Let's make a bet  
(M/F)

is a counselling room for people harboring some kind of guilt.

In this small, 9-square meters room,

Ninety-eight.

Ninety-nine.

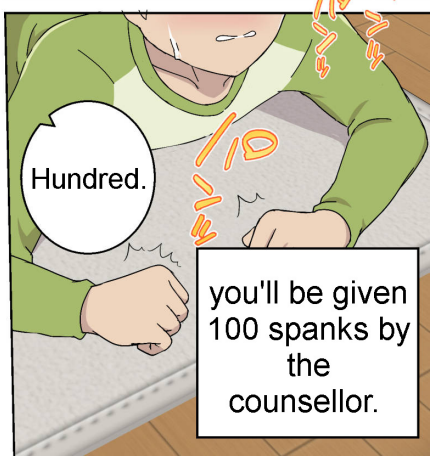

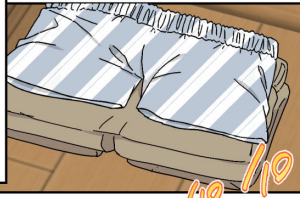

Ninety-seven.

If you confess your mistakes here like you would to a priest,

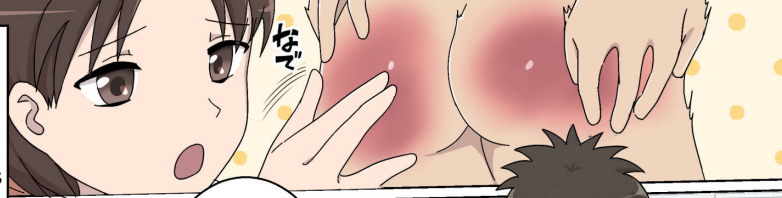

Now, we'll stop here for today.

Hundred.

you'll be given 100 spansks by the counsellor.

The counsellors are the neighborhood's mommies.

It must've hurt, right? I'll help you rub it and apply some ointment.

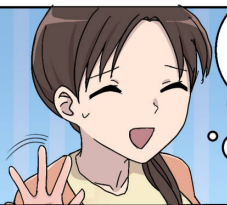

I-it's okay! So...

Thank you for today as well!

Ahaha... I guess he's embarrassed.

Please come in~

The counsellors see many bottoms throughout the day.

To think he wet the bed, washed the sheets...

And then asked for a punishment, all by himself.

Heh, I guess he's a special case.

Because of this,  
many people feel  
safe to visit,  
regardless of  
gender or age.

Since the counsellors  
are the mommies of  
the neighborhood,  
everything that  
happens here is a  
secret.

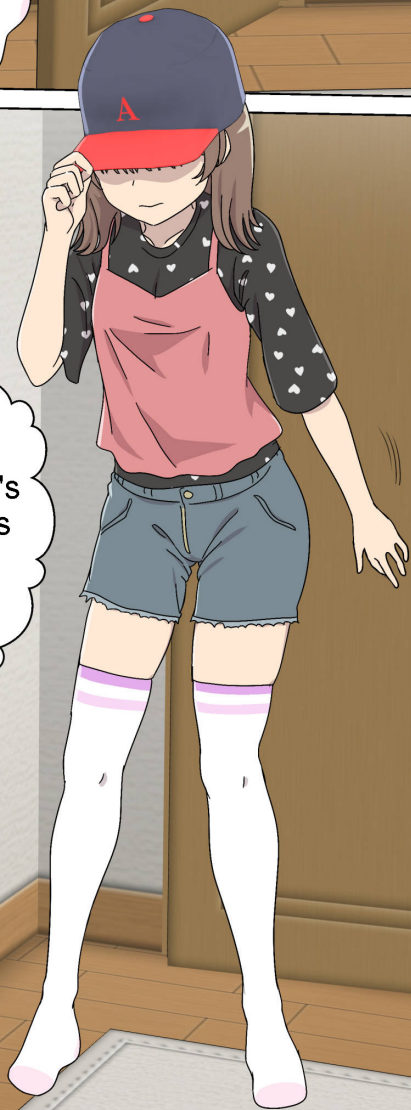

Hello~

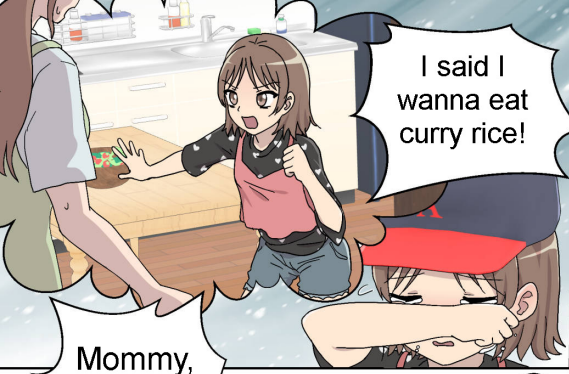

Oh my, it's  
a girl this  
time.

So, why  
have you  
come  
here  
today?

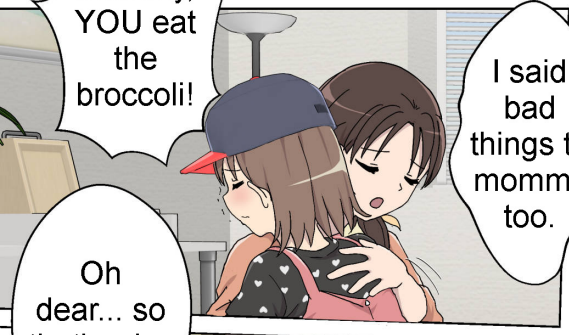

I said I  
wanna eat  
curry rice!

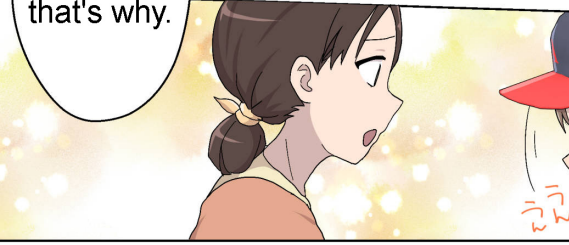

I was a  
picky eater  
this morning.

Mommy,  
YOU eat  
the  
broccoli!

I said  
bad  
things to  
mommy  
too.

Oh  
dear... so  
that's why.

Will a  
spanking  
make you  
feel better?

Alright!  
Auntie will  
try her  
best!

One.

Here we go, okay?

Two.

Three.

Ninety-nine.

Ninety-eight.

Last one.

...

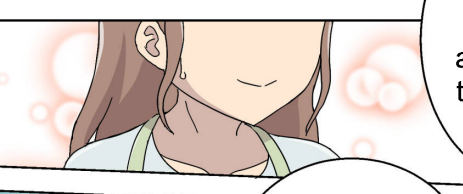

You know, even if you're sorry, if you don't say it properly,

... Mommy.

People won't know.

So tomorrow, let's try apologizing to mommy, okay?

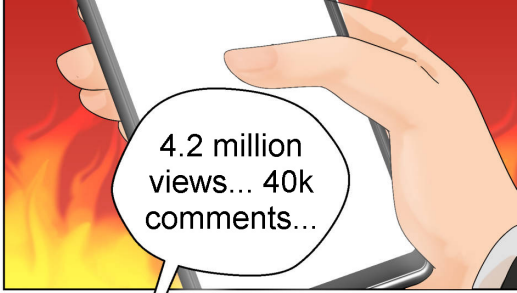

I'm sorry.

Your nicknames are increasing, Stella.

I'm very sorry, director. I will accept my dismissal.

Our department store prides itself on customer service.

This is the standard greeting.

But recently, I as the director am unhappy with the quality of the greetings.

Director, if it's their education, please let me...

No, no, I know how to treat workers.

Understand? This is my gift to you to help you improve yourself.

Thank you, sir!

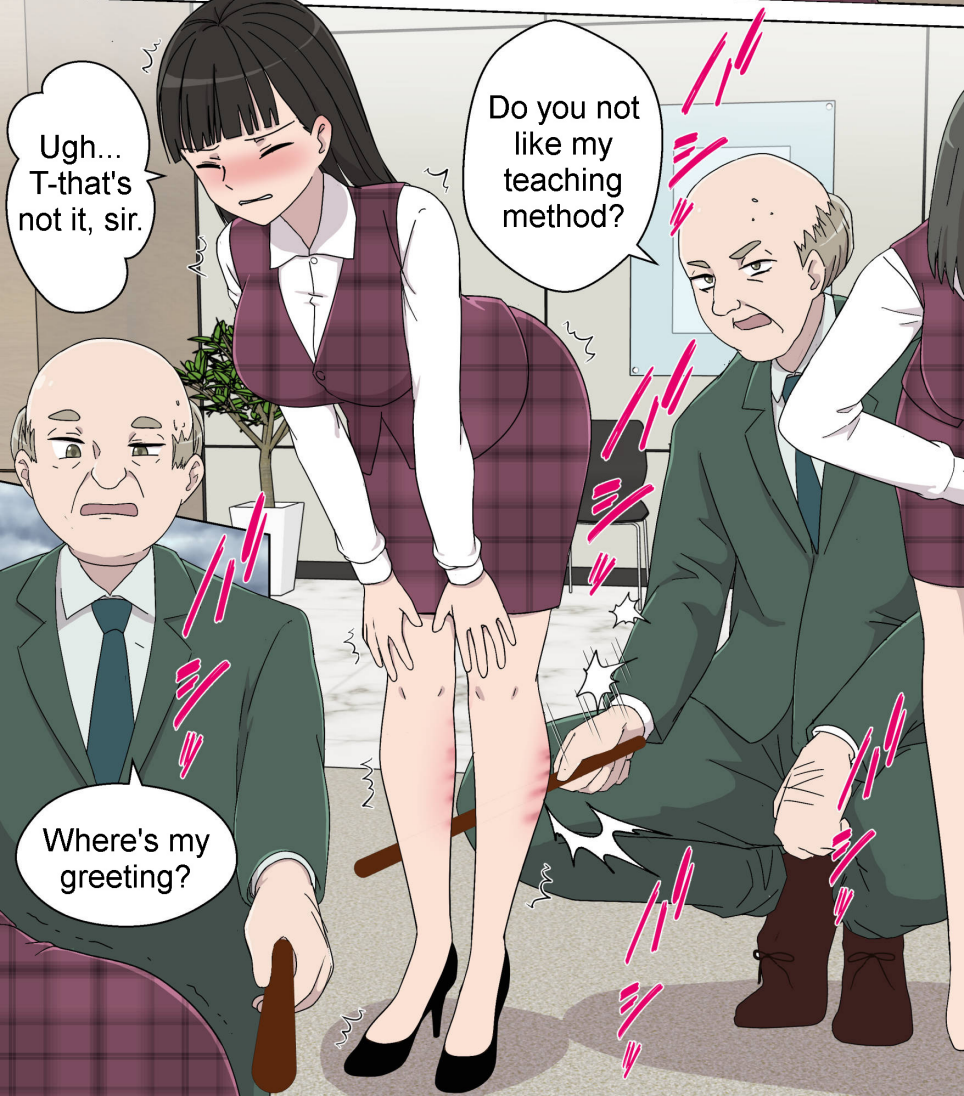

Right. When you're greeting, think of the customer like your boss, and bend your hips more.

... I see there's someone who looks unhappy, huh...

Ugh... T-that's not it, sir.

Do you not like my teaching method?

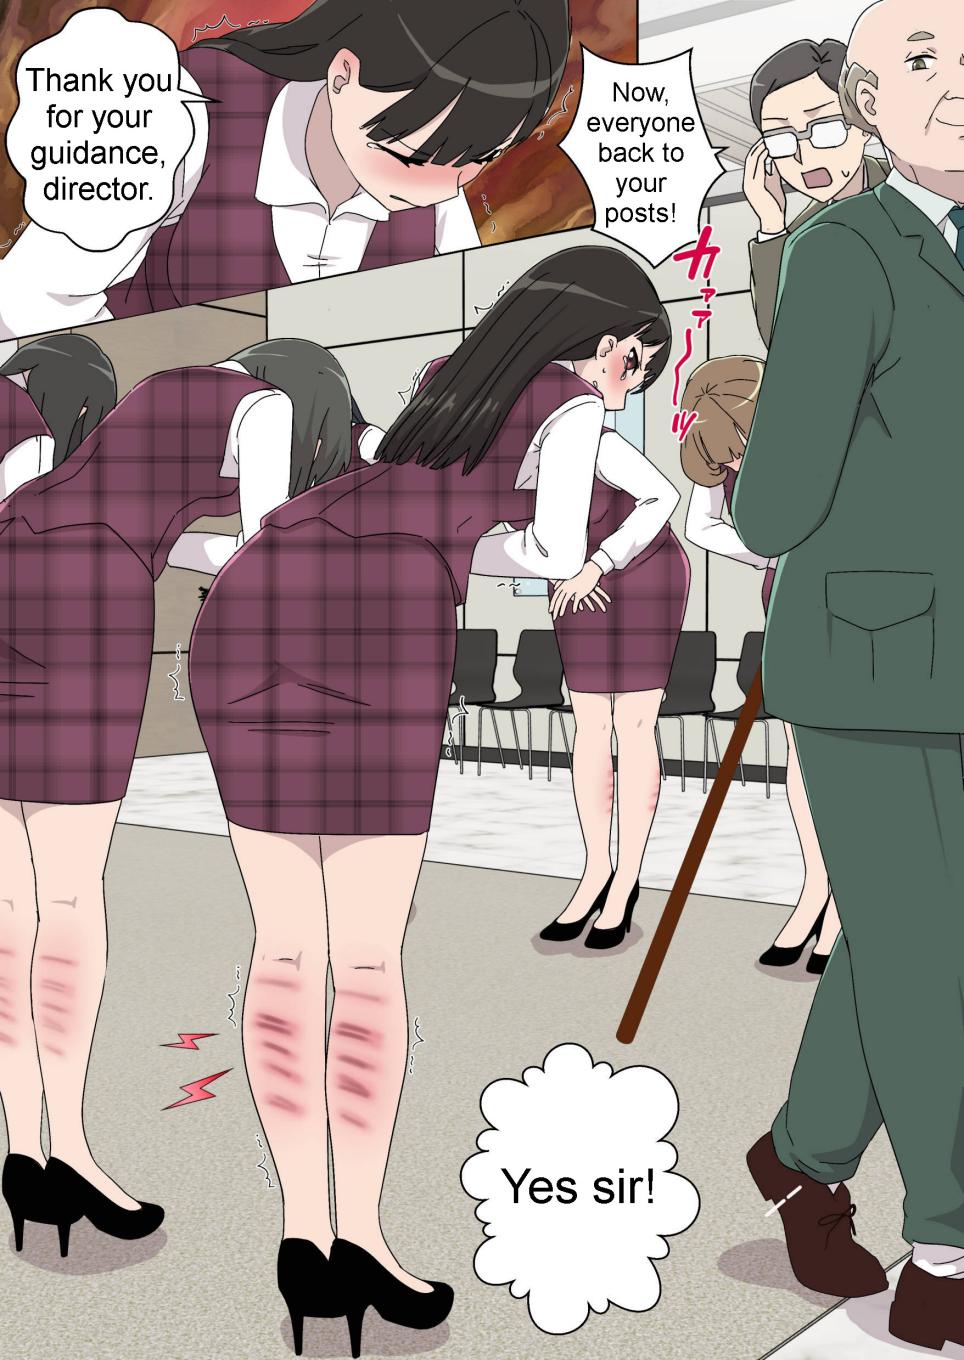

Where's my greeting?

Thank you for your guidance, director.

Now, everyone back to your posts!

Yes sir!

Taking money from your mommy's wallet without permission is stealing, you know?

Oh my, you're such a bad boy.

Waaah~ I'm sorry! I'll never do it again~

Thieves get sent to prison, got it?

Well, maybe this time I'll forgive you with just a spanking...

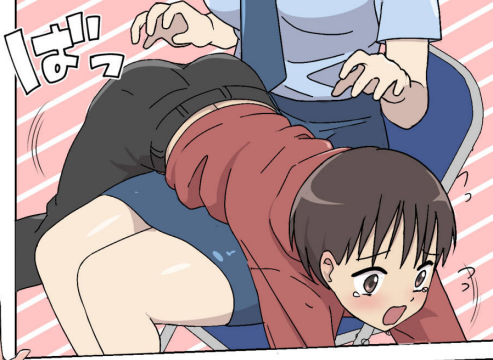

Guess you'll never see your daddy and mommy ever again.

Why don't you say bye bye to mommy?

I'll even remove my pants!

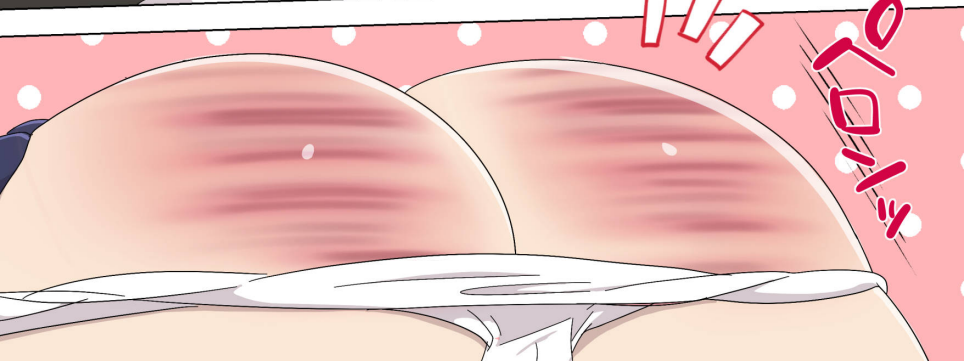

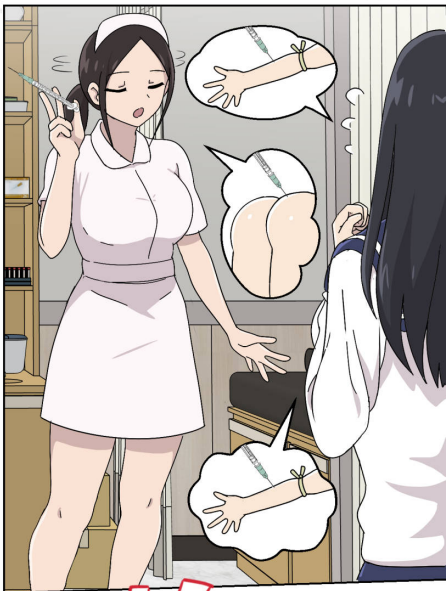

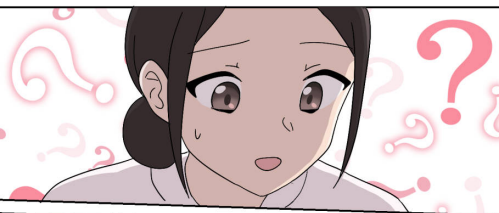

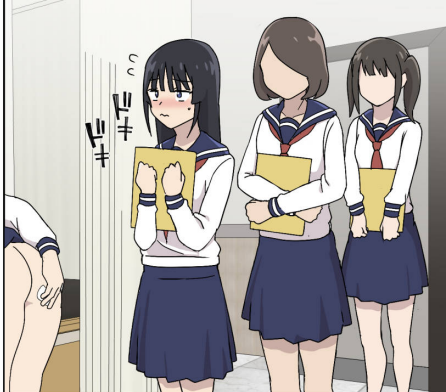

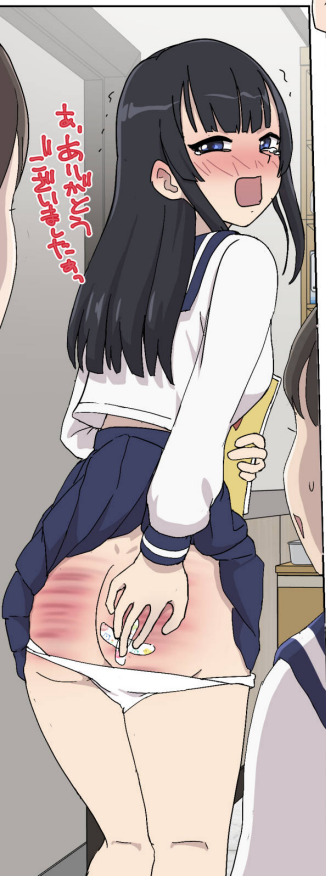

Oh my~ So you don't wanna leave mommy after all~?

Please spank me! Please!

Though, if you do bad things from now on, your mommy might spank you next...

Is that okay?

Wha?!  
This can't  
be! I  
lost?!

Fufu, whoever  
loses gets  
spanked. It'll be  
too late for  
regrets when you  
lose, okay?

I'm sorry~  
Forgive me!  
Please  
forgive me~!

... Of course, it's not always good kids who come to the counselling room.

That's right! I'm a really bad girl! So please give me a punishment...!

ぎゅっ

...

For the counsellors who spank many bottoms each day, they can easily tell.

Those who have some fantasy of being spanked...

Um, I don't think 100 slaps is enough for me to reflect.

An anime-style illustration of a woman in a yellow shirt and orange cardigan spanking a girl in a school uniform with a wooden brush. The girl is lying on her back on the floor, looking angry. The woman has a determined expression. There are sound effects around the girl's buttocks.

Alright, just for you, I'll give you 200 spansks with the brush!

T-thank you, ma'am...

But even kids like these can become good if you put your heart into spanking them...?

Rules are rules!  
Whoever lost the game will be spanked.

I win!

Come on,  
stop crying  
and accept  
your  
punishment.

If you're this bad at the game, you'll be spanked twice. Will your butt be okay?

Hehe, you seem to lose a lot in one-on-one games too.

My spankings hurt more, so brace yourself!

To think you'd be late on the first day.

You lack the self-awareness that you're in a good school now!

It's a bear~

Now choose. Do you want a spanking, or for me to tell your mom and have her confiscate your computer?

Well... I brought him down to hell by accident.

I can't just return him, but I also can't just drown him in hell's water because of that.

Please forgive me! I'll never think pervy thoughts again!

Guess I'll just leave him to my daughter to be spanked for all eternity...
