **First choice:**

##### 1. Do what the girls told you to

This will put you on good terms with Laura. Grace will call you her boyfriend.

You offend Jenn but she will be open to having a submissive relationship with you.

##### 2. Don't be a dick

Laura won't allow you into her bitchy club. Grace will call you her enemy.

You don't offend Jenn and she will want a more love based relationship

##### 3. Tell a joke

Get on everyone's bad side. Make them all mad at you!

#### **Second choice:**

##### 1. Absolutely.

Later in the game, Leah will choose to not go too large with her tits.

##### 2. I mean...

Later in the game, Leah will want to keep going bigger.

**Third choice:**

1. **Blow me in the bathroom**

Your first BJ! Congrats.

2. **You're lucky I'm a nice guy**

Skips the scene

**Fourth choice:**

Your choice!

Only changes dialogue

**Fifth choice:**

1. **Get in here!**

Your first kiss with Leah.

2. **Not a good idea**

Skips the kiss

**Sixth choice:**

1. **The pleasure was all mine**

Continues the game.

2. **You should stay**

First (early) ending. If you choose it, save before so you can go back.

**Seventh choice:**

1. **Yes**

You go down on Grace first and she enjoys herself

2. **No**

She goes down on you and you enjoy yourself

**Eighth choice:**

Your choice

**Ninth choice:**

1. **Sure, man. Game on**

Gets you permission from Cory to go after Leah. You technically give him the go ahead to go after Ashley, but fear not. He won't get anywhere.

2. **Sorry, man. I really like the girl.**

This choice will make things more difficult. Especially a threesome with Ashley and Leah.

**Tenth choice:**

1. **Yes, but that's not the point.**

Honesty is good with Leah.

2. **No, but that's not the point.**

**Eleventh choice:**

1. **Sure, text me the address**

Continues scene with Jenn and Haley

2. **Sorry. Have to finish this**

Ends scene

**Twelfth (that's a weird looking fucking word) choice:**

1. Just kiss her

The better choice

2. Lick the ice cream off her lips

You try to be cute and it comes off creepy

**Thirteenth choice:**

1. That's too bad. You could really use some tits.

Trash talking is fun.

2. That's too bad. But you look good either way.

Kiss ass.

**Fourteenth choice:**

1. Sure

Scene with Laura

2. Sorry

Skips the scene

**Fifteenth choice:**

1. You mean like Grace's asshole?

Trash talking is the best!

2. Say nothing

Pussy.

**Sixteenth choice:**

1. **Sure.**

Allows subplot with Haley.

2. **No. Thanks for asking though**

Ends subplot with Haley. If it makes your choice, she might get hotter later.

**Seventeenth choice:**

1. **Knock yourself out.**

Keep pumping her stomach

2. **I'm good.**

Because blowjobs are bad?

**Eighteenth choice:**

1. **Of course!**

Keep going.

2. **Nah girl.**

Only halfway full

**Nineteenth choice:**

1. **That's exactly what you should say!**

End of the game for now. More to come!

2. **Boyfriend?**

End of the game for now. More to come!

3. **Boyfriend? Don't say that around Grace!**

Gives other early ending. In this one you got kicked out of the house but still end up with Leah.

Thanks for playing!
