D: She moaned like a whore, we got caught right after I came

D: The security guy wasn't happy

C: Oh shit

D: While my cum was fertilizing her womb
D: Dripping on the stall's floor
D: She swallowed every drop he gave her!
D: In a certain way, that was your first meal haha

-diary-

I wrote everything at once in the diary, but of course it's supposed to appear bit by bit with the player's clicks

What a terrible day... I had to go with my dad to accomodate one of his colleague... Not only did he make me dress like a whore, John made it even worse when we were in the car... As if I didn't have enough to do... So we arrived at his colleague's house... And once they were done drinking, that guy bended me over and started fucking me like a cheap toy... Dad got in front of me, and made me suck his cock. I looked it up on google on the way home...

Spitroasting can means two different things...

Choice :

-It wasn't too bad (Corruption Increased)

-It was really bad (Corruption decreased)

NOT TOO BAD CHOICE

I guess I got used to worse, with John and everything... And I made a sad divorced husband happy, so that's what it is...

I'm

END OF NOT TOO BAD CHOICE

IT WAS REALLY BAD CHOICE

I felt like a thing... Like I was nothing more than some holes... I'm not... Why are men so perverted?

I'm
