

Ah... Why is she
so gorgeous?

When I watch her photos, it always makes me so happy.

He he. My goddess is smart and beautiful.

Her appearance is wonderful and she has excellent grade in school. She is perfect.

I can't imagine
that she was my junior
high school classmate...

She is now famous
and has a
successful career.

Ugh. Unlike me. I'm almost 30 years old. I have achieved nothing. I'm just a NEET.

I planned to study hard in high school and enter a great college. And then I'm gonna to charm her.

In the end, I failed the college entrance exam. I didn't have enough confidence to court her.

A young man with brown hair, wearing a dark blue long-sleeved shirt, is lying on his back on a bed. He is looking up at the ceiling with his hands raised in a gesture of frustration or despair. A smartphone is lying on the bed next to him, displaying a picture of a woman. The bed has a grey and white checkered pillow and a dark grey blanket.

After graduated from college, because I lack stress resistance ability, I can't find a decent job. And now I have become a NEET.

I'm unemployed and a virgin. I wish my life could start over. That would be nice.

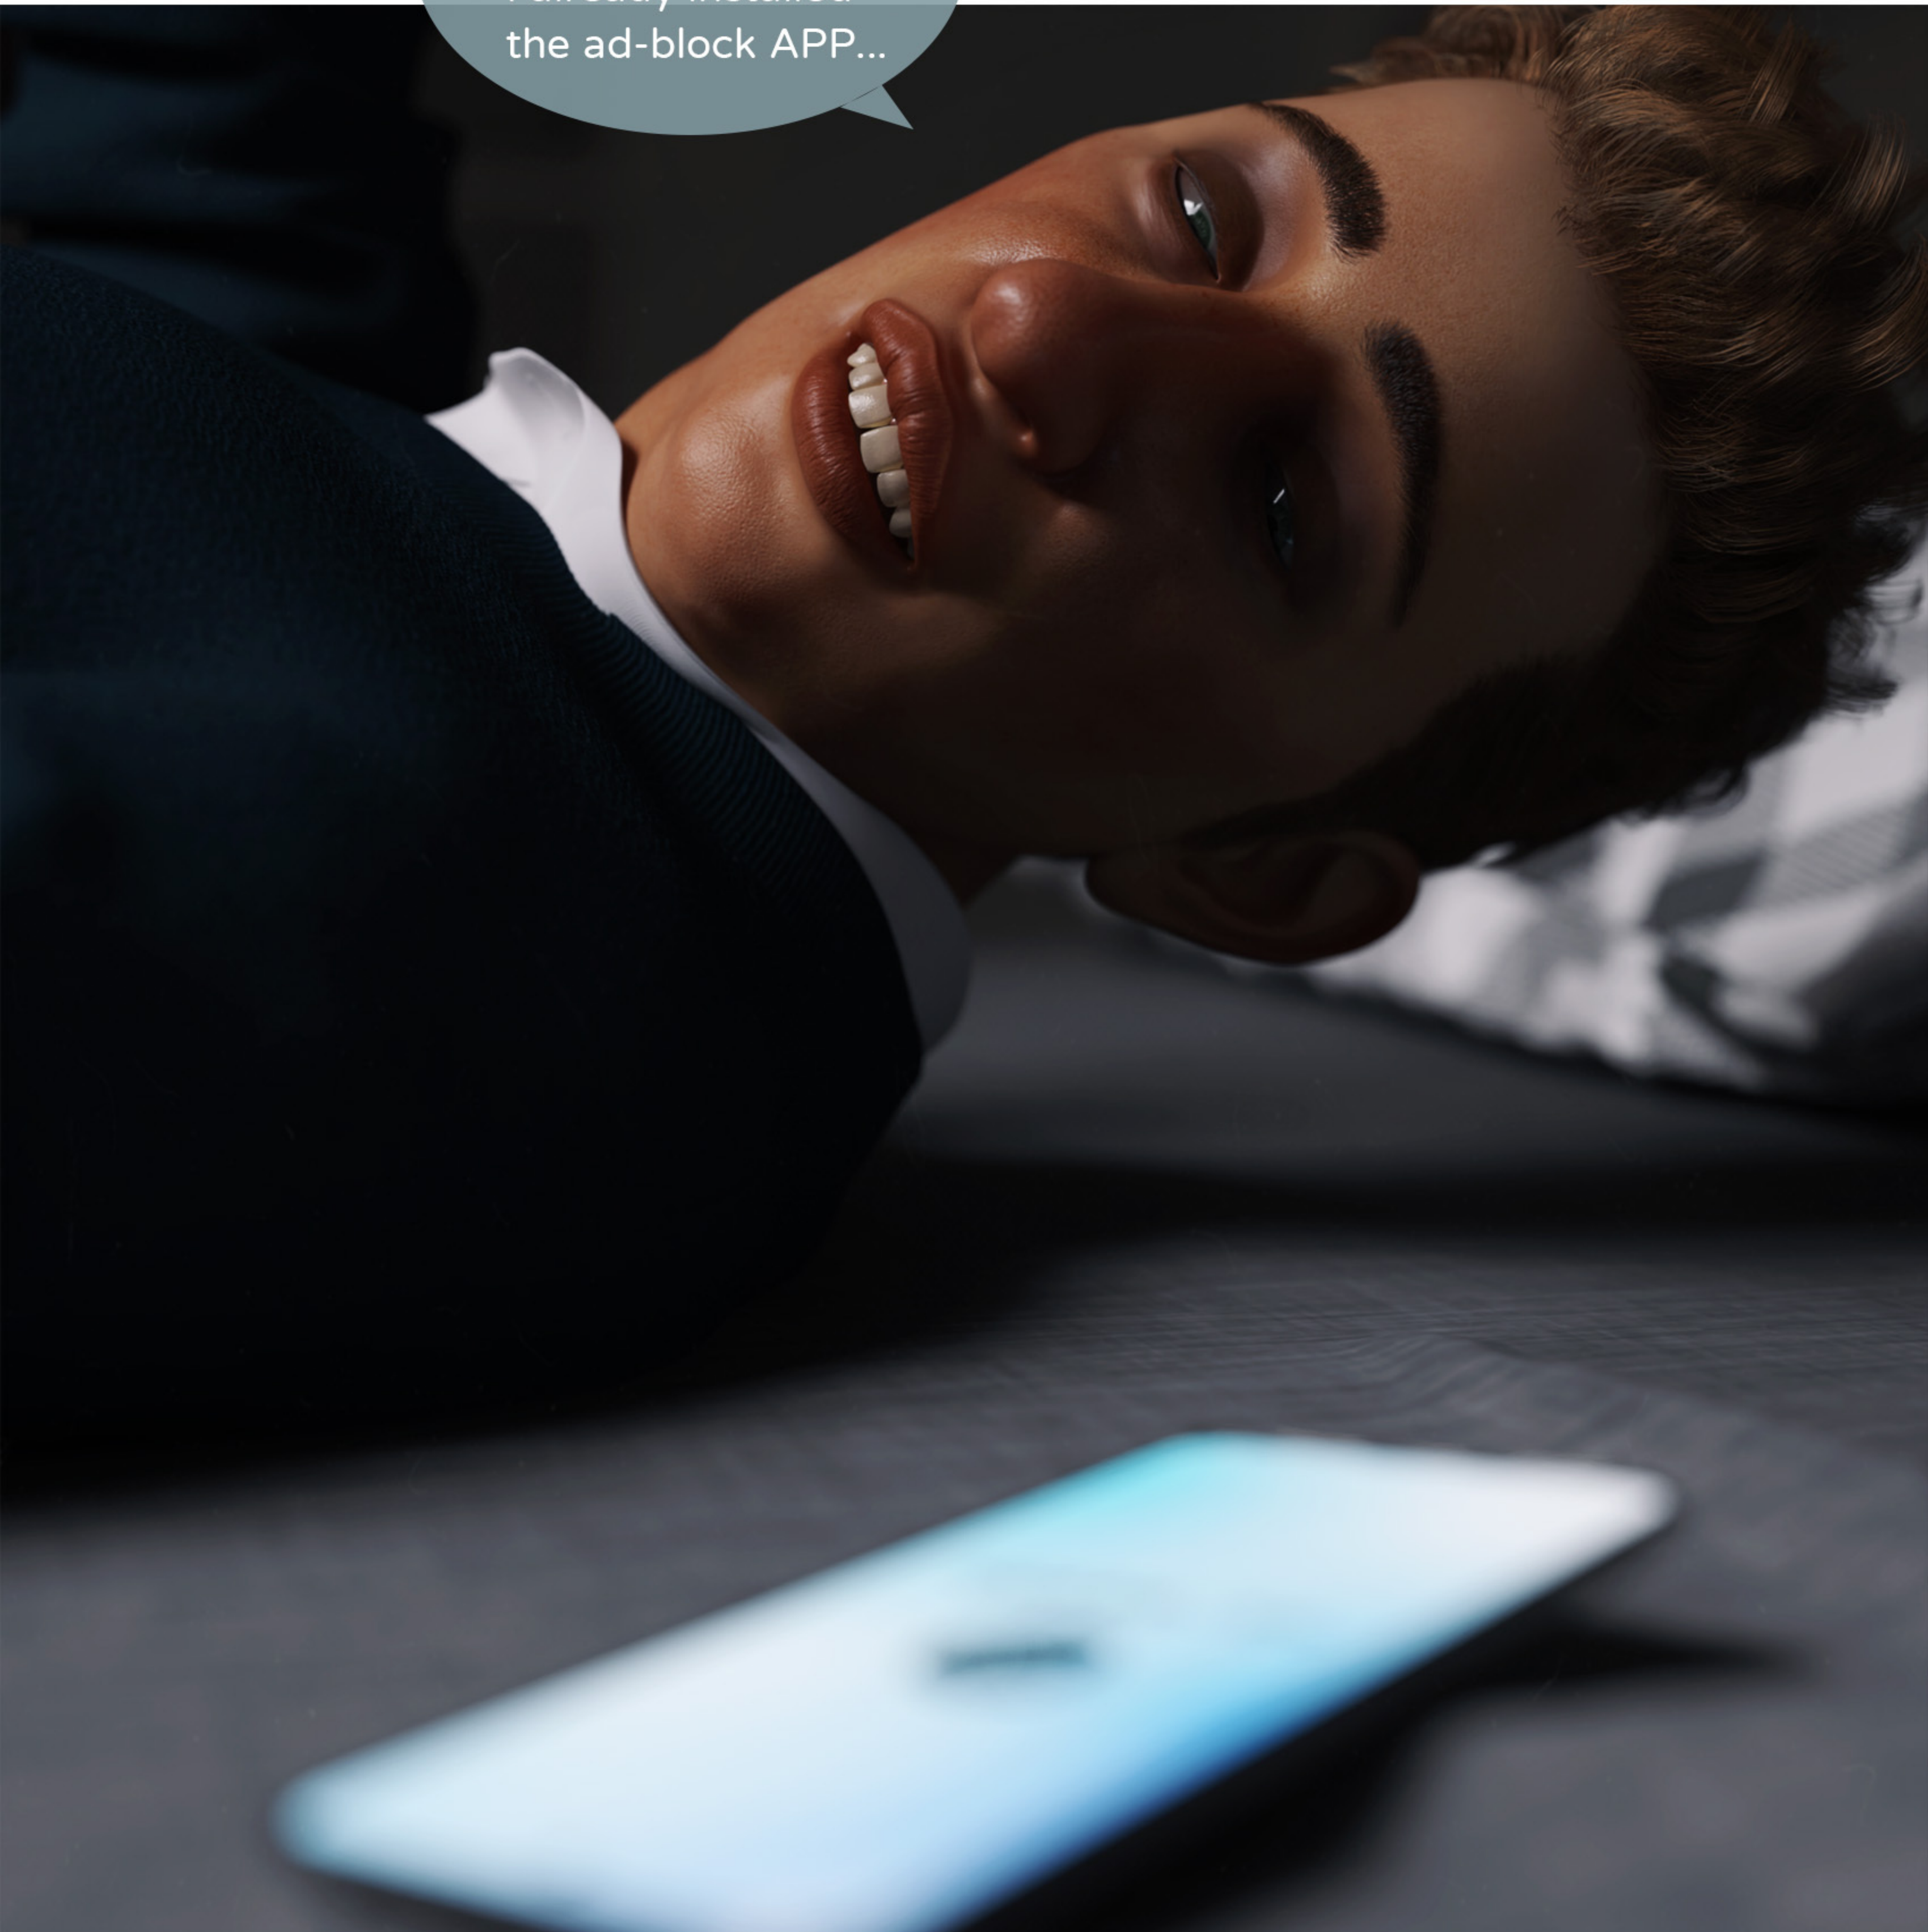

A close-up shot of a hand reaching out, palm facing up, against a dark background. The hand is positioned as if it is about to touch something or is in a state of longing or desperation.

If I had chance, I would want to make love with my goddess. But a loser like me can only fantasize about it.

Ding!

Huh? Why there is
a push notification?
I already installed
the ad-block APP...

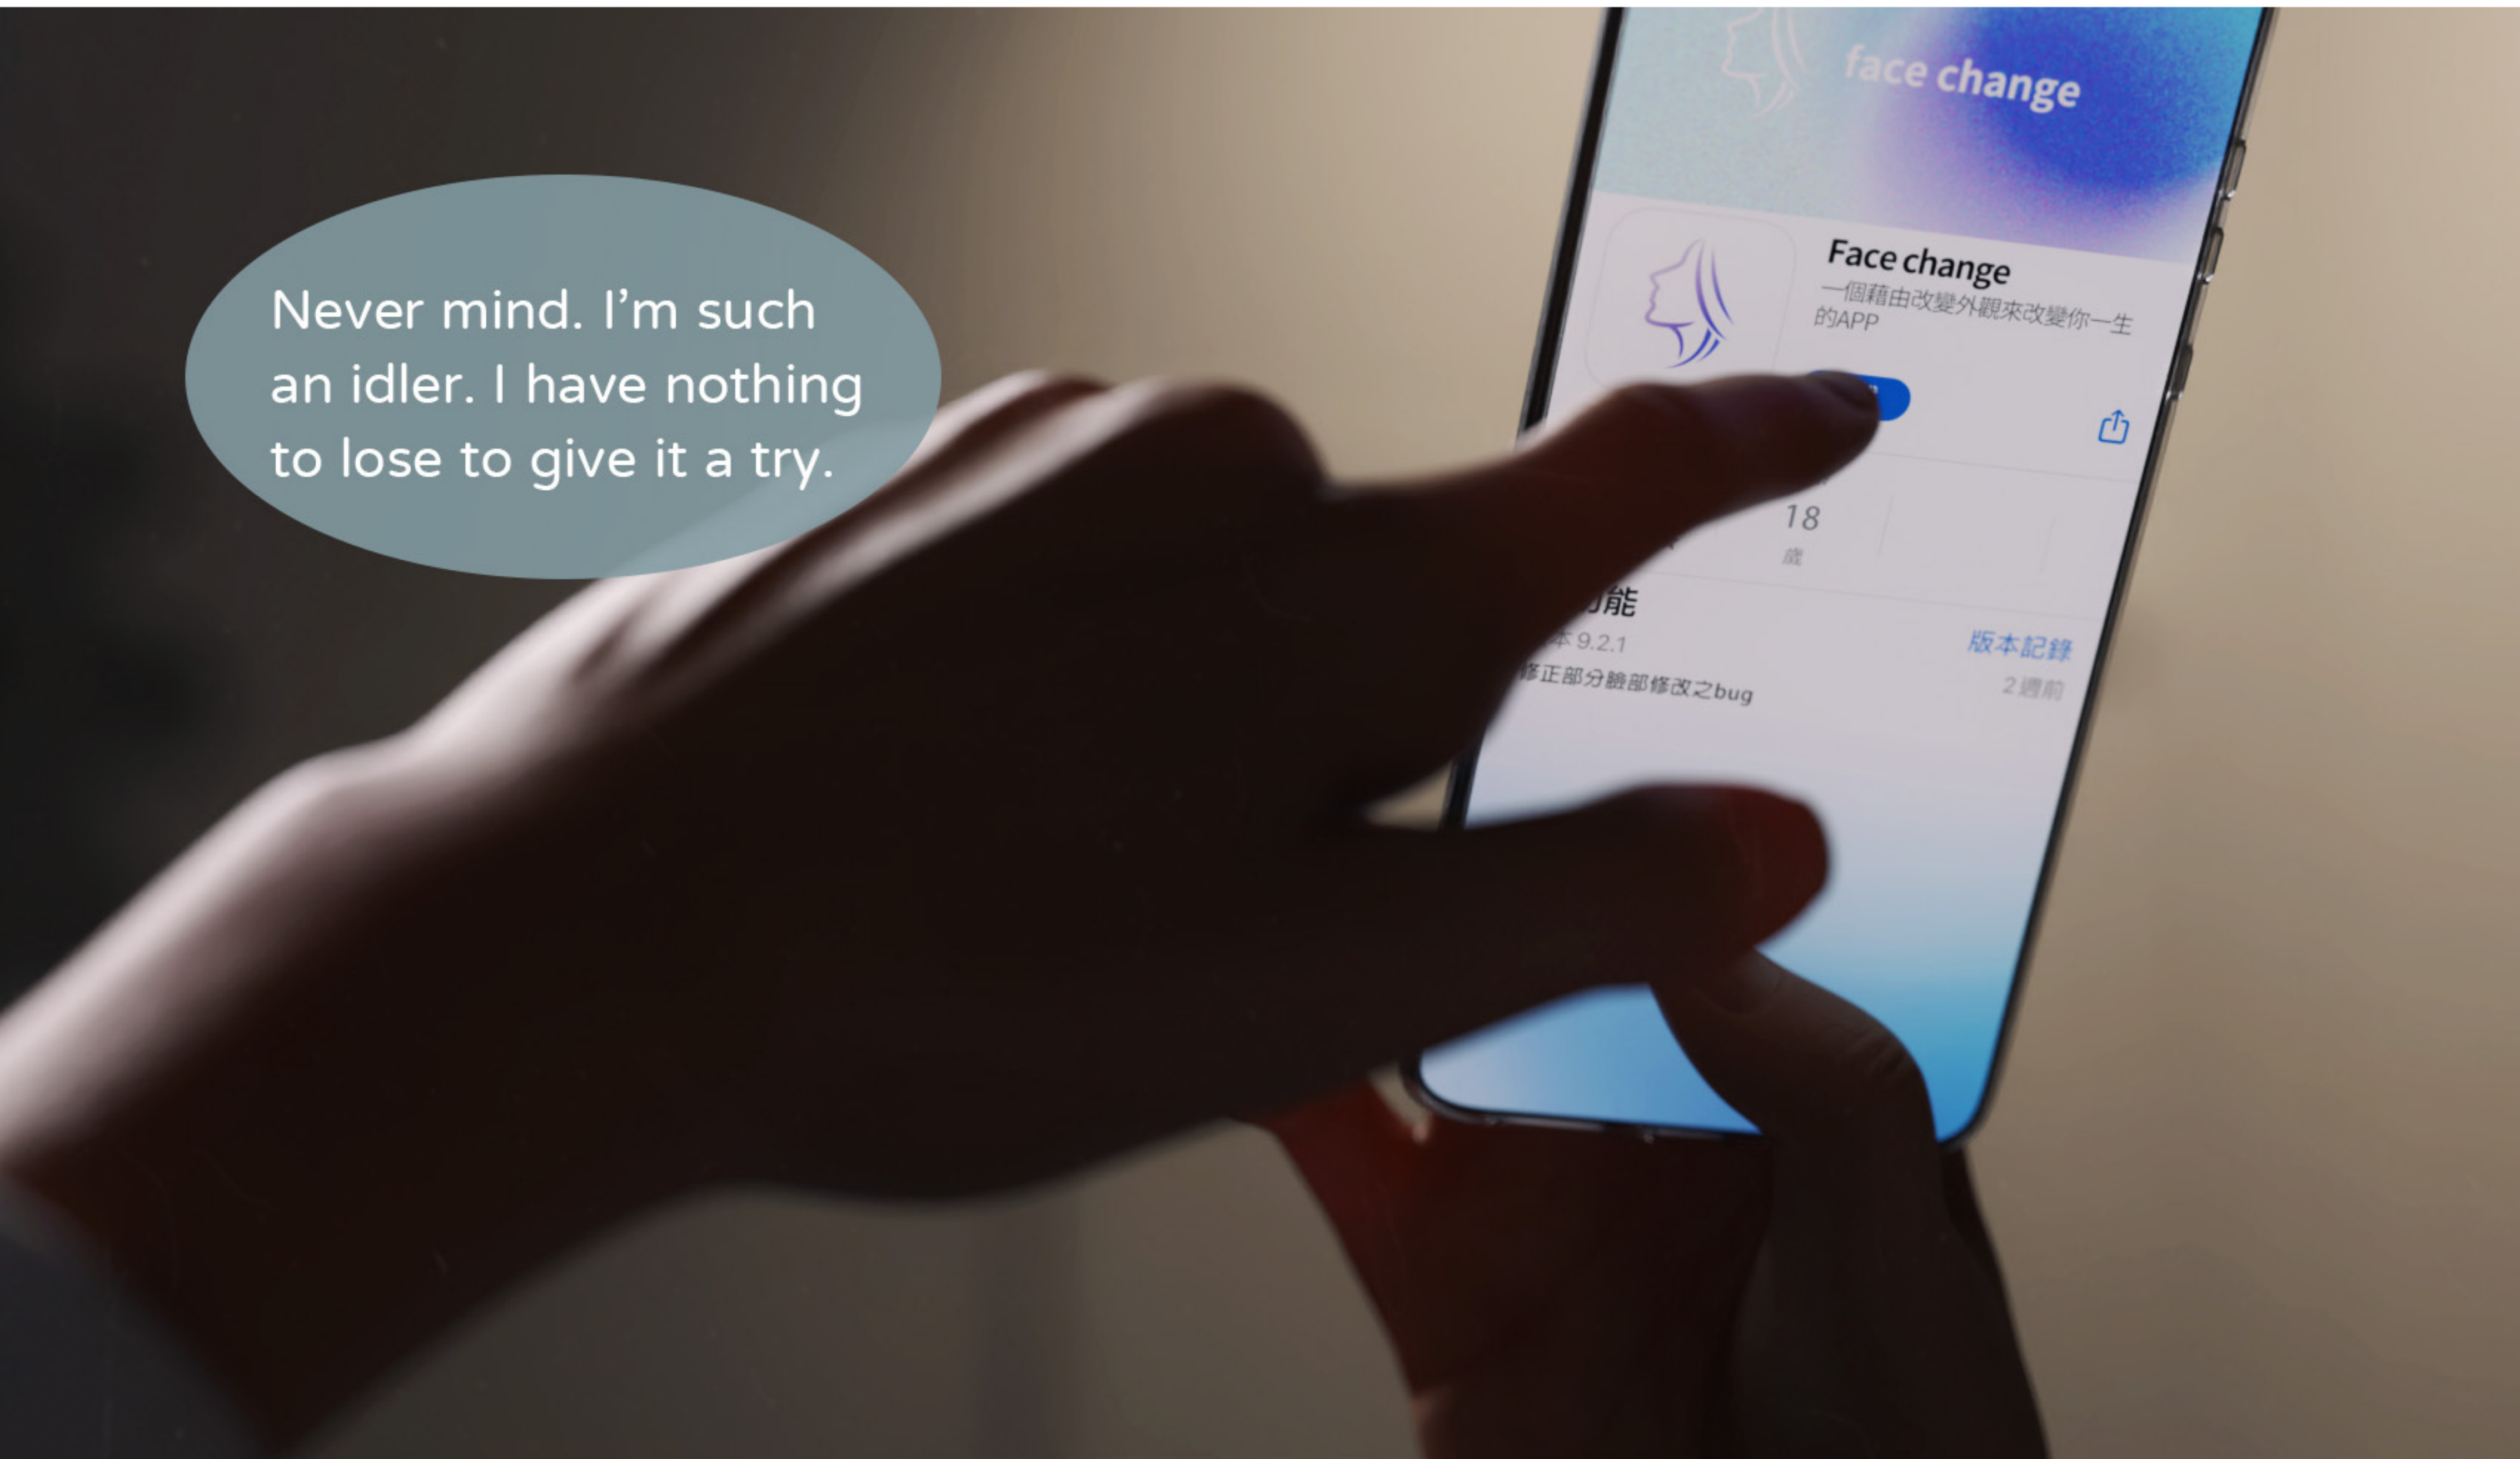

I may just click it...

Face change APP?
An APP can
change your life?

There's no way an
APP can change lifes.
It's probably a scam
advertisement slogan.

Never mind. I'm such an idler. I have nothing to lose to give it a try.

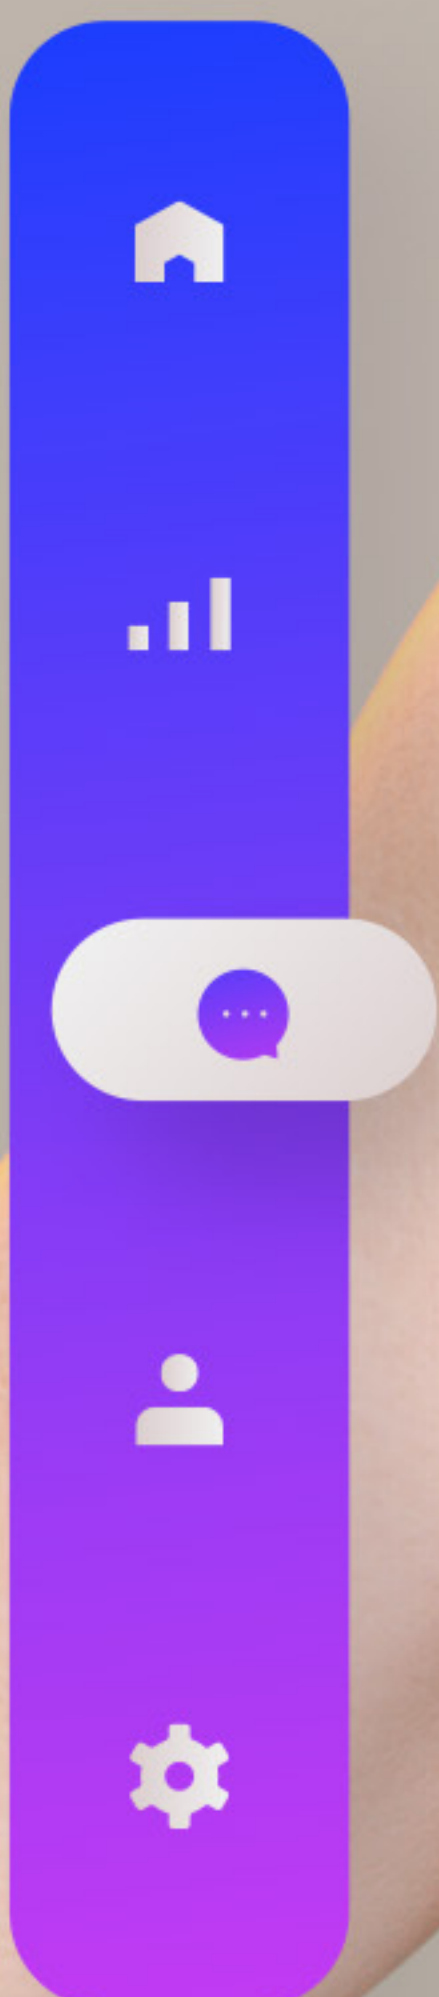

As long as it's free.....

Wow. The interface is so cool and realistic!

I'm so fucking ugly. I don't recall that I am so hideous.

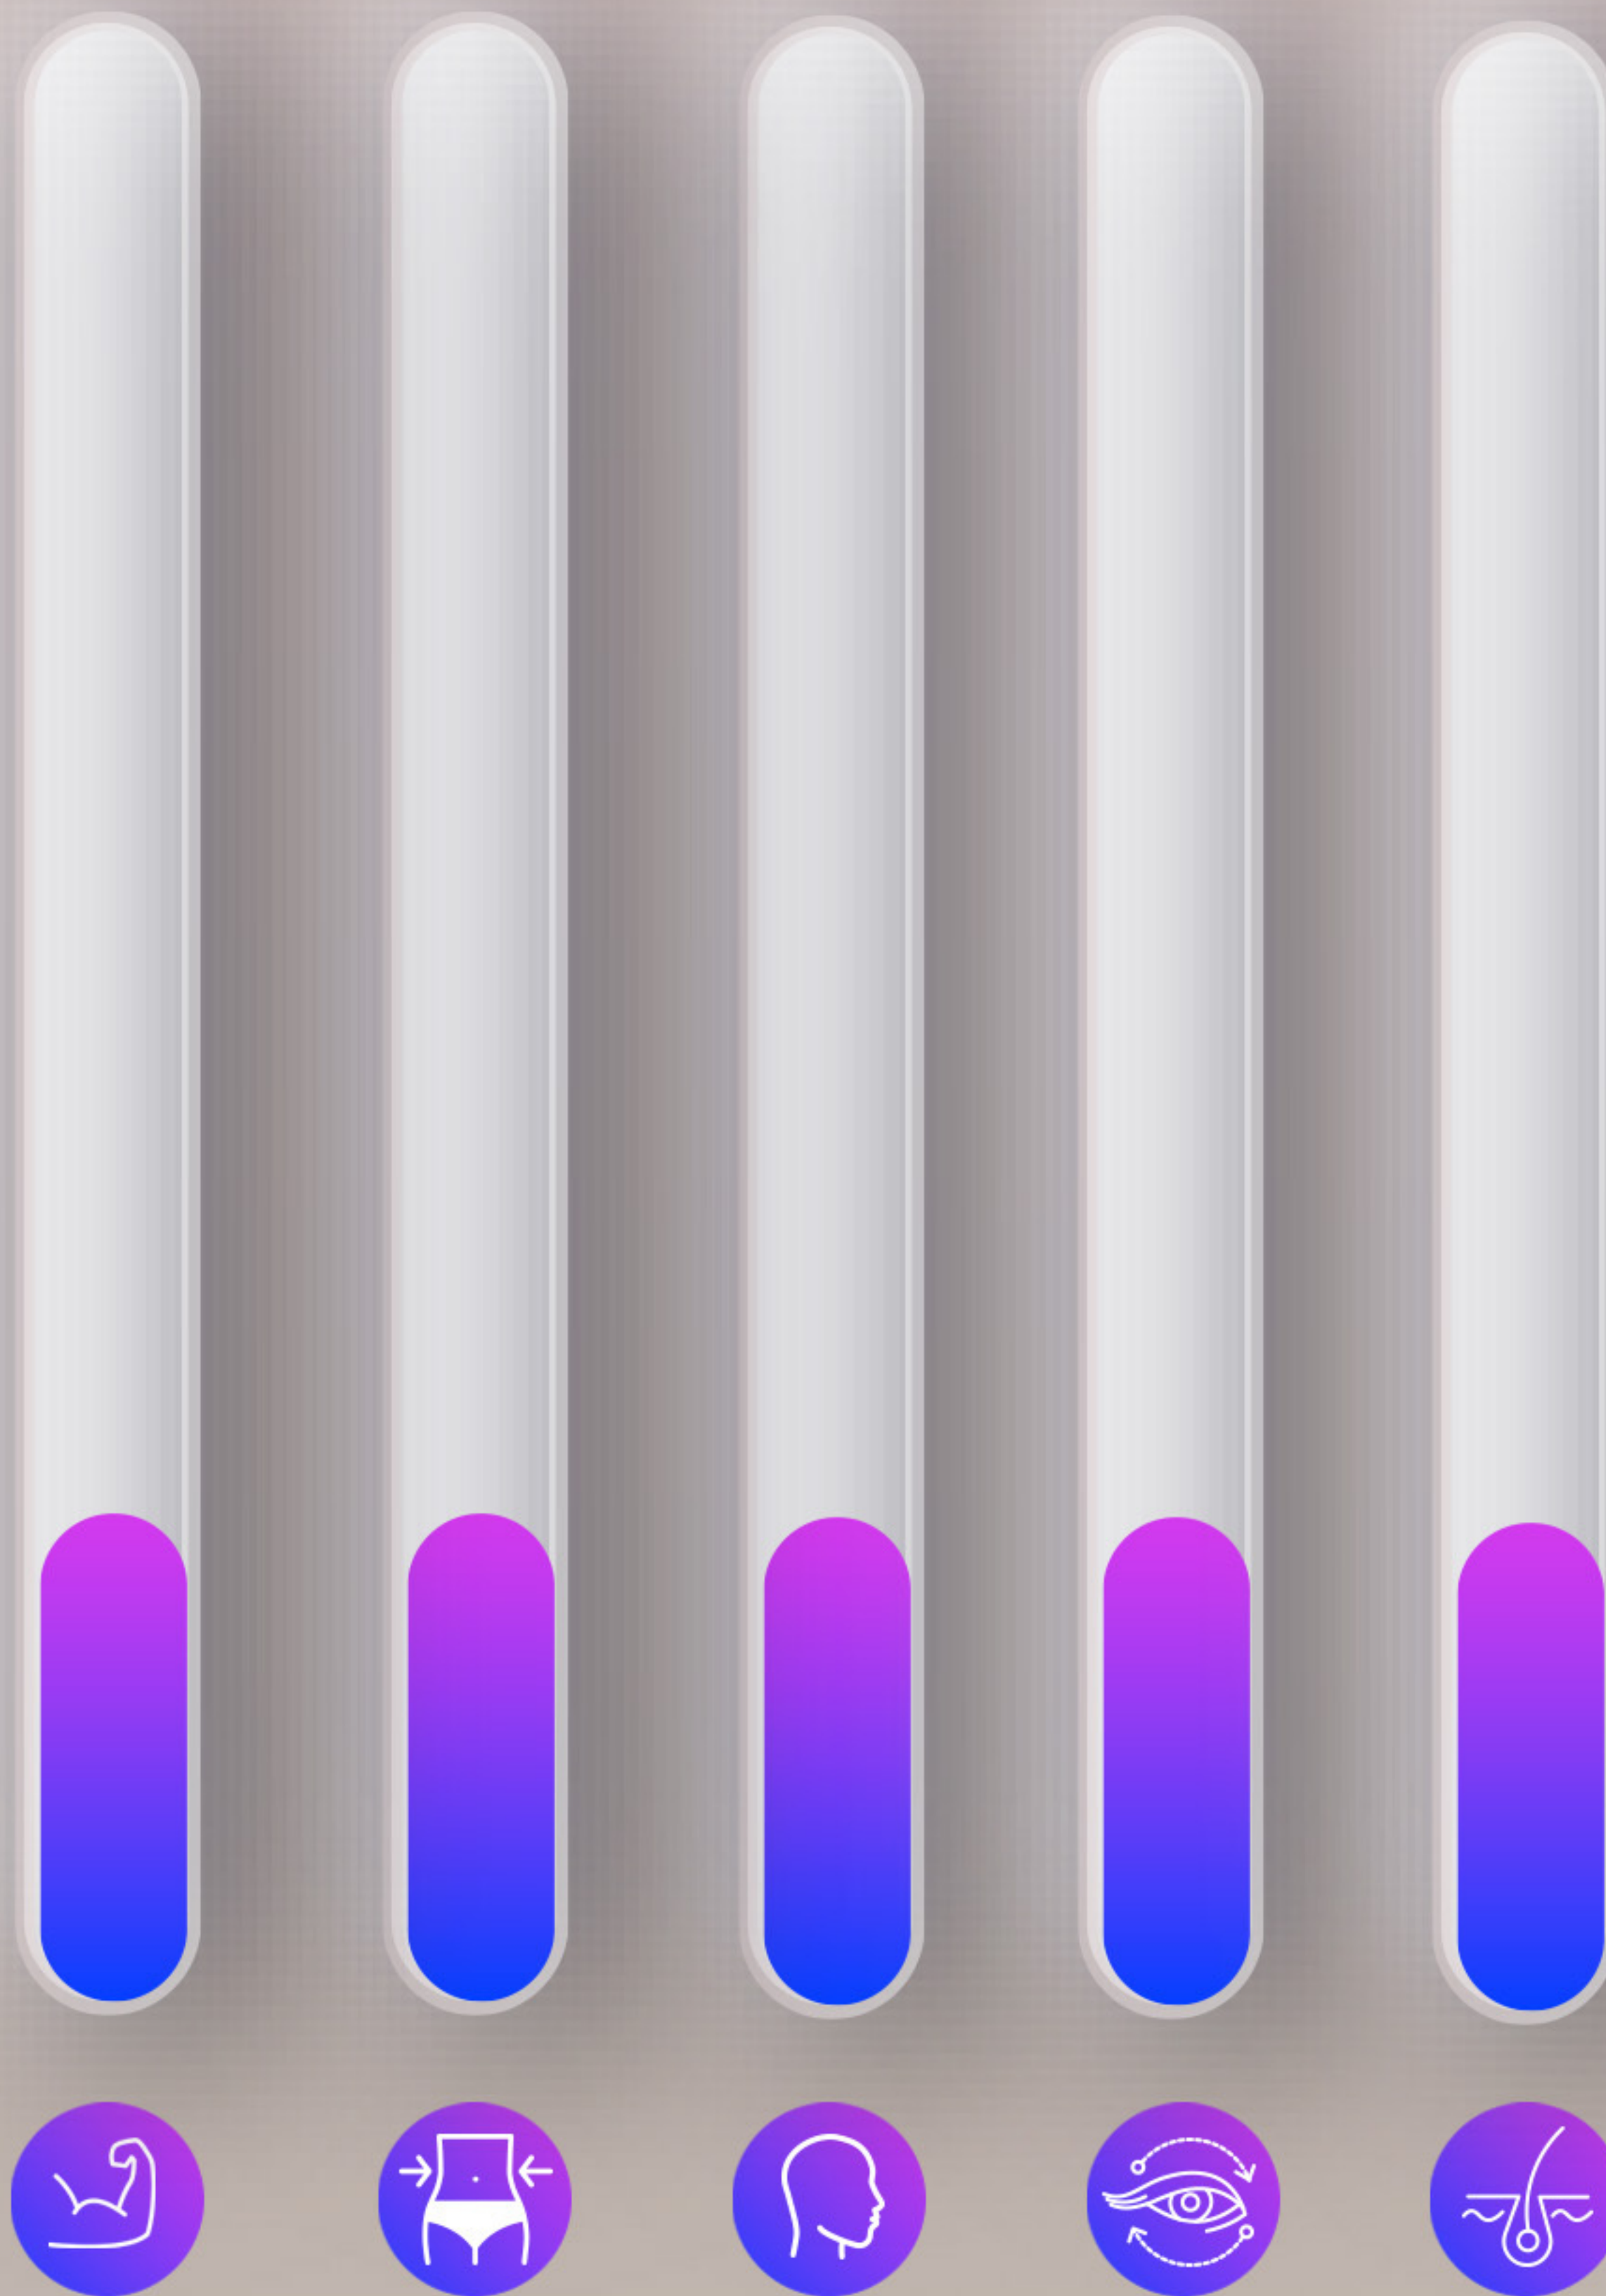

Damn it. Look at me, even I feel disgusted.

I can't take it any more. It's a face changing APP. There must be some adjustments.

Oh. There're so many adjustment options. Let's try the body shape option first.

I can't stand my muscleless nerd body. If I had muscle, I would be more popular, right?

How about I turn "muscle" option to the max?

Wow. I never thought that better body shape makes me a totally different person.

I have to say the APP effect is quite nice. The result is excellent.

Confirm: finish editing >>

Press!

I didn't realize that technology is so advanced. Did I somehow miss the tech news?

Just press the “finish editing” and save the picture. Although it’s not real, it feels good just to fantasize about it.

Dizziness

Ah ah. All of a sudden, what is this feeling?

This is unbelievable!
The APP...!!

A man with a very muscular physique is standing in a bodybuilding pose, with one hand on his hip and the other near his chest. He is looking down at his chest. The background is a bedroom with a bed and framed pictures on the wall. A starburst speech bubble is positioned in the upper left corner.

The APP can change my look in real life! Is this some kind of superpower APP?

A starburst speech bubble is located in the lower right corner of the image.

I changed into a macho man!

He he. My new body is very good-looking. How about I use the beefcake body to hit on some girls?

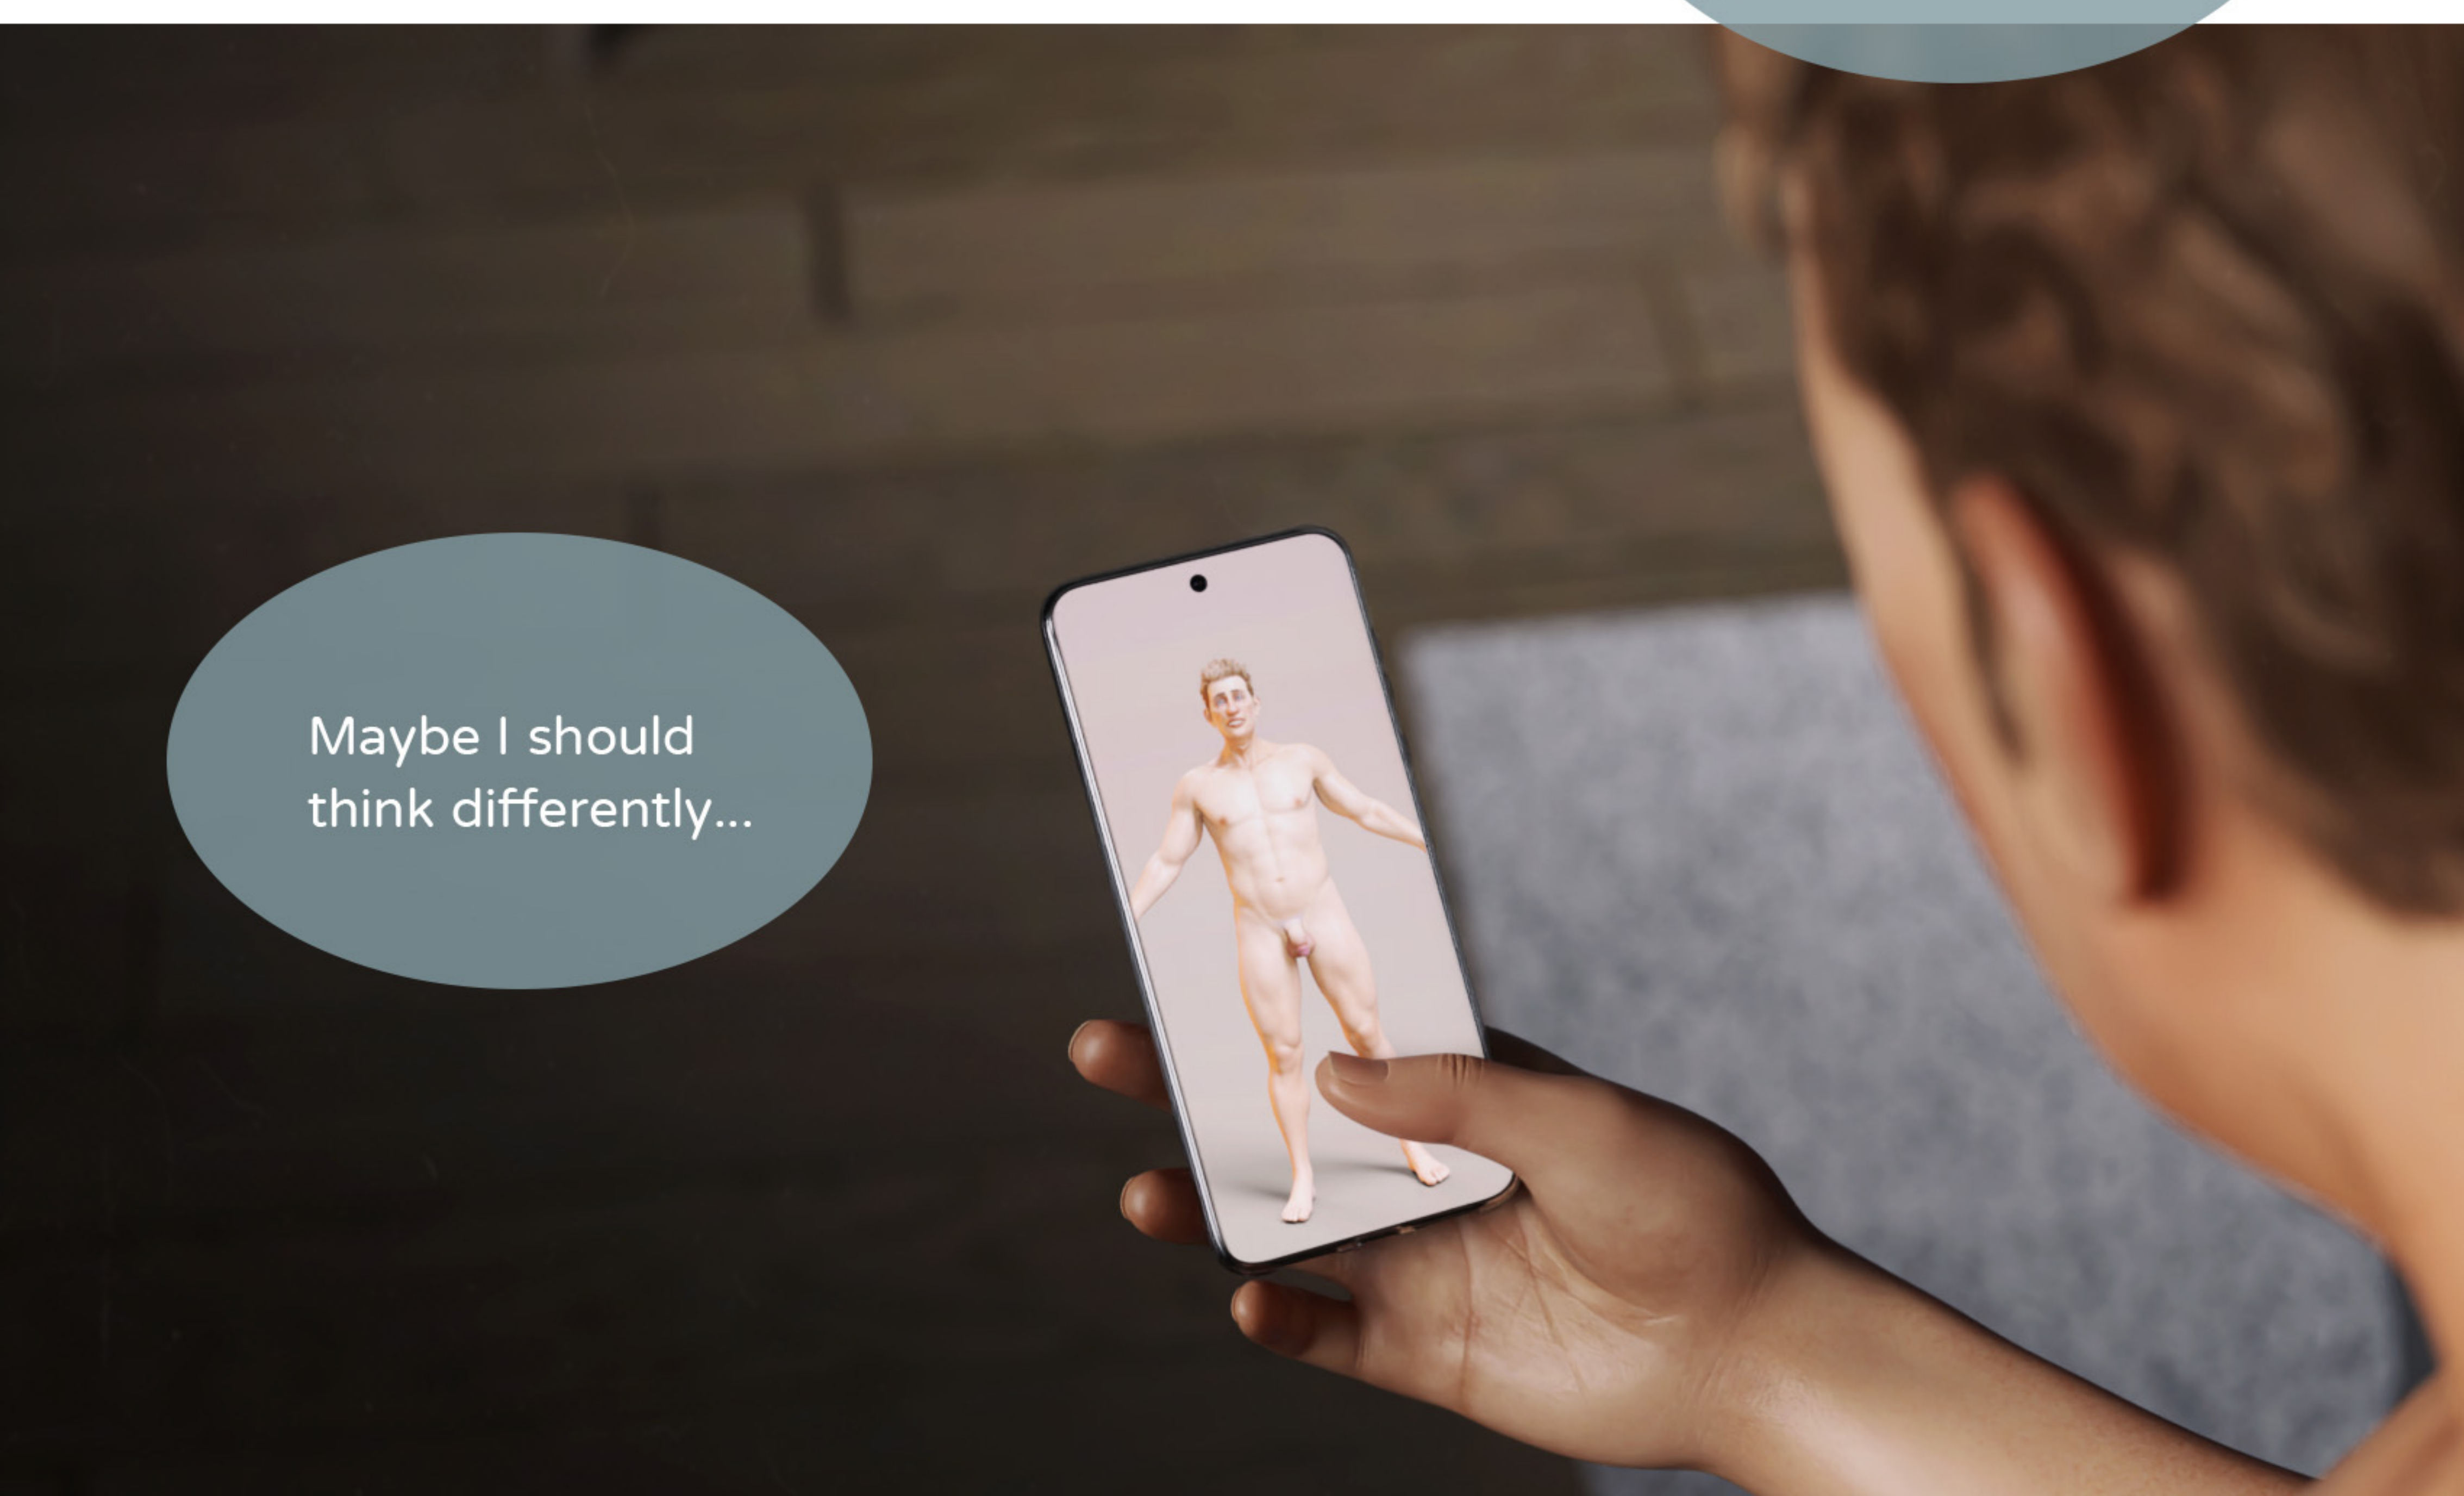

A close-up of a young man with short, wavy brown hair and light blue eyes. He is looking slightly to the left with a thoughtful expression. A light blue speech bubble is positioned in the upper left corner of the frame.

However I still want
to lose my virginity
to my goddess...

A close-up of a young man with short, wavy brown hair and light blue eyes. He is looking slightly to the left with a thoughtful expression. A light blue speech bubble is positioned in the lower right corner of the frame.

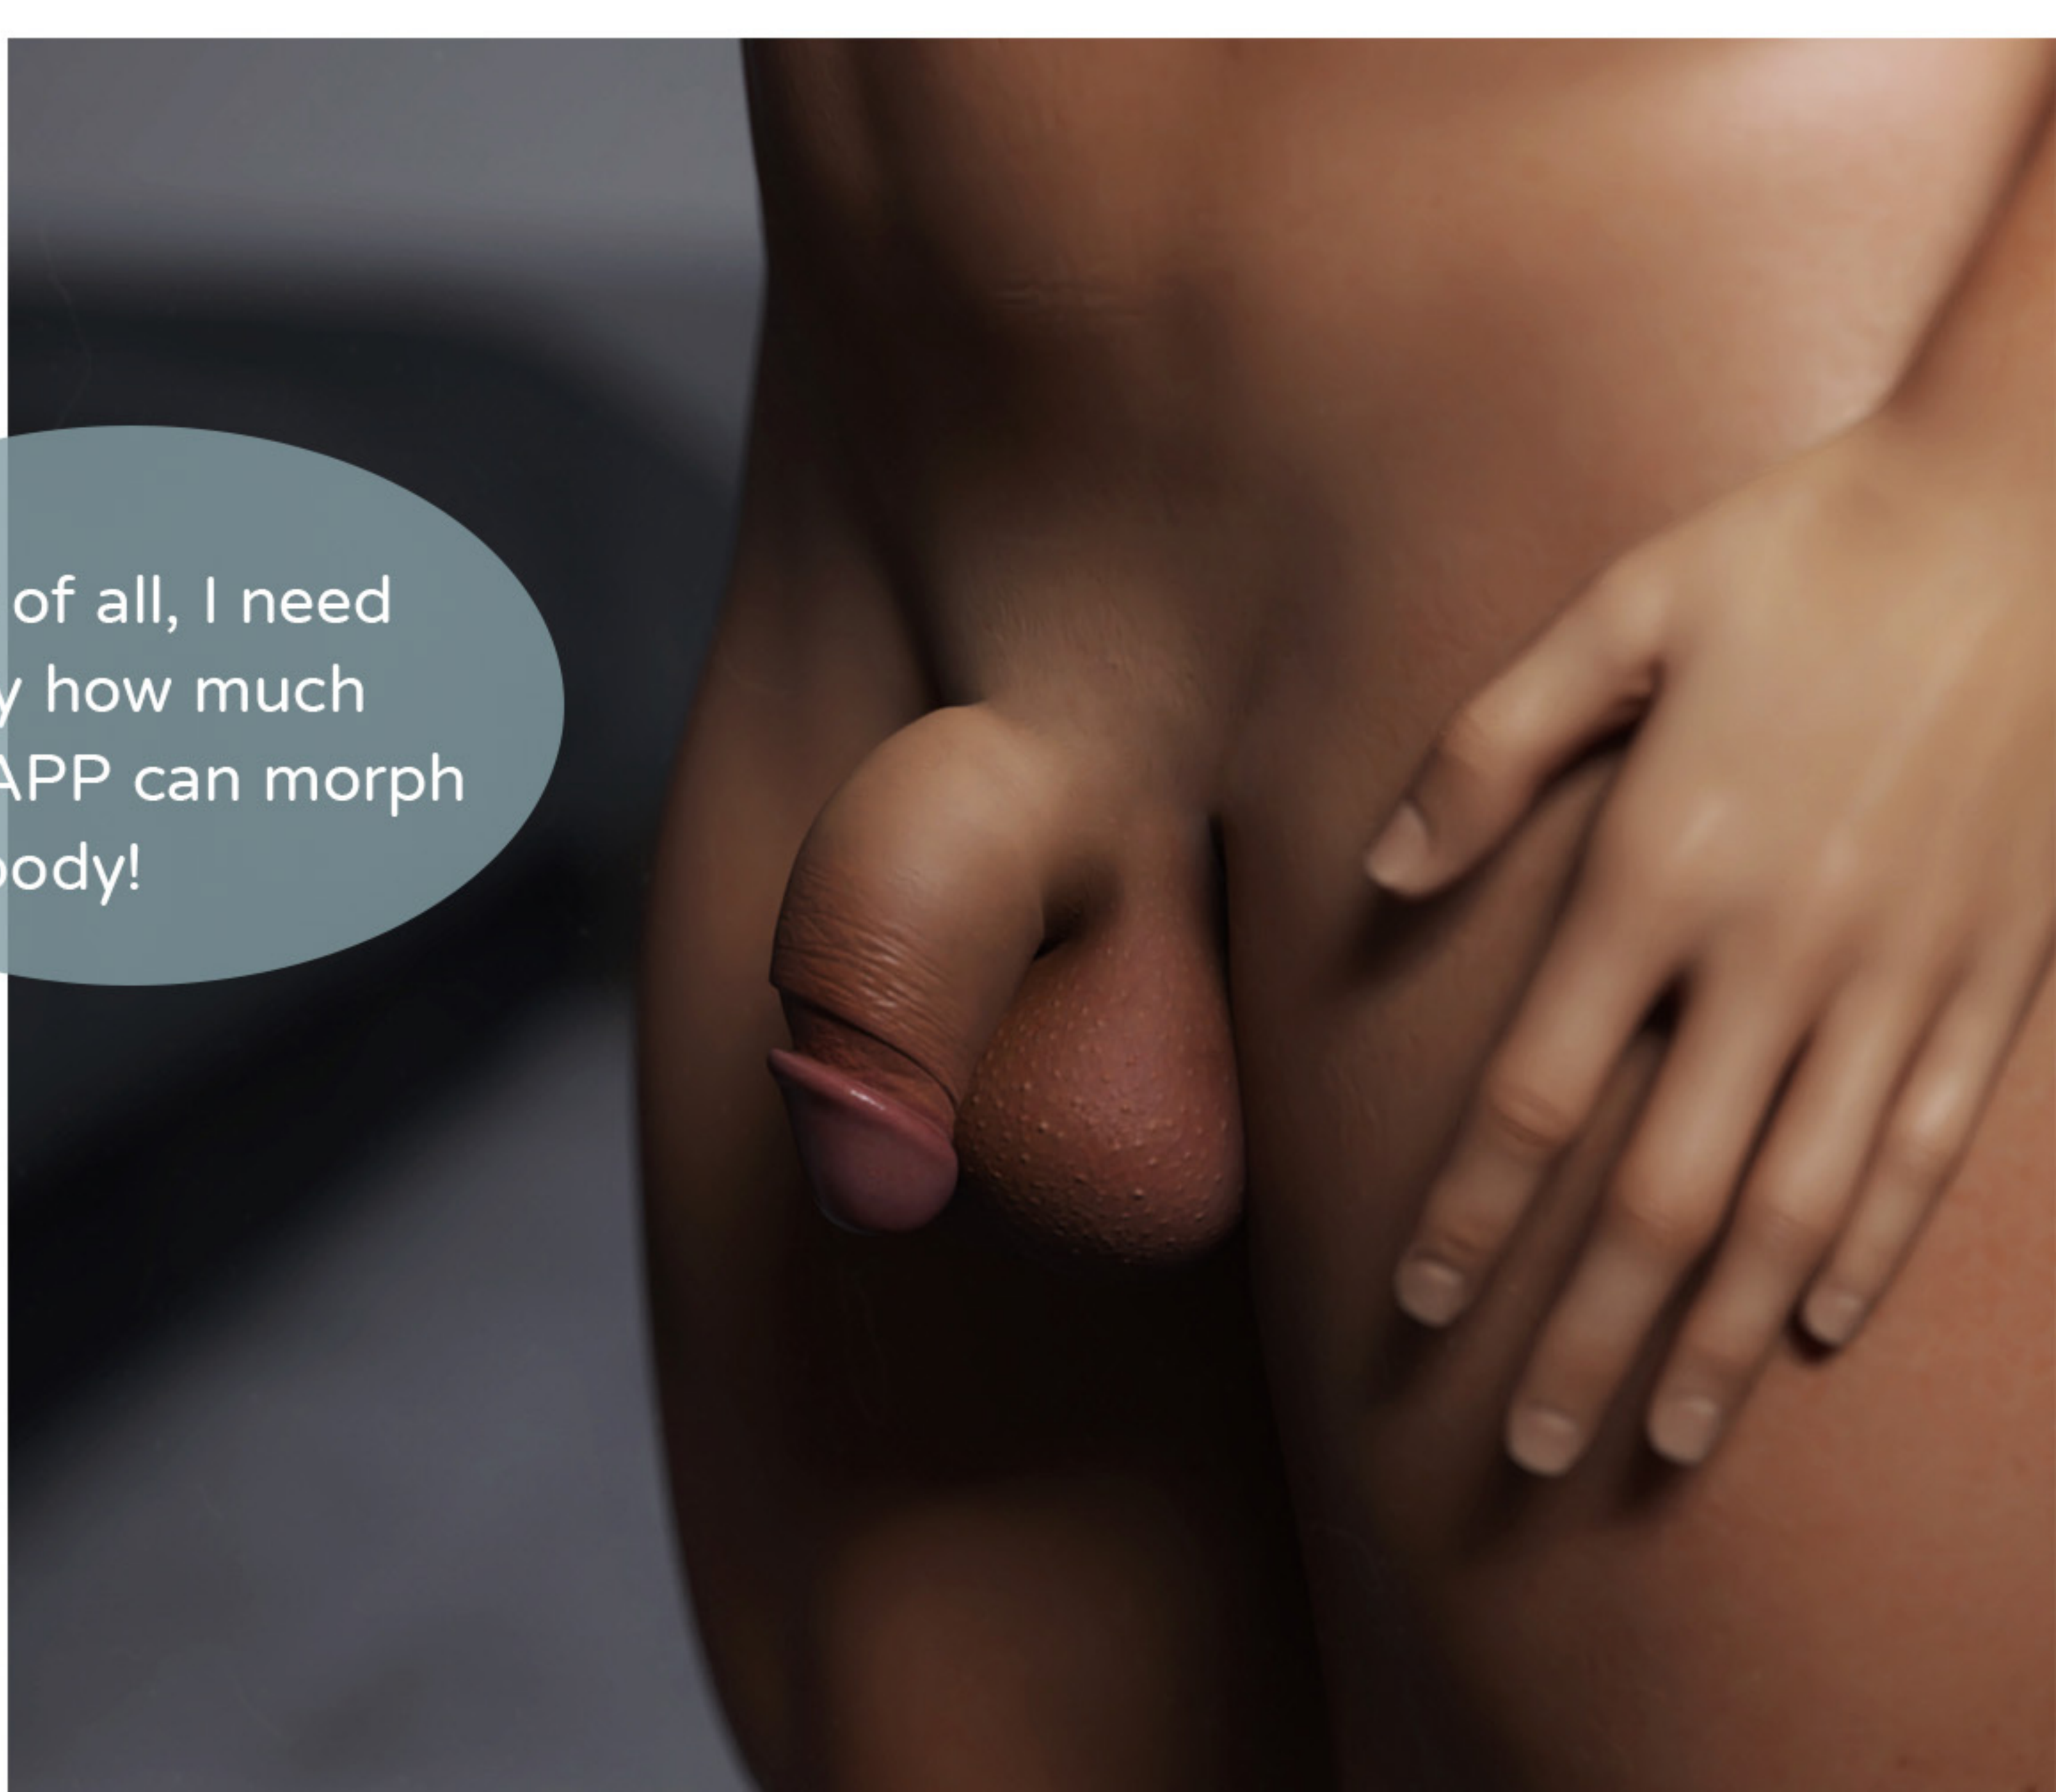

I'm afraid that being
buff is not enough to
get close to my
goddess.

A hand holding a smartphone. The screen of the phone displays a full-body image of a very muscular man in a similar pose to the man in the top panel. The background is a dark, textured wall.

Maybe I should
think differently...

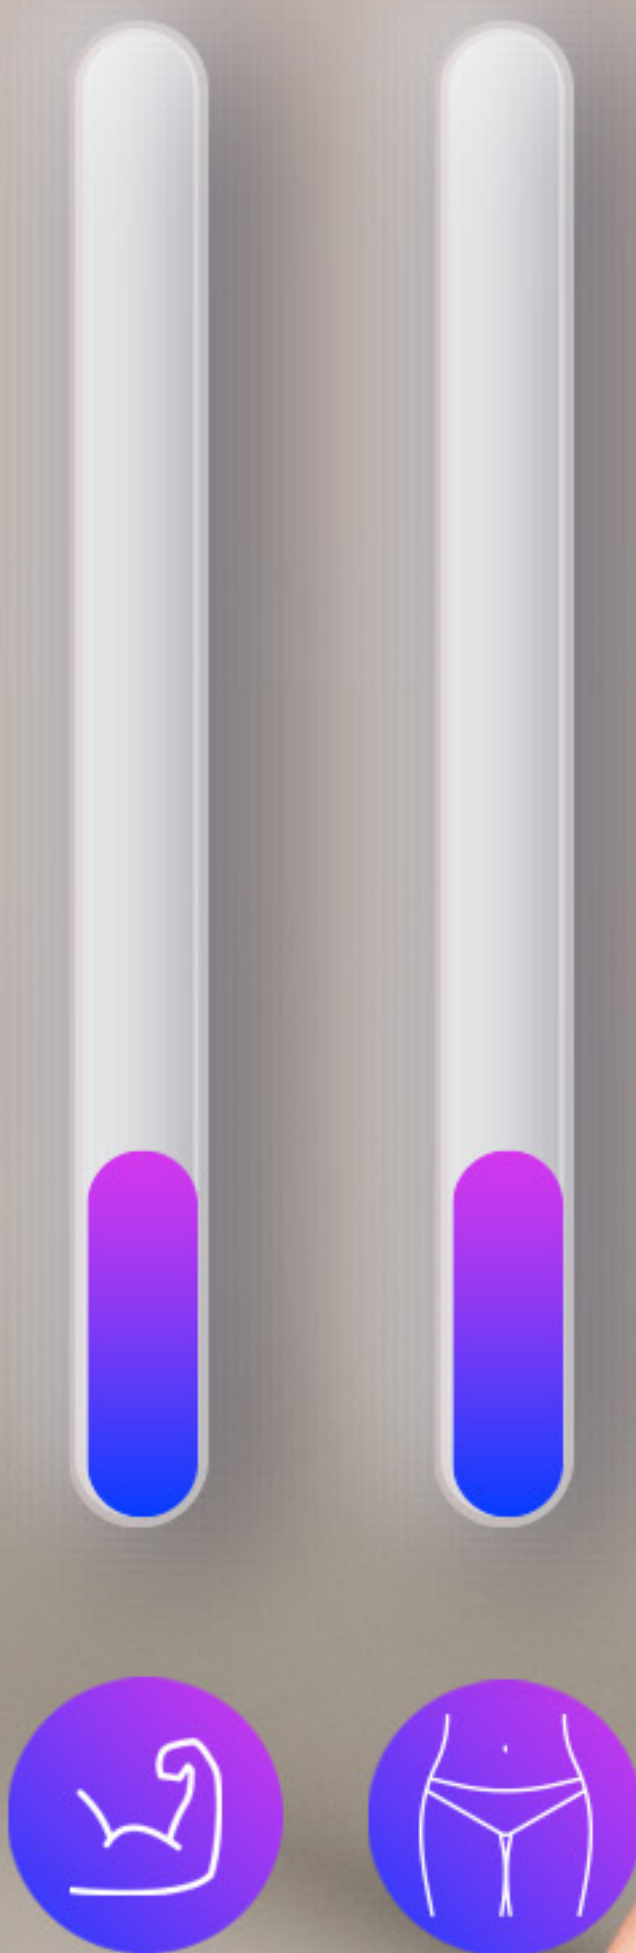

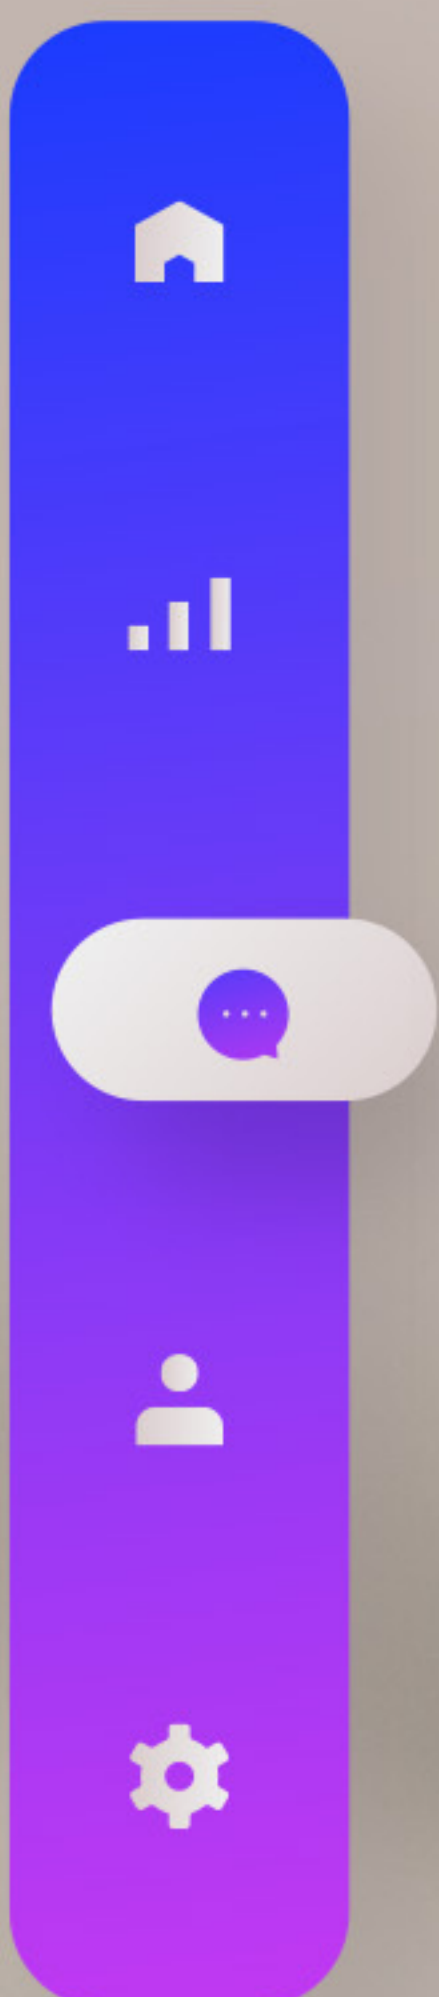

A close-up photograph of a man with short brown hair, smiling broadly. He is holding a smartphone in his right hand, which is partially visible in the lower-left corner. The background is dark and out of focus.

I can get rich by using the APP. It's a godlike power to change appearance at will.

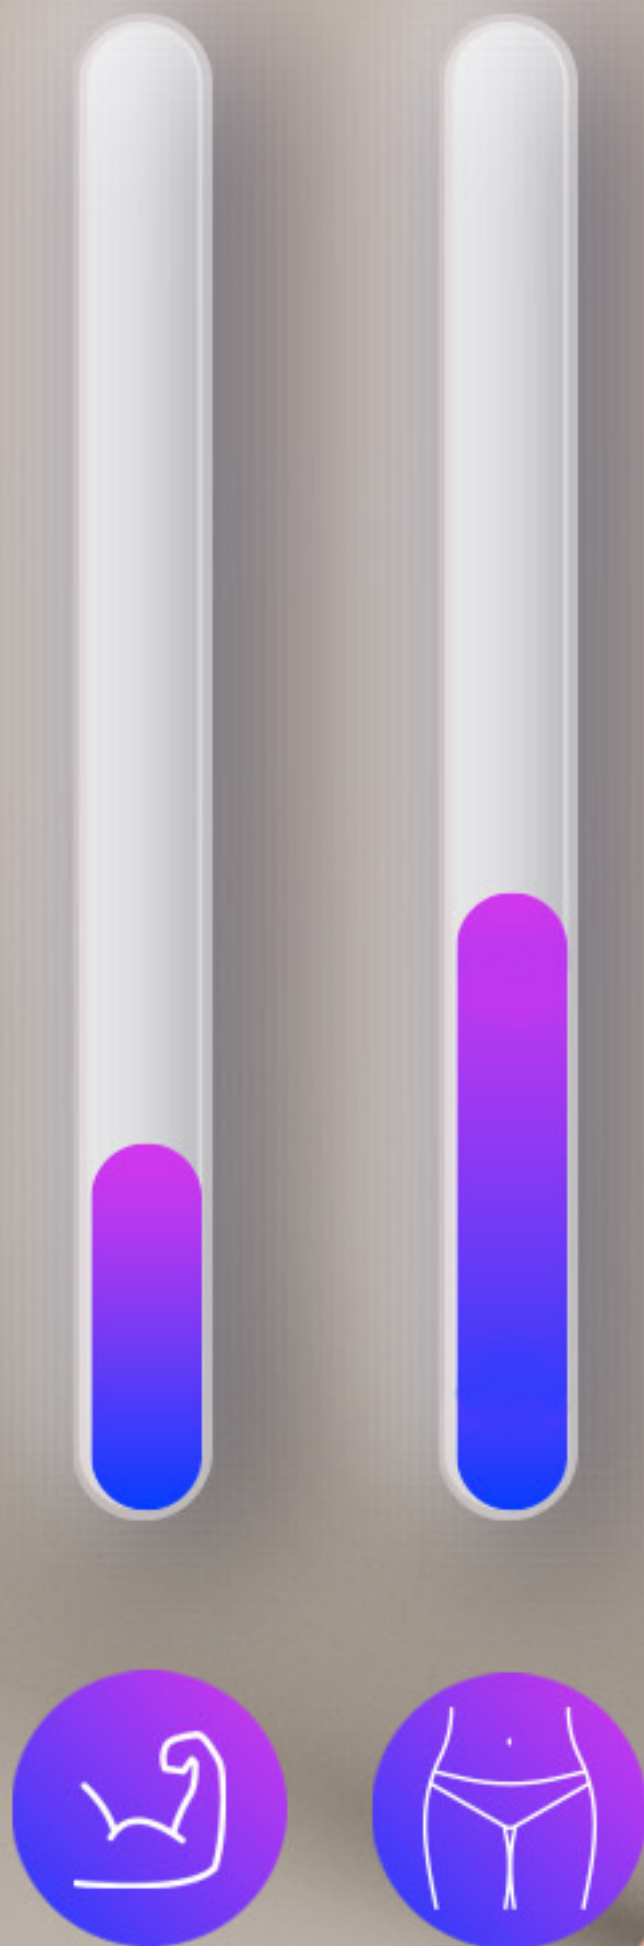

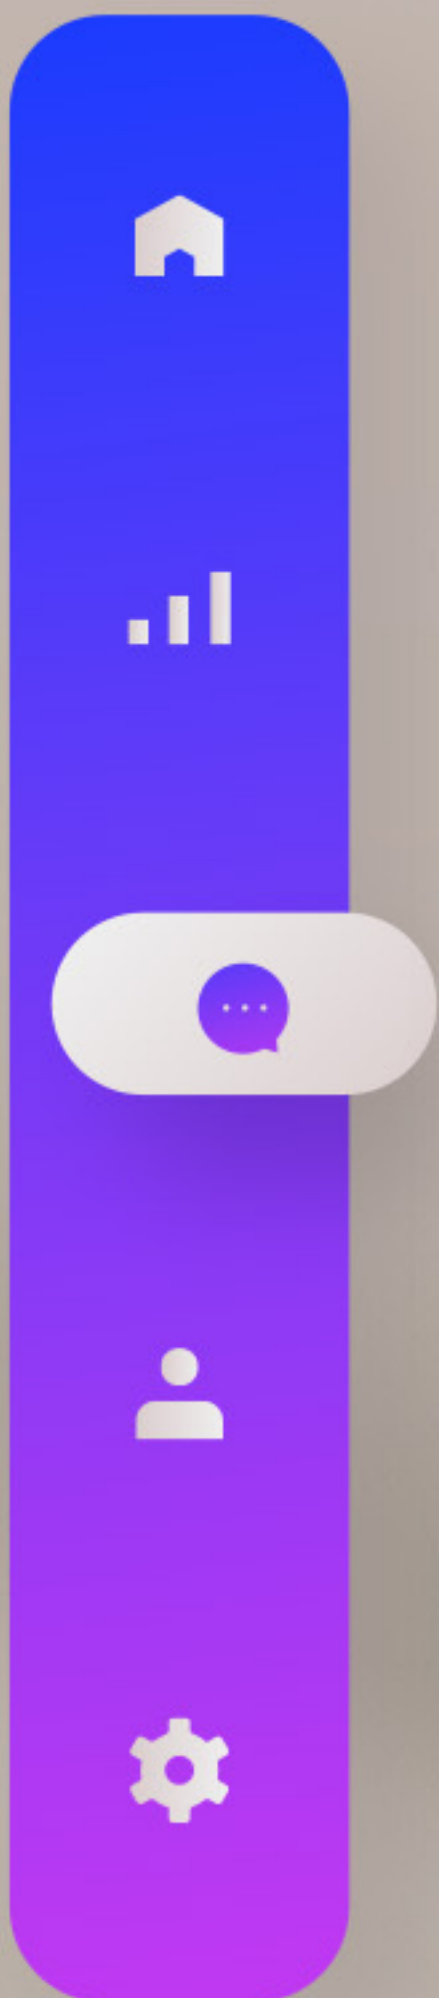

A close-up photograph of a man's bare torso. His right hand is resting on his chest. His nose is significantly distorted, appearing elongated and bulbous, a result of using the app. The lighting is soft, highlighting the contours of his body.

First of all, I need to try how much the APP can morph my body!

Step one, I change myself back. Next, I use the “smooth body curve” option.

Turn the “smooth body curve” up.

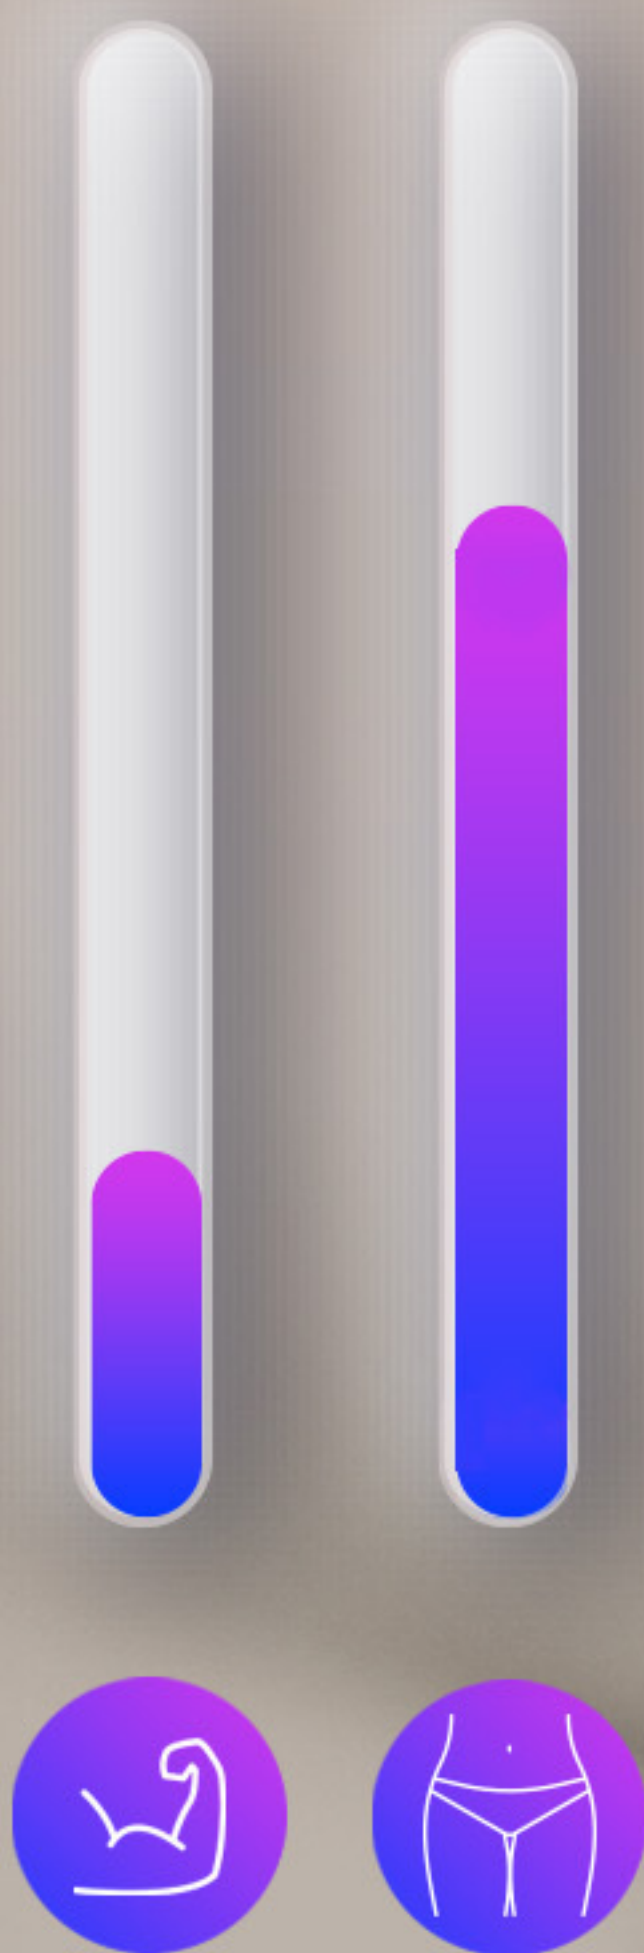

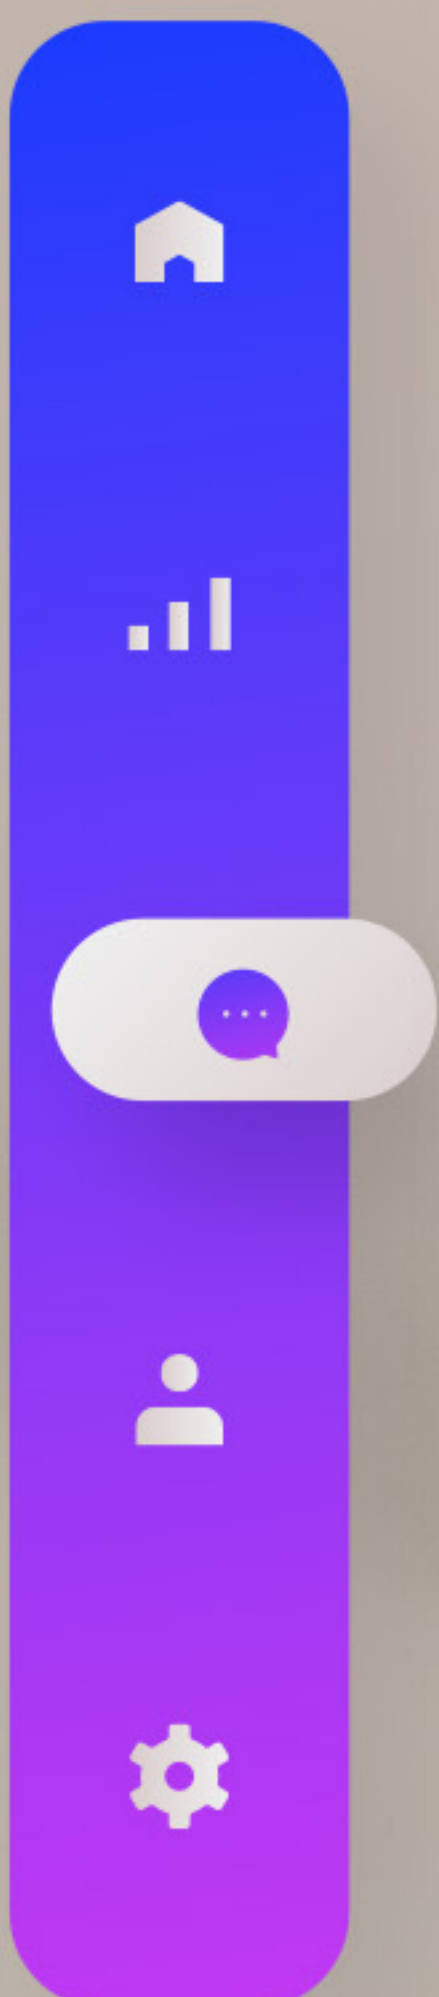

A woman with a male physique, including a muscular chest and shoulders, is shown from the chest up. She has short, curly brown hair and is looking at a smartphone held in her right hand. Her expression is one of surprise and excitement, with her mouth open as if she is speaking or reacting to something on the screen. The background is a plain, light-colored wall.

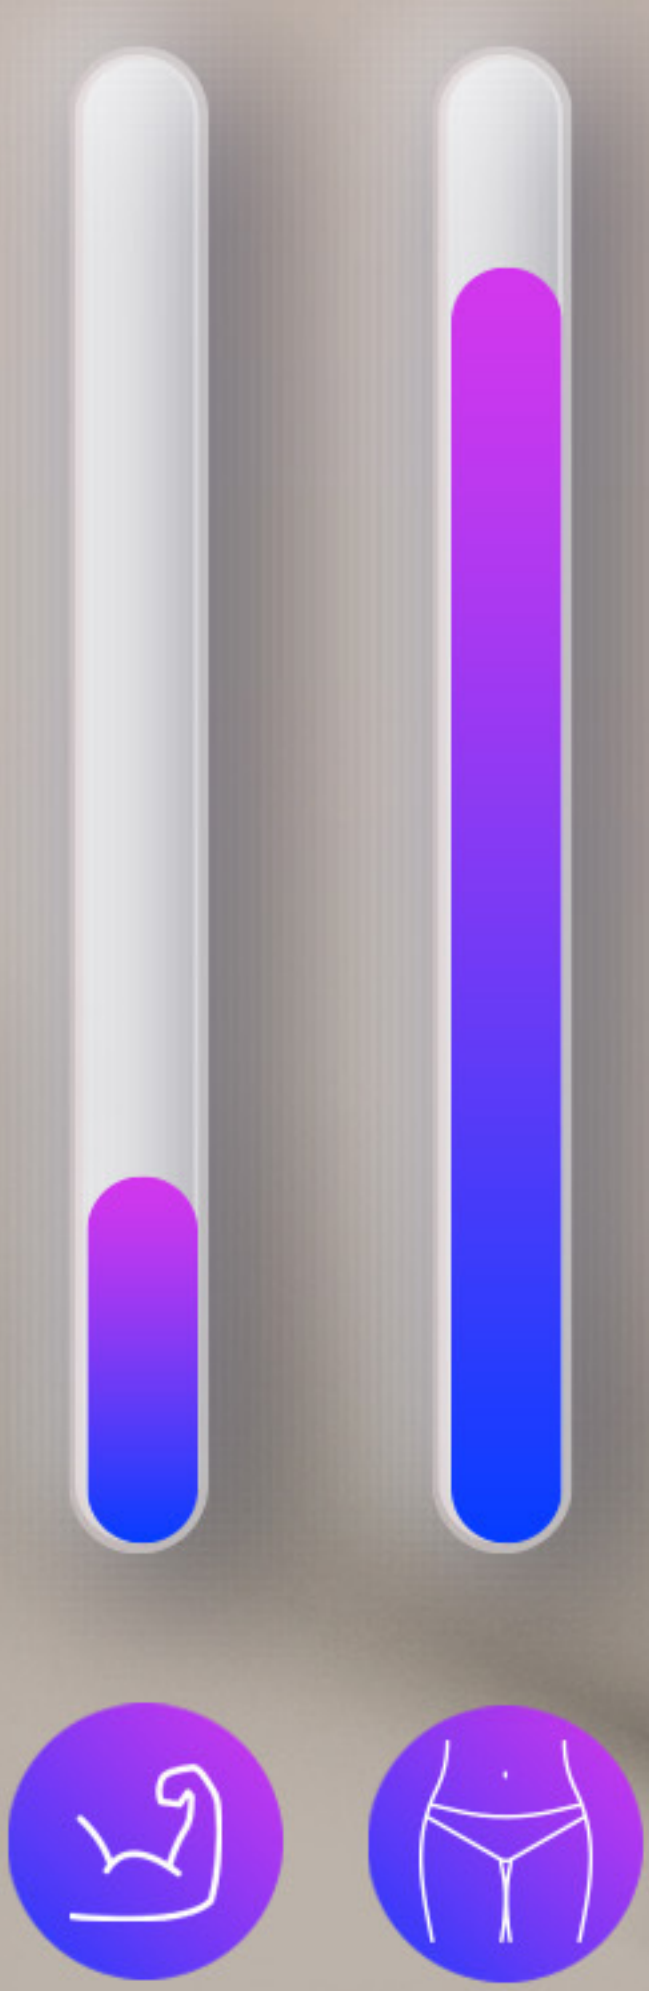

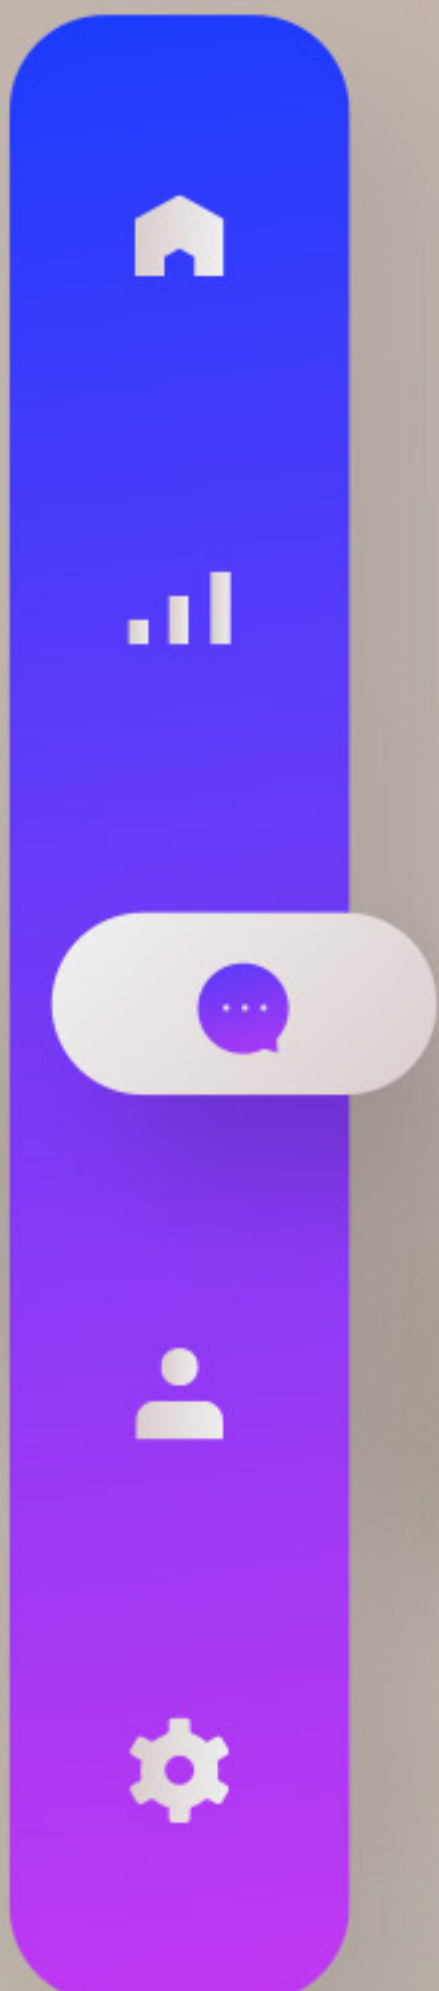

Oh my god! It works!
It is just like "The Sims".

I really can morph
myself into someone
completely different!

Let's turn up the "smooth body curve" more.

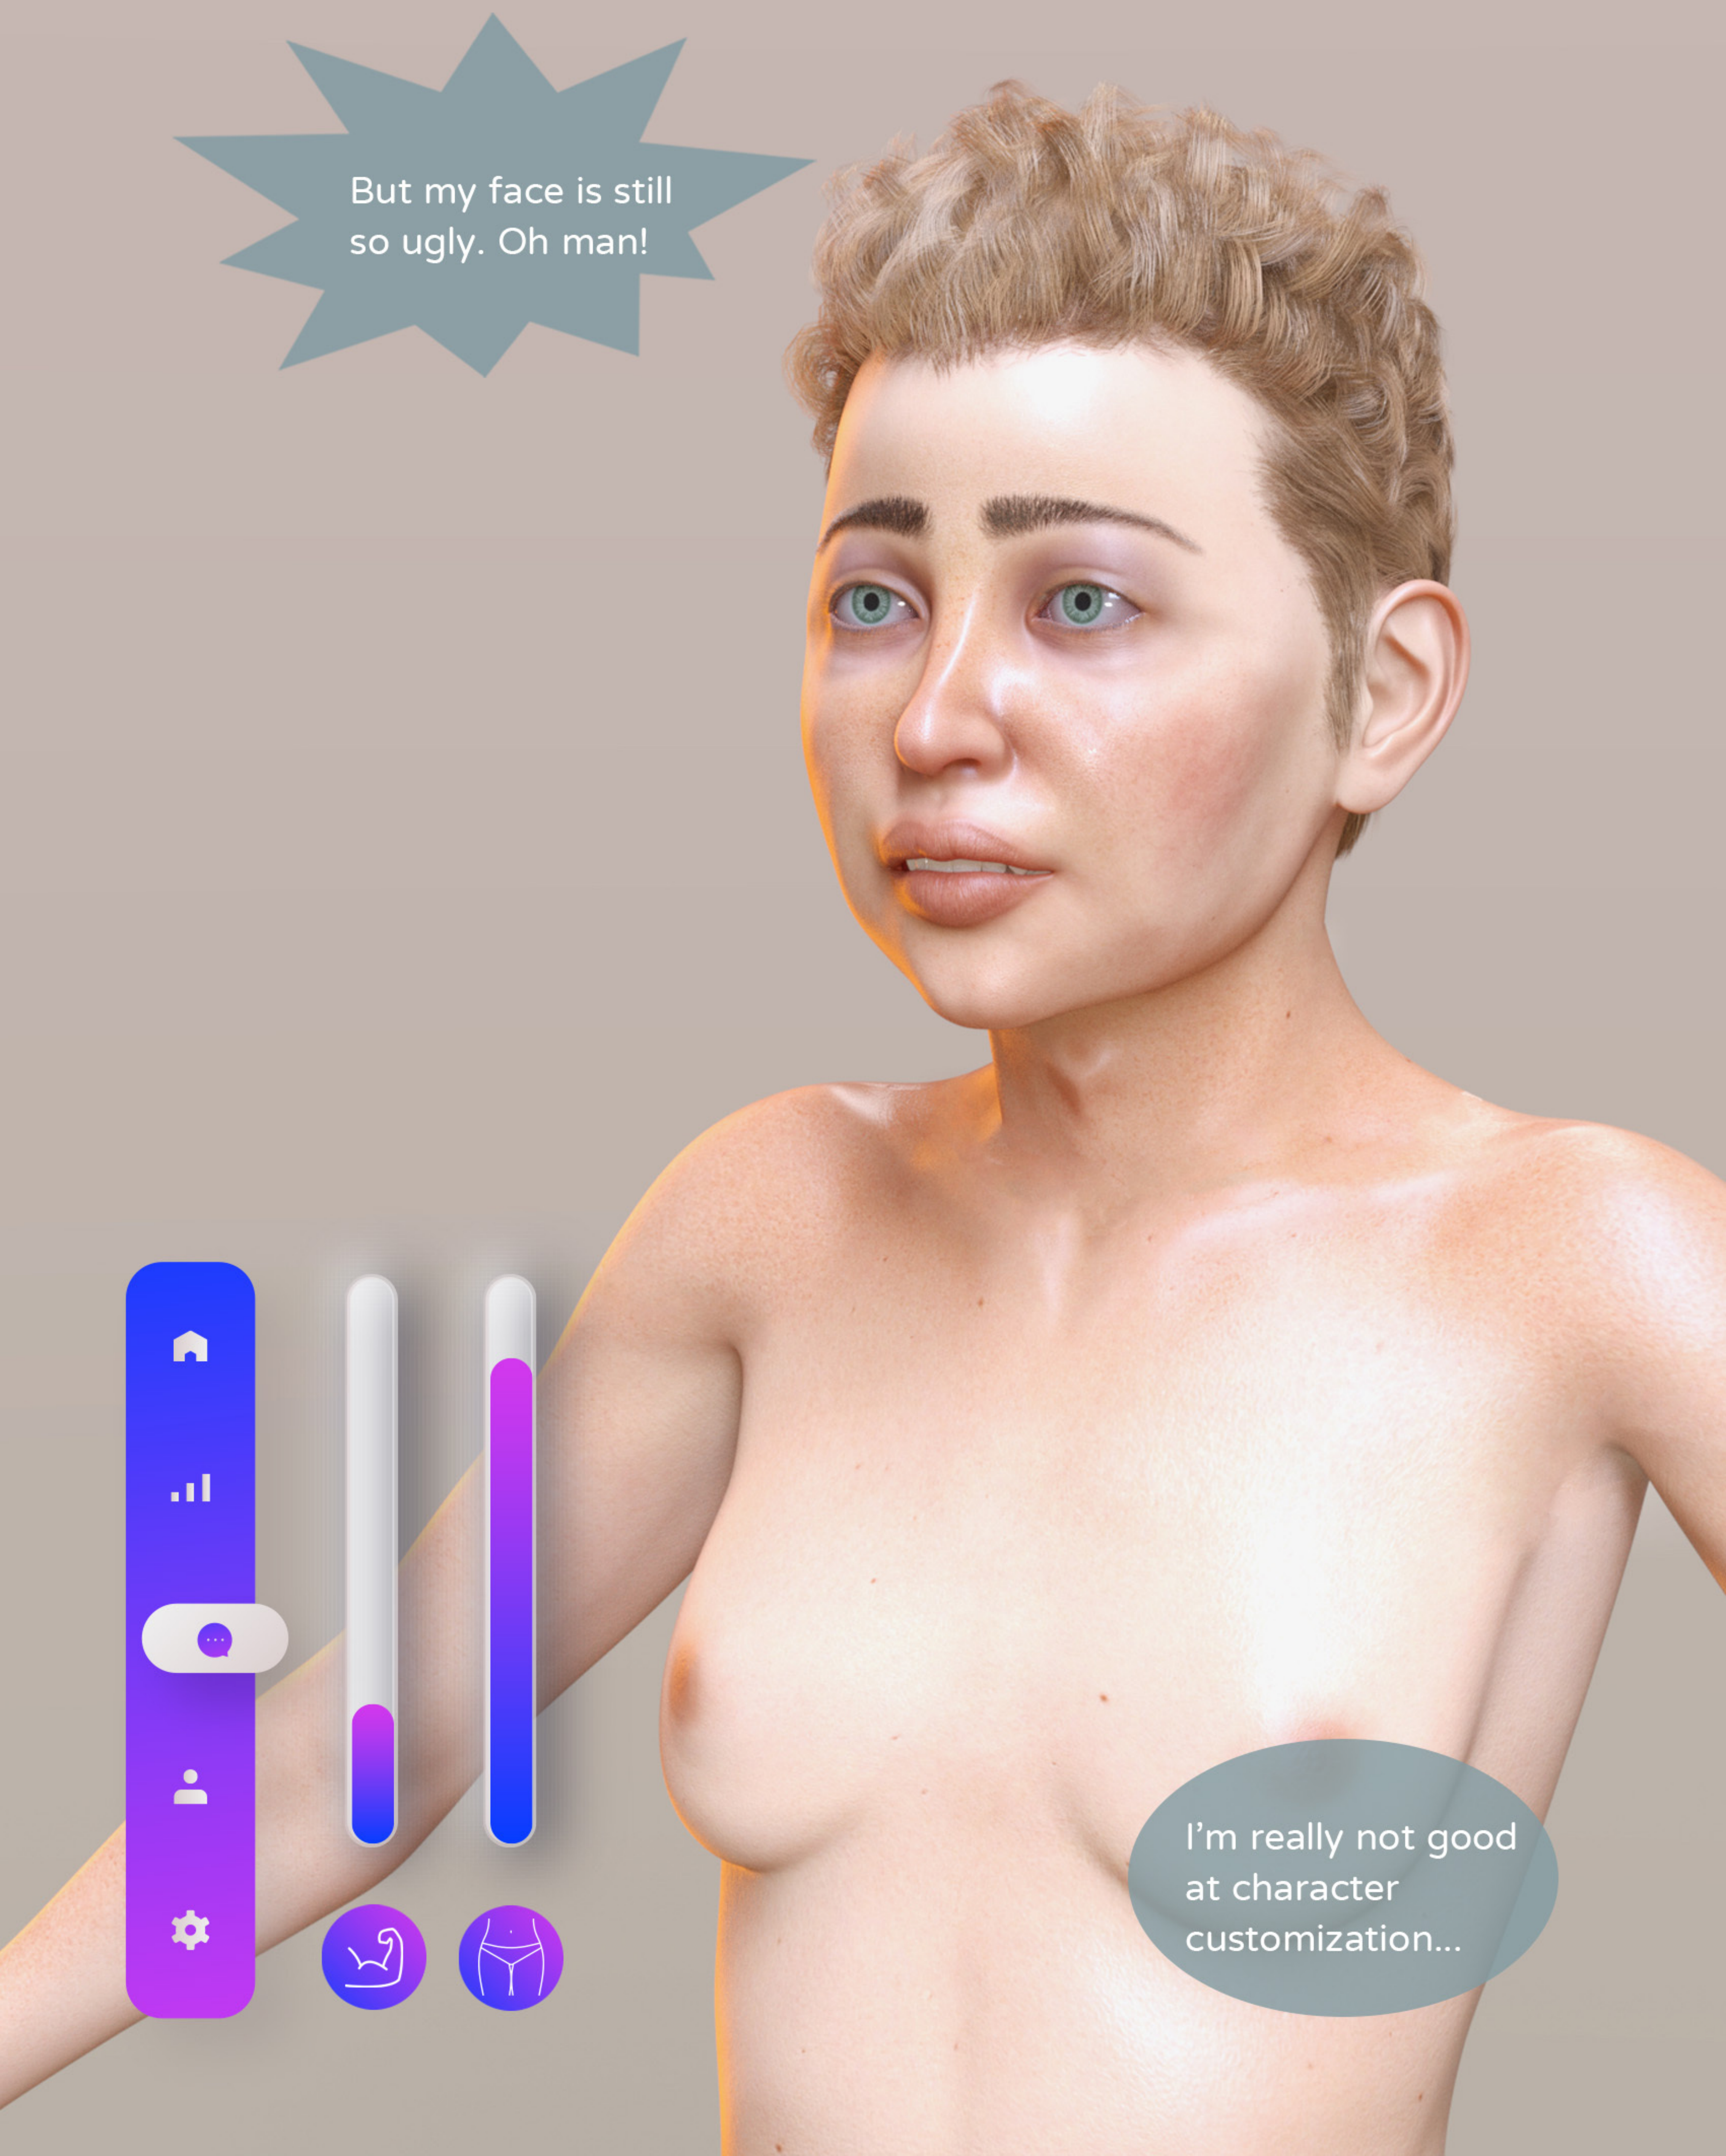

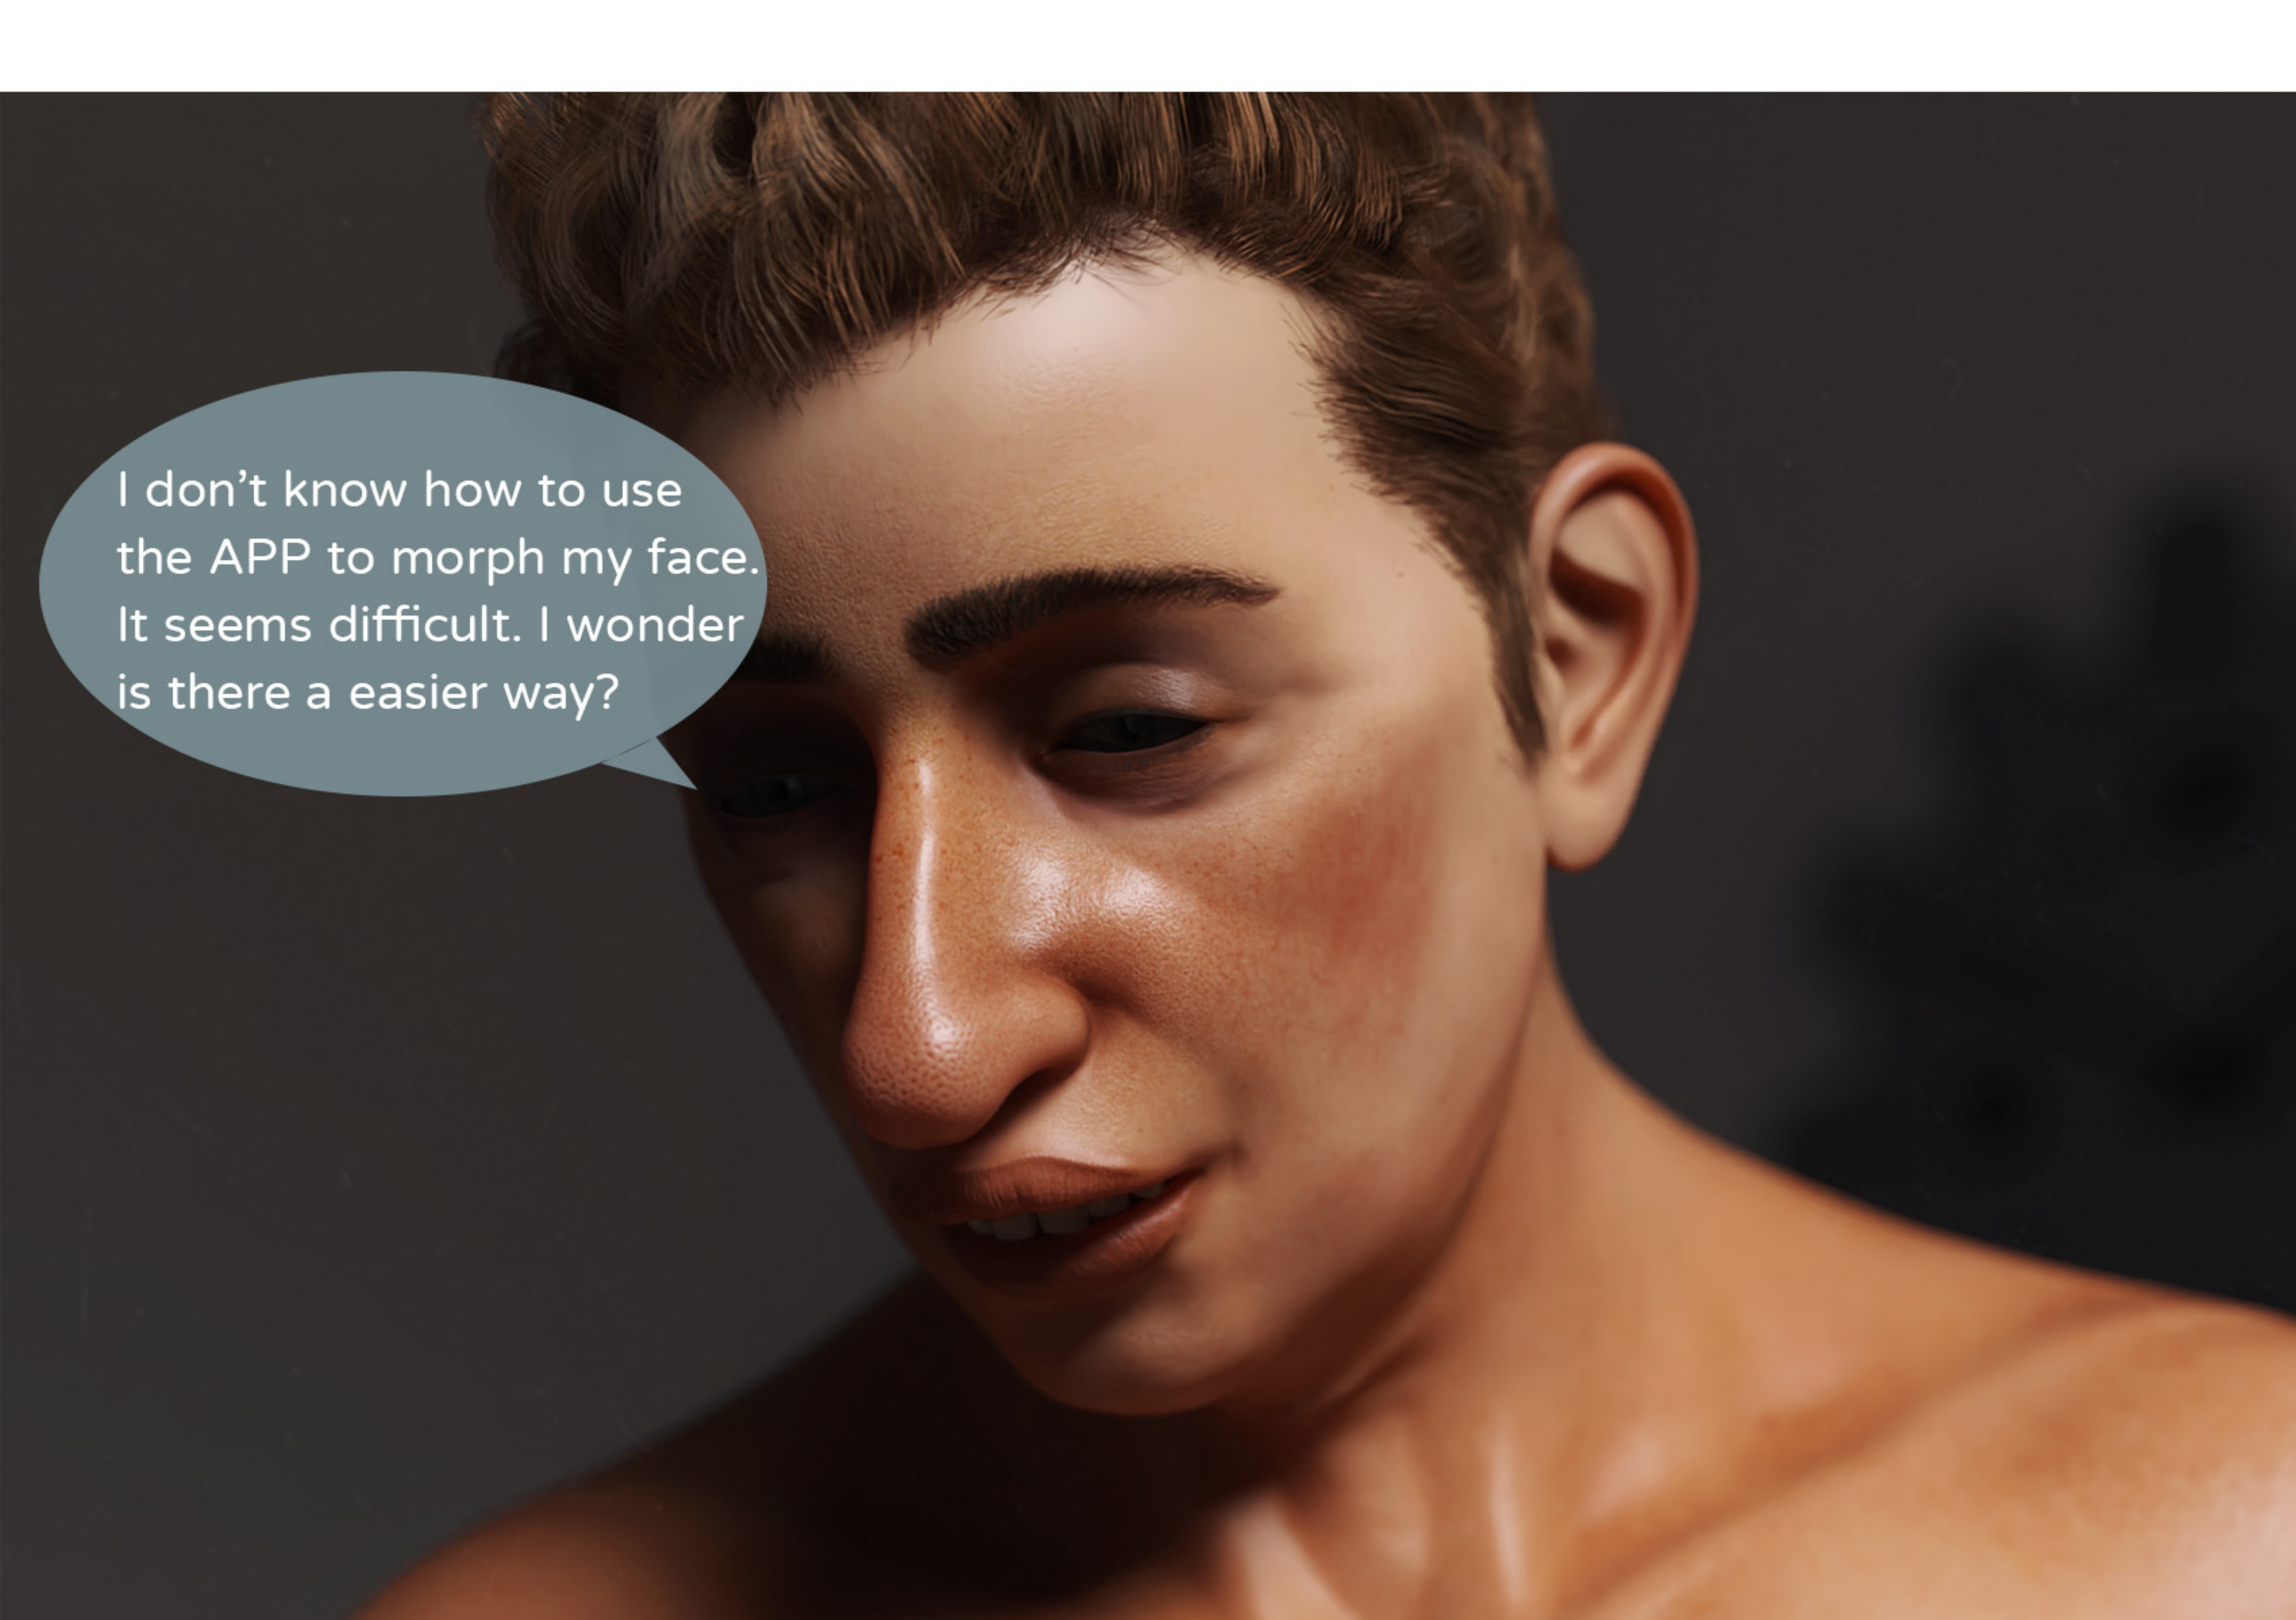

Wow. My body curve becomes so feminine!

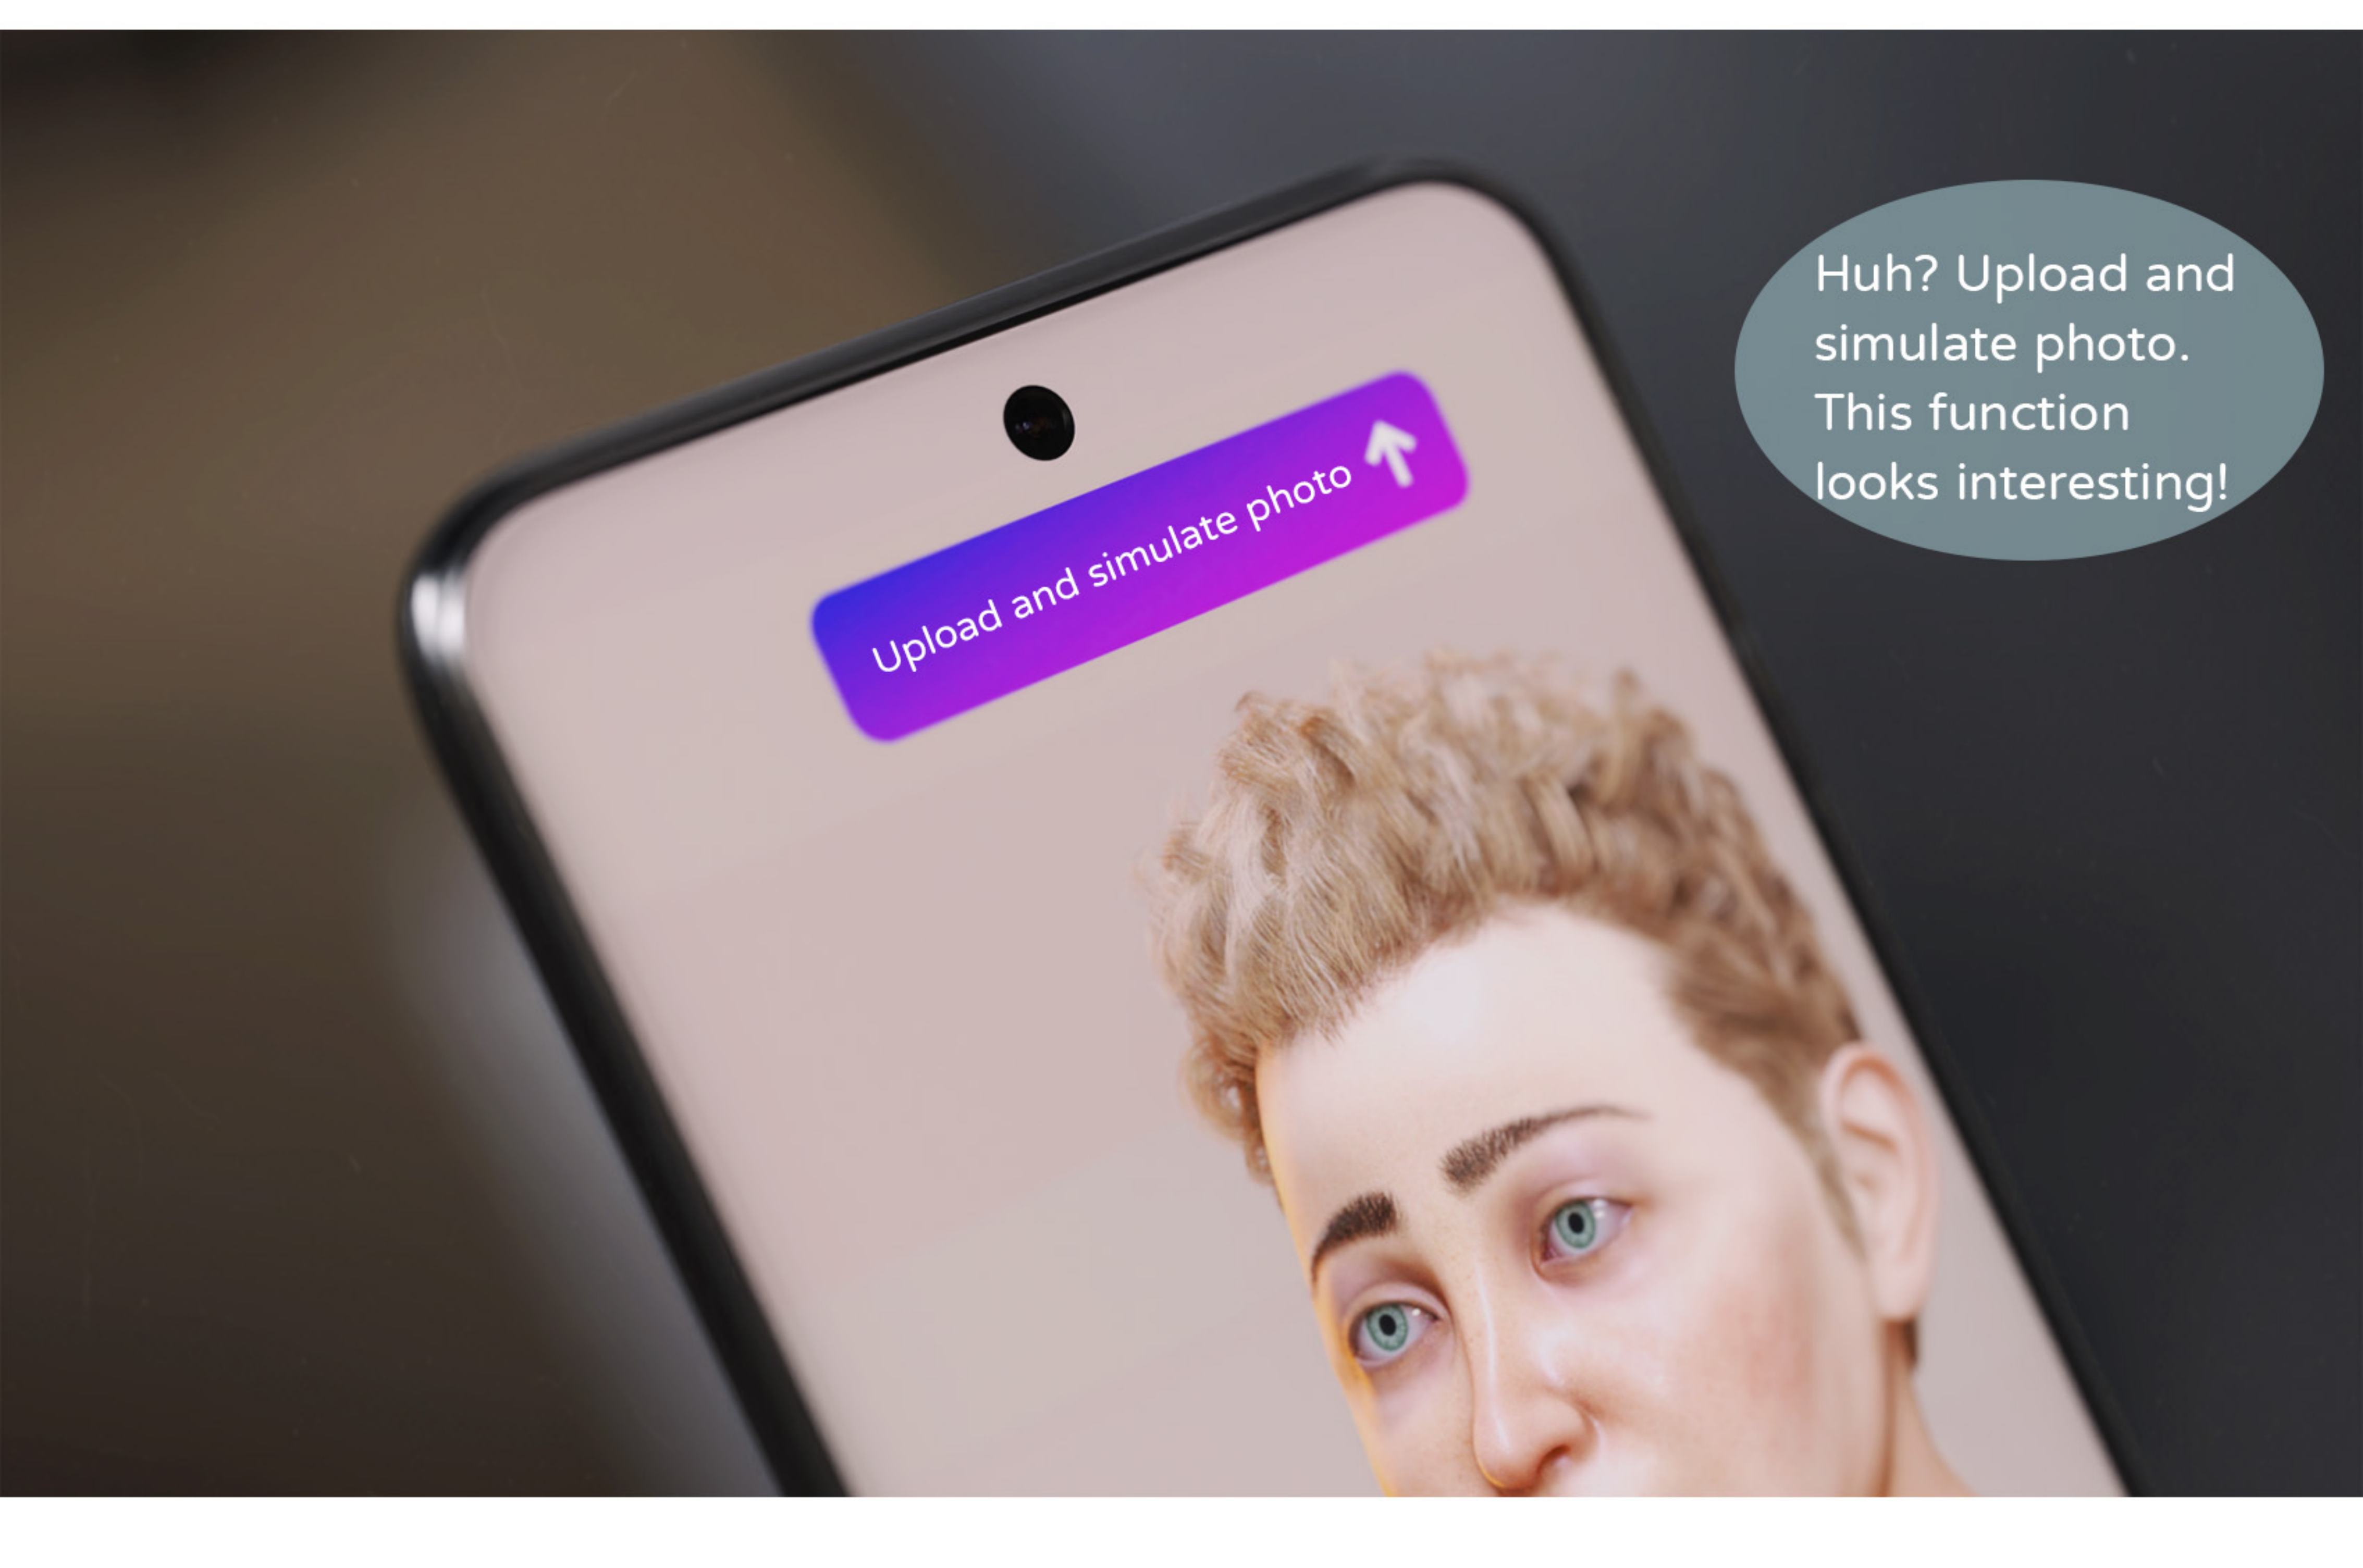

But my face is still so ugly. Oh man!

I'm really not good at character customization...

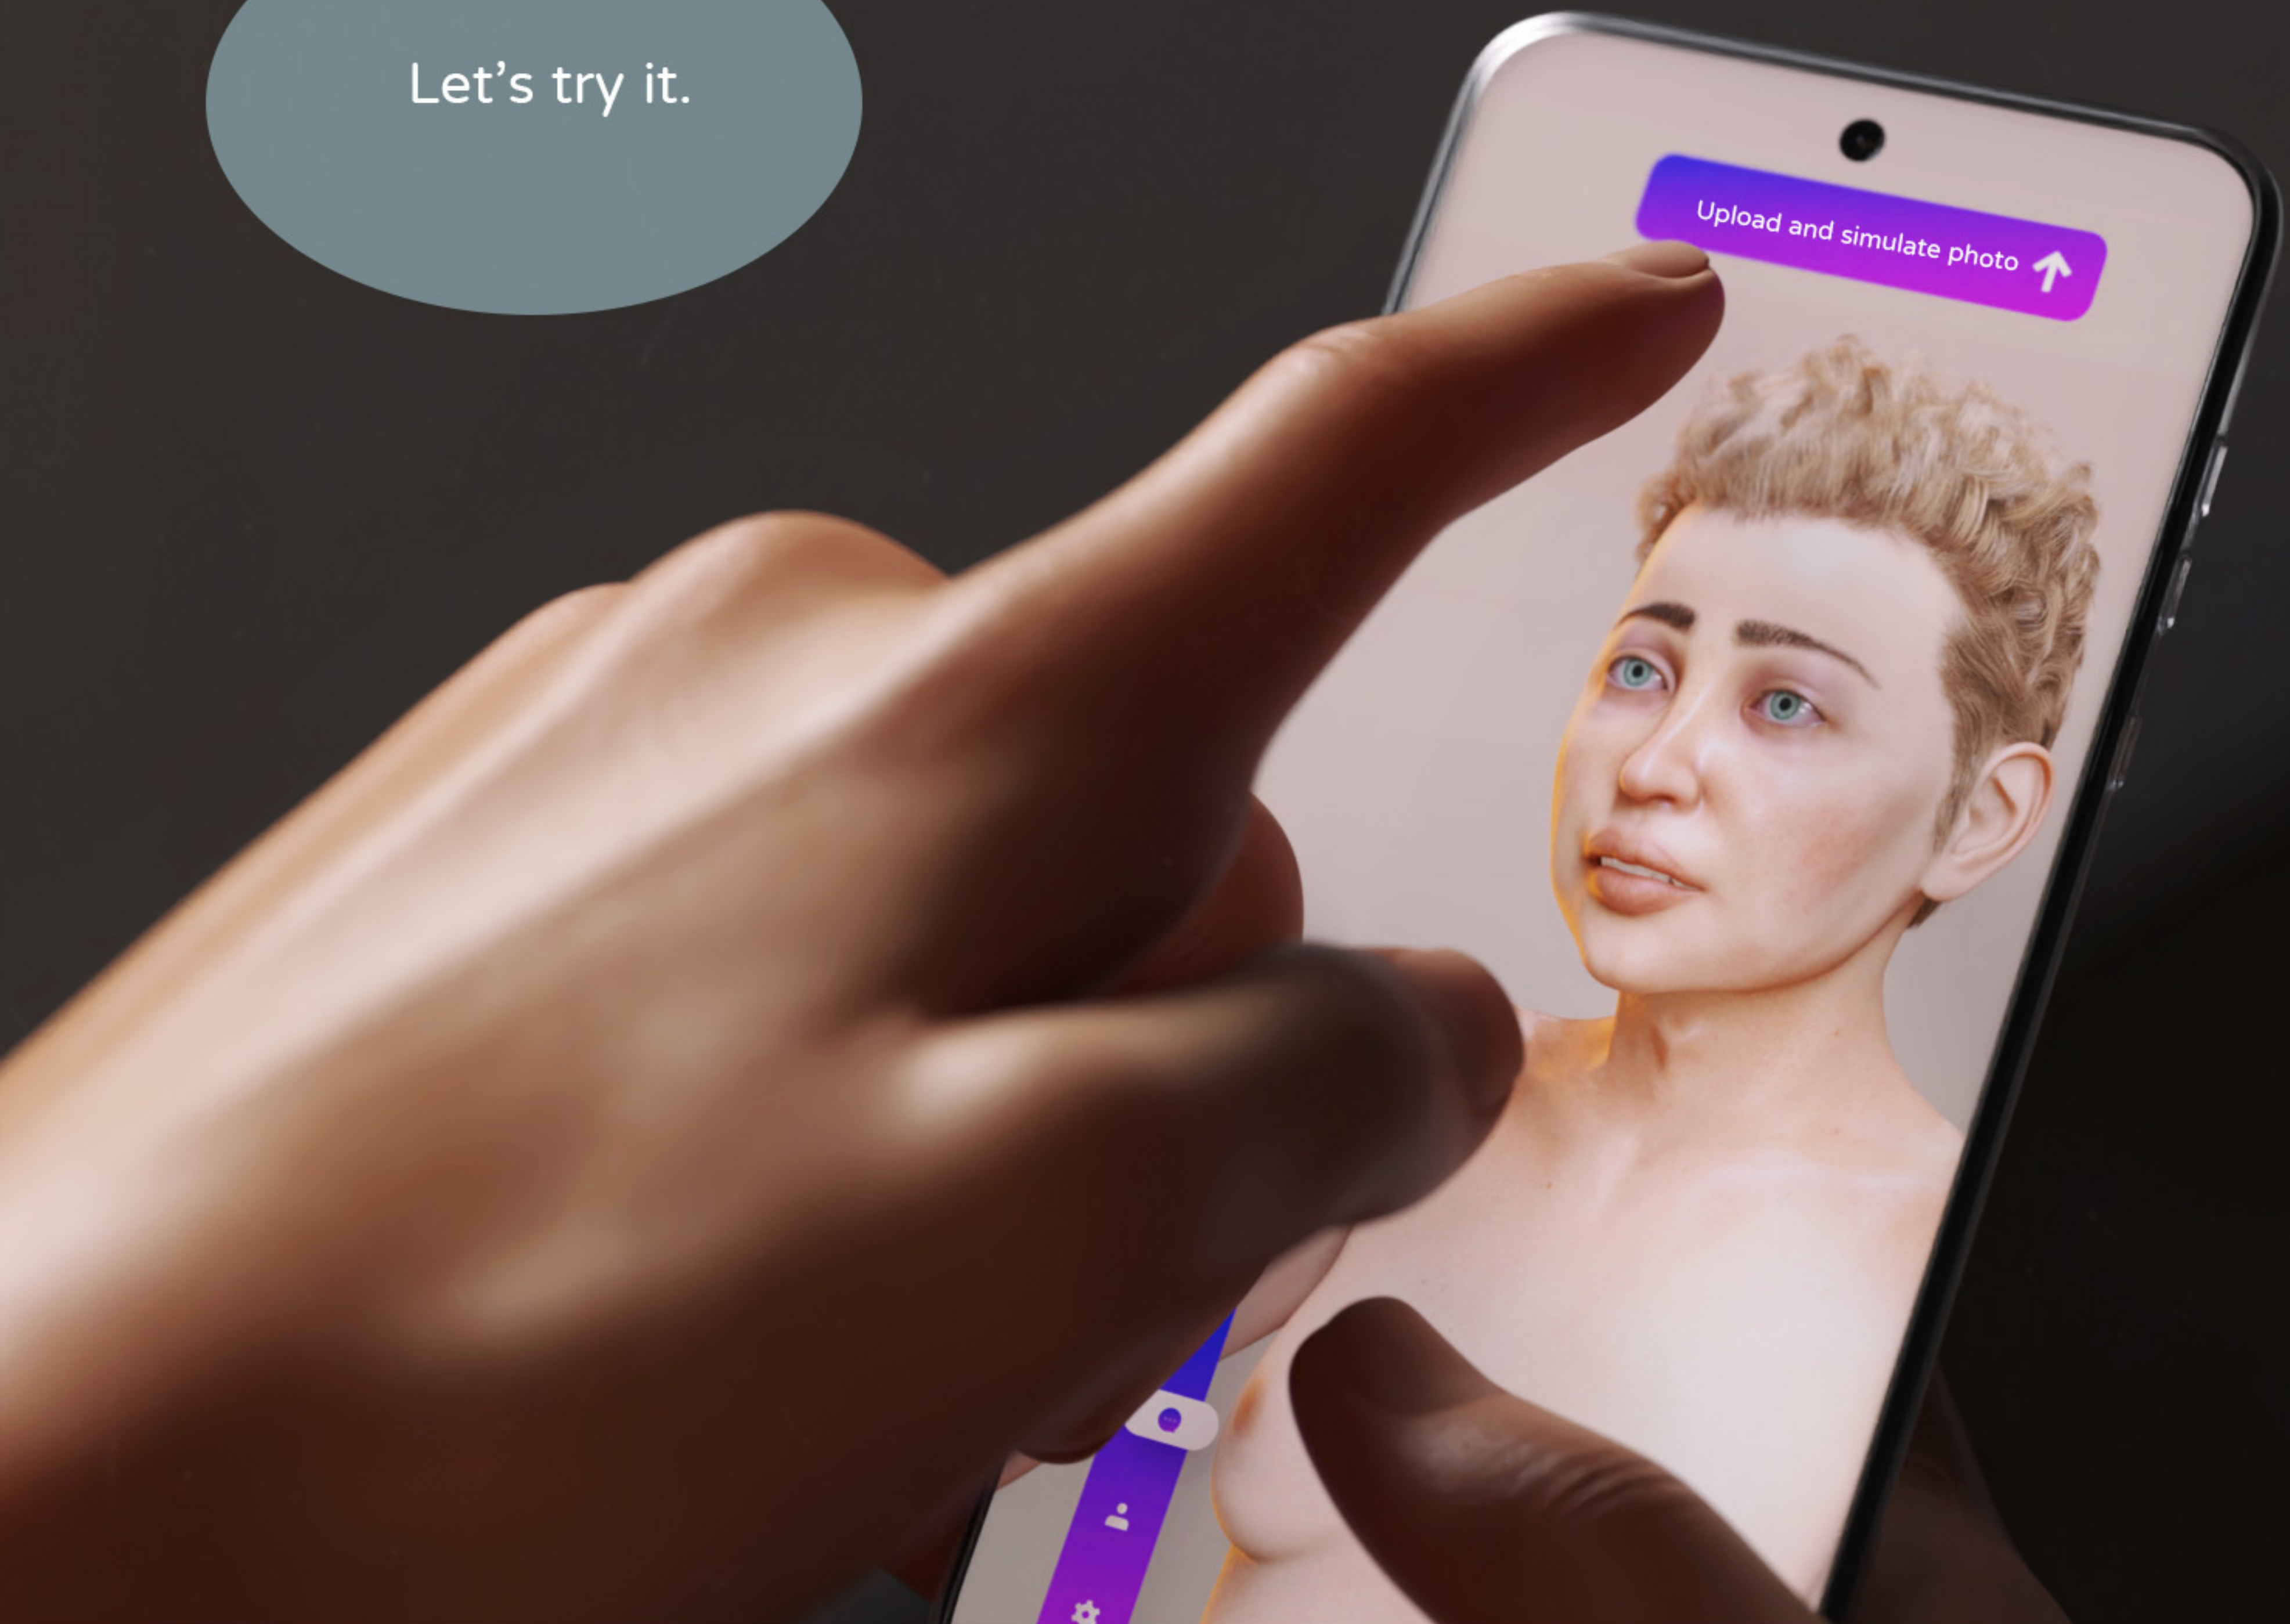

I don't know how to use the APP to morph my face. It seems difficult. I wonder is there a easier way?

Upload and simulate photo ↑

Huh? Upload and simulate photo. This function looks interesting!

Let's try it.

Ah. How about I use my goddess as an example?

Ah. It worked.
It's uploading!

Uploading... 56%

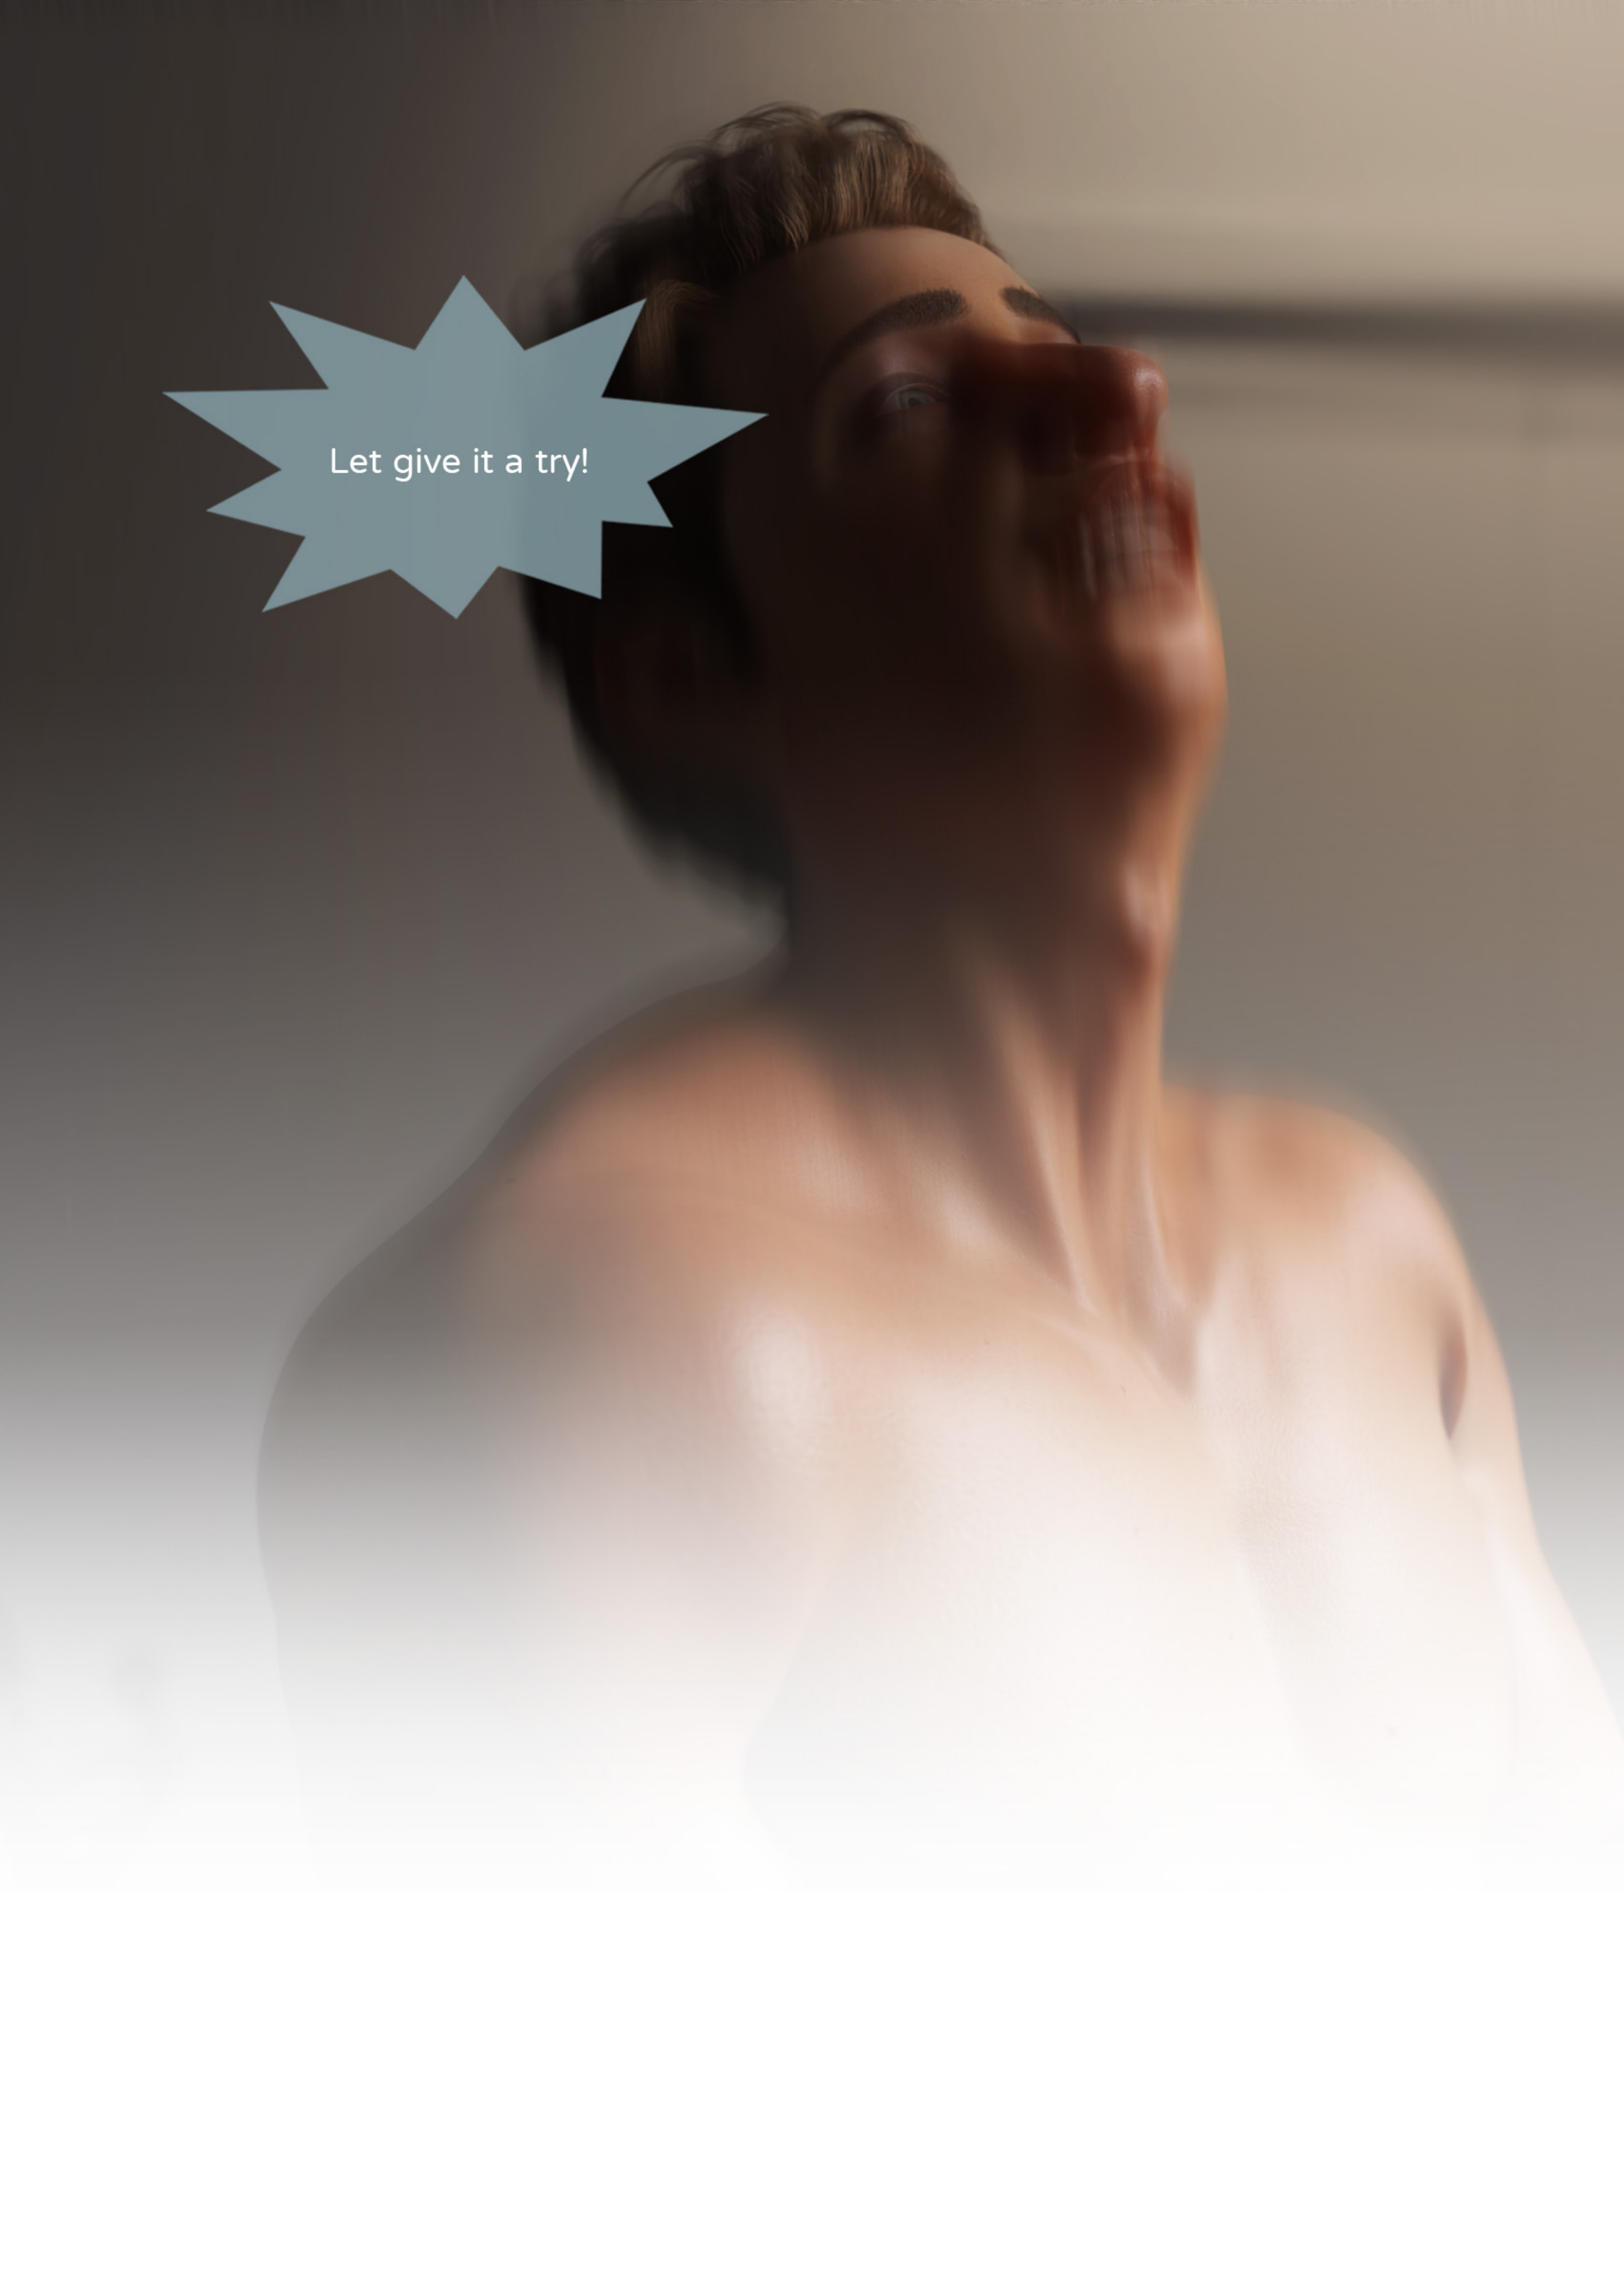

Wow. The APP
applies my goddess'
look to my model!

A photograph of a shirtless man with curly brown hair, looking down at a smartphone he is holding in his hands. The background is dark and out of focus, suggesting an indoor setting like a bar or club. A speech bubble is overlaid on the left side of the image.

Can this APP really change me into my goddess?

Since I don't have any chance to meet her, why not change into her and have some fun?

A close-up, low-angle shot of a man's face and upper torso. He has dark hair and a prominent mustache. He is looking upwards and to the right with a slight smile. The lighting is soft and warm, highlighting his skin. A light blue, multi-pointed starburst graphic is overlaid on the left side of his face, containing the text "Let give it a try!".

Let give it a try!

A dark teal oval is positioned in the lower-left quadrant of the page. Inside the oval, the text "Wow... Did it work?" is written in a white, sans-serif font. The text is centered within the oval and has a bounding box of approximately [180, 632, 389, 656].

Wow... Did it work?

It worked! The APP
really changed me
into my goddess!

Oh my god! She is so breathtaking! After graduation, I only watched her pictures and never met her.

Now not only can I meet her, but also touch her face and skin.

My goddess'.....my goddess' body. I'm touching her body.

Oh! This makes me so excited!

My goddess'.....
my goddess' tits!
I can feel it!

For regular people, her
breasts are quite big. But
for me, a big boobs lover,
they aren't big enough.

Although it may seem greedy, why not go home or go big!

Let's make my
boobs bigger!

Oh oh oh! They're very huge! They're perfect!

A vertical navigation bar with a blue-to-purple gradient. It contains five icons: a home icon, a bar chart icon, a chat bubble icon, a person icon, and a gear icon.

A vertical slider control with a white-to-blue gradient. Below the slider is a circular icon of a bra.

That what I'm talking about! Big boobs are the kings!

Plus the perfect
bubble butt. No
man can stand
her charm!

A close-up photograph of a woman with long, wavy black hair and bright red lipstick. She is smiling broadly, showing her teeth. Her eyes are looking slightly to the left of the camera. She is wearing a dark, possibly black, top. The background is blurred, showing what appears to be a window with light coming through. A teal-colored speech bubble with a starburst shape is positioned in the upper left quadrant of the image.

Wow ha ha!
This so excited!

A close-up photograph of a woman with long, wavy black hair and bright red lipstick. She is smiling broadly, showing her teeth. Her eyes are looking slightly to the left of the camera. She is wearing a dark, possibly black, top. The background is blurred, showing what appears to be a window with light coming through. A teal-colored speech bubble with a starburst shape is positioned in the lower right quadrant of the image.

The goddess'
body with bigger
boobs are so
awesome!

Woo...
My goddess' body.

Since I became her, I will take the opportunity to explore her body.

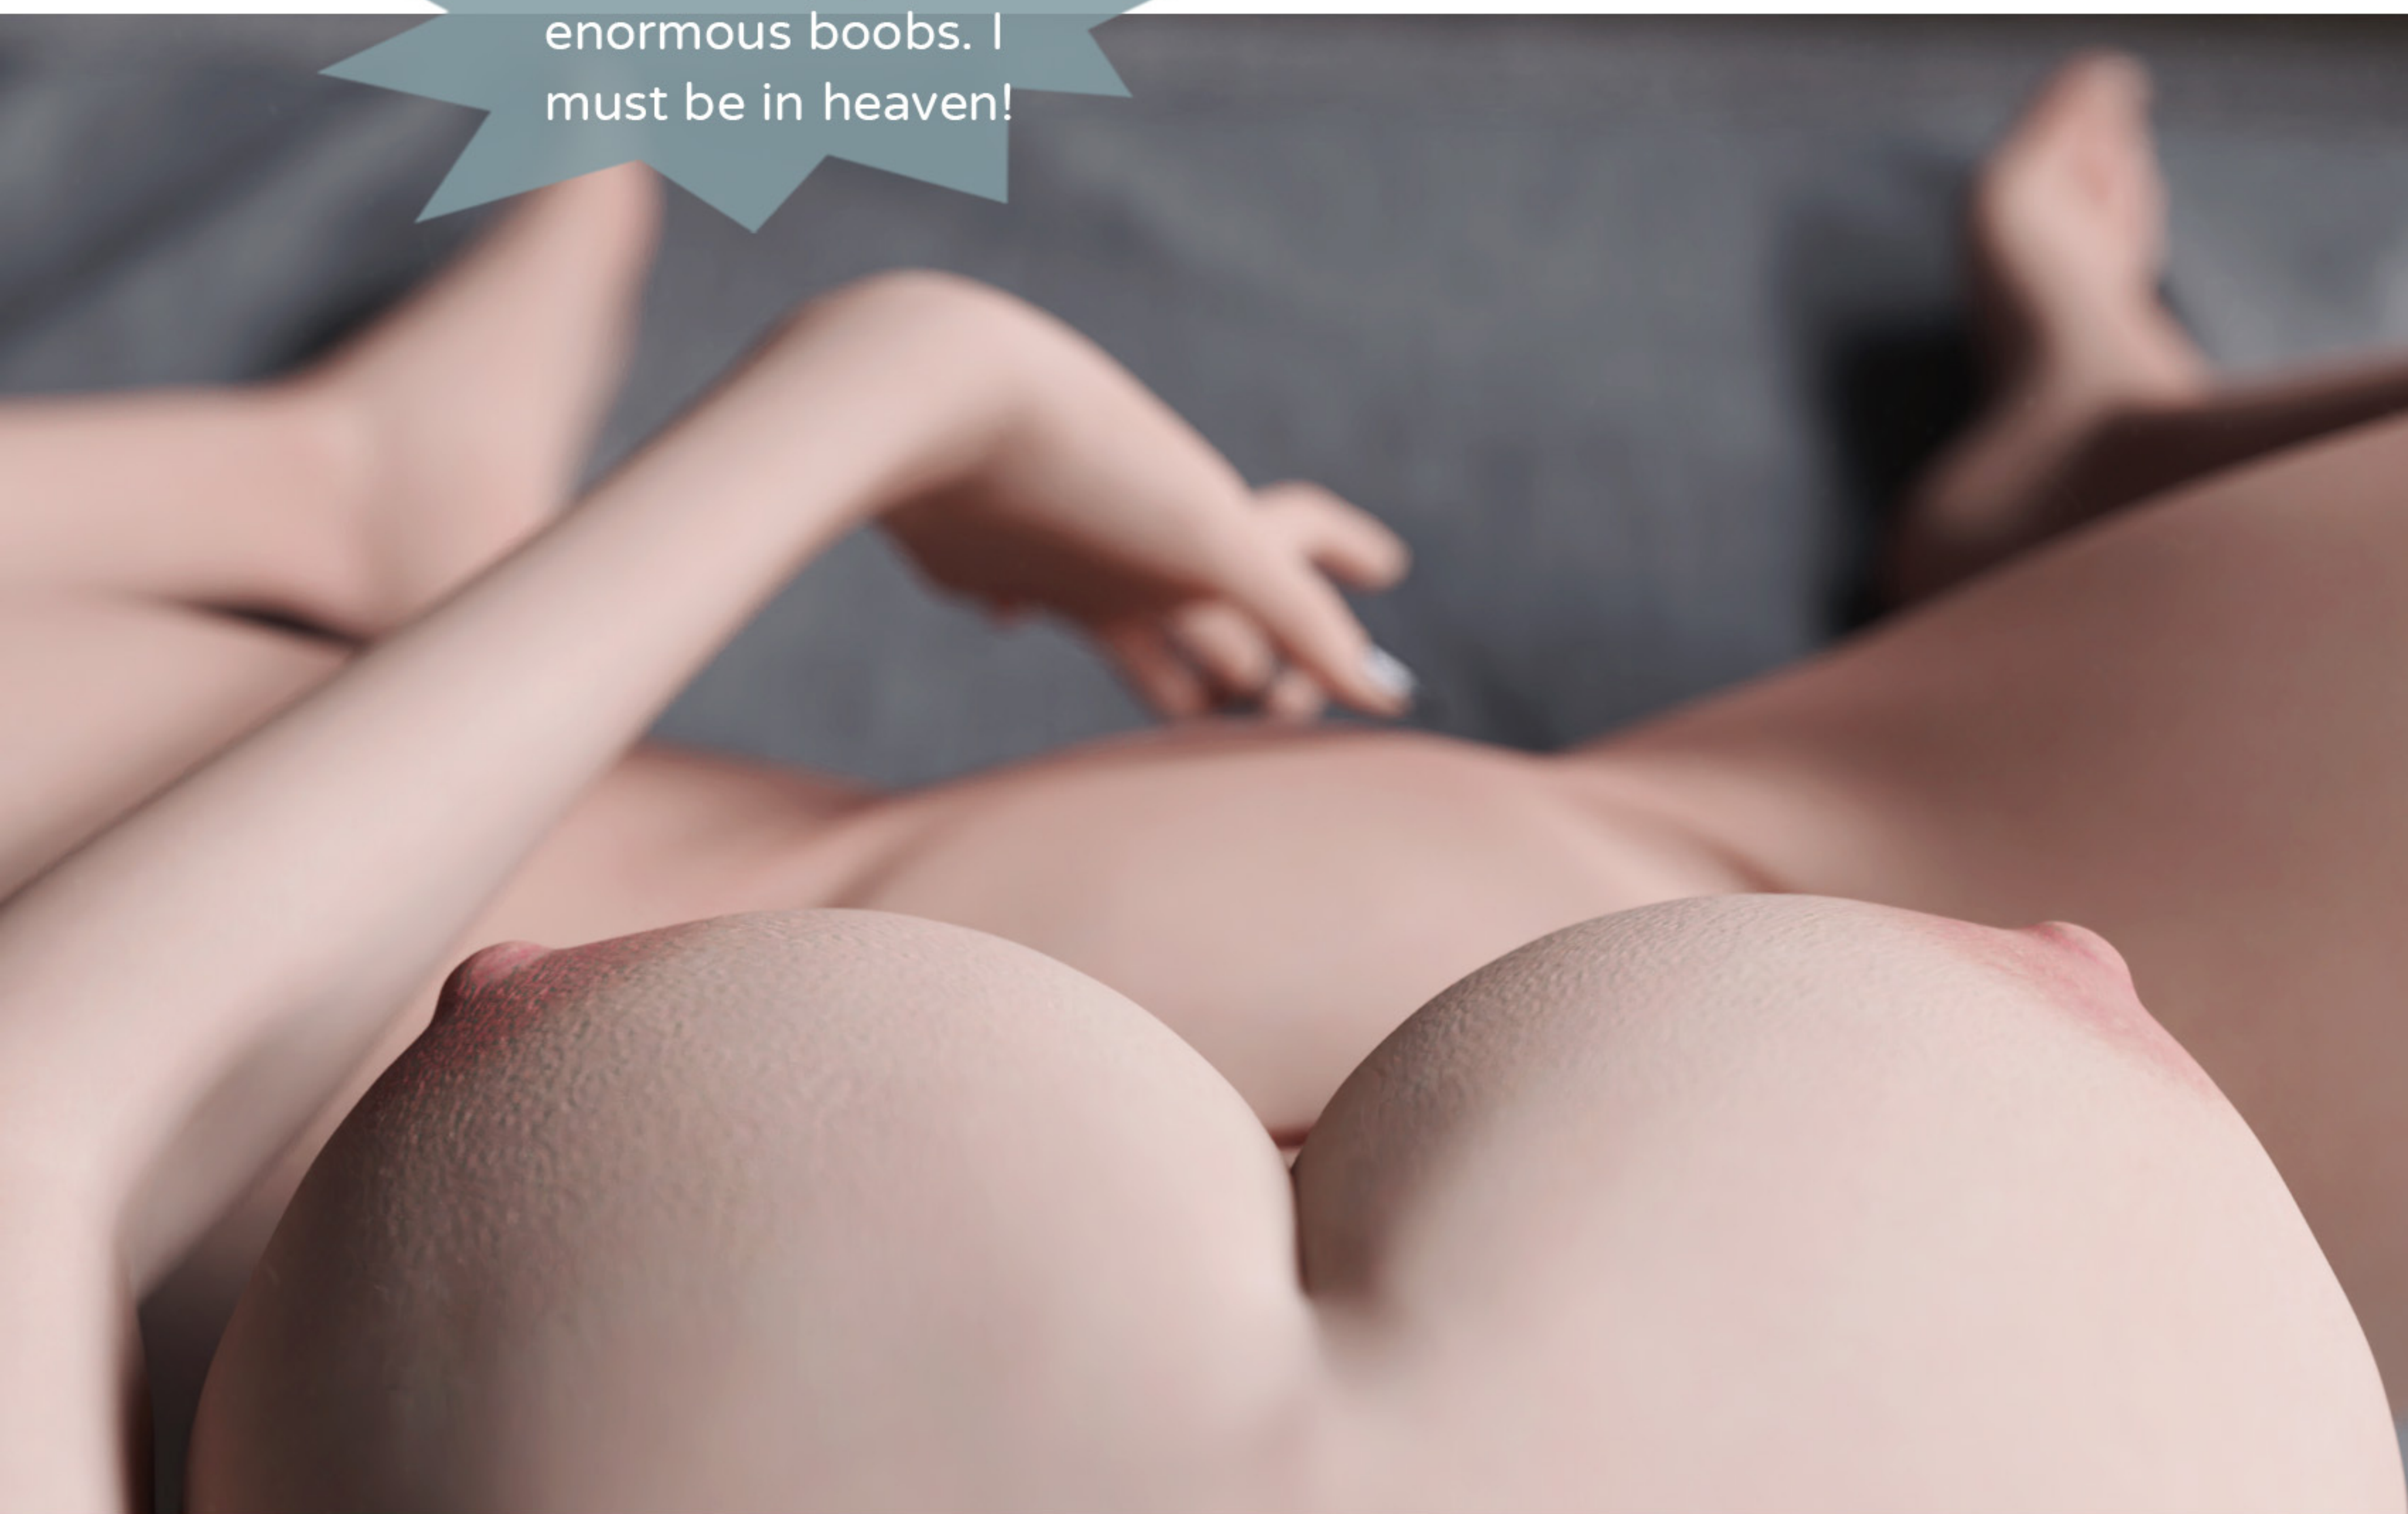

The goddess' pussy is so soft and comfortable.

I want to put my dick in it so bad.

I'm going to cum in
my goddess' body!

I just look down,
there're my goddess'
enormous boobs. I
must be in heaven!

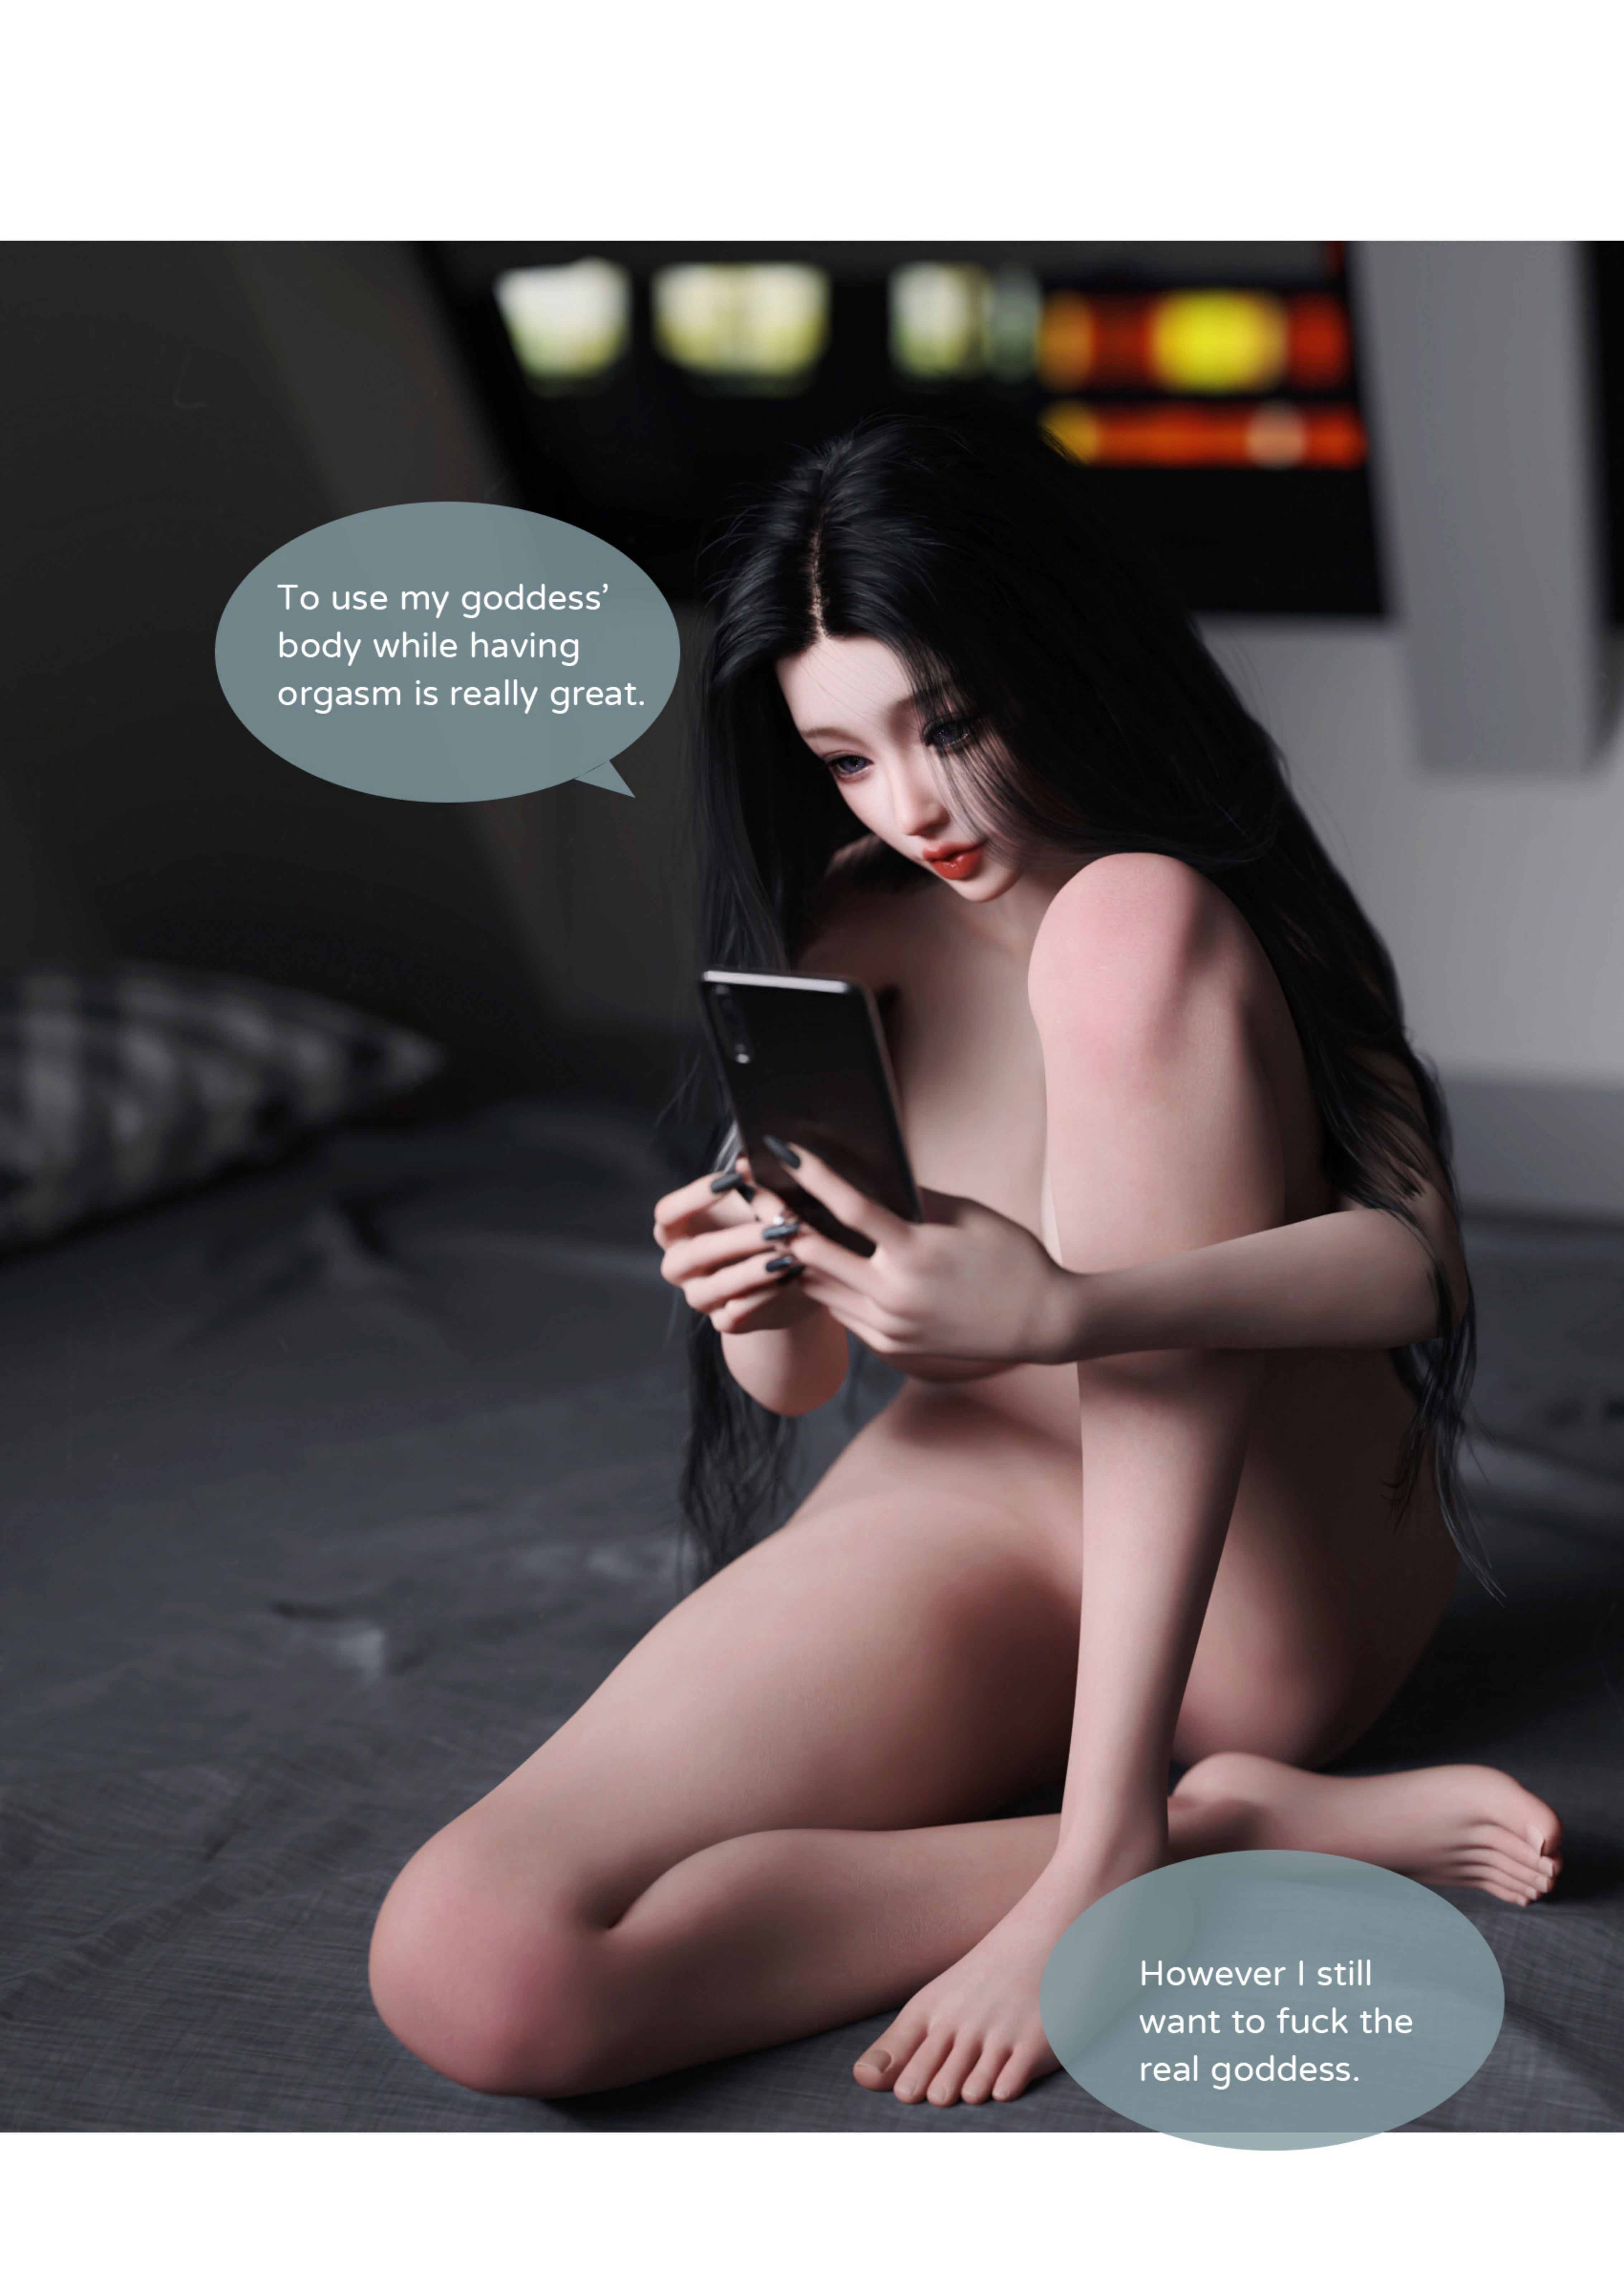

It...it's coming!

I'm cumming!!

A woman with long, straight black hair is sitting on a dark, textured surface, possibly a bed or floor. She is looking down at a smartphone held in her hands. The lighting is soft and focused on her, with a blurred background showing some colorful lights. Two speech bubbles are overlaid on the image, one on the left and one on the bottom right.

To use my goddess' body while having orgasm is really great.

However I still want to fuck the real goddess.

Hey. I got it!

Wait and see, my
goddess. I will find a way
to have sex with you!
