

Wife for Life

This file is for the romantic partner of a transgender woman. Listen as you are gently taken on a journey into your partner's mind and learn to see them as the beautiful woman that they have always desired to be. Forget that your partner was ever a man as you encourage them to become more feminine each and every day in their lifestyle, actions, and habits.

Prefer your partner as a submissive woman during sex, and insist on taking the dominant role as you guide their feminine fantasies in the right direction. Become more and more comfortable taking the dominant role in the relationship as you gently nudge your partner towards being the most feminine and girly and fashionable in their perfect future. Find your partner's masculine habits and actions as undesirable and gross and inappropriate as you begin to crave your beautiful and feminine wife more and more every day.

Listen today, and release any societal pressures you may feel of how love should and should not be. Let your partner become your biggest cheerleader as you gently guide them into the beautiful woman that they have always desired.
