

# ***LORENKA UMKO***

*"I am more than my clan. I am Lorena, first."*

## LORENKA UMKO

Half-orc outlander, mercenary,  
sorcerer: chaotic neutral.

*Lorenka*

**Personality Traits.** Lorenka is the daughter of the leader of a powerful clan of tradition-following half-orcs. These orcs, the Savage Hand, are notorious for their brutality and dedication to their orc lineage. Lorenka is different, and is much more interested in joining the rest of society. She is reserved, well spoken, polite, and firm on her opinions.

**Ideals.** I am more than heritage. I choose my fate.

**Fears.** I never know when my clan will decide they've had enough of my defiance.

**Quirks.** Wears exclusively cool colors and hates armor. Sneezes when nervous. Has a sweet tooth.

**Secret.** Lorenka struggles with her sexuality.
