

Elyn's Panties

By

I sat in front of my PC as usual. Wasted my adult life playing games like a useless teenager. Unemployed, no education, no girlfriend.

In all of my life, I never once had the courage to confess to a girl I liked. All that puberty just went by without any female contact. The only achievement I ever had was to take a peek at little girls' panties. For some reason, my eyes are always glued to little girls.

These pure angels are amazing. Their bodies look small and fragile. Their skin is so smooth and tender. Their cute little faces always made my heart flutter. If I had a chance to taste this sweet forbidden fruit, I wouldn't hesitate again. even if it costs me my life.

The delicate fruit with black silk hair, cheeks that blush like a cherry, and sweet little lips, is right around me. My little niece, Elyn, a five year old kindergartener who just came back from school. Jumping, trying to reach an action figure that I kept away from her.

I stared. Took a peek at her panties while she jumped around. A cute kiddy white panties with pink polka dot. Every time I looked at it, I always imagined the smell of that silk. piece of fabric that absorbed all the sweat of Elyn's private part.

She looked back at me with a frown on her face. "Uncle John, please let me play with your toy. Pleaseee~" she begged with her puppy eyes.

"No." I said it with a firm tone. "You will break it. Also, my name is not John."

I tried to keep my cool. But her sweet begging almost made me lose myself. If she can beg for a toy, I wonder how cute she will be when she begs for a dick.

Elyn pouted at me. Her cherry cheeks look so puffy. I can no longer resist myself.

(I want to touch her!)

"Why don't you come here and play with your uncle, Elyn?" I invited her with a perverted intention.

She innocently came to me. Climbed onto my lap and tried to look at my PC screen curiously.

"What game are you playing, Uncle?"

Her silky hair caressed my nose gently. Giving a fragrant scent of a child. Her warm little body felt so nice that I wanted to squeeze her tight. Her soft buns pressed on my dick.

(Aaaaaah!)

I circled my arm around her, hugging. My fingers went for a picnic on her chest and belly. Cop a feel on her tender meat. My dick was getting rock hard while I groped and sniffed at her.

"Ahahaha! That's tickles, uncle!" She struggled while laughing innocently, thinking it was just a playful cuddle. "Um?" She noticed something. She tried to reach for the thing that was bothering her. touching my hard dick that poked her butt.

(Oooh!)

I could feel it. Her little touch made my Johnny excited. The first time a girl ever touched my dick and it was by this cutie, of all people.

"What is this?" asked Elyn, poking my dick. She still had no idea what she had gotten herself into.

"Ehehehe..." I was smirking like a weirdo, no longer able to contain my excitement. "Touch it more! Try to guess what it is."

With her tiny hand, Elyn squished it, pushed it, and pulled it. All of her finger pressure made my hard adult dick happy.

Suddenly, Elyn slid down under me. escaped from my grasp as I was still aroused and off guard. "Where are you

going, Elyn?" She crouched under my legs and stared at my crotch.

The way she looked at my lumpy boxer with curiosity made me unable to resist myself. Her gaze was fixed on my cock.

"Elyn, look closer and tell me what it is," I said as I pulled down my boxer. Exposing her innocent eyes with my dirty adult dick.

"Uncle John!" she shouted. "This is your pee pee!"

"Ooh... You are so smart, Elyn!" I patted her. "Have you seen pee pee before?"

"Yes!" she nodded. "My little brother's pee pee is so tiny. But uncle John's pee pee is so big." She said that as she was fascinated looking at my adult torpedo.

(This pure innocent soul, ehehe... I wonder if I can teach her a few vulgar words.)

"Adult pee pee is called Cock."

"Cock?" she tilted her head in confusion. "Like a chicken?"

"Yes! Look, its head is moving like a rooster." My dick throbbed excitedly. "Why don't you pet the cock? I'm sure it will love it."

"Aww!" Elyn gazed at my dick as if it was a cute animal. Stroked it gently with her tender hand. Petted it, giving it a nice sensation that made my precum leak.

(I want more!)

"Elyn, do you know that cock is tasty?"

"Really?" Elyn examined the tip of my dick, staring at the gleaming mushrooms with a drop of liquid. She touched the precum and played with it. "Is this your pee, uncle John? It's so sticky."

"No, Elyn, that's milk. Do you remember sucking your mother's breast to get milk?" I tried to convince her. Surely, this five-year-old will believe everything I say. "Ehehe, you can suck my cock to get tasty milk too."

"Waaah!" She looked at my dick with sparkling eyes. "I want to drink Uncle John's milk!"

I was grinning like a creep. I love how she's so naive and easy to manipulate. Without hesitation, she put my dick in her mouth and started sucking.

(Ooooh! I couldn't believe it! My five-year-old niece is sucking my dick.)

I could feel her warm, wet mouth full of children's saliva. And her soft baby teeth poked my dick, providing a one-of-a-kind sensation. She kept sucking so hard. Tried to get milk out of it. Every time she sucked, I felt a heavenly sensation in my genitals.

(I want all of my dick inside of her mouth.)

I grabbed her little head. Pushed my hip forward violently. Forced my hard cock to strike deep inside her throat.

"Hah.. hah... hah..." I panted like a dog in heat. rammed my dick while holding her head.

"MMM!" she struggled, choking, yet she was unable to scream because her whole kiddy throat was full of dick. The only thing she could do was make a cute whimper. "Nnnn! Ummh! Nngh!"

As I kept pushing and pulling inside her throat, I could feel the erupting magma. The amazing feeling of a kindergartener's mouth pussy could make me cum in any seconds. I held her head close to me. Let out a sea of cum. making sure she receives all of my love.

"Aaaah! It feels so good!" I kept pumping my cum in her throat. "Drink it all, Elyn! That's my precious tasty milk."

With my cock stuck in her throat, she desperately tried to swallow all of it. Her mouth squeezed me dry off every drop. Gulpd it down inside. I pulled out my dick. My little Johny was satisfied and slowly getting softer.

"Ahug! Ahug!" Elyn made a cute cough, cleared her throat from my sticky love semen. "Uncle John's milk is not tasty!" She complained, with drool all over her cheeks.

"Ehehe," I laughed. "I'm sure it is tasty."

"Then why doesn't Uncle John drink it?" said Elyn, challenging me.

"If you say so." I held Elyn's chin up. Looking straight at her beautiful eyes.

"Uncle?" She looked back, confused.

My thumb flew on her wet lips, caressing her candy I was about to devour. I pressed my lips against hers. Making a passionate kiss. Elyn gasped, shocked, and jumped out to get away from me. Yet I held her head and kissed her again. Forced her to make out with me. As I felt her warm, tender breath enter my mouth, I slid my tongue to play inside her. Our tongues cuddled, twirled, and had a little fight inside our secret room.

"Mmmnpph! Hmmmpphh!" I could feel her strong breath. Panicked. Struggled to break the kiss. Yet she can't win against me with her weak strength.

As I finished enjoying my delicacy, I pulled away. Having a string of saliva hanging on our tongues like a bridge. "Hehehe... See, it's tasty." I looked at her. Her face turned red and blushed like a rose. "What happened, Elyn?"

She never looked shy around me, even when I groped all over her body. Nor when she sucked my dick just now. I couldn't believe a kiss would make her flustered like an apple pie.

"Uh... uh... uncle kissed me." mumbled Elyn.

"What's the problem?"

"That means we are married!"

"Eh? How?"

How come she just jumped to that conclusion? She's five. She's not a puberty teenager who only thinks about romance.

"Belle and Beast kissed each other and now they are married!" babbled Elyn bashfully. "Shrek and Fiona too!"

"Ahaha.. I see." I let out a sigh. I hoped she could mention something like Snow White and the handsome Prince. But she had to say I'm the Beast or Shrek.

(Hehehe... Either way, I don't mind having Elyn as my wife.)

"Then so be it. We are married." I smirked.

"Nooo! I don't want to marry Uncle John!" She shook her head so hard. Totally opposed to the idea.

"I will buy you ice cream every day."

"Yay! I want to marry Uncle John!" Elyn excitedly hugged me. What an innocent, gullible child.

The warm, tender feeling of Elyn's body made my dick rock hard again.

(This little girl... I want to ravish her. I want to taste all of her body.)

"Elyn, let's do what only married couples do."

"Like what, uncle?"

"Like making babies. Muehehe~"

"Yaaaay! Let's make babies!"

I couldn't stop grinning at how easy she was. It felt like I could make her do anything I wanted with just a few candies. Without waiting much longer, I invited Elyn to bed. "Come here, my baby."

Like an obedient puppy, Elyn jumped on my bed excitedly. Waiting for new fun games I'm going to introduce to her.

"First we need to get you naked." I said that as I unbuttoned her shirt, revealing her sweet little nipples. A tiny pink cherry that made me drool. After I undressed her upper clothes, I took off her skirt. She was only left with her panties and socks.

"Hehehe" I breathed heavily, like a creep, while taking off my clothes. Showing off my naked body in front of Elyn. Again, she was enchanted by my big throbbing cock.

"Uncle John, how about my panties?" She grabbed her panties and tried to take them off.

"No, Elyn. We need a proper ritual before taking off your panties. Or else we won't have the babies."

"Eeeeh... okay," she looked confused. She had no idea what to do anymore and just let me do whatever I wanted.

Years and years without female contact made me develop a lot of degenerate fetishes toward little girls. from their

voices, their smells, the clothes they wore, even the chair they were sitting on. I can get excited over anything. But my favorite one is to sniff unwashed socks and panties.

I held Elyn's ankle, lifted her foot up to my face, and breathed heavily. smelling her dirty socks like a crazy pervert. The stinky smell of Elyn's socks drove me to ecstasy.

Having enough fun with her sock, I buried my face in Elyn's crotch. smelling her panties. "Mohumohu! Huhahuha! Elyn's panties smell good." I sniffed furiously.

"Uncle, it's tickling." Elyn wiggled her body as I sniffed her. "This ritual is so weird."

"Hehehe," I took her panties off and wore them on my head, covering my nose with her fragrant, sweaty fabric.

Elyn laughed at me, "Ahahaha, uncle John looks funny!"

I looked back at her, stared at her naked underage body with an aroused gaze. I can't stop drooling. Her body is so lewd.

I took off Elyn's panties from my head. Go near her ears and whisper, "I will eat you."

"Eeeeh!" Elyn was shocked. I immediately bit her ears. Sucked it in while she trembled in fear. Then went down

to her soft, tender neck, and gave a little wet bite. "Don't eat me!" she struggled. But I rode and pinned her down.

"Ehehe, Elyn, your terrified face looks so cute."

I held her armpits, pulled her up and licked her flat chest like a starving dog. I put the cherry in my mouth, sucked her tasty nipples, and gave it a bite.

"Hyan!" she made a cute moan. Her body is shivering and sweating a lot. All her energy was sapped out as I took control of her completely.

I lifted her arm, went to her armpit, and licked it slowly while savoring the taste. The scent of Elyn's sweats made her armpits more fragrant and delicious. Her body twitched as her vulnerable parts were being licked, violated and now wet with my droll.

I went to her tummy. Licked the valley of her cute belly button. Then went straight down, licking her thighs and legs. I grabbed her feet and took off her socks.

"Elyn's feet," I mumbled as I drooled over her soft feet. Her little toes went inside my mouth as I sucked on them. Then I licked the soles of her feet, making her gasp, and pant from all the wet tickles.

I released her from my grasp. Stared at her for a moment to appreciate her lewd little body, drenched with my saliva.

Only the best part was left: her crotch. tasting the sweet nectar of Elyn's genitals. I slid my tongue and squirmed inside her kitty's pussy. She started to moan. "Ah hah... Uncle John... It feels weird down there. I'm going to pee."

"Then just pee."

"Nooo! I have to go to the bathroom!" Elyn panicked. Yet I licked her pussy harder. "Ah! Hyah! Stop uncle! Nooo! I'm going to wet myself! Haaaaunnnnn~" Elyn's pee started to burst out of her peehole. showering my face with the warm, tender smell of a little girl's urine. I opened my mouth, caught the pee and drank it. savoring the taste of Elyn's lemon juice.

"Hehe... You're the best, Elyn." My face was dripping with her urine. "Now it's time to make babies." I opened her legs and pressed the tip of my dick, teasingly poking at this tiny five-year-old pussy who couldn't wait to get screwed. "Do you know what your pee hole is called, Elyn?"

"N... no." she answered quietly while staring at my cock.

"It's called Cunny. And we can make babies if this cock goes inside your cunny."

"C... cunny?" She looked worried. "But Uncle cock is too big. It won't fit."

"Let's see if it fits." I forcefully rammed my hard dick inside. breaking apart her underage hymen.

"Hi... HIYAHHHH!" she screamed in pain. bawling her eyes with a stream of tears.

The cute sound of her scream made me even more excited. "Hah... hah... Ooooh! This is so tight!" I kept pounding her. "I'm having sex with Elyn! This is like a dream come true."

"AH! AHN! UNCLE! STAPHH! PLEASEE!" she begged. With her teary eyes and pitiful look that made me go crazy over her.

I slowed down, moved my face closer and whispered, "Relax, Elyn. If you are too stiff, we won't have the babies."

Elyn took a deep breath and tried to calm herself. I hugged her tight and gently kissed her. Making sure she felt warm while my dick was slowly jamming her little womb.

As I pulled away from the kiss and opened my eyes, she became relaxed and started to feel the warmth of my dick. Her cute moan now sounded full of pleasure.

"Good girl." I patted her. My dick slowly rammed her deeper and deeper. "Now can you say this? Please fill my cunny with Uncle's baby seed."

"P... pwease fill my cunny... Ah hah... w... with Uncle Bwaby Seedhh."

"Oooh! I will! I will fill you up, Elyn!" I pounded her hard. Hits her womb over and over in excitement. "Let's make a lot of babies!"

"Y..yesh uncle!" She moaned loudly as I went faster and faster. "Ahn Mhn! Hyah Mmh~"

I made the final push, shooting all of my baby seeds deep inside her womb. Filled her with all the love I had. Even when her womb was full, I kept pumping until it all overflowed and spurted out of her pussy.

"Ahhhhmmhh~" she blew a cute long moan with her womb full of warm milk.

As I pull out my dick, a lot of white liquid is bursting out of her little cunny.

"You are amazing, Elyn." I cuddled my little wife. Elyn looked exhausted. She closed her eyes and immediately fell asleep. Naked, sweaty, with her pussy full of cum.

(She belongs to me now)

The ecstasy of my first sex with her will never leave the memories for the rest of my life. As time went by and the sun went down, I had to let Elyn go back home.

"Bye bye, uncle." Elyn waved at me from afar.

"Good luck, Elyn. Let's play again later." I waved back, said goodbye to her as she ran back home.

(Hehehe, she really is an airhead. This is why I love her.)

I took out her panties, which I kept in my pocket. Wore that sweet little fabric on my face and sniffed it. "Mofu mofu hehehe~"

(She's walking outside without her panties right now. And her pussy is dripping with my cum.)

Just imagining it made me hard again.

Aaaah, I can't wait to play with my cute little wife.
